Dear Chase:

Our proposal writing activities have paid off at last. Within the past week I had a call from Philadelphia indicating that "The Rural Experience" would be funded in 1979.

I am enclosing a copy of the abstract and several pages from the proposal. You'll note that we are calling on you, and I hope you will be available to us at a date we can arrange early in the new year.

Incidentally, we will be in a position to offer a \$75 honorarium for your visit with us.

Yours truly,

John L. Marsh

and I'm pleased to know that it was accepted.

I would be glad to help in any way I can. Thanks
for including me.
