## KANYUCK AGAIN IS STAR OF TRACK TEAM

### Robinson Runs Well In Distance Races.

Kanyuck showed some real stuff Saturday in the triangular track meet between Dickinson Seminary, Wyoming Seminary and Bloomsburg State Normal School. He is one of the best this school has ever had and has always been the biggest factor in our scoring power. Saturday, working under a handicap, he won two first places, one second, and one third for a total of fifteen points. It is remarkable.

One of the best marks made by members of our school in the high jump was made on Saturday by Kanyuck. He jumped 5 feet, 7 inches to win first place. He takes a beautiful jump with seemingly no effort. He also took first place in the broad jump.

On the whole Bloomsburg did well in the meet with what few entries we had. Robinson showed fight and speed when he came from second place to win the mile race. He also turned in points for winning second place in the half mile run. He was some off form in this race, however.

Hayes, of Dickinson Seminary, showed himself to be an all around athlete by winning four first places. He won the hundred yard dash, the discus throw, the javelin throw and the shot put.

The meet was good from both entry and spectacular standpoint.

The summaries:

#### Track Events

120 yards low hurdles—McQuigan, Wyoming, first; Kanyuck, Normal, second; Geigle, Dickinson, third. Time—14 seconds.

1 mile run—Robinson, Bloomsburg, second; Geigle, Dickinson; Gallagher, Wyoming, third; McClain, Dickinson, fourth. Time—4:48.

100 yards dash—Hayes, Dickinson, first; Sorber, Bloomsburg, second; Tressler, Wyoming, third; Davis, of Bloomsburg, fourth. Time—10:3.

440 yards dash—Tressler, Wyoming, first; Lyndemuth, Dickinson, second; Dogle Wyoming, third; Davis, Bloomsburg, fourth. Time—54.2.

220 yards low hurdles—Starbird, Wyoming, first; Griffiths, Dickinson, second; Kanyuck, Bloomsburg, third; Geigle, Dickinson, fourth. Time 29.5

880 yards run—Dougher, Wyoming, first; Robinson, Bloomsburg, second; Watters, Wyoming, third; Taylor, Dickinson, fourth. Time—2:19.3

220 yards dash—Tressler, Wyoming, first; Sorber, Bloomsburg, second; Rice, Wyoming, third; Jones, Bloomsburg, fourth. Time—24.3.

4-5 mile relay—Wyoming, first; Dickinson, second; Bloomsburg, 3rd.

#### Field Events

Broad jump—Kanyuck, Bloomsburg, first, 19 feet, 8 inches; Rotski, Wyoming, second, 18 feet, 8 1-2 inches; Johns, Bloomsburg, third, 17 feet, 7 inches; Faust, Wyoming, 4th, 16 feet, 6 inches.

Discus throw—Hayes, Dickinson, first, 111 feet, 6 inches; Williams, Wyoming, second, 111 feet, 3 inches; Griffith, Dickinson, third, 110 feet 7 inches; Austin Bloomsburg, fourth

—Continued on Page Four

## MANSFIELD WINS ON HOME FIELD

### McGrath Stars With Three Hits

Up to this time McGrath has been rather an unknown quantity as far as baseball in concerned, but last Friday he showed some real stuff and wrapped his bat around the old ball three times. Two doubles and a triple go down in the book to his credit. He also plays a nice game on the hot comers.

The ever smiling and champion kidder, Red Garrity, is coming into his own again. He is considered our best outfielder. He covers an awful amount of ground and catches seemingly impossible flies. Since the last Wyoming game he hasn't hit much but Friday, he came through with a double and a single.

The game was one of the most interesting in which our fellows have played this year. The outcome was dubious until the Bloomsburg team had its last time at bat. It was an unlucky sixth inning that spoiled the game after our men seemingly had it on ice. Much better baseball was played in this game than they played before. Only two errors were committed and they under peculiar conditions.

The game started out big for Mansfield when their pitcher, Sorber, struck out our first four men at bat. Things looked glum for us till we hit our big inning, the third. We rolled up five scores and knocked the opposing pitcher from the box. Garelo, Mansfield catcher, went on the mound and Sorber donned the mask. This is an entirely self supporting battery.

This is the story of that great third inning. Roan and Kane singled, Bradshaw went out second to first with the runners advancing. Roan scored on a fielder's choice. Yarashewski sent Kane over the plate when he singled. McGrath cleared the bases with a double and scored on Garrity's double. Rushin struck out.

The trip in a motor-bus without pullman accommodations was rather gruelling and may be responsible for the lost game. However, the men played one of their best games for the year and the loss is not by any means a life and death matter.

Mansfield has a nice school and a nice diamond was provided to play on. But, it is the general consensus of opinion that Bloomsburg is the best place. The whole team was glad to get back and a chance to stretch was welcomed after the ride.

The summary:

BLOOMSBURG NORMAL

## SENIORS PRESENT UN-SURPASSED VAUDEVILLE

### Mysterious Quartette To Make Second Appearance.

Tonight the cream of the graduating class will be presented to the world in a high class vaudeville by the Senior Class of the Bloomsburg State Normal School. Prospectors were sent out from one person to another in an effort to find the best there was to be found in the class. The committee is pretty well satisfied with the conglomeration of acts.

Picture the scene: a full house, a Broadway orchestra in the pit; and accomplished actors on the stage. What more could the most fastidious theatre goer want, surrounded by beautiful women, handsome men, the latest in clothes. It reminds one of the city and all its wonders.

One of the features of this performance will be the great and wonderful "Mysterious Quartette". Once before they have appeared in public and once before the question of their identity flew from lip to lip. They may be revealed. Don't miss the chance to solve the great mystery.

The committee engineering this performance is headed by Fannie Hilbert. Discrimination and judgement has been shown in selecting the acts and much can be promised. So at 8:15 in the auditorium, will sit those who paid twenty-five cents to see the performance of the ages. Dig down deep for those quarters.

## WYOMING AND TENNIS TOMORROW

### Normal Team To Start New Sport

A new team has been organized among the men of the institution. This team, the varsity tennis team, will go to Wyoming tomorrow and play a match at 8:30 in the morning. Some of our early birds should be present at the event.

With constant playing some of our members have become quite proficient in the old game and they desired to show their ability. Two matches were arranged with Wyoming forthwith. Tomorrow is the first and the second will be played here May 29th.

The team consists of Robert Sutliff, Ben Lewis, Everett Jameison and Gilbert Morgans.

Ackley, cf	0	0	0	0	0
Worthington, cf	0	1	1	0	0
Garelo, c, p.	0	1	5	1	0
Sorber, p. c.	1	0	6	0	0

Totals . . . . . 8 11 27 10 1

Score by innings:

Bloomsburg . . . . . 0 0 5 0 0 0 1 0—6

Mansfield . . . . . 2 0 2 0 1 3 0 0 x—8

Summary—Sacrifice hit, Barnity. Two base hits, McGrath 2, Garrity. Three base hit, McGrath. Stolen bases, Bradshaw, Garrity, Kelley 2. Base on balls, off Roan 3, off Sorber 1. Struck out, by Garelo 6, by Sorber 5, by Roan 3. Passed ball, Sorber. Umpire Brace.

## QUARTETTE BEFORE THE NATION

### Wilkes-Barre Extends Second Invitation

The double mixed and double male quartettes broadcasted from WBRE, Wilkes-Barre last Sunday evening. Listeners-in were given one hour and fifteen minutes of excellent musical entertainment. The group received many calls for repetitions of several of their numbers.

The trip was made in machines furnished and driven by Dr. G. C. L. Riemer and Miss Eleanor Letterman.

Dr. Riemer gave an excellent talk on the development of music here and cited many reasons why such time, money, etc., pays. He spoke of student leadership in chapel, as a means of preparing graduates for work of a similar nature in future life. He stated that music has been the means of bringing out many unrecognized talents among children. In his conclusion, he thanked the radio fans for the response given to the program furnished.

Those in charge of WBRE asked for a return engagement and with the consent of Dr. Riemer the request was granted. The group will again broadcast from the same station May 30th.

#### Program

I.  
Paen to Summer . . . . . Von Suffe.  
The Fairies . . . . . Cadman  
Sunrise and You . . . . . Penn  
Invitation of the Bells . . . . . Planquette  
Double Mixed

II.  
Solo . . . . . Miss A. J. Perner

III.  
Song of the Deep Blue Sea . . . . . Wilser  
O Sole Mi . . . . . De Capara  
Annie Rooney . . . . . Selected  
Double Male Quartette

IV.  
Piano Solo . . . . . James Bittenbender

V.  
The Violets' Fate . . . . . Obt  
Tell me not of a lovely lass Forsythe  
Hours of Dreaming . . . . . Schubert  
Double Mixed Quartette

VI.  
Soldiers Chorus (Faust) . . . . . Gounod  
Nut Brown Maiden . . . . . College Song  
Double Male Quartette

VII.  
Address . . . . . Dr. Riemer

VIII.  
When the banjo plays . . . . . Wilson  
Alma Mater

#### Ensemble

## STUPENDOUS SPECTACLE

### Miss Kulp's Classes Present Puppet Show

Miss Kulp's Juvenile Literature Classes presented a second show to the Seniors at their Wednesday Chapel exercises. This second show was of a mammoth character, requiring an arena for its presentation.

Being clever, however, the members of the class reduced the size of actors, castles, trees, bears, everything except mice. The scene was pretty and the story was interesting. The story was of Puss in Boots and served to make vivid in the minds of young and old. All enjoyed it from Janell down to Morgan.

This device intended for aid in primary teaching and should make a tremendous success as put on here.

"The News about you, of you, written for you."

**FEATHER'S BUSINESS**

**PHILOSOPHY**

Mr. William Feather has again dropped a grain or two of philosophy worthy of note:

"Being democratic is not being careless and disorderly."

"A mean lie travels faster than a pleasant truth."

"A man who knows a little more than the average has a bulge on other men out of all proportion to the difference in ability."

Gems of thought like the above are often to be found in the Business Section of the Public Ledger.

**MATERIAL FORCES VS**

**SPIRITUAL FORCES**

Recently Dr. Riemer spoke of the inconsistency of the use of force in modern life when the teachings of Christ received only the most meagre attention. It is interesting to quote the following words of President Coolidge. They have a like import.

"We cannot place our main reliance upon material forces. We must reaffirm and reinforce our ancient faith in truth and justice, in charity and tolerance. We must make our supreme commitment to the everlasting spiritual forces of life. We must mobilize the conscience of mankind."—Coolidge.

**FACULTY CHEERS KIWANIS**

The Faculty team was out with all their suits on ready to wreak dire injuries on the assembled Kiwanians. Rain came and ended the hilarity. The audience was cheated out of a good game.

The Faculty looked good in their suits. In fact they looked like a major league team come down to play an exhibition. They surely would have won if they had played.

**WILL SERVE YOUTH BEST BY WORTHY EXAMPLE**

At the meeting of the Department of Superintendence which was held in Washington last February, the paragraph below appeared among the resolutions passed by the superintendents. The resolution shows why our Faculty is composed of such a high type of men and women, physically, mentally and morally; and, at the same time, it gives us prospective teachers an excellent idea of the great opportunity of service to the coming generations that is beckoning at our doors. The resolution runs as follows:

"In an age more complex and intricate than any other the world has ever known, in a country of unparalleled prosperity, the problem of personal adjustment to social, civic and economic environment is not easy. To a generation of youth facing such complexity the difficulty is great indeed. It is a tribute to young America that in making this adjustment so many succeed and so few fail. We bear our tribute to the essential cleanness, the intellectual straightness, the frank courage, and the decent idealism of American young manhood and young womanhood. The greatest obligation we, an adult generation, owe is the obligation we owe to them. In developing those characteristics of personality and citizenship which we desire for our civilization, such as obedience to law, respect for government, and tolerance, all American adults will serve youth best by themselves setting those examples which they desire youth to follow."

**NEW LIFE IN DEPARTMENT OF PHYSICAL EDUCATION**

New life and vitality are noticeable in the Department of Physical Education. Never in the history of the School have so many different students taken part in such a large variety of events as is the case this Spring. The girls play tennis quite generally. They play baseball with their indoor baseball. In addition they play a great number of outdoor games. The boys are all active in tennis, on the baseball diamond or in field and track sports. Such activity is highly commendable. It is bringing to pass the dreams and wishes of those interested in the welfare of athletics and sports.

**MRS. PINCHOT SPEAKS TO STUDENTS**

On Thursday, May 13, Mrs. Pinchot spoke to the students in the auditorium. She made a strong and striking appeal for the election of her husband. The speech was short but to the point. At the end of the exercise the students sang the Alma Mater in her honor.

**COMMITTEE TO REVIEW NORMAL SCHOOLS**

A committee has been appointed by the Council of Education, consisting of members of the Council and the Department of Public Instruction, to review the applications of the Normal Schools of Pennsylvania for authority to grant degrees. This means, of course, that our application will also receive attention soon.

**MEMBERS OF DRAMATIC CLUB PRESENT PLAY**

**Ray Hawkins Has Star Role**

The play presented in Dramatic Club Wednesday was a good comedy. The club thoroly enjoyed it.

The members of the cast were: Ray Hawkins, Red Garrity, Peg Rice, Mildred Kelly, and Dee Delaney. Lots of laughs were had by all.

The manner of presentation shows the object of the club—to learn how. Manuscripts are used and suggestive stage sets. The members of the club have learned to imagine themselves in a theatre.

**SCHOOL JOINS ASSOCIATION**

The School has just taken out membership in a new association. It is called the Associated Undergraduate Press, the membership of which is limited to educational institutions.

This association has been organized by a group of college graduates who felt the need for assistance and cooperative advice, to render the best possible service. It is not sponsored by a college or university as a publicity feature. It functions on its own merits entirely.

Payment of the annual dues entitles the member school to the complete service offered by the association, the monthly magazine, as well as the personal service of the staff on matters covering all phases of the student publication problems.

The official publication of the association is an attractively built magazine. It covers all phases of annual, newspaper and humor magazine publications as edited by the members of the association. Successful professional writers, editors, etc. present their views from time to time.

Personal service by the staff of the association is available at all times. Any problem may be presented to the staff. All questions, in so far as possible, are answered by return mail.

One copy of the Undergraduate Press is mailed to each recognized publication at the member school. This would be to the Obitier and to the Maroon and Gold. In return, each member school places the Undergraduate Press on the exchange list of each publication.

The headquarters of the association are located at East Lansing, Mich.

**ONE MORE CHANCE AT WYOMING**

**Kingston Will Be The . . . Scene Of Battle**

Since Wyoming beat our team so easily some weeks ago the men on our team have determined to come through this Saturday like a shell thru a paper wall. Why not? Our team is working better together now than they were then and they comprise one of the best hitting clubs ever in this school. The days of the outfield is past, never to be recalled.

The team has had indifferent success in its games, winning one out of three, but Wyoming is a magic word and a contest against Wyoming means the highest playing ability slumbering in the team members make-up. Go get em' gang!

Joe Kane assures the school that his team is in the best possible shape and they know all the coach can tell them. Kane is playing his old time game and can be depended on to hit and field to perfection Saturday.

That tower of strength, Austin, perched on the initial sack is at his height and is ready to use his wit in talking Wyoming out of the game and using his playing ability in playing them out of it. He and Garrity shine in both these departments of the game.

The absence of Yarashefski leaves a vacancy at second base which has not as yet been definitely filled. The material, however, is adequate.

Quite a delegation will follow the team to Kingston Saturday and the game should come our way.

**LOCAL HAPPENINGS**

**Brief Mention Of People You Know**

Bugs Adams '24, was a visitor at the Hill during the week end.

The Board of Trustees is planning to meet on Monday next.

Mr. Rorem spent Monday at Lebanon.

Miss Nelle Moore and Miss Hayden visited the schools of Hazleton last week.

Superintendent Houck of Berwick, called on Mr. Rhodes relative to teachers for Berwick.

Miss Lee has taken in four roomers. Her hospitality is greatly appreciated.

The local High School is practicing from six to nine in the evening in preparation for its Senior Play.

The question of flooring is receiving more attention than any other detail of the repair work.

Mr. Hausknecht drove to his parents' home near Williamsport on Saturday.

Dr. Riemer is at Harrisburg today to attend a meeting of the Board of Normal School Principals.

Mr. Keller is taking advanced work at Bucknell University every Saturday.

Miss Maupin and Miss Mason were patronesses at the Mu Phi Sigma party.

Miss Gertrude Andrews and Miss Elizabeth Eves attended the Mu Phi Sigma dance.

Miss Conway drove to Nanticoke on Thursday. On Tuesday she took dinner with friends from Nanticoke at the Hotel Magee.

There was a shift of tables last week. Since that time there have developed many new acquaintances and friendships.

The house on the corner of Third and Wood streets is being repaired and repapered. Soon it will be ready to receive some of the help.

Miss Saxman called on Miss McCannon on Tuesday and Wednesday. She had just taken her doctor's degree in physical education.

Invitations to commencement are coming to the administration office from many schools throughout the State.

The certificates for the graduates in June have arrived, duly signed by Supt. Francis B. Haas. They will now be signed by Dr. Riemer.

The rain on Wednesday was welcome altho it did interfere with the game between the Faculty and the Kiwanis.

Mr. Schoch, President of the Board of Trustees, is at Atlantic City.

Miss Harriet Moore went to Bethlehem on Saturday to hear the Bach Choir.

The budget for the year 1926-27 was prepared by Mr. Hausknecht and sent to the Department last Friday. It costs about a million dollars to run this School during a biennium.

The finest and most comfortable place about our School is the Library. Much has been done for it and is constantly being done. Much of its efficiency, however, is due to the three librarians.

There is a difference in the cost of articles of the supply room this year over what it was last year. The school is buying its goods to better advantage. This makes it possible for the students to enjoy the benefit of lower prices.

It looks as though every student in the School owned a racquet. If this enthusiasm for tennis continues additional courts will be needed.

Light Street road has been tarred

**THE MU PHIS STEP OUT**

**Beautiful Dance Given To Friends**

The second annual dance of the Mu Phi Sigma was held Saturday night, May 15th, in the school gymnasium. This dance was one of the best dances of the school year and the most delightful event the sorority has ever had.

The gymnasium was attractively decorated with the sorority colors of red and white, the center decoration being of red balloons with streamers radiating to the balcony of the gymnasium.

The music was furnished by Alexander's Orchestra of nine pieces and punch was served to the dancers during the evening. Miss Pearl Mason and Miss Nelle Maupin, sorority advisors were, chaperones and Dr. and Mrs. G. C. L. Riemer were honor guests. Everyone reports having had a wonderful time.

**CHARTER OF SCHOOL**

The original charter of our Normal School was granted by the Court of Columbia County on March 23, 1857. Later it was altered and amended. According to the records, this was done on May 3, 1909. At first our School was called the Bloomsburg Literary Institute. Later it was called the Bloomsburg Literary Institute and State Normal School of the Sixth District. In 1916 our School was taken over by the State and was then known as the Bloomsburg State Normal School.

According to Article IX of the charter the purpose of the institution was the professional training of young men and women as teachers for the common schools of the State leading to the degree of Bachelor of Pedagogics, and the instruction of students in thorough college preparatory work commercial and business courses, and in science, music and the arts, and other educational courses.

In 1920 the Normal Schools of Pennsylvania were completely reorganized. Subsequent to that date they have been used only for the training of teachers. The teaching was all put on a college basis. High school instruction was eliminated as rapidly as possible. At present no such instruction is being offered. In place of the degree of Bachelor of Pedagogics the Normal Schools will soon grant the degree of Bachelor of Science in Education. This will doubtless be in the near future, for preliminary steps with this end in view are now being taken.

**ATHLETIC LEADERS MEETING**

At the regular meeting Monday, May 10, officers for the coming year were elected. Miss Verna Mealey succeeds Miss Jessie Zimmerman as president and Miss Margaret Healy succeeds Miss Marie Grier as secretary. A strong program for the coming year is being worked out. This organization is becoming one of the most active school societies and it would be well to watch what they are doing.

and oiled. This checks hiking in that direction to some extent. Soon, however, the road will be all the better.

The local hospital had excellent commencement exercises in our auditorium on Tuesday evening. After these exercises they held a reception in our gymnasium. Refreshments were served to a large gathering. The decorations in the auditorium as well as in the gymnasium were very attractive. There was a graduating class of ten nurses.

**REPAIR WORK ADVANCES**

The repair work is making progress. Five rooms have been remodeled and turned back into the hands of the students. The new stack is up. The top of the old one has been mended. Several openings have been cut into the wall between the kitchen and the dining room. Two new sets of double doors have been hung. Three new closets have been added to the convenience of Miss Ward for the storage of dishes and linen. One of the dish washing rooms for glasses and silverware has disappeared. Old openings for doors and windows have been walled up. Steam fittings have been torn out. Others have been installed. The second fire tower is being built. Its three walls of tile will probably be up in a week or ten days. The transformer vault is being moved. A substitute for it has been erected. This all means work and spells progress. The gratifying thing about it all is that everyone is accepting the changes with the best of spirit.

**DEGREE GRANTING PRIVILEGE**

Application blanks to the Council of Education for the privilege of granting degrees have reached the Principal's office. They will be filled out as soon as possible, for the School feels justified in making application for the privilege of granting degrees. As soon as this privilege is granted a fourth year will be added and the School will be changed into a Teachers College.

**COMPLETION OF LOCAL HIGH SCHOOL**

It may be impossible to complete the local high school building until about November 1st. This will make it necessary for the high school pupils to use the normal school buildings for a few weeks next fall. This School will again do what it can to help the boys and girls of Bloomsburg continue their work.

**EXCHANGES**

Oshkosh Normal Advance—The high schools of their district are holding an oratorical contest at Oshkosh Normal, Wis.

The Argus—An Art Club has recently been organized at Harrisburg High School. They are now busily engaged, in doing scarf and china painting, leather tooling and block printing. It is well on its way toward the accomplishment of its purpose.

Muhlenberg Weekly—Dr. W. C. Troxell, X-ray specialist at the Allentown Hospital, gave a vocational talk on the modern application of the X-ray. He gave some very interesting and helpful uses of this wonderful invention.

Prohibition is not a failure according to Rev. Dr. Bieber, an alumnus of Muhlenberg College. He says that prohibition cannot be a failure because its real worth cannot be proved in the short period of six years. Read his article for more information in the Muhlenberg Weekly for May 5.

The Green Stone—Two Chinese students addressed the Chapel Assembly at West Chester. Mr. P. T. Chen and Mr. K. C. Wu are doing work in the graduate school at Princeton. Their message was to teach friendship among the nations in our schools, don't judge before you make a study and do unto others as you would have them do unto you. They left with the appeal "Is Young China to plead in vain?"

West Chester held their Junior Prom last Friday night.

Slippery Rocket—A contribution to the exhibit of American colleges, which is held yearly at Carnegie Library is being made by Slippery Rock. The exhibit includes pictures, year books, catalogues, student publications and other interesting things in connection with the school.

**ARRANGEMENT WITH LOCAL SCHOOL BOARD**

Arrangements with the local School Board for student teaching purposes were made at their meeting last Friday evening. Next year student teachers will have access to every grade in the town from one to nine inclusive. This affords our School enviable training facilities, the like of which are hard to find anywhere in the country. With the cooperation of School and Town this Normal School is looking forward to a very bright future.

**EVENTUALLY!**

—and because you must do it eventually—and because the longer you wait the older you grow—therefore do it

**KANYUCK AGAIN IS STAR OF TRACK TEAM**

**Robinson Runs Well In Distance Races**

—Continued from front page  
98 feet, 8 inches.

Javelin throw—Hayes, Dickinson, first, 146 feet; Derk, Dickinson, second, 134 feet, 8 inches; Griffiths, Dickinson, third, 127 feet, 3 inches; Carson, Wyoming, fourth, 124 feet, 8 inches.

Shot put—Hayes, Dickinson, first, 45 feet, 2 inches; Corson, Wyoming, second, 42 feet, 6 inches; Rushin, Bloomsburg, third, 39 feet, 11 inches; Williams, Wyoming, fourth, 39 feet, 2 inches.

Pole Vault—Patoski, Wyoming, first, 9 feet, 4 inches; Joseph, Dickinson, second, 9 feet; Austin, Bloomsburg, third, 8 feet, 9 inches; Shea, fourth, 8 feet, 6 inches.

High jump—Kanyuck, Bloomsburg, first, 5 feet, 7 inches; Patoski, Wyoming, second, 5 feet, 6 inches; Alger and McQuiggan, third, 5 feet, 5 inches.

Walsh, Nelson and Brace had charge of track events with Reams, Satliff, Swartz and Luddington the judges of the finish and Thomas, Jenkins, Jamieson and Smith judges on the curves.

Keil, Garrity and McGrath had charge of the field events.

**ALTON B. PARKER DIES**

Alton B. Parker, the standard bearer of the Democratic Party against Theodore Roosevelt in the Presidential race of 1904, died on May 10. He rose from the obscurity of a youth spent on a New York State farm, to the position of Judge and presidential candidate.

**SUMMER SESSION ENROLLMENT**

The enrollment for the summer session is growing very rapidly. The indications at present are that the summer session will be at least as large this year as it was last. A good many young men are registering. It looks as though North Hall would be full.

**MR. ROREM ELECTED SUP'T OF LEBANON**

Mr. Rorem has been elected to the superintendency of the schools of Lebanon. Lebanon is a town of about 25,000 population. It is the county seat of Lebanon County, which lies east of Harrisburg. We are sure that Mr. Rorem will fill his new position in a very creditable manner. He has our best wishes.

**RELIGIOUS INSTRUCTION FOR SCHOOL CHILDREN**

The following quotation from School Life of April shows what one town is doing to meet the needs of the children in religious education: "More than 9,000 children from 23 public schools of Dayton, Ohio, receive instruction in week-day schools of religious education. Since its inception four years ago the movement has grown rapidly, and in the 18 centers maintained in the city, 4,441 children are enrolled; and in the 17 county centers 4,774 are enrolled. The work is under the direction of a supervisor and 14 full-time teachers, all of whom have had special training for their work."

**SUGGESTION BOX**

It has been suggested that the School put up a Suggestion Box for contributions by students and teachers for the improvement and betterment of the School. The idea is a good one. It is often true that one and the same head, helped and supported by a number of other heads, is more efficient and effective than that one head could possibly be by itself. The Maroon and Gold is looking forward to the time when it will be able to announce the where and when of such a box.

**PICNIC AND FIELD DAY**

The picnic lunch is to come off on Tuesday, May 25th. The banquet and field day is scheduled for Thursday, May 27th. Let us hope and pray that the rain for which we are all longing, will come in between these days and not on them.

**APPRECIATION FROM SUNDAY INDEPENDENT**

Mr. Morgan Llewellyn, of the Wilkes-Barre Independent, sent to Miss Conway the following appreciation of the concert of our quartets at Wilkes-Barre on Sunday.

"I appreciated the concert rendered by the students on Sunday night last at Wilkes-Barre. Dr. Riemer's address was opportune and appropriate."

**"THE MERRY WIDOW"**

We've a letter from a friend advising us that he has in constant use a rug, woven from strips of Hemingway suits that he'd worn out after years of service. And the rug is giving as much wear as the suits did.

The temptation to say something jocular about our "rugged clothing" is almost too great to resist, but as a matter of fact, there's no joke about the long-wear qualities of our suits and topcoats.

There are no better fabrics than those we use; no higher standards of workmanship than ours.

And if you're finicky about good style, you'll find plenty of that in 'em, too!
