Ecology needs help

By Barb Wanchisen

The Environment Committee could be reactivated again this year if there are enough interested students. Last year twelve members started things rolling in February by checking on some of the main ecological problems in our area, especially on campus. Their research covered such areas as water energy; waste disposal, noise and air pollution and education. They checked up on the dorms, laundry buildings, Scranton Commons, Student Union and the boiler plant. This committee suggested ecologically-oriented brands of detergent, transported recyclable materials, to the nearest plant and other helpful activities.

The inconvenience of not being able to dispose of certain materials haphazardly, to buy detergents cheap even though they are detrimental to human beings, to travel in mass transportation as opposed to individual vehicles; all these factors will be considered.

If you are interested in participating in this program contact Dr. Vaughan, Associate Professor of Biological Sciences, phone 2400. This organization will be student run and will depend on the degree of concern of the students in order for it to work.

Briefs

SOFT PRETZELS

Youth CARC is sponsoring a soft pretzel sale in the Union November 17, 20, and 21. Pretzels can be purchased from 10 am - 7 pm each of the days and on Friday until 12 midnight.

CONSUMERS NOTE!

Lois Towner, from the Consumer Service Division of the Pennsylvania Department of Agriculture, will be the guest at the Bloomsburg Branch AAUW meeting on Tuesday, November 21, at 8 pm in Bakeless Faculty Lounge, BSC. Miss Towner's program will include a slide presentation and a discussion of how we can become consumer advocates.

Marie Horlacker, the Consumer Coordinator for this area of Pennsylvania, will also be present. Since the Consumer Council for this area is now being formed, persons interested are urged to attend.

COMMONS

The following are recommended hours for the closing and opening of the College Commons

(continued on page four)

Bill Baird emphasized "the personal liberty of women to control their own bodies" in his talk to a capacity crowd in the Union last Tuesday night.

(Photo by P. White)

Baird speaks for women's rights

by Valery O'Connell

Bill Baird, a national advocate for women's rights, appeared in the Union, sponsored by AWS. This program was the second in the Sexuality Series and was presented on Tuesday night, November 14. His plane was delayed by inclement weather, but the capacity crowd willingly awaited his arrival for twenty extra minutes.

Due to a misunderstanding, Mr. Baird did not bring his "controversial film — the first live video-taped abortion". The audience expressed their disappointment when he announced the absence of the film.

Personal Freedom of Females

Mr. Baird, a long-time crusader, stressed his stand on the freedom of females to decide on the use of their bodies. He stated that he does not advocate promiscuity and free morals, only the "personal liberty of women to control their own bodies".

The famous and controversial Bill Baird Board was shown to the crowd. This slate consisted of actual contraceptive methods on one side and crude abortive tools on the other. Mr. Baird told of a few times in various states in which he was arrested for displaying these objects.

Questions, Answers and A Comment

A question and answer period followed his talk in which an 80-

year-old town member opposed Mr. Baird's lecture. This gentleman spoke of his five children and 13 grandchildren, stating that the recent interest in sexual freedom has "made me sick". After a five-minute soliloquy, he left the Union amid a hub-bub of comments in the audience.

Various other questions and comments were directed to Mr. Baird, and he answered them until 10 pm. He also passed a petition, asking for signatures supporting the legal right of a female "to decide over her own body, and to be able to decide in the matter of abortion". He will take these papers back to New York, whose abortion laws are now being contested in the New York Supreme Court.

Mr. Baird later told lingering students that he received the greatest number of signatures at BSC than at any other college he has spoken to.

Action Letters to Harrisburg

Baird also asked for students to address letters to their state congressmen, concerning the Pennsylvania bill regarding abortion. He asked that carbon copies, either pro or con, be sent to himself, so that he will be able to see the amount of support he has behind him.

Further information on abortion, birth control, or overpopulation can be obtained by writing to the Parent's Aid Society, 107 Main Street, Hempstead, Long Island, New York.

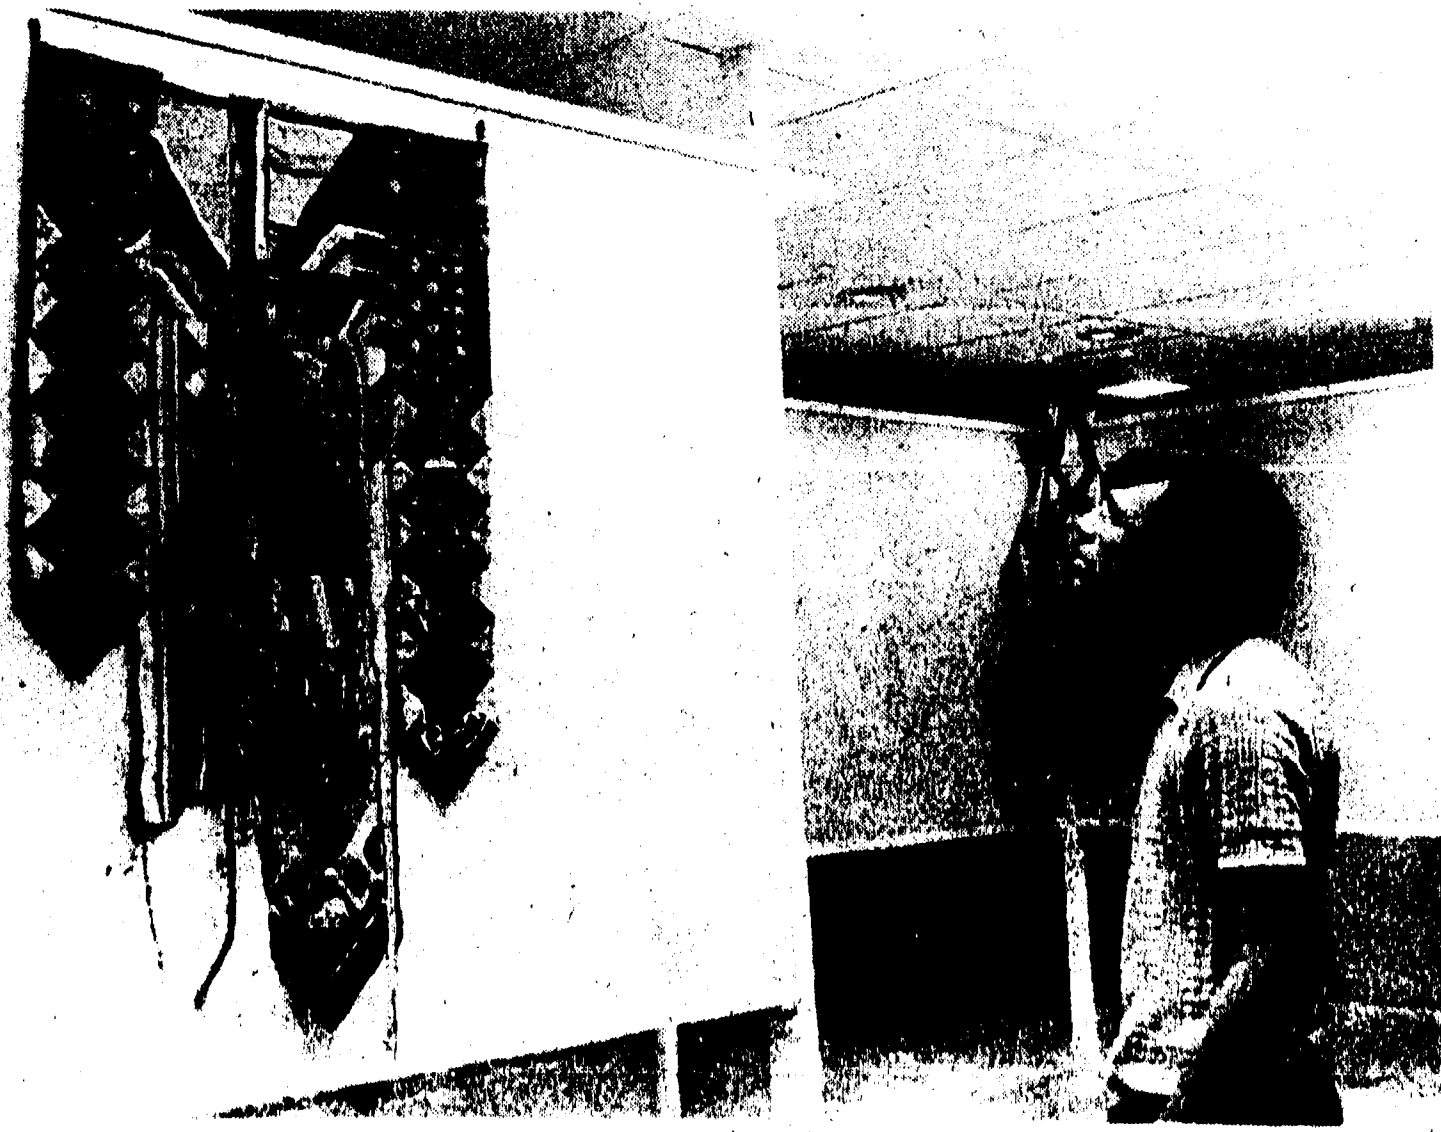

Finals: Dec. 18-22

The Final Examination week extends from Monday, December 18 through Friday, December 22, 1972. There will be three day-time examination periods. Examination Period 1 - 8:00 am to 9:40 am.; Examination Period 2-10:30 am to 12:10 pm; and Examination Period 3 - 2:00 pm to 3:40 pm. Those classes that meet after 6:00 pm will have their examination at the regular class meeting time during examination week.

All examinations will be held in the regular classroom, unless the instructor notifies the class differently.

Classes that meet at times indicated will be tested according to the schedule below. If a course has several sections but all sections meet for at least one common hour, the examination is scheduled for the examination period of the common hour. If a class meets on an irregular pattern, the examination period would correspond with the first class meeting for the week. Thus a class that meets M4, TTh 6 would be tested according to the schedule for the fourth period on Monday. Exceptions to the examination schedule will be handled on an individual basis. The exam schedule is: Mon. Dec. 18, Period 1 - Classes that meet TTh 12:30 pm; Period 2 - Classes that meet MWF 10:00 am; Period 3 - Classes that meet MWF 2:00 pm; Tuesday, Dec. 19, Period 1 - Classes that meet MWF 11:00 am; Period 2 - Classes that meet MWF 12:00 noon; Period 3 - Classes that meet MWF 4:00 pm; Wed. Dec. 20, Period 1 - Classes that meet MWF 9:00 am; Period

2 - Classes that meet MWF 3:00 pm; Period 3 - Classes that meet TTh 2:00 pm; Thurs. Dec. 21, Period 1 - Classes that meet TTh 11:00 am; Period 2 - Classes that meet MWF 8:00 am; Period 3 - Classes that meet TTh 3:30 pm; and Fri. Dec. 22, Period 1 - Classes that meet MWF 1:00 pm; Period 2 - Classes that meet TTh 8:00 am; Period 3 - Classes that meet TTh 9:30 am.

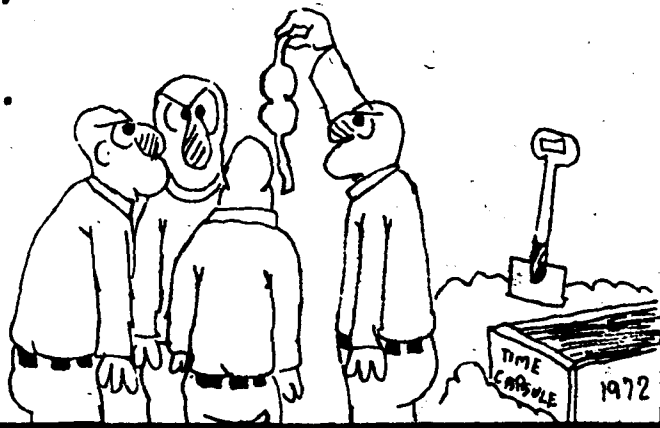

One feature of the current Weaver's Exhibition in Haas is this "Events Round a Camel". The interested spectator is Gene Coebank.

(Photo by S. White)

TO WHOM IT MAY CONCERN:

IN THE VERY NEAR FUTURE, A TIME CAPSULE WILL BE BURIED SOMEWHERE ON CAMPUS. IT SHALL BE DUG UP IN 50 YEARS, AND ITS MANY INTERESTING CONTENTS WILL BE EXAMINED BY THE FUTURE INHABITANTS OF B.S.C. ALL CONTRIBUTIONS ARE WELCOME. BRING THEM TO THE OFFICE COMPLEX ON THIRD FLOOR BAKELESS. PLEASE:
NO TRASH.

Youth Conference

REPRINT FROM THE MORNING PRESS
The Columbia County Conference of Problems of Youth will be held on January 27, 1973. The theme for this conference is YOU-YOUTH: Together Today for a Better Tomorrow. It is being sponsored by Columbia County organizations for Columbia County residents about Columbia County youth.
In keeping with the theme, Together Today for a Better Tomorrow, the cosponsors feel that this is the time for adults and youth to learn about the problems of youth, to discuss the problems of youth, to exchange ideas, and to make recommendations for

solving these problems. According to Mrs. Elizabeth Strauss, chairman of the planning committee, there will be several workshops, such as Youth and Emotional Needs Schools, Recreation and Creativity, the Law, and Sexuality. The panelists for these workshops will be Columbia County personalities, some of whom are professionals, and all of whom have an interest in our youth.
The registration fee for this conference is being kept to a minimum so that all persons interested in attending can do so. This fee, which includes a box (continued on page four)

Vets and CARC

The Veterans Club on campus is sponsoring a Turkey Basketball Classic on Monday, November 20, 1972, at 8:00 p.m. in Centennial gym. It will be a fun game between their members and the Pennsylvania State Police, male cheerleaders and all. Following this game there will be another between the best of the sorority sisters and the WHLM All-Stars. Benefits will go to the Bloomsburg Area United Fund to aid the flood victims.
The Youth Columbia Association for Retarded Children and friends are taking a

large number of men and women from Selinsgrove State School and Hospital. The Vets are allowing free admission to these residents. It will be a lot of fun and a great experience for them away from the school. The members of CARC would like to publicly thank them for their hospitality.
Donation for this basketball first is \$1.00 for all students and adults, and tickets may be obtained from any ex-GI. Purchase a ticket and at the same time you're witnessing a "sports spectacular," you'll be helping those in need.

Record Review

A Rising Star

by Joe Miklos
Roy Buchanan...Roy Buchanan
There are certain characters on the rock scene who are prone to experimentation with more than one form. In the past the most successful have been people like the likes of Boz Scaggs. Roy Buchanan is of this mettle.
Like Scaggs, he deals with two highly different forms, in fact, the same two: blues and country-western. Just as Scaggs keeps the forms separate and pure, Roy Buchanan employs the same approach. This album is his first venture in recording. If it is any indication of future performances, he's got it made.
Before I get into the music itself it seems best to explain that Roy is not to be confused with Ian Buchanan, a 1960's folk-blues artist with a voice like gravel.
This album starts with an old Don Gibson instrumental called "Sweet Dreams." It's one of those songs you can remember from high school. The kind that the band played and everyone slow danced. No one ever remembered the titles to these things. Buchanan's touch and

guitar work give it enough punch to make it distinguishable from the background. Sort of stands out amidst all those versions of "Shangri-La" and "Misty" that garage bands used to play.
Then the country-western starts. "I Am a Lonesome Fugitive" is a ballad of the sort Bob Dylan might do if he ever went totally C-W. To be blunt, it's nice and sobby, like some of the stuff Commander Cody does.
Don't get it wrong, Roy Buchanan is a guitar man and leaves all the vocals to Chuck Tilley of his back-up band, the Snakestretchers. Buchanan is strong on the blues, all of which are instrumentals. "Pete's Blues" stands out as the best blues number on the record. For a while it seems to droop and drone, but Buchanan throws in some scaling that sets the structure for a simplistic organ solo.
"The Messiah Will Come Again" is a venture into gospel. It opens with Buchanan reading a little tale of Faith and builds into an instrumental that is as hard charging as Boz Scaggs' "Loan

Me A Dime." The song has the saving grace of keeping Christ as a simple object of faith and not giving him all kinds of ridiculous attributes. The only moral is that the world needs a Messiah and he will pop up again soon.
The album closes with a Hank Williams number that shakes loose the Country-Western barn door. The use of 40's styled hillbilly music is getting popular; Buchanan should soon be occupying a niche somewhere between the Lost Planet Airman and the New Riders of the Purple Sage.
The Snakestretchers are an effective backup band, they can both burn and lay back when necessary. Chuck Tilley is an excellent C-W vocalist, accenting Buchanan's simplistic approach.
Looks like 40's style country-western is here to stay. If all the comers are as effective as Buchanan and his band, beer sales will be higher than ever.
And as an afterthought, Roy Buchanan is, along with April Lawton of Ramatam, one of the few brilliant and flash-guitarists left undiscovered.

About Knowledge

by Don Enz
They say, "Knowledge is the key to Wisdom that unlocks the door to truth;" obviously it was a well learned man of books that said this (if it was said at all, but it sounds good, so I'll keep it said and go on).
Knowledge. Knowledge, the golden key by which you find Wisdom and Truth. For four years the student is told to read; knowledge is gained by reading. READ voluminously, constantly and when you're done, read some more. But really, what do you gain by it? A vast knowledge of everything? Grand visions? Instant success? Or a headache from eyestrain?
I believe the headache, not only from all the reading, but from all the expectations one accumulates in these sessions of brainwashing that deflate instantly upon graduation. The world just doesn't function the way they say in college. Knowledge is important, but not life completely. And Wisdom is grand, but not gained in books. You can only accumulate facts, ideas and an author's prejudices in books. It's up to life and time to evaluate what you've read. By living you gain Wisdom; as you gain Knowledge by living. And Truth, my friends, is perhaps

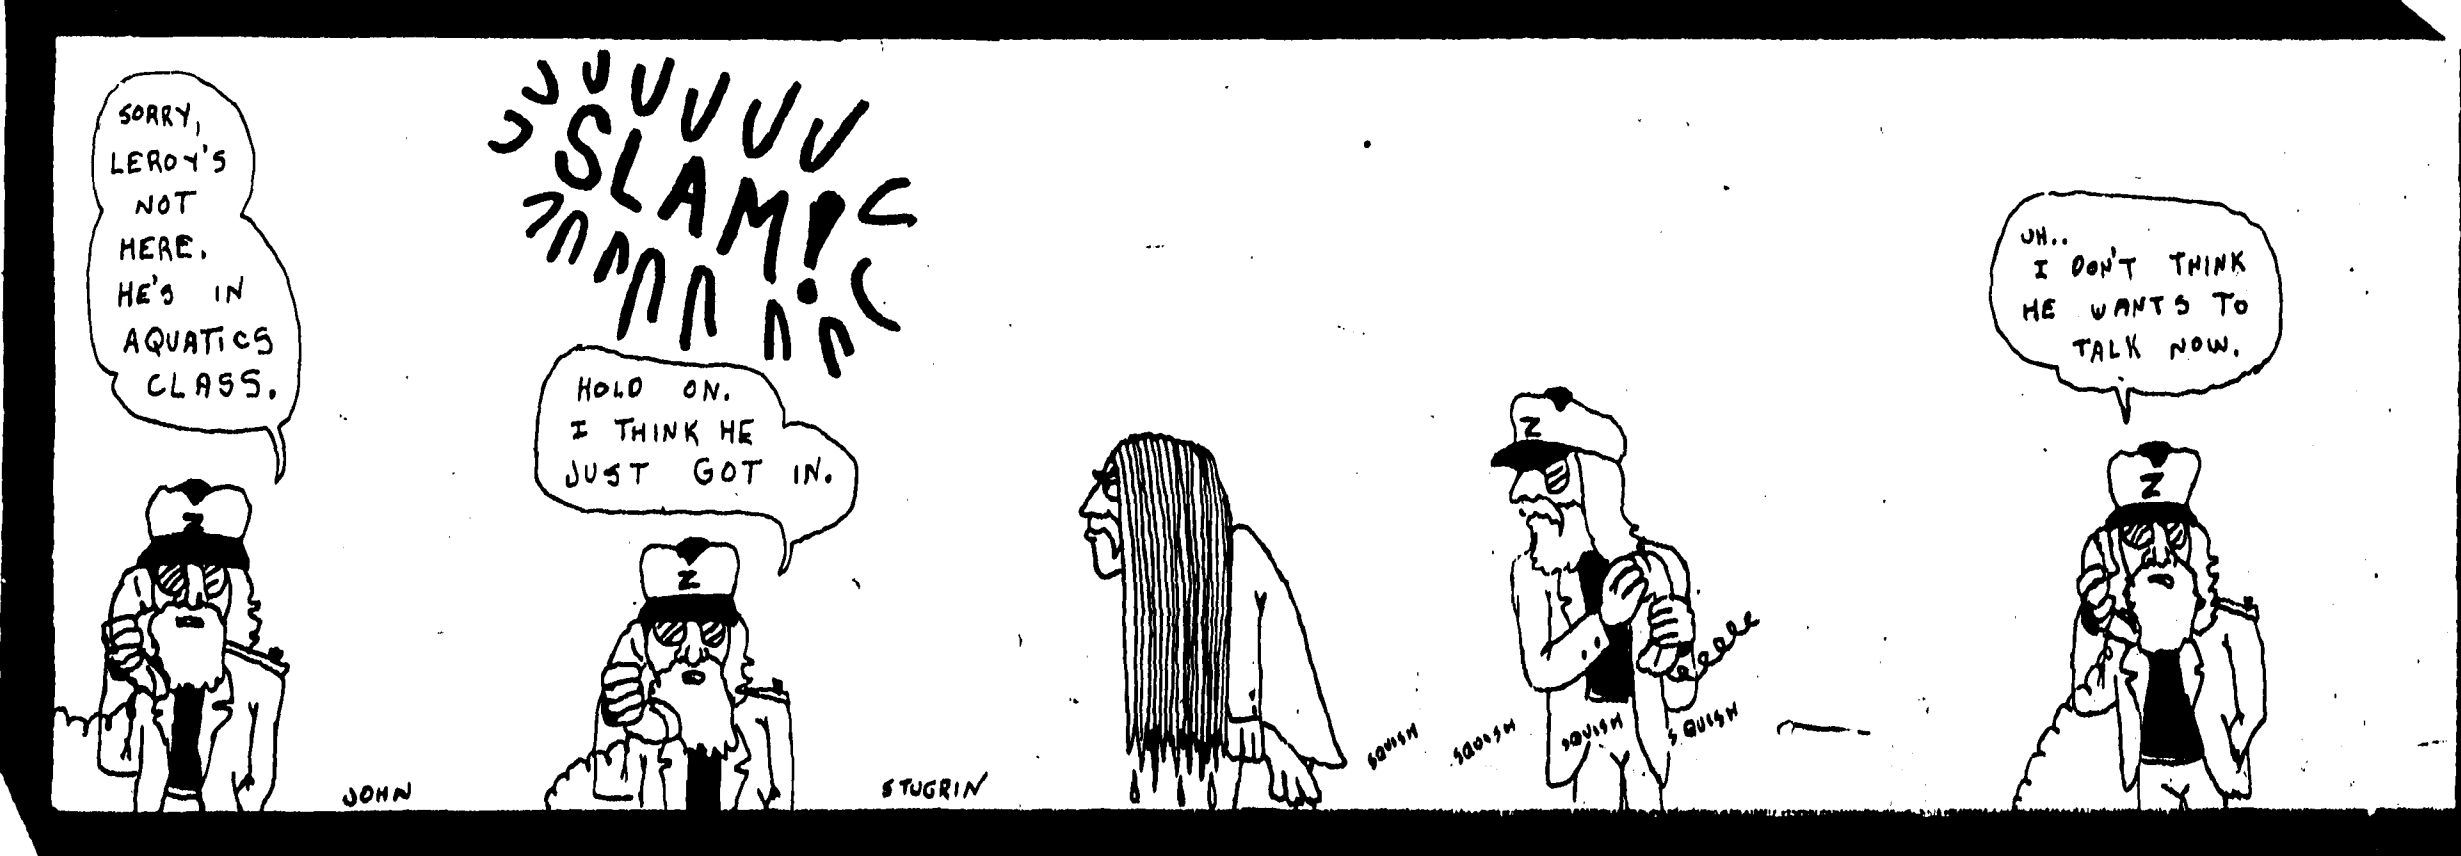

seen but once, at the time you die. At that moment you know the future cannot change the past. You can evaluate and sum up your life as an accumulation of wastes and gains. And after making the tally, I wonder how many will claim college a waste? Perhaps not most, but I assure you quite a few. For these few will have gained through life's experience the Knowledge and Wisdom they couldn't find in books. And it's because of their

life experience that they can calculate Truth, for nothing in a thousand libraries can equal the Knowledge, Wisdom and Truth that one finds in watching a bird in flight, a bee in a flower, a storm, a sunny day...
What is college? Simply a place that exposes a person to books and the thoughts in them; a place to experience but not a place to blindly trust your future existence to.

Some of the BSC Swim team practicing for their first dual meet-vs-Temple at the end of the month. (Oliver Photo)

Swimmers Cop Millersville Relays

The BSC Husky swimmers opened their 1972-73 season by copping the Millersville State College Relay Championships by a large margin.

The Huskies, with 82 points, were followed by Millersville with 48, Elizabethtown College with 44, West Chester with 42, Franklin and Marshall with 18, and Shippensburg with 12.

The Husky swimming squad this year is well balanced, having seven freshmen to go along with only four seniors.

Bill Elwell, Jim Campbell and George King led the local romp as each were members of three winning relay teams. All-American Dave Gibas and Rich Koznicki each participated in two winning relays.

Recording a strong 3:55.77 time, King, Gibas, Campbell and Jim Koehler beat out runnerup Elizabethtown College for first place in the 400-yard medley relay with Campbell, King, Elwell, and Conrad Auel splashing to a 4:16.7 to capture the 400-yard backstroke relay.

Elwell, King, Doug Yocum and Koznicki were runnerup in the 400-yard breaststroke, and also posted a 3:58.5 to win the 400-yard butterfly. The Huskies added their fourth and last (out of six) first in the 400-yard individual medley, as Elwell, Koznicki, Campbell and Gibas recorded a 4:03.5 time. The Huskies closed the meet with a second in the 400-yard freestyle behind winner West Chester.

Bloomsburg, along with Millersville and Elizabethtown received team trophies and the Husky swimmers captured 16 inscribed individual mugs for their first place finishes, as well as seven second place mugs.

Coach McLaughlin said after the meet, "Considering the fact that only four seniors were entered along with seven freshmen, it is certainly an indication that we are a rather young team with a lot of potential. The remaining time of our pre-season training will be geared to the opening meet with Temple U. on November 30 in Philadelphia."

Girls' Swim Team

There's a new team around the BSC campus these days, and it's the girls' swim team. Coached by Miss Jackie Adams, 25 girls practice four days a week from 5 to 6 in Centennial Pool. The girls try to improve their various strokes and increase their speed. Starting next semester, however, practice will be five days a week for two hours.

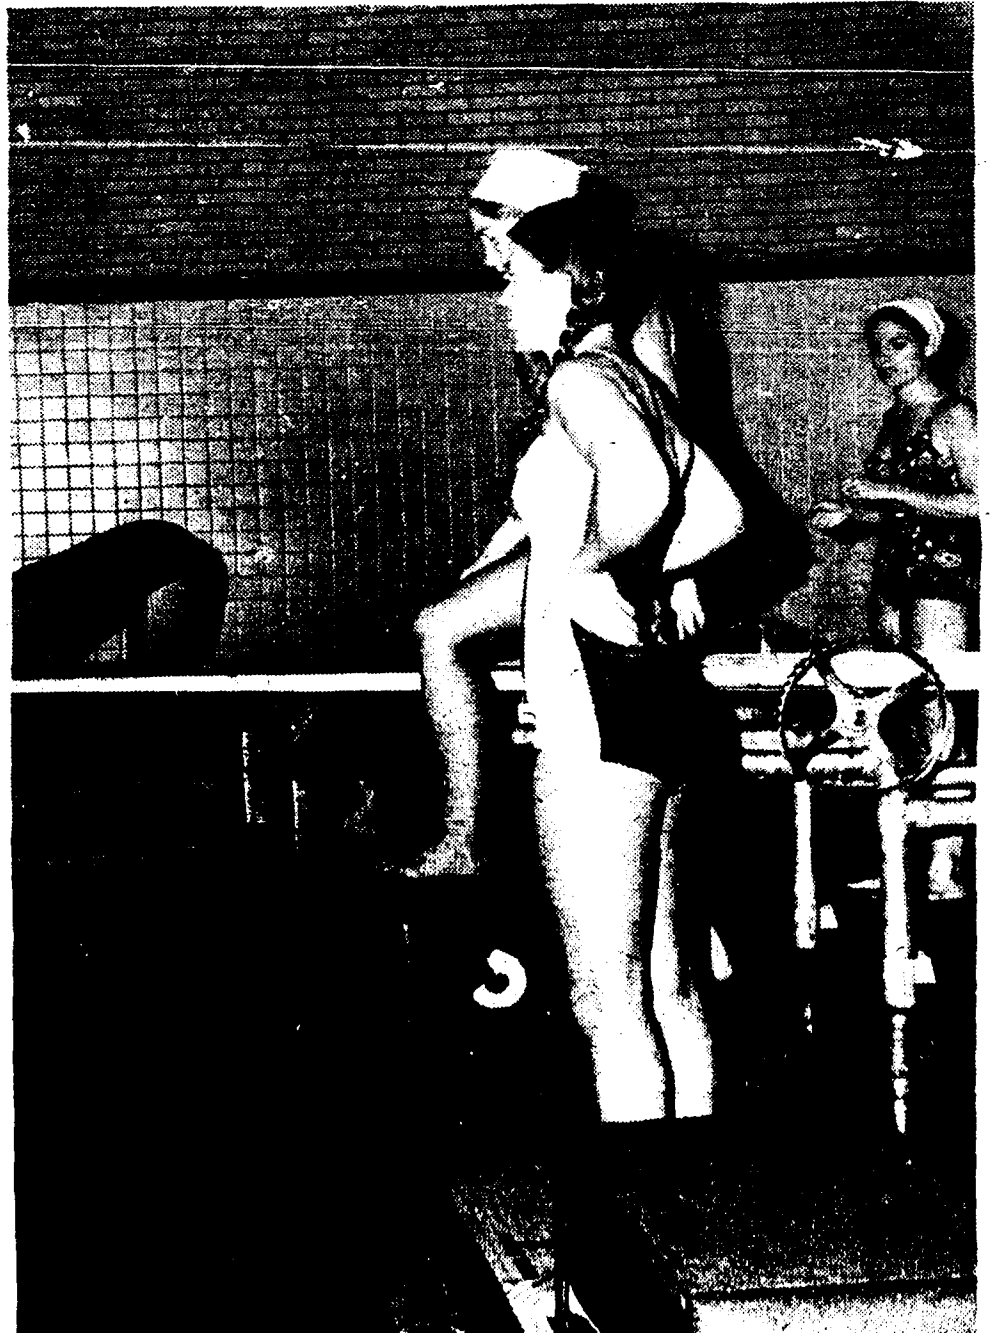

Although practice is usually held four days a week, this past Friday was an exception. The girls team held a special practice with the guys team. Practice included a warm-up followed by individual instructions by the

guys concerning strokes, turns, and starts. After an hour of specialization, relay races were held with both teams equally divided. Finally, a water polo match was held with the final score a tie 2-2. Although this was a "fun" practice, most of the girls did learn something that will be helpful with their swimming.

The team has two meets scheduled during the second semester, against Lycoming (home) and Penn State (away) and are still waiting to hear from other colleges.

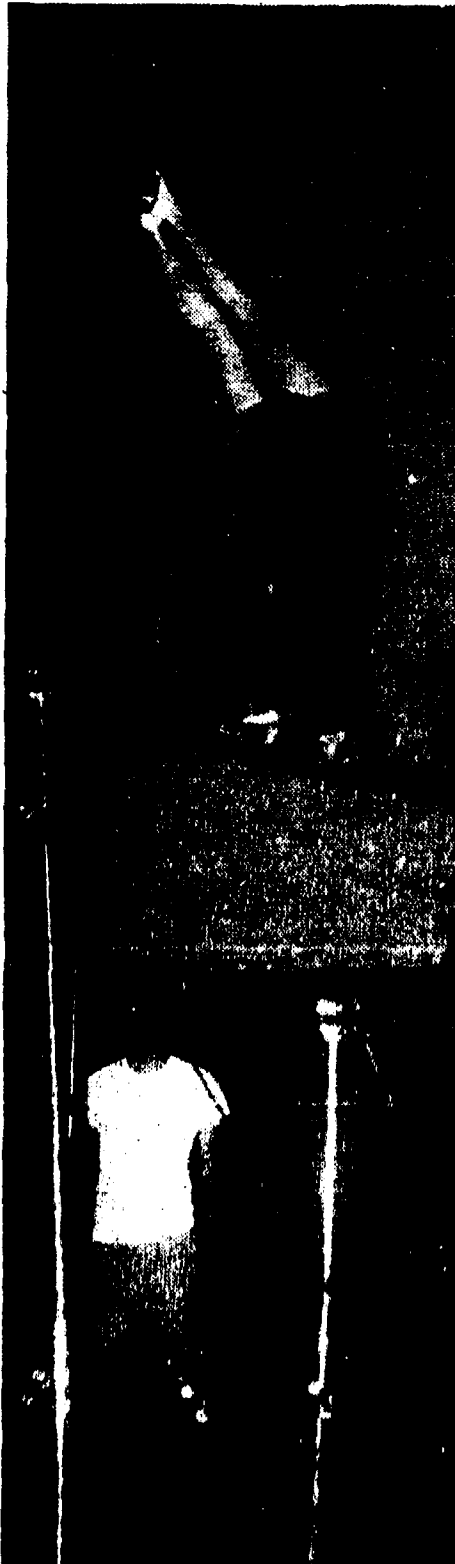

Coach McLaughlin notes an individual's performance. (Maresh Photo)

Koslosky receives award

The Pennsylvania Department of Education has named Robert B. Koslosky, Assistant Professor of Art at BSC, as a "Pacesetter" in Art Education. He has been active in advocating the value and importance enrolled in the Special Education Curriculum. Mr. Koslosky was one of 30 people invited to participate in the International Art Seminar on Human Behavior held in Lancaster, Massachusetts in July of this year. Koslosky also teaches a graduate course for the Pennsylvania State University and was a visiting lecturer at Marywood College this past summer.

Conference

(continued from page two) lunch, will be used to help defray the expenses of the all-day conference. The co-sponsoring organizations and committees are encouraging Columbia County residents to actively participate. More publicity and information will be forthcoming in December via the local newspapers, radio stations, and posters.

The co-sponsoring organizations for the conference include the Bloomsburg Area Community Ministries, the Columbia County American Medical Association, Family Counseling and Mental Health Clinic, the Easter Seal Society of Central Penna., the Bloomsburg Branch of the American Association of University Women, the Central Susquehanna Intermediate Unit 16, the Bloomsburg Jaycees, and the Federation of Women's Clubs.

WANT YOUR PICTURE IN PRINT?

The man from Merin Studios will be in the Bookstore Lounge November 29-30 and December 1 to pick up all proofs which you Seniors will no doubt have to turn in. So if you want your picture in the Yearbook don't forget.

Lost:

Tan German Sheppard

in Bloomsburg

Female: stitches in head, needs medical attention.

Contact: James Whitmer, Box 114 Waller.

GRE PROGRAM ANNOUNCED

BSC has been designated as a test center for administering the Graduate Record Examinations on December 9 and April 26. The remaining test dates are January 20, February 24 and June 16. Equivalent late fee and registration deadlines apply to these dates. Choice of test dates should be determined by the requirements of graduate schools to which one is applying. Scores are usually reported to graduate schools five weeks after a test date.

Full details and registration forms for the GRE are contained in the 1972-73 GRE Information Bulletin, which may be obtained from Dr. Sanders in Carver Hall (none by mail, please) or directly from Educational Testing Service, Box 955, Princeton, New Jersey 08540.

Grimm Publishes

Floyd M. Grimm III, a BSC graduate and currently Associate Professor of Biology at Harford Community College, Bel Air, Md. is the recipient of a special award for an article published in the September issue of the American Biology Teacher.

His article entitled, "Crown Gall Disease: Model of Carcinogenesis" received honorable mention in an award program initiated last year by the National Association of Biology Teachers, and Bausch and Lomb, a national manufacturer of scientific and optical equipment. The special

award program was set up to recognize outstanding manuscripts of two years college biology education.

Grimm earned both his Bachelor of Science and Master of Education degrees from Bloomsburg State College in the mid 1960's. As an undergraduate student, he was an outstanding performer on the swimming team of Coach Eli McLaughlin. He teaches in the natural science division at Harford Community College where he has been a member of the faculty since 1968.

C.E.C.

Margie Turner will speak on November 20 in the library in room L-35 as a guest of C.E.C.

This was previously scheduled for the 27th.

LETTER SEMINAR

A Letter Writing Seminar will be held Monday, November 20, 7:30 pm and Tuesday, November 21, 1972, 10:00 - 12:00 noon in Carver Hall.

The Seminar will be held by Miss Marjane Cloke, an employee of Mutual of New York Insurance Company, sponsored by Mutual of New York and the Susquehanna Personnel Management Association in conjunction with BSC. All are welcome.

TAU SIGMA PI

The sisters of TAU SIGMA PI wish to congratulate their new sisters. The ninth pledge class consisted of: Linda Moran, pledge class president; Barb Pollack, pledge class treasurer; Lynn Albertson; Kathy Fredericks; Linda Makibroda; Kathy O'Boyle; Karen Peters; Mary Ann Pepperling; and Lorraine Shemick.

Tau Sig would also like to ex-

tend congratulations to our Homecoming Queen candidate, Linda Gottlieb.

Tau Sig's annual fund-raising project is now going on. We're selling lots of good gift ideas for Christmas, birthdays, and all other occasions. We'll be selling our gift items through the week of November 13-17, so drop by the Union and see if you can help us out.

Chess News

After battling for twelve hours the state college chess champions emerged from BSC's alumni room. They are: top player, David Kistler (BSC, senior 4th Pa. state championship); second board James Kitchen (BSC, senior 3rd state championship); third board, Tim Johnson (Mansfield junior 1st championship); fourth board Andy Cherinka (BSC Soph. 1st championship); fifth board Ted Hoffmier (BSC soph. 1st

championship). The best team slot was taken by BSC with a score of 13½ points. Second place was taken by Millersville with Mansfield placing third. This was the fourteenth consecutive state championship won by BSC.

The tournament director was David Kistler. He was assisted by Doc Selders, advisor to the BSC chess club, and other members of the club. The tournament ran for about twelve hours in the Alumni room. Twenty people competed for the six trophies.
