BLOOMSBURG UNIVERSITY

Bloomsburg University is a multi-purpose institution of higher education serving the citizens of Pennsylvania as one of the 14 Commonwealth-owned universities. With a commitment to provide a quality, affordable education for all qualified students, Bloomsburg combines the tradition of an institution founded in 1839 with modern learning, living, and recreational programs and facilities. Commonwealth funding provides 55 percent of Bloomsburg's annual operating budget.

Undergraduate students may enroll in degree programs in 64 areas of study in the arts and sciences, business, teacher education, nursing, and health sciences. A program in engineering is offered in conjunction with the Pennsylvania State University, and preparation for post-baccalaureate study at professional schools is offered. Unique education opportunities are available through advanced placement, study abroad, professional practicum, internships, independent study, and the Department of Developmental Instruction programs.

At the graduate level, the master's degree is offered in 25 areas of study, and there are 10 supervisory certification programs in the field of teacher education.

Extended program offerings provide continuing, life-long learning opportunities for people of all ages and educational interest through non-degree courses, non-credit mini courses offered at off-campus locations, and by public service television and credit for work experience.

The university's 173-acre campus overlooks the town of Bloomsburg and the scenic Susquehanna Valley. Carver Hall, built in 1867, provides a contrast with the modern facilities that include seven residence halls, a library, a 2,000-seat auditorium, student union, dining hall, gymnasium, administration building, five classroom buildings, athletic fields, and recreational areas on the lower campus.

An athletic complex and recreational area occupy the school's 100-acre upper campus. In addition, the James H. McCormick Center for Human Services is the newest building on the lower campus and was used for the first time in the fall of 1985.

Located less than two miles from an Interstate 80 interchange and 22 miles from Interstate 81, Bloomsburg is within one hour's driving time from Wilkes-Barre/Scranton, Hazleton, and Williamsport, 1 1/2 hours from Harrisburg, 2 1/2 hours from Philadelphia, and three hours from New York City. The community is 45 miles from the Avoca International Airport and is serviced by major bus lines.

Active files of over 25,000 living alumni are kept by the university. Graduates of Bloomsburg University have distinguished themselves in areas including law, medicine (one is a Nobel Laureate), science, architecture, education, industry, and research.

Bloomsburg University is fully accredited by the Middle States Association of Colleges and Schools, the National Council for the Accreditation of Teacher Education, and the Pennsylvania Board of Education.

PRESIDENT HARRY AUSPRICH

Dr. Harry Ausprich began his tenure July 15, 1985, as the 16th president of Bloomsburg University. His appointment follows that of former President James H. McCormick, who is currently serving as the Chancellor for the State System of Higher Education, and Dr. Larry W. Jones, who served as president for two years on an acting and interim basis.

Prior to coming to Bloomsburg, Ausprich served at Kent State University as dean of the College of Fine and Professional Arts from 1978 to 1985. While there, he was instrumental in implementing a program in fashion design and merchandising that has gained a national reputation. In addition, he served as dean of the Blossom Festival School Program in cooperation with the Cleveland Orchestra. In previous years, he served as dean of the Faculty of Arts and later as dean of the Faculty of Arts and Humanities, both at SUNY Buffalo. While at Buffalo, he developed a proposal for a program in dance and for a series of interdisciplinary seminars in the arts. In the early 1970s, he worked at the University of Northern Iowa as dean of the College of Humanities and Fine Arts. Classroom teaching experiences and departmental chairperson responsibilities comprised his major assignments at Indiana State University and Memphis State University.

His academic background includes a bachelor of science degree from New York University, College at Buffalo, a master of science degree from the University of Wisconsin in theater and broadcasting, and a doctorate from Michigan State University in communications and theater.

ATHLETIC DIRECTOR MARY GARDNER

Mary Gardner is in her first year as athletic director for Bloomsburg. Before assuming her athletic administration duties, she was associate athletic director and head coach of the women's swimming and diving team for 12 seasons. Her teams posted an overall record of 88-28 in dual-meet action and finished as the Pennsylvania Conference runnerup six years in a row from 1981 to 1986. She coached 44 performers to multiple All-American honors as the Huskies' coach.

Gardner joined the Bloomsburg athletic department in 1974 and initiated the women's swimming and diving program that winter. In just her fifth season as coach, she led the team to its lone undefeated campaign as the Huskies posted a record of 10-0. She has also served as Bloomsburg's head field hockey coach recording a 20-12-9 mark.

The Hatboro, Pa., native earned her bachelor's and master's degrees at East Stroudsburg where she was a four-year letterwinner in field hockey and swimming. She was a three-time national champion in the breaststroke.

**HEAD COACH
JOE BRESSI**

Joe Bressi is entering his third season after leading the Huskies to the university's finest back-to-back seasons in history. His overall record now stands at 40-12 including a 21-6 mark a year ago as the Huskies captured the conference's Eastern Division title. In his initial season in charge of the program, his unit went 19-6, which established a new school record for wins in a season but was broken just a year later.

Prior to taking the position at Bloomsburg, Bressi served as head coach at Bishop McDevitt High School in Harrisburg, Pa., for 10 seasons. While at Bishop McDevitt, he compiled an impressive 237-43 record which included seven league titles and five PIAA District III crowns. His teams appeared in four consecutive Eastern finals winning twice and advancing to the state championship final contest. Bishop McDevitt's best season under his direction was in the 1983-84 season when the squad registered a 36-1 record losing only to Pittsburgh's North Catholic in the state championship game.

The 41-year-old native of Kulpmont, Pa., boasted one of the dominant teams in the Harrisburg area for several seasons, and in one stretch during his tenure, the teams won 91 of 92 regular-season games.

Bressi is a 1971 graduate of East Stroudsburg.

**ASSISTANT COACH
JULIE SHUMAKER**

Julie Shumaker is in her third season with the university's women's team as an assistant coach. She served as head coach at Mifflinburg (Pa.) High School for two seasons prior to joining the Huskies' staff. She has also been an assistant coach at her alma mater, Halifax (Pa.) High School, and played college basketball at Lock Haven.

**ASSISTANT COACH
MATT HANEY**

Matt Haney is in his first season as an assistant coach with the Huskies. He is a second semester sophomore at Bloomsburg majoring in studio arts. For the past three years, he was an assistant coach at Benton High School. He also was head coach of club level football, baseball, and soccer leagues. Haney resides in Maple Grove, Pa.

She received her doctorate from the Pennsylvania State University and did her residency in orthopedic surgery at Dartmouth College and Geisinger Medical Center. She received her undergraduate degree from Carleton University in Northfield, Minnesota.

HUSKIES' SEASON OUTLOOK

In only two years as head coach, Joe Bressi has led his teams to two Pennsylvania Conference Championship playoff berths as well as setting a school record for victories with a 21-6 record last season.

"Hopefully we will keep building the winning tradition. We have good, experienced starters coming back," Bressi said. "It was a good recruiting year which should add more depth to the team."

Leading the team will be four-year starter Theresa Lorenzi. She was the leading point scorer for the club last season with 618 points which brought her career total to 1,623 and made her the all-time high scorer in Bloomsburg history.

Returning along with Lorenzi will be second-year starter Nina Alston. Alston, chosen several times during the past season as the ECAC "Rookie of the Week," led the team in three-point field goals with 27 and scored 334 points for an average of 12.8 points per game.

The Huskies will also depend upon the experience and skills of seven other returning players. Sophomores Donna Cooper, Barb Hall, Sandy Herr, Becky Pigga, Chris Sims, and Elaine Wolf, and junior Karen DeLullo will add maturity and strength to the lineup.

Hall had 203 points for an average of 8.8 points per game. She was the team's leading rebounder last season with a total of 187 and an average of 8.1 rebounds per game. Cooper had 134 total rebounds and an average of 5.4 rebounds per game. Hall and Cooper were the Huskies' high rebounders in all but eight of the club's 27 games.

Pigga, who saw limited playing time last season due to injuries, should return as a solid performer. She had 22 steals, 21 assists, and connected on 27 of 44 free throw attempts and averaged 3.1 points per game. She is joined by Herr who made 81.3% of her free throw attempts and averaged 3.1 points per game.

DeLullo, the only returning junior, made 38 of 57 free throws last season and averaged 3.1 points per game. She also had 13 assists and 24 steals for the Huskies and is one of the top defensive players.

Wolf and Sims contributed last season and should make more of a contribution in the upcoming season. Wolf, the only freshman to play in all of the team's 27 games, completed 61.7% of her free throw shots, had 22 steals and averaged 5.6 points per game. Sims made 11 of 17 field goal attempts and averaged 2.5 points per game.

The depth and experience of the returning players should be enhanced by the seven incoming freshmen. All-State players, Kathy McGuire, Michelle Simons, and Simons' high school teammate Lesley Seitzinger, along with Carol Wysocki, should contribute to the speed and size of the team. Harrisburg area Big 15 athletes, Bernadette Needham, and Tamika Howard, add to the defensive prowess and shooting ability of the club.

"We've proven we can be a contender in the conference, but it won't be too easy to sneak-up on anyone this year," Bressi said. "It will be tougher to repeat as division champions because of the parity in the league. New coaches for some of the teams helps the conference to keep getting better and better. We also made some schedule changes and picked-up some tougher teams, but it should make us a better team in the long run."

Michelle Simons

5'10" Freshman

Girardville, Pa., North Schuylkill H.S.

All-State player for North Schuylkill High School. Has good ball skills, size, and strength. She is an impact player and should see a lot of playing time.

THE HUSKIES' NELSON FIELDHOUSE

The Nelson Fieldhouse, located on Bloomsburg University's upper campus, serves as home for most of the university's indoor athletic events. The facility has all the necessary ingredients as it holds a 3000-seat arena for all home wrestling and basketball events, an indoor track, two tennis courts, an olympic-size swimming pool, and two handball/racquetball courts. The building has classrooms and offices for use by the health/physical education and athletic staffs. Nelson also houses the wrestling practice room, which is a fully padded area located on the second floor. A totally equipped Nautilus room adds to the strength and conditioning area of the program, and Nelson also offers a training room staffed by two full-time physical therapists and no less than six student assistants. Also located in the facility is an equipment manager who handles the needs of most of Bloomsburg's 18 varsity athletic teams.
