Dr. John Marsh  
R. D. #3  
Edinboro, Pennsylvania 16412

Dear Dr. Marsh:

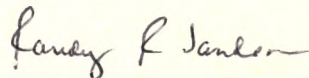

We have reviewed your proposal in relation to our 1981 budget and unfortunately regret that the Borough cannot help with the book project.

Several cuts had to be made this year, including labor positions and equipment, and we feel any extra expenditures would not be warranted.

We hope other options are available for the project since it was felt it was a worthwhile endeavor.

Very truly yours,

BOROUGH OF EDINBORO
