# HUSKIETTE BASKETBALL

## OUTLOOK

The women's Huskiette basketball squad of 1977-78 is facing the toughest game schedule in BSC history. The winning ways of past teams set a difficult precedent for success. In regular season play during the past three years, the Huskiettes lost only five of 36 games.

With the loss of only two seniors from last year's team, the hope for another fine season is in store for the Huskiettes. Many of the teams that Bloomsburg will be playing this year have been national and regional competitors. Luzerne County Community College and Salisbury State College from Maryland are two of the national contenders that BSC will face along with regional challengers Villanova University and LaSalle College.

The three top leading scorers for Bloomsburg last year are returning to set new goals in their athletic achievement. Both of the senior co-captains for this season were in the top three scorers on the team with Julie Ludroff the leader with 142 points and Mary Balaban third with 118 points. Junior Terri Mangino was sandwiched in between at second place with 131 points on the year.

Bloomsburg lost both post-season playoffs last season to Ursinus College and Princeton University, but this young seasoned squad should improve in tournament play.

## HEAD COACH

**Ms. Sue Hibbs** became head women's basketball coach this year after serving as an assistant last year and as interim coach two years ago. She served in the latter capacity when Coach Joanne McComb was on leave and coached the Huskiettes to an 11-2 season and a fourth place

in the EAIWA Invitational.

Ms. Hibbs has had a number of years of teaching, playing, and coaching a variety of sports. In the spring of 1977 she was named the college's first coach of women's softball.

A native of Kentucky, Hibbs earned her Bachelor of Science degree at Western Kentucky University and master's from East Stroudsburg State. She is doing additional graduate work at the Pennsylvania State University.

\*Captain

**Julie Ludroff**, a senior and co-captain from Allentown, holds the record for the most points scored in a season with 222 in her sophomore year. She also averaged 17.0 points per game that year which is another record that the Business Administration/Management major holds at BSC. Julie also led the scoring last season with 142 points and was second in rebounding with 123. She has shown, through her ability, that she is capable of being a leader and has made extensive contributions both on offense and defense. At 5'11", Julie has the ability and coordination to handle the position of center and has proved that by her offensive and defensive statistics.

**Mary Balaban**, a senior and co-captain from Camp Hill, was one of the offensive leaders last year when she ended up the season with 118 points for third place honors. The Business Administration major uses her analytical ability on the court as well when she

sizes up her opponents and sets her mind to do a specific task. Mary contributes to the team scoring with her strategic insights as a forward.

She has been among the leaders in rebounds and assists.

**Anne D'Ignazio**, a senior guard from Media, is the smallest member of the team being 5'3". The lack of height, though, doesn't stop Anne from performing as well as anyone else on the team. Anne was out of action last season due to an illness, but contributed to the team in her freshman and sophomore years. She is the record holder in assists with 88 for her career, with one year remaining. Anne's mobility is of superb quality and her speed and hustle add to the outside game and compliment her two senior teammates who are on the inside. Her playing accomplishments for the first two seasons indicate a big plus for this year's varsity squad.
