Dear John:

The Society has been asked to conduct a feasibility study to determine whether the Goodell property could be operated as a Living Historical/Farm/Agricultural Museum.

We have engaged a consultant to do this and he will be here on August 2.

Do you have anything resulting from your project "The Rural Experience in Northwestern Pennsylvania", which we could copy and send to him as background information in advance of his visit to Edinboro.

Your help is greatly appreciated.

John H. Claridge
