

**FRIDAY
CHAPEL VERY
INTERESTING**

**Mr. Fenstemaker Takes Charge
and Delivers Talk on
"Paris."**

Paris! Surely we know a great deal more about that famous French city after hearing Mr. Fenstemaker talk in Friday chapel.

Mr. Fenstemaker had been in the World War and during that time spent eight months in Paris. He said that at first the city is disappointing but the longer you stay the better you like it. Then he proceeded to prove his point by realistic description accompanied by excellent slides which portrayed many beautiful scenes in Paris.

The pictures were chiefly taken on the famous Paris boulevards. First was a picture of the historic prison, the Bastille. Then we come to the Square of the Republic. Another interesting scene was of a Boulevard Cafe. Unlike our custom to lounge within the French people spend leisure time in chairs all along the sidewalk. Here they sit drinking while viewing the passers-by.

Next we got a view of a Paris skyline. There were no towering skyscrapers, only buildings a few stories high as the French do not think a zig zag skyline artistic. Now we come to a scene which Mr. Fenstemaker described as a "symphony of odors"—the Paris Market Place. Here, people with large baskets come to buy food of all kinds. A very interesting view of the city could then be seen from the river Seine.

To those of us who admire great theatres, the picture of the extensive Opera House was very fascinating. It is said to occupy more ground space than any theatre of its kind. The front is decorated by groups of statuary. Mr. Fenstemaker described the interior as "gorgeous," indeed a fitting word. A magnificent ballroom runs across the front of the theatre. Between acts it is the custom of the French people to leave, seeking refreshments. At a certain signal they return before the curtain goes up again. Among the slides were views of wonderful Cathedrals decorated with sculpture and one with Gothic architecture. There were also pictures of large hotels.

Scattered here and there on several of the photos were groups of American soldiers because at the time the pictures were taken American soldiers were scattered throughout the city.

We can thank Mr. Fenstemaker for giving us an insight into that great French metropolis—Paris. To us he gave an interesting hour of travel, carrying us to places that many of us long to some day visit. Our only regret is that he couldn't take us farther.

**CONCERT
HELD LAST
FRIDAY**

**Given in Auditorium by Jerome
Swinford. Has Splendid
Voice.**

The concert given in the auditorium last Friday night by Jerome Swinford proved to be all that the press agents said it would be.

One of the outstanding qualities of Mr. Swinford's voice is his excellent diction, something not found in many of our great artists. As has been said, "his splendid voice has the mellow richness of a genuine bass—finely schooled—sings with finish of phrasing, a full throated, effort less production, a mastery of the subtleties of expression that make singing an artistic delight." "He has lost none of the vitality and magnetism that marked his earlier appearances and has gained not alone in style but in the quality of his voice, which is now a splendid instrument, vibrant and powerful, but well controlled." "The something from within that makes a song a vital thing." "A cultured, finished artist, with tranquil ease and the assurance of a John McCormick." "All satisfying to the most exacting listener."

More than these above reasons tell us of Mr. Swinford's capable musicianship. A few of this season's important engagements will prove still further.

Mr. Swinford will appear in New York with the New York Sympathy Orchestra; again at the Metropolitan Opera House as soloist with the University Glee Club.

He will appear at Hotel Roosevelt Artist series.

The various other cities as Chicago, Kansas City, Minneapolis, Buffalo, Detroit, Providence, Norfolk, are only a very few of the cities in which Mr. Swinford will return on a re-engagement. Some of the eastern colleges and universities at which Mr. Swinford has sung one or more times are:

- Yale—Brown.
- Princeton—Alabama.
- Coker—New York University.
- University of North Carolina.
- University of South Carolina.
- University of Florida.
- Florida College for Women.
- Hampton Institute.

The following program was given with a few exceptional changes:

**NORMAL
LOSES TO
SHIPPENSBURG**

**Tie Score in Ninth Inning But Two
Errors in Tenth Prove
Fatal.**

Two errors on fly balls in the tenth inning paved the way for a single to bring victory to Cumberland Valley State Normal at Shippensburg Saturday and the season's record for the Maroon and Gold tossers was marred for the first time. Four victories preceded the extra inning defeat.

The game hinged largely around the breaks and things broke badly for the visitors in the last half of the tenth. The first man up for Shippensburg was thrown out at first by Wilson. The next man lifted a fly which Rushin dropped. It was a two base muff. Gray then lifted a fly to Wadas which he muffed. With men on first and third, Gray stole second. Wineland came through with a single that scored the winning run.

Eyans, big right hander, who went to the mound in the ninth after Roan had been taken out in favor of a pinch hitter, was doing the hurling and was credited with defeat, although it was no fault of his.

The defeat came after Bloomsburg had staged a rally in the ninth to score three runs and tie the score. Bloomsburg played good ball but those two errors in the tenth undid all of the good playing in the earlier rounds.

Shippensburg scored one in the first when Mentzer opened with a single to center. Elerle fanned. Mentzer scored on White's double to left. Bashore fanned and Fenstemacher popped to Wilson. Shippensburg got another in the third. Mentzer started the fire works. He singled to left, stole second and went to third on Elerle's sacrifice. He scored on an infield out.

Bloomsburg tied the score with two in the fourth. Wadas walked and went to second on Bradshaw's bunt. McGrath was given a base on balls. Rushin advanced the runners on an infield out and then Garrity cleaned the bases with a double.

Shippensburg took the lead in the sixth when they got to Roan for two hits and a base on balls. An infield error also paved the way for scoring.

**MATCHES
WERE HOTLY
CONTESTED**

**Tennis Team Defeats Catawissa
Young Men's Club Last
Saturday.**

Bloomsburg's Maroon and Gold racket wielders took the representatives of the Catawissa Young Men's Club into camp on Saturday. The match was held on our courts and got under way at 2:00 P. M. The games were evenly contested, the final score of the match being 4 to 2 in favor of our boys.

It was an excellent showing for Bloomsburg's initial meet and our boys showed excellent form against the visitors, displaying more or less skill.

The singles were first. Initial meet on the calendar was between Hartman, Catawissa ace, and Ruck. Although Ruck lost the singles, he showed real ability and much skill in placing the ball. Although he was beaten in points, the moral victory belonged to him. He kept Hartman, who is the fastest man on the Catawissa team, guessing all the time, and took the third set by a love score. It was hard to determine the victor as Ruck kept Hartman from being sure of his ground. Many of the contests were deuce games before the winner was determined.

Jameison easily defeated Fisher of Catawissa. "Jamie" started out with a rush and broke through Fisher's game, and from that point on there never was any doubt as to the winner. The match was played in quick time.

Gallagher rather easily defeated Liptzer. "Bernie" took the first two sets without any difficulty, however, later on, Liptzer settled down to hard playing and made a last stand in the third set, which forced Gallagher to the limits, although "Bernie" copped the set by a 7-5 margin.

The last of the single matches was between Jenkins and Fleming. This match was hotly contested from beginning to end, taking five sets to determine the winner. Jenkins forced the Catawissa wielder to drop his colors in defeat, only after a tough battle.

Jenkins got away on a flying start by taking the first set 6 to 1. Fleming showed better form in the next set and took it by a 7-5 margin. The rally was short lived, however, for Jenkins easily defeated him in a love set, following his victorious one. Fleming again staged a similar rally and managed to annex the fourth set by a score of 8 to 6. This evened it at two all. Jenkins managed to halt the Catawissa player's advance and took the fifth set, 6 to 2. This completed the singles, with Bloomsburg taking 3 out of 4.

The doubles then got under way. Ruck and Fortner represented Normal in a match against Liptzer and Fleming of Catawissa. The Bloomsburg

Y. W. C. A. WEEKLY MEETING

Held in Auditorium on Wednesday Evening.

On Wednesday evening the Y. W. C. A. held its regular weekly meeting in the auditorium. The program was a "Mother's Program." Miss Elizabeth Davies had charge of it. After prayer and the singing of a hymn, Miss Davies read two verses on "Mother." The titles of the poems were, "Our Mother" and "Which Loved Her Best?" They were both very lovely and were enjoyed very much. Then Miss Mildred Phillips and Miss Atalla Shoen sang a beautiful duet. It was entitled "Mother." Finally, "Lead Kindly Light" was sung by request; the benediction was repeated and the meeting adjourned.

There has been a great decrease in the number who attended the Y. W. weekly meetings. Don't miss them, girls. They are too valuable. Seniors, you will have plenty of time to take advantage of your privileges after the meetings, for they adjourn at 7:00 P. M. Let us see a larger crowd there next week. You will enjoy it and we will enjoy having you.

AN APPEAL

To the Members of the Bloomsburg Good Music Club.

Just by the way of a reminder, the Bloomsburg Good Music Club was organized at the beginning of the second semester for the purpose of paying for the Orthophonic Victrola, which was paid for in part by the students of 1925-1926 and also for the purpose of building up a musical record library in connection with the victrola. So far the club has been able to make only one payment on this debt and another payment is now due.

An appeal is made to the leaders of the twenty cycles of the club and to any of the members of the club for suggestions for raising money to meet this obligation. Also if any new cycles have been organized, will the leader kindly collect the dues and turn them in to the treasurer.

It is the desire of the sponsors of the club to increase the activities and library of the club, but unless the members take an active interest in the work of the club and help in the achievement of its aims, there cannot be the progress that is desired.

ALPHA DELTA ZETA NEWS

Misses O'Connell and Schalles Were Delegates to New York State.

Misses Maudrue O'Connell and Hope Schalles were sent as delegates to the annual convocation of the Alpha Delta Zeta Sorority which was held in Oneonta, New York, during the week-end of May 7.

Miss Schalles is the Grand Treasurer of the sorority and Miss O'Connell was elected Grand Secretary. We feel that we are unusually lucky in having two grand offices held by members of our chapter.

TRACK TEAM AT DICKINSON

Normal Will be Represented at Track Meet in Williamsport.

Normal will be represented in the annual triangular track meet to be held at Williamsport tomorrow. The teams to be represented are Bloomsburg, Wyoming Seminary and Dickinson Seminary.

Our boys have been training hard for this event and Ralph Davies, our fleetly captain, feels confident that we will emerge victorious in more than one event. From a sight of the boys while they were training, it will not be a hard thing to agree with our young leader.

Reports from Dickinson and Wyoming athletic fields are indications that they will each send a mighty band of dashers to represent their schools at this great event.

The following men will represent the Maroon and Gold:

Ralph Davies, Captain; Armond Keller, George Evancho, James Bittenbender, William Rushin, Archie Austin, Lew Edmunds, Hugh VanAernam, Clarence Ruck, William Jones, George Mathews, Joe Wadas, L. Hidlay.

The team will leave promptly at 9:00 o'clock by bus from the front of Institute Hall.

A Volcano as a Lighthouse.

It is said that the best lighthouse on the Pacific coast of Central America is a volcano. It is several miles inland from the port of Acajutla, in the Republic of Salvador, and is so active that it serves as a perpetual beacon for vessels in that part of the ocean. The volcano is the property of the Government and is a fine source of revenue. Salvador collects lighthouse fees from every vessel that drops anchor at Acajutla, just as if it had established and was maintaining the volcano at great expense as a guide to mariners.

The great volcanic beacon can be seen far out at sea. The coast is dangerous and if it were not for the huge perpetual fire, there would be many wrecks. An ordinary lighthouse would be of less service to the mariners. Despite all this, however, there is not a skipper among the many vessels plying along the west coast who does not grumble every time he pays the fee that Salvador exacts for its volcano lighthouse.

...Our Literary Department...

FLOOD AS FACTOR IN CURRENT TRADE

An article in the New York Times shows that the flooding of the Mississippi areas has been a large factor in stimulating trade in some directions, while hampering it in others.

The price of cotton has gone up considerable along with many of the goods made of that product. The demands for supplies for relief purposes have also gone up. The stoppage of farm work and work in the industries in that valley, along with the tying up of the railroads, is largely responsible for the increase in the cost of materials and therefore in their value. The market shows that due to these conditions, coupled with a greater need for our flour and wheat abroad the value of cereals, cotton, and other farm products has increased.

The article shows how weather conditions effects values. The products that we could buy at a reasonable low cost before the Mississippi flood, have gone up as a result. Investing money today through a change tomorrow or the next week may mean thousands of dollars lost or gained because of the outside factors which effect industry or the growth of products.

Wholesale and jobbing trade reports show little loss or gain from reports a year ago in different sections, in spite of the distressing conditions of our flooded valley.

TO MY DOG

On straight slim legs—nose alert,
Half dignified—yet half-pert,
I saw you standing all erect—
Incline your fine head, so perfect,
Toward the stars, whose cold gleam,
Made of you a silver dream;
You might have graced Diana's pack,
Oh, dog sublime—aristocrat!
In your veins flows the blood of Mars,
That you dare bark at blazing stars—
That you dare fling a careless curse,
Laughing at the universe.

HOW DO YOU TACKLE YOUR WORK?

How do you tackle your work each day?

Are you scared of a job you find?
Do you grapple the task which comes your way,

With a confident, easy mind?
Do you stand right up to the work ahead

Or fearfully pause to view it?
Do you start to toil with a sense of dread

Or feel that you're going to do it?

You can do as much as you think you can,

But you'll never accomplish more;
If you're afraid of yourself, young man,

There's little for you in store.
For failure comes from the inside first,

It's there if we only knew it,
And you can win, though you face the worst,

If you feel that you're going to do it.

Success! It's found in the soul of you,

And not in the realm of luck!
The world will furnish the work to do,
But you must provide the pluck.

You can do whatever you think you can,

It's all in the way you view it,
It's all in the start you make, young man,

You must feel that you're going to do it.

How do you tackle your work each day?

With confidence clear, or dread?
What to yourself do you stop and say
When a new task lies ahead?

What is the thought that is in your mind?

Is fear running ever through it?
If so, just tackle the next you find
By thinking you're going to do it.

TO AN APPLE TREE ONCE LOVELY

Oh—beautiful, drenched thing,
Who—only on last yesternight,
Had never felt cold, sleety sting—
Only the melting sunlight.

How does it feel to be in rags?
(The satin blossoms were dainty),
Yesterday, oh—you played tag—
Today, you look quite fainty.

How does it feel to look like a dream
Of airy, silvery foam?
Do you like to be a fallen queen,
Weeping o'er your throne?

Oh—and, wistful, drenched thing—
All drooping with sleety pain,
I know that you'll never be flirting
With the wild, wild rain, again!

WHO SAID THE MOON WAS MERRY?

All through last year's nights,
The moon was glad;
Because she laughed at my plight—
She was wild and mad.

Coyly 'round the mountain's shoulder
In silver she tripped by,
Laughing in gleeful mockery—
Winking at me sly.

But, ah, this year—how differently,
She meets the mountain's side—
Draped in misty ghastliness,
With a gruesome glide.

Who said the Moon was merry?

Ah, no—she is sad,
But I can remember when,
She was very glad.

The pleasures that light up today
And leave no room for sorrow
Are well and good, but who knows
whether
The sun will shine tomorrow?

Clouds may darken the horizon,

There here for just today.

As the sweet scented flowers
That come in the month of May
Wreaths the earth with loveliness
Only to fade away.

So are the joys of the present,
Here but too soon past,
But like the colors of the rainbow,
They are gorgeous while they last.

BEAUTY SHOULD BE THE BASIS FOR ALL MARRIAGES

Let beauty be your guide when you are in the field for a wife! Choose your mate for physical perfection first, and eventually humanity will develop a super race, which will have not only beauty, but health, morality, intelligence and—everything. This interesting pronouncement was made recently by Prof. Knight Dunlap, the famous American psychologist.

The present reasons for the matrimonial choices of society are complex, beauty being only a minor consideration. The glorification of beauty and its exhalation as the primary ideal ought to reign in human life. Of all the divinities in the Greek pantheon, the most glorified are not Zeus and Hera, but Apollo and Aphrodite (Venus), the life-giving queen of heaven.

Beauty can be proud, cruel, deceitful, immoral and wicked, but it may still be beauty. Cleopatra was almost guilty of any crime you can think of and Thais was not a modest violet; but history tells us that they were of wondrous beauty. "Handsome is an handsome does" is true only in a qualified way.

How can we elevate beauty to the rank we give it, since it satisfies our social demands only in part? We must do so because it is the foundation on which truth and holiness are built. Only the race which is physically and mentally fit can survive and flourish long enough to develop and put into practice moral ideals. The problem after all is one of having such regard for physical beauty, which is the primary ideal, that it may help us to attain the ultimate ideal, which is morality and intelligence.

The proverb tells us that only beauty is skin deep, which nicely exemplifies the dishonesty of proverbs. Ugliness, it is often true, is only skin deep but beauty never is. Beauty is something that depends on the whole or animism. The problem of racial betterment is the problem of conserving beauty and eliminating ugliness.

Men! Be careful to select a beautiful wife.

News About You—of You—For You.

EDITORIAL

We often hear that the world is going to the realm of Satan—that is, the women. We hear that old line about the evils of cosmetics and smoking and drinking; there is no need to discuss the modern condition; it is an established fact that the world is in a bad condition. What people don't know is that the world is not getting worse, at least in regards to cosmetics, drinking and smoking. The wild maidens of today can be justified to a certain extent; they did not originate these habits.

It is safe to say that these habits are at least four thousand years old; the older descendants of Adam, even the men, were profuse in their use of paints; they did not smoke, but only because they did not know the vile weed; they drank as much as the moderns do. We find that the Egyptian princesses had their paint pots and their powder boxes. There was one woman in Rome who was famous for her ability to distill and manufacture creams, powders and other cosmetics. It is said that only the more highly cultured races indulged in the use of cosmetics; the barbarians never had them until they invaded Rome.

There could not have been as many different kinds of cosmetics as we have now for there was not such a

great demand. Today there are over seven thousand kinds of facial creams in use or on the market; any self-imagined genius may add one to the number.

So it seems that we are not much, if any, worse than our ancestors.

THE MANSFIELD TRIP

The team left Bloomsburg at 7:00 P. M. in order to arrive early in Mansfield and to be able to spend an hour or so resting before the game.

Mansfield had won their first three starts and were confident of a victory Wednesday. However, they were disappointed.

Coach Booth changed the batting order in this game. It was very effective.

Bill Rushin acted as hero of the game by having a perfect game both in the field and at bat. He had four hits to his credit.

Captain Bradshaw worked Roan hard in the pinches. Men were on base almost every inning but they failed to score.

Bloomsburg started the scoring in the second inning by forcing two runs in. This they duplicated in the next frame.

For five innings the score remained 5-3 in our favor, only to have Mansfield stage a batting rally in the last inning which netted them one run.

Coach Booth shows skill in shifting the pitchers in the various games. He is very effective at times.

"Jap" Fritz entered the game in the last inning with one away and a man on second and third. He held them scoreless.

Ziddie had a long drive out to left center which aided materially in our run getting.

Wadas has managed to get at least one hit in every game. Keep up the good work, Joey.

McGrath's hitting is wonderful. He has managed to hit safely eleven times out of nineteen bats. On Wednesday he collected his second triple of the season.

The boys are quite sure that Mr. Nelson was the "Jinx" which kept them from winning at Shippensburg. It could have been Remus Fowler, boys.

"Red" Garrity played an excellent game in the field. All hopes rested on him many times.

Our outfield as a whole played perfect ball. No errors were gained through them.

We all wish that "Bobby" Wilson had a better arm because his fielding can not be excelled.

Bradshaw was robbed of a pretty hit which might have been a homer. Lucky center fielder, eh, Brad?

Slusser had to his credit a number of outs on second base. He also had a hit to his credit.

Our substitutes often work as hard as the players during the game.

"Harvey," the bus driver, was well pleased with the outcome of the game. He says we'll beat Mansfield again this year.

SUCCESS

When ambition is a dominating factor in the minds of young men and women, it spurs them on to seek aid in overcoming all obstacles on the road to success. Such aid may be found in various ways. It may be secured through interested friends, chance acquaintances, companionship of books, or in an ordinary education. The assistance may also be found in ordinary experience, keen observation, or in the study of the great people who have gone before us.

But no matter how great the assistance rendered, that alone cannot elevate one to the pinnacle of success. Fundamentally, aid to success is not found in keen observation, in companionship of books, or in lectures. One may be inspired by all these, but **deeds**, not words, are what put men at the top. The most valuable aid is secured by analyzing one's own life and determining upon success.

BLOOMSBURG DEFEATS MANSFIELD WEDNESDAY

Victory Results After Hard Struggle in Ninth Inning.

The aggregation representing the Bloomsburg State Normal School visited Mansfield on Wednesday where they defeated the team of that place in a hard fought game, the final score being 5-4. The final outcome of the game was in doubt until the last man was out in the ninth inning.

The first score of the game was in the second inning when Bloomsburg started to connect with the pitching of Smith. Yarashewski flied out to the short stop. Rushin had a single and stole second base on the next pitched ball. Captain Bradshaw connected for a double, thus scoring Rushin. Slusser flied out to the second baseman. Roan, who was on the mound for Bloomsburg, hit for two bases, scoring Bradshaw. Wilson was put out and this finished the inning.

In the next frame Bloomsburg continued with their batting rampage and collected two more runs. Wadas flied out to the catcher. Garrity was thrown out at first. McGrath, who has collected a total of 11 hits out of 19 times at bat, came through with a triple. This is the second triple which he has to his credit this season. He scored on Yarashewski's single. Yarashewski stole second and scored when Rushin hit a double. Rushin was stranded at second when Bradshaw was robbed of a long drive by the center fielder. In the same inning Mansfield managed to send two runs across the plate when they bunched three singles which was followed by an error.

Mansfield again scored in the fourth by sending one run in. This completed their scoring until the last inning. We scored in the fifth, which was the winning run. This resulted after a batting rampage which netted four singles. Then a pitching duel followed between Roan and Garello (Garello replaced Smith in the third inning). This lasted until the ninth inning.

With the score standing 5-3 in our favor, Mansfield started a rally. Miller singled, Hill flied out to center field, Lloyd singled and stole second, Kelly singled, scoring Miller. On a squeeze play Dolebear failed and Lloyd was put out by Wadas. At this crucial moment "Jap" Fritz replaced Roan and Dolebear flied out to Ziddie. The score stood 5-4.

Much credit must be given to Jap Fritz because this is the second time which he entered a game with two men on base and one out. Both times he emerged victorious. (This is the

worst position a pitcher can be placed). The youngster has a calm, cool head which he uses at all moments of the game. Rushin also deserves credit for collecting 4 hits which was batting a thousand. We can't forget McGrath for his second triple. Kraynack and Coursen, roommates, showed real stuff on the base lines with their coaching.

FOURTH GRADE PET SHOW

To Exhibit Pets on Normal Campus on May 26.

Miss Carpenter's fourth grade is going to hold a Pet Show on the Normal Campus, May 26.

The fourth, fifth and sixth grades are going to exhibit pets. The only requirement of the show is the pet must be your own. The children have been working hard on the necessary details for the last week.

The pets are to be registered and the pedigree will be told by the child exhibiting the pet. This movement was organized in the West and is considered one of the chief events of the school year.

The children have decided that each pet will be judged on the same basis. Prizes will be awarded to the pets selected by the four judges as the best in its class.

A prize has been offered for the best constructed cage or house in which the pet is exhibited.

The fourth grade cordially invite the Normal faculty and students to attend their show and hope to see a large audience of Normal student assembled.

RESOURCEFUL SENIORS ARE AT A LOSS

The Training They Have Seems to be of No Value.

After the weeks and months—even years—which the Seniors of this institution have spent in learning to be self-reliant, resourceful, out and up-standing men and women, the state of affairs at present is not only a reflection on their table manners, but on their sartorial accomplishments as well. The facts, as determined after much investigation, are these:

The Seniors of the Class of 1927 do not know what to do with the hours which they have free in the evening and during the day—but especially in the evenings. The many long evening hours, free of study worries and other worries such as, Am I going to graduate? are burdens on the heart and mind of every conscientious Senior. He feels that he is wasting the precious minutes when so much study could be done—if only he had something to study.

Among those who are the most frequent complainers are the "couples." These stroll along through the dusky, vernal beauty of the campus at evening lamenting the cruel fate which allows them to let the golden moments slip by leaving nothing but tender memories behind.

Some means of spending these moments were suggested recently by the dean of men at Vassar. One of these was to learn Greek dancing and practice on the campus. Be not afraid that the squirrels will flee in fear. These observant little animals will only watch and wonder how they can gather their new variety for their winter stores. Also, the grass is, by this time, pretty sturdy and the earth is solid enough to withstand the shocks which dainty and otherwise maids and youths may inflict.

Another means of making old tempus fugit is to climb trees and look out over the countryside. This is suggested and recommended especially to those who make a habit of watching every bench, doorway and corner for fear they might miss something. In this case a pair of binoculars might help to sharpen the vision.

For other suggestions the reader may write or call Station S A R Casm.

DELTA PHI SIGMA

Aim is to Promote Good Fellowship and Sportsmanship.

The Delta Phi Sigma is a new sorority in the school. Although it has been organized a very short time it has made rapid progress. The aim is to promote good fellowship and sportsmanship and to create a better social atmosphere in the school. We consider ourselves extremely fortunate in having Miss Sands and Miss Canon for our patronesses. They have done much in making our various activities possible and have helped to develop a good spirit of comradeship among the girls.

As it is necessary for every successful organization to have a systematized form of procedure we were no exception to the rule so we elected the following:

- President ----- Ruth Oswald
- Vice President ----- Myra Thomas
- Corresponding Sec'y. --- Sadie Zapp
- Recording Sec'y. --- Marian Thomas
- Treasurer ----- Martha Tasker

The charter members are: Edith Phillips, Sadie Zapp, Myra Thomas, Edith Sweetman, Martha Tasker, Ruth Oswald, Doris Palsgrove, Pauline Ranck, Katherine Gruber, Marian Thomas.

In February the following Juniors were taken into the sorority:

- Helen McGuire, Irene Davies, Rose Cataldo, Ebba Carlson, Frieda Bahler, Myrtle Price, Ella Barnes, Margaret Keller, Dorothy McCollum, Carrie Geissinger.

How were they initiated? Ask them. They'll never forget it.

Shortly after they made their "debut" at a tea given in their honor. This afforded an opportunity for the Junior and Senior girls to become better acquainted.

During the course of the year the girls indulged in a great many activities such as hikes, teas, parties, entertainments, etc. The hikes especially have been attractive to most members, for every Saturday we hiked to some "unexplored land." We wonder why some of the girls were so anxious to walk. Well, perhaps they have lost in weight.

To wind up the season we have planned to have a formal banquet at the Elks' Home. This we hope will pattern after the others in proving a success.

- President ----- Frieda Bahler
- Vice President ----- Ebba Carlson
- Corres. Sec'y. ----- Helen McGuire
- Record. Sec'y. ----- Rose Cataldo
- Treasurer ----- Dorothy McCollum

GLEE CLUB CONCERT

THE SENIOR BANQUET

To be Held in Dining Room on Tuesday Evening, May 19.

The Senior Banquet, which is to be held in the dining room on Tuesday evening, May 19, at 7:15, promises to be a successful affair. As has been stated on several different occasions, a group of eight persons wishing to sit at one table should choose one of the group as host or hostess, whichever the case may be, and have him or her submit the names of the group to one of the members of the committee. You will be given until 9:30 Sunday evening to get these lists in, because Miss Ward must know definitely how many are coming to the banquet by Monday morning. The tickets will soon be on sale and may be obtained from any member of the banquet committee. They are: Minerva Bossert, chairman, Room 400; Rosina Ellery, Room 369; Alice Jones, Room 279; Celia Beldovicz, Room 428 and Everett Jameison, Boys' Dormitory.

The tables will be numbered and in order to find out the number of your table, watch for the table lists which will be posted outside of Room K on Wednesday, before the banquet.

Several menus and their corresponding prices were submitted to the Senior Class at the meeting on Wednesday. The menu selected was the one for \$1.50.

A delightful program which is being prepared for the evening consists of the following:

1. Songs with ukelele accompaniment by Ruth Smith.
2. Several vocal duets by Dorothy Raupt and "Jiggs" Janell.
3. Several selections by the double mixed quartet.
4. Several selections by the "peerless" quartet.
5. Piano solo by Celia Beldovicz.

Also, please do not discontinue practicing the Senior Class Song, for you may have an opportunity to sing it that evening.

As a gift to the Senior Class of 1927, Dr. Riemer has succeeded in obtaining Alexander's Orchestra for the evening. After the banquet, the Seniors will assemble in the gym, where they will indulge in dancing for the remainder of the evening.

Come, Seniors, and enjoy yourselves at the banquet.

TENNIS COURTS KEPT BUSY

Playing Goes on at All Hours of the Day.

The tennis courts are being used at all times during the day by the various classes and the tennis team. They are in use from 5:30 A. M. until 7:30 P. M. each day. The tennis team uses the courts for three or four hours each day while the girls' gym classes occupy the courts for about five hours each day.

SNEIDMAN'S JEWELRY

What Do You Know?

By Prof. Noe Zall.

Dear Prof.—If the man hangs around the smoke house, where does the veal loaf? O. M.

Answer—He meats the ham.

Dear Noe—While standing in a crowd watching some prohibition agents pour some choice liquor down the sewer, I exclaimed, "Never in life have I seen such dreadful waste." The next morning I woke up in a hospital. What happened to me?

Answer—More than likely you were standing near a stout woman.

Dear Prof.—How did Charlie Surfield feel when he came back to school and found his room locked?

Answer—Quite put out.

Dear Prof.—What shall I do if I have tuberculosis?

Answer—Cough.

Dear Noe—How can I get the students to show more spirit at the baseball games? Coach Booth.

Answer—Give them root-beer.

Dear Noe—Why don't the cowboys in Texas catch steers on horseback any more? Jap Fritz.

Answer—Because steers don't ride horseback anymore.

Dear Prof.—When were women first known to be in politics? J. Dormitory.

Answer—Thousands of years ago. Salome's motion was received by the house with great applause.

Dear Noe—What is the difference between driving an ambulance and driving an ordinary car? A. J.

Answer—When you're driving an ambulance, you have to go back and pick them up.

Dear Prof.—Who wries the shorter willis. married men or single?

Answer—Married men. They have more training getting along on shorter words.

Dear Prof.—Why is some girl's hair more curly than others? Q. T.

Answer—They spend more time in the beauty parlor.

Dear Noe—Who first used the expression "The solid South?" M. T.

Answer—Some college professor in a Southern University.

Dear Prof.—Can you give me any information as to what we can do to cure Anne Turri of her giggling?

Answer—Send her to the hospital and have her giggles cut out.

HERE AND THERE

We better take good care of Kalweit or we won't have him with us next year.

Poor "Harold Teen" Bennett looks very lonesome in the library at night. We wish we could help him in some way.

Can You Imagine

Turri not discussing Pat H. Johnson not writing to West Chester every Tuesday night.

Mildred out on a date. Helen not planning a hike. Boots and Nick not in the library together.

Gresko not studying. Mary without Jimmy. Bessie spending the week-end at Berwick without Bennett.

Miriam not wanting to go home. Tony Bolen not sitting at the window crying for Ned.

Alice without Ziede. "Vic" not watching North Hall at night.

Minnich not getting a special on Saturday night.

Anna Yuran not arguing with somebody.

Lawson not late for class. Edna not thinking about Art. Lucia without Ned Raker.

Cigler not after Fresko at 4:30 A. M. to study psychology.

Potochney not thinking about (???) from Espy.

Tennis.

The tennis champs, including Fairchild, Humphrey, Hutton, Johnson, Eastman, Taylor, Gething, Callendar, Cigler, Dukinas, Davis and Guest, were having some wonderful games on the courts on Monday until Coach Booth payed them a visit and told them they were over exercising themselves, of course (this is a secret). The girls agreed with him and decided to call the games off until some other day.

DRAMATIC CLUB

Business Meeting of Club Was Held in Science Hall.

A lengthy business meeting of the Dramatic Club was held in Science Hall. Because of not having the auditorium the one-act play which was in rehearsal had to be postponed until the next meeting. This will be the first one-act play produced in many weeks due to the fact that nearly the entire club was busily engaged with their big production, "The Swan." Other than the members of the cast, many worked on various committees including the making of the elaborate stage sets, gathering together the extensive properties, arranging for the necessary costumes and attending to the important business matters.

TENNIS TEAM TO MEET EAST STROUDSBURG

To Play at That Place on Saturday. Second Feet of Season.

Fresh from their brilliant victory over the Catawissa Young Men's Club last Saturday, the Maroon and Gold team will journey to East Stroudsburg where they are to meet the Normal representatives of that place. This match makes the second meet of the season and our boys are sure to make an excellent showing.

The team which will represent East Stroudsburg is also a very classy bunch as they have emerged victorious in their first match of the year. They will prove to our boys that a well earned victory must result, but if our boys display the ability which they showed last week, there will be little doubt as to our victory.

We have as speedy a team this year as Bloomsburg has possessed in the past few years. "Jamie" is leading a fast aggregation and they are out to win all honors.

Coach Reams announced that Ruch has been making an excellent showing in his daily practice. Jameison, Ruch and Gallagher are the three men who are known at present to make the trip to East Stroudsburg. The fourth man as yet has not been selected.

JUNIOR VARSITY TO PLAY COAL TOWNSHIP

Tomorrow Afternoon on Mt. Olympus at 2:30 P. M.

Despite the fact that the game which was scheduled with Catawissa, to be played here last Saturday, was postponed, the Junior Varsity will continue playing the games of their schedule, when they meet the representatives of Coal Township High School. The game will be played tomorrow afternoon on Mt. Olympus and is scheduled to get under way at 2:30 P. M.

The Juniors copped the honors in their two openers and face the Township tossers with a clean slate. The first two contests showed that we possess a well organized Junior Varsity, that would be an asset to any institution of this kind. The boys are well trained in their line and have the ability to swat the pill with as much ease as any gang of big-leaguers and they do it. The pitching staff is also capable of holding up its end of the team. Bamford and "Jap" Fritz, who excelled as moundmen in one or two varsity games earlier in the season, make up the staff.

Coach Jerry Fitzpatrick's Blue and White clad high school tossers possess a record that has not been dentured so far this season. The boys have merged from a trio of games victorious and our Junior Varsity makes their fourth opponent of the year. Although they are a speedy crew, we feel certain that our Juniors can and will take care of them. At any rate, we shall give them a game fight.

The Juniors have been practicing daily this week, whenever the weather permitted and are in tip-top condition for the contest, which means so much to them. We are looking forward to a fast and speedy game. Let's Go Team!

THE 1927 OBITER

Undoubtedly Largest Year Book Ever Turned Out From Institution.

At this writing, copies of the twelfth volume of the Obiter were being shipped from Williamsport. It is undoubtedly the largest year book turned out by any graduating class at this institution. The staff had spent much time in arranging, improving, and enlarging a book which was to mark it as the last year book turned out of the Bloomsburg State Normal School.

The book is encased in a class No. 4, Molly-made imitation leather cover. It is of a dark blue color, with a raised column-like design on the outside front. At the corners of this design there is engraved the letters B. S. N. S. which are gilded. The engravings in the back panel are also gilded.

The reason for having it so, is because blue and gold are our class colors. The flyleaf pages in the inside are made of high grade olive-colored paper. On these pages there is a design of the main entrance of Bloomsburg State Normal School, which is stamped in a silver color across the entire lower half of both pages. The campus scenes are stamped in a dark brownish tint. The design used as a border around the inside pages is the same as that in the front of the cover, but it is of a blue color. Each Senior's portrait is also a blue tint.

The book contains 322 pages which is 54 pages larger than last year's and 97 pages larger than the "Onward" which is the first year book published by the students of Bloomsburg State Normal School back in 1915.

Another fact about the book is that it contains approximately 75,000 words and about 400 portraits. You will note that the arrangement of the inside is different than what it has been in the preceding books. The edges of the pages are gilded. This makes the blue and gold colors stand out prominently.

According to the contract, the Obiters were to be shipped here on May 10th, but due to the fact that the books were first shipped to Philadelphia, when the gilding was done, the printer was unable to ship more than 104 books on Thursday. All books are expected to be here by next Wednesday. The books will be given out at the book room during the days and hours which will be placed on the bulletin board outside of Room K.

MORE TENNIS COURTS NEEDED

Need at Least Four More Tennis Courts.

One thing that this spring has brought forth is the fact that we need at least four more tennis courts. With about 200 players with experience and about four hundred more who would like to learn to play, the four courts we have at present are entirely insufficient. Every day light hours sees all courts occupied. Let's have more courts.

CONCERT

Will be Held Friday Evening, May 20 in Auditorium.

The Glee Club Concert will be given Friday evening, May 20th in the auditorium at 8:15, directed by Miss Elleanor Sands and accompanied by Miss Edith S. Canon. The clubs will be assisted by the double quartets.

Many weeks of practice have been given to these concert numbers by both the Junior and Senior Clubs. Miss Sands is a director of exceptional ability. She has an excellent contralto voice which together with her pleasing personality, makes her one of many.

Miss Canon is a graduate in music and chose, as her field in specializing, the piano. We have not heard much of the Glee Clubs during the past weeks and we are looking forward to an especially good concert.

The program to be given is as follows:

- Out in the Sun ----- Pinsuti Glee Clubs.
- Hark, Hark the Lark ----- Schubert
- Mah Lindy Lou ----- Lily Strickland
- Spring ----- Clara Tullengtasb Junior Glee Club.
- Rondo-Capriccioso ----- Mendelssohn Miss Edith Canon.
- To a Wild Rose ----- MacDowell
- Morning ----- Speakes Glee Clubs.
- In Picardie ----- Osgood
- Brownies ----- Leon. Double Quartet.
- Whims
- Romance in F ----- Schuman
- Soaring Miss Edith Canon.
- Old Refrain ----- Kreisler
- Cake Shop Romance ----- Mable Osborne
- Melody from the South ----- Arranged by Pike Senior Glee Clubs.
- Waltz ----- Arditi Glee Clubs.

The Clubs and quartet can do very little in themselves without the aid of a supporting audience. Concerts given by clubs of the school should be supported better than in the past. Let's Go!

Local Happenings

Dr. G. C. L. Riemer, principal of our school, visited his son Hugo at Bucknell University over the week-end.

Repairs are being made to various parts of the physical plant.

The baseball team journeyed to Mansfield on Wednesday. They left the campus at 7:00 A. M.

The trees surrounding the campus have broken out in a splendid array of green.

The Junior High School baseball team played the Mainville All-Stars Wednesday afternoon.

Tom Welsko and Nick Polaneczky had been substituting in the English Department of the Bloomsburg High School. The students and authorities are well pleased with their work.

A number of Intermediate students entertained the Training Teachers and supervisors at the Elks' Club on Tuesday evening, May 10th. An enjoyable evening was had by all.

Jakie Baum knocked the ears off Andy Furman in three sets of tennis Tuesday morning. Andy learned more about love in the early morning with Jakie than he ever did before in his life.

Several copies of the 1927 Obiter were distributed among the students yesterday. This book is a master piece and the staff should be commended in the good work done.

The track team is rapidly rounding into shape for the meet at Dickinson. The crack of the starting gun can be heard from 3 to 7 every afternoon.

Last week we said the grass was green. This week we say it is yellow with dandelion blossoms. Quite an opportunity for some enterprising gatherer of blossoms.

Much interest is being shown in tennis this spring. The courts are always occupied.

Dr. Suhrie delivered an interesting lecture to the students yesterday.

Miss Alice Brobyn of the Maroon and Gold Staff spent the week-end visiting places of note in and about New York City. Miss Brobyn is busy tolling her friends of her experiences on her first trip to the metropolis.

From the Bench

Prof. Nelson accompanied the boys on their trip to Shippensburg. He taught them many new games to play on their return trip.

Our boys put up a valiant fight in the ninth inning when they managed to send three runs across the plate. They were out to win.

The breaks of the game seemed to turn against us at all angles.

Errors by our boys at crucial moments were the ultimate causes of our defeat. Shippensburg had but two earned runs.

Kraynack, who was sent in as a pinch hitter in the ninth inning, came through with a pretty single.

Captain Bradshaw was hit with the ball in the eighth inning. It was very slight.

Mr. Reams bid the group farewell while standing in the doorway eating a bowl of cereal. It was a glorious sight.

The boys were escorted about Carlisle by Mr. Nelson who had spent one year in the Dickinson Law School. He also assisted them in finding a restaurant.

Vital scored a safe hit in the ninth inning which aided greatly in the rally.

Red Garrity as usual put up a fine exhibition of baseball.

The defeat handed our boys on Saturday was the first defeat of the season.

Leo McGrath played excellent baseball on first base and caught many wild heaves in the first few innings of the game.

Bobby Wilson had a nice single in the last inning which aided the team in sending the tying runs in.

The second double play of the season was completed in this game. Coursen and Wilson featured in the play.

Wadas showed real form in his base running. He managed to connect with the ball several times also.

Bradshaw was robbed of a pretty single in the seventh inning when the first baseman for Shippensburg made a lucky grab for the ball. He did not realize that he had caught it.

Coach Booth stated that such games make baseball the sport that it is. The outcome is never definite until the last man is out.

Bill Rushin was spikod while sliding into second base. He received slight bruises on the leg.

Roan was unable to put some "real stuff" on the ball until the seventh inning.

**MATCHES WERE
HOTLY CONTESTED**

Continued From Page One.

pair had little difficulty in annexing their match. Ruck, who made such a brilliant showing in the singles, was always in command of the situation, his sizzling placements and fine net game having the Catawissa opponent at a disadvantage. Fortner made his initial appearance in the doubles with Ruck. The two sets were taken into camp by scores of 6 to 1 and 6 to 2.

The second and last match of doubles was between Jameison and Gallagher, Bloomsburg representatives, and Hartman and Fisher of Catawissa. The boys from across the river proved too strong for the Bloomsburg duo, pulling "Jamie" and "Bernie" down by 2 to 1.

The first set was taken by Catawissa, 7 to 5. Our boys staged a strong rally and copped the second, 7 to 5. The last set was hard fought, but the Catawissa duet copped the honors by 6 to 4.

The Maroon and Gold team made an excellent showing for their initial match, for the Catawissa Young Men's Club have been organized for a longer period of time and have had several matches already this season. The Maroon and Gold team won three out of four single matches and one out of two double matches.

Laugh and Grow Fat

Frymire—I shall never marry until I find a girl who is my exact opposite.

Fortner—That's easy. There are a lot of intelligent girls in this school.

Duke—Ah, ha! I see my friend gave you a black eye.

Bam—Your friend! Why you never saw the guy that gave me this shiner.

Duke—Well, he's my friend anyhow.

Boss—Really, Miss, it's absolutely essential that your correct age is entered upon this application.

Miss—Well, it's twenty-three! But please write it as illegibly as possible.

It is said that Sir Launcelot had two horses. We wonder how many Sir Gaiahad.

Fowler (to druggist)—Now, be sure and mark on them bottles plainly which is for the wife and which is for the Jersey cow. I don't want nothin' to happen to the cow.

Ruth—I'm having a new dress made but my heart isn't in it.

Cal—Will you dare wear it as short as that?

Mrs.—Look here, Mary, I can write my name in the dust on this chest.

Mary—Gosh, there's nothing like education is there, ma'am?

Old Lady—Have you heard that Jim's wife lost her mind?

Older Lady—I don't doubt it. She's been giving him a piece of her mind every day for ten years.

A Scot, seeing a quarter lying on the road, rushed forth to get it, with the result that he was run down and killed. Jury's verdict "Death from natural causes."

Hook (at restaurant)—Give me an order of French Fried potatoes, and pork chops. Make the chops lean.

Waiter—Yes, sir, which way, sir?

From 295 to 'Hook.

Oh, roomer in the room above, You're causing great disaster. The Charleston may be fun for you, But it's dislodged our plaster.

Jiggs—This is sure a patriotic per Jinx.

Jinx—How come?

Jiggs—She's gone dry, old top gone dry.

Ex—I'm embarrassed; there is patch on my pants.

Kraffy—I'm more embarrassed there isn't any on mine.

A Slight Break.

Hostess—I want you all to make yourselves at home. I'm at home and I wish you all were.
