The Board was notified that the PCH had accepted the "rural experience" proposal.In anticipation of that proposal Greg Lessig had prepared a tentative schedule of events for the day of the public meeting.It met with general approval.See copy attached.

It was decided to limit the number of those attending the forum to 150 individuals.Considerable discussion followed concerning groups and individuals to be notified by way of publicity releases.It was agreed that a mailing list should be constructed well in advance of the release of the first materials.

The matter of touring area farms came in for discussion and it was decided to add Marge Eason's Bole Run Farm to those already selected.Her permission will be secured.As well,it was decided to provide alternate possibilities,such as the showing of pertinent films.Bill Urash was suggested as a likely resource person in this connection.

One modification in the program of events was the addition of an open house to be held at the Boro Building.At that time wine and cheese will be served.If possible,the H.S.will co-ordinate a display of local materials.
