# Women's Varsity Program

Basketball and Field Hockey were varsity sports for women at Bloomsburg State College since the early sixties. In 1972, tennis and swimming were added as varsity sports. Because of the implications of the Federal Law Title IX, women interested in golf and track and field may work out with the established men's teams. Scheduling of meets and matches will occur in these sports when the women indicate a responsible desire for competition.

During the 1976-77 school term, it is anticipated that lacrosse and softball will be added to the established varsity sports for women. Both of these sports will be coached by women in the spring. Women's athletics at Bloomsburg State College is ever increasing and establishing better programs.

Bloomsburg State College does not discriminate on the basis of sex, race, color, creed, age, or handicap as required by Title IX of the Education Amendments of 1972 and by other legislation.

## FIELD HOCKEY

Bloomsburg Field Hockey team will be aiming for sectional as well as regional honors this fall. Sophomores Joan Williams, Tracey Dimmig, and Kathy Hotchkiss, and freshman Donna Santa Maria were selected to the Susquehanna Field Hockey Association's All-Star team this season. This team represented the association at the Mideast Tournament held at Conestoga Valley High School on November 15-16.

Bloomsburg State College will be looking forward to another competitive season, its strongest opponents being Millersville, Lock Haven, and Bucknell. Many outstanding varsity players will be returning to give the team the added experience it needs.

## BASKETBALL

The phrase "performing with excellence" typifies the calibre of competition evident in Bloomsburg basketball during the past few years. The women's team has grown steadily and has proven to be a pacesetter in establishing several notable firsts in Bloomsburg State College athletic history—first undefeated season by a women's varsity team, 1973-74; first Bloomsburg State College team ever selected to participate in a EAIAW, (Eastern Association of Intercollegiate Athletics for Women) regional tournament, 1974-75; and as a result of participation in the 1975-76 regional tourney, this team was first in presenting Bloomsburg State College with a trophy for female athletic excellence.

The latter of these events was a productive compliment to regular season play in which the women Huskies finished 11-2; the two losses involved a total of only five points. Bloomsburg State College placed fourth in post-season play, downing Temple University and later being edged out by eventual tourney victor, Fitchburg State of Massachusetts.

## The College

Bloomsburg State College, one of the 14 state-owned institutions of higher education in Pennsylvania, is located in the Town of Bloomsburg, an industrial and residential community of 11,000 in the Susquehanna River Valley 80 miles northeast of Harrisburg. The college is on a hill overlooking the town within two miles of Exit 35 of Interstate 80. Driving time from Philadelphia is 2½ hours and from New York 3½ hours. Full-time undergraduate enrollment is 5200.

The college offers a wide range of educational and recreational opportunities to the community, area and state it serves. Five classroom buildings are grouped around the modern library building in the center of the main campus. A new college union building is centrally located in the living area which includes six residence halls and a seventh presently under construction.

The college offers undergraduate degree programs in the Arts and Sciences, Business Administration and Professional Studies.

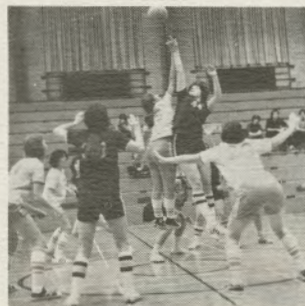

## Sports Facilities

The campus has two physical education buildings, including the new E. H. Nelson Fieldhouse which is a part of a modern sports complex on the upper campus. There are also eighteen outdoor tennis courts, nine of them lighted, and several playing fields for both varsity and intramural sports.

## SWIMMING AND DIVING

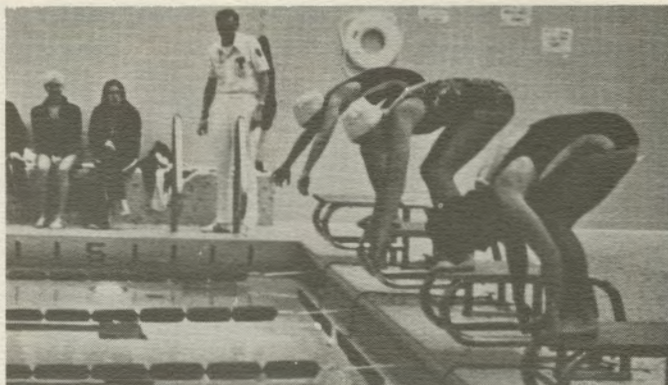

The swimming and diving season was highlighted by six girls qualifying for the EIAAW Regional Championships at the University of Pittsburgh on March 5-6.

Team members representing Bloomsburg State College were Jan Crossmore, Carla de Vries, Mollie Mandell, Tina O'Hora, Pat Seither, and Sue White. This was the first time Bloomsburg State College qualified divers to participate in a championship meet. Both Sue White and Pat Seither competed in the one meter and three meter diving events. The 200-yard medley relay qualified for the championship finals and put Bloomsburg State College on the score board. This was a first in the history of Bloomsburg State College swimming.

Tina O'Hora won individual honors at the Clarion Invitational Swim Meet by placing second in the 100-yard backstroke and third in the 50-yard event.

The team faced a highly competitive dual meet schedule this past season. All new team records were established as well as many new pool records.

Next season should be very promising with all but one varsity swimmer returning.

## WOMEN'S TENNIS

Since 1972, the varsity tennis team to date has won 15 matches and lost 16 with one tie due to inclement weather. Each year the calibre of our tennis has improved as well as the opposition. In the fall of 1975, Bloomsburg State College won three matches and lost two. We shall participate in the Pennsylvania State College Women's Tennis Competition at Millersville State College in the spring of 1976. Hopefully, this type of competition in Pennsylvania will continue as it offers competition with players unknown to us.

The players challenge one another to earn positions on the singles team as well as the doubles team. It is possible to play singles as well as doubles or not to play singles but earn a position on the doubles team. In competition, we play six singles and three doubles matches. We have come a long way in four years.

Matches are scheduled with Susquehanna University, Bucknell University, Lehigh University, Lycoming College, Shippensburg State College, Millersville State College, Mansfield State College, Kutztown State College, Lock Haven State College, Marywood, College Misericordia, and Wilkes College.

### The Players

NAME (Class, High School, Hometown)

**ANNE McMUNN** (Sr., Williamsport H.S., Williamsport)

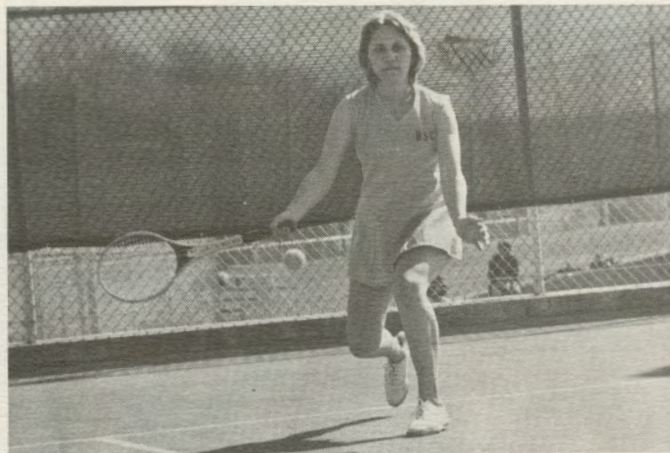

Anne is Vice-President of Community Government Assoc., Chairwoman of The Concert Committee, a member of the Athletic Advisory Committee and Representative Assembly, and still finds time to assume #1 position of the tennis team and maintain her studies. Quite a lady!

**DEBORAH YOUNG** (Jr., Garnet Valley H.S., Glen Mills)

Stability, steadiness, and a controlled tennis player describes Debby's tennis ability in her #2 position. She is the captain of the tennis squad

**SUSAN WEXLER** (So., Lower Moreland H.S., Huntingdon Valley)

Sue has played #2 or 3 singles on the team and #3 in doubles. Bristol,

Deb Sabatelli

Bethlehem, and Philadelphia were areas in which she has competed during the summer months. Liberal arts is Sue's major and she wants to be a photographer.

**DEBORAH SABATELLI** (Fr., Williamstown H.S., Williamstown, N.J.)

Debbie is Vice-President of her freshman class and is enrolled in the Elementary curriculum. She plays #4 position in singles and #2 in doubles and was 3 years on the varsity high school tennis team ending in the #1 position in singles.

**SUSAN PURNELL** (Fr., Lewisburg H.S., Lewisburg)

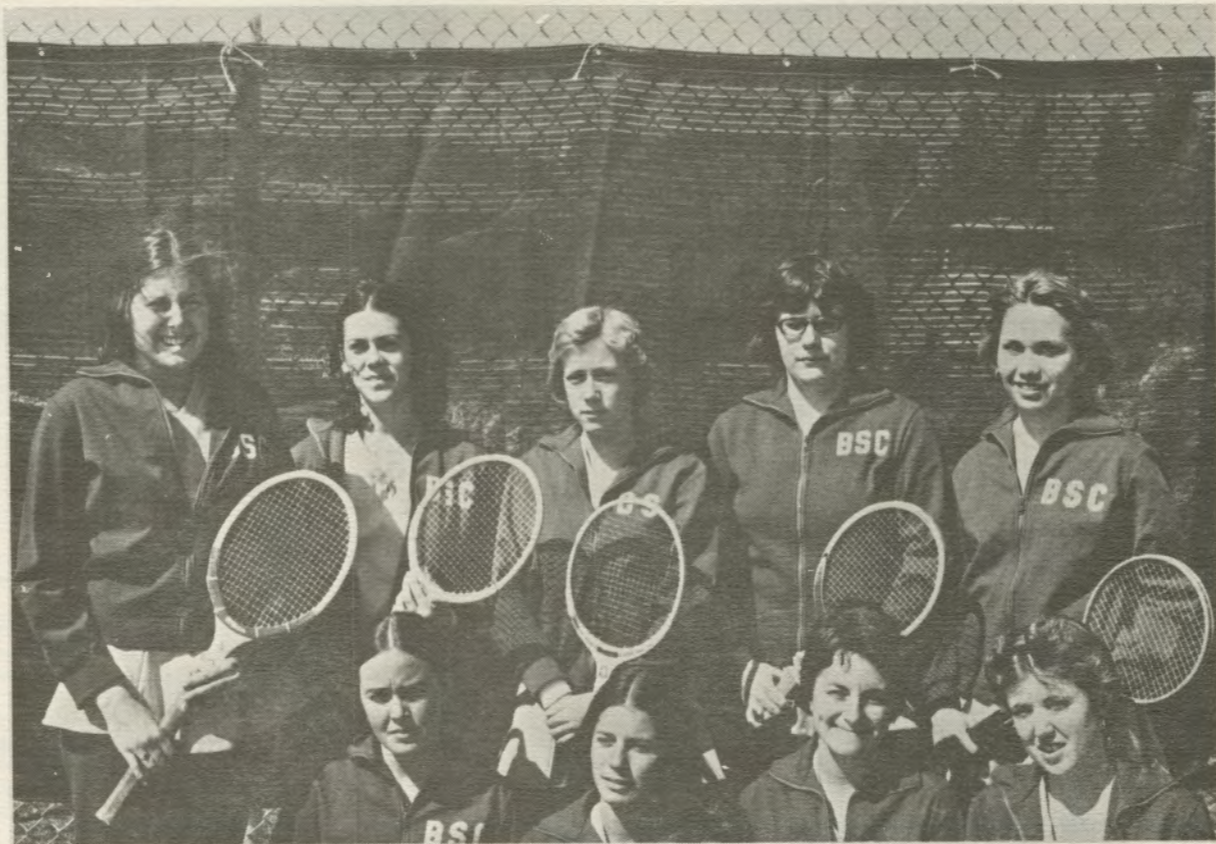

Sue played #1 position in her high school and has participated in the States track and diving during her high school days. Sue hits the tennis ball hard and is doing an excellent job in her #5 singles position and #2 doubles.

**LAURA STONEBACK** (So., Quakertown H.S., Quakertown)

Laura is Vice-President of her residence hall. She played #10 singles position during her freshman year and has progressed to #5 or #6 position. Laura won all her doubles and singles matches during the fall competition.

**ELEANOR WRAY**  
Women's Tennis  
Coach

**1976 Women's Tennis Team**

Front row left to right: Anne McMunn, Deb Young, Louise Quinn, Mary McHugh. Back row left to right: Amy Westcott, Susan Wexler, Susan Purnell, Laura Stoneback, Deborah Sabatelli.

## The Players (continued):

NAME (Class, High School, Hometown)

**MARY McHUGH** (Fr., Gwynedd Mercy Academy, Gwynedd Valley)

Mary prefers doubles but did an admirable job in her #6 singles rank. She played first doubles in high school and with Debbie Sabatelli played second doubles at Bloomsburg State College.

**MARIANNE GRIFFIN** (Fr., Bethel Park H.S., Bethel Park)

Marianne participated in varsity gymnastics in high school and just played tennis in her free time. With more experience and practice, Marianne should give the top 6 on the squad a run for position.

**ANN WINTERBOTTOM** (Fr., Bridgewater-Raritan H.S., Bridgewater, N.J.)

For one year in high school, Ann played #2 doubles on the predominately boys team. She has good skills in tennis but needs to perfect her strokes even further.

**SHARON GETTEL** (So., Tulpehocken H.S., Bernville)

Sharon is quite involved with field hockey in the fall and is treasurer for the S.F.H.A. She participates with vim and vigor in tennis only in the spring which gives the squad more depth.

**LOUISE QUINN** (So., Susquehanna Twp. H.S., Harrisburg)

Field hockey as center halfback occupies Louise's time in the fall. She played four years tennis in high school and is close to the top six at Bloomsburg State College and this spring may earn a top berth on the squad.

**AMY WESTCOTT** (Jr., Newark H.S., Newark, Del.)

Amy earned the #8 position during her sophomore year at Bloomsburg State College.

**WENDY HEARN** (Fr., Milton H.S., Milton)

Wendy is a Residence Hall Representative and a Judicial Board member and last fall earned a position on the top twelve of the squad.

**WINDY KOSINSKI** (So., Norristown H.S., Norristown)

Windy played two years on the high school varsity and her freshman year was developing strokes and serve. This spring she has improved her skills tremendously.

**CARSON WURSTER** (So., Montoursville H.S., Montoursville)

Carson gives our team depth and enjoys playing tennis primarily for recreational purposes.

**TRACEY COOKE** (Fr., Wilson H.S., Whitfield)

As a four-year member of her high school tennis team, Tracey played #3 position. We hope Tracey will give our squad depth and maintain position within the top twelve.

**POLLY FOSTER** (So., Liberty H.S., Bethlehem)

For two years Polly displayed conscientiousness, dependability, and interest in our squad. Her skills are steadily improving.

**CATHARIN AUDESSE** (So., Williamsport H.S., Beverly, Mass.)

**KIM DILLIPLANE** (So., Shamokin H.S., Shamokin)

**MARJIE EBBESEN** (Fr., Freehold H.S., Freehold, N.J.)

**LISA MENGEL** (Fr., Tulpehocken H.S., Bernville)

The above four ladies have an untested quality of tennis skill. With diligent work on skills, they may add considerable depth to the team.
