Field Hockey

Bloomsburg's Field Hockey team will be aiming for sectional honors this fall when they participate in the Susquehanna Field Hockey Association tournament at Susquehanna University November 8 and 9. Joan Williams, a freshman fullback, received honorable mention last year, and it is expected that six more players will receive recognition this year.

B.S.C. had a 7-1-1 record last fall and will be playing a stronger schedule this year. Top opponents in 1975 are expected to be Bucknell University, Susquehanna University, Lock Haven S.C. and Wilkes College.

Field Hockey became a varsity sport at Bloomsburg in 1962, with Eleanor Wray as coach.

Mary Gardner took over as coach in 1974. She is looking forward to the fall when several of last year's strong varsity performers will be back to give the team added experience.

Basketball

The varsity basketball program has had steady growth, both in quantity and quality, since its inception in 1962.

The teams have always had a successful won-loss record, but team data has been kept for only the past six years. The Huskiettes have a winning percentage of 79% for this span of time.

During the last three years of competition the team has won 26 games and lost 4 for a winning percentage of 86.6%. The 1973-74 team went undefeated, a "first" in the history of all women's sports at BSC. The 1974-75 Huskiettes sported a record of ten wins and one loss during regular season play. In addition to their outstanding record this team also accomplished a "first" — they were the first BSC women's basketball team ever selected to participate in the EAIW (Eastern Association for Intercollegiate Athletics for Women) Invitational Basketball Tournament held at Edinboro State College on March 8 and 9, 1975. The highlight of the tournament for the Huskiettes was their upset victory over third-seeded Villanova University.

WON'T YOU BECOME A PART OF THE BASKETBALL TRADITION AT BSC? An open invitation is extended to all interested basketball players to become a part of the 1975-76 team. Your abilities are needed as the team tackles a tough schedule which includes:

The College

Bloomsburg State College, one of the 14 state-owned institutions of higher education in Pennsylvania, is located in the Town of Bloomsburg, an industrial and residential community of 11,000 in the Susquehanna River Valley 80 miles northeast of Harrisburg. The college is on a hill overlooking the town within two miles of Exit 35 of Interstate 80. Driving time from Philadelphia is 2½ hours and from New York 3½ hours. Full-time undergraduate enrollment is 4300.

The college offers a wide range of educational and recreational opportunities to the community, area and state it serves. Five classroom buildings are grouped around the modern library building in the center of the main campus. A new college union building is centrally located in the living area which includes six residence halls and a seventh presently under construction.

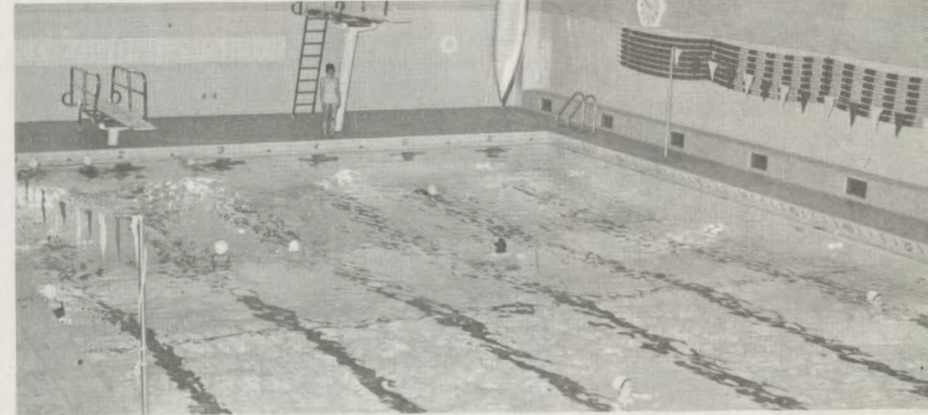

The college offers undergraduate degree programs in the Arts and Sciences, Business Administration and Professional Studies.

Sports Facilities

The campus has two physical education buildings, including the new E.H. Nelson Fieldhouse which is a part of a modern sports complex on the upper campus. There are also eighteen outdoor tennis courts, nine of them lighted, and several playing fields for both varsity and intramural sports.

Women's Varsity Sports

Four women's varsity sports — field hockey, basketball, swimming and tennis have been a part of Bloomsburg State College's strong intercollegiate sports program for several years. During the 1974-75 season Bloomsburg's women athletes won statewide honors in both swimming and basketball competition.

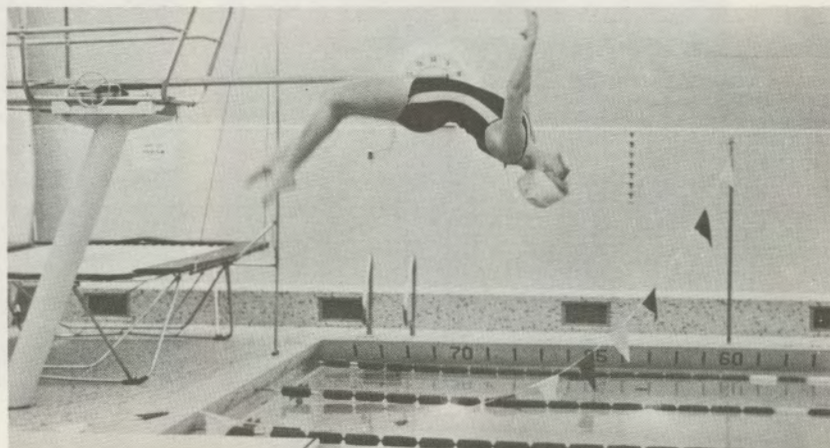

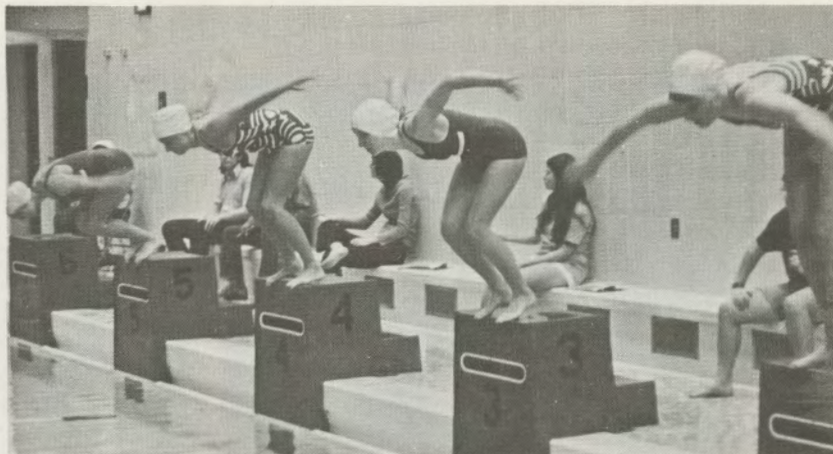

Swimming and Diving

The Swimming and Diving team will go into its second season at BSC with a ten-meet schedule that will be considerably stronger than last year's six-meet season. The team, composed of freshmen and sophomores, turned in a 3-3 record. The entire varsity team will be facing strong competition from several promising incoming freshmen, and Coach Mary Gardner is looking forward to a competitive season, in the battle for positions as well as in the meets.

West Virginia, Glassboro State, Temple, East Stroudsburg and Binghamton have been added to the schedule and in addition Coach Gardner is hoping to schedule several co-ed meets.

Last winter four girls qualified for the Eastern Regional Championships. They were Carla DeVries, Tina DeVries, Jan Crossmore and Connie Corso. This year the girls will be aiming for the Easterns, as well as the A.I.A.W. National meets.

Tennis

When the eighteen grasstex surface courts were completed in 1972, the women's tennis varsity was organized in the fall with practice sessions only. Competition was first scheduled in the spring of 1973 with a record of 1 win and 4 losses. In 1973, because the fall weather is ideal for tennis, competition was scheduled in the fall as well as the spring. Last fall our record was 5 wins and 1 loss. During the spring season the girls won 3 and lost 1. We have come a long way in three years. Matches are scheduled with Bucknell University, Susquehanna University, Wilkes College, College Misericordia, Marywood College, Lycoming College, SUNY-Binghamton, Kutztown and Lock Haven State College.

The Players

Name	Class	High School	Hometown
Beth McKay	Jr./transfer	Wm. Tennett H.S.	Warminster, Pa.

Beth played 3rd singles in high school and has played in local and USLTA tournaments in Bucks County. Her strokes and serve are beautiful and were a great help to team members with lesser skill. Beth did not return this spring term.

Anne McMunn	Jr.	Williamsport H.S.	Williamsport, Pa.
--------------------	-----	-------------------	-------------------

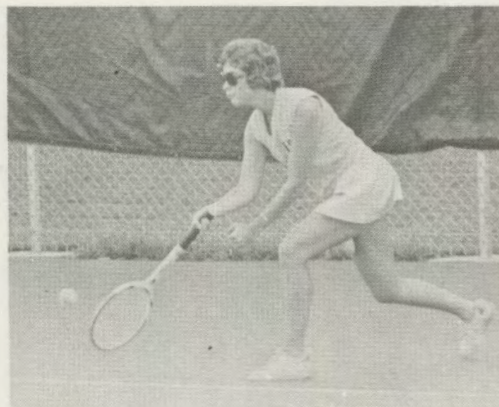

Anne played #1 in the tennis squad until Beth arrived and is expected to be #1 in the spring. She played #5 position in high school and has entered several tournaments in and around Williamsport. Anne is very busy in the Student Government Association as Recording Secretary and Vice President but still finds time to practice her drives, serves and volleys, which are good, hard strokes.

Sheryl Greiner	Sr.	Penncrest H.S.	Media, Pa.
-----------------------	-----	----------------	------------

Sheryl is student teaching second semester so she will not play in the spring. She has played only 3 or 4 years but is a strong coordinated athlete. She and Debby Young won all their tennis doubles matches in the fall.

Susan Wexler	Fr.	Lower Moreland H.S.	Huntington Valley, Pa.
---------------------	-----	---------------------	------------------------

It is obvious Sue had instruction in tennis for her skill is

excellent and she played #2 position on her high school team.
Deborah K. Young So. Garnet Valley H.S. Concordville, Pa.

Debby had only 2 or 3 years of tennis prior to coming to BSC. Her desire to learn and hit each ball no matter where it lands in the court has made her a valuable partner of our no loss tennis number one doubles team.

Valerie Cronin	Sr.	Great Valley H.S.	Devault, Pa.
-----------------------	-----	-------------------	--------------

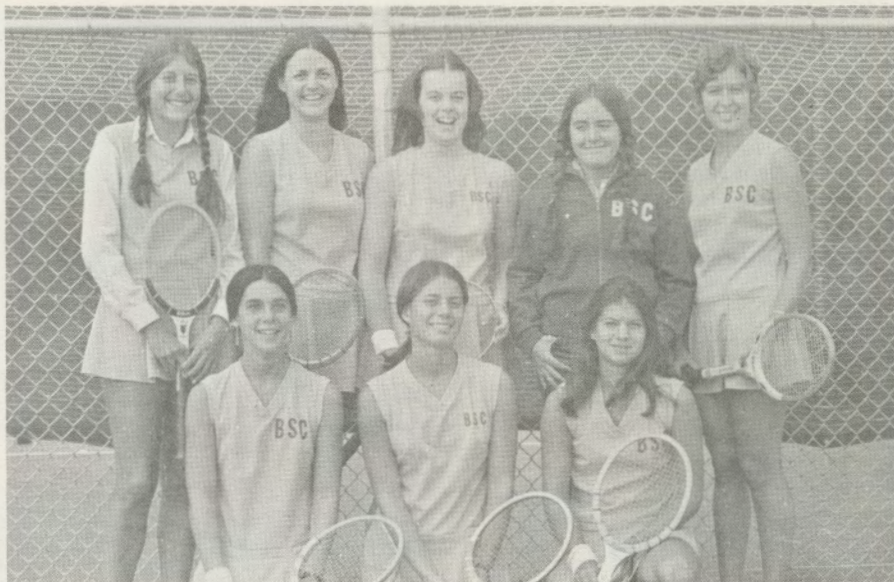

Valerie played tennis 4 years in high school and plays #6 position in singles and #3 position in doubles on the BSC team. This spring she is student teaching which makes it difficult to find the time to practice.

Jenny Yost	Sr.	Mechanicsburg Area H.S.	Mechanicsburg, Pa.
-------------------	-----	-------------------------	--------------------

Jenny is now student teaching but in the fall as part of the #3 doubles team she worked hard to attain quickness of net play and firmness of her drives.

Laura Stonebach	So.	Quakertown Comm. H.S.	Quakertown, Pa.
------------------------	-----	-----------------------	-----------------

Laura played #1 position in high school and she is a good left handed player causing some concern on the part of her opponent due to her handedness. She furnishes the team with depth and no telling when she'll be pushing toward the top 6.

1974 Women's Tennis Team

The Coaches

Ms. Eleanor Wray, tennis coach, joined the HPE staff of BSC in 1957 and assumed the duties of women's intramural director, B club and water ballet advisor. About 1962 she helped initiate and organize women's field hockey and basketball varsity sports and assumed the duties of coaching field hockey. With the inception in 1972 of swimming and tennis varsity sports, Ms. Wray assumed the duties of coordinator of women's intercollegiate athletics along with coaching tennis.

Formerly from Pittsburgh, Pa., she earned her B.A. degree from Lake Erie College majoring in sociology and health and physical education. While at L.E.C. she played field hockey and basketball and had tennis instruction under Mary K. Browne, a former Wimbledon Doubles and National Singles Champion. Ms. Wray played in tournaments in Painesville, Ohio, Pittsburgh, Pa. areas. The M.S. degree was earned at Penn State and additional credits at the University of Pittsburgh.

Ms. Mary Pakenas Gardner, who coaches the field hockey and the swimming and diving teams, came to Bloomsburg in 1974. She received her Bachelor of Science degree at East Stroudsburg State College where she won varsity letters in both field hockey and swimming. She was a three-time National Collegiate Champion in the breaststroke, and she served for four years as co-captain of the varsity swimming team. She is a native of Hatboro, Pa.

Ms. Joanne McComb, who came to Bloomsburg State College in 1960, has coached the women's varsity basketball team since 1962 when the sport became a part of the college's intercollegiate

athletics program. She received her baccalaureate degree at Slippery Rock State College and her master's degree at Pennsylvania State University. She has done additional graduate work at East Stroudsburg State College, Indiana University of Pennsylvania and West Virginia University. In addition to her coaching experiences she has played basketball in high school and college and on independent teams.
