NORMAL DEFEATS DICKINSON

Saturday, May 3rd, the Normal baseball team won its third victory of the mesent season by defeating Dickinson Seminary to the tune of 9-2. The eachers seemed to have taken on a new lease of life and played the best game of any thus far.

"Gil" Cooper made his debut as a itcher and had the Dickinsonites at his mercy throughout the contest. Capain Turner was on the receiving end 'nd put up his usual fine game. "Mike" Beshel, the Trevorton flash, made his debut at third and was very much in vidence with the bat, getting a triple, double and single. Brotherston played a fine game at short and also clouted the pill for an extra base, as did Turner and Cooper. Fitzpatrick and Kazlusky worked like veterans in the outer garden and Haupt played a stellar rame at first base.

THE RURAL TAFFY PULL.

Part of the Rural group enjoyed a taffy pull at the home of one of their number, Lois Remley, last Wednesday evening.

Promptly at seven o'clock some of the girls from the Normal started downtown. On their way these girls happened to think of another member of the group, who, they thought, would enjoy the fun. As they went on they separated into groups, getting the girls downtown, which increased the number to ten. About seven-fifteen they arrived at Miss Remley's home. They were received by the hostess, who was assisted by Miss Maud Mensch, and given the proper introduction by Miss Eleanor Derr.

They immediately proceeded to take possession of the cook's domain, where pans, kettles and a red hot fire were waiting.

By seven-thirty the candy, which was to be watched by one of the girls, had burned. Two excited girls rushed to the rescue, put it in another pan, and it was soon boiling again.

In the meantime some one discovered that it was Miss Mensch's birthday and the group proceeded to present her with many useful, and valuable gifts. This inspired her to make some fudge, while others decided to pop corn. The taffy boiled on.

If you had looked into the parlor you would have seen others singing to the music produced at the piano, by the distinguished musician, Miss Marie Werkheiser.

Quite often one of the girls would take a peep at the taffy which boiled and hoiled, but showed no signs of being done.

After it had been cooking for two hours and thirteen minutes it was time for the girls to go home and the taffy was not done.

It was reported in class the next morning that it was still in the gluey state and could be finished when a sunshiny day came. We say "Sunshiny Day" because some of our friends informed us that our candy wou'd not cook, because of the rain.

Those present were Lois Remley, Maud Mensch, Eleanor Derr, Mildred Gerton, Viola Kline, Mary Lauver, Beatrice Crawford, Ethel Price, Ruth Beaver and Marie Werkheiser.

Ever thy story tell Of this glad day. To Heaven our grateful praise Waft it on Sunlight rays To God away."

The program was concluded by showing a film on lumbering.
