ELLY NEY MAKES GREAT IMPRESSION

Greatest Woman Pianist

Elly Ney played her way into the hearts of her audience last Friday night. It would sound trite to try to describe her wonderful playing; so much has been said already. She certainly lived up to her reputation.

Allegro risoluto (Fugue)

TAU PHI LAMBDA

Town Team Humbled

The strong Tau Phi Lambda five appeared on the floor of the Normal gym at seven thirty, Saturday night, ready for blood. They had a few stars out but they did not shine. They were given a pretty thoro scrubbing.

Our reserves were anxious to win their last game and leave a good impression on the crowd. Although they threw the ball away a few times and missed some pretty easy shots they got along fairly well and won by a score of 19-13. A feature of the game was the close guarding of the Bloomsgburg team.

The town boys had a pretty fast team but they tried to pull our boys out of their defense and then break. In this they failed. They sank some nice long shots, but not enough. Not a single under-the-basket score could they get.

The Tau Phi Lambda took the lead in the beginning of the game but at the very end of the half, Yozviak scored two fouls for Bloomsgburg, making the score 8-7 in favor of the Reserves. They came back into the game full of pep and immediately piled up an appreciable lead. Altho the T. P. L.'s tried hard to rally, our boys held.

The lineup and summary:

Mr. George Matthews was unanimously elected Editor-in-Chief of the Obiter Staff for next year. He seems to be a very competent young man and we hope he will prove it to the utmost.

BLOOMSBURG LOSES CLOSING GAME

Mansfield Shows Fast and Snappy Offense

On Saturday some of the members of the squad played their last game for Bloomsgburg. It's tough luck they lost. The whole team was off form in shooting and it was only on account of fighting spirit that the score wasn't different. A last quarter rally brought us within three points of the winners. But it came a little too late.

Captain Jenkins ended a three year brilliant course on the Normal floor. It will be a loss to the team when he doesn't appear next year. He and Sack, the veteran guard, the wily fox, frequently high scorer, are the only regular players who won't return. They are, however, a lot.

There were two Juniors playing Saturday, Garrity and McGrath. McGrath has had a sensational rise since the beginning of the year. He scored five field goals himself. Garrity has been good all year.

Mansfield had a pretty fast team and guarded closely. They seemed to gamble on fouling our men and count on missing his fouls. Four of their men went to the showers on personals. They were well prepared for that, having a full extra team with them. Their star was Brace, who sank six field goals.

Bloomsgburg took the lead early in the game and held it for a quarter when Mansfield came up from behind and led at half time 18-11. Mansfield had some lucky shots but Bloomsgburg was undaunted and the crowd cheered loudly and long.

In the second half the Bloomsgburg team piled up the large score but could not overcome the 7 point lead. They played an improved game. As three of our men were sent out on personals, all substitutes got a chance. They played well and probably should have been sent in sooner.

The spectators were anxious for Bloomsgburg to win their last game and cheered. They kept up their spirits, however, in the face of defeat. Mansfield had a few rooters here who added to the noise. In all it was a grand time.

The lineup and summary:

B. S. N. S.	M. S. N. S.
Jenkins	R. F. Brace
Garrity	L. F. Gamble
McGrath	C. Kellerman
Walsh	R. G. Kelly
Swinehart	L. G. Allis

Substitutions:—Bloomsgburg, Austin Hawkins, and VanBuskirk. Mansfield:—Lord, Clark, Lloyd and Danlbear.

H. S. TOURNAMENT PROMISES EXCITEMENT

Fifteen Strong Teams Entered

This morning, nine o'clock, marked the beginning of the fifth annual high school basketball tournament, staged by the Bloomsgburg Normal School. With a beginning of four teams it has grown to a group of sixteen teams. The teams whose applications are accepted are all from surrounding towns and many of our students have a personal interest in the teams. As a result of this there will be a great enthusiasm and excitement during the two weeks of the tournament.

The committees that are running this tournament are headed by the physical education department. The personnel of them is made up of students, in keeping with the ideals of this institution. Those on the committees should gain much profit from this work.

The actual games of the tournament are spread over two week ends March 12-13 and March 19-20. The first session will see the elimination games. The second session will see the final.

Handsome awards are given to those who earn them. The team winning first place in the tournament, will get the custody of the silver basketball for a year. This ball must be won three times for a permanent possession. Taylor High School has one leg on it. The members of the team winning this trophy receive gold basketballs. The team that is runner up receives a loving cup.

A new award is being offered this year which should be very desirable. This is a loving cup which is offered for best conduct and appearance. Conduct includes behaviour at the ho-

BETTER EVERY TIME

The chapel programs put on by the students are becoming excellent. Every day one may find a student on the platform. Monday the Seniors had a musical program which was very good. Arlene Frantz warbled a whistling solo and Laura Mann sang. It was very enjoyable.

On that day Laura Mann lead in the devotions. She seemed perfectly at ease. Florence Reese led the singing for the second time. She is becoming really expert. Dorothy Troy was at the piano. On Wednesday Everett Jamison did his stuff as leader. He was complimented by Dr. Riemer. Mary Bomboy swung the baton and showed she knew how. She had a real accompanist in James Bittenbender. Others are beginning to ask for permission to perform.

While making a few remarks on the chapel subject, Dr. Riemer said that he was well satisfied with the way in which chapel was conducted. He said he had no fears for the future spiritual welfare of Bloomsgburg Normal; that any fears he may have had were lulled to rest by the performance of the students.

Madame Elly Ney was an interested spectator of our exercises and she claimed that it was wonderful. We can well feel proud at her compliment as she has observed many others.

EDITORIAL

Many of the high school students that come here for the tournament, will see the Normal School for the first time. Many of them may intend to come here. But they see the school at a time when it is somewhat upset, with the presence of so many visitors.

The conduct of these people always gives the officials a serious problem. But often this problem is made heavier rather than lighter by some students. Let us wake up to show we may help.

Example is a powerful thing. Many a high school student will behave the best when he is shown the proper way. We, the students, can show him that way. Are we men and women enough to do it? It is but little.

Some of the students of the school have done a great thing by writing to these high schools and giving them an idea of what is to be expected of them. Your friends back home will follow you. Lead them!

ATHLETIC LEADERS

The Junior Girls have been voting for their Athletic Leaders this week. Each girl was entitled to vote for one candidate. The fifteen girls who receive the highest number of votes will take the place of the present Athletic Leaders, next year. These Athletic Leaders will take the roll in the Gymnasium classes and see that appropriate costumes are worn. Watch for initiation later on!

NEW GLEE CLUB ORGANIZED

Miss Patterson has organized a Senior Girls Glee Club which meets every Tuesday and Thursday. They will make their first appearance on March 16th at the B. S. N. S. Orchestra concert. We know anything Miss Patterson has charge of is sure to be good. The following girls compose the Executive Committee: Evelyn Bomboy, President, Marie Grier, Laverne Rees, Pearl Hagenbuch, Jessie Zimmerman and Helen Stackhouse.

NEW TYPE OF PLAY GIVEN

A very unique play was given before the Dramatic Club, last Thursday evening, in the form of a pantomime, called "The Marriage of Columbine." This was the first time such a play has been given this year and it proved to be quite successful.

Columbine, who was in love with Leander a poet, was the daughter of a rich wine merchant. A captain and a doctor also sought the hand of Columbine—but her father opposed them all. Columbine and Leander were very much in love, but could find no way by which they could win her father over. Then the clowns came to their rescue. They planned a duel between the Captain and the doctor. After the clowns had them out of the way they began planning a way to win the father. Finally they decided to hide Columbine and tell her father she was lost. Leander, of course, was the only suitor left to go in search of her. Her father offered him anything he desired if he would only find Columbine and return her safely to him. He did, and took as his reward, Columbine.

The cast Columbine, Hope Schalles; Father, Beatrice Englehard; Leander, Margaret Brogan; Captain, Hope Colley; Doctor, Jessica Tremble; the Clowns, Alice Burdon and Helen Jones. Music by Florence Williams.

ORCHESTRA CONCERT

On March 16th, the B. S. N. S. Orchestra will give their annual concert. Almost as soon as we had registered, Miss Harriet M. Moore, the directing genius of this organization, called for volunteers to make up an orchestra. The response was good and the members have been practicing faithfully ever since. We have heard them several times when they assisted at the production of "Cinderella" and at the Junior Play "Come Out of the Kitchen." Everyone remarked about their excellent work. Miss Patterson's Glee Club will also sing several numbers at this time. Be sure to come all you loyal students or you will miss one of the treats of the year.

MUSIC CLUB

A delightful program was given at the regular meeting of the Music Club last week.

VACANCY IN FACULTY FILLED

On Wednesday, March 10th, Miss Lucy McConnor arrived here to take Miss Drummond's place in the Physical Education Department. Miss McConnor comes here from Kansas City, Missouri. She has a Master of Arts degree in Physical Education from Columbia University. Mr. Nelson spent the afternoon showing her around. We extend a hearty welcome to her.

B. D. C. WINS

The Boy's Dormitory Club met and defeated the Berwick Y. M. C. A. in a pitched battle Tuesday night on the Berwick floor. Altho the "Y" took the lead early in the game they were unable to stand up before the slashing attack of the Dormitory men. The score was 40-37 at the end of the game. Bloomsburg was given one foul in each half.

Nick Vanbuskirk was the star of the evening. He was going like wildfire, shooting from every angle. In fact he was a shooting star. Not before this year, has he played as he played that night. To watch him makes one think of lightning.

Swinchart also shone. He scored more field goals than he had at any other time this year. The whole team played well, showing Berwick how to pass, cut, pivot and shoot.

As for Berwick, they weren't so bad. They have had a good record this year. One of our Bloomsburg students, Frank Clemens, was their star. He shows the effect of his environment.

The opening of the game showed the Bloomsburg team a little unaccustomed to the surroundings but they soon started. And when they started wild horses couldn't have stopped them. They soon forged ahead and stayed there.

For the B. D. C. Jenkins, Garrity, Walsh, Swinchart and VanBuskirk played. That sure is a mighty fine combination which is great to see in action.

BRIAND AGAIN

The political situation in France points to a ninth cabinet under Aristide Briand, should he care to accept the offer which the majority of those consulted by President Doumergue believe would be forthcoming.

COURT SESSION OPEN

With Judge Albert W. Johnson presiding, the March term of Federal criminal court for the Middle district of Pennsylvania opened at Scranton, Monday afternoon. More than 100 liquor law violators are to face the court this week.

EXIT LOBO

The howling of Lobo will be heard no more. Last week it became necessary to shoot one of the finest timber wolves ever seen in captivity. He had gone bad and would leap at Professor Keller, his owner, keeper, and trainer. All care and fondling had been of little avail. The wolf would be a wolf.

ELLY NEY STAYS HERE

Since her concert in the auditorium on Friday, Madame Elly Ney has spent the week in Bloomsburg resting. She has spent the days at the Normal School, practicing on our piano and visiting our scenes of activity. She has been much impressed. She attended the Glee Club practice and remarked that our girls have beautiful silvery voices and that all our girls were good looking.

While she has been here the students have become attached to her and will hate to see her leave. The Maroon and Gold wishes to express the school's pleasure at her presence and to invite her to come back soon. She is always welcome.

Sunday noon Madame Ney took dinner at the school and attended the after dinner coffee, where no coffee was served because every one was so absorbed in the music. Madame Ney volunteered a solo and she held her audience spellbound.

RURAL GROUP IN FIELD

The rural group has begun its practice teaching. For four weeks its members will be in the field, seeing and doing real teaching.

Professor Robbins will make the rounds for the purpose of supervision. On Saturday he will then meet these student teachers and their training teachers in conference at the Normal School.

JUNIOR CHAPEL

On Thursday, Chapel was led by Irene Benowitz. Claude Miller accompanied by Marian Pickett, rendered several very delightful violin solos.

LOCAL HAPPENINGS

Brief Mention Of People You Know

Last week the following State representatives were here: Mr. P. L. Cressman, at one time professor at this School, now in charge of the continuation schools of the State; Mr. Nugent and Mr. Coapman, from the Department of Labor and Industry, in charge of classification of employees, not instructional and Mr. Pierson, from the same Department, as a supervisor of construction.

At the after dinner coffee on Sunday, Miss Perner sang a beautiful song and Thalia Kitchen also contributed. It was a great time.

Supt. Evans, Miss John, and Mrs. Keller were on the program of the Anthracite Arts Association, which held its meeting at Sunbury.

Miss Ohl spent last Thursday at Wilkes-Barre.

Raymond Wertman, now teaching at Lime Ridge, called at the office a few days ago.

Dan Smith, '25, attended the game on Saturday.

The Latin class consists of two members, Margaret Emmitt and Blanche Herring.

Miss Lacey has gone home on account of the illness of her mother. She expects to come back as soon as possible. We hope she does.

Miss Conway has a dog! And what a dog! Its name is "Stubby."

SERIOUS WORK IN NORTH HALL

There is more work being done in North Hall than at any time this year. The reports of some of the men were not as good as they should have been. It is unfortunate that they allowed themselves to go under. It cannot be because of lack of warning. Three times each semester reports are made. Then comes the final statement. It is then too late to lock the stable door. The horse has already been stolen.

DR. WEST NEXT FRIDAY

Dr. West will speak to us next Friday on "The Size of our World." This will be his fourth and last talk this year. His talks have been very interesting and instructive. He spoke to us first on "The Age We Live In" then on "The Life We are Making" later on "For What We Exchange Life."

FRIDAY CHAPEL

Last Friday the Primary Department gave us a sample of their work. Due to the illness of many of the children, they were forced to drop part of their program. However what they did do was very interesting and probably when put in comparison with some of the work done by our students, would not have shown up so well for us.

RAILROAD MERGE

The Interstate Commerce Commission disapproves of the Van Sweringen plan providing for combining the Nickel Plate, Erie, Chesapeake and Ohio, Hocking Valley and the Pere Marquette railroads, because the proposed combination is opposed to sound public policy, especially with respect to the minority control under which it is said the merger would be placed.

SUIT AGAINST WARD

The Ward Food Products Corporation are to give up their voting power in a number of corporations and must discontinue interlocking directories.

ON OTHER CAMPUSES

The Snapper, Millersville State Normal—The music department of this school has grown fast during the year. Victrolas and classical music have been presented for use in the chapel, recreation rooms, Y. W. C. A. rooms, etc. A new piano bench has been presented for use. All the musical organizations, Glee Clubs, and Orchestras have been adding their list to the years program.

The Muhlenberg Weekly—Members of the Junior and Senior Classes of Muhlenberg will be given an opportunity to participate in the National Constitution Oratorical Contest to be held at Washington in the spring.

Green Stone—On Washington's Birthday, an old tradition held by West Chester was celebrated. The custom is that of having a reception in which students may talk with Martha and George Washington, witnessing an old fashioned minuet, singing old-fashioned songs and having a feast on turkey.

The "Green Stone" is conducting a short story contest in which \$30 will be given as prizes.

The Seniors conducted their prom in a most elaborate way. It was very successful.

The Montanomal—According to the Montanomal, John Hopkins University is importing 20 persons from the Himalaya mountains to be used in the study of evolution.

There were 65 students who made the honor roll at the State Normal College of Montana.

Normal Times—The first grade of the training school has been publishing a newspaper for the last couple of months. They furnish the information for the paper and draw their own pictures to illustrate it. The paper is usually hand printed with hectograph ink by a student teacher.

ELLY NEY TEACHES LESSON

Elly Ney's power of application is a lesson for us all. Day after day she applies herself to gain perfection in her art, and from four to five hours each day. Genius works that way and genius achieves wonders. The smaller type of man or woman use less wisely their time, their energy, their talents. And the result is that they achieve but little. They are the small fry.

CALL FOR LOBBY

There is a crying need here for a lobby. The seven hundred students have no place to go except their rooms, the campus and the corridors. There is a reception room at their disposal, twelve feet wide and about fifteen feet long. In this there is furniture enough to seat about eight persons. On Saturday it was pathetic to see visiting alumni forced to stand in the halls while calling on their friends. Let us hope that something will soon be done to remedy this deficiency.

FOLKS WE KNOW

Miss Marian Hart, '25, who is a teacher in Berwick, spent Saturday at her Alma Mater and witnessed the game in the evening.

Miss Margaret Fay, '25, who is a teacher in the Kingston schools, was a week end visitor with us.

Miss Bronwen Reese, class of '25, spent the week end with Miss Perner. Miss Reese is a teacher in the Kingston schools.

SCHOOL DANCE

Miss Conway has announced that there will be a big school dance on March 27th.

COLLEAGUES PUGNACIOUS

The following clipping was made from the Public Ledger of March 6. Some of our colleagues seem to be pugnacious.

West Chester, March 6. Three girl students were dismissed from the State Normal School here today and another has a black eye as a result of an argument after a party yesterday in which the four were involved.

Y. W. C. A. ELECTS OFFICERS

The Y. W. C. A. girls are busy electing their officers for the next year. The result of the first election is as follows:

President Katherine Gemmel
Vice-President Eleanor Kresge
Secretary Ruth Davies
Treasurer Thelma Carr

PASTOR FOR GRADUATING SERMON

Rev. H. Clay Bergstresser, pastor of the Trinity Lutheran Church of Hazleton, has consented to preach the graduating sermon this year. He is a very forceful minister. Since his arrival at Hazleton he has preached to a crowded church.

ORCHESTRA CONCERT

On Tuesday evening, March 16th, the B. S. N. S. Orchestra, under the direction of Miss Harriet M. Moore, will appear in Concert in the auditorium.

The Orchestra will be assisted by the Senior Girls Glee Club, a new organization, directed by Miss Patterson.

SCHOOL PARTY POSTPONED

On account of the basketball tournament of March 13, it has become necessary to postpone the school party until March 27th. This will be just before Easter vacation. A grand occasion is being promised. There are to be decorations under the direction of Mr. Keller. Alexander's Orchestra will play. All will appear in their best.

NORTH HALL HOME OF MEN

It is a pleasure to drop into North Hall. The dormitory is more nearly like home than it has ever been. Its halls are quiet and clean. The individual rooms are nicely kept. The lavatories are well cared for. In fact throughout the building there are signs of interest and pride on the part of the boys to have and keep things as they should be.

ECHO FROM GAME

The air was surcharged with excitement at the game last Saturday. It affected the students, the coaches, and the managers. One might ask, anyway, why get excited? No one means any harm.

CONVENTION OF TEACHERS

The Convention of the Northeastern District of the Pennsylvania Education Association will meet today and tomorrow in Wilkes-Barre. Several of our teachers are on the program.

ANOTHER POSTPONEMENT

We have scheduled for today the last lecture of the Lecture Course. Mr. Whiting Williams has asked that the engagement be postponed until Monday, April 12th. It is so.

CONCERT POSTPONED

Due to the illness of a number of members of the Girls Glee Club, under the direction of Miss Skinner, the concert that was to be held before the spring vacation will be postponed until after vacation.

SCHOOL ORCHESTRA

Judged by its program of last Friday, the School Orchestra is doing excellent work. Three years ago we had no orchestra. In fact, the belief was quite general that such an organization could not be developed here. Today we have an orchestra of thirty pieces, and it is rendering very good programs. We want to congratulate Miss Moore and her group on their achievement.

advising us that he has in constant use a rug, woven from strips of Hemingway suits that he'd worn out after years of service. And the rug is giving as much wear as the suits did.

The temptation to say something jocular about our "rugged clothing" is almost too great to resist, but as a matter of fact, there's no joke about the long-wear qualities of our suits and topcoats.

There are no better fabrics than those we use; no higher standards of workmanship than ours.

And if you're finicky about good style, you'll find plenty of that in 'em, too!
