STAFF'S FOREWORD

College life is a new experience to most of you. The campus of Edinboro is still unfamiliar—the regulations and privileges obscure, the songs and by-words a mystery.

To help you orient yourselves to our college, we have prepared this handbook, placing within its covers valuable information about the history, organizations, activities and customs that help make Edinboro State Teachers College. We hope you will carry this book with you and use it.

May your years at Edinboro be happy and successful.

THE COLLEGE

INTRODUCTORY

PRESIDENT'S GREETING

For the first time in four years this foreword is not concerned with the college's contribution to the war effort. Just a few weeks ago it seemed most unlikely that peace would come before the opening of the college year. Now, instead of directing our efforts toward the pursuit of war, we may again concern ourselves with the pursuits of peace.

You students who are preparing to teach the boys and girls of the Commonwealth have a great responsibility because upon you depends the future course of action of American citizenship. Upon you depends the preservation of the ideals of American democracy.

I am proud and happy to welcome you to Edinboro. Here we offer the facilities and opportunities for developing those professional skills and understandings essential to efficient service in the profession of teaching.

We, of the faculty, pledge ourselves to the fullest devotion to the purposes of education in this Commonwealth. We hope that you will make the fullest possible use of your opportunities.

Sincerely,

L. H. Van Houten,
President.

THE COLLEGE

MATTERS OF FACT

LIFE AT EDINBORO COLLEGE--

All students coming to Edinboro State Teachers College will find a new life here, not only scholastically, but socially as well. New opportunities and problems will present themselves, and since the student is living away from his home and family, he must learn to make intelligent decisions and to take responsibility on his own shoulders. This does not mean that when a student comes to live on campus he is left suddenly alone with all the worries and complications of a new life. The Dean of Women and the Dean of Men, friendly faculty members and upperclassmen are always ready to help; a new student can always go to any of these people for advice. Lasting friendships will be built up here with both students and faculty.

Though studies are of course the first consideration of College students, there are many parties and dances and general good times as well as a full athletic program, to give the students a well-rounded campus life. Off-campus students are urged to take part in all of the campus activities. Naturally there are rules and regulations, but they are easily followed when one remembers that they are set up for the purpose of making this new life interesting and happy as well as profitable for the students.

When you have completed your four years of work here you will certainly have made this friendly College a real part of your life and will be sorry to leave it.

The general College Information which follows in the next few pages applies to ALL College students and should be studied by all. In addition each student should familiar-

ize himself with the College Catalogue, for he is held accountable for understanding all its statements.

HISTORY

Eighty-four years have gone by since Edinboro was first chartered as a State Normal School; eighty-four years of growth and service to the communities lying about her. The beginnings of the college were laid in 1857 when a band of hardy Scotch-Irish farmers grouped together and founded a private academy at Edinboro by popular subscription, but it was not until 1861 that it was chartered by the State as Pennsylvania's second Normal School.

A great forward stride was taken in 1914, when the Commonwealth of Pennsylvania purchased Edinboro Normal School and made it the property of the State. Twelve years later, realizing the need of the schools of Pennsylvania for better educated teachers, the Commonwealth made Edinboro a Teachers College by organizing a four-year curriculum leading to the degree of Bachelor of Science in Education.

Although designed primarily to serve the counties of Erie, Crawford, Mercer, Venango and Warren, Edinboro receives and welcomes students from every section of this state and from other states.

As a result of the recent building program at Edinboro there are four new buildings, gymnasium, training and demonstration school power plant, and spacious auditorium. For these and the older buildings, the campus of thirty-eight acres makes an appropriate setting. Haven Hall, the women's dormitory, was built during the administration of John F. Bigler. Reeder, the men's dormitory, was built in 1907 and named in honor of one of the early

donors of the school. Academy Hall, known recently as Music Hall, is the oldest building on the campus, being built about 1857. Normal Hall was built in 1857 and in 1891 was considerably enlarged. Today it contains the administrative offices, the library, several class rooms, and the old auditorium. Recitation Hall, built early in the history of the school, is uniquely constructed; it still provides recitation room space. The New Gymnasium, with its excellent athletic facilities, now overshadows the old gymnasium, which is outdated. Loveland Hall is named for the late Mr. Frank Loveland of Corry, who for many years was a trustee of the College; this building was built in 1930 and houses the Art and Science departments.

We are rightly proud of our campus because of its attractiveness, its accommodations and its traditions. We hope this pride will ever continue to be shared by all incoming students.

ACADEMIC STANDARDS

Grading System

Standings indicating the quality of work are:

"A"—grade given to students whose quality of work is clearly of an exceptional nature.

"B"—grade given to students who do distinctly superior work.

"C"—grade representing work of good quality.

"D"—grade indicating unsatisfactory work.

"F"—grade indicating failure. Any course in which an "F" grade has been earned must be repeated.

"X"—not a grade, but a mark indicating that the student for some justifiable cause has not been able to complete the required work within the time limit.

"W"—withdrawal from course.

The Dean's List

Twice a year, there is published The Dean's List, a list of students who have made a grade of "A" or "B" in every course taken during the previous semester.

Classes

The following number of credits are necessary to become a member of each class:

- Sophomore—32.
- Junior—64.
- Senior—96.
- Graduate—128.

THE LIBRARY

The entering student at Edinboro State Teachers College soon discovers the educational and recreational facilities available in our College Library. Some twenty-two thousand volumes offer a wide range for reference and study. A generous fiction section and 156 magazines and periodicals give the student an opportunity to fill leisure hours with enjoyable reading.

Our library has the distinction of being one of the few in the state which employs open shelves for all books, thus allowing all students easy access to the volumes. Of course, this system must be carefully supervised and consequently certain rules must be carefully observed.

1. Students will register on entering the library and again, on leaving, at which time they will show books charged for use outside the library.

2. All books which have been definitely assigned to classes are placed on shelves directly behind the desk and are known as the Reserve Books. Such books may be withdrawn at 4:30 P. M., and returned at 7:30 P. M., or taken at 9:00 P. M. and returned before 9:00 A. M. the following morning. Failure to observe these rules results in a fine of ten cents per day.

3. All books except those on reserve may be withdrawn for two weeks; a fine of two cents a day will be charged for books kept overtime.

4. Magazines may be withdrawn from the Library subject to the same rules as Reserve Books.

5. No student will be issued grades or credits until all Library obligations have been settled.

6. No books may be removed from the Library except by proper charging at the desk by the librarian in charge. Anyone taking books from the Library improperly charged will be subject to a fine of \$5.00 for each book and suspension from all College activities until such fines are paid. Clipping and marking books is always prohibited. Clipping may be done from pamphlets and magazines only with permission from the Librarian.

The library is located on the second floor of Normal Hall and throughout the year will observe the following hours:

8:00 A. M. to 4:30 P. M.—Monday to Friday inclusive.

7:30 P. M. to 9:00 P. M.—Monday to Friday inclusive.

8:00 A. M. to 12:00 Noon—Saturday.

We urge you to use the Library in the fullest possible way, and believe it to be an important part in your training. You may never again have the time and opportunity to enjoy such a privilege as is yours at Edinboro.

The College Bookshop

In Cooper's Stationery Store on Meadville St., is located The College Bookshop. Here one may buy text books and other school supplies.

INFIRMARY

The College Nurse lives in a room adjoining the Infirmary which is located on the third floor of Haven Hall. Doctor Harold Ghering, the College Physician, is at the infirmary between 11:00 A. M. and 12:00 Noon.

While the Nurse can be found at the Infirmary at practically any time, students are asked to respect the following office hours:

7:30 A.M. to 9:00 A.M.

11:00 A.M. to 12:00 Noon.

4:00 P.M. to 5:30 P.M.

6:30 P.M. to 7:00 P.M.

IN CASE OF EMERGENCY, students may call Doctor Ghering at the Clinic, Edinboro 2181 or at his home, Edinboro 2174.

ILLNESS IN ROOM

The illness of any student in his room must be reported immediately to the College Nurse. She or the physician will visit him and prescribe treatment. The student will be moved to the Infirmary if necessary.

Off-Campus and day students also have the services of the physician and nurse.

REQUESTS FOR TRAYS

FIRE REGULATIONS

Fire drills are required by the laws of the Commonwealth. Signal for drills will not be announced and will be given always by some particular person designated for this duty. The first fire alarm is always a call to all persons to participate.

The following drill procedure should be observed:

1. When the alarm is given, close all windows to prevent draft.
2. Empty first floors and basements first.
3. Order: students to leave first, followed by faculty.
4. Keep to the right. Avoid running and rushing.

Responsibility for the observance of fire drills and other fire regulations falls to all persons—students, faculty, and employees. Custodians of the various buildings will see that instructions are given to meet the particular needs in each building.

LAUNDRY

Students are permitted the use of tubs, ironing boards and electric irons in the basement

of Haven Hall. The laundry is reserved for the use of men on Fridays.

Personal laundry of dormitory students is done free of charge provided the articles to be washed are tied securely in a laundry bag made especially for steam laundry. All bags and articles to be washed should be clearly marked with the name of the owner. Students are advised not to send fine pieces to the college laundry.

Women's laundry bags are to be at the foot of the basement stairs by nine o'clock on Wednesday mornings. These are to be called for on Thursday after lunch.

Men's laundry bags are to be in the back entrance to Reeder Hall by nine o'clock on Monday morning. This service includes no more than twelve pieces, including two shirts. Laundry is returned, washed and ironed, to Reeder Hall on Thursdays.

Laundry bags may be purchased at Cooper's Book Shop or elsewhere.

EXTRA-CURRICULAR PROGRAM

Every person who graduates from Edinboro and becomes a teacher will be expected to assume leadership in community life and school activities. In a large percentage of cases the teacher will be expected to sponsor clubs and other student groups. Therefore, it is very important that every student in college become accustomed to certain activities and familiar with the techniques of discussion, parliamentary law, record keeping, and the general promotion of student activities. Even if a teacher never becomes a club sponsor the educational value of participation in these activities in college is perhaps as great as that of some courses of study. It is therefore, the policy of the College that each student shall each semester be a member of some club or other activity aside from athletics.

In the College year 1945-46, the following plan of extra-curricular activities will be in effect:

1. At the beginning of the semester each student will be given the opportunity of stating a preference for any club or activity in which he is interested.

2. A club or activity may be set up on petition of not fewer than fifteen students with the approval of the Committee on Student Activities.

3. All organizations will provide for regular meetings.

There will be the widest liberty consistent with good educational practice in the selection of clubs. Each student should be a member of some activity in which he has a native and a vital interest.

Early in the semester, after sufficient time for the organization of activities, there will be a check-up by the Committee on Student Activities of all student choices. Lists of those who are late in joining activities will be furnished by the Dean of Men, the Dean of Women, and the Dean of Instruction.

Each club or activity is to choose its own Faculty Advisor subject to the consent of the faculty member concerned and the approval of the Committee on Student Activities. No one shall be expected to serve as Faculty Advisor for more than one activity. The Faculty Advisor is not to be responsible for planning the program of the activity, since his relationship is only advisory.

Each activity is to have a Secretary, whose duty it shall be to record and report membership and program as follows:

- (a.) A membership report to be turned over to the Chairman of the Committee on Student Activities early each semester.
- (b.) Participation report of each individual member, of the office holders, attendance at meetings, and contribution to the program; this report to go to the Dean of Instruction at the end of the semester.
- (c.) A monthly report of the activities of the club to be given the Chairman of the Committee on Student Activities.

Blanks for all these reports may be secured from the office of the Dean of Instruction.

COLLEGE ACTIVITIES

Assembly

Each Wednesday morning the entire student body meets in the auditorium for a period of worship and entertainment together. The programs are varied and consist of speeches and lectures by prominent citizens, musical recitals, plays, skits, movies, and important announcements of interest to the entire group. A committee of students meet with faculty sponsors to plan the programs.

Every student at Edinboro is required to attend. The roll is taken regularly.

W.A.A.

The Women's Athletic Association is a member of the Athletic Federation of College Women. It also is a member of the United States Field Hockey Association. This year our association has conformed with the National Physical Fitness Program and will continue this new set-up for "the duration". The type of recreation now presented is carefully chosen for the complete development of each student.

Every woman student, upon entering college is elected to membership in either the Phis or the Deltas, who make up the national health recreational sorority Phi Delta Lambda. Throughout the year there is regular intramural competition between these two groups.

Our fall sports outdoors consist of horseback riding, field hockey, tennis and hiking; winter sports: skiing, skating, basketball, swimming, life saving, badminton, and bowling; spring sports outdoors: archery, tennis, golf, hiking, speedball and horseback riding.

The W.A.A. is governed by a student council which meets every week to plan and guide all activities. The Association is based on a point

system. Awards are presented at the end of fall, winter, and spring sports.

Every old member will be most anxious to welcome new students to the Phis and the Deltas. It is the desire of every woman on the campus to make herself "physically fit".

The "E" Club

The aim and purpose of this club, made up of athletes who have won a varsity E in inter-collegiate competition, is to maintain a high standard of athletics at Edinboro. It functions chiefly, therefore, in connection with athletic events.

Other important events of the year for this Club are: the original "E" Club minstrels, the "E" Club dance, the annual intramural basketball games, and the annual athletic banquet with the presentation there of awards—gold footballs and basketballs to seniors, sweaters, letters, and certificate of "E" club membership to all letter winners.

"Key" Club

The "Key" Club is active on campus. Twice a month the girls meet in Haven Parlors to discuss and see demonstrations of social situations that they encounter now and will encounter as teachers. Among these have been teas, dances, dinners and theatre parties.

This organization began as the Social Arts Club.

The Women's Ensemble

Under the direction of Mrs. Earl Campbell, the Women's Ensemble is composed of women who are interested in raising the standards of music on the campus. The repertoire of the ensemble includes many numbers, both religious and secular. These are presented each

year at several performances, including the Christmas concert, spring musical, and concerts given outside the College. Final performances of each year are at the College's Baccalaureate and Commencement services.

The Press Club

This organization furnishes an outlet for those students having an interest in practical journalism as well as an active interest in campus affairs. The club is also an agency for bringing the student and the College to the public eye through state-wide and local publications.

The Spectator

The Spectator is the college newspaper, written by the students and approved by faculty advisors. The publication is issued every two weeks as a recording of campus personalities and activities. The dormitories, clubs, and fraternities have individual columns which keep the student body informed of their activities.

The Spectator is also a medium through which the College activities of Edinboro may be shared with all students of Western Pennsylvania.

The Edinboro Players

All students who are interested in any phase of work in amateur dramatics are welcomed to the meetings of the Edinboro Players. Several plays will be presented during the year; "walking rehearsals" will be given at the regular club meetings. In the past, tryouts have been held

at the beginnings of each semester but for the "duration" students who are interested will be admitted to the club merely upon application for membership. The club members hope that a large group of students will join with the players for the pleasure of creating characterizations that will live in the memories of all of us.

The ScaRab Club

The ScaRab Club is the Art Department and the Art Department is the ScaRab Club. All art students are members of the Club from the date of their enrollment in the art course. All faculty members of the Art Department and such other faculty as may desire to join are members of the club.

Alpha Delta Sorority

Alpha Delta Sorority attempts to set up scholastic and social standards for the young women in the College. By promoting refinement, perseverance, scholarship, cooperation and courtesy among its members, it aims for personal development and the consequent leadership that will aid in the progress of the College. Members are selected by the current membership from women students whose scholastic records contain no D's or F's.

Phi Sigma Pi Fraternity

Upsilon Chapter of Phi Sigma Pi, national professional educational fraternity, is the twentieth unit of a national organization that has over twenty-five hundred members in the teacher-training institutions of nine states. This fraternity, emphasizing the professional development of teachers for the public schools,

promotes among its brothers the spirit of scholarship, brotherhood and loyalty to the College. New members are chosen by current membership on the basis of scholastic standing, social aptitude, and ability to lead.

Kappa Delta Phi Fraternity

Kappa Delta Phi, one of the nation's leading professional and social fraternities, was formed when the Beta Xi fraternity received a national charter. Kappa Delta Phi was the first national fraternity at Edinboro State Teachers College. The members of this group are selected by the careful discretion and thought of current members in conformity with the College rules for rushing.

Y. W. C. A.

The Young Women's Christian Association, has for its motto "not to be ministered unto, but to minister". Its members "unite in a desire to realize a full and creative life through the growing knowledge of God".

Each year's program is outlined with the basic purpose of creating interest, satisfying all types of individuals and filling out the spiritual side of our College life.

The Big and Little Sister Tea in September initiates the program and forms a bond of fellowship between freshmen and upperclassmen. This is followed in October by a Candlelight Service.

Students and outside speakers bring new and varied inspirations to the regular meetings every two weeks. Occasionally there are joint meetings with the Y. M. C. A. Teas, parties, and picnics add social interest and complete a well-rounded program.

Y. M. C. A.

The Young Men's Christian association is an

organization for the purpose of the development of moral and spiritual character. Besides sending delegates to "Y" conferences and participation in intramural sports, the Y. M. C. A. sponsors occasional social affairs and religious movies.

THE CANTERBURY CLUB

This is an organization of Episcopal students and faculty, and others who are interested. Its program provides both religious and social interest. Meetings are devoted to discussions, lectures, and varied social activities.

Girls' Off-Campus Association

A comparatively recent organization is the Girls Off-Campus Association, consisting of all girls commuting to the College, living at home, or boarding in private homes.

This organization is primarily for the purpose of promoting social functions for off-campus girls, developing methods of becoming better acquainted, and building a more distinct relationship between all college women students. Meeting twice monthly the group enjoys such functions as parties, dances, sings, and wailer roasts, combined with informal talks and discussions on various current issues, problems and practical demonstrations of social refinements.

From an executive standpoint, the group functions through an Off-Campus Council, elected each semester. The advisor of the group is the Dean of Women.

Delta Phi Delta

Membership in Delta Phi Delta, national professional and honorary art fraternity, is limited to those junior and senior art students who have maintained an average of "superior" in art subjects and "good" in academic work. The

purpose of the fraternity is to further a genuine interest in art, to recognize scholarship, and to promote professional fellowship. Pledges are chosen by the members with the approval of the art faculty sponsors.

Mu Kappa Gamma

Mu Kappa Gamma, the honorary music fraternity, takes into its membership those students who contribute in an outstanding way to the musical life of the college. Scholarship, leadership, musical ability, cooperation, length of service, and participation in one or more musical organizations are points upon which membership is based.

Alpha Psi Omega

A chapter of the largest national honorary dramatic fraternity is maintained at Edinboro under the title of The Gamma Kappa Cast. Since 1930, when the chapter was first installed on this campus, sixty-seven members at Edinboro have been admitted. Because the requirements for initiation are very high, an average of only five students are accepted each year. Membership in the Edinboro Players is the first prerequisite for consideration for the honor. Each "neophyte" in the organization has excelled in at least one phase of Dramatic Art or has earned fifty points in the fields of acting, directing, and backstage work.

The Conneauttean

The Conneauttean is the College Yearbook. In our College it is a publication of the junior class, and a very large staff is required in order to assure its financial and literary success.

Each student receives a copy of the Conneauttean as a result of his payments into the Student Activities Fund.

The staff has a faculty adviser but is definitely a student enterprise.

Student Council

The Student-Faculty Council considers and enacts much legislation in connection with campus problems. Probably its most important function is the budgeting of the Student-Activities Fund. The Council meets regularly and is always ready to listen to and to discuss any new proposal for college progress.

Its members are elected by the student body and faculty and serve for a year's term. Membership in this group should be considered a very high honor.

COLLEGE ATHLETICS

The men's intercollegiate athletic program of this college is greatly reduced, due to the war, as it is in practically every other college of the United States.

Our intramural program, however, will be expanded as much as possible both for the women students and for the men who remain on the campus. It is the hope of the Physical Education Department that every student will participate in some form of athletics during each year that he is in college.

After the war is over we hope that every one of our men students called to the armed forces will be back in college. It is the intention of the college to resume all desirable intercollegiate athletic competition as rapidly as possible.

SCHEDULING SOCIAL ACTIVITIES

There has grown up within the College a varied and complete social program. Some events, such as the Bowery Brawl, Homecoming, the Christmas Festival and the Big and Little Sister Tea, are traditional with Edinboro and are held every year, but new events are always being planned by different organizations.

To avoid conflict it has been necessary to have one central office where all social events can be scheduled. This scheduling duty has been delegated to the Dean of Women. Before advertising any evening activity it is necessary to have the activity recorded on the Social Calendar in the office of the Dean of Women.

The Dean of Women, acting in this scheduling capacity, represents the College Social Committee and under its instruction, seeks to maintain a well-balanced and satisfactory social program. Permission for scheduling an event may be denied when the general Social Calendar, or the Calendar for a particular organization seems overcrowded, or when the maintenance of high academic standards in the college would seem to discourage the activity in question.

No social activities are scheduled on evenings other than Friday or Saturday, except such games and lyceum entertainment as are scheduled by the administration.

ABSENCE AND TARDINESS

Students should be familiar with the method of securing excuses for absences from class. The burden of responsibility for absence and tardiness rests at all times with the individual student involved. He must take the initiative in planning for making up work after an absence. The following procedure should be understood and followed carefully:

1. Report illness promptly to the College Nurse or the College Physician and secure a proper statement.
2. Present the medical statement to the Dean of Men or Dean of Women and ask for an excuse.
3. In case of an absence for cause other than illness, report directly to your Dean to request an excuse.
4. Present the Dean's excuse to your instructors immediately upon returning to class.
5. Make arrangements for makeup work.

If the unexcused absences for any student amount to one more than the number of clock hours for which a particular course meets, the student shall be dropped from the class and an "F" recorded for that subject. For example, if the number of unexcused absences for a three clock hour course reaches four; a two clock hour, one-credit course three; a one-clock hour course two; a student is dropped from the course. Students who are absent from courses which have designated lecture and laboratory periods, will be dropped when the unexcused absences total one more than the des-

ignated periods for either laboratory or lecture. If a student has an unexcused absence from a class which meets two or more successive periods, he shall be considered as having as many absences as that class has periods per session. For example if a two-credit course meets for two successive periods on Saturday morning, absence for that session will constitute two unexcused absences. If a student is absent from a laboratory period, he will be considered as having one absence. Unexcused absences immediately before and after vacations count double.

If excuse is not presented to the Dean of Men or Dean of Women within seven days after the absence, it will be considered unexcused.

ASSEMBLY ATTENDANCE

1. An assembly seating list shall be prepared with seats assigned and attendance shall be checked by designated students.
2. The lists of absentees shall be lodged in the office of the Dean of Instruction. Each unexcused absence automatically lowers by one point the total accumulation of quality points which the student has earned toward graduation.
3. Assembly exercises for all students are held each Wednesday. Other special assemblies may be called.

THE COLLEGE

MANNERS OF FUNCTIONING

**THE STUDENT-FACULTY
CO-OPERATIVE GOVERNMENT**

Adopted February 4, 1935

CONSTITUTION

ARTICLE I

Name

The name of this organization shall be the Student-Faculty Co-operative Government of the Edinboro State Teachers College.

ARTICLE II

Purpose

While appreciating deeply the province and functions of the Trustees, College President, Dean of Instruction, the Dean of Women, Bursar and other officials and faculty committees and members organized chiefly for administering the business and instruction of the college, we, the students, the faculty, and the President of the College, feel that there still remains unoccupied a large promising field for co-operative service. Accordingly, we do hereby declare that the purpose of the Co-operative Government is to take over increasingly the responsibility for organizing and directing purely student affairs, to co-operate with the proper college authorities in matters of student welfare, and to seek constantly to make the college a better agency for developing effective citizens and teachers.

ARTICLE III

Membership

The membership of this Co-operative Government shall consist of all students, all the faculty and the President of the College.

ARTICLE IV

General Organization

Section 1. The functions of this Co-operative Government shall be distributed as follows: (a) legislative functions in relation to all student and student-faculty agencies now existing and to be organized, are vested in a Council, and (b) executive functions, including the veto of any measure passed by the Council, are vested in the President of the College.

Section 2. The existing student-faculty agencies and student organizations with faculty sponsors are to continue in their present form and to function as at present until such time as they may be modified either by vote of the Council and approved by the College President or by direction of the College President.

ARTICLE V

Membership, Election, Officers of the Council

Section 1. The Student-Faculty Council shall be composed of eleven members, eight of whom—four men and four women—shall be students elected by the several classes; two members of the faculty—a man and a woman—elected by the faculty; and one member of the faculty appointed by the President of the College.

Section 2. Two students, one man and one woman, shall be elected by each class in February, 1942, the woman to serve for one semester and the man for two semesters. Thereafter each class will elect annually a woman in October, and a man in February, the man and woman each to serve two semesters. In October the Freshman Class will

also elect annually a man to represent them for one semester. In February, 1942, there shall be chosen the two faculty representatives and the faculty member appointed by the President. Thereafter the faculty members to the council shall be selected each October.

To be eligible for election to the Council, students should be outstanding in character and ability and have a college record of better than C average. The president of each class shall appoint a nominating committee of three which shall submit at least two nominations for each membership on the Council. From this group of nominations, with or without additional nominations that may be made from the floor, the class shall elect by ballot its two representatives to the Council. After its organization the Council, with the approval of the student body, may adopt any other feasible method of selecting the student representatives to the Council.

Section 3. Any student vacancy on the Council shall be filled for the balance of their term at a special election conducted in the same manner as herein prescribed for the regular election. Any faculty vacancy shall be filled in the same manner as prescribed for the regular election or appointment. Nothing in this Constitution shall prevent the election of any student doing practice teaching in Erie, or shall prevent any student from succeeding himself or herself.

Section 4. The officers of the Council shall be a chairman, vice-chairman and a secretary, to be chosen annually by the Council from its student members immediately after the new members have been elected. The Chairman shall be chosen from the Council members of

the Senior class and the Vice-Chairman from the Council members of the Junior class.

ARTICLE VI

Duties of the Council

Section 1. To initiate, organize, and direct in co-operation with the faculty a social program for the entire student body.

Section 2. To integrate, improve, and supervise the organization and activities of all student and student-faculty agencies.

Section 3. To act upon submitted requests for the organization of any new student or student-faculty agency.

Section 4. To provide, as needed, co-operative standing committees such as the following: House Committee, Publicity Committee, Athletic Committee, etc. These committees may co-operate with purely faculty committees for the same purpose. These standing committees should have at least five members (student and faculty) and should be appointed by the Chairman of the Council from the student and faculty bodies with the approval of the Council.

Section 5. To co-operate with the College President, the Trustees, or some properly delegated authority in the assessment, collection, and control of any Student Activity Fee or other fee or dues that the students upon the recommendation of the Council may agree by majority vote to assess or pay to provide for activities, agencies and welfare not adequately supported by the State; provided that the said fees or dues are approved by the President of the College and the Board of Trustees, or

other controlling agency.

Section 6. To hold regular meetings once each month, in addition to special meetings as needed when constructive suggestions or criticisms from students or faculty members shall be investigated and acted upon.

Section 7. To recommend to the faculty or the President of the College penalties for specific disciplinary cases which are not sufficiently serious to warrant possible expulsion or other severe punishment.

Section 8. To provide for at least one general student assembly every month for the purpose of interpreting the work of the Council and for transacting any business of general interest to the Student Body brought before it by the Council, the College President, or a representative of the students or the faculty. At such assembly meetings the chairman, or, in his absence the vice-chairman, of the Council shall preside; the secretary of the Council shall record the minutes.

ARTICLE VII

Powers of the President of the College

Because of the nature of the office of President of the College and his responsibilities to the Board of Trustees, the State Superintendent of Public Instruction, the State Council of Education, and the Governor, the President is an ex-officio member of all committees and to him is reserved the duty and right of final approval of all acts, rules and regulations that may be devised or offered.

ARTICLE VIII

Finances

Section 1. In order to co-ordinate and control the funds of the several student-faculty activities and organizations either now existing or that may be created, all funds belonging to, or collected by the several organizations, shall, when requested by the Council, be deposited in and disbursed through a General Control Fund of which the President of the College and the Bursar or other faculty member or members may be custodians.

Section 2. The Bursar or any delegated member of the faculty of the College, may, upon request of the Council, subject to the approval of the President of the College, keep individual and separate accounts of the several funds and credits of each organization included within the General Control Fund as provided for in Article VIII Section 1. Disbursements shall be made upon duly authorized requisitions of each organization.

Section 3. There shall be an annual audit of the General Control Fund made by an auditing committee of three, one representing the student body, one the faculty, and one the President of the College. This audit shall be published or posted at the beginning of each college year.

ARTICLE IX

Ratification and Amendments

Section 1. This Constitution shall go into effect as soon as ratified by the approval of the President of the College and by a two-thirds vote of the faculty and student body

present when such vote is taken.

Section 2. This Constitution may be amended or revised by a majority vote of the entire student body and the faculty, provided that said amendment or revision first be submitted in writing to the Council and the President of the College, approved by them, and then posted for two weeks.

Off-Campus Housing Regulations

All students living outside the dormitories must have the approval of the President, unless such students are living in their own homes.

The Housing Committee has a list of the residences which have been officially designated as Approved Houses. Permission to live in these houses is not automatically granted, however. As in the case of any other off-campus arrangement, individual arrangements are only temporary until the application blanks are received, approved, and filed by the Housing Committee.

To prevent unnecessary and inadvisable changes in residence, students are not permitted to move during the course of a single semester without the action of the Housing Committee.

Students living in Off-Campus homes will regard the hours, week-ends, special permissions, etc., as are required of students living in the dormitories. Information concerning such matters and their related problems is always available in the office of the Dean of Women.

SCHOOL SONGS

Alma Mater

Aloha

Hail to thee, our Alma Mater glorious,
Fresh wreaths we bring to bind thy brow;
Trials past thou has withstood victorious
Never fairer, never statelier than now.
O Edinboro, Edinboro,
We revere thee. love thee. serve thee ever,
While class speeds class
As swift years pass,
To thee our hearts are true.

Winds That Sweep the Campus

Winds that sweep the campus.
Winds that stir the tree,
Sweep around her towers
Standing calm and still
Through the winter's darkness,
Through the summer shine,
Bear her our blessings
Through glad good will.

Dear Home of College Days

(Old Refrain)

Dear home of college days so great and free,
Thy sons and daughters will be true to thee.
Thy love we'll cherish and thy fame declare,
Loyal to thee, and to thy name so fair.

Chorus

So raise your voices all, and honor give,
Her fame and glory, may they ever live.
Through joy and sorrow as the years go by,
And with a constancy that cannot die.

Pep Song

Edinboro College, we will sing to you
We'll defend your standards
In whate'er we do.
"Hail, hail, the gang's all here."
Round thy colors bright
We'll stick together for the
Crimson and White.

Hand Me Down My Bonnet

Hand me down my bonnet,
Hand me down my shawl,
Hand me down my calico dress,
I'm going to the Calico Ball.
First she gave me honey,
Then she gave me cake,
And then she gave me gingerbread
For kissing her at the gate.
O — — as we go marching,
And the band begins to play
You can hear the people shouting
"Edinboro College wins today."

Victory Song

On you old Red Raiders,
Beat those darned invaders
And march on to Victory.
Down the floor we'll thunder;
We'll put them asunder
And march on to Victory.
Dribble, dribble, dribble down the floor,
Onward, onward piling up the score,
Sun will shine tomorrow;
For we've won E. S. T.—C.
