## PRESIDENT'S LETTER TO THE ALUMNI

---

Dear Alumnus:

I am deeply gratified to be able to address a larger number of the graduates through the columns of this number of the Herald than was possible on previous occasions. For, beginning with this issue we have abolished subscription charges, and will be glad to send the journal free of cost to all Alumni who may wish to receive it.

The purpose of the Herald will be two-fold: to give news of the college and information in regard to the Alumni to all who are interested, and to discuss various educational topics from time to time that should be of interest and service to teachers and superintendents.

My formal message will necessarily be brief as I shall allow the columns of the Herald to speak for themselves on a variety of matters in which I know you will be interested. I shall speak briefly, however, on a few matters in which you and your fellow Alumni are likely to be concerned.

Our attendance is satisfactory even though it does not equal the high water mark of last year. The slump in business has made itself felt in the enrollment of teachers colleges. In our case, we have the added drought—the worst in forty years—in the Cumberland Valley as a deterrent factor in maintaining our last year's enrollment. No part of the State was hit quite so hard as this valley by the long continued drought and the consequent loss of revenue to our farming community. As a result it was necessary for at least forty students

from Franklin and Cumberland Counties alone to cancel their registrations and change their school plans for the year. We sincerely trust that financial conditions may so improve during the coming year as to make it possible for these students to enroll next year.

Two very gratifying features of our enrollment are the increase in the four year students and the increase in enrollment of students from outside our service area. The decrease has been confined to the two year course.

The coming year should be a busy one for us from the standpoint of new buildings and repairs, for the new library will be under construction and contracts for repairs and renovations to the President's residence and for grading and leveling the land adjoining the campus will be let.

Another matter of general interest is the organization of intra-mural Saturday and mid-week classes for teachers in service. Classes in Educational Biology, Philology, American Government, American Literature, and Educational Tests are now offered and a still larger number will be offered next semester.

Elsewhere the attention of those of you who were graduated from the two and three year courses and who are still engaged in teaching is called to the opportunity open to you in the four year course. All indications point to a four year post high school requirement in the near future for all new entrants into the elementary field. This will mean that outstanding positions will be available only to those who have completed the four year B. S. course.

Finally, don't forget that Saturday, November 15, is Home Coming Day for those of you who were graduated in the even-numbered years. We regret that we can't invite all of you, but the Alumni organization is so large that we cannot accommodate more than half of you with your wives and husbands and your high school guest at the Home Coming Dinner. You are all welcome to the game with Millersville and the other exercises of the day. A time schedule will be found on another page.

I hope to see many of you at the various county and city alumni reunions that will be held during the next few weeks. These reunions can be made the pleasantest events of the year.

Trusting that this may be the most successful school year in your history, I am

Fraternally yours,  
Ezra Lehman, '89.

## HOME-COMING DAY—SATURDAY, NOVEMBER 15

---

The Big Day this year will be Saturday, November fifteenth. This year the graduates in the even numbered years, their wives or husbands, and a member of the graduating class of their local high school, will be invited. A special letter will be sent to all the graduates above indicated, but this is an advanced reminder so that you may check the day on your calendar.

The program for the day will be as follows:

2:00 P. M. Football game — Eckels Field — Shippensburg vs. Millersville.

4:00 P. M. Alumni Tea — Women's Dormitory.

6:30 P. M. Dinner — College Dining Room.

9:00-11:30 P. M. Reception — Dance, Gymnasium.

We should like to invite all of the Alumni to the dinner, but we can accommodate only five hundred and fifty in the college dining room and so we can have only the classes of the even numbered years this year. Next year, of course, the "odd" classes will have their turn.

But all Alumni without regard to class are invited to be our guests at the football game, the tea, and the reception. Begin now, Alumni, to plan for the Big Day!

## INTRA-MURAL CLASSES FOR TEACHERS IN SERVICE

---

Under the direction of Dr. J. S. Heiges, Dean of Instruction, the college has organized five intra-mural classes for teachers in service. These meet on Wednesday evenings and Saturday forenoons, and carry with them full academic and professional credit.

The classes organized are in Educational Biology, Philology, American Government, Educational Tests, and American Literature. A large number will be offered during the second semester beginning Saturday, January 24, if the demand justifies such action.

Members of the Alumni in the two and the three year classes are urged to take advantage of these opportunities which will naturally appeal with special force to students residing within a radius of thirty or even forty miles from the college. The day is at hand when graduates who are able to offer work in advance of the two and the

three year curricula will have a decided advantage in the matter of positions over others. By taking advantage of the intra-mural courses and those offered during the Summer Session, it will be possible for a teacher in service to carry from ten to fifteen semester hours during the year.

Persons interested in enrolling in any class during the second semester are urged to write to Dr. Heiges indicating the subject or subjects desired.

### SECOND SEMESTER OPENS JANUARY 19

---

The second semester will open Monday, January 19. We anticipate thirty-five or forty openings in our dormitories at that time. This will enable us to provide rooms in our dormitories for all women students.

This opportunity should appeal to all students who wish to start upon their work at mid-year rather than to wait until next September. An increasingly large number of students are being graduated from high schools in January. There is no reason why such persons should lose a half year in their advanced work by waiting until September to enter college. Incidentally, it should be said that there are always openings in the public schools shortly after the Christmas vacation and that graduates in the mid-year class are usually able to secure satisfactory positions immediately after their graduation.

Alumni will please call the attention of students qualified to enter at the beginning of the second semester to the opportunities open to them.

## FOOTBALL OUTLOOK

---

The football season of 1930 was opened Saturday, September 27, with a victory for our team over the strong Millersburg Athletic Club, 35-0. A number of our former athletes were in the lineup for Millersburg.

The prospects for the season seem bright and, unless the team is handicapped through too many injuries, it should give a good account of itself.

Last year Coach Dresser worked with an idea of developing material and kept a large squad out all season. Two full teams were carried on all trips and as many men as possible saw service. As a result, this year we have a large squad of experienced men to carry out the season's schedule.

There are a number of new men from the Freshman Class that have had considerable experience and who made a good showing in the opening game. The coaches are getting down to stiff drilling, and training the team gradually in order to reach its peak on Home Coming Day.

There are twenty-five men training for Cross Country under the leadership of Capt. Glessner. We hope to have a meet with some college here on Home Coming Day.

## COUNTY ALUMNI REUNIONS

---

Adams County led off early this season by holding the largest Alumni Rally and Banquet in its history under the able leadership of Assistant County Superintendent J. Floyd Slaybaugh and his efficient committee. The banquet was held on Wednesday, September 3, from 12 o'clock noon until 2:00 P. M. in the basement of the Gettysburg Methodist Church. One hundred and forty-six Alumni and guests were present. Prof. Charles Taylor of Arendtsville made an excellent toastmaster. Dr. Lehman brought the greetings of the college and told of the plans for the future. Supt. Shank spoke of the fine spirit of cooperation between the college and the Adams County Schools. Other members of the Alumni spoke briefly. One of the enjoyable features of the banquet was the singing of college and other songs. The following officers were re-elected:

President, J. Floyd Slaybaugh, '16, Gettysburg; Vice-President, C. I. Raffensperger, '17, Biglerville; Secretary, Helen Draais Taylor, '21, Arendtsville, Pa.

Mrs. Ernest Wolf, '99, of Harrisburg, has announced that the Dauphin County Alumni Association will hold its annual banquet on

Thursday evening, October 16, at 6:30 P. M., in Zwingli Hall, Broad and Susquehanna streets, Harrisburg. An interesting, peppy program has been provided and Dauphin County will undoubtedly go over with a bang.

Blair Hess, '23, President of the Mifflin-Juniata County Association, is working hard to secure a big turn out of the Alumni and former students of Mifflin and Juniata Counties at the banquet to be held in Lewistown, Tuesday, October 14. The steady growth in the number of students from Mifflin and Juniata speaks well for the work of this organization.

The home county Alumni of Mother Cumberland will be marshalled by the President, W. M. Rife, '91, for the annual dinner, Thursday noon, October 16. No body of the Alumni have been more loyal than those who live almost within the shadows of the college.

The plans of the Perry, Bedford, Huntingdon, and York County organizations have not yet been announced, but their annual meetings will undoubtedly be held during the week of the County Institute.

### WANTED—ALUMNI NEWS

---

This number of the Herald will go into the families of nearly three thousand of our Alumni. All who receive it will be impressed by the relatively small amount of Alumni news that it contains: but we have published all that has been sent to us. We are anxious to make the Herald a real medium in the exchange of news among the Alumni.

But you must send us items of interest about yourself and other graduates if the Alumni columns are to function as they should. We want to hear from you from time to time so that we can pass on the news to others. Marriages, births, and deaths in our college family are always items of special interest. News of this kind should be sent to Mrs. H. Wylie Stewart at the College or to Miss Ada V. Horton, North Prince street, Shippensburg, Pa.
