Varsity Heading For Championship

Coming back in the second half Bloomsburg State Teachers College on their home court Friday night wrested a 45 to 39 triumph from Mansfield to gain their eighth consecutive triumph.

The game was a thriller from the start and was watched by a capacity crowd which included 150 members of the Bloomsburg Post of the American Legion, guests of the College. The Legion drum corps played before the game and during the halves and made a decided hit with the crowd.

Mansfield's veteran combination, defeated on their home floor by Bloomsburg 31 to 29, were out for revenge Friday night and they pushed the Bloomsburg team hard. At the end of the first half the visitors led 23 to 22.

Bloomsburg got the lead early in the second half and then continued to play a progressive brand of basketball. This was in decided contrast with the type of play used by the team in most of its games. The rule they usually followed was to "freeze" the ball late in the game when they were ahead.

The game saw the return to form of "Nick" VanBuskirk who had eight field goals and four foul goals for 20 points and individual scoring honors. "Red" Garrity, Bloomsburg guard, continued to play brilliant basketball.

In field goals Bloomsburg had a slight edge 16 to 15. Both teams were off in foul shooting. The game was rough at times, especially near the close and both fives had numerous chances to score from the foul line but made only a small percentage of them good. Bloomsburg early in the season did some fine work from the foul line but this phase of their game has been weak in the past several contests.

Mansfield had a well rounded combination that was in the game every minute. Several times their fine play won them rounds of applause.

Our team had to work hard and long on Saturday night to down Gettysburg Academy in a five minute extra period game 55 to 49 before they could turn the scale into their ninth victory. Gettysburg, built around the lanky Myerly, a Danville youth, played a brilliant game and had a 10 point lead at the end of the first half. Bloomsburg started only two of the first string men but later put Kirker in at guard. The first combination, however, did not play together until the second half.

They found the going mighty rough when they started to close that gap. They managed to cut down Gettysburg's lead to six points at the end of the third period and then just man-

Susq. University Men's Glee Club

On Wednesday, February 22 the Susquehanna University Men's Glee Club presented an unusual program to a capacity audience in the College auditorium. It was a typically representative group of its kind, including as it did, a wide range of natures and talents. They were well trained for the rather ambitious program which they attempted and their presentations were greatly appreciated by all who heard them. The opening numbers of the program showed their voices to be well blended. The shading was excellently done and the treatment of the various movements revealed nicety and skill scarcely to be attained by the unaccomplished.

Especially well received were the quartet numbers of which there were two. A little levity fits into every well organized program, particularly when it is both pleasant and witty. These risorial numbers tickled the fancy of the audience and, no doubt, will be long remembered.

The program was as follows:

PART I

1. a. "Awake. Awake." (Morning Song)—C. W. Cadman.
b. "Where dawn and Sunset Meet."—T. Lieurance — The Club.
2. Travesty on "Comin' Thro' the Rye"—O'Hara—Male Quartet.
3. a. "The Broken Melody"—J. Sibelius.
b. "I Hear a Thrush at Eve"—C. W. Cadman—The Club.
4. Vocal Duet—"Spring and Love"—Delbruck—Messrs. Kroen and Baird.
5. Reading—"Possum Hunt"—Anon Mr. Johnson.
6. Tenor Solos a. "For Music"—Franz.
b. "Spring Night"—Schumann—Mr. Roberts.
7. a. "Where'er You Walk" (From "Semele")—Handel.
b. "Steersman, Leave the Watch."—R. Wagner — The Club.

PART II

1. Quartet—"Suppositions"—C. H. Lowden—Male Quartet.
2. Piano Solo—Etude de Concert—Sternberg—Mr. Allison.
3. Reading—"An Encounter with an Interviewer"—Mark Twain—Mr. Swank.
4. Scene—"ON THE SUNSET TRAIL"—Elias Blum.

Cast of Characters

A Cowboy—Mr. Morning.
A Monk—Mr. Sassaman
A Prospector—Mr. Kroen.
Done Jose—Mr. Roberts.

Wheels of Govt. Set In Motion

The community government adopted by the students has been set in motion. No time has been lost in election of officers and councils. The constitution that appeared in last week's issue was accepted by the students by a vast majority. Dr. Haas acting as temporary chairman at the meeting of the entire student body suggested that the government begin functioning at once.

The following representatives of the classes were elected to the general student body council:

Freshman — Arch Reese; Lucille Martz.

Sophomores — Maudrue O'Connell; Sam Fortner.

Juniors—Marjorie Orr; Francis Garrity.

Senior—Esther Lloyd; Thomas Welsko. (4th year)

Seniors — Roland Lavelle; Attila Schoen. (2nd year)

Faculty—Dr. Kehr; Mr. Sutliff; Mr. Koch; Mr. Rhodes.

This council acting as a nominating committee present the following persons as candidates for offices in the Student Council:

President—Esther Lloyd Francis McHugh; Thomas Welsko.

Vice President—Elfed Jones; Margaret Lewis, Charles Wadas.

Secretary—Alice Pennington; Marjorie Orr; Elizabeth Roberts.

Treasurer—Sterling Strausser; Edgar Richards; Clarence Ruch.

The results of Tuesday's election had not yet been known at the time of the Maroon and Gold going to press.

LEGIONNAIRES ATTEND GAME

Members of the Bloomsburg Post of the American Legion were guests of the Bloomsburg State Teachers College at the Mansfield-Bloomsburg game on Friday evening. The Legionnaires were headed by their drum corps and marched to the gymnasium in a body. Professor W. B. Sutliff, dean of instruction, welcomed the ex-service men in the absence of Dr. Francis B. Haas, the principal, who was in attendance at an educational meeting in Boston.

DR. HAAS ATTENDS CONVENTION

Dr. Haas was in attendance at the 58th convention of the department of superintendents and of the National Educational Association. This body represents school administration in the United States. At its conventions the problems of American childhood and the youth were discussed and debated by the superintendents from all sections of the country.

Locker Room Organization

The first organization of locker room men in the history of the school was made last Monday immediately following the election of a member to the student council. The formation of this organization marks a new era in the development of the locker room. No special problems confronted the body, but a desire to be united under one head caused the action. Dean Koch acted as temporary chairman of the meeting and will assume the role of faculty advisor. The following men were elected as officers of the locker room:

President—Jasper Fritz.

Vice President—Brick Hidlay.

Secretary—Lawrence Creasy.

Council member—Charlie John.

LOCKER ROOM NEWS

Fritz assumes new prominence.

New solution for rat menace.

Jap Fritz has burst into a brand new limelight. The locker room boys have given him the highest honor they could bestow by electing him president of that body. Fritz, though busy with social activities and dramatic work, will give his best to his new position.

Rats are getting particularly bad in the locker room. The old methods of eradication are useless. All the noise in the world wouldn't keep them scared out. To meet this enlarging situation the janitor force is carrying out a series of well planned experiments with flooding. The plan seems promising. The rats hate water. The slight discomfort of wet floors is patiently endured by the boys who are vitally interested in the experiment.

When Luther Bitler saw a sign outside Coach's office reading: "Letters to be given out Mar. 28", he cut class and went down town to buy a sweater. He is well satisfied with his attractive sweater, not knowing that the letters are for girls, and it is hoped that no one will tell him.

Don't forget Frymire's birthday Monday, Feb. 27. Leave all presents for surprise party at Charlie John's apartments. Charlie is in charge of celebrities, and he knows how. Don't miss this one.

Devoe and Devine, from Berwick, have been doing stunts worthy of mention, but they have requested that nothing be said about them. Address inquiries to either of the sheiks.

A BLACK BOY TROUBLING

Sparkle down Satan
Sparkle down low.
I ain't no saint
I'm liable to let go.

Sparkle down my thoughts of love
Sparkle down my throat.
That's the place for 'toxication.
Let the troubles float.

Sparkle down my old temptation
Sparkle down I say.
What's the use speculating
If you can't get gay

O. L.

HOOK'S LINES

Farrel—"What's in that package?"
Kehoe—"Insect powder."
Farrel—"Insect powder! Well, good gracious, who'd think that bugs knew enough to powder their little noses."

Kirker—"Are you good looking?"
Williams—"I've been told so."
Kirker—"Well, go over to Science Hall and see if you can find the pen I lost."

STUDENT GOVERNMENT OF NORTH HALL

The first meeting of the Student Government of North Hall under the Community Government of the College was held recently. Since our new Community Government calls for separate governments for Waller Hall and North Hall the fellows in the North Hall wanted to get started as soon as possible. Much can be done by student government. Many benefits can be derived from it. We have started it; let us all co-operate and do our best to get every possible benefit from our new system.

Professor Koch who was chairman of the North Hall meeting, opened the meeting with a discussion of our new Community Government. He asked that the fellows consider from every angle those men whom they elected in order that they might not be disappointed in time to come. The list of officers seems to show that the fellows took this suggestion into consideration and elected very capable men. The ever popular "Eckie" Kraynack was elected president. He promises to do his "darndest" and we believe he will. William B. Jones was elected vice president. Raymond T. Hodges was elected secretary and Claud Miller was elected Treasurer.

Now that these men are elected it is up to the rest of us to give them a real backing and the student government of Bloomsburg State Teachers College will be the best of any in the state and maybe the country.

NORTH HALL COMMITTEES APPOINTED

President Kraynack of the North Hall Association appointed the following committee for the year. These committees have already started their functioning and will present rules and regulations for the government of the men at North Hall in a very short time.

House Committee—W. Fischer, C. Wadas, J. Yocabonis.

Constitution Committee—R. Lavelle, C. Ruch, J. Williams, R. Hodges, J. Morris, W. B. Jones.

Rules and By-laws—T. Welsko, L. Edmunds, W. M. Jones, C. Wolever, P. Kester.

Hodges—"What are you taking those cuspidors home for?"

Kalweit—"I'm taking them home to my dog."

Hodges—"What kind of a dog do you have, anyway?"

Kalweit—"Spitz."

TRACK MEN WORKING OUT

The pleasant weather of the past few weeks has brought the track men out. From all appearances there is a wealth of material. Every day after the 4:10 classes the boys can be seen jogging along the back roads. The trackmen have also been working on the indoor track but they like the outdoor work for "loosening up."

There are several good candidates for the various track and field positions. Several veterans of last year will form the nucleus of the cinder grinders. Along with these will be Wolever and Siesko, crack dash men, also Allan Parr, crack distance runner. These should do much to bring victory to the Maroon and Gold.

The track men will enter the Penn Relays this spring. Owing to a dearth of material last year the track men did not compete in the Relays. We should have a splendid team this year. Come on fellows, let's go!

OBITER NEWS

The Obiter staff is busily engaged in putting the finishing touches to the book. They are asking any one who has any snapshots to please hand them in to any member of the staff. All people who are not Seniors may see any staff member and sign up for the purchase of a book. The co-operation of all students is always necessary in such an enterprise. Anyone who still owes us money, write ups or pictures, please hand them in.

RECRUITS FOR NEXT YEAR'S MAROON AND GOLD

Sometime in the near future, the Editor is going to issue a call for people who would like to do school paper work. The number at first will not be limited, but it will be a gradual elimination. The persons who are workers in the special field of the paper are liable to win a place on the paper. In other words it is going to be the survival of the fittest and those that are the fittest will have to show their mettle in order to hold the job. Now is the time that you should be thinking of the line that you want to work on the next year. It is a great experience for anyone that even has a "hunch" that he would like to do this kind of work. It widens one's scope in all fields, especially the use and study of the correct English. There is also a great deal of fun working with people who have different ideas and who are doers in some line of endeavor.

NORTH HALL SYNCOPATORS PLAY

The famous North Hall Suncopators played again in the gymnasium Thursday evening for about an hour. In their latest appearance in the gym the boys came back strong, getting hearty applause from the dancers. Many favorable comments were made on the way the boys played and the dance was enjoyed by all those who attended. The band has been slowly adding new members to their organization until they are now ten in number.

After the Lenten season is past the boys expect to play in the gym every Friday night—with the permission of the authorities.

The orchestra is now composed of the following members:

Piano—James Williams; Violin—Edgar Richards; Banjo—James Davis; Saxaphones—Philip Kester, (leader); Walter Siesko, Tax Davis; Trumpets—Archie Reese, L. Richards; Trombone—Frank Kiertz; Drums—Brooke Yeager, Jr.

TWO BIG BASKETBALL GAMES THIS WEEK

The strong Dickinson team will be our opponents here the first game this week. The boys from down the valley have been going pretty strong and we will need a hundred per cent student body out to cheer us on to victory and make ten straight. On Saturday night the East Stroudsburg team will journey here with the idea of defeating us. At this game we must have more than one hundred percent out if we expect to win the state championship. Few of the students realize that the boys have been working hard this year and are on their way to win the state championship. The thing that they need is your support. You will see a game that you would have to pay at least a dollar to see any other place. The people that attended the last few games feel well repaid even though they are still hoarse from the effects of the lively cheering.

BASEBALL MEN ANXIOUS TO GET OUT

The daily papers are filled with accounts of the major league baseball teams hopping off to their southern training camps. This, along with the pleasant weather, has aroused the baseball men to action. Although it will be several weeks before the team gets working, the boys have been at work tossing the ball around in the gym. Last year's team is here intact with the exception of a catcher and a pitcher but these gaps will not be hard to fill due to the abundance of material in the Freshman class. The schedule for the coming Spring will consist of about eighteen games.

Beck—"Why didn't that fellow tip his hat?"
Heck—"He's Scotch."

aged to tie the score at 44 as the fourth period closed.

In the extra period with Gettysburg leading 45 to 44 Myerly was ruled out on personals. With him went Gettysburg's hopes of victory. There was no substitute to take his place and Gettysburg played with four men a short time and then Ross was ruled out. Bloomsburg's offer to allow him to remain in the game was rejected by the visitors.

A number of Danville residents watched the game and cheered for Myerly and "Chub" Arnold, Danville boys. Arnold played a steady game and three quarters of the time took Myerly's tap off from the center. This aided greatly in getting the Gettysburg attack under way.

Near the close of the game Bloomsburg started closing up and the crowd was in an uproar. Several times they got within three or four points of tying Gettysburg only to have the visitors come through with a score.

With the score 43 to 41 and the final minutes ticking swiftly away, Bloomsburg scored a field goal and the crowd went wild. The goal was not allowed, however, as the man had been fouled and the whistle had blown before the goal was made. The foul shot was missed. Gettysburg then made a free throw and had a four point lead. With defeat almost sure Bloomsburg came through with a foul and the field goal to tie the score at 44 as the game ended. When the extra period started Bloomsburg made a field goal and two fouls to get off to a four point lead. Gettysburg came back and Myerly and Arnold made field goals to make the score 48 all. Then Gardner who had replaced Reist a few minutes before made a foul and Gettysburg led 49 to 48. During an assault on the Gettysburg basket Myerly committed his fourth personal and was ruled out. With him went Gettysburg's hopes. Three field goals and a foul by Bloomsburg closed the scoring and the teachers had their ninth victory by the 55 to 49 score. The crowd was not an exceptionally large one but those who saw the game were delighted with and many declared it to have been the best game played here in many years.

The summary:

DIRECTOR OF TEACHER TRAINING DEPT. MOVE HEADQUARTERS

The office of the Director of Teacher Training has been moved from the position near the lobby to a position near the gymnasium. The offices are partitioned off neatly into separate compartments in order to facilitate the working of individuals to a greater extent. It also provides for more offices in closer contact with the main office of the director. This arrangement will give the director greater efficiency in running the affairs of his field.

WHAT HAPPENED TO THE NOVELTY GAME?

That was the cry to be heard through the halls when the upper classmen heard the sad news that this annual affair was to be postponed until some future date, due to the fact that Milton High was playing the Junior Varsity on Saturday night.

This freak basketball game has always been looked forward to during the basketball season as a big event. We hope however that this game will be played off before the end of the season as everyone is looking forward to a good time when it is played.

JUNIOR VARSITY DEFEATS MILTON

The Teachers' College Junior Varsity had little trouble winning from Milton High School 25 to 15, in the preliminary game on the College floor Saturday evening. Bloomsburg got the lead early and was never seriously threatened. Each team played without its star. Wilson, captain of the Junior varsity, was in Sunbury, while Moyer, Milton forward, was not with his team. The score at the end of the first half was 15 to 8 in favor of the local five.

The summary:

| Bloomsburg Junior Varsity | | | |
|---------------------------|-----------|-------------|-----------|
| | g. | fg. | pts. |
