

Nellie and Milton Simpson

April 25, 1979

Dear John:

Concerning the honorarium -  
you may simply skip it - as such.

If you can handle expenses -  
travel, meals and one night motel -  
it will be OK. I really don't know  
what the mileage expense to  
Edmonton is - you can estimate it.

By the way - who is the funding Agency  
for your project? I'll consider the  
Philadelphia situation when more  
detail are available.

Also do you have a 35 mm strip  
film projector available for me to  
use?

Best wishes -

Meet Simpson
