## ***Foreword***

This handbook has been prepared for the express purpose of familiarizing new students with the rules and regulations of the college; in addition it contains a wealth of general information useful to returning students as well as to Freshmen.

Acknowledgment is made to our able Dean of Women, Mrs. Elizabeth Miller, who did much of the work of preparing the material for this booklet.

May this be a year of academic and social significance and achievement for you, the student, and Edinboro State Teachers College.

For the Student Council

John Oliphant

## ***President's Greetings***

The opening of the college year each September is always a time of pleasant expectancy. Faculty and upper classmen gather after a summer of activity, travel, study, or summer work in the classroom. Freshmen gather from far and wide for their first experience as college students. For them, high school days are rapidly receding into the background, and a new, eagerly anticipated experience awaits. Upper classmen will pass on to them the traditions of the past. For them this handbook is a chart by which it is hoped their course will be made easier and the going smoother. This book has been carefully prepared to serve as a body of useful information for the upperclassmen and an aid to rapid initiation into a new life for the Freshmen. It is hoped by all that the tradition of friendliness, for which Edinboro has been famous in the past, will be carried forward even to a greater degree. For those of you who are new, remember that the faculty and upperclassmen are your friends. Call upon them freely. I gratefully accept this opportunity to extend personal greetings to all, with best wishes for the happiest year in your lives.

L. H. VAN HOUTEN,  
President

## HISTORY

Eighty-five years have gone by since Edinboro was first chartered as a State Normal School; eighty-five years of growth and service to the communities lying about her. The beginnings of the college were laid in 1857 when a band of hardy Scotch-Irish farmers grouped together and founded a private academy at Edinboro by popular subscription, but it was not until 1861 that it was chartered by the State as Pennsylvania's second Normal School.

A great forward stride was taken in 1914, when the Commonwealth purchased Edinboro Normal School and made it the property of the State. Twelve years later, realizing the need of the schools of Pennsylvania for better-educated teachers, the Commonwealth made Edinboro a Teachers College by organizing a four-year curriculum leading to the degree of Bachelor of Science in Education.

Although designed primarily to serve the counties of Erie, Crawford, Mercer, Venango and Warren, Edinboro receives and welcomes students from every section of this state and from other states.

As a result of the recent building program at Edinboro there are four new buildings; gymnasium, training and demonstration school, power plant, and spacious auditorium. For these and the older buildings, the campus of thirty-eight acres makes an appropriate setting. Haven

Hall, the women's dormitory, was built during the administration of John F. Bigler. Reeder, the men's dormitory, was built in 1907 and named in honor of one of the early donors of the school. Academy Hall, known recently as Music Hall, is the oldest building on the campus, having been built about 1857. Normal Hall was built in 1857 and in 1891 was considerably enlarged. Today it contains the administrative offices, the library, several class rooms, and the old auditorium. Recitation Hall, built early in the history of the school, is uniquely constructed; it still provides recitation room space. The New Gymnasium, with its excellent athletic facilities, now overshadows the old gymnasium, which is outmoded. Loveland Hall is named for the late Mr. Frank Loveland of Corry, who for many years was a trustee of the College; this building was built in 1930 and houses the Art and Science departments.

We are rightly proud of our campus because of its attractiveness, its accommodations and its traditions. We hope this pride will continue to be shared by all incoming students.

## CONTROL OF THE COLLEGE

The control of the College is vested in the Board of Trustees, composed of nine members with John K. Earp, as President, and Will P. Rose as Vice-President. The Governor of the Commonwealth, the State Superintendent of Public Instruction, and the President of the College are ex-officio members.

## INFIRMARY

The College Nurse lives in a room adjoining the Infirmary which is located on the third floor of Haven Hall. Doctor Harold Ghering, the College Physician, is at the infirmary between 11:00 A. M. and 12:00 Noon.

While the Nurse can be found at the Infirmary at practically any time, students are asked to respect the following office hours:

7:45 A. M. to 9:00 A. M.

11:00 A. M. to 12:00 Noon

4:00 P. M. to 5:00 P. M.

IN CASE OF EMERGENCY, students may call Doctor Ghering at the Clinic, Edinboro 2181 or at his home, Edinboro 2174.

## ILLNESS IN ROOM

The illness of any student in his room must be reported immediately to the College Nurse. She or the physician will visit him and prescribe treatment. The student will be moved to the Infirmary if necessary.

## THE LIBRARY

The entering student at Edinboro State Teachers College soon discovers the educational and recreational facilities available in our College Library. Some twenty-five thousand volumes offer a wide range for reference and study. A generous fiction section and 175 magazines and periodicals give the student an opportunity to fill leisure hours with enjoyable reading.

Our library has the distinction of being one of the few in the state which employs open shelves for all books, thus allowing all students easy access to the volumes. Of course, this system must be carefully supervised and consequently certain rules must be observed.

1. All books which have been definitely assigned to classes are placed on shelves directly behind the desk and are known as the Reserve Books. Such books may be withdrawn at 5:00 P. M., and returned at 7:00 P. M., or taken at 8:30 P. M. and returned before 9:00 A. M. the following morning. Failure to observe these rules will result in a fine of ten cents per hour.

2. Books not on reserve but in demand are termed "overnight books" and may leave the library at any time of day or overnight and must be returned before 9:00 A. M. the following day. Penalty for late return is ten cents per day.

3. All books except those on reserve may be withdrawn for two weeks; a fine of two cents a day will be charged for books kept overtime.

Encyclopaedia volumes and dictionaries may not be withdrawn.

4. Magazines may be withdrawn from the Library subject to the same rules as Reserve Books.

5. No student will be issued grades or credits until all Library obligations have been settled.

6. No books may be removed from the Library except by proper charging at the desk by the Librarian in charge. Anyone taking books not properly charged from the Library will be subject to a fine of \$5.00 for each book and suspension from all College activities until such fines are paid. Clipping and marking books is always prohibited. Clipping may be done from pamphlets and magazines only with permission from the Librarian.

The Library is located on the second floor of Normal Hall and throughout the year will observe the following hours:

### Monday through Friday

8:00 A. M. — 5:30 P. M.  
7:00 P. M. — 9:00 P. M.

### Saturday

8:00 A. M. — Noon  
1:00 P. M. — 4:00 P. M.

## ACADEMIC STANDARDS

### Grading System

Standings indicating the quality of work are:

- "A" — grade given to students whose work is clearly of an exceptional nature.
- "B" — grade given to students who do distinctly superior work.
- "C" — grade representing work of good quality.
- "D" — grade indicating unsatisfactory work.
- "F" — grade indicating failure. Any course in which an "F" grade has been earned must be repeated.
- "X" — not a grade, but a mark indicating that the student, for some justifiable cause, has not been able to complete the required work within the time limit.

### The Dean's List

Twice a year, there is published The Dean's List, a list of students who have made a grade "B" or better in every course taken during the previous semester.

### Classes

The following number of credits are necessary to become a member of each class:

Sophomore	— 32
Junior	— 64
Senior	— 96
Graduate	— 128

### REGISTRATION

Students are reminded to register and pay fees on the assigned dates. All fees must be paid in advance. Permission must be obtained from the President of the College in advance to avoid penalty for late payment.

Dates of registration and payment of fees may be found in the Calendar.

### ABSENCE AND TARDINESS

Students should be familiar with the method of securing excuses for absences from class. The burden of responsibility for absence and tardiness rests at all times with the individual involved. He must take the initiative in planning for making up work after an absence. The following procedure should be understood and followed carefully:

1. Report illness promptly to the College Nurse or the College Physician and secure a proper statement.
2. Present the medical statement to the Dean of Men or Dean of Women and ask for an excuse.

3. In case of an absence for cause other than illness, report directly to the Dean to request an excuse.

4. Present the Dean's excuse to your instructors immediately upon returning to class. After your instructor signs the excuse, file it for future reference.

5. Make arrangements for makeup work.

If the the unexcused absences for any student amount to the number of clock hours for which a particular course meets, the student shall be dropped from the class and an "F" recorded for that subject. For example, if the number of unexcused absences for a three clock hour course reaches four; a two clock hour, one-credit course two; a one clock hour course one; a student is dropped from the course. Students who are absent from courses which have designated lecture and laboratory periods, will be dropped when the unexcused absences total one more than the designated periods for either laboratory or lecture. If a student has an unexcused absence from a class which meets two or more successive periods, he shall be considered as having as many absences as that class has periods per session. For example, if a two-credit course meets for two successive periods on Saturday morning, absence for that session will constitute two unexcused absences. If a student is absent from a laboratory period, he will be considered as having one absence. Unexcused absences immediately before and after vacations count double.

If excuse is not obtained from the Dean of Men or Dean of Women within seven days after the absence, the absence will be considered unexcused.

## ASSEMBLY

Each Wednesday morning, the entire student body meets in the auditorium for a period of worship and entertainment. The programs are varied and consist of lectures by prominent thinkers, musical recitals, plays, skits, movies, and important announcements. A committee of students meets with the faculty sponsors to plan the program.

Every student at Edinboro is required to attend. An assembly seating list shall be prepared with seats assigned and attendance shall be checked. The list of absentees shall be lodged in the office of the Dean of Instruction. Each unexcused absence automatically lowers by one point the total accumulation of quality points which the student has earned toward graduation.

## STUDENT GOVERNMENT

### Student Council

The Student-Faculty Council considers and enacts much legislation in connection with campus problems. Probably its most important function is the budgeting of the Student-Activities Fund. The Council meets regularly and is always ready to listen to and discuss any new proposal for college progress. Council meetings are open to any of the student body who wish to attend.

Council members are elected by the student body and faculty and serve for two semesters. Membership in this group should be considered a very high honor.

## CONSTITUTION

Revised 1948

### ARTICLE I

#### Name

The name of this organization shall be the Student-Faculty Co-operative Government of the Edinboro State Teachers College.

### ARTICLE II

#### Purpose

While appreciating deeply the province and functions of the Trustees, College President, Dean of Instruction, the Dean of Women, Bursar and other officials and faculty committees and members organized chiefly for administering the business and instruction of the college, we, the students, the faculty, and the President of the College, feel that there still remains unoccupied a large promising field for co-operative service. Accordingly, we do hereby declare that the purpose of the Co-operative Government is to take over increasingly the responsibility for organizing and directing purely student affairs, to cooperate with the proper college authorities in matters of student welfare, and to seek constantly to make the college a better agency for developing effective citizens and teachers.

## ARTICLE III

### Membership

The membership of this Co-operative Government shall consist of all students, all faculty members and the President of the College.

## ARTICLE IV

From this group of nominations, with or without additional nominations that may be made from the floor, the class shall elect by ballot its two representatives on the Council.

Other groups shall elect their representatives by popular vote prior to October 1.

The chairman shall be elected in the following manner: As soon as possible after the opening of the second semester the president of the junior class shall appoint a nominating committee of three, who shall nominate at least two persons from the junior class as candidates for the office of chairman of the Council. In addition, any junior may be eligible for this office if a petition signed by twenty-five students, requesting that his name be placed on the ballot, be presented to the secretary of the Council at least forty-eight hours before election. Also available for use is the Recreation room in the basement of Haven Hall.

## REGULATIONS FOR MEN STUDENTS

Men's regulations are controlled by the respective House Councils, and the Dean of Men. The House Council is elected by the men students, and consists of one representative of each class.

Their main insinences are that your behavior be temperate. No intoxicating drinks may be brought into the dormitory. Women students are not allowed to be entertained in Reeder Hall.

Quiet hours will be observed in men's dormitories from 8:00 P. M. to 10:30 P. M. and from 11:00 P. M. to 7:00 A. M.

## OFF-CAMPUS MEN

Men living off-campus are not segregated in any way from those living on campus. They do, however, have a representative in the Student Council who helps advise and settle problems pertaining to the off-campus group. Rules applying to men living in the college dormitory apply to those outside the dormitory.

## FRESHMAN REGULATIONS

It is the earnest desire of all upperclassmen and faculty to become acquainted with all of you as soon as possible; the following regulations have been designated to aid us in doing so. Get off to a good start by letting us know that you are a good sport.

1. Freshman men and women shall wear during the first two weeks of school a 4x6 inch pedigree card bearing their names and home address. These shall be worn on the shirt lapel or blouse.
2. Dinks shall be purchased by all freshmen the day of registration. They shall be worn at all times; on Campus and in Edinboro, until Thanksgiving vacation. Students entering second semester shall wear dinks until Easter vacation.

Veterans are exempt from these regulations at their discretion.

All Freshmen shall extend a friendly greeting, and call upper classmen by their last name (designating Mr. or Miss) during the first two weeks of school.

3. Freshmen shall carry a copy of the handbook at all times during the first two weeks.
4. All Freshmen shall know college regulations, songs, and cheers found in the handbook.
5. Freshmen shall observe the strictest etiquette at all times.
6. No High School awards shall be worn at any time.

7. Freshmen shall attend all meetings, classes, social and athletic events.  
The power of interpreting the above-stated rules shall be vested in the Student Council.

## TIPS TO FRESHMEN

We want you to come here all set for the happiest four years of your life. It's a new adventure, and you'll want to make the best of every opportunity.

You'll want to make a good appearance from the beginning. So brush up on your manners. Know how to make conversation, how to conduct yourself at the table, and practice it!

There are many activities you can enter. But it's up to you to get out for them, to work and to let yourself be known. Ask someone how to get into those things in which you are interested. But don't try to do too much. Keep a well rounded program and budget your time.

Because of the crowded living conditions, you may get your personal belongings mixed with someone else's, so mark all of your property and save a lot of confusion.

Social life is by no means all there is to college. You'll want to start from the beginning to do your best scholastically. It may be difficult for you, but you can do it! Later you will be wanting to join a sorority or fraternity, and the marks you get now will be a determining factor as to whether you will get a bid.

## YOUR CHURCH

### Church Services

The Edinboro Churches offer students a variety of religious and social activities. The Young Peoples' groups hold weekly meetings, discussion groups, suppers, etc. Many students sing in the church choirs or serve as ushers throughout the school year. A cordial invitation is extended to all students to continue their religious affiliations with the churches here in town.

#### The Newman Club

This is a religious organization for Catholic students. The meeting place is in Loveland Hall. The meetings are scheduled for the second and fourth Wednesday evenings of the month.

#### Y. M. C. A.

The Young Men's Christian Association is an organization for the purpose of the development of moral and spiritual character. Besides sending delegates to "Y" conferences and participation in intramural sports, the Y.M.C.A. sponsors occasional social affairs and religious movies.

Y. W. C. A.

The Young Women's Christian Association has for its motto "not to be ministered unto, but to minister". Its members "unite in a desire to realize a full and creative life through the growing knowledge of God."

The big and little sister tea in September initiates the program and forms a bond of fellowship between freshmen and upperclassmen. This is followed by a Candlelight service in October.

Students and outside speakers bring new and varied inspiration to the regular meetings every two weeks. Once each month the meeting is open to men. Teas, parties, and picnics add social interest and complete a well-rounded program.

## ORGANIZATIONS

### EXTRA-CURRICULAR PROGRAM

Every person who graduates from Edinboro and becomes a teacher will be expected to assume leadership in community life and school activities. In a large percentage of cases the teacher will be expected to sponsor clubs and other student groups. Therefore, it is very important that every student in college becomes accustomed to certain activities and familiar with the techniques of discussion, parliamentary

law, record keeping, and the general promotion of student activities. Even if a teacher never becomes a club sponsor the educational value of participation in these activities in college is perhaps as great as that of some course of study. It is therefore, the policy of the College that each student shall each semester be a member of some club or other activity aside from athletics.

In the College year 1948-49, the following plan of extra-curricular activities will be in effect:

1. At the beginning of the semester each student will be given the opportunity of stating a preference for any club or activity in which he is interested.
2. A club or activity may be set up on petition of not fewer than fifteen students with the approval of the Committee on Student Activities.
3. All organizations will provide for regular meetings.

There will be the widest liberty consistent with good educational practice in the selection of the clubs. Each student should be a member of some activity in which he has a native and a vital interest.

Early in the semester, after sufficient time for the organization of activities, there will be a check-up by the Committee on Student Activities of all student choices. Lists of those who

are late in joining activities will be furnished by the Dean of Men, the Dean of Women, and the Dean of Instruction.

Each club or activity is to choose its own Faculty Advisor subject to the consent of the faculty member concerned and the approval of the Committee on Student Activities. No one shall be expected to serve as Faculty Advisor for more than one activity. The Faculty Advisor is not to be responsible for planning the program of the activity, since his relationship is only advisory.

Each activity is to have a Secretary, whose duty it shall be to record and report membership and program as follows:

- (a) A membership report to be turned over to the Chairman of the Committee on Student Activities early each semester.
- (b) Participation report of each individual member, of the office holders, attendance at meetings, and contribution to the program; this report to go to the Dean of Instruction at the end of the semester.
- (c) A monthly report of the activities of the club to be given the Chairman of the Committee on Student Activities.

Blanks for all these reports may be secured from the office of the Dean of Instruction.

## SCHEDULING SOCIAL ACTIVITIES

To avoid conflict it has been necessary to have one central office where all social events can be scheduled. This scheduling duty has been delegated to the Dean of Women. Before advertising any evening activity it is necessary to have the activity recorded on the Social Calendar in the office of the Dean of Women.

The Dean of Women, acting in this scheduling capacity, represents the College Social Committee and under its instruction, seeks to maintain a well-balanced and satisfactory social program. Permission for scheduling an event may be denied when the general Social Calendar, or the Calendar for a particular organization seems overcrowded, or when the maintenance of high academic standards in the college would seem to discourage the activity in question.

No social activities are scheduled on evenings other than Friday or Saturday, except for games and lyceum entertainments.

Assignment of rooms for social activities is administered by the Dean of Women. Assignment of rooms for meeting and activity purposes is administered through the Dean of Instruction's Office.

### The Spectator

Few colleges can boast of a better newspaper than Edinboro's Spectator. The Spectator's reputation for good journalism has been a tradition at Edinboro. Published bi-weekly by an excellent staff of students, the Spectator covers all phases of college life. Cost of publi-

cation is covered by the student activity fund and advertising; the paper is distributed free to all students. The Spectator offers an excellent opportunity for students to gain experience in newspaper work.

#### **The Conneautteean**

The Conneautteean, the college yearbook, is the publication of the Junior class in which the whole college plays an active part. The name "Conneautteean" causes much speculation as to its derivation. Though many wonder, few find out that the annual takes its name from Lake Conneauttee, now known as Edinboro Lake.

The book, which is definitely a student enterprise, is put out by combined efforts of the student staff and the faculty advisor.

#### **Dramatic Club**

All students interested in sponsoring dramatic activities on campus are eligible for Club membership. During the first semester a three act play for which all students are invited to try for parts, will be presented. This club also assists in the production of any dramatic activities which are presented through the medium of pagentry, the dance or an aquacade. During the second semester one act plays will be presented.

Students who are particularly interested in the fields of scenery, costuming, lighting or make-up are invited to join the Crew Club which is a section of the Dramatic Club.

#### **The ScaRAB Club**

The ScaRAB Club is an organization of all art students. Meetings will be subject to call by the President or either of the Faculty Advisors, Mr. Bates or Mr. Bruce.

#### **The College Ensemble**

The College Ensemble is a selected group of men and women singers who perform informally for club meetings, social functions, churches, etc. They also present special numbers at the Christmas Concert, Spring Musicale and Assembly programs. Members are selected from the College Choir.

#### **The Photography Club**

Students interested in camera work will find interesting activity in the Photography Club. This group meets once each week and makes use of excellent darkroom facilities provided by the college in the basement of Normal Hall. Membership in the club is limited to twelve by selecting those who are actively engaged in photography and who attend meetings regularly. Darkroom space and privileges are extended to students who participate. Special help is given to beginners as well as to those more advanced.

#### **Alpha Delta Sorority**

The Iota Chapter of the Alpha Delta Sorority is one of the seven chapters in the State Teachers Colleges of Pennsylvania and New

York. Its membership is limited to one third of the total enrollment of women students. The requirements are based on scholastic rating with no member being admitted with a "D" or "F" in any subject. Character, abilities, and social attainments are also taken into consideration. The purpose of the sorority is to foster the development of all these traits toward the achievement of a socially integrated personality. The sorority meets every Monday evening in the sorority rooms of Music Hall.

#### **Phi Sigma Pi Fraternity**

Upsilon Chapter of Phi Sigma Pi, national professional educational fraternity, is a member of a nine-state organization that emphasizes the professional development of teachers and promotes the spirit of scholarship, brotherhood, and loyalty to the college. New members are chosen by the current membership on the basis of scholastic standing, social aptitude, and ability to lead. Lasting friendships are formed between the brothers of the fraternity.

#### **Kappa Delta Phi Fraternity**

Kappa Delta Phi, one of the nation's leading professional and social fraternities, was formed when the Beta Xi fraternity received a national charter. The members of this group are selected by the careful discretion and thought of current members in conformity with College rules for rushing.

#### **Delta Phi Delta**

Membership in Delta Phi Delta, national professional and honorary art fraternity, is limited to those Junior and Senior art students who have maintained an average of "superior" in art subjects and "good" in academic work. The purpose of the fraternity is to further a genuine interest in art, to recognize scholarship, and to promote professional fellowship. Pledges are chosen by members with the approval of the art faculty sponsors.

#### **Mu Kappa Gamma**

Mu Kappa Gamma, the honorary music fraternity, takes into its membership those students who contribute in an outstanding way to the musical life of the college. Scholarship, leadership, musical ability, cooperation, length of service, and participation in one or more musical organizations are points upon which membership is based.

#### **Alpha Psi Omega**

A chapter of the largest national honorary dramatic fraternity is maintained at Edinboro under the title of The Gamma Kappa Cast. Because the requirements for initiation are very high, an average of only five students are accepted each year. Membership in the Edinboro Players is the first pre-requisite for consideration for the honor. Each neophyte in the organization has excelled in at least one phase of Dramatic Art or has earned fifty points in the fields of acting, directing and backstaging work.

### Forum Club

The Forum Club is a new organization on the campus, devoted to the discussion of current problems of national and international scope. The organization is principally of interest to social studies majors. However, students in other departments are welcome and in the past have served as officers and speakers. Members participate by research, speaking, or organizational work.

Programs are arranged about every five weeks and are not too time consuming to detract from student's studies. Most programs are presented in the evening, but at least two will be presented as the college assembly.

The Forum Club is sponsored jointly by the faculty members of the Social Studies Department. All new students and others who may be interested are invited to join and participate in the programs for the coming year.

### The Biology Club

The main purpose of this club is to help students keep informed of the new things that are happening in the Biological world. Although one of the newer organizations on campus, it has proven itself to be beneficial to those who belong for it provides an opportunity to learn biology on field trips and excursions to places of biological interest.

### The College Choir

The College Choir is a choral group whose repertoire includes sacred and secular numbers. They present annually a Christmas Vesper Service and a Spring Musical and in addition, sponsor each year the appearance of some fine choral groups. Members are selected by tryouts early in each semester. All students who like to sing are urged to try out for this group.

### Small Instrumental Ensembles

Small instrumental ensembles will be formed into trios, quartets, two-piano teams and other units if students who have talent will report to Mrs. Campbell and indicate an interest in such activities.

### The College Band

The Band members urge all students who play instruments to join with them to provide appropriate music for school functions — pep songs and marches for athletic events and rallies, school songs for "sings", etc. It is hoped that the second semester, this may develop into a "concert band" where music of a different type can be used for assemblies, concerts, etc.

## ATHLETICS

### MEN'S ATHLETICS

The men's intercollegiate athletic program includes intercollegiate competition in wrestling, football, soccer, swimming, basketball, golf, track and tennis.

### INTRAMURAL SPORTS

The college has expanded the intramural program so that every student will have the opportunity of participating in his favorite sport. Besides the above mentioned sports, the college is equipped for badminton, ping-pong, volleyball, softball, and many others.

#### W. A. A.

The Women's Athletic Association is a member of the Athletic Federation of College Women. It also is a member of the United States Field Hockey Association. The type of recreation is carefully chosen for the complete development of each student.

Every woman student, upon entering college is elected to membership in either the Phis or the Deltas, who make up the national health recreational sorority Phi Delta Lambda.

Throughout the year there is regular intramural competition between the two groups.

Our fall sports outdoors consist of horseback riding, field hockey, tennis and hiking; winter sports: skating, basketball, swimming, life saving, badminton, and bowling; spring sports outdoors: archery, tennis, golf, hiking, speedball and horseback riding.

The W. A. A. is governed by a student council which meets every week to plan and guide all activities. The Association is based on a point system. Awards are presented at the end of fall, winter and spring sports.

Every old member will be most anxious to welcome new students to the Phis and Deltas.

#### The "E" Club

The aim and purpose of the "E" Club, made up of the athletes who have won a varsity E in inter collegiate competition, is to maintain a high standard of athletics at Edinboro. It functions chiefly, therefore, in connection with athletic events.

Other important events of the year for this club are: the original "E" Club minstrels, the "E" Club dance, the annual intramural basketball games, and the annual athletic banquet. This club presents sweaters to all men earning varsity letters and special awards to outstanding athletes.

### BOOK STORE

Books and other supplies are obtainable at Cooper's Stationery Store. It is advisable to order your books as soon as possible after they have been designated by your instructors. Each student is expected to own the text books required in his classes.

## MAIL SERVICE

The College receives two mail deliveries each day. Dormitory mail will be delivered directly to the students' mail boxes there. The College offers no service for the purchasing of stamps; such matters should be handled by individual students at the local post office. Lock boxes at the Edinboro postoffice may be secured at the rate of \$.60 a quarter.

## GENERAL FIRE REGULATIONS

Fire drills are required by the laws of the Commonwealth. Signal for drills will not be announced and will be given always by some particular person designated for this duty. The first fire alarm is always a call to the persons to participate.

The following drill procedure should be observed:

1. When the alarm is given, close all windows to prevent draft.
2. Empty first floors and basements first.
3. Order: students to leave first, followed by faculty.
4. Keep to the right. Avoid running and rushing.

Responsibility for the observance of fire drills and other fire regulations falls to all persons — students, faculty, and employees. Custodians of the various buildings will see that instructions are given to meet the particular needs in each building.

## LAUNDRY

Students are permitted the use of tubs, ironing boards and electric irons in the basement of Haven Hall. The laundry is reserved for the use of men on Fridays.

Personal laundry of dormitory students is done free of charge provided the articles to be washed are color fast and tied securely in a laundry bag made especially for steam landry. All bags and articles to be washed should be clearly marked with the name of the owner. Students are advised not to send fine pieces to the college laundry.

Women's laundry bags are to be at the foot of the basement stairs by nine o'clock on Wednesday mornings. These are to be called for on Wednesday after lunch.

Men's laundry bags are to be in the back entrance to Reeder Hall by nine o'clock on Monday morning. This service includes no more than twelve pieces, including two shirts. Laundry is to be called for Friday.

Laundry bags may be purchased at Cooper's Book Shop or elsewhere.

All students living on campus are entitled to \$.75 worth of laundry based on price list. For additional laundry the schedule of charge should be consulted. Payment will be made when laundry work is completed.

## SONGS AND CHEERS

### Alma Mater

#### Aloha

Hail to thee, our Alma Mater glorious,  
Fresh wreaths we bring to bind thy brow;  
Trials past thou has withstood victorious  
Never fairer, never statelier than now.  
O Edinboro, Edinboro,  
We revere thee, love thee, serve thee ever,  
While class speeds class  
As swift years pass,  
To thee our hearts are true.

### Winds That Sweep The Campus

Winds that sweep the campus.  
Winds that stir the tree,  
Sweep around her towers  
Standing calm and still  
Through the winter's darkness,  
Through the summer shine,  
Bear her our blessings  
Through glad good will.

### Dear Home of College Days

#### (Old Refrain)

Dear home of college days so great and free,  
Thy sons and daughters will be true to thee.  
Thy love we'll cherish and thy fame declare,  
Loyal to thee, and to thy name so fair.

### Chorus

So raise your voices all, and honor give,  
Her fame and glory may they ever live.  
Through joy and sorrow as the years go by,  
And with a constancy that cannot die.

### Pep Song

Edinboro College, we will sing to you  
We'll defend your standards  
In whate'er we do.  
"Hail, hail, the gang's all here."  
Round thy colors bright  
We'll stick together for the  
Crimson and white.

### Hand Me Down My Bonnett

Hand me down my bonnet,  
Hand me down my shawl,  
Hand me down my calico dress,  
I'm going to the Calico Ball.  
First she gave me honey,  
Then she gave me cake,  
And then she gave me gingerbread  
For kissing her at the gate.  
O - - as we go marching,  
And the band begin to play  
You can hear the people shouting  
"Edinboro College wins today".

### Victory Song

On you old Red Raiders,  
Beat those darned invaders  
And march on to Victory.  
Down the floor we'll thunder;  
We'll put them asunder  
And march on to Victory.  
Dribble, dribble, dribble down the floor,  
Onward, onward piling up the score,  
Sun will shine tomorrow;  
For we've won E. S. T.—C.
