# **BLOOMSBURG UNIVERSITY**

*"A Commitment to Excellence"*

Bloomsburg University is a multi-purpose institution of higher education serving the citizens of Pennsylvania as one of the 14 Commonwealth-owned Universities. With a commitment to provide a quality, affordable education for all qualified students, Bloomsburg combines the tradition of an institution founded in 1839 with modern learning, living and recreational programs and facilities. Commonwealth funding provides 55 percent of Bloomsburg's annual operating budget.

Undergraduate students may enroll in degree programs in 64 areas of study in the arts and sciences, business, teacher education, nursing and health sciences. A program in engineering is offered in conjunction with the Pennsylvania State University, and preparation for post-baccalaureate study at professional schools is offered. Unique educational opportunities are available through advanced placement, study abroad, professional practicum, internships, independent study and the Center for Academic Development programs.

At the graduate level, the master's degree is offered in 25 areas of study and there are ten supervisory certification programs in the field of teacher education.

Extended program offerings proved continuing, life-long learning opportunities for people of all ages and educational interest through non-degree courses, non-credit mini-courses offered at off-campus locations and by public service television, and credit for work experience.

Enrollment for the Fall semester, 1985, totalled 6,439 students. There were 5,133 full-time and 769 part-time undergraduates, 108 full-time and 429 part-time graduate students. Instruction is provided by a 367-member faculty.

The University's 173-acre campus overlooks the Town of Bloomsburg and the scenic Susquehanna Valley. Carver Hall, built in 1867, provides a contrast with the modern facilities that include seven residence halls, a library, a 2,000-seat auditorium, student union, dining hall, gymnasium, administration building, five classroom buildings, athletic fields and recreational areas on the lower campus.

An athletic complex and recreational area occupy the school's 100-acre upper campus. In addition, the James H. McCormick Center for Human Services is the newest building on the lower campus and was used for the first time last fall.

Located less than two miles from an Interstate 80 interchange and 22 miles from Interstate 81, Bloomsburg is within one hour's driving time from Wilkes-Barre/Scranton, Hazleton and Williamsport, 1½ hour's from Harrisburg, 2½ hours from Philadelphia, and three hours from New York City. The community is 45 miles from the Avoca International Airport and is serviced by major bus lines.

Bloomsburg has an enviable placement record. Of the 1,117 who graduated in the 1983-84 academic year, 82.1% had meaningful employment or were in graduate school one year later.

Active files of over 25,000 living alumni are kept by the University. Graduates of BU have distinguished themselves in areas including law, medicine (one is a Nobel Laureate), science, architecture, education, industry and research.

The Bloomsburg University is fully accredited by the Middle States Association of Colleges and Schools, the National Council for the Accreditation of Teacher Education, and the Pennsylvania State Board of Education.

**1984-85 Overall Record:** 15-12

**1984-85 Division Record:** 7-7

## Head Coach

### Charles Chronister

"A Winning Tradition" at Bloomsburg has certainly been promoted by head Coach Charles Chronister during his 14 seasons as the Huskies' mentor. Chronister has never had a losing season and is the winningest coach in Bloomsburg history with 250 victories. With a 250-127 won-lost record entering his 15th season, Chronister will be shooting for his sixth 20-win season. He has led four teams to the NCAA Division II National Tournament, losing in the quarterfinals twice. In 1974, the school's first-ever trip to the tournament, Chronister's squad lost to eventual champion Morgan State in the quarterfinals. In the 1982-83 tourney, the Huskies fell to eventual champion Wright State, also in the quarterfinals. The other two BU trips to the tournament resulted in first round losses. The 1980-81 team fell to Cal-Poly SLO in the first round and the 1981-82 squad met the same fate, this time to PC rival Cheyney.

Chronister coached Bloomsburg to its first ever Pennsylvania Conference Championship in the 1980-81 season. He has also coached the Huskies to the PC Eastern Division crown three times. The 1972-73 unit posted the school's first 20 win season. During Bloomsburg's three straight NCAA appearances between 1980-81 and 1982-83, the Huskies registered a 70-24 record, including a school record 24 wins in the 1981-82 campaign.

In 1984-85, the Huskies were victimized by an 0-4 start in the Eastern Division and finished the season with a 15-12 overall mark and 7-7 in the East.

Chronister has coached three All-American's in his 14 seasons, all playing within a 10-year span. John Willis was the first, playing from 1971 to 1974. Jerry Radocha, the second, played from 1973 to 1977. Radocha is Bloomsburg's all-time leading scorer while Willis ranks third. The most recent All-American under Chronister's tutelage was Jon Bardsley, from 1978 to 1982.

Chronister, a graduate of East Stroudsburg University with a bachelor's and master's degree in health and physical education was an assistant coach at Gettysburg College for four years under Bob Hulton. Prior to that, he coached at Hanover (PA) High School, where his teams compiled a 59-8 record while winning numerous county championships and participating in the PIAA District III playoffs.

**BU Coaching Staff: Tony DaRe, Ray Ricketts, Charles Chronister, Terry Conrad, Burt Reese (Missing: "Doc" Herbert)**

## **Assistant Coaches**

### **Burt Reese**

Burt Reese enters his eighteenth season as an assistant coach for the Huskies. For seven of those years Reese coached the freshman basketball units, compiling an 83-27 mark, but for the past 10 campaigns, he has worked directly with the varsity program. His most important duty with the Huskies' over the past several years has been coordinating the recruiting efforts of the staff. In addition, Reese serves as the head coach of the school's nationally ranked men's tennis team. He received his bachelors and masters degrees from East Stroudsburg University.

### **Dr. Michael Herbert**

"Doc" Herbert enters his twenty-first season with Bloomsburg's basketball program. He has served in numerous capacities over the past 20 years, including a three year stint in charge of the freshman team. He also serves as coach to the BU women's tennis squad and led his team to the Pennsylvania Conference Championship this past fall. Herbert received his bachelors degree at the University of Maryland and his masters and doctorate degrees at Lehigh University.

### **Ray Ricketts**

Ray Ricketts joins the Huskies' staff for the first time this season. He comes to BU from a highly successful program at Springfield College where he was an assistant for five seasons. Prior to that he was an assistant at the University of Massachusetts for four years. Ricketts is a 1974 graduate of Albright College, where he still ranks as the school's seventh all-time leading scorer with 1558 career points. Ricketts was a four year starter and served as captain for two seasons. He earned his masters degree at Springfield.

### **Terry Conrad**

Terry Conrad is in his third season as an assistant coach for the Huskies after performing under Chronister for four seasons at BU. He was a point guard on the 1983 squad that became the second team in the school's history to advance to the national quarterfinals. While playing for the Huskies, he helped the teams post a four year mark of 84-37 and make three appearances in the Pennsylvania Conference championship game. He currently ranks 10th on the school's all-time scoring list with 1081 points. He holds a bachelors degree in secondary education.

### **Tony Da Re**

Tony Da Re, a former Bloomsburg player (1970-74), will begin his second year of collegiate coaching as an assistant coach for the Huskies. Da Re was a member of the 1973-74 Bloomsburg team which advanced to the quarterfinals of the NCAA tournament, and ranks among the all-time leaders in single-season free-throw percentage at BU. Before coming to Bloomsburg, he was an assistant for nine years at Central Columbia High School where the team won the PIAA Class AA state championship in 1981.

## The Season Ahead

Following a disappointing 15-12 season in 1984-85, Bloomsburg University head coach Charles Chronister hopes to guide the Huskies back to post-season play where they had appeared the previous four seasons.

Bloomsburg had appeared in the Pennsylvania Conference Championship Game the four seasons prior to last year while advancing to the NCAA Tournament three straight years from 1980-81 to 1982-83.

The Huskies were victimized by an 0-4 start in PC Eastern Division play but rebounded to even their mark at 4-4 and keep playoff hopes alive. However, rounding out the division schedule by going 3-3 eliminated BU from a possible fifth consecutive playoff appearance.

The 1985-86 squad returns some experienced players while adding talented newcomers in hopes of returning to post-season action.

Senior captain Glenn Noack leads a group of seven returning lettermen, four of which are starters, who return in 1985-86. Chronister expects to start the season with an all-senior lineup, putting a lot of game experience on the floor. Three of those five, Noack, Shane Planutis and Pat Flanagan, were important factors in the Huskies advancing to the NCAA quarterfinals three seasons ago.

Noack was the team's high scorer last season with a 15.2 point per game average. He was named to the PC East First Team as well as the Eastern College Athletic Conference's (ECAC) Division II South All-Star Team. He shot 88.3% (98-111) from the free throw line to break the existing school record only to be outdone by teammate Greg Thomas' 89.1% (49-55). Noack ranked second on the team in rebounding at 5.7 per game and chipped in 77 assists, also second on the team.

Planutis and Flanagan, both 6'6" forwards, averaged 6.6 and 2.8 points per game in reserve rolls last season and played in 25 games. Flanagan can also swing to the center spot and is probably the Huskies' most aggressive inside player. He has averaged 3.0 rebounds per game in his three years, mostly in the sixth-man role.

Another key returnee is senior guard Les Alston. His 9.2 points per game and 83 assists on the season were enough to rank him third and first, respectively, in each category. Alston proved to be a nice addition to the BU program last season after transferring from Delaware County Community College. He shot 50% from the field to rank third on the team. As a unit, the 1984-85 squad shot just 45.7% from the field while leading the conference with a 77.0% mark from the charity stripe.

Dean Colone became eligible last January after transferring from Geneva College. In 21 games, his quickness and leaping ability added some excitement to the BU attack as well as 6.9 points per game and an 82.1 free throw shooting percentage. He also shot over 50% from the floor and hauled in 4.1 rebounds, playing both the guard and forward positions.

Thomas, with his record-setting free throw mark, also returns an 8.6 point per game scoring average. He played in all 27 games last season as a freshman.

Another returnee at guard is Jerome Brisbon. The junior scored 5.8 points per game and was third on the team in assists. Brisbon, Thomas and Alston will be the key people in insuring that the BU offense is run properly. They teamed up for over half of the

team's assists last year and according to Chronister, getting the proper people the ball at the correct time, while minimizing turnovers, will decide just how well the Huskies perform.

Three newcomers, who are expected to make contributions to the team, are Bill Connelly, Steve Melchior and Mike Simpkins. Connelly, out of Holy Spirit High School in Abescon, NJ, is a 6'4" forward, who averaged 23.6 points and 7.0 rebounds and was an all-conference selection his senior year.

Melchior could make an immediate impact on the front line in his first season with the team. He averaged just under 20 points a game while pulling down 12 boards as a senior. He could see some action as a backup center.

Rounding out the newcomers is Mike Simpkins, a 6'4" high school forward, who will be transferred to a guard in college. He handed out four assists per game in his senior season as a forward, while adding 22 points and 10 rebounds a game.

Rounding out the BU squad are forwards Dave Koslosky, a junior and sophomore Steve Ross, both of whom saw limited duty last season. Both could see more action this season.

## Player Profiles

### **LES ALSTON**

**5'8" 150 lbs. Senior**  
**Wayne, PA Conestoga H.S.**

After transferring to BU from Delaware County Community College, Les assumed the starting point guard role last season and averaged 9.5 points per game, playing in all 27 contests. His solid jump shot and excellent ball-handling abilities, coupled with his defensive skills, could make things tough on Bloomsburg opponents this season. Major: Business.

### **JEROME BRISBON**

**5'10" 165 lbs. Junior**  
**Philadelphia, PA William Penn H.S.**

After being displaced as the starting point guard by Les Alston at the beginning of last season, Jerome filled in nicely as the third guard. He averaged 5.8 points a game, seeing action in all 27 BU games. Major: Political Science.

### **DEAN COLONE**

**6'3" 195 lbs. Senior**  
**Woodbury, N.J. Gateway H.S.**

Saw action in all 21 games after becoming eligible in January. Averaged 6.9 points and 4.1 rebounds per game. His excellent leaping ability and overall strength helped the Huskies inside. He can also play the guard position if necessary. Was one of three Huskies to shoot better than 80% from the free throw line in 1984-85 (46-56, 82.1%). Major: Earth Science.

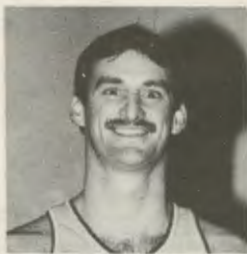

### **BILL CONNELLY**

**6'4" 175 lbs. Freshman**  
**Abescon, N.J. Holy Spirit H.S.**

Was an all-conference selection during his senior year at Holy Spirit H.S. A good leaper with a nice 15 foot jump shot who could fill in at the forward spot or may see some action at the guard position. Averaged 23.6 points per game and 7.0 rebounds. Major: Undeclared.

**PAT FLANAGAN**  
6'6" 205 lbs. Senior  
White Haven, PA Crestwood H.S.

Pat has provided the staff with excellent depth at both the forward and center positions for the last three seasons. He has averaged 3.0 rebounds off the bench during his career. Pat is the team's best defensive forward and his aggressive inside style makes him an ideal replacement when the staff needs someone to mix it up inside.  
Major: Accounting.

**DAVE KOSLOSKY**  
6'5" 200 lbs. Junior  
Bloomsburg, PA Bloomsburg H.S.

A local Bloomsburg product, Dave has steadily improved his game since joining his team two seasons ago. A good leaper who possesses some strength, Dave could provide the staff with depth at the forward slot.  
Major: Computer Science.

**STEVE MELCHIOR**  
6'6" 180 lbs. Freshman  
Lansdale, PA North Penn H.S.

Averaged 19.4 points and 12 rebounds per game in his senior season while being named to the First Team of the All-BuxMont League. Has a nice touch for his size and could see action at the power forward position. Also may play some time at center.  
Major: Marketing.

**GLENN NOACK**  
6'4" 200 lbs. Senior  
Whitehall, PA Whitehall H.S.

Captain of the 1985-86 squad and the team's top scorer from a year ago. Noack averaged 15.2 points per game and 5.7 rebounds in 27 games last season. His 88.3 free throw shooting percentage was second only to Greg Thomas' 89.1; both eclipsed the school mark of 88.1. Glenn was a Pennsylvania Conference First Team selection and a member of the ECAC Division II South All-Star Team. Noack was also named Player of the Year at BU. Major: Accounting.

**SHANE PLANUTIS**  
6'6" 190 lbs. Senior  
West Hazleton, PA West Hazleton H.S.

Shane has played in 55 of 57 games during the last two seasons and averaged 6.6 points per game in 1984-85. Planutis has a good, pure jump shot and hit on 45.9 percent of his field goals. He should take some of the scoring load off Noack's shoulders. Major: Sociology.

**STEVE ROSS**  
6'6" 225 lbs. Sophomore  
Souderton, PA Souderton H.S.

His strength and aggressiveness under the boards should add some much needed bulk to the Huskies' inside game. Steve played in 18 games last season in a reserve roll. Could see a lot of action in situations where BU needs a height advantage. Major: Management.

**MIKE SIMPKINS**  
6'2" 180 lbs. Freshman  
Norristown, PA Norristown H.S.

A forward in high school, he will be switched to a guard in the BU system. His playing time will depend on how quickly he makes the transition to guard. An excellent leaper with a soft jump shot. Averaged 22 points and 10 rebounds last season. Also handed out four assists per game as a forward. Major: Accounting.

**GREG THOMAS**  
6'3" 175 lbs. Sophomore  
Carlisle, PA Carlisle H.S.

Played in all 27 games last season as a freshman. Averaged 8.6 points per game and shot a school record 89.1% from the free throw line (49-55). His ball handling abilities and excellent jump shot helped him gain the starting job midway through the season as he adjusted to the BU system. Major: Undecided.

**Pat Flanagan drives towards the basket.**

## Basketball's Birth at Bloomsburg

The game of basketball was invented by James Naismith in December of 1891 in Springfield, Massachusetts. Just over two years later, the game of basketball was played for the first time at Bloomsburg in what was then the "new" gymnasium. This gymnasium was located directly behind Carver Hall, near the site of the present-day Kehr Union Building. The excerpt that follows was taken out of *The Columbian*, a Bloomsburg newspaper, from Friday March 2, 1894. It describes, to the best of the University's knowledge, the first organized basketball game ever played on the campus:

*"The new gymnasium at the Normal School was opened with appropriate ceremonies last week Thursday. After the close of the exercises incident to the presentation of the large flag by the P.O.S. of A., the audience went from the auditorium to the gymnasium, and filled every available space. The running track was crowded, and the sides of the first floor was thickly lined with spectators . . . The most exciting part of the program was the game of basketball between members of the Philogian and Calliepien Societies. A bushel basket was hung at either end of the hall about ten feet from the floor. Every time that either side gets the ball in the basket at the opposite end of the hall it counts three. The game is nearly as exciting as football, though not quite as rough and dangerous. The Philos were the first to land the ball in the Callies' basket and a great shout went up from the spectators. But the Callies put the ball in the Philo basket twice, and this with fouls made the score 9 to 5 at the end of the third inning, in favor of the former and then the Callies and their friends went wild and everybody shouted."*

This exhibition was just the beginning of a tradition of success in the sport of basketball at Bloomsburg which has lasted right from the first game ever played on campus to the present-day Huskies of 1985-86.

The picture below shows the 1894-95 Bloomsburg Normal School basketball team. This was the school's first varsity basketball team.

## *"A Winning Tradition"*

Since the inception of competitive basketball at Bloomsburg near the turn of the century, the men's basketball team has been a dominant force compiling a record of 850-530 for a winning percentage of .616. From the very first coach, A.K. Aldinger, to the present coach, Charles Chronister, Bloomsburg basketball teams have performed at a level of excellence which is reflective of champions.

Competitive basketball at Bloomsburg began in the late 1890's under the direction of coach Aldinger. However, because a fire destroyed all records of the games played in those initial years, the first year for which records are available is 1901, when Bloomsburg was 4-3 under Aldinger. Since that time Aldinger and 17 other coaches have helped build the "winning tradition" in basketball at Bloomsburg.

From 1901 to 1932, ten different men took their turn at the helm of the Huskies with five of those men coaching for only one year. During the 1919-20 and 1920-21 seasons, T.W. Pownall (13-6, .684) and R.H. Diedrich (12-2, .857) turned in the best single-season marks. However, in terms of those coaches who coached for longer than one year, George M. Mead from 1921-25 (42-17, .712) and Thornley W. Booth from 1926-32 (59-25, .702) were the most successful coaches in the early years of Bloomsburg basketball.

Following Booth's first year in 1926-27, the school changed its name from the Bloomsburg Normal School to the Bloomsburg State Teacher's College. It would be known by this name until 1960 when the school became Bloomsburg State College.

In 1932, upon the departure of Booth, George Buckheit took over the reigns of the Huskies and guided them to a 95-71 mark (.572) over 12 years. He coached from 1932-43, before taking a year off in 1943-44 during which Jack Llewellyn guided the Huskies to an 11-4 mark. Buckheit then returned to coach Bloomsburg during the period of 1944-46. Pete Wisher took over for Buckheit in 1946, and during his three-year stint at Bloomsburg, he guided the Huskies to a 25-27 record (.480).

The year of 1949 marked the first year Bloomsburg competed in the Pennsylvania Conference and also marked the arrival of new head coach Harold Shelly who coached from 1949-60. Shelly guided Bloomsburg to an 11-year mark of 112-74 and a PC record of 81-54 including a conference championship in 1952-53. Bill Foster then led the Huskies to three consecutive second place conference finishes from 1960-63, and a 45-11 overall mark. Foster's .807 winning percentage leads all Bloomsburg coaches who have coached for more than one year. Foster is currently the head coach at the University of South Carolina.

From 1966-71 Earl Voss guided the Huskies to a 63-42 record (.600), before handing the reigns over to present-day coach Charles Chronister. Chronister, who has coached for the past 14 seasons at BU, has accumulated an overall record of 250-127 (.663) and is the most accomplished coach in Bloomsburg's long basketball history. He has guided the Huskies to four NCAA Division II tournament appearances, won 20 or more games five times, and has coached the top four scorers in Bloomsburg history. In addition, he has coached three All-Americans at BU—John Willis (1972-74), Jerry Radocha (1973-77), and most recently, Jon Bardsley (1978-82).

# **Nelson Fieldhouse**

## *"Home of The Huskies"*

The Nelson Fieldhouse, located on Bloomsburg University's upper campus, serves as home for most of BU's athletic events. The facility has all the necessary ingredients as it holds a 3000 seat arena for all home wrestling and basketball games, an indoor track, two tennis courts, an olympic size swimming pool, and two handball/racquetball courts. The building has classroom and office space for use by the health/physical education and athletic staffs. Nelson also houses the wrestling practice room, which is a fully padded area located on the second floor. A totally equipped Nautilus weight room adds to the strength and conditioning areas of the program, and Nelson also offers a training room staffed by a full-time physical therapist and no less than six student assistants. Also an equipment manager handles the needs of most of Bloomsburg's 18 varsity athletic teams.

### **Head Trainer**

#### **Art Hopkins**

Art is in his third year as the Head Trainer at Bloomsburg. He is a licensed Physical Therapist (LPT) and received his certificate from Hahneman Hospital in Philadelphia and his undergraduate degree at East Stroudsburg.

### **Equipment Manager**

#### **Ron Morgan**

Mr. Ron Morgan has served as Bloomsburg's equipment manager for the past twelve years. Ron is located in the Nelson Fieldhouse and handles most of the equipment needs of BU's 18 varsity programs.

## BU AREA MEDIA OUTLETS

The purpose of this guide is to provide members of the media with necessary information concerning Bloomsburg basketball. Members of the media are always welcome on the Bloomsburg University campus. It would be appreciated if those who plan to cover any of the Huskies' home or away contests would contact the sports information office so that we can make every effort to accommodate your needs and requests.
