## Alma Mater

*(Aloha)*

Hail to thee, our Alma Mater glorious!  
Fresh wreathes we bring to bind thy brow.  
Trials past thou hast withstood victorious,  
Never fairer, never statelier than now.

O Edinboro, Edinboro

We revere thee, love thee, serve thee ever.  
While class speeds class,  
As swift years pass,  
To thee our hearts are true.

## Handbook Editor's Message

This student handbook has been compiled for the students of Edinboro State College. Its purpose is to aid the Freshmen in gaining an understanding of the functions, regulations, customs, and activities of this college; and to provide all students with a calendar of events for the school year.

The editor wishes to extend her thanks to Charles Babbitt, Julie Cunningham, Ted Hedman, Mr. Henry Katzwinkel, Mr. Ray Stapp, and Mr. William Cornell for their help in compiling this handbook.

## **College President's Message**

Edinboro's function has continued to be the education of teachers and the making of provision for additional educational opportunities for the youth of Pennsylvania.

Teachers are particularly needed to man the schools of this state and nation. Facilities here at Edinboro are being expanded and additional faculty are being employed in order that the college may do everything in its power to meet this challenge. But, far more than facilities and faculty are needed. A spirit of dedication, a desire to serve and a willingness to work in order to learn are absolutely necessary to a successful teaching career.

Coming to this college as you do at the period of a great upsurge in enrollment, you may find both living and study conditions crowded. It will depend more upon you personally than ever before to make yourself self-sufficient.

The students, faculty, alumni, and friends of the college have worked together to make possible many of the things which are now a part of this campus and a part of the college as a whole. Each of us shares in the total of what is already here, but each one of us has the responsibility to add his own individual contribution to this college. If each one of us will do everything within his power to retain just as many as possible of our present good qualifications, as we grow into a larger institution with its many possibilities for an enriched and expanded program, the results can well be good for nearly all of us.

This handbook is prepared by our students and faculty to assist you in your work at this college. You are urged to read it with care, to follow its precepts carefully, to treat it as a storehouse of information to which you will make frequent reference, and to keep it as a source of guidance throughout the entire year. Read carefully the constitution of the faculty-student government body so

you may know the part this organization plays in the life of the college.

It is my hope that every one of us here on campus, this year, may have a pleasant and profitable experience as we go from task to task in the total process of educating ourselves for the challenges which lie ahead.

Sincerely,

THOMAS R. MILLER

*President*

*From left to right: Kathy Antonacci, Vice-President; Charles Babbitt, President; Susan Shallcross, Secretary.*

## Welcome To Edinboro

The student body and the members of the Student-Faculty Cooperative Government extend to you their welcome to the Edinboro Campus—a welcome in the spirit of friendship and cooperation.

Your 1962-63 edition of the student handbook is presented to you as a guide book of information about the college and its activities for this year.

Best wishes to each of you for a happy, successful, and purposeful college year.

CHARLES BABBITT  
President of Student-  
Faculty Cooperative Government

## The College's 105 Year History

The beginnings of the college were laid in 1857, over one hundred years ago, when a band of Scotch-Irish farmers grouped together and founded a private normal school at Edinboro by popular subscription to train teachers. In 1861 it was chartered by the Commonwealth as Pennsylvania's second Normal School and developed and grew through service to the Commonwealth.

A great forward stride was taken in 1914, when the Commonwealth purchased Edinboro Normal School. In 1926, alerted to the need for better educated teachers for its schools, Pennsylvania made Edinboro a Teachers College offering a four-year curriculum leading to degrees of Bachelor of Science in Secondary, Elementary, and Art Education, and Library Science.

In 1960 the name of the college was changed to Edinboro State College.

Beginning in September of 1957, the college was empowered to grant degrees of Master of Education in Elementary Education. In September 1961, graduate study in secondary education was added to the graduate program.

This fall marks the institution of the arts and science program. Students may prepare for various vocations as an arts and science major in the Humanities, Social Sciences or Natural Sciences.

The control of the College is vested in the Board of Trustees, composed of nine members appointed by the Governor of Pennsylvania. The Board of Trustees in turn elect the President of the College who is responsible for its administration. The State Superintendent of Public Instruction is an ex-officio member of the Board of Trustees.

The college is accredited by the National Council for Accreditation of Teacher Education, the Middle States Association of Colleges and Secondary Schools, and the American Medical Association. In addition, its curriculums are registered by the New York State Department of Education.

## Tips to the Freshmen

Freshmen at Edinboro are expected to conduct themselves in accordance with the standards normally adhered to by self-respecting, educated men and women. Students should keep in mind that they are being educated for teaching and other important professions.

The faculty at Edinboro stands ready to assist every student to cultivate habits of study application, self-control, a sense of human and profound interest in furthering the high ideals traditionally a part of Edinboro College.

In order to gain a feeling of being a part of Edinboro College, freshmen and upper classmen, should practice the following:

1. Always be ready with a cheerful, courteous greeting for your fellow students, faculty members, and visitors on the campus.
2. Develop the Edinboro College spirit. You must believe that Edinboro is the finest college, and that your class is the best class, and try to make yourself the best student.
3. Be courteous and observe the best rules of etiquette at all times.
4. Always present a well-groomed appearance.
5. Attend classes and assemblies regularly.
6. Attend the church services of your faith.
7. Plan for, and get eight hours of sleep every night.
8. Be careful of your personal property. Label all your property with your name.

The college reserves the right to suspend or dismiss any student whose influence or conduct is found to be injurious to the high standard of morals and scholarship of the student body, or whose conduct is prejudicial to the good name of the college.

### Freshmen Customs

By observing freshman customs in the proper spirit every student can acquire the qualities which will make him a worthy member of his college—an attitude of friendliness towards all other college

students, a respect for the standards and traditions of his school, and a familiarity with the things that constitute its own special trademark, i.e., its cheers, its Alma Mater and other songs. In addition, the new student will learn that he belongs not only to the freshman class, but to the college as a whole.

### Customs Regulations

1. Dinks and signs must be worn Monday thru Friday from 8 a.m. to 5 p.m., and on Saturdays from 8 a.m. to 12 in the afternoon.
2. Dinks and signs are not worn on Sundays.
3. Signs must be worn to all evening activities during the two weeks of orientation.
4. Freshmen must always carry their handbooks, except to evening affairs.
5. Orientation will last from September 8 thru the 21st. Dinks and signs must be worn during these two weeks.
6. Learn the school songs and cheers, especially the Alma Mater.
7. Freshmen must attend all football games, pep rallies, and Freshman Tribunal meetings.
8. Freshmen must never walk on the campus lawn.
9. Freshmen must greet upperclassmen by tipping their dinks and by saying, "Good morning, good evening, etc."
10. Remember, you are now all members of the Edinboro State College student body.

### College Assemblies

A series of college assemblies is presented during the school year. A number of evening programs are also presented.

A committee of faculty members and students plan both day and evening programs. It is the purpose of these programs to supplement and enrich the curricular offerings of the college.

### Registration

Students are reminded to register and pay fees on the assigned dates. All fees must be paid in advance. Permission must be obtained from the President of the College in advance to avoid penalty for late payment.

Dates of registration and payment of fees may be found in the Calendar printed in the back of this Handbook.

### Withdrawal Procedure

Any student finding it necessary to withdraw from college at a time other than the close of a semester should report to the office of the Dean of Instruction, Business Office, and the Dean of Men or Dean of Women prior to departure.

### Academic Standards

#### Grading System

- "A"—indicates student performances of a clearly exceptional nature.
- "B"—grade earned by student doing distinctly superior work.
- "C"—grade indicating work of satisfactory quality.
- "D"—grade indicating unsatisfactory work.

- "F"—grade indicating failure. A required course in which an "F" grade has been earned must be repeated.
- "X"—not a grade but a mark indicating that the student, for justifiable cause, has not been able to complete the required work within the time limit.
- "W"—indicates withdrawal from a course. No withdrawals are valid unless the student has secured the approval of the Dean of Instruction.

#### The Dean's List

Twice a year there is published the Dean's List to honor students who have made a grade of "B" or better in every course taken during the previous semester.

#### Class Membership

The number of semester hours credit listed below is the minimum number necessary for membership in the four classes.

Sophomore .....	32
Junior .....	64
Senior .....	96
Graduate . . . . Bachelor's Degree (128)	

#### Admission to Upper Division

In that semester in which a student expects to complete fifty-six semester hours of credit, he shall file a written application for admission to the Upper Division of the college on a form provided by the Office of the Dean of Instruction.

Favorable action on the student's request will depend upon:

1. Attaining a cumulative academic record with a quality point per semester hour ratio of not less than 2.0.
2. Removing from his record all deficiencies.
3. Achieving favorable teaching personality ratings from members of the college faculty committee on selective promotion.
4. Attaining satisfactory scores on the Upper Division qualifying examinations.

Students who fail to attain the standards for admission to the Upper Division will be permitted to remain in attendance for one semester or one complete summer session after which requirements for the Upper Division must be attained. The privilege of remaining in college beyond an additional semester or summer session without attaining the Upper Division will be denied except for very unusual conditions.

#### Probation

A student is placed on probation for one of two reasons:

1. He was admitted to the college on a probationary basis, or
2. He earned a cumulative average of less than 2.0.

A student who has been permitted to attend college on a probationary basis may be asked to withdraw from college unless he earns and maintains a cumulative quality point average of not less than 2.0 or his record shows evidence of progress deemed satisfactory by the Scholarship Committee.

#### Absence and Tardiness

For students with a quality point average of 2.0 or greater, no formal excuse will be required for a number of absences equal to the number of semester hours for which a course is offered. Any additional absence must be justified by presenting to the personnel Dean concerned, evidence of a bona fide illness or equally justifiable cause to prevent being excluded from the course with a failing grade.

A student with a quality point average of less than 2.0 or a student on academic probation is required to submit evidence of just cause for every absence.

Permission to make up work from which a student was absent (until the critical absence has occurred) will be granted or denied at the discretion of the instructor of the course. The critical absence is the absence numerically one greater than the number of semester hours for which the course is offered.

Students are urged to have all legitimate absences recorded by presenting to the personnel Deans evidence judged by the Dean to be valid.

Absence from class 24 hours before or 24 hours after the termination of a vacation will be counted as a *double absence*.

The case of a student who accumulates a number of absences equal to twice the number of semester hours of credit for which the course is offered will be reviewed at a meeting with the student, the instructor, and the personnel Dean concerned present. Inability of the student to justify such an absence record will result in exclusion from the course with a failing grade.

Anticipated absence from a student teaching assignment requires prior approval from the Director of Student Teaching. Any absence from student teaching requires evidence of just cause.

#### Student Employment

There are a limited number of part-time positions available at the College, and it is anticipated that there will be a few jobs available about the community.

To be eligible for employment a student must:

1. Be matriculated as a full time students in a four-year curriculum.
2. Be rooming on the campus unless existing facilities do not permit.
3. *Have earned an all-college average of not less than a "C".*

Students desiring more information should apply at the Admissions Office.

#### Scholarships and Loan Funds

##### State Scholarships

The Dept. of Public Instruction annually awards scholarships on the basis of competitive examinations held on the first Friday of May each year. These are awarded to each county and Senatorial

district in the State. Each scholarship is worth \$200.

### *Other Scholarships*

The Penna. Congress of Parents and Teachers each year makes available two or more scholarships. These are the Hanna Kent Schoff Memorial Scholarships at each of the state colleges of Pennsylvania. These awards are made on the basis of high school grades and results on an entrance examination.

Women's Clubs Art Scholarships are awarded each year to three art students who have achieved sophomore or higher class standings. These grants range from \$100 to \$150.

The Soroptimist International, a classified service club for women, yearly awards \$1000 to outstanding prospective women teachers. One must be a resident of Erie County, in need of financial assistance and at least a junior.

### **National Defense Loans**

Through the cooperation of the federal government, an amount of money is allotted for loans to outstanding students studying to be teachers. These loans are to be repaid after graduation.

Applications are available in the office of the Dean of Instruction.

### **Student Advisory Program**

A student advisory program provides for every student a friendly faculty member as a consultant and advisor. Thus each student as an individual will be well known by at least one college faculty member. The primary purpose of the advisory program is to assist students to attain satisfactory performance in all aspects of college activities.

The personal faculty advisor will offer the student counsel of a personal, social and academic nature to assist him to succeed in college to the limit of his ability. These advisors are concerned with habits of study, knowledge of study skills, best

utilization of time in college, participation in activities.

Students receive curriculum advice and guidance from the faculty registration advisors who have charge of registration in the three curriculums. These faculty members are regarded as specialists in offering advice relating to curriculums and electives.

Students with special curriculum problems created by transfer, acceleration, failure, or for other reasons must work out their schedules with the Dean of Instruction.

All freshman students are assigned personal advisors. These assignments are designed to bring the student in contact with a faculty member who has similar interests and is likely to be in sympathy with his particular aspirations.

The ultimate aim of the advisory system is to help the student learn how to solve his own problems.

Faculty members will post their office hours outside their office doors. If you are not free at any of the times indicated, it will be necessary to make an appointment with the faculty member you wish to see. Offices and phone numbers are listed in the front of the Handbook.

### **The Library**

Hamilton Library opened its door to welcome the students in the fall of 1961 after a summer spent in moving book stock and organizing the new services. Strategically located to become the focal point of the expanding campus, it represents one of the more modern and functional college libraries in Pennsylvania.

The library was planned to house 100,000 volumes and now has approximately 66,000 volumes. Plans are already being considered for an addition which will be needed in the near future to house the projected addition of 10,000 volumes per year.

The library retains the open shelf arrangement

making the books easily accessible to the students yet providing careful supervision. The lay out of the library provides stack areas and nearby reading areas coordinated to reduce traffic and attendant noise.

Facilities provided on the first floor are: current periodical and reference area, fine arts center, curriculum materials laboratory, education area, reserve book and service area, offices, and technical processing space. On second floor will be found a service area, general stack area, bound and unbound periodical shelving, microfilm viewing booths and storage, a large music listening room equipped with individual booths for earphone listening, a faculty and graduate reading room, three seminar rooms for use of small groups, faculty lounge, a library class room, thirty individual lounge areas. Opportunity is thus provided for study in all areas, lounge areas for general reading and for utilizing approximately 400 periodicals, covering all fields, to which the library subscribes. This list includes 12 newspapers representing many of the major U.S. cities and *The London Times* to give the broader view.

The library is operating an automatic charging system which necessitates every student, graduate, undergraduate, and part time, obtaining an identification charge card. This card must be presented at any time when library materials are withdrawn from the library (including all materials on the Reserve Shelves). These cards will be issued at registration and must be returned to the library at the end of the school year. If a student withdraws from college this card must be returned to the library since he is responsible for any material charged to his card by anyone. Transfer of cards at any time is prohibited.

In order to serve the best interests of all the students it is necessary to have observed certain regulations in the use of the library:

1. All books which have been definitely assigned to classes are placed on shelves directly behind the

desk and are known as the *Reserve Books*. Such books may be withdrawn at 8:30 p.m. and returned before 9:00 a.m. the following morning. Failure to observe this rule will result in a fine of ten cents per hour.

2. Books not on reserve but in demand are termed "overnight books." These may leave the library at any time of day or overnight, but must be returned before 9:00 a.m. the following day. Penalty for late return is ten cents per day.

3. All books (with the foregoing exceptions) may be withdrawn for two weeks. A fine of two cents a day, with a 5¢ minimum, will be charged for books kept overtime. Encyclopedia volumes and dictionaries may not be taken from the library.

4. Magazines may be withdrawn from the library subject to the same rules as Reserve Books.

5. No student will be issued grades or credits until all library obligations have been settled.

6. No books may be removed from the Library except by proper charging at the desk by the librarian in charge. Anyone taking books not properly charged from the Library will be subject to a fine of \$5.00 for each book and to suspension from all College activities until such fines are paid. Clipping and marking books and periodicals is prohibited.

7. Acceptable dress in the library for both men and women is the same as for class attendance.

The following hours will be observed:

Monday through Friday 8:00 a.m.-9:00 p.m.

Saturday ..... 8:00 a.m.-4:00 p.m.

### Health and Infirmary Service

The college employs a full-time resident nurse and a part-time physician. Both are directly concerned with promoting good physical and mental health among college students. In addition to space for a dispensary office, an infirmary of nine beds is available for the care of minor illnesses and isolation of students with suspected communicable diseases. Surgical cases and acutely ill students other

than isolation cases will be admitted only until they can be transferred to other nearby or home hospitals. Actual medical care is limited to the prevention of illnesses and the emergency treatment of medical and surgical conditions.

Students living on campus should immediately notify the college nurse of any illness which requires infirmary care. Students living off-campus but taking meals on campus who are so ill as to require infirmary care shall immediately notify the householder and the Dean of Women or Men or the College Nurse of such illness.

When in the case of serious illness the nurse or college physician believe ambulance transportation to the infirmary or from the infirmary to a nearby home or hospital is necessary, the college will see that such transportation is provided, but the expense must be borne by the student.

Day students, who may be admitted to the infirmary provided there is space available, will pay at the rate of two dollars per day. This rate will begin with the first day.

Students will be released from the college infirmary only by a signed statement from either a responsible member of the family, the family physician, or the college physician or nurse.

Parents will be notified by the college nurse of the illness of any student who spends one or more full days in the infirmary. Any student who wishes to do so may employ his own physician at his own expense. If it is necessary to have a prescription filled at the drug store, the student will be responsible for the cost.

Accident and medical insurance on a group basis is available for all students at a minimum cost and is available at the time of registration.

Off-campus and day students may avail themselves of the services of the physician and nurse.

The college infirmary will issue statements of illness to students who have received treatment in the dispensary.

*Numerous requests for excuses from classes for*

*minor and trivial illness are not in the true spirit of the college. Persistent requests for such action may be sufficient means for the administration to request a complete re-evaluation of the physical condition of the student, by his own physician, at his own expense, in order for the student to continue matriculation at this college.*

## Keys

Keys for any dormitory room are issued by the Bursar's Office for a *five dollar* fee. Whenever a key is lost, it should be reported immediately to the Bursar's Office. If a duplicate is desired, it must be purchased through the Bursar's Office. All keys remain the property of the College and duplication of any key except by the College is expressly prohibited.

## Bus Service

Edinboro is situated on the main bus line between Pittsburgh and Erie. During the day and evening the buses run north and south approximately every two hours. Students wishing to travel east or west can make connections in Erie, Meadville, Franklin or Pittsburgh. Since the schedules are constantly changing, schedules can be checked by telephoning RE 2-8651.

## Books and Supplies

Each student is expected to own the textbooks required in his classes. All textbooks are available at the Campus Book Store. Besides textbooks, the Campus Book Store carries all school supplies, art supplies, souvenirs, etc. The Book Store is another measure instituted to enable the students here at Edinboro to get a good education at a lower cost.

## Mail Service

The College receives two mail deliveries each day. Dormitory mail will be delivered directly to the students' mail boxes there. Mail for commuting students is placed in the commuter's room in Normal Hall.

Lock boxes at the Edinboro post office may be secured at the rate of \$.90 a quarter.

## Boarding Facilities

All dormitory students are required to take their meals in the College Dining Room.

Off-campus students have the choice of eating in the Dining Room or of making some other provision for their meals. It is recommended and they will find it greatly to their advantage to board at the college. However, once a student has elected to take his meals in the Dining Room, he will be expected to continue doing so for a full semester.

## Closing of Dormitories During Vacations

Dormitories and the Dining Hall will be closed to all students during regular vacation periods as listed on the College Calendar, and also during the period between semesters or summer sessions.

All students will be expected to leave dormitories not later than 6:00 p.m. on the last day preceding a vacation period and should not return before 2:00 p.m. the day preceding re-opening of school.

Exceptions to this rule may be granted by the Dean of Men or Dean of Women in unusual circumstances.

All undergraduate students, with the exception of Junior Aides, choir members and student employees whose services will still be needed, will be expected to leave dormitories not later than 24 hours after the last scheduled examination of the spring semester.

## Extra-Curricular Program

Every person who graduates from Edinboro will be expected to assume leadership in community life and school activities. In some instances the graduate will be expected to sponsor clubs and other groups. Therefore, it is very important that every student in college becomes accustomed to certain activities and familiar with the techniques of discussion, parliamentary law, record keeping, and the general promotion of student activities. Even if a graduate never becomes a club sponsor, the educational value of participation in these activities in college is perhaps as great as that of some course of study. Therefore, it seems advisable that each student become a mem-

ber of some club or other activity aside from athletics.

The following plan of extra-curricular activities will be in effect:

1. At the beginning of the semester each student will be given the opportunity to choose any club or activity in which he is interested.

2. A club or activity may be set up on petition of not fewer than fifteen students with the approval of the Committee on Student Activities.

3. The petitions for a new organization made to this committee should include a letter of application signed by the student leader of the organization, a list of the students who are definitely committed to membership in the organization, the names of the faculty sponsors, and three copies of the constitution and by-laws of the organization.

4. All organizations will provide for regular meetings.

5. No meeting shall be held without at least one faculty advisor present.

6. Each club or activity is to choose its own Faculty Advisor subject to the consent of the faculty member concerned and the approval of the Committee on Student Activities and of the President of the College. The Faculty Advisor is not to be responsible for planning the program of the activity since his relationship is only advisory.

7. Each activity is to have a Secretary, whose duty it shall be to record and report its membership and program to the Office of the Dean of Women.

### **Fraternity and Club Initiations**

1. Any public initiation program is to be submitted in writing for approval to the sponsor of the organization and to the Dean of Men or Dean of Women at least one week before the initiation is to begin.

2. There shall be no interruption of study hours by initiation activities. Absolutely no initiation during quiet hours. Any actions during school hours

that attract undue attention are undesirable.

3. No initiation activities shall take place in the dining hall unless express approval of the Director of Food Service and the Deans of Men and Women has been obtained.

4. Initiation program shall include no activities on campus which disturb the public in general.

5. Utmost care should be exercised to avoid bodily injury, impairment of health, personal dignity, or damage to property. Violators will be subject to penalties by the Interfraternity Grievance Committee after proper review of the situation.

6. The women's dormitories and their vicinity are strictly out-of-bounds for men's initiation activities. However, orderly serenading is permitted between 10:30 and 11:00 p.m. It is recommended that the pledge master of the fraternity or club call the Dean of Women to ask permission before serenading.

7. No initiation activities shall take place at a distance greater than twenty miles from the college.

### **College Union**

The College Union provides a snack bar and recreational facilities for the entire student body and faculty. A College Union Committee acts as a regulatory body.

Extensive renovation has been done to the building. New equipment and new sales items have been added; the College Union also has a luncheon counter.

### **Campus Parking Regulations**

Due to limited parking facilities and increased enrollment, *Freshmen and Sophomore resident students will not be permitted to have automobiles on the campus or in the community of Edinboro.*

The following regulations have been developed to control traffic and parking on the campus. These

regulations apply alike to students, administrators, faculty, and noninstructional personnel.

#### I. COLLEGE PARKING PERMITS.

- A. All college personnel who expect at any time to drive to the college, and who are eligible to park are required to purchase a sticker on Registration Day.
- B. Failure to register on the days specified or failure to have the sticker properly displayed will result in loss of campus parking privileges.
- C. The cost of the sticker is 15¢. Stickers will be issued in Normal Hall on Registration Day. Thereafter, they may be purchased in the office of the Dean of Men. These stickers must be attached only to the rear bumper of the car. This meets with State Police regulations.
  1. Registration and stickers are not transferable.
  2. The college may cancel car privileges if the parking regulations are evaded, or if the vehicle is used in a manner that is detrimental to students or to the college.

#### II. PARKING AREAS.

- A. All student parking on the campus shall be in the parking area east of the boiler house road.
- B. All overnight and dead storage parking must be in the area of the parking lot specifically designated for such parking. This area is in the student parking lots east of the boiler house road.
- C. Parking on borough streets is controlled by the borough. Observe carefully all posted regulations. Parking in driveways and in no-parking areas will normally result in a parking ticket and a fine.

#### III. "NO PARKING" AREAS FOR STUDENTS AND COLLEGE EMPLOYEES.

- A. No parking shall be permitted at any time.
  1. In areas marked "Visitors."
  2. On the service drives to Reeder Hall, Student Union and other college buildings.
  3. On any lawn area.
  4. In driveways of college owned houses.
  5. No student living in any college dormitory or house is to park in any street immediately adjacent to the campus. These street locations for parking are reserved for commuting students or for village residents.

#### IV. TRAFFIC REGULATIONS.

- A. The speed limit on the campus is 15 mph.
- B. The driveway from Music Hall to East Hall is a "One Way" driveway. Enter only at Music Hall.

#### V. ENFORCEMENT.

- A. Enforcement of all regulations will be as prompt as possible and impartial. This applies to all personnel.
- B. Penalties for Violation.
  1. Tickets will be issued for traffic violations.
  2. Failure to register — \$2.00.
  3. Illegible or mutilated sticker — \$2.00. Sticker may be replaced free of cost in the Dean of Men's office.
  4. First traffic violation — \$1.00.
  5. Second violation — \$2.00 and revocation of college parking privileges.
  6. Third offense — Suspension from the College.
  7. Fines must be paid before student will be permitted to return to classes.
- C. All violations will become a part of the student's personnel record.

#### VI. PARKING FINES.

All fines collected will be turned over to the National Defense Education Act loan fund.

## Daily Bulletin

To aid in the dissemination of general information of interest to all college students concerning college activities a Daily Bulletin is mimeographed and distributed throughout the college.

Items which are to appear in the Bulletin should be prepared in written form, signed by the writer, and presented not later than 1:00 p.m. of the day prior to the date they are to appear. These notices may be deposited in the "Daily Bulletin" receptacle provided for them in the President's Office in Normal Hall.

## Scheduling Social Activities

To avoid conflict it has been necessary to have one central office where all social events can be scheduled. This scheduling is done in the office of the Secretary to the College President where forms can be obtained. Requests must be submitted to the President's secretary at least two weeks prior to the date requested for the social event.

No social event in which women are involved may be scheduled until all the necessary requirements for chaperones, hours, etc. have been met and the approval of the Dean of Women has been given. Before advertising any evening activity, it is necessary to have the activity recorded on the Social Calendar.

The Scheduling Committee seeks to maintain a well-balanced and satisfactory social program. Permission for scheduling an event may be denied when the general Social Calendar or the Calendar for a particular organization seems over-crowded, or when the maintenance of high academic standards in the college would seem to discourage the activity in question.

Approval of rooms for meeting and activity purposes is administered through the Dean of Instruction's Office.

The fact that an event is scheduled in the calendar of this handbook does not excuse the event from the scheduling procedure outlined here.

Students are responsible for the tidiness of their own rooms. The college maintains the right to have periodic room inspection. Disciplinary action will be taken against those students who are found to be consistently negligent.

##### 2. Smoking

Fire regulations and the protection of life and property require that students do not smoke in their rooms or elsewhere in the college buildings except where special provisions are made by the college. All students living outside the dormitories must have the approval of the President for such residence unless they are living in their own homes.

The Housing Committee has a list of the residences which have been officially designated as Approved Houses. Permission to live in these homes is not automatically granted. However, as in the case of any other off-campus arrangement, individual arrangements are only temporary until the application

blanks are received, approved, and filed by the Housing Committee.

4. Students rooming off-campus are expected to show consideration for and to cooperate with the people in whose homes they are guests. Particularly they should be as quiet as possible if they enter late or stay up after the other inmates of the house have retired. They should introduce no guests without the householder's express permission. They should be careful not to leave lights on, water running, doors or windows needlessly open. They should not turn on the householders television or radio set unless invited to do so. They should not abuse telephone privileges and should be prompt in making payment for long distance calls. They should cooperate in keeping their rooms clean and in order. They should not expect kitchen privileges.
5. All women who are not living in the dormitories may study or relax in the students' dayroom, located in the basement of Normal Hall, whenever they do not have a class during the day. This

#### ARTICLE II

##### *Purpose*

While appreciating deeply the province and functions of the other administrative bodies, we the students, the faculty, and the President of the College, feel that there still remains unoccupied a large promising field for cooperative service. Accordingly, we do hereby declare that the purpose of the Co-operative Government is to take over increasingly the responsibility for organizing and directing purely student affairs, to cooperate with the proper college authorities in matters of student welfare, and to seek constantly to make the college a better agency for developing effective citizens.

#### *Membership*

The membership of this Co-operative Government shall consist of all students, all faculty members, and the President of the College.

### Eligibility Rules

Edinboro is a member of the Pennsylvania State College Athletic Conference. Eligibility rules are regulated by action of the Board of Presidents of the Pennsylvania State Colleges. The following rules were passed my 18, 1948, and revised March 26, 1956.

A. *Responsibility.* The President of each College shall be responsible for its athletic program. He or his authorized representatives shall accompany any team which represents the college in any athletic contest.

B. *Certified Eligibility Lists.* At least four days before every official game, eligibility lists, certified by the President of the competing colleges, shall be exchanged on forms provided by the conference secretary.

### C. *Eligibility.*

1. A student shall not be allowed more than four years of inter-collegiate competition.

2. A student must complete his intercollegiate competition within a five-year period from the date of first matriculation at any college. This restriction may be waived in the case of a veteran or draftee. The year or years during which a student may have represented any college as a service trainee in intercollegiate athletics competition shall not count in his total years of eligibility.

*Interpretation:* In determining years of competition in all cases, the following program applies: Participation, however brief, in any intercollegiate athletic competition in any college or junior college will cause that year to count as one of the allotted years of competition.

### 3. Academic Attainment.

a. A student to be eligible must carry at least twelve semester hours of credit courses.

b. A student to be eligible must have secured passing grades in at least twelve semester hours of work during his preceding semester. A student having failed to pass twelve semester hours in any semester may become eligible by attending summer sessions and securing a passing grade in twelve semester hours of credit.

4. No transfer student shall be eligible for inter-collegiate athletic competition in varsity sports until he has completed satisfactorily a full year's or two semesters' work at his college.

a. Attendance at summer sessions shall not be regarded as meeting the requirements of a semesters' residence.

b. The student who trains at a training camp with a college before the football season opens but who does not matriculate at the college is eligible to enter a state college and play that season. Matriculation means payment of fees, completion of registration forms and attendance at one class.

c. A student transferring from a regularly accredited junior college shall not be affected by this rule.

5. *Amateur Rule.* A student competing in inter-collegiate athletics shall be an amateur in good standing. An amateur sportsman is one who engages in sports for the physical, mental, or social benefit he derives therefrom, and to whom the sport is an avocation. A student ceases to be an amateur and is therefore ineligible to participate in intercollegiate competition by the commission of any of the following acts:

a. Participation in any athletic competition under an assumed name, or otherwise with intent to deceive.

- b. Directly or indirectly receiving money or remuneration for participation in any competition as a player or for coaching any sport.
  - c. Directly or indirectly receiving money for signing a contract with a professional team in any sport.
  - d. Signing a contract with a professional team in any sport, regardless of any subsequent cancellation or revocation, absence of payment or lack of training with the team.
6. A student who is a squad member on the date of the first regularly scheduled contest and who engages in any athletic contest during a time the college is in session not arranged or sanctioned by his college shall not be eligible to represent his college in that sport during that semester, and he shall also be ineligible for the ensuing season in the sport in which he participated in an unauthorized contest. This includes Thanksgiving vacation and between semesters, but does not include Christmas vacation.

D. *Varsity Competition.* A state college varsity team may compete only with varsity teams of four-year degree granting colleges in regularly scheduled games.

*Interpretations:*

- 1. Regularly scheduled games are games for which contracts are signed and, or admission charged.
- 2. Where scheduling difficulties are encountered, this rule may be waived by the Athletic Committee of the Board of Presidents.

E. *Playing and Practice Season.*

- 1. Pre-season practice in football shall not begin prior to September first of each year or prior to three weeks before the first regularly scheduled game, whichever is earlier, and the regular playing schedule shall be limited to a maximum of ten games in a season, exclusive of post-season competition.

- 2. Pre-season practice in basketball shall not begin prior to October 15; the first scheduled game shall not be played prior to December first, and the maximum number of regularly scheduled games shall not exceed twenty-six in a season, exclusive of post-season tournament contests.
- 3. Organized post-season practice in football shall be limited to twenty sessions in a period of thirty-six calendar days, vacation and examination days excluded.

We'll put them asunder  
And march on to Victory.

Dribble, dribble, dribble down the floor,  
Onward, onward, piling up the score.  
Sun will shine tomorrow,  
For we've won — E. S. T. C.
