ELSON ART EXHIBIT COMING IN JANUARY

Exceptional Showing Of Fine Art

The annual Elson Art Exhibit sponsored by the Senior class will be held in the auditorium the week of January 11th to 15th, 1926. There will be about 400 pictures in the exhibit including classic and modern art. Both ancient and modern artists will be represented.

The exhibit includes Elson prints, Medici prints, Copley prints and pictures from the U. S. Lithograph and Print Company.

The president of the class, Mr. Jenkins, is laying final plans for the exhibit. Two lectures on Art are being planned for the week.

The tickets will be twenty-five cents each, for the week, and it is greatly desired that all students participate in this rare opportunity for growth. For the nominal sum of ten cents one may purchase a catalogue in which there are accounts of the artists and the pictures exhibited.

The students and teachers will be given the opportunity to buy miniature prints of pictures which they particularly like or desire to possess. These pictures will be sold to students and teachers at greatly reduced rates.

Those in charge hope to make it as wonderfully successful as Children's Book Week was made by Our Wonderful Miss Kulp and her Wonderful classes and the Wonderful posters.

NEW TRIBUNAL ELECTED

To cap the re-organization of the Freshman Customs, a new Tribunal has been elected. The freshmen have elected two members and the second year men have elected two members. The third-year men, those farthest advanced and more experienced, are being represented by three men.

About a week ago, the freshmen, at a meeting held to announce the reinstating of customs, elected Bradshaw and Van Aernam by popular vote as their representatives on the new Tribunal.

Tuesday night the second-year men elected William Swinehart, a middler, and John Rowlands, a senior, to speak for them. George Sack, Arthur Jenkins and Everett Jamison were elected by the third-year men.

George Sack is president of this body and Everett Jamison recorder. Thus led, it is a worthy assembly and all classes have lent their support.

The first decision of the Tribunal put Freshman Customs in effect on Wednesday, November 18, at 1:00 P. M.

IMPORTANT

The associate editors of the Obitor would like the Seniors to keep in mind that the individual write-up section is exceedingly important. The write-ups should be handed in as soon as possible after the Thanksgiving vacation. The task of distributing write-ups is not an easy one. If a Senior is not personally acquainted with the person whom he is expected to write-up, he should endeavor to find someone who does know them and get the information that way.

NORMAL LOSES TO STROUDSBURG

The Score 21 - 7

B. S. N. S. lost a hard fought game to Stroudsburg Normal, last Saturday at Stroudsburg. The final score was 21-7. Normal plunged the ball for 80 yards and a touchdown in the last quarter. Stroudsburg scored in the first, third and fourth quarters.

Both teams showed a lot of offensive power, Normal getting 11 first down to Stroudsburg's 12. Stroudsburg attempted a couple of field goals but they were unsuccessful.

Girton's shoulder was hurt in the second half and he will not be able to get in today's game. Van Buskirk was also hurt. He had to be carried off the field but he returned in the second half for a while.

Most of the breaks went to Stroudsburg. Normal was only able to get the ball over the line once. The rest of the time she could not get close enough to the goal for a real plunge.

B. S. N. S. pulled a lot of trick plays that had their opponents guessing about all the time. Stroudsburg, instead, played straight football, trying a few passes, some of which resulted in nice gains.

The game was played on a fairly dry field. It was much dryer than any Normal had played on up to that time this year.

There were a number of students and Alumni at the game who gave their support to the team.

The line-up:

Stroudsburg (21)	Bloomsburg (7)
Parnell left end	Metcalf
Ramage left tackle	Strohosky
Reed left guard	Riemer
Moore center	Swinehart
Stephens (c) right guard	Mikelski
Winans right tackle	(c) Rowlands
Gibbins right end	Van Buskirk
Caesar quarter back	Walsh
Morris left half back	Sorber
Frey right half back	Stoker
Notestine full back	McGrath

Touchdowns: Stroudsburg—Morris 2, Notestine; Bloomsburg, Walsh. Points after touchdowns: Stroudsburg—Ramage 3 (drop kicks); B. S. N. S.—McGrath (placement kick)

Substitutions: Bloomsburg—Carpenter for Mikelski, Yozviak for Van Buskirk, Girton for Stoker, Bradshaw for Walsh, Van Buskirk for Yozviak, Mikelski for Strohosky, Walsh for Bradshaw.

Stroudsburg—Ginder for Parnell, Reese for Ramage, Jones for Moore, Davis for Winans, Thalenfelt for Stephens, Baschworth for Gibbons, Bennett for Caesar, Mosier for Morris, Thomas for Frey, Hoffner for Notestine.

Referee—Metcalf, Oberlin. Umpire—Edwards, Ohio State. Head linesman—Fetherolf, Muhlenburg. Time of quarters—15 minutes.

EDUCATION WEEK EXERCISES IN CHAPEL

The Constitution And Patriotism

Constitution Day, the opening day of Education Week, was observed in Chapel on Monday. The entire student body met to hear Mr. Reginald Hemingway speak on America's guarantee for personal liberty and state rights.

Mr. Hemingway said that people in different occupations value different sections of the Constitution. The minister values the section pertaining to freedom of religion; the newspaper man values the sections guaranteeing freedom of press and of speech; the banker regards the financial provisions as outstanding.

The lawyer is principally concerned with the first ten amendments. Those sections, which guarantee every citizen a right to a speedy trial by jury and a right to counsel and witnesses in his own behalf.

Mr. Hemingway protested that the Constitution was not at fault for delay of justice but many hampering appendages in the form of statute laws.

The slogan for the teacher was "The better the teacher the better the school." Professor L. P. Sterner, Superintendent of the Bloomsburg Schools, spoke on the school influence. He asked, "Is the finished product better than the raw material?" The public schools should make it so. And they do.

The slogan for the parent was "Visit Your School." Mr. Elmer R. Beers a Bloomsburg citizen, spoke for the parents, stating that teachers should have a high standard of morality, and exert a good influence on the pupils. Mr. Beers quoted Attorney Crow: "We must have co-operation between teacher and parent."

AMERICA FIRST

Dr. Henry Bierman spoke to the Bloomsburg State Normal School assembly on patriotism. He spoke on the influence a teacher has on the minds of children. He deplored the fact that outwardly the American people show such an indifference to the American flag. He attributed it to a lack of courtesy on the part of his countrymen.

Dr. Bierman's talk made us think of what President Coolidge said at Omaha on Oct. 6, to the effect:

The generally expressed desire of "America First" cannot be criticized. It is a perfectly correct aspiration for our people to cherish. But the problem which we have to solve is how to make America first. We can only make America first in the true sense by cultivating a spirit of friendship and good will, by the exercise of the virtues of patience and forbearance, by being "plenteous in mercy," and through progress at home and helpfulness abroad standing as an example of real service to humanity.

We shall only be entering a period of preparation for another conflict unless we can demobilize the racial antagonisms, fears, hatreds, and suspicions, and create an attitude of toleration in the public mind of the peoples of the earth. If our country is to have any position of leadership, I trust it may be in that direction, and I believe that the place where it should begin is at home.

CINDERELLA — ART CLUB MASTERPIECE SOON HERE

To Be Presented Friday December, 4

Cinderella, the third annual Art Club production, resplendent in fresh dress, rich costumes, beautiful scenery and new properties, bursts from its chrysalis and emerges recreated, re-enlarged and re-featured for your approval.

Incredible as it sounds, there is more show this year than ever before and in many respects it is a better play.

The cast will include 55 children, 6 white rats and German police dogs.

The advance sale of tickets this week has surpassed all other art club productions. So great was the demand for evening tickets that the supply was exhausted in less than a week after they were placed on sale. With very few afternoon tickets remaining, the play bids fair to be the most successful one.

The public press is entitled to much credit therefore. More than 25 newspapers, and in addition many educational magazines have accepted pictures and articles concerning the progress of this production.

The producing of "Cinderella" has not been confined exclusively to the Junior High School Art Classes. Practically the entire Junior class has contributed hundreds of attractive posters. The names of many middlers and seniors appear in the personnel of the production.

The play is directed by Prof. Keller. Aesthetic dancing and costumes are in charge of Miss Murray and Miss John. The making of the scenery is directed by Gilbert Cooper.

—B. S. N. S.—

THE Y. B. S. IS MASKED

"What is the Y. B. S.?" That is the question that one hears from most of the girls at the dormitory. The Y. B. S. sign appears regularly on the bulletin board. After its appearance, much curiosity prevails. The aim of the Y. B. S. is to promote a friendly and unprejudiced co-operation between the girls from the dormitory. The organization is secret but the Junior girls belonging to it are known throughout the school for their willingness, cheerfulness and helpfulness. If you wish to follow the actions of a wide awake, peppy crowd—"keep your eye" on the Y. B. S. girls.

We're willing, gay and helpful,
From dawn o'day till night,
For we are "Y. B. S'ers"
And such is our delight.

—B. S. N. S.—

JUNIOR OPINION!

Since the majority of Junior girls have kept the customs faithfully for the first half of the semester, we think the Seniors should be good sports and remove the customs after Thanksgiving vacation.

As for being original, the Senior girls are far from it. Because the boys tried to make the freshman obey their customs is no reason for the girls to follow it.

If the Freshman boys refuse to obey the rules, why can't the Junior girls have the ban lifted?

"Ladies Before Gents" is a motto. Why not follow it by having the girls at least pursue if they cannot precede the boys in lifting restrictions?

Many a student activity is not so much an end in itself as it is a means to an end. The management of the Maroon and Gold is such an activity. Through the execution of his duties the manager learns business forms and contracts, the making and meeting of obligations, the value of responsibility, the importance of punctuality, the worth of reliability and trustworthiness, and the telling effect of application and industry. Failing to meet his obligations the student soon discovers that he is wasting his time, that everything is slipping away from him, and that his fellow students lose confidence and faith in him. However, this applies also to class presidents, secretaries, or treasurers; to our student advisers among the teachers in their relation to their advisees, to the student proctors on the halls, to members of the Tribunal, and to everyone at the School who has any relation to or association with his fellows. Work well done brings satisfaction; work poorly done leads to annoyance.

This is enrollment week for the Red Cross. Teachers and students are enrolling in goodly numbers. Are you enrolled? If not, see Professor Sutliff.

Copies of the Maroon and Gold are to be in the hands of all teachers and students of the Normal School. The students may secure their copy at the staff room; the teachers will receive their copies by mail. The staff room is at the entrance to the Dining Room across the hall from Miss Ward's office.

Count Volpi, Italian Minister of Finance, will appeal for a liberal reduction in the principal of the \$2,100,000,000 debt to the United States. They will base their appeal on Italy's financial condition and on their capacity to pay.

JUNIORS MEET

On Wednesday evening 'Red' Garrity, president, called a meeting of the Junior Class. The prime purpose of the meeting was to get the class better organized.

Mr. Garrity suggested that the class elect a faculty advisor. It was decided that Mr. Nelson should be advisor.

The class play was the next topic brought up. It was agreed that a committee should be appointed to arrange the details with Miss Johnson.

The class is, of course, going to give a party. A lively discussion took place on the kind of party it will be. A poverty party was suggested but immediately vetoed. The Seniors have decided on that, so something more original was in order. Miss Delaney suggested a kid party. This was decided upon. The committee will be appointed later.

Bernie Gallagher was reminded that it is time he is collecting the class dues. With much reluctance he agreed to start. He appointed six girls, two from each dormitory floor, as helpers. After adjournment of the regular meeting, he gave these instructions. Be ready for them when they come, Juniors.

A Visit To Japan

On Saturday evening, December 5th, the students of B. S. N. S. will have a wonderful opportunity to visit the streets of Tokio. Have you ever been there? No? Then the Y. W. C. A. will give you a glimpse of this Oriental country in our own gymnasium. Beauty of color, design, and splendor will carry you away in imagination to the land of the Japanese. The shops will be open displaying many attractive articles such as kimonas, chop sticks, dainty china bowls and tiny cups, trays, Japanese prints, stationery, pictures of Fujiyama, toys, trinkets, souvenirs and just hosts of other things which will attract your attention.

Each shop will be attended by Japanese maidens. Ume San, the candy girl, will be there to satisfy the sweet tooth of every visitor. Toyo will be proud to give you a look into the future. Yuki-San will entertain you. Chrysanthemums will not be amiss in every maidens hair for they are the pride of the Japanese, you know. It may take you the whole evening to see the sights of the city but even then you will not have seen enough to satisfy you. Just remember to return to B. S. N. S. before the evening is over and perhaps another opportunity will come when you may re-visit the land of Japan.

RINGS INTEREST CLASS

On Thursday night the sample rings were on display in Science Hall. Straw votes were taken and ring three had the majority of votes. Because of rain, less than a third of the members of the Junior class went to see them. A second opportunity was given for voting the following night.

**B. D. C. ENTERTAIN
LADIES OF FACULTY**

Produce "Wonder Man"

On Monday evening the B. D. C. entertained the ladies of the faculty in North Hall. The guests inspected the boys' rooms and discovered everything "spick and span". It was admitted that special effort had been made on the part of the fellows to produce the immaculate appearance.

The fellows are sorry that the committee appointed did not take their task more seriously. As a result, not many day students were present nor as many teachers as might otherwise have been present.

Bennie Lewis acted as toastmaster. The orchestra entertained with selections. Mr. Dugan, president of the club, gave the speech of welcome, after which, William Jones played a violin solo.

A man of remarkable faculties was then produced by Mr. Dugan. This heavily blindfolded person proved to be Mr. Townsen in whose presence 30 figures were placed on a blackboard and the audience was asked to give 30 concrete words, one for each figure. After all were completed, Mr. Townsen, still blindfolded, was able to tell which word followed any number. During the cross-examination, which was given him, Mr. Townsen made but three mistakes.

Mr. Lewis gave the guests a very serious and thought inspiring talk. Refreshments were served, as usual.

AFTER LOCARNO WHAT?

An answer to the above question may be found in this statement by President Coolidge:

We know and everyone knows that these old systems, antagonisms, and reliance on force have failed. If we are to maintain and perfect our own civilization, if we are to be of any benefit to the rest of mankind, we must turn aside from the thoughts of destruction and cultivate the thoughts of construction.

Mr. H. L. Holbrook, Supervisor of Guidance of the Department of Public Instruction, spent Wednesday at the Normal School. He talked to two different classes in Social Studies, had a conference with Mr. Rorem, who is teaching Guidance, and discussed the application of the Guidance program to the admission of students to the Normal School with Dr. Riemer. Mr. Holbrook is about to publish a syllabus in Guidance on which he has been working for about five years.

Mr. R. P. Carling, of the Department of Labor and Industry and Mr. Harry Stone, of the Department of Public Instruction, made a survey of the fire hazards of the Normal School on Tuesday. The Board of Trustees is planning the erection of inside fire towers, and the removal of all outside fire escapes. This meets with the approval of the Department of Labor and Industry.

At the Faculty Meeting on November 17th, the problem method of teaching was discussed. Inasmuch as law schools have been using the case method of teaching so successfully for many years, the Faculty is considering the advisability of using the problem method of teaching more widely than it is being used at present.

Winston Churchill, Chancellor of Exchequer of the House of Commons, stated at the first meeting that he considered the debt arrangement made with M. Caillaux, the former French finance minister, is still effective.

SERVICES OF EXPERT

On Wednesday we are given the advantage of an expert's comments on Cecil Arden's program. Mrs. Miller stated that the program to be given Friday night will be easily comprehended with the possible exception of the fourth part.

This last number, Carmen's Dream A Fantasy, is Miss Arden's exclusive property. It was written and arranged for Miss Arden. It is taken from Carmen, one of the three most popular operas.

Miss Arden's concerts are much in demand and we are favored. Her voice is very sweet and her personality is charming.

**Y. W. STICKS MEMBERS,
WHERE'S YOUR PIN?**

When the membership drive took place many of the girls ordered Y. W. pins. They have now arrived and are on sale at the "Y" room every evening at 9:30. Do you have your pin? If not, get it now before the new supply gives out. If there are any girls who did not order pins and desire to have them, they may get them at the "Y" room or from any member of the cabinet. Show your colors by wearing the Y. W. emblem. Many friends have been gained by means of a Y. W. pin, but never an enemy.

THE DEAN TRAVELS

Miss Conway attended the meeting of the Pennsylvania Association of the Deans of Women held in Harrisburg, Friday and Saturday, November 5th and 6th.

An outstanding feature of the program was the banquet on Friday evening at which Hon. Gifford Pinchot, Governor of Pennsylvania and Dr. Francis B. Haas, Pennsylvania State Superintendent of Public Instruction were the leading speakers.

On Saturday, Mrs. Beatrice S. Kitchen, National Student Secretary of the Young Women's Christian Association gave a very clear and forceful presentation of the purpose and possibilities of the "Y" in campus life. Dr. Laura Carnell, Dean of Women of Temple University, with her varied experience and points of view of school life in general, and Mr. Harold L. Holbroke, Supervisor of Guidance in the State Department of Public Instruction, were among others on the program, any one of whom would have made the meeting well worth one's while.

Chairman Green of the Ways and Means Committee has announced decided opposition to tax reduction of more than \$304,000,000 due to the uncertainty of business conditions.

G. H. Jones was elected Chairman of the Board of the Standard Oil Company. He has been with the company 35 years beginning work as an office boy.

It is expected that all students purchase tickets and attend. It is not often that one has the opportunity, which is offered by this exhibit and it is hoped that all students will take advantage of it.

**COMPLIMENTS OF
WOOLWORTHS**

THE STUDENT GOVERNMENT ASSOCIATION

A meeting of the Student Government Association was held immediately after school opened. The purpose of this meeting was to set before all the incoming Juniors the various rules and privileges.

It was decided that each student should pay fifty cents a year for dues. This sum will go towards the Bloomsburg Hospital funds.

At the end of the meeting nominations were held for the election of officers. The following were elected: President Charlotte Morgan
Vice President Ruth Anthony
Treasurer Genevieve Kelly
Secretary Edna Berkheiser
Floor Supervisors Margaret Killiam, Blanche Herring, Margaret O'Brien, Helen Stapinsky, Lucille Kaufman.

These students will remain in office for the first semester.

HIGH SOCIETY STUFF

Last Wednesday evening the Dramatic Club enjoyed a theatre party at the Columbia theatre, where they were delightfully entertained by Harold Lloyd and his pranks in "The Freshman."

The Double Quartette, which featured on this program, gave special stunts and yells for the occasion of "Bloomsburg Night."

At the next meeting of the club, the picture was discussed from a dramatic standpoint.

MR. NELSON LEADS PARADE
Kitty McHugh Helped

Altho B. S. N. S. had a rather late start in giving a Hallowe'en dance, the lateness of the affair did not detract from the uniqueness and success.

The masqueraders were lacking in quantity but they made up for it in the quality of their costumes.

We had represented at the dance all kinds of characters from modest colonial maidens to devils, among which was included a black one who struck terror to the hearts of everyone.

Mr. Nelson was a very capable leader in the Grand March and with other members of the faculty, furnished much amusement for the spectators.

Prizes were won by Septa Thornton and Mrs. Lugg, the Colonial Maidens, Margaret Rice and Gladys Rohrbach, boy and girl and Flo Murray, the black but shy devil.

Alexander's Orchestra furnished music for the evening and provided a real treat to the many dancers.
