called to say he had gotten my letters. Asked a number of questions concerning our program--especially if it were non political. Expressed a willingness to be involved. Promised he would search out visual materials and get back to me in a week's time.

talked about visual support that would run approximately 20 min.

get a commitment from him when he calls again. Mention limited monies for honoraria.

9 Mar

called to say he had gotten access to Ford program on farm of the future. It is a slide program that he can edit to his own purposes. Also plans to bring with him latest projections on the farm of the year 2000. Said he would send a vita.
