FOREWORD

It is the purpose of this book to serve as your guide-book during a portion of your journey through college. Some of you have already passed several milestones on the road to your graduation. To many, this is the mere beginning. To all, this book should prove invaluable.

Within this book is enclosed a great fund of information, all relevant to your college life: rules and regulations, the grading system, absences, and student behavior. It contains your Student Council Constitution, songs, cheers, and much more. This is your book. Use it!

There are some things which no book can include. The attitudes of being helpful, friendly, mannerly, courteous, and thoughtful must be developed by each individual. You alone are able to make these part of your educational achievement.

Acknowledgement is made to Mrs. Elizabeth Miller, our Dean of Women, who has rendered valuable assistance in the preparation of this book.

May this year prove to be a pleasant and worthwhile part of your educational sojourn.

For the Student Council
John W. Greenawalt, Pres.

PRESIDENT'S GREETING

Through the medium of this Handbook, it is a pleasant privilege to extend greetings to the freshmen who constitute the class of 1953. For you it is the beginning of another, a different phase of your life experience. More than ever before, you are the organizers of your own time. We hope that you will soon adjust yourselves to life on Edinboro's campus. The opportunity is here. May you make the most of it.

To the upperclassmen — we welcome you back. You will find that the college has not been standing still during the summer. New equipment in the laboratories, new books in the library, much needed maintenance work will make Edinboro a better and more pleasant place. Then we look to you to perform an important function in making all on our campus for the first time feel at home. In your hands rests largely the responsibility of carrying on the traditions of Edinboro.

L. H. Van Houten
President

HISTORY

Eighty-seven years have gone by since Edinboro was first chartered as a State Normal School — eighty-seven years of growth and service to the Commonwealth of Pennsylvania. The beginnings of the college were laid in 1857 when a band of Scotch-Irish farmers grouped together and founded a private academy at Edinboro by popular subscription, but it was not until 1861 that it was chartered by the State as Pennsylvania's second Normal School.

A great forward stride was taken in 1914, when the Commonwealth purchased Edinboro Normal School and made it the property of the State. Twelve years later, realizing the need of the schools of Pennsylvania for better-educated teachers, the Commonwealth made Edinboro a Teachers College by organizing a four-year curriculum leading to the degree of Bachelor of Science in Education.

Although designed primarily to serve the counties of Erie, Crawford, Mercer, Venango, and Warren, Edinboro receives and welcomes students from every section of this state and from other states.

As a result of the building program concluded in 1940 there are four new buildings, — gymnasium, training and demonstra-

tion school, power plant, and spacious auditorium. For these and the older buildings, the campus of thirty-eight acres makes an appropriate setting. Haven Hall, the women's dormitory, was built during the administration of John F. Bigler. Reeder Hall, the men's dormitory, was built in 1907 and named in honor of one of the early donors of the school. Academy Hall, known recently as Music Hall, is the oldest building on the campus, having been built about 1857. Normal Hall was built in 1875 and in 1891 was considerably enlarged. Today it contains the administration offices, the library, several classrooms, and the old auditorium. Recitation Hall, built early in the history of the school, provides class room space. The New Gymnasium, with its excellent athletic facilities, now overshadows the old gymnasium, which is outmoded. Loveland Hall is named for the late Mr. Frank Loveland of Corry, who for many years was a trustee of the College; this building was built in 1930 and houses the Art and Science departments. A temporary science building was erected by the Federal Works Agency in 1947.

We are rightly proud of our campus because of its attractiveness, its accommodations and its traditions. We hope this pride will continue to be shared by all incoming students.

CONTROL OF THE COLLEGE

The control of the College is vested in the Board of Trustees, composed of nine members with John K. Earp, as President, and Will P. Rose as Vice-President. The Governor of the Commonwealth, the State Superintendent of Public Instruction, and the President of the College are ex-officio members.

INFIRMARY

The College Nurse lives in a room adjoining the Infirmary which is located on the third floor of Haven Hall. Dr. Harold Ghering, the College Physician, is at the infirmary between 11:00 A.M. and 12:00 Noon.

While the Nurse can be found at the Infirmary at practically any time, students are asked to respect the following office hours:

7:45 A.M. to 9:00 A.M.
11:00 A.M. to 12:00 Noon
4:00 P.M. to 5:00 P.M.

IN CASE OF EMERGENCY, the students may call Doctor Ghering at the Clinic, Edinboro 2181 or at his home, Edinboro 2174.

ILLNESS IN ROOM

The illness of any student in his room must be reported immediately to the Col-

lege Nurse. She or the physician will visit him and prescribe treatment. The student will be moved to the Infirmary if necessary.

Off-Campus and day students also have the services of the physician and nurse.

REQUESTS FOR TRAYS

Requests for trays for students ill in their rooms must be made to the nurse before the following hours:

For breakfast 7:00 A.M.
For luncheon 11:30 A.M.
For dinner 5:30 P.M.

DINING ROOM

Meals are served to boarding students in the College dining room located in Haven Hall. The dining room, which seats 400 people, accommodates all the boarding students because the self-service method is used in serving meals. Meal hours are:

THE LIBRARY

The entering student at Edinboro State Teachers College soon discovers the educational and recreational facilities available in our College Library. Approximately twenty-six thousand volumes offer a wide range for reference and study. A generous fiction section and 193 magazines and periodicals give the student an opportunity to fill leisure hours with enjoyable reading.

Our library has the distinction of being one of the few in the state which employs open shelves for all books, thus allowing all students easy access to the volumes. Of course, this system must be carefully super-

vised and consequently certain rules must be observed:

1. All books which have been definitely assigned to classes are placed on shelves directly behind the desk and are known as the Reserve Books. Such books may be withdrawn at 5:00 P.M., and returned at 7:00 P.M., or taken at 8:30 P.M. and returned before 9:00 A.M. the following morning. Failure to observe these rules will result in a fine of ten cents per hour.

2. Books not on reserve but in demand are termed "overnight books" and may leave the Library at any time of the day or overnight and must be returned before 9:00 A.M. the following day. Penalty for late return is ten cents a day.

3. All books except those on reserve may be withdrawn for two weeks; a fine of two cents a day will be charged for books kept overtime. Encyclopaedia volumes and dictionaries may not be withdrawn.

4. Magazines may be withdrawn from the Library subject to the same rules as Reserve Books.

5. No student will be issued grades or credits until all library obligations have been settled.

6. No books may be removed from the Library except by proper charging at the

desk by the Librarian in charge. Anyone taking books not properly charged from the Library will be subject to a fine of \$5.00 for each book and suspension from all College activities until such fines are paid. Clipping and marking books is always prohibited.

The Library is located on the second floor of Normal Hall and throughout the year will observe the following hours:

Monday through Friday
8:00 A.M. — 5:30 P.M.
7:00 P.M. — 9:00 P.M.

Saturday
8:00 A.M. — Noon
1:00 P.M. — 4:00 P.M.

ACADEMIC STANDARDS

Grading System

Standards indicating the quality of work are:

- "A" — grade given to students whose work is clearly of an exceptional nature.
- "B" — grade given to students who do distinctly superior work.
- "C" — grade representing work of good quality.
- "D" — grade indicating unsatisfactory work.

"F" — grade indicating failure. Any course in which an "F" grade has been earned must be repeated.

"X" — not a grade, but a mark indicating that the student, for some justifiable cause, has not been able to complete the required work within the time limit.

The Dean's List

Twice a year there is published, "The Dean's List," a list of students who have made a grade "B" or better in every course taken during the previous semester.

Classes

The following number of credits are necessary to become a member of each class:

Sophomore — 32
Junior — 64
Senior — 96
Graduate — 128 or degree

REGISTRATION

Students are reminded to register and pay fees on the assigned dates. **All fees must be paid in advance.** Permission must be obtained from the President of the College in advance to avoid penalty for late payment.

Dates of registration and payment of fees may be found in the Calendar.

ABSENCE AND TARDINESS

Students should be familiar with the method of securing excuses for absences from class. The burden of responsibility for absence and tardiness rests at all times upon the individual involved. He must take the initiative in planning for making up work after an absence. The following procedure should be understood and followed carefully:

1. Report illness promptly to the College Nurse or the College Physician and secure a proper statement.
2. Present the medical statement to the Dean of Men or Dean of Women and ask for an excuse.
3. In case of an absence for any reason other than illness, report directly to the Dean to request an excuse.
4. Present the Dean's excuse to your instructors immediately upon returning to class. After your instructor signs the excuse, file it for future reference.
5. Make arrangements for make-up work.

6. If excuses are not obtained from the Dean of Men or from the Dean of Women and presented to the instructors within seven days after the absence, the absences will be considered unexcused.

7. Regulations pertaining to absences from classes will be presented to each student at the time of registration. Please note that no unexcused absence is without penalty.

ASSEMBLY

Each Wednesday morning the entire student body meets in the auditorium for a period of worship and entertainment. The programs are varied and consist of lectures by prominent thinkers, musical recitals, plays, skits, movies, and important announcements. A committee of students meets with the faculty sponsors to plan the programs.

Every student at Edinboro is required to attend. An assembly seating list will be prepared with seats assigned and attendance will be checked. The list of absentees will be filed in the office of the Dean of Instruction. Each unexcused absence automatically lowers by one point the total accumulation of quality points which the student has earned toward graduation.

STUDENT GOVERNMENT

Student Council

The Student-Faculty Council considers and enacts much legislation in connection with campus problems. Probably its most important function is the budgeting of the Student-Activity Fund. The Council meets regularly and is always ready to listen to and discuss any new proposal for college progress. Council meetings are open to any of the student body who wish to attend.

Council members are elected by the student body and faculty and serve for two semesters. Membership in this group should be considered a very high honor.

CONSTITUTION

Revised 1948

ARTICLE I

Name

The name of this organization shall be the Student-Faculty Co-operative Government of the Edinboro State Teachers College.

ARTICLE II

Purpose

While appreciating deeply the province and functions of the Trustees, College President, Dean of Instruction, the Dean of Women, Bursar and other officials and faculty committees and members, organized chiefly for administering the business and in-

struction of the college, we, the students, the faculty, and the President of the College, feel that there still remains unoccupied a large promising field for co-operative service. Accordingly, we do hereby declare that the purpose of the Co-operative Government is to take over increasingly the responsibility for organizing and directing purely student affairs, to co-operate with the proper college authorities in matters of student welfare, and to seek constantly to make the college a better agency for developing effective citizens and teachers.

ARTICLE III

Membership

The membership of this Co-operative Government shall consist of all students, all faculty members, and the President of the College.

ARTICLE IV

General Organization

Section 1. The functions of this Co-operative Government shall be distributed as follows:

(a) legislative functions in relation to all student and student-faculty agencies now existing and to be organized are vested in a Council, and (b) executive functions, including the veto of any measure passed by the Council, are vested in the President of

the College.

Section 2. The existing student-faculty agencies and student organizations with faculty sponsors are to continue in their present form and to function as at present until such time as they may be modified either by vote of the Council and approved by the College President or by direction of the College President.

ARTICLE V

Membership, Election, Officers of the Council

Section 1. The Student Faculty-Council shall be composed of seventeen members, eight of whom—four men and four women—shall be students elected by the several classes, a representative from the Reeder Hall Council, a representative from the Haven Hall Council, a representative of off-campus men, a representative of off-campus women, a chairman, elected by popular vote, a faculty member elected by the faculty, a faculty member appointed by the President, the Dean of Men and the Dean of Women.

Section 2. Methods of election:

To be eligible for election to the Council students should be outstanding in character and ability and have a college record of better than a "C" average.

Each class shall elect annually, at the beginning of the first semester, a woman, and, at the beginning of the second semester, a man, the men and women each to serve for two semesters. During the first quarter of the first semester the freshmen class shall also elect annually a man to represent it for one semester.

The following method shall be used to elect class representatives:

The president of each class shall appoint a nominating committee of three which shall submit at a meeting of the class at least two nominations for each membership on the Council. These names shall be posted on the official bulletin board of the college for one week prior to the election, which must be completed, for the first semester election, by October 1 for the upper three classes and by the end of the first quarter for freshmen, and for the second semester election, by February 15. From this group of nominations, with or without additional nominations that may be made from the floor, the class shall elect by ballot its two representatives on the Council.

Other groups shall elect their representatives by popular vote prior to October 1.

The chairman shall be elected in the following manner: As soon as possible after the opening of the second semester, the

president of the junior class shall appoint a nominating committee of three, who shall nominate at least two persons from the junior class as candidates for the office of Chairman of the Council. In addition, any junior may be eligible for this office if a petition signed by twenty-five students, requesting that his name be placed on the ballot, be presented to the secretary of the Council at least forty-eight hours before the election. Names of all candidates shall be posted on the official bulletin board at least twenty-four hours before the election. The election shall take place at an assembly not later than February 15, at which time each candidate will speak about his aims or plans regarding the Student-Faculty Co-operative Government. Following the speeches, the students shall elect the Chairman of the Council by ballot.

Section 3. Any student vacancy on the Council shall be filled for the balance of his term at a special election conducted in the same manner as herein prescribed for the regular election or appointment. Nothing in this Constitution shall prevent the election of any student doing student teaching in Erie, or shall prevent any student from succeeding himself or herself.

Section 4. The other officers of the Council, which shall be vice-chairman and a sec-

retary, shall be chosen annually by the Council from its student members immediately after the new president has taken office.

At such assembly meetings the Chairman, or, in his absence, the vice-chairman, of the Council shall preside; the secretary of the Council shall record the minutes.

ARTICLE VII

Powers of the President of the College

Because of the nature of the office of the President of the College and his responsibilities to the Board of Trustees, the State Superintendent of Public Instruction, the State Council of Education, and the Governor,* the President is an ex-officio member of all committees and to him is reserved the duty and right of final approval of all acts, rules and regulations that may be devised or offered.

REGULATIONS FOR THE USE OF THE WOMEN'S DAY STUDENTS' ROOMS

All women who are not living in the dormitory may study or relax in the Day Student Rooms, located in the basement at the end of Normal Hall, whenever they do not have a class during the day. This room is open daily from 7:30 A.M. to 6:00 P.M. and Saturdays from 7:30 A.M. to 12:00 noon.

The parlors of Haven Hall are open to all women students. Also available for use is the Social Room in the basement of Haven Hall, which is open during the regular dormitory hours.

REGULATIONS FOR MEN STUDENTS

Men's regulations for Reeder Hall are controlled by the Reeder Hall House Council and the Dean of Men. The House Council is elected by the men students and consists of one representative of each class.

The main insistence is that behavior be temperate. All men are expected to cooperate in respect to the matter of all women's regulations. No man is permitted to be in Haven Hall Lobby until after 6:40 in the evening, at which time he is to be in the company of a woman student. All men are expected to enter and leave Haven Hall by the north entrance at mealtimes. Men must appear in jacket sweaters, sports jackets, or suit coats, all with collared shirts at each evening meal Monday through Friday. At the Saturday evening meal and Sunday noon meal shirts with ties must be worn with sport jackets or suit coats.

Men students are asked to use the Meadville Street walk when returning to the dormitories after 7:00 P.M., except when

they are escorting women to the campus residences.

No intoxicating drinks may be brought into the dormitory. No men students under the age of twenty-one are permitted the use of alcoholic beverages, anywhere, at any time. All men who smoke will use metal ash traps. For safety reasons, use of any electrical appliances is not permitted in the dormitory or rooming houses.

All men maintaining a grade less than "C" in any subject will be expected to be in their rooms studying by 9:00 P.M., Monday through Friday.

REGULATIONS FOR OFF-CAMPUS MEN

Men living off-campus are not segregated in any way from those living on campus. They have a representative in the Student Council who helps advise and settle problems pertaining to the off-campus group. Rules applying to men living in the college dormitory apply to those outside the dormitory.

REGULATIONS CONCERNING CARS ON CAMPUS

Students retaining cars in Edinboro are required to register the cars with the Dean

of Men and to obtain a campus license sticker. Car permission may be removed at any time for reckless driving on campus.

RECREATION ROOM

A temporary recreation center operates in the basement of Normal Hall on weekday evenings from 6:30 to 8:00 P.M. except evenings when a major social function or athletic event is scheduled. Ping-pong, dancing, and cards are featured. This is a project of the Student-Faculty Cooperative Council.

SCHEDULING SOCIAL ACTIVITIES

To avoid conflict it has been necessary to have one central office where all social events can be scheduled. This scheduling duty has been delegated to the Dean of Women. Before advertising any evening activity, it is necessary to have the activity recorded on the Social Calendar in the office of the Dean of Women.

The Dean of Women, acting in this scheduling capacity, represents the College Social Committee and, under its instruction, seeks to maintain a well-balanced and satisfactory social program. Permission for scheduling an event may be denied when

the general Social Calendar or the Calendar for a particular organization seems overcrowded, or when the maintenance of high academic standards in the college would seem to discourage the activity in question.

A form, **Student Social Function and Trips**, is to be obtained at the Dean of Women's Office by any organization planning a major social event. The form is to be completed and approved by the organization advisor and returned to the Dean of Women's Office at least one week before the date of the activity. Failure to comply with this regulation may result in cancellation of the date.

Assignment of rooms for social activities is administered by the Dean of Women. Assignment of rooms for meeting and activity purposes is administered through the Dean of Instruction's Office.

FRATERNITY AND CLUB INITIATIONS

No physical punishment shall be administered at any time.

Any public initiation program shall be submitted in writing for approval to the sponsor, the Dean of Men, and the Dean of Women at least one day before the initiation begins.

The initiation program shall include no activities on campus during class hours and no activities which disturb the public in general.

The initiation program shall be conducted in such a manner that classroom work may proceed as usual. Any mode of dress or any actions which attract undue attention are undesirable.

EXTRA-CURRICULAR PROGRAM

Every person who graduates from Edinboro and becomes a teacher will be expected to assume leadership in community life and school activities. In a large percentage of cases the teacher will be expected to sponsor clubs and other student groups. Therefore, it is very important that every student in college becomes accustomed to certain activities and familiar with the techniques of discussion, parliamentary law, record keeping, and the general promotion of student activities. Even if a teacher never becomes a club sponsor, the educational value of participation in these activities in college is perhaps as great as that of some course of study. It is, therefore, the policy of the College that each student shall each semester be a member of some club or other activity aside from athletics.

In the College year of 1949-50, the following plan of extra-curricular activities will be in effect:

1. At the beginning of the semester each student will be given the opportunity of stating a preference for any club or activity in which he is interested.

2. A club or activity may be set up on petition of not fewer than fifteen students with the approval of the Committee on Student Activities.

3. All organizations will provide for regular meetings.

4. No meeting shall be held without at least one faculty advisor present.

There will be the widest liberty consistent with good educational practice in the selection of the clubs. Each student should be a member of some activity in which he has a native and vital interest.

Early in the semester, after sufficient time for the organization of activities, there will be a check-up by the Committee on Student Activities of all student choices. Lists of those who are late in joining activities will be furnished by the Dean of Men, the Dean of Women, and the Dean of Instruction.

Each club or activity is to choose its own Faculty Advisor subject to the consent of

the faculty member concerned and the approval of the Committee on Student Activities. The Faculty Advisor is not to be responsible for planning the program of the activity since his relationship is only advisory.

Each activity is to have a Secretary, whose duty it shall be to record and report its membership and program as follows:

(a) A membership report to be turned over to the Chairman of the Committee on Student Activities early each semester.

(b) Participation report of each individual member, of the office holders, attendance at meetings, and contribution to the program. This report is to go to the Dean of Instruction at the end of the semester.

(c) A monthly report of the activities of the club to be given the Chairman of the Committee on Student Activities.

Blanks for all these reports may be secured from the office of the Dean of Instruction.

ACTIVITIES

The Spectator

Few colleges can boast of a better newspaper than Edinboro's Spectator. The Spectator's reputation for good journalism has been a tradition at Edinboro. Published bi-weekly by an excellent staff of students, the

Spectator covers all phases of college life. Cost of publication is covered by the student activity fund and advertising; the paper is distributed free to all students. The Spectator offers an excellent opportunity for students to gain experience in newspaper work.

The Conneautteean

The Conneautteean, the college yearbook, published by the Junior class, is an enterprise in which the whole college plans an active part.

The name "Conneautteean" causes much speculation as to its derivation. Though many wonder, few find out that the annual takes its name from Lake Conneauttee, now known as Edinboro Lake.

The book, which is definitely a student enterprise, is put out by combined efforts of the student staff and the faculty advisor.

Dramatic Club

All students interested in participation in dramatic activities on campus are eligible for membership. Those who earn a total of fifty points in acting and back-stage work and who meet certain character and scholastic requirements are eligible for consideration for membership in Alpha Psi Omega, National Honorary Dramatic Fraternity.

The club will produce two public dramatic programs each year and will assist in the presentation of dramatic presentations of other clubs when requested.

The ScaRAB

The ScaRAB Club is an organization of all art students. Meetings will be subject to call by the President or either of the Faculty Advisors, Mr. Bates or Mr. Bruce.

The College Ensemble

The College Ensemble is a selected group of men and women singers who perform informally for club meetings, social functions, churches, etc. They also present special numbers at the Christmas Concert, Spring Musicales, and Assembly programs. Members are selected from the College Choir.

The Photography Club

Students interested in camera work will find interesting activity in the Photography Club. This group meets once each week and makes use of excellent darkroom facilities provided by the college in the basement of Normal Hall. Membership in the club is limited to twelve by selecting those who attend meetings regularly. Darkroom space and privileges are extended to students who participate. Special help is given to beginners as well as to those more advanced.

Alpha Delta Sorority

The Iota Chapter of the Alpha Delta Sorority is one of the seven chapters in the State Teachers Colleges of Pennsylvania and New York. Its membership is limited to one-third of the total enrollment of women students. The requirements are based on scholastic rating with no member being admitted with a "D" or an "F" in any subject. Character, abilities, and social attainments are also taken into consideration. The purpose of the sorority is to foster the development of all these traits toward the achievement of a socially integrated personality. The sorority meets every Monday evening in the sorority rooms of Music Hall.

Phi Sigma Pi Fraternity

Upsilon Chapter of Phi Sigma Pi, national professional educational fraternity, is a member of a nine-state organization that emphasizes the professional development of teachers and promotes the spirit of scholarship, brotherhood, and loyalty to the college. New members are chosen by the current membership on the basis of scholastic standing, social aptitude, and ability to lead. Lasting friendships are formed between the brothers of the fraternity.

Kappa Delta Phi Fraternity

Kappa Delta Phi, one of the nation's leading professional and social fraternities, was formed when the Beta Xi Fraternity received a national charter. The members of this group are selected by the careful discretion and thought of current members in conformity with college rules for rushing. The Kappa Delta Phi Fraternity is honored by having Mr. Doucette, a member of the faculty, elected as National President of the Fraternity.

Delta Phi Delta

Membership in Delta Phi Delta, national professional and honorary art fraternity, is limited to those Junior and Senior art students who have maintained an average of "superior" in art subjects and "good" in academic work. The purpose of the fraternity is to further a genuine interest in art, to recognize scholarship, and to promote professional fellowship. Pledges are chosen by members with the approval of the art faculty sponsors.

Mu Kappa Gamma

Mu Kappa Gamma, the honorary music fraternity, takes into its membership those students who contribute in an outstanding way to the musical life of the college. Scho-

larship, leadership, musical ability, cooperation, length of service, and participation in one or more musical organizations are points upon which membership is based.

Alpha Psi Omega

A chapter of the largest national honorary dramatic fraternity is maintained at Edinboro under the title of the The Gamma Kappa Cast. Because the requirements for initiation are very high, an average of only five students are accepted each year. Membership in the Edinboro Players is the first prerequisite for consideration for the honor. Each neophyte in the organization has excelled in at least one phase of Dramatic Art or has earned fifty points in the fields of acting, directing and backstaging work.

Forum Club

The Forum Club is a new organization on the campus, devoted to the discussion of current problems of national and international scope. The organization is principally of interest to social studies majors. However, students in other departments are welcome and in the past have served as officers and speakers. Members participate by research, speaking, or organization work.

Programs are arranged about every five weeks and are not too time-consuming to

detract from student's studies. Most programs* are presented in the evening, but at least two will be presented as the college assembly.

The Forum Club is sponsored jointly by the faculty members of the Social Studies Department. All new students and others who may be interested are invited to join and participate in the programs for the coming year.

The Biology Club

The main purpose of this club is to help students keep informed of the new things that are happening in the biological world. Although one of the newer organizations on campus, it has proved itself to be beneficial to those who belong, for it provides an opportunity to learn biology on field trips and excursions to places of biological interest.

The College Choir

The College Choir is a choral group whose repertoire includes sacred and secular numbers. It presents annually a Christmas Vesper Service and a Spring Musicale and, in addition, sponsors each year the appearance of some fine choral groups. Members are selected by tryouts early in each semester. All students who like to sing are urged to try out for this group.

Small Instrumental Ensembles

Small instrumental ensembles will be formed into trios, quartets, two-piano teams and other units if students who have talent will report to Mrs. Campbell and indicate an interest in activities.

The College Band

The Band members urge all students who play instruments to join with them to provide appropriate music for school functions—pep songs and marches for athletic events and rallies, school songs for "sings", etc. It is hoped that during the second semester, this may develop into a "concert band" which will provide music of a different type that can be used for assemblies, concerts, etc.

The Pershing Rifles

A National Honorary Military Fraternity was founded in 1894 by General (then Lieutenant) John J. Pershing at the University of Nebraska for the purpose of attaining greater proficiency in close order drill and to cultivate high morale among the cadets.

Membership in the Pershing Rifles is limited to those members of the R. O. T. C. Cadet Corps who have shown a high degree of proficiency and interest in Military Science.

The platoon organization of the Pershing Rifles at Edinboro State Teachers College is a part of the Company B-5 of the Pershing Rifles at Pennsylvania State College, and members pledged here automatically become members of the Pennsylvania State Chapter upon transferring there.

No major social affairs are planned.

ATHLETICS

Men's Athletics

The men's intercollegiate athletic program includes intercollegiate competition in wrestling, football, soccer, swimming, basketball, golf, track and tennis.

Intramural Sports

The college has expanded the intramural programs so that every student will have the opportunity of participating in his favorite sport. Besides the above-mentioned sports, the college is equipped for badminton, ping-pong, volleyball, softball, and many others.

W.A.A.

The Women's Athletic Association is a member of the Athletic Federation of College Women. It also is a member of the United States Field Hockey Association. The type of recreation is carefully chosen for the complete development of each student.

Every woman student, upon entering college, is elected to membership in either the Phis or the Deltas, who make up the national health recreational sorority Phi Delta Lambda. Throughout the year there is regular intramural competition between the two groups.

Our fall sports, outdoors, consist of horseback riding, field hockey, tennis and hiking; winter sports: skating, basketball, swimming, life saving, badminton, and bowling; spring sports, outdoors: archery, tennis, golf, hiking, softball, and horseback riding.

The W.A.A. is governed by a student council which meets every week to plan and guide all activities. The Association is based on a point system. Awards are presented at the end of fall, winter, and spring sports.

Every old member will be most anxious to welcome new students to the Phis and Deltas.

The "E" Club

The aim and purpose of the "E" Club, made up of the athletes who have won a varsity "E" in intercollegiate competition, is to maintain a high standard of athletics at Edinboro. It functions chiefly, therefore, in connection with athletic events.

Other important events of the year for this club are the "E" Club dance, the an-

annual intramural basketball games, and the annual athletic banquet. This club presents sweaters to all men earning varsity letters, jackets to three-year lettermen, and special awards to outstanding athletes.

YOUR CHURCH

Church Services

The Edinboro Churches offer students a variety of religious and social activities. The Young Peoples' groups hold weekly meetings, discussion groups, suppers, etc. Many students sing in the church choirs or serve as ushers throughout the school year. A cordial invitation is extended to all students to continue their religious affiliations with the churches here in town.

GENERAL INFORMATION

Rooms For Men

Men students will be housed in Reeder Hall or in any private home that has been approved by the Housing Committee.

Rooms For Women

Women students will be housed in Haven Hall, White Hall, or any private home that

has been approved by the Housing Committee.

Boarding Facilities

All students will be expected to eat in the College Dining Room. However, other arrangements may be made if approved by the College President.

Bus Service

Edinboro is situated on the main bus line between Pittsburgh and Erie. During the day and evening the busses run approximately every two hours. Because of the fact that the schedules are constantly changing, we shall not attempt to print them. The schedule may be obtained by calling 2481.

Book Store

Books and other supplies are obtainable at Cooper's Stationery Store. It is advisable to order your books as soon as possible after they have been designated by your instructors. Each student is expected to own the text books required in his classes.

Mail Service

The College receives two mail deliveries each day. Dormitory mail will be delivered directly to the students' mail boxes there. The College offers no service for the purchasing of stamps; such matters should be

handled by the individual students at the local post office. Lock boxes at the Edinboro post office may be secured at the rate of \$.60 a quarter.

General Fire Regulations

Fire drills are required by the laws of the Commonwealth. Signal for drills will not be announced and will be given always by some particular person designated for this duty. The first fire alarm is always a call to the persons to participate.

The following drill procedure should be observed:

1. When the alarm is given, close all windows to prevent draft.
2. Empty first floors and basements first.
3. Order: students to leave first, followed by faculty.
4. Keep to the right. Avoid running and rushing.

Responsibility for the observance of fire drills and other fire regulations falls to all persons — students, faculty, and employees. Custodians of the various buildings will see that instructions are given to meet the particular needs in each building.

Laundry Service

Students are permitted the use of tubs, ironing boards and electric irons in the base-

ment of Haven Hall. The laundry is reserved for the use of men on Fridays.

Personal laundry of dormitory students is done free of charge provided the articles to be washed are color-fast and tied securely in a laundry bag made especially for steam laundry. All bags and articles to be washed should be clearly marked with the name of the owner. Students are advised not to send fine pieces to the college laundry.

Women's laundry bags are to be at the foot of the basement stairs by nine o'clock on Wednesday mornings. These are to be called for on Wednesday after lunch.

Men's laundry bags are to be in the back entrance to Reeder Hall by nine o'clock on Monday morning. This service includes no more than twelve pieces, including two shirts. Laundry is to be called for Friday.

Laundry bags may be purchased at any of several stores in Edinboro.

All students living on the campus are entitled to seventy-five cents worth of laundry based on price list. For additional laundry the schedule of charge should be consulted. Payment will be made when laundry work is completed.

Telephone Service

Telephones on a private College branch (Edinboro 3301) are located in various

places on the campus. Outside calls in Edinboro may only be made by students through station "78", and there it will be necessary to dial "O", before dialing the number listed in the directory.

Long distance calls may only be made over the pay telephones found in each dormitory.

Student Self-Help

There are a limited number of part-time positions available at the college, and it is anticipated that there will be a few jobs available in the community.

If you would like a part-time job, it is advisable that you apply to Mr. Earley as soon as possible.

Loans

A small loan fund administered by the Edinboro Chapter of the Edinboro College Alumni Association is available. Consult the Dean's Office for information about a loan.

SONGS AND CHEERS

Alma Mater

(Aloha)

Hail to thee, our Alma Mater glorious,
Fresh wreaths we bring to bind thy brow;
Trails past thou has withstood victorious
Never fairer, never statelier than now.

O Edinboro, Edinboro,
We revere thee, love thee, serve thee ever.

While class speeds class
As swift years pass,
To thee our hearts are true.

Winds That Sweep the Campus

Winds that sweep the campus,
Winds that stir the tree,
Sweep around her towers
Standing calm and still
Through the Winter's darkness,
Through the summer shine,
Bear her our blessings
Through glad good will.

Dear Home of College Days

(Old Refrain)

Dear home of college days so great and free,
Thy sons and daughters will be true to thee.
Thy love we'll cherish and thy fame declare,
Loyal to thee, and to thy name so fair.

Chorus

So raise your voices all, and honor give,
Her fame and glory may they ever live.
Through joy and sorrow as the years go by,
And with a constancy that cannot die.

Pep Song

Edinboro College, we will sing to you
We'll defend your standards
In whate'er we do.
"Hail, hail, the gang's all here".
Round thy colors bright
We'll stick together for the
Crimson and White.

Hand Me Down My Bonnet

Hand me down my bonnet,
Hand me down my shawl,
Hand me down my calico dress,
I'm going to the Calico Ball.

First she gave me honey,
Then she gave me cake,
And then she gave me gingerbread
For kissing her at the gate.

O . . . as we go marching,
And the band begins to play
You can hear the people shouting
"Edinboro College wins today".

Victory Song

On you old Red Raiders,
Beat those darned invaders
And march on to Victory.
Down the floor we'll thunder;
We'll put them asunder
And march on to Victory.
Dribble, dribble, dribble down the floor,
Onward, onward piling up the score.
Sun will shine tomorrow;
For we've won E. S. T. — C.
