NORMAL LOSES TO SHIPPENSBURG

Hard Fought Game

Bloomsburg Normal lost a hard fought game last Saturday with Shippensburg, last year's State Champions, to the tune of 6-2. About 200 students and town people saw Normal fight their hardest on a gridiron of mud and water. In places the mud was ankle deep, with pools of water over the entire field.

Shippensburg chose the East goal and the teams lined up for the mud battle. Shippensburg kicked off and the ball flew through the rain into the arm of a Bloom man who swam through the mud for about ten yards. The first two plays looked as though Normal was going to have everything their own way. On the third down they tried a forward pass which was intercepted and Shippensburg began their march. It was not long before they were compelled to kick. This started a punting duel between McGrath and Smith with McGrath getting the best of the fight. Each got off some fine kicks but on account of the mud, the kicks barely got over the line of scrimmage, at times. The quarter ended when Bloomsburg had the ball in midfield.

The men started running around to keep warm as their clothes were wet and muddy. It was hard for the players to distinguish the maroon jerseys from the blue of Shippensburg. The players wiped the mud from their faces and started the second quarter.

In the second half the Shippensburg safety man fumbled a punt and Keen recovered it for Bloomsburg. A forward pass put Normal on her four yard line. Two more plays netted them two more yards with only two more to go for a touchdown, when the whistle blew, ending the half.

Shippensburg came back on the field for the second half with dry jerseys, minus stockings, but Normal still wore their battle scarred armor.

It was in the second half that McGrath got off a fine punt which was fumbled but recovered again by Hochensmith on his one yard line. Smith

BOYS' "SYMPATHY" ORCHESTRA MAKES BIG HIT

A Stellar Career Ahead

Organized the morning of the faculty dinner, made its initial appearance at the banquet on Friday evening, at which time it acquitted itself with no mean credit. Applause was hearty, encores were numerous and the guests were lavish in their praise. If the premier night is any indication, we can foresee for this organization a stellar career.

The personnel of this entertaining organization is:

Violins—William Jones, Claude Miller.

Saxophone—Theodore Davis.

Drums—Roy Troy.

Ukelele—George Sack.

Piano—Marvin Thomas.

Everyone should attend the dance immediately after dinner and the nickels ought to flow freely.

EXCEPTIONAL LECTURE

By Dr. Edwin E. Slosson

Last Friday evening the students were given the opportunity of hearing one of the most distinguished scientists of the present day, Dr. Edwin Emery Slosson.

Dr. Slosson chose as his topic, "Science Remaking the World". He spoke of the wonderful changes brought about by science. It has made tales of Arabian Nights come true. He told of the chemist's awesome power. Working in the cause of humanity he can be the means of saving life, and alleviating suffering. In the cause of war, he can, at one stroke cause the destruction of thousands of men. Mr. Slosson spoke of the nineteenth century as being one of "synthesis" or building up. History has proved that every century has been a period of building-up or a period of degeneration. The nineteenth century was of the former. Mr. Slosson pointed to the renewed belief in charms, the stars, etc., as an evidence of the degeneration of this, the twentieth century.

Dr. Slosson came to this school well recommended. He was reported as being one of the few men who can make a science lecture interesting. He dispenses with scientific terms to a great extent, and uses simple, understandable language. Also, he brings to the subject a fund

Y. W. C. A. NOTES

Opened With A Bang

The Y. W. C. A. of our school has started off with a bang this year. The very first day all the new Juniors were met by "Y. W." workers. Since then they have been carrying out the "big sister" idea.

The Y. W. Welcome reception was a huge success as was also the membership campaign. The number of members has just doubled the number of previous year making a total membership of 220 to date. But we expect bigger things from the "Y".

The cabinet has planned some interesting meetings, entertainments and discussion groups for the coming year.

The devotional meetings are held every Wednesday evening at 6:30 o'clock in the auditorium. They are attended by large numbers. We are constantly increasing in pep and vigor and we are anxious that every student of the dormitory, also day students, take advantage of our weekly meetings. Good speakers, good entertainers and good times are in store.

On October 21st, an interesting little playlet of the work done by the Y. W. C. A. in India was given by the following members of the "Y". Blanche Herring, Ruth Davies, Bertha Sutliff, Catharine Strine, Verna Medley, Jennie Williams, Katherine Williams and Helen Jones. It was given under the direction of Pat Hilbert.

Last Wednesday evening the informal groups were introduced into the meeting, Y. W. songs were learned. Helen Purcell gave a scene from Twelfth Night.

The biggest event of the coming year will be the Japanese Bazaar,

GIRLS PLAYING HOCKEY AND SOCCER

Much Interest Shown In Outdoor Sport

The Normal School has been very fortunate this year in having Miss Drummonds and Miss Anderson as the physical directors. They have one big idea in mind, and are trying to put it forth before it gets too cold. This is—plenty of out door exercise. Enthusiasm is displayed by the interest the Senior and Junior girls are portraying in hockey and soccer.

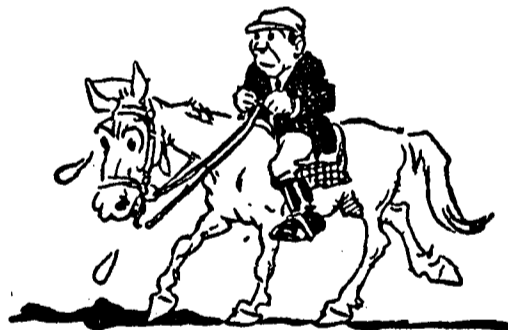

Every day, if one happens near the opening between Dr. Reimer's home and Dillon's home, girls are seen playing either one of these games. This is the first year that these two games have been introduced and according to the numbers taking part, they evidently are being successful.

The Seniors are playing hockey and the Juniors, soccer. During the past week, classes of Seniors have been divided into groups of eleven, as there are that many on each team. Each team, therefore, selected a captain and they are as follows: Kitty McHugh, Margaret Killian, Helen Dickinson, Mildred Hansch, Mary Harkins, Evelyn Harris, Dorothy Hammond, Jessica Trumble and Anna Scott. The captains for the Junior classes in soccer have not been elected as yet.

There will be games between the teams of Seniors in hockey and the teams of Juniors in soccer as soon as the weather is favorable.

—B. S. N. S.—

THE WYOMING GAME

Worth Going Miles To See

Normal will journey to Kingston on Saturday to have battle with their old foe, Wyoming Seminary. This game is the big one of the year and every man on the team is working hard in order to humble Wyoming.

Wyoming has one of the greatest teams in history of the school, having won 3 of their four games and playing the Penn State Freshmen to a score of 0-0. Wyoming is going to fight hard on Saturday to win the game and keep her record clean. But Normal will fight harder to avenge last year's score of 30-0 and also break her losing streak.

The team will leave for Wyoming in two groups. Some of them will leave here on the 10:52 train and the rest will make the trip to Kingston in a large motor bus. The entire squad will be in uniform at Wyoming.

Many of the students are planning on going to the game. Every way possible will be used to get there. Some are going to hike, others will

(continued on Second Page)

A. K. JACKSON THIS YEAR'S COACH

Well Qualified

The Normal School is fortunate in having on the faculty this year, Mr. A. K. Jackson. Mr. Jackson is in charge of the men's Physical Education, is dean of men and last but not least, is the Athletic Coach.

Coach Jackson is well qualified to hold the position he has, as he has played football, basket ball and baseball himself while at school.

He was graduated from the Menomonie Wisconsin High School in 1909. He then went to Carroll College, Waukesha, Wisconsin, where he was on the athletic teams. From Carroll College he went to Stout Institute 1911-14 and was considered one of the best all round athletes in the history of the school.

He accepted a position in the High School of Virginia, Minn, which he held for 6 years. He had charge of all sports as well as being Physical Director and holding men's gym classes. During this time his football teams only lost one game out of 30. His basketball teams won 554 games and lost only 5.

From 1917-19 he was a second lieutenant in the United States Army. Mr. Jackson was Assistant Physical Director at Fort Riley, Kansas and Camp Gordon, Ga.

When he returned from service he took a Pre Medical course of two years at the University of Minnesota. He then went to the University of Illinois where he took his B. S. degree.

He came to B. S. N. S. from Illinois and started work here. Everyone in Normal will vote that the "coach" is a fine fellow and a great mixer.

—B. S. N. S.—

GIRL'S UKE CLUB

At the beginning of the year a Uke Club was formed under the direction of Miss Mildred Boyd.

They made their first appearance at a recent "Y" meeting where they gave several selections very creditably.

All girls who have a "uke" or banjo or some other instrument of that description should turn out and join in the good times that this organization is having.

—B. S. N. S.—

THE FACULTY DINNER

On Thursday evening, October the twenty second, the members of the faculty held their annual dinner in the dining room annex. Dr. Reimer acted as toastmaster. Music was furnished by the B. D. C. orchestra. Miss Moore was song leader.

In order to become better acquainted, Dr. Reimer suggested that everyone rise and tell his or her name and the state from which he or she came. There were, of course, a majority of Pennsylvanians but the other states were also represented.

A delightful repast was enjoyed. Everyone voted the evening a success.

—B. S. N. S.—

STUDENT DINNER PARTY

On Friday night the tables in the dining room will be decorated by the people at the tables. Prizes will be offered to the two best decorated ones. There will be music and a general good time.

MAROON AND GOLD

"The News about you, of you, written for you."

EDITORIAL

It is best for us, a new staff, to state our policy on the event of the first issue of volume 111 of the Maroon and Gold, the organ of the student body of the Bloomsburg State Normal School.

The keynote of our inaugural address is that we resolve to be of some constructive service to you, our subscribers.

We have outlined a very definite policy to guide our work thru the year. Our product shall be interesting and useful. We desire to become indispensable to you in your "keeping up with the world". Our policy, in a few words, is "The news, all the news, around you, of you, written for you."

—B. S. N. S.—

SENIOR NEWS

The class was left without a president at the beginning of the school year as Jerry Fitzpatrick, the Junior president, did not return. One of the first duties of the class, therefore, was to find a leader. As a result of an election, Arthur Jenkins was chosen president. He is a third year student and was Junior president for the class of 1925 and has already shown his competence and worth. Edison Harris was elected Editor-in-Chief and Business Manager of the Obit. At another meeting, it was voted to dedicate the Obit to Miss Mason, the librarian. The Senior class has much work which must be done this year. The invitations for commencement are already under consideration and the following committee has been appointed to select the stationery—Helen Stapinsky, chairman; Eleanor Evans, Margaret Scanlon, Helen Kellam and Geraldine Aul.

The American Legion has chosen Brig. Gen. John R. McQuigg as its new National Commander.

EXCEPTIONAL LECTURE

By Dr. Edwin E. Slosson

(continued from Front Page) dropped behind his goal line and attempted to kick but the kick was blocked. The ball was under a pile of players behind the goal line giving normal a 2 point lead from the safety. Another exchange of punts was started, the referee wiping the ball with a towel after every few scrimmages.

The last quarter started with a bang, Shippensburg fighting hard for a touchdown and Normal determined to keep them from getting it.

Baseshore recovered a blocked kick and was downed on Bloomsburg's 22 yard line. On the next play Cooper, who had been playing a fine game, was knocked out and carried off the field. Rushin took Cooper's place, and the game was on again. In three plays Shippensburg had the ball over the goal line, but they failed to make the "try for goal" and the score was 6-2 in favor of Shippensburg.

The team deserves much credit for the fine showing they made in the game, as they were facing a hard team, who, last year, held the State Championship of Normal teams. Every man on the team played a fine game with Walsh, Sorber and Rowlands starring in the game.

The line up was as follows:

B. S. N. S.	Position	Shippensburg
Bradshaw	L. End	Gutwalt
Strohowsky	L. Tackle	Gilbert
Reimer	L. Guard	White
Swinehart	Center	Shuler
Carpenter	R. Guard	Ritter
Rowlands (c)	R. Tackle	Boseshore
Keen	R. End	Smith
Walsh	Quarterback (c)	Hockensmith
Sorber	L. halfback	Gottschall
Cooper	R. halfback	Barth
McGrath	fullback	McCarty

Score by Period.
Bloomsburg 0 0 2 0—2
Shippensburg 0 0 0 6—6

Touchdown: Shippensburg— Gottschall.

Safety—Bloomsburg.

Substitutions:
Bloomsburg: Hawkins for Swinehart, Rushin for Cooper. Shippensburg: Geedy for McCarty, Hayes for Geedy, McCarty for Hayes, Fentermacher for McCarty.

Referee: McCrea, Pratt.
Umpire: Mercer, Gettysburg.
Head Linesman: Morgan, F and M
Time of periods: 12 minutes

—B. S. N. S.—

NORMAL PLAYS HARD GAMES

The Normal team has played hard football against the best Normal teams in the state and have showed up wonderful. The first game was with Miners and Mechanics Institute at Freeland. The score was 14-0 in favor of Normal. The next week we journeyed to West Chester where we played the strong West Chester Normal and came out on the short end of a 12-0 game. The next game we played Indiana State Normal on Mt. Olympus. This was Indiana's first appearance on local soil. They fought a hard game and Bloomsburg lost 7--0

Hard Fought Game

(continued from Front Page) which will take place the first week of December. More will be heard of this in the issues following this. of knowledge from his own experience.

Professor Slosson is prominently known in more than one field. In 1890 he received his B. S. degree from the University of Kansas. In 1892 he was awarded the degree of M. S. and later was made Doctor of Philosophy at the University of Chicago. He was a professor of chemistry at the University of Wyoming for thirteen years and was connected with the Wyoming Agricultural Experiment Station from 1891 to 1903. He is recognized as a very able journalist. He was literary editor of the Independent for seventeen years; he was Associate of Columbia School of Journalism from 1912 to 1925; he is now director of Science Service. Last, but by no means least, is his work as an author. Among his well-known books are: "Great American Universities", "Creative Chemistry", "Remaking of the World", "Keeping up with Science" and "Easy Lessons in Einstein". These are all written in the same interesting manner in which his lectures are delivered and are well worth reading.

The Locarno treaties are already having a good effect on the German-Polish relations.

THE WYOMING GAME

Worth Going Miles To See

(continued from Front Page) go in Fords, some in Marmons, some on the railroad and the unfortunate few will—.

The team came out of the Shippensburg swimming match in good condition and every one is in fine shape for the game. Coach Jackson will be able to call on substitutes without number to take the places of tired and wounded warriors.

Let's all give the team a send off and be on hand at Wyoming to cheer them on to victory.

Normal will probably line up as follows:

Metcalf	L. E.
Strohowsky or Carpenter	L. T.
Reimer	L. G.
Swinehart	C.
McKelsky	R. G.
Rowlands	R. T.
Keen or Bradshaw	R. E.
Walsh	Q. B.
Cooper or Rushin	L. H. B.
Sorber	R. H. B.
McGrath	F. B.

—B. S. N. S.—

WYOMING SCORES FOR SEASON

Wyoming has a wonderful football team this year. They have won three of their four games and tied the other. But nevertheless they are thinking of the "Tiger Normal" game and will feel relieved when the game is over on Saturday. Wyoming's scores for the season follow:

Wyoming—46	Colgate Fresh—0
Wyoming—42	Gettysburg Fresh—0
Wyoming—0	Penn State Fresh—0
Wyoming—36	Lough Fresh—0

Sixteen governors of various states support Secretary Mellon's recommendation for abolishing the Federal estate tax. Inheritance tax rates should be uniform, stable and moderate.

PREVIOUS CELEBRATION

On the morning of Wednesday October 14th, everyone thought that some of the girls were previous by several months and were celebrating St. Patrick's Day. But it was only the Juniors wearing green hair bands in accordance with the new customs laid down by the Seniors. Thirteen customs were adopted which are:

1. Juniors must wear black lisle hose.
2. Hair must be worn straight. If the hair is natural curly or if you have a permanent wave a hair net must be worn.
3. Juniors must wear a bright green ribbon, not more than 1 1/4 inches wide, without a bow, on the hair.
4. No cosmetics may be used.
5. Juniors must serve water, butter, vegetables, etc., at the table in the dining room.
6. Juniors must give preference at all times.
7. Juniors must say "Hello" and say it first to all Seniors. Must say "How-do-you-do" to any faculty member.
8. Juniors may not dance with more than one young man, in one evening, at the after dinner dances.
9. Juniors may not talk to the elevator boy or loiter in the hall.
10. On Friday night, for one month, all eating must be done with a spoon, and with the left hand. Attendance at dinner is compulsory.
11. On Wednesday morning, October 14, all Juniors came to breakfast arrayed as designated. Attendance at breakfast was compulsory.
12. All Juniors must learn the Alma Mater and be able to sing it whenever asked.
13. All Juniors must write, recopy and hang these customs in a conspicuous place in their rooms.

B. S. N. S.

OBITER STAFF FOR 1926

The Obiter Staff is exceptionally active. This is necessary, due to the fact that no editor was elected last school year. Previously the Obiter had a project of all second year students, but, at the first meeting of the Senior class, it was agreed that the Obiter should be a Senior class project. Accordingly, Edison Harris was elected Editor-in-Chief and Business Manager and he has appointed the other members of the staff from the Senior class. The staff is determined to make this issue the best that has ever been published. Several new features are to be introduced which will necessitate an increase in the price of the Obiter. The Art Editor is planning some new features in that department which will make our Yearbook more attractive. The final committees are to be appointed by the chairmen of the various committees. Each chairman will have absolute control of his assigned department. The associate editor has selected his committee which will have the individual write-ups. He will announce the committee soon and give the necessary information concerning the write-ups. The staff has not yet awarded the contract for publishing the Obiter but are busy interviewing agents and considering offers. The chairmen and the committees named are:

- Advertising manager—John Timko.
- Art Editor—Gilbert Cooper.
- Associate Editor—James Coursen.
- Associate Editor—Margaret Evans.
- Humor Editor—John Kanyuck.
- Secretary—Katherine McHugh.
- Sports Editor—Arthur Jenkins.
- Finance Committee—Elgie Prutzman, Agnes Myles, Kathryn Munroe.

Two of the members of the present cabinet are from Pennsylvania. They are Andrew W. Mellon, Secretary of the Treasury and James T. Davis, Secretary of Labor.

FRIDAY CHAPEL

Each Friday chapel is given over to the members of the different departments who develop some phase of their work.

On October 9th, chapel was given over to the Social Studies Department under Miss Maupin and Mr. Reams.

On October 16th, Dr. Waller, a former principal of this school, spoke on the "Growth of Education in Pennsylvania". His deep interest in the subject and his broad study of it enabled him to present some very enlightening facts.

The Health Department under Mr. Nelson had charge of Chapel on October 23rd. The Athletic Leaders' Club occupied the stage while Miss Jessie Zimmerman read the Constitution of this organization. Here are the laws for the admission of new members which the Juniors want to remember.

An applicant must be a two point student.

An applicant must be active in some other organization.

An applicant must be a leader in something, not necessarily athletics.

An applicant must have a grade of B. in gymnasium.

Coach Jackson then explained some of the rules of football. This should arouse more interest in the game as his explanation was very clear.

Following is the program for the remainder of the year:

October 30th. Dr. West, "The Age We Live In".

November 6th. Quartette. Miss Pernes.

November 13th. Book Week. Librarians and Miss Kulp.

November 20th. Education Week Committee—Miss Nellie Moore, Mr. Rorem, Miss Hayden, Miss Davenport and Miss Ransom.

December 4th. Dr. West. "The Life We Are Making".

December 11th. Dramatic Club—Miss Johnston.

December 18th. Dr. Devine.

January 8th. Art Department—Mr. Keller.

January 15. Biological Science—Mr. Hartline.

January 22nd.—Dr. West, "For What We Exchange Life?"

January 29. Public School Music Department—Miss Patterson.

February 5th. Geography Department—Mr. Albert.

February 12th. Social Studies Department—Miss Maupin and Mr. Reams.

February 19th. Intermediate Department—Miss Nellie Moore.

February 26th. Social Studies Department—Miss Maupin and Mr. Reams.

March 5th. Primary Dept.—Miss Hayden.

March 12th. Music Activities—Miss H. Moore, Miss Skinner. and Miss Perner.

March 19th. Dr. West. "The Size of Our World".

March 26th. Social Studies Dept. Miss Maupin and Mr. Reams.

April 9th. Junior High School Department—Mr. Rorem.

April 16th. Physical Science—Mr. Shortess.

April 23rd Dramatics—Miss Johnston.

April 30th. Social Studies—Miss Maupin and Mr. Reams.

May 7th. School of Music—Mrs. Miller.

May 14th. Health Dept—Mr. Nelson.

May 21st. Musical Organization. Ensemble.

The League of Nations orders the withdrawal of the troops from Bulgaria and Greece. This action is a supreme test of its power to prevent war. Europe needs a "Balkan Security Pact". The League is planning one.

B. D. C. ACTIVITIES

The B. D. C. reorganized soon after school started. Theodore Keene resigned as president and Joe Dugan was elected to succeed him. Victor Auskins retained the office of vice president and Marvin Bloss was again elected secretary. Michael Yozviak was elected treasurer.

The initiations this year are very different from those of other years. Instead of the usual paddling, ducking etc. the new fellows are required to do "stunts" in the dining room.

The B. D. C. promises to be a real live society and thru it many worthwhile things will be accomplished. Watch for an announcement of

The Wall street boom of October 15, 16 and 17 brought the biggest buying records since 1916, and the biggest Saturday half-day in the history of the exchange. Fifty-seven individual issues of stock reached new high records for the year.

DOUBLE QUARTETTE WILL GIVE CONCERT SHORTLY

Now Rehearsing

The mixed and male double quartettes, under the direction of Miss Antoinette Perner, have been rehearsing faithfully since the opening of school, and they will make their initial appearance before the public on Friday, November 6th, when they will give a well arranged and selected program during the chapel period. This quartette gained an enviable reputation for itself last year throughout Columbia County and the eastern part of Pennsylvania by its unique rural library extension service and its broadcasting. The members of this group remain the same as last year with the exception of the Misses Bronwen Rees, Edith Harris and Dora Wilson, and Mr. Sam Barrow, all of whom are greatly missed. Their places are being ably taken this year by the Misses Ellen Whitehouse, Dorothy Raup, Evelyn Bomboy and Mr. Gilbert Cooper. The members of the mixed double quartette are: Mary Bomboy and Ellen Whitehouse, Sopranos; Evelyn Bomboy and Dorothy Raup, Altos; Edison Harris and George Janell, Tenors; Gilbert Cooper and Theodore Keen, Basses.

The Male Double Quartette is a new organization and will be heard for the first time on November 6th. The members of this group are: Edison Harris, George Janell, Arthur Jenkins and Armond Keller, Tenors; Theodore Keen, Benjamin Lewis, Herbert Ralston and Gilbert Cooper, Basses.

The Rural Library service will be continued through out the year, and engagements for the quartette are now being made by Miss Pearl Mason, Librarian, who accompanies the quartette on all of its trips, acting as business manager for the group, and speaking in the interest of school libraries.

The Navy Department has asked for a metal clad dirigible to replace the Shenandoah. The metal will permit the use of hydrogen instead of helium and this means smaller operating cost with greater safety. It will be shorter and bulkier than the Shenandoah and thus offer less resistance to the wind and storm.

ORCHESTRA PREPARING FOR WINTER CONCERT

Practice Every Monday Afternoon

The orchestra members are meeting for practice every Monday from 4:15 to 6:00 o'clock in order to build up a concert program for this winter. Two weekly rehearsals will be held shortly. Everyone is awaiting the initial appearance of this organization with pleasurable expectations.

The personnel consists of:
Violin: Claude Miller, Mae Gable, Patrick George, Genevieve Kelley, Helen Dickinson, Mary Leiby, Stella Murray, Cathryn Gruber, Florence Rees, Lois Sechrist, Wm. Jones and Helen Daniels.
Cello: S. I. Shortess.
Saxophone: Theodore Davis and Alice Jones.
Cornet: Wm. Letterman.
Trombone: James R. Bittenbender and Paul J. Best.
Piccolo: Creveling Strausser.
Clarinet: Harold Rudy.
Drums: Roy Troy.
Piano: Eleanor Evans.

B. S. N. S. DRAMATIC CLUB

The Dramatic Club was reorganized in the very beginning of the school year. The director of the club Miss Johnston and the president, A. William Austin, have been working on a program of the club's activity and brisk stepping is ahead.

A play "His Second Girl" was presented at a recent meeting. The play was considered a huge success by those present. At the following meeting it was used as a basis for discussion.

"Chick" Zimmerman directed the cast most dexterously. The actors were: LaVern Rees, Evelyn Harris, Margaret Emmett, Joe Kane, Victor Anskis and Larry Coolbaugh. "Mutt" Anskis created a new reputation for himself as a comedian.

Dry Cleaning and Repairing Our Hobby

JUNIOR HIGH ART CLUB

Since 1923 it has been the annual custom of the Junior High School Art Club to present an original play based upon one of the well known fairy tales.

The entire production is carried to a successful termination by the students themselves. The designing of posters, tickets, programs, costumes and scenery is worked out in the classes as an Art project.

The first year "Red Riding Hood" was the story chosen for dramatization, while last year it was "The Three Bears". The use of real animals in both plays made them especially interesting. So it was little wonder that all the tickets were sold a week before the performance.

This year every student of the school is going to attend the production and therefore the tickets, which will be fifty cents, will be offered for sale at the school two days before they are sent down town. It is especially urged that all students secure their tickets immediately after they are placed on sale. Last year the play was repeated on five different occasions to 6,250 spectators. Due to the fact that there are more than 60 children participating only

one performance will be given in Bloomsburg, December 4th.

Every one in the Normal School will be permitted to contribute something to make the new play "Cinderella" an even greater success than

Rear Admiral Coontz declared that the United States Fleet returned from the cruise to Australia and New Zealand in good condition and would be able to repeat the trip on 24 hours notice. He suggests making such a cruise every three years for training and urges the Navy Department to complete two new aircraft carriers, the "Saratoga" and the "Lexington."

It is reported that the Greek government has ordered the recall of troops from Bulgarian territory.
