In view of the fact that Prof. Most has severed his connection with the Edinboro State Normal School, and also when we remember the long and faithful services he has rendered this institution, therefore be it resolved:-

1. That we as a Faculty recognize in Prof. Chas. Morr a man of sterling and unimpeachable worth. We believe that his services in many ways, in the class room and out of it cannot be overestimated.

2. That we recognize Prof. Morr as an artist, a man who has as a Psychological group of the subject of drawing and teaches it in such a way as to develop the aesthetic tastes of the student and makes of it an uplifting and elevating study.

3. That we regret his resignation and the loss the school thus sustains and that we as a body shall miss him in our deliberations.

Signed by the entire faculty. These resolutions were read before the student body by Prof. Morrison at the Chapel exercises of the last day of the April term. Similar resolutions were read at the same time by the Pres. of the Senior class and also by the Junior class.
