Dear Mr. Hayes:

As you can see from the enclosed news story, we are planning a special program devoted to the rural experience in Northwestern Pennsylvania, to be held at Edinboro State College on July 25, 1979. This program will feature a close look at a Victorian farm in the context of the farms of today and the farm of tomorrow.

May I extend a special invitation to you to join us at what we hope will be a stimulating program? Would you bring to our attention the names of individuals or groups who you believe would welcome an invitation to the event.

Sincerely,

John L. Marsh
Project Director
