## FOREWORD

Our inviting campus and its numerous activities will be a complicated world until you have become acquainted with its ways. It is the aim of this Handbook to place in a compact form the necessary knowledge of the history, organizations, activities, and customs that go into the making of Edinboro State Teachers College. Make it your constant companion.

It is our sincere wish that you will be happy at Edinboro.

Margaret Lindquist, Editor

To the Class of 1944:

It is with a great deal of pleasure that I welcome you to Edinboro State Teachers College. It is my sincere belief that you will soon be spiritually and socially one of us.

With all the activities that one could wish for being carried on, with some of the best of educational opportunities available, and with an educational plant representing a large state investment, we just know that you will like Edinboro! And truly Edinboro will grow with you!

When I look back, and recall what a great feeling of awe mixed with pride that was mine as a Freshman entering Edinboro, I can easily realize how anxious you are to know Edinboro better. Now, as a Senior, I realize that "knowing" the College really comes only through participation and cooperation in all its programs. This year, as always, Edinboro needs the loyalty of every new Freshman, as well as the continued loyalty of every Sophomore, Junior, and Senior!

To new and old students alike, the Council wishes a very successful and enjoyable 1940-1941 school year. We of the Council will do our utmost to give you the best that we have as the student-chosen governing body.

Cooperative Council

## THE COLLEGE BACKGROUND

In 1857, a band of hardy Scotch-Irish farmers gathered together and founded by popular subscription a private academy for the thriving little town of Edinboro. The academy grew and in 1861 was chartered as a State Normal School—quite different from the Edinboro of today.

A great event in Edinboro State Teachers College transpired in 1914, when the Commonwealth of Pennsylvania purchased Edinboro State Normal School and made it the property of the state. Twelve years later the state, realizing the need of the schools of Pennsylvania for better educated teachers, made Edinboro a full-fledged Teachers College by organizing a four-year curriculum leading to the degree of Bachelor of Science in Education.

Edinboro is designed to serve the counties of Erie, Crawford, Mercer, Venango and Warren, but students come and are welcomed from every section of the state and from other states.

Recently there have been added to the campus four new buildings: a gymnasium, training school, a power plant, and a very beautiful auditorium. The campus covers 38 acres. Haven Hall, the women's dormitory, was built in 1903. It also serves as the dining hall by virtue of an annex built during the administration of Frank E. Baker. Reeder Hall, built in 1907, is named in honor of one of the early donors of the school. It serves as the men's dormitory, and also accommodates several of the faculty. Old Academy Hall, now known

as Music Hall, is the original building on the campus, being built about 1857. Today it is the home of the Music and Speech Departments. Normal Hall was built in 1875 and in 1891 was considerably enlarged. Today it contains the old auditorium, the library, the administrative offices, and the demonstration school. Recitation Hall was built early in the history of the school, and today is used for classes. It is a very uniquely constructed building and interesting from the exterior as an art study. The old gymnasium, built in 1906, was considered the best "gym" in this section. The new gymnasium with its excellent athletic facilities, overshadows the old "gym," now out-dated. Loveland Hall is named for the late Mr. Frank Loveland, of Corry, who for many years was a trustee of the College. This building was built in 1930 and houses the Art and Science Departments.

We are proud of our campus because of its beauty, variety, and history. We only hope that incoming students will share this same pride with us.

## GET ACQUAINTED WITH EDINBORO

Edinboro is located about twenty miles south of Erie, and twenty miles north of Meadville at the junction of routes 6N and 99. Cleveland is less than one hundred miles west, and Pittsburgh is slightly over one hundred miles south of us.

Infringing upon the northern precincts of the borough of Edinboro, we find Edinboro Lake—famous for bathing, boating, and fishing—in winter for skiing and skating. The lake also offers botany students an opportunity to collect water specimens.

For those who like golf, Culbertson Hills Golf Club, on the outskirts of Edinboro, offers ample opportunity in this sport. The Culbertson Company also maintains a stable of riding horses.

Edinboro is a village of only 800 inhabitants, but what she lacks in quantity, she makes up in quality. There is no doubt but what you will soon lose yourself in the quiet atmosphere of the place and wonder why you never discovered Edinboro before.

## SCHOOL SONGS

### Dear Home of College Days

(Old Refrain)

Dear home of college days, so great and free,  
Thy sons and daughters will be true to thee.  
Thy love we'll cherish and thy fame declare,  
Loyal to thee, and to thy name so fair.

Chorus

So raise your voices all, and honor give,  
Her fame and glory may they ever live.  
Through joy and sorrow as the years go by,  
And with a constancy that cannot die.

### Alma Mater

(Aloha)

Hail to thee, our Alma Mater glorious,  
Fresh wreaths we bring to bind thy brow;  
Trials past thou hast withstood victorious,  
Never fairer, never statelier than now.  
O Edinboro, Edinboro  
We revere thee, love thee, serve thee ever,  
While class speeds class  
As swift years pass,  
To thee our hearts are true.

### Winds That Sweep the Campus

Winds that sweep the campus,  
Winds that stir the trees,  
Sweep around her towers.  
Standing calm and still  
Through the winter's darkness,

Through the summer shine,  
Bear her our blessings  
Through glad good will.

#### Pep Song

Edinboro College, we will sing to you  
We'll defend your standards  
In whate'er we do.  
"Hail, hail, the gang's all here."  
Round thy colors bright,  
We'll stick together for the  
Crimson and White.

#### Hand Me Down My Bonnet

Hand me down my bonnet,  
Hand me down my shawl,  
Hand me down my calico dress,  
I'm going to a Calico Ball.  
First she gave me honey,  
And then she gave me cake,  
And then she gave me ginger bread  
For kissing her at the gate.  
O — — as we go marching,  
And the band begins to p-l-a-y  
You can hear the people shouting  
"Edinboro College wins today."

## LIVING IN EDINBORO

Those of you who are living away from home for the first time will find conditions very different from those to which you have been accustomed. For some it may be the first time you will have to wash out a pair of socks, or even the first time you are expected to run a carpet sweeper. Much of the success of your college life, however, will depend upon how well you are able to take on the responsibility of group living away from home. Those who are interested in your away-from-home living adjustment will do all they can to provide for your comfort but most of it you will have to do for yourself.

Women on campus live in Haven Hall and make application for rooms at the office of the Dean of Women. Men on campus live in Reeder Hall and make application for rooms at the office of the Dean of Men. In their absence, students make application at the main office in Normal Hall.

All students who wish to live in Edinboro off-campus apply for their permission at the office of the Dean of Women.

## HAVEN HALL

Haven Hall is the only women's dormitory on campus. Its fifty student rooms are equipped to accommodate ninety-three students. In Haven are also three faculty apartments, including those of the Dean of Women and the Nurse, two guest suites, the infirmary, college laundry, college dining room, commuters' room, the office of the Dean of Women, and the office of the Dietitian.

### Student Rooms

Student rooms are equipped with single beds, chairs, dressers, mirrors, desks, book shelves. Sheets, pillow cases, and one blanket are provided by the College. Each student is given clean linen once a week on Friday morning.

Students are permitted to have radios in their rooms provided they do not operate them during quiet hours nor after eleven o'clock at night. They are always to be operated in a subdued tone.

No electrical appliances other than lamps and radios are to be used in students' rooms. There are receptacles in the bathrooms on each floor for attaching electric plates.

### Visiting Hours

For obvious reasons, it has been found advisable to regulate the hours when men may visit in the parlors of Haven Hall. These hours are:

15 minutes before each meal

After lunch until 1:00 P. M.

After dinner until 8:00 P. M. (7:30 Nov. 1-

March 1)

Saturday evenings, 8:00-10:30

Sunday evenings, 8:00-10:00

It was the action of the Student Council that men be permitted to visit women in the parlors of Haven Hall on Sunday afternoons but not on Saturday afternoons.

Men are asked to leave the women's dormitory immediately after breakfast every day in the week.

Off-campus women may visit in the rooms of Haven Hall until 9 P. M. They are requested not to make a practice of studying in the dormitory.

#### Lights Out

Lights are out in residences for men and women at 11:15. This action has been taken not merely for the purpose of saving electricity. The load which the individual student carries is such that he does his best work when he has had sufficient sleep. The College is making some attempt to encourage desirable sleeping habits.

A system has been devised in the dormitories whereby students may get a limited number of permissions to have lights on until twelve o'clock whenever the permission is warranted.

#### Dining Room

All students eat in the large college dining room in Haven Hall. Students are assigned seats which will be changed every three or four weeks.

Hosts and hostesses are assigned to each table. Their duties are to serve the food, ask for "seconds,"

take care of the individual wants of any one at the table, encourage desirable table conversation and manners, and in general set a worthwhile standard of dining-room conduct.

Students are permitted to dress in classroom attire for breakfast and lunch, but are expected to "dress" for dinner. At no time do men wear sweat shirts to meals. Women are not to wear socks to dinner.

Meals are served at the following hours:  
Monday through Saturday—

Breakfast	7:00 A. M.
Lunch	12:15 P. M.
Dinner	6:00 P. M.

Sunday—

Breakfast	8:00 A. M.
Dinner	1:00 P. M.
Supper	6:00 P. M.

#### Laundry

Students are permitted the use of tubs, ironing boards and electric irons in the basement of Haven Hall. The laundry is reserved for the use of men on Thursdays.

Personal laundry of dormitory students is done free of charge provided the articles to be washed are tied securely in a laundry bag made especially for steam laundry. All bags and articles to be washed should be clearly marked with the name of the owner. Students are advised not to send fine pieces to the college laundry.

Women's laundry bags are to be at the foot of the basement stairs by nine o'clock on Wednesday

mornings. These are to be called for on Thursday after lunch.

Men's laundry bags are to be in the back entrance to Reeder Hall by nine o'clock on Monday morning. This service includes no more than twelve pieces, including two shirts. Laundry is returned, washed and ironed, to Reeder Hall on Thursdays.

Laundry bags may be purchased at Klingensmith's Book Shop or elsewhere.

### **Infirmary**

The school nurse lives in the infirmary which is located on the third floor of Haven Hall. Doctor Ghering is there daily between 11:00 A. M. and 12:00 noon.

While the nurse can be found in the infirmary at practically any time, students are asked to respect the following office hours:

8:00 A. M. to 9:00 A. M.

11:00 A. M. to 12:00 Noon.

4:00 P. M. to 5:30 P. M.

**IN CASE OF EMERGENCY** call Doctor Ghering at the Clinic "2182" or at his home "2174".

### **RECREATION ROOM**

The Recreation Room is a new addition to Haven Hall and to the campus. It is the old Y. W. C. A. room, given a fresh coat of paint, gayly decorated with murals, and boasting a nickelodeon for dancing. The murals, carrying out the theme of "The Dance," were painted by members of Mr. Haller's class in Advanced Design.

In addition to the nickelodeon there is a ping-pong table and equipment, card tables and chairs, a piano, lounging chairs, and a variety of games.

Women may use the room at any time. Men may be in the room only during the hours when they are permitted to be in Haven Hall.

This room has been a project of the Student Council. There remains much to be done to improve the appearance and usefulness of it. It is hoped that future students at Edinboro will take care of the equipment provided and build on the room's possibilities.

### **COMMUTERS ROOM**

Room 12 on the first floor of Haven Hall has been furnished for the convenience of commuting women students who desire a quiet place to relax.

### **GUESTS**

Students may have overnight guests in the dormitory provided they pay at the rate of fifty cents per guest per night. This is a state regulation. Guest rooms are provided in both Haven and Reeder Halls. Off-campus students may not be overnight guests nor use the dormitory without paying the necessary fee.

Please report all overnight guests in Haven Hall to the Dean of Women and in Reeder Hall to the House Mother as soon as you know your guest is coming. Students are not permitted to house anyone in their rooms overnight without permission. On special occasions like Parents' Day and High School Guest Day the College will give dormitory students permission to house guests gratis,

provided request for this permission is secured in advance from the Dean of Women or the House Mother.

Guests may also enjoy the services of the dining room at the following rates: breakfast, forty cents; lunch, forty cents; dinner, fifty cents. Reservations should be made with the Dietitian.

#### IN GENERAL

All dormitory residents are asked to cooperate with the College by:

1. Taking care of the College property entrusted to you.
2. Reporting any defective plumbing or wiring, or damage to College property.
3. Not overloading the electric wires—no more than two appliances from any one socket. All forms of cooking appliances are forbidden in student rooms.
4. Refraining from using nails or thumb tacks on the walls.
5. Keeping rooms neat at all times. Taking pride in your own College home.
6. Not using student rooms for fraternity or sorority purposes. Special quarters are assigned for these groups.
7. Turning out lights and radios when leaving the room. Your thoughtfulness may mean a big saving of expense.
8. Not using fire escapes for entering and leaving dormitories.
9. Being sure to lock your rooms when you go out.

#### LIVING OFF-CAMPUS

For the convenience of those students who, because of financial reasons, feel they cannot make their College home in the dormitories, there are private homes off-campus serving this purpose. Each house is approved by the Housing committee, headed by the Dean of Women.

Rooms are rented at two dollars a week per student for eighteen weeks in each semester. Special rates are given for single rooms. Individual householders may make special charges for cooking fuel, radios, etc., as they see fit. Each house is provided with adequate cooking facilities, especially for student use.

Complete lists of approved houses for men and women may be obtained in the office of the Dean of Women. Each person who wishes to live off-campus must secure the permission of the Housing Committee.

## REGULATIONS FOR WOMEN STUDENTS

### Permission Hours

It has been found advisable to designate certain hours when women are expected to be in their place of residence, or in attendance at some College function. All women follow the same permission hours whether living off-campus or in the dormitory.

Permissions for the weekend are:

Saturday 10:30 P. M.

Sunday 10:00 P. M.

Permission for Monday through Friday are in at 8:00 P. M. From November 1 to March 1 this is changed to 7:30 P. M.

Women may be out after the designated hour only if they are attending some College activity, such as lectures, clubs, library, movie. The hour is then governed by the activity.

On lecture-entertainment, basketball, or movie nights women who attend these performances are given permissions according to their classes: freshmen and sophomores until ten o'clock; juniors and seniors until ten-thirty.

Doors are locked each night at ten o'clock, except Saturday at ten-thirty.

### "Late Pers"

When it is necessary for a woman to be out after the closing hour, she may secure a late permission from the Dean of Women or persons named by her to assume this responsibility in her absence. In 1939-1940 the number of these per-

missions per student was limited to five each semester.

### Sign-Out Book

There is a "sign-out" book in each residence for women in which the women are expected to sign if they plan to be out after 8:00 P. M. (7:30 November 1 to March 1) any night in the week.

Women also sign out whenever they leave Edinboro, regardless of the time of day.

### Penalties

Women who are late or who fail to sign out are given penalties according to the nature of and reason for the offense. These penalties are handled by the House Council.

### Special Permissions

Special permission from parents or guardians should be sent to the Dean of Women for:

1. Use of lake for boating, swimming, or ice skating.
2. Riding in cars.
3. Visiting friends over night.
4. Going home after dances.

### Quiet Hours

Quiet hours are observed in all residences for women:

1. Before 7:00 A. M. daily, except Sunday at 8:00 A. M.
2. During class hours:  
8:00 A. M. to 11:50 A. M. daily, except Sunday

1:00 P. M. to 4:00 P. M. daily, except  
Saturday and Sunday

3. 8:00 P. M. to 10:30 P. M. daily, except  
Saturday.

4. After 11:15 P. M.

During quiet hours women are requested to refrain from noisy activity and, in general, to respect the rights of others. Even if you do not care to study, others might. One of the aims of dormitory life is to teach cooperative group living.

#### Haven House Council

The House Council, consisting of a president, vice-president, secretary, treasurer, social chairman, and fire captain, is a representative body having delegated responsibilities in connection with life in the dormitory. They consider suggestions and complaints from the women, assist in enforcing dormitory regulations, and, in general, help to foster a wholesome spirit of group living.

The Council is elected by popular vote at the beginning of each semester

#### REEDER HALL

Reeder Hall, the men's dormitory, has accommodations for sixty men with additional rooms on the first floor and in the basement which are used as faculty apartments, offices, Y. M. C. A. hut, recreation rooms and parlors.

Rooms are assigned under the supervision of the Dean of Men and may be changed at any time in order to provide more suitable living arrangements. Beginning with the spring of 1940, upperclassmen have first choice of any room in the dormitory for the coming school year. Juniors, Sophomores and then the new students who wish to live in the dormitory have the next choice.

The men's dormitory has a self-governing body, the Reeder Hall House Council, operating under the guidance of the Dean of Men. The Council consists of two seniors, two juniors, two sophomores and one freshman elected by the respective classes residing in the dormitory. The Council is set up to give the students a chance to govern themselves. All regulations passed by the Council are subject to approval by the Dean of Men and the President of the College.

Reeder Hall regulations are designed to provide a wholesome and healthy environment for every student in the dormitory. The following are the main regulations:

1. The use of radios is permitted provided they are turned low and do not disturb others. Students who habitually disturb others by the playing of their radio will lose the privilege of keeping a radio in their room.

2. Quiet hours run from 8:00 P. M. to 7:00 A. M. every night except Saturday evenings.

3. Lights may be used for student purposes until 11:15 P. M. and in special cases until 12:00 P. M. by permission of the Dean of Men.

4. Visiting hours for off-campus students in the dormitory are until 10:00 P. M., provided this privilege is not abused by the students.

5. Student rooms cannot be used for fraternity purposes nor for initiating students into fraternities. No posters, signs, or fraternity insignias may be placed on the outside of the doors or windows.

6. Students are liable for damage, breakage, or defacement of all state property.

7. Outside doors of Reeder Hall are locked at 12:00 P. M. nightly. If it is necessary to stay out later, arrangements must be made with the Dean of Men or the night watchman before leaving.

### Smoking

The fire regulations and protection of life and property require that students may not smoke in their rooms and in the college buildings except where permitted.

## OFFICIAL FIRE REGULATIONS

The loss of life and property by fire and accident is appalling in spite of all the organized efforts of Nation, State, Insurance Companies, Automobile Associations, and the schools. Upon the schools, however, and especially upon the **TEACHERS**, must fall a grave duty and responsibility to so instruct children in "Safety First" habits that the loss of life and property by **FIRE** and **CARELESSNESS** may be reduced accordingly. The attention of students is called in this pamphlet to the following regulations concerning—

### FIRE DRILLS

**DRILLS** are required by the laws of Pennsylvania.

**FIRE ALARM** in Haven, Loveland, and Normal Halls is given on a regular fire alarm system; in Reeder by means of an electric gong; in Music Hall an electric bell system will be used.

### General First Essentials

1. Children first.
2. First floors and basements first.
3. Students first, followed by faculty.
4. Avoid running and rushing; keep to the right.
5. Always keep smoke-break doors closed when not in use.
6. When alarm is given, close all windows to prevent draft. **RESPONSIBILITY** for the observance of fire drills and the regulations fall to all persons—students, faculty, all employees.

## GOOD CITIZENS WILL COOPERATE.

SIGNAL FOR FIRE DRILLS will not be announced and will be given by one person, only, delegated for this duty.

The first fire alarm is a call and notice to ALL PERSONS to participate.

Specific rules and directions are posted on each floor of each building.

## TELEPHONE SERVICE

Edinboro has a modern system of telephone service. Telephones are located in various places on the campus.

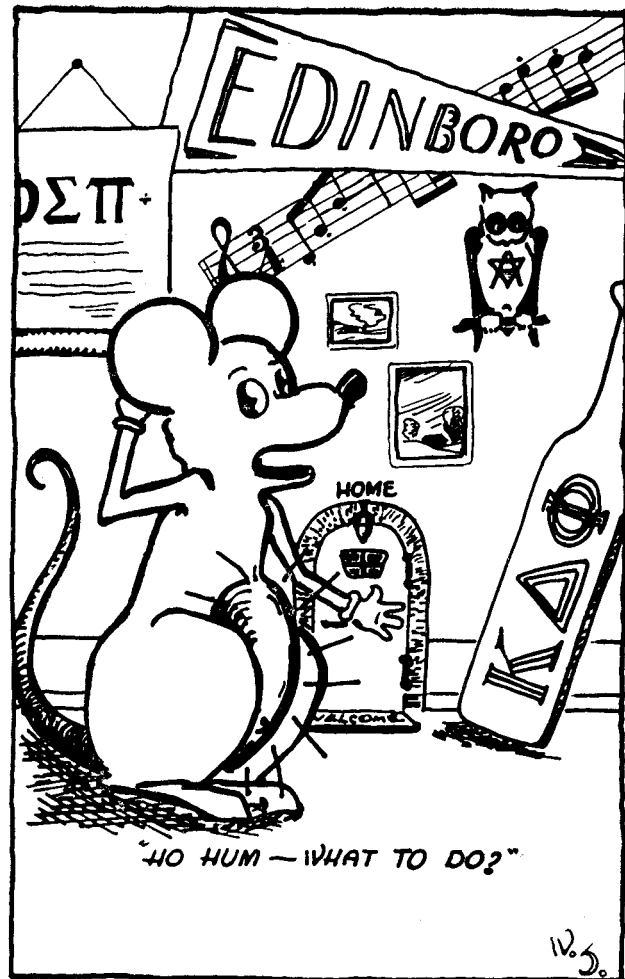

A few simple directions are all that are necessary.

If you are on campus and wish to call another station on the campus, simply dial the number of that station.

If you are on campus and wish to call a number off-campus, dial 70 or 78 and give the operator the number you want.

Long distance calls by students may be made over the pay telephones found in each dormitory.

If you are off-campus and wish to call the college, dial 301 for any College station.

## EXTRA-CURRICULAR PROGRAM

Every person who graduates from Edinboro and becomes a teacher will be expected to assume leadership in community life and school activities. In a large percentage of cases the teacher will be expected to sponsor school clubs and other student groups. Therefore, it is very important that every student while in college become accustomed to such activities and familiar with the techniques of discussion, parliamentary law, keeping records, and the general promotion of student activities. Even if a teacher never becomes a club-sponsor, the educational value of these activities in college is perhaps as great as that of some courses of study. It is, therefore, the policy of the College that each student shall each semester be a member of some club or other accepted activity aside from athletics.

Beginning with the first semester of the College year 1940-1941, the following plan of extra-curricular activities will go into effect:

1. At the beginning of the semester each student will be given the opportunity of choosing the club or activity which he prefers.

2. A club or activity may be set up on petition of not fewer than fifteen students with the approval of the Committee on Student Activities.

3. It is recognized that all students need experience in such activities as free discussion and parliamentary procedure; hence, all organizations should provide for regular meetings.

4. For the present, the first and third Mondays will be regarded as club days, with a gen-

eral reservation of the fourth period for club meetings.

5. The fraternities, dramatic club, music clubs, and religious organizations will follow the present schedule, which is as follows:

Fraternities—Mondays, 9:00 to 10:30

Dramatic Club—Tuesday evening

Y. M. C. A.—First and Third Wednesday evenings.

Newman Club—Second and fourth Wednesday evenings

Y. W. C. A.—First and third Thursday evenings

A Capella Choir—Mondays and Fridays  
4:00 to 5:00

6. There will be the widest liberty consistent with good educational practice in the selection of clubs. Each student should be a member of an activity in which he has a native and vital interest.

7. Early in the semester, after sufficient time for the organization of activities, there will be a check-up by the Committee on Student Activities of all student choices. Lists of those who are late in joining activities will be furnished the Dean of Men, the Dean of Women, and the Dean of Instruction.

8. Each club or activity is to choose its own faculty adviser, subject to the consent of the faculty member concerned and the approval of the Committee on Student Activities. No one shall be expected to serve as faculty adviser for more than one activity. The faculty adviser is not to

be responsible for planning the program of the activity, but his relationship is to be advisory only.

9. Each activity is to have a secretary, whose duty it shall be to record and report membership and program as follows:

- a. A membership report to be turned over to the Chairman of the Committee on Student Activities early each semester.
- b. Participation report of individual members, office holding, attendance at meetings, and contribution to the program, this report to go to the Dean of Instruction at the end of each semester.
- c. A monthly report of the activities of the club to be given the Chairman of the Committee on Student Activities.

Blanks for all these reports may be secured from the office of the Dean of Instruction.

10. It is understood that the offices recorded on the student's cumulative record card held by the Dean of Instruction will continue to be accepted in lieu of other activities, with the addition of house presidency and major athletic management.

As a result of a popular vote of the student body taken in April, 1940, some of the above mentioned clubs may be eliminated from the curriculum and new ones organized for the school year 1940-1941.

#### THE COMMITTEE ON STUDENT ACTIVITIES

#### Scheduling Social Activities

There has grown up within the College a varied and complete social program. Some events, such as the Bowery Brawl, Homecoming, the Christmas Festival, the Big and Little Sister Tea, are traditional with Edinboro and are held every year. New ideas are always being presented by different organizations.

To avoid conflict it has been necessary to have one central office where all social events are scheduled. This duty has been delegated to the Dean of Women. Before scheduling any evening activity, it is necessary for the organization to get the approval of the Dean of Women and to have the activity recorded on the social calendar.

If any group desires to hold important College functions off campus or out of town, permission may be granted by the President of the College, only.

#### The Orchestra

To music lovers, this is one of the most interesting organizations on campus. Once every week, all students who play instruments meet to interpret the music of well-known composers. There are opportunities during the school year for public performance. All students who play, but who do not own their instruments, are urged to procure them, rented or borrowed—and join the group for the most in music enjoyment.

Helen Davis, '41

### **The Choir**

By far the largest of the musical organizations on campus, the A Capella Choir is composed of men and women who are interested in raising the standard of music on campus. Under the capable direction of Miss Esther Wilson, the Choir has broadened its scope to include many numbers, both religious and secular. These are presented each year at several performances including the Christmas concert, Spring Musical, chapel programs, Vesper Services, concerts given outside the school and Baccalaureate and Commencement Services.

Dolores Probsner, '40

### **Horace Mann Club**

The Horace Mann Club, as the name indicates, is concerned with the study of educational problems and topics which might not be dealt with in the various classes in the Department of Education. Through forums, panels, reports, and visitation of outstanding schools, such problems are given consideration as appear to be of greatest interest to the members. In the meetings every member takes an active part, either in business affairs, in the discussion, or in the school affairs which frequently follow the business of the day.

### **The Edinboro Players**

The Dramatic Club is one of the oldest active organizations on the campus of Edinboro State Teachers College. Its work is well known not only to the College students, but also to townspeople and those living in nearby cities. Its reputation is kept alive by a yearly tournament of one-act plays and larger productions. Examples in the past year were "What A Life" and the Pulitzer Prize play, "Our Town." The ultimate objective of membership is admission to Alpha Psi Omega, the National Honorary Dramatic Fraternity. The players always welcome new talent at their annual tryouts held in the fall. Membership is limited to fifty.

Robert McKinney, '42

### **The ScaRAb Club**

The ScaRAb Club is the Art Department and the Art Department is the ScaRAb Club. All art students are members of the club from the date of their entrance to the art course. All faculty members of the Art Department and such other faculty as may desire are members of the club. The club activities for credit are individual matters and must be declared at the beginning of each semester: they may be a unit in landscape, portraiture, jewelry, pottery, dramatic arts, stamp collecting, or any other artistic venture. The reason for the club is service to the College, the Department, and the individual.

## RELIGION

### Y. W. C. A.

The Young Women's Christian Association has for its motto "Not to be ministered unto, but to minister." The girls "unite in a desire to realize a full and creative life through the growing knowledge of God."

The year's program is outlined by the girls themselves with the basic purpose of creating interest, satisfying all types of individuals, and filling out the spiritual side of our college life.

The program is initiated in September with a Big and Little Sister Tea which forms a bond of fellowship between freshmen and upperclassmen.

The organization meets every two weeks. Joint meetings with the Y. M. C. A. are held frequently. Student and outside speakers bring us new and varied inspiration.

Teas and parties supply the social outlet of the society. All freshmen are cordially invited to become a part of the Y. W. C. A.

Ethel Thomson, '41

### Y. M. C. A.

The Young Men's Christian Association is an organization for the purpose of the development of moral and spiritual character to which all men students are eligible. Besides sending delegates to "Y" conferences and participating in intramural sports, the Y. M. C. A. sponsors occasional social affairs and religious movies.

Frank Orden, '43

### The Newman Club

The Newman Club, affiliated with the national organization of the same name, is an organization for the benefit of the Catholic students of the College. Its purpose and function combines religious discussion with social activity. We hope to make it more prominent in the lives of our Catholic students.

## ATHLETICS

### The "E" Club

The "E" Club is an organization composed of athletes who have won the varsity "E" in intercollegiate competition. "To maintain a high standard of athletics at Edinboro" is the aim and purpose of the club. Important activities for the year are: the annual athletic banquet, the original "E" club minstrels, the annual intra-squad basketball game, and the presentation of awards—gold foot balls and basketballs to seniors, sweaters, letters and certificate of "E" club membership to all letter winners.

Norman Dilley, '41

### MEN'S ATHLETICS

The past year was an eventful period in the athletic history of Edinboro State Teachers College. Four new sports were placed on an intercollegiate basis. Swimming, wrestling, tennis, and golf teams were developed for the first time. Our complete intercollegiate program of sports now includes football, basketball, swimming, wrestling, tennis, and golf. These sports provide ample opportunity for every student to enjoy the values of intercollegiate competition.

The second big step is the development of the new intramural program for all students. Administrative details were worked out so that every student can now meet the requirement of two periods of intramural activity per week. Each student registers for two class periods per week of some

activity. If he is competing on a varsity team, he is exempt from intramural until the varsity season ends, at which time he reports back to his intramural class. Students taking Health Education I, II, or practice teaching are exempt. Each student, therefore, is required to complete five semesters of intramural activity in his four years at Edinboro.

Students select their intramural activities from the following list of sports: touch football, basketball, volleyball, swimming, life saving, wrestling, golf, tennis, ping pong, badminton, and softball. The academic year is divided into quarters. Each student makes a choice of the activity in which he wishes to engage for each quarter. The outline for the year 1940-1941 is as follows:

#### First Semester

First Quarter	Second Quarter
Golf	Badminton
Swimming	Basketball
Tennis	Ping pong
Touch football	Swimming
Wrestling	Volleyball
	Wrestling

#### Second Semester

Third Quarter	Fourth Quarter
Badminton	Golf
Basketball	Life saving
Life saving	Softball
Swimming	Swimming
Tennis	Tennis
Volleyball	

In the spring of 1940 a Men's Intramural Council was formed for the first time. Its organization will not be complete until after the first semester, 1940-1941. The present council members and the sport each represents are as follows: Grant Abrams, intramural swimming; Roy Christensen, intramural badminton; Daniel Wolchik, intramural volleyball; Frank Felice, intramural wrestling, and Steve Lipchik, intramural ping pong. This council will govern all intramural activities for men and promote men's athletics in general.

Orville R. Bailey

## WOMEN'S ATHLETICS

### The W. A. A.

The Women's Athletic Association offers twenty-three sports to the women on campus. Healthful recreation for the pure joy of participation and attainment of new skills adds much to the happiness of the members.

Each woman student upon entering is elected to membership either in the Phi's or Delta's who make up the national health and physical education sorority, Phi Delta Lambda. Throughout the year there is regular intramural competition between these two groups.

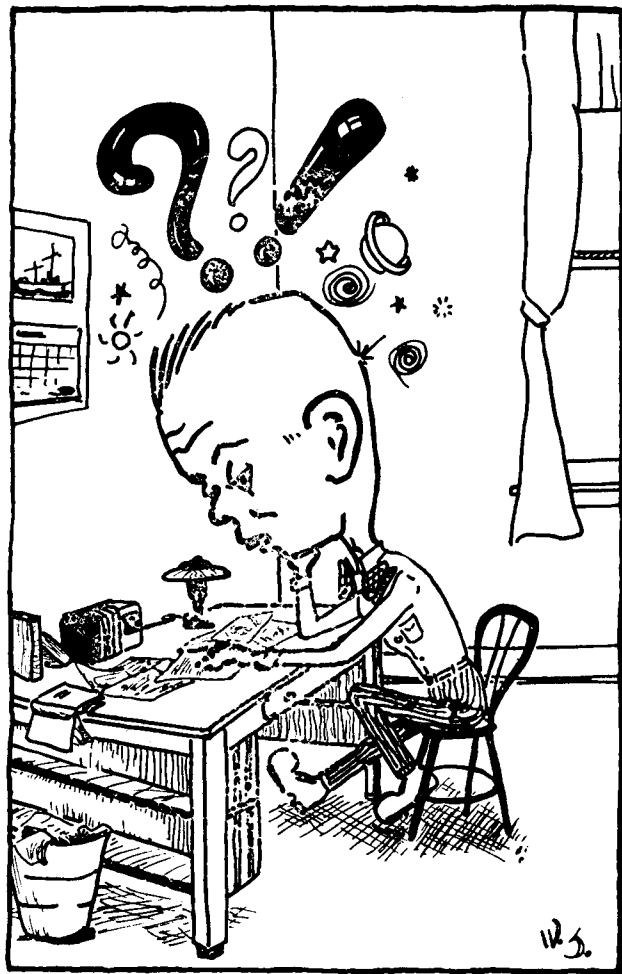

Some of the sports offered are: field hockey, horseback riding, volleyball, newcomb, bicycling, hiking, basketball, shuffleboard, deck tennis, paddle tennis, badminton, ping pong, swimming, skiing, skating, mushball, tennis, golf, field and track events, and archery.

Monthly teas prepared and served by various athletic groups are held in the W. A. A. club rooms.

At the annual banquet in the spring awards are presented to all those who have been outstanding in various sports.

We shall be happy to welcome all women at the fall initiation and to play with you throughout the year.

## SCHOLASTIC STANDARDS

Standings indicating the quality of work are:

"A"—grade given to students whose quality of work is clearly of an exceptional nature.

"B"—grade given to students who do distinctly superior work.

"C"—grade representing the type of work done by the average student. It is of good quality in daily recitations, assignments and examinations.

"D"—grade indicating work below average.

"F"—grade indicating failure. Any course in which an "F" grade has been earned must be repeated.

"X"—not a grade, but indicates that the student for some justifiable cause has not been able to complete the required work within the time limit.

"W"—a withdrawal from course.

The Dean's list is a list of students who have made a "B" or better at the end of the semester in every course taken.

For more complete information, read the College catalogue.

## ABSENCE AND TARDINESS EXCUSES

Students should be familiar with the method of securing excuses for absence from class. Students are allowed as many unexcused absences in a course as there are semester hours in the course. For example, after a student has been absent three times without an excuse from a course of three semester hours, the student upon the fourth absence without excuse is automatically dropped from the

course. Excuses are granted only by the Dean of Men and Women and only in case of illness or other justifiable cause.

Three unexcused cases of tardiness are equivalent to one unexcused absence. The instructor decides whether or not this tardiness should be excused. The instructor shall notify the respective Dean and the student to the effect that the student shall be given one unexcused absence.

The burden of absence and tardiness from class rests at all times with the student. The student must take the initiative in making up work after on absence.

1. Illness should be reported promptly to the College Nurse or Physician and a proper statement secured.

2. Present this to the Dean.

3. In case of an absence for some other cause report to your Dean directly.

4. Present the Dean's excuse to the instructor immediately upon returning to the class.

## THE COLLEGE BOOKSHOP

At the corner of Meadville and Normal streets is located a small white house over the door of which hangs a sign reading, "The College Bookstore." Here one may buy textbooks and other school supplies at fair prices.

## THE LIBRARY

The entering student at Edinboro State Teachers College soon discovers the educational and recreational facilities available in the College library. Some nineteen thousand volumes offer a wide range for reference and study: a generous fiction section and 156 magazines and periodicals give the student an opportunity to fill leisure hours with enjoyable reading. Records show an average of 125 students registering daily and between 1700 and 2000 books and periodicals in circulation monthly.

The library is located on the second floor of Normal Hall and throughout the year will observe the following hours:

8:00 A. M. to 5:00 P. M.—Monday to Friday inclusive.

7:30 P. M. to 9:00 P. M.—Monday to Friday inclusive.

8:00 A. M. to 12:00 Noon—Saturday.

1:00 P. M. to 4:00 P. M.—Saturday.

Our library has the distinction of being one of the few in the state which employs open shelves for all books thus allowing all students easy access to the volumes. Of course, this system must

be supervised and consequently a few rules must be enforced.

1. Students will register on entering the library and again on leaving, at which time they will show books charged for use outside the library.

2. All books which have been definitely assigned to classes are placed on shelves directly behind the desk and are known as the Reserve Books. Such books may be withdrawn at 5:00 P. M. and returned at 7:30 P. M. or taken at 9:00 P. M. and returned before 9:00 A. M. the following morning. Failure to observe these rules results in a fine of ten cents per day.

3. All books except those on reserve may be withdrawn for two weeks, a fine of two cents a day will be charged for books kept overtime.

4. Magazines may be withdrawn from the library subject to the same rules as Reserve Books.

5. No student will be issued grades or credits until all library obligations have been settled.

6. No books may be removed from the library except by proper charging at the desk by the librarian in charge. Anyone taking books from the library improperly charged will be subject to a fine of \$5.00 per book and suspension from all College activities until such fines are paid. Clipping from books is always prohibited. Clipping may be done from pamphlets and magazines only with permission from the librarian.

We urge you to use the library in the fullest possible way, and believe it to be an important part in your training. You may never again have

the time and opportunity to enjoy such a privilege as is yours at Edinboro.

Earl Madigan, '42
