Hail to thee, our Alma Mater glorious!
Fresh wreathes we bring to bind thy brow.

EDITOR'S MESSAGE

The Student Handbook is published once a year at Edinboro State College as an orientation aid to freshmen and as a guide for upperclassmen and faculty. It contains functions, regulations, customs and activities of the college and a useful calendar of events.

COLLEGE PRESIDENT'S MESSAGE

It is a real privilege to have this opportunity to say "Welcome" to each one of you individually as a new freshman, or as a sophomore, junior, or senior. My challenge to each of you is that you make this year the best year of your life, up to date. You can do it, if you want to badly enough to make the necessary effort.

The College, itself, is making every effort to provide housing, library and study facilities to give you an opportunity to profit by the result of your labors. New faculty members are being added to the staff. New specializations are being provided. New courses are being added to the program. "Guidance and Counseling" has just been made available to us by the State Board of Education at the graduate level. The liberal arts program is really being implemented with more and more electives made available not only to the liberal arts people but to any student at the College.

Buildingwise, the two dormitories now under construction are scheduled to be completed as follows: Ned Dearborn Hall — January 1965, John Earp Hall — September 1965. The large Cooper Science Building will be completed in time for use during the fall semester. Two additional buildings, Will Rose Hall (a dormitory for four hundred students) and another science building will be bid sometime during the summer or early fall. Six more buildings have been approved for planning and design. They are: Dormitory for 400 students

College Infirmary and Health Center
Laundry and Maintenance Building
World Cultures Building
Research - Learning Center
Student Union

Two other projects are, of course, under way. One is the site planning and grading for the

inside area of the campus, including provision for the lake area. Over on Perry Lane the Sox Harrison Athletic Field with provision for football and additional tennis courts is well under way and is due to be finished in late fall.

It is up to us now to each of us to grow also. Each of us needs to improve his academic understanding, but above academic understanding comes the acquiring of wisdom, judgment, and self-control as well as social adaptability and physical fitness.

Each of us needs to establish our individual goals in all these areas and to work toward them. So, I would repeat, this can be your best year if you want it to be.

Sincerely,

Thomas R. Miller

WELCOME TO EDINBORO

Speaking in behalf of the student body and the members of the Student-Faculty Cooperative Government I would like to welcome you to "The Boro", and extend the hand of friendship of our growing campus.

I am sure that the time you spend here will be worthwhile and long remembered. To help fulfill this purpose the handbook is presented to you as a guide book of campus regulations, organizations and activities, so that you might take advantage of your time.

Best wishes to each of you for a successful and purposeful college year.

Bill Roschy
President of Student - Faculty
Cooperative Government

The beginnings of the college were laid in 1857, over one hundred years ago, when a band of Scotch-Irish farmers grouped together and founded a private normal school at Edinboro by popular subscription to train teachers. In 1861 it was chartered by the Commonwealth as Pennsylvania's second Normal School and developed and grew through service to the Commonwealth.

A great forward stride was taken in 1914, when the Commonwealth purchased Edinboro Normal School. In 1926, alerted to the need for better educated teachers for its schools, Pennsylvania made Edinboro a Teachers College offering a four-year curriculum leading to degrees of Bachelor of Science in Secondary, Elementary, and Art Education, and Library Science.

In 1960 the name of the college was changed to Edinboro State College.

Beginning in September of 1957, the college was empowered to grant degrees of Master of Education in Elementary Education. In September 1961, graduate study in secondary education was added to the graduate program.

In 1962 the liberal arts degree program was begun. Students may prepare for various vocations as an arts and science major in the Humanities, Social Sciences or Natural Sciences

and may receive a Bachelor of Arts degree.

The control of the College is vested in the Board of Trustees, composed of nine members appointed by the Governor of Pennsylvania. The Board of Trustees in turn elect the President of the College who is responsible for its administration. The State Superintendent of Public Instruction is an ex-officio member of the Board of Trustees.

The college is accredited by the National Council for Accreditation of Teacher Education, the Middle States Association of Colleges and Secondary Schools, and the American Medical Association; also the American Association of University Women. In addition, its curriculums are registered by the New York State Department of Education.

The college stresses friendly relations among students and faculty and informal student counseling and guidance. The faculty is keenly aware of professional interests and self growth. High qualitative and quantitative standards distinguish the graduates of this college. The preparation of better educated citizens has been an Edinboro tradition for over a century.

Freshmen at Edinboro are expected to conduct themselves in accordance with the standards normally adhered to by self-respecting, educated men and women. Students should keep in mind that they are being educated for teaching and other important professions.

The faculty at Edinboro stands ready to assist every student to cultivate habits of study application, self-control, and a sense of human and profound interest in furthering the high ideals traditionally a part of Edinboro State College.

In order to gain a feeling of being a part of Edinboro State College, freshmen and upper classmen, should practice the following:

1. Always be ready with a cheerful, courteous greeting for your fellow students, faculty members, and visitors on the campus.
2. Develop the Edinboro College spirit. You must believe that Edinboro is the finest college, and that your class is the best class, and try to make yourself the best student.
3. Be courteous and observe the best rules of etiquette at all times.
4. Always present a well-groomed appearance.
5. Attend classes and assemblies regularly.
6. Attend the church services of your faith.
7. Plan for, and get eight hours of sleep every night.
8. Be careful of your personal property. Label all your property with your name.

The college reserves the right to suspend or dismiss any student whose influence or conduct is found to be injurious to the high standard of morals and scholarship of the student body, or whose conduct is prejudicial to the good name of the college.

By observing freshman customs in the proper spirit every student can acquire the qualities which will make him a worthy member of his college — an attitude of friendliness towards all other college students, a respect for the standards and traditions of his school and a familiarity with the things that constitute its own special trademark, i.e., its cheers, its Alma Mater and other songs. In addition, the new student will learn that he belongs not only to the freshman class, but to the college as a whole.

Customs Regulations

1. Dinks and signs must be worn Monday thru Saturday from 8 a.m. to 5 p.m.
2. Dinks and signs are not worn on Sunday.
3. Signs must be worn to all evening activities during orientation week.
4. Freshmen must always carry their handbooks, except to evening affairs.
5. Orientation will last from September 12 thru the 17. Dinks and signs must be worn during this week.
6. Learn the school songs and cheers, especially the Alma Mater.
7. Freshmen must attend all football games, pep rallies, and required meetings as directed.
8. Freshmen must never walk on the campus lawn.
9. Freshmen must greet upperclassmen by tipping their dinks and by saying, "Good morning, good evening, etc."
10. Remember, you are now all members of the Edinboro State College student body.

ACADEMIC STANDARDS

Grading System

- "A"—indicates student performances of a clearly exceptional nature.
- "B"—grade earned by student doing distinctly superior work.
- "C"—grade indicating work of satisfactory quality.
- "D"—grade indicating unsatisfactory work.
- "F"—grade indicating failure. A required course in which an "F" grade has been

ACADEMIC

LIFE

earned must be repeated.

"X"—not a grade but a mark indicating that the student, for justifiable cause, has not been able to complete the required work within the time limit.

"H"—passing

"Y"—withdrawal — passing

"Z"—withdrawal — failing

Quality Point System

Graduation is based not only on the completion of a certain quantity of work, but also on the maintenance of a certain quality of scholarship. The grading system being used is as follows: Four (4) quality points are awarded for each semester hour of "A" grade work; a "B" grade, three (3) quality points; a "C" grade, two (2) quality points; a "D" grade, one (1) quality point; an "F" grade, no quality points.

To be graduated, a student must have a number of quality points equal to not less than twice the number of semester hours of credit required in the curriculum being pursued.

The Dean's List

Twice a year there is published the Dean's List to honor students, scheduled for more than eleven semester hours, who have made a grade of "B" or better in every course taken during the previous semester.

Class Membership

The number of semester hours credit listed below is the minimum number necessary for membership in the four classes.

Sophomore	32
Junior	64
Senior	96
Graduate	Bachelor's Degree 128

Admission to Upper Division

In that semester in which a student expects

to complete fifty-six semester hours of credit, he shall file a written application for admission to the Upper Division of the college on a form provided by the Office of the Dean of Instruction.

Favorable action on the student's request will depend upon:

1. Attaining a cumulative academic record with a quality point per semester hour ratio of not less than 2.0.
2. Removing from his record all deficiencies.
3. Achieving favorable teaching personality ratings from members of the college faculty committee on selective promotion.
4. Attaining satisfactory scores on the Upper Division qualifying examinations.

WITHDRAWAL PROCEDURE

Withdrawals — From College

A student withdrawing from the college should secure an official withdrawal blank in the Office of the Dean of Men or Dean of Women and clear with the Dean of Men or Dean of Women, The Head Resident of his dormitory or private residence, The Bookstore, Student Activity Office, Library, and Business Office.

After clearance by the Office of Student Personnel Services, the student files his withdrawal blank with the Office of the Dean of Instruction. That office then notifies each instructor. No person is officially withdrawn until such notice is received. College charges continue until official withdrawal is recorded.

Academic grades are recorded in accordance with the procedure for WITHDRAWING FROM COURSES, below.

Withdrawal — from Course

All students wishing to withdraw from or change any course at any time shall apply to

the Office of The Dean of Instruction. Record adjustments made during the first three weeks are not recorded in the permanent record. After that time the withdrawal is recorded as Y, passing, or Z, failing. All withdrawals the last four weeks are recorded as Z.

Students wishing to withdraw from all courses shall follow the procedure of Withdrawal from College, as stated above.

Academic Probation

A student is placed on academic probation for one of two reasons:

1. He was admitted to the college on a probationary basis, or,
2. He earned a cumulative average of less than 2.0.

A student who has been permitted to attend college on a probationary basis may be asked to withdraw from college unless he earns and maintains a cumulative quality point average of not less than 2.0 or his record shows evidence of progress deemed satisfactory by the Scholarship Committee.

Absence and Tardiness

For students with a quality point average of 2.0 or greater, no formal excuse will be required for a number of absences equal to the number of semester hours for which a course is offered. Any additional absence must be justified by presenting to the personnel Dean concerned, evidence of a bona fide illness or equally justifiable cause to prevent being excluded from the course with a failing grade.

A student with a quality point average of less than 2.0, or a student on academic probation, is required to submit evidence of just cause for every absence.

Permission to make up work from a class which a student was absent (until the

critical absence has occurred) will be granted or denied at the discretion of the instructor of the course. The critical absence is the absence numerically one greater than the number of semester hours for which the course is offered.

Students are urged to have all legitimate absences recorded by presenting to the personnel Dean evidence judged by the Dean to be valid.

Absence from class 24 hours before or 24 hours after the termination of a vacation will be counted as a **double absence**.

The case of a student who accumulates a number of absences equal to twice the number of semester hours of credit for which the course is offered will be reviewed at a meeting with the student, the instructor, and the personnel Dean concerned present. Inability of the student to justify such an absence record will result in exclusion from the course with a failing grade.

Anticipated absence from a student teaching assignment requires prior approval from the Director of Student Teaching. Any absence from student teaching requires evidence of just cause.

Student Advisory Program

A student advisory program provides for every student a faculty member as a consultant and advisor. Thus each student as an individual will be known well by at least one college faculty member. The primary purpose of the advisory program is to assist students to attain satisfactory performance in all aspects of college activities.

The personal faculty advisor will offer the student counsel of a personal, social and academic nature to assist him to succeed in col-

lege to the limit of his ability. These advisors are concerned with habits of study, knowledge of study skills, best utilization of time in college, participation in activities.

Students receive curriculum advice and guidance from the faculty registration advisors who have charge of registration in the four curriculums. These faculty members are regarded as specialists in offering advice relating to curriculums and electives.

Students with special curriculum problems created by transfer, acceleration, failure, or for other reasons must work out their schedules with the Office of the Dean of Instruction.

All freshman students are assigned personal advisors. These assignments are designed to bring the student in contact with a faculty member who has similar interests and is likely to be in sympathy with his particular aspirations.

The ultimate aim of the advisory system is to help the student learn how to solve his own problems.

Faculty members will post their office hours outside their office doors. If you are not free at any of the times indicated, it will be necessary to make an appointment with the faculty member you wish to see. Offices and phone numbers are listed in the Student-Faculty Directory.

STUDENT EMPLOYMENT

There are a number of part-time jobs available for students who maintain a good standing at the College.

Experienced people are needed in such fields as: clerical and typing, printing office, laboratories, library, maintenance, switchboard, cafeteria and kitchen, etc.

Job application forms are available at the offices of the Dean of Women and the Dean of Men.

National Defense Student Loan Program: (NDEA)

Edinboro is one of over 1500 colleges and universities participating in this program with the Federal Government.

The law requires that each borrower be a full-time student, that he be in need of the amount of his loan to pursue his courses of study, and that he be, in the opinion of this institution, capable of maintaining good standing in his chosen courses of study. At Edinboro a qualifying grade point average of 2.5 is required.

The law further provides that special consideration in the selection of loan recipients be given to students (a) with a superior academic background who express a desire to teach in elementary or secondary schools, or (b) whose academic background indicates a superior capacity or preparation in science, mathematics, engineering, or a modern foreign language.

A student at Edinboro currently may borrow for college expenses in one year a sum not exceeding \$400.00. The borrower must sign a note for his loan and, if he is less than 21 years of age, have a responsible co-signer. The repayment period of loan begins one year after he completes his full-time course work and then extends over a ten year period. Interest at three per cent per year begins to accrue at the beginning of the repayment period.

During periods of service in the Armed Forces or the Peace Corps (up to a total of three years) and during periods of full-time attendance at an accredited institution of higher education, no interest will accrue and no repayment is required. The borrower's ob-

litation to repay the loan is to be cancelled in the event of his death or permanent and total disability.

If a borrower becomes a full-time teacher in a public elementary or secondary school, a maximum of 50 per cent of the loan (plus interest) may be cancelled at the rate of ten per cent for each year of teaching.

Application forms and instruction sheets concerning these loans are available at the office of the Dean of Instruction.

The Loan Program of the Pennsylvania Higher Education Assistance Agency

This Agency, through guaranty loan agreements with commercial banks, will enable the banks of Pennsylvania to make long term, personal loans to qualified students to help pay their college expenses.

To be eligible a student must be a legal resident of Pennsylvania and must have satisfactorily completed a minimum of one academic year of study in an approved institution of higher education in the United States. Students are not eligible for the loan plan during their first year of college study.

The maximum loan will be \$1000.00 per academic year, with the total maximum per student being \$5000.00. The student borrower, regardless of age, is totally responsible for any loan he receives. He is required to pay only the 5 per cent simple interest charge, on a quarterly basis, as long as he is enrolled as an eligible borrower. No principal payment will be due until 6 months following the date the student completes his course of study, or until 6 months following the date of withdrawal from the institution. Payments may then be extended over a five year period. The due date of the note may be extended in the

case of military or Peace Corps service.

Students obtain application forms from any participating bank in their home community, or by writing to the Pennsylvania Higher Education Assistance Agency, Education Building, Harrisburg, Pennsylvania.

United Student Aid Funds

A deserving student may borrow money from his hometown bank, with the loan being protected by an endorsement in full by U.S.A. Funds. Our students are eligible to apply for such loans because Edinboro State College is currently contributing to the reserve account that furnishes the security for such endorsement.

An eligible student can borrow up to \$1000.00 per academic year to a maximum total of \$4000.00. The student repays the loan in 36 monthly installments beginning four months after he leaves school. Interest maximum is six per cent simple.

All inquiries about this program should be directed to a participating bank in the student's community.

The Library

Strategically located to become the focal point of the expanding campus, Hamilton Library, represents one of the more modern and functional college libraries in Pennsylvania.

The library was planned to house 100,000 volumes and now has approximately 90,000 volumes. Plans are already being considered for an addition which will be needed in the near future to house the projected addition of 10,000 volumes per year.

Facilities provided on the first floor are: Current periodical and reference area, fine arts center, curriculum materials laboratory, education area, reserve book and service area, offices, and technical processing space. On the second floor will be found a service area, general stack area, bound and unbound periodical shelving, microfilm viewing booths and storage, a large music listening room equipped with individual booths for earphone listening, a faculty and graduate reading room, three seminar rooms for use of small groups, faculty lounge, a library class room, thirty individual lounge areas, opportunity is thus provided for study in all areas, lounge areas for general reading and for utilizing approximately 400 periodicals, covering all fields, to which the library subscribes. This list includes 12 newspapers representing many of the major U.S. cities and **The London Times**.

In order to serve the best interests of all the students it is necessary to have observed certain regulations in the use of the library:

1. All books which have been definitely assigned to classes are placed on shelves directly behind the desk and are known as the **Reserve Books**. Such books may be withdrawn

at 8:30 p.m. and returned before 9:00 a.m. the following morning. Failure to observe this rule will result in a fine of ten cents per hour.

2. Books not on reserve but in demand are termed "overnight books". These may leave the library at any time of day or overnight, but must be returned before 9:00 a.m. the following day. Penalty for late return is ten cents per day.

3. All books (with the foregoing exceptions) may be withdrawn for two weeks. A fine of two cents a day, with a 5 cent minimum, will be charged for books kept over time. Encyclopedia volumes and dictionaries may not be taken from the library.

4. Magazines may be withdrawn from the library subject to the same rules as Reserve Books.

5. No student will be issued grades or credits until all library obligations have been settled.

6. No books may be removed from the Library except by proper charging at the desk by the librarian in charge. Anyone taking books not properly charged from the Library will be subject to a fine of \$5.00 for each book and to suspension from all College activities until such fines are paid. Clippings and marking books and periodicals is prohibited.

7. Acceptable dress in the library for both men and women is the same as for class attendance.

The following hours will be observed:

Monday through Friday	8:00 a.m.-9:00 p.m.
Saturday	8:00 a.m.-4:00 p.m.
Sunday	2:00 p.m.-4:00 p.m.

EXTRA-CURRICULAR PROGRAM

Every person who graduates from Edinboro will be expected to assume leadership in community life and school activities. In some instances the graduate will be expected to sponsor clubs and other groups. Therefore, it is very important that every student in college becomes accustomed to certain activities and familiar with the techniques of discussion, parliamentary law, record keeping, and the general promotion of student activities. Even if a graduate never becomes a club sponsor, the educational value of participation in these activities in college is perhaps as great as that of some course of study.

Scheduling Social Activities

To avoid conflict it has been necessary to have one central office where all social events can be scheduled. This scheduling is done in the office of the College Union Manager where forms can be obtained. Requests must be submitted to this office at least two weeks prior to the date requested for he social event.

Before advertizing any evening activity, it is necessary to have the activity recorded on the Social Calendar.

The Scheduling Committee seeks to maintain a well-balanced and satisfactory social program. Permission for scheduling an event may be denied when the general Social Calendar or the Calendar for a particular organization seems over-crowded, or when the maintenance of high academic standards in the college would seem to discourage the activity in question.

The fact that an event is scheduled in the calendar of this handbook does not excuse the event from the scheduling procedure outlined here.

CLUB and ORGANIZATION REGULATIONS

All clubs or organizations, except social fraternities, pertaining to the Extra Curricular life of the college shall be approved by the Student-Faculty Council and the Administrative Council of Edinboro State College. Because these Extra-Curricular activities shall be given space on the College Activities Calendar, because they may request funds to be allocated from the Student Association Treasury, and because they may request the use of the college facilities, it is necessary that they be chartered and recognized by the college thru the office of the Director of Student Personnel Services.

1. In order to be recognized as an organization, members of any student group shall submit a petition to the Director of Student Services. The petition shall include the following:
 - A. Proposed name of organization.
 - B. Statement of purpose or function of the organization.
 - C. Statement of qualifications for membership.
 - D. If a national affiliation is involved it must clearly be stated in the petition and indicated in the constitution.
 - E. Statement of procedure for financially supporting the organization including amount of money for the year in which this petition is submitted and manner in which funds are to be used.
 - F. Signatures of a minimum of fifteen prospective members are required to indicate their intention of becoming active charter members. Smaller groups, unless justified by unusual specialties, will be discouraged.
 - G. Signature of at least one faculty member who has indicated his willingness

to serve as an advisor to the organization.

- H. A statement of the approximate amount of time a student would need for participation.
- I. If the group to be formed is to become a professional organization, approval of the Departmental Chairman involved is required.
2. Upon the submission of the petition to the Director of Student Personnel Services, he shall grant permission to the petition group to use the College facilities for a period of three weeks for the purpose of organizing the group and drawing up a constitution.
3. At the end of the three-week period, a representative of the organization shall submit in person the proposed constitution to the Director of Student Personnel Services for consideration and approval.
4. The Director of Student Personnel Services shall have the responsibility to make any needed recommendations for changes in the organization. The petitioning group shall proposed constitution and by-laws of the present a revised constitution and by-laws for his consideration within one month.
5. Following approval of the constitution and by-laws of a proposed student organization or club, the Director of Student Personnel Services shall recommend the constitution and by-laws of the organization to the Student-Faculty Council for its consideration. If the constitution and by-laws are approved by the Student-Faculty Council, they shall then be presented to the Administrative Council for action.

6. If the Administrative Council approves the action of the Student-Faculty Council the college shall issue, thru the office of Student Personnel Services, a charter for the organization.
7. If the Director of Student Personnel Services or the Student Council disapproves of the prospective organization, it has the right to appeal to the Administrative Council of the College for consideration.
8. Each organization shall file an annual report signed by the faculty advisor to the Office of Student Personnel Services on May 1, each year outlining the activities participated in the current College year, and including a true, accurate, detailed financial statement and a proposed program, in outline form, of its plans for the following year. Director of Student Personnel Services shall review the reports and may place a group on probation or recommend that its charter be revoked if the group fails to comply with College regulations.
9. Any group which remains inactive for a calendar year shall be disbanded and must go through the application procedure as a new organization.
10. When approved by the College Administrative Council, these regulations shall be binding on all existing organizations concerned.

Approved by Administrative Council April 30, 1963.

For each additional five minutes she should add one night. She may not visit with any male students during this time. If an emergency arises delaying her arrival at her place of residence, the student should call and notify someone in authority.

II. General Provisions:

A. Whenever a woman student's name appears on the Dean of Instruction's list of students doing unsatisfactory work, i.e., work below standard, her permissions may be curtailed or withdrawn by the Dean of Women in an amount at least to correspond proportionately to hours of work reported as unsatisfactory.

B. Permissions for absences from residences are granted as follows:

1. Women students are expected to act in accordance with the parental permission slips which the Dean of Women receives before the student arrives as a freshman. Before leaving the campus for overnight, the students must sign out on the provided slips and upon returning, sign in.
2. Women students may not leave their residences until 6:00 a.m.

- (3) Skating
- (4) Riding in automobiles
- (5) Visiting away from home or college.

Such permissions are subject to final approval by the Dean of Women. Forms will be sent to parents for recording their permission.

Because of the danger of accidents, permission of parents must be granted before students may ride in automobiles.

A woman student is not permitted to leave for home after an evening college function of any kind except by special written permission

of her parents, which must be in the Dean of Women's office two days before the event.

Section 5. — DORMITORY MAINTENANCE PROBLEMS

1. Rooms

Assignment to rooms is made by the office of Student Personnel Services. Keys are procured from the office of the Bursar. Rooms must be kept clean and ready for inspection at all times. Tacks, scotch tape or nails in walls are not permitted. The electric wiring is not the time for heating appliances; therefore electric irons and hot plates are not permitted.

Students are responsible for the tidiness of their own rooms. The college maintains the right to have periodic room inspection. Disciplinary action will be taken against those students who are found to be consistently negligent.

2. Smoking

Fire regulations and the protection of life and property require that students do not smoke in their rooms or elsewhere in the college buildings except where special provisions are made by the college. Failure to comply may cause disciplinary action to be taken. Women students who smoke must supply themselves with ceramic or metal ashtrays.

3. Absence from Campus

Before leaving her residence hall after 7:00 p.m., a student is required to register her name, destination, escort, time leaving, and expected time of return on the forms provided at the desks in her campus residence. This should be done if a student is leaving the borough of Edinboro anytime during the day.

4. Quiet Hours

It is expected that all dormitory residents will show consideration for others by being

reasonably quiet in the dormitory at all times. Running in corridors is not approved and voices should not be raised above the normal speaking range. Radios and record players may be played provided they are tuned so that they cannot be heard outside the room.

Night quiet hours are from 7:00 p.m. to 7:00 a.m.

5. Callers and Guests

(a) Guests for overnight or for the dining room should be introduced upon arrival to the head resident. Students may have overnight guests in the dormitory only over weekends, except in very special cases if space is available. Overnight guest must register on cards provided by the **Dean of Women** or her agent. Charge for overnight lodging is \$1.50 per person. Arrangements for linen must be made before the guest arrives.

It is understood that guests will follow the regulations governing their hostess and that the responsibility of acquainting guests with these regulations rests with the hostess.

(b) Fathers and other masculine guests of women students must be entertained in the dormitory lobby. This does not apply to the first day of the college year.

(c) The residence hall is closed to guests in accordance with the women's regular hours.

(d) On the evening of all-college functions such as lectures, games, movies, etc., which last beyond the hours listed in I-A, all students must report in not later than one-half hour after the close of the function.

6. Off-campus Regulations

All students living outside the dormitories must have approval of the office of Student Personnel Services for such residence unless they are living in their own homes.

The Housing Committee has a list of the residences which have been officially designated as Approved Houses. Permission to live in these homes is not automatically granted. However as in the case of any other off-campus arrangement, individual arrangements are only temporary until the application blanks are received, approved, and filed by the Housing Committee.

Women students living in Edinboro in homes other than their own are expected to follow the rules applying to residents on campus. Permission ordinarily granted by the Association of Women Students may be granted by the landlady.

7. Personal Property

Neither the college nor the Commonwealth of Pennsylvania is liable for students' personal property. The college recommends that students secure a personal property policy covering clothing and valuable items.

ASSOCIATION OF MEN STUDENTS

The Association of Men Students acts as the advisory body for enforcing the regulations concerning the men and planning social functions.

The Council consists of three representatives from each of the campus residences for men, three from off-campus men, and three commuting men.

REGULATIONS FOR MEN STUDENTS

Men's regulations are controlled by the Men's Council, the Dean of Men, the Director of Student Personnel Services, and the President of the College. The Council consists of three representatives from Centennial Hall, three from the off-campus men, and three from the men commuters.

It is primarily insisted that all men conduct themselves as gentlemen and in keeping with the accepted standards of good taste.

1. Men are expected to dress appropriately for all occasions. Even for the most informal and casual occasions, clothing shall be clean and neat.
 - (a) Jeans, levis, sweat shirts and T-shirts are not considered appropriate for the dining room, and men so attired will be refused admission.
 - (b) For the evening meal each man will wear a white shirt and tie, with sport coat and slacks, or a suit.
 - (c) Students visiting the Campus School should dress as future teachers. Men will, therefore, wear suits and ties.
2. All men are expected to be cooperative in respect to the women's regulations. They are not permitted to visit in women's dormitories before 3 p.m. Women's male guests are expected to be suitably dressed.
3. After 10:00 p.m. the vicinity of all women's residences is strictly out of bounds for men students. Men who are escorting residents to such building may accompany the young lady to the door.
4. Any man who conducts himself in public, on or off the campus, in a way that reflects poorly on the college is subject to disciplinary action.
5. Dormitory quiet hours are from 8:00 p.m. to 7:00 a.m. On Saturdays, however, quiet hours begin at midnight and extend to 9:00 a.m. Sunday. During quiet hours men are expected to enter and leave the building making the least noise possible. Resident Assistants will see that this rule is enforced.

6. No musical instruments are to be played in the dormitories at any time. Radios, phonographs and tape recorders may be played in the room provided roommates do not object, but volume must be kept low enough to prevent the instrument from being heard outside the room. **Men who show lack of consideration for others in this respect may be prohibited by the head resident from playing their machines at all.**
7. Men may have overnight-guests providing facilities are available and the approval of the Head Resident has been obtained. Guests must be registered. The transient lodging fee of \$1.50 will be paid to the Business Office.
8. All men are expected to cooperate in keeping halls and washrooms clean and in order. Paper and refuse are to be put in trash cans. After using a lavatory, every man is expected to wipe it out and leave it in the condition in which he would like to find it if he were the next to use it.
9. Each man is responsible for the tidiness of his own room. **Periodic inspections will be made and men found to be consistently negligent will be asked to move to off-campus quarters.**
10. Because of fire hazards, the use of electrical appliances other than dry-shavers and radios cannot be permitted in dormitory rooms. Special outlets for use of electric irons will be found in the basement of Centennial Hall.
11. Men who smoke must provide themselves with metal or ceramic ashtrays.
12. Food may not be kept in dormitory rooms

- unless stored in metal boxes. Keeping bottles on window sills is not permitted.
13. Every dormitory resident is expected to have a key to his room. **Rooms should be kept locked whenever residents are out.** Keys are to be obtained from the Office of the Bursar.
 14. Any man having a grade of less than "C" in any subject will be expected to be in his room studying, **Monday through Friday, during evening quiet hours.**
 15. The Resident Assistants assigned to Centennial Hall represent the President of the College, and all dormitory residents are expected to give them their cooperation.
 16. The fire monitor on each floor of Centennial Hall will make sure that every man obeys the fire rules during a fire drill.
 17. **The College nor the Commonwealth of Pennsylvania is liable for student's personal property.** The college recommends that students secure a personal property policy covering clothing and valuable items.

REGULATIONS FOR OFF-CAMPUS STUDENTS

1. Students living off-campus are expected to abide by the same college regulations that apply to students living on campus. They have representatives in the Student Council who help advise and settle problems pertaining to the off-campus group.
2. Lockers for day students are available in the basement of the College Union.
3. Students rooming off-campus are expected to show consideration for and to co-op-

operate with the people in whose homes they are guests. Particularly they should be as quiet as possible if they enter late or stay up after the other inmates of the house have retired. They should introduce no guests without the householder's express permission. They should be careful not to leave lights on, water running, doors or windows needlessly open. They should not turn on the householder's television or radio set unless invited to do so. They should not abuse telephone privileges and should be prompt in making payment for long distance calls. They should cooperate in keeping their rooms clean and in order. They should not expect kitchen privileges.

4. All students who are not living in the dormitories may study or relax in the College Union whenever they do not have a class during the day. The students using this room are expected to keep it free from litter and refrain from conduct that might prove disturbing to others.

The lounge of Haven Hall is open to all students.

ALCOHOLIC BEVERAGES

Section 675.1 of the Penal Code of the Commonwealth states that it is "unlawful for a person less than 21 years of age to attempt to purchase, to purchase, consume, possess or to transport any alcohol, liquor or malt or brewed beverages within the Commonwealth."

The act further provides that any person violating the provisions of this law shall, upon conviction, be sentenced to pay a fine of not less than \$25.00 nor more than \$100.00 and

costs of prosecution, or undergo imprisonment for a term not exceeding 30 days, or both.

Furthermore, the college maintains the authority to discipline and-or suspend any student less than 21 years of age involved in the purchase, consumption or transportation of any alcoholic beverages, regardless of where such incidents may take place. The College also maintains this authority concerning the behavior of any student at any time.

All students are prohibited from possessing, storing or consuming alcoholic beverages in any College building, on all College property, and in or about any residence under any jurisdiction of the College.

DORMITORY FIRE REGULATIONS

Fire drills are held at least once a month. All students must participate, and greatest care must be taken to see that everyone follows orders implicitly. The object is to get all students out of the buildings safely. Speed is imperative. Silence is necessary.

 7. If you are not in your room when alarm rings, go to the nearest exit (your own if feasible).
 8. After leaving building, stay in immedi-

ate vicinity of the fire exit and at least 100 feet away from the building. Remain quiet.

9. Do not return to your room until the signal is given — then do so immediately and quietly.

A limited number of guests may be accommodated in the dining room, providing individual meal tickets are purchased in advance in the office of the Director of Food Service.

APPROPRIATE DRESS

Women students are not permitted to wear slacks or bermudas and men are not to wear bermudas to class (final examinations included), in the dining hall, library, or in performances in the auditorium. For all meals served family style in the dining hall, dress shoes and hose are required for women and unless otherwise specified, classroom dress is required for all dances.

A shirt and tie, suit or slacks and sports coat are required for men.

HEALTH AND INFIRMARY SERVICE

Infirmary Location

The infirmary is located on the first floor of the south wing of Haven Hall adjacent to the College Union. The entrance from the outside is at the south-east corner of Haven Hall.

Two part-time physicians, one full-time nurse and four part-time nurses are employed in the health service program. They are concerned with promoting good physical and

mental health among students and they attend to the prevention of illness and to emergency treatment of medical and surgical conditions. Special nurse or special medical service are not included without additional charge.

Any student may avail themselves of the services of the physician or nurse.

A nurse may be reached at:

Edinboro State College - Extension No. 18

The Campus Phone Operator - RE 2-3301
or

After 11 p.m. at RE 2-9171

Students living on campus should immediately notify the college nurse of any illness requiring infirmary care. After 11 p.m. dormitory students should contact the head resident or resident assistants who shall notify the nurse. Students living off campus, who are so ill as to require infirmary care shall immediately notify the householder and the Dean of Women or Men, or the nurse of such illness. All students must notify the nurse of illness causing absence from class.

REGULAR HOURS

Infirmary hours will be posted at the infirmary and published in the daily bulletin at the beginning of every semester.

In addition to a dispensary office at the infirmary, nine beds are available for the care of minor illnesses and isolation of students with suspected communicable diseases. Surgical cases and acutely ill students other than isolation cases will be admitted only until they can be transferred to near-by or home hospitals.

When, in the case of serious illness, the nurse or college physician believe ambulance transportation to the infirmary or from the infirmary to a near-by or home hospital is

necessary, the college will see that such transportation is provided; but, the expense must be borne by the student.

INFIRMARY REGULATIONS

Students who have missed class due to illness shall report to the infirmary before return to classes. Non-boarding students, who may be admitted to the infirmary provided there is space available, shall pay at the rate of two dollars per day to cover cost of meals. The rate will begin with the first day.

Boarding students who stay more than three days in the infirmary shall be charged \$1.00 for each day.

Students will be released from the college infirmary only by a signed statement from a responsible member of the family, the family physician, or the college physician or nurse. Any student who leaves the infirmary without permission from one of the above shall be referred to the proper College authorities.

A student who wishes, may employ his own physician at his own expense.

If it is necessary to have a prescription filled at the drug store, the student will be responsible for the cost. . .

NOTIFICATION OF ILLNESS

Parents will be notified by the college nurse of any illnesses of any student who spends one or more full days in the infirmary.

INSURANCE

Accident and medical insurance on the group basis is available for all students at a minimum cost and is available at the time of registration.

EXCUSES

The infirmary does not issue excuses for absence from classes. Such excuses must be

obtained in accordance with regular College absence policy.

Numerous requests for excuses from classes for minor and trivial illness are not in the true spirit of the College. Persistent requests for such action may be sufficient means for the administration to request a complete re-evaluation of the physical condition of the student, by his own physician, at his own expense, in order for the student to continue matriculation at this College.

PARKING REGULATIONS

No FRESHMAN OR SOPHOMORE students may have or drive an automobile in Edinboro.

Students having cars must have Edinboro State College parking stickers and have their cars properly registered. Stickers and car registration forms may be obtained at registration, or in the office of the Dean of Men.

Violators of any automobile regulation are subject to a fine and-or suspension.

KEYS

Keys for any women's residence hall are issued by the Bursar's Office. Keys for Centennial Hall are issued by the Head Resident of that hall. At the time of the issuance of keys a FIVE DOLLAR fee is collected. This fee is used as a breakage and key deposit. If a key is lost it must be replaced. An additional fee of one dollar is paid to the Bursar and a new key is made and issued. All keys remain the property of the College and duplication of any key, except by the College, is expressly prohibited.

At the end of the college year or upon withdrawal from College, the five dollar (\$5.00) fee is returned to the student, providing no

damage to the residence hall has been charged to the student.

STUDENT IDENTIFICATION CARDS

Each student who is registered at the College must purchase a permanent identification card which contains his picture, student number, and birthday. This card is used for admission to College events, for library checkout, and by some administrative offices of the College.

The original cost of the card is \$2.00. The card is valid when presented with a current receipt. The card is permanent and for use during the time the student is enrolled. If lost, there is a \$2.00 replacement cost. Lost cards and requests for replacements should be checked in the Office of Student Personnel Services.

DAILY BULLETIN

To aid in the dissemination of general information of interest to all college students concerning college activities a Daily Bulletin is mimeographed and distributed throughout the college.

Items which are to appear in the Bulletin should be prepared in written form, signed by the writer, and presented not later than 1:00 p.m. of the day prior to the date they are to appear. These notices may be deposited in the "Daily Bulletin" receptacle provided for them in the Office of Student Personnel Services in Normal Hall.

THE COLLEGE UNION

The College Union is the center of Student Activity. Using its facilities are the Student Faculty Cooperative Council and its various committees, Fraternities, Sororities, and most

of the other student organizations. All meeting times and places of all college activities are posted on the Bulletin Board in the main entrance of the building.

Students may play cards, chess, checkers, relax, study, and have a snack from 7:30 a.m. until 10:30 p.m. Monday through Thursday; and from 7:30 a.m. until 11:00 p.m. on Friday; 7:30 a.m. until 12:00 midnight on Saturday; and 6:00 p.m. until 10:00 p.m. on Sunday.

Dances or other entertainment are provided weekly by the Union for the entire student body.

THIS IS YOUR UNION — all students are to act in accordance with college rules pertaining to dress and behavior, as these rules are strictly enforced in the Union.

BUS SERVICE

Edinboro is situated on the main bus line between Pittsburgh and Erie. During the day and evening the buses run north and south approximately every two hours. Students wishing to travel east or west can make connections in Erie, Meadville, Franklin or Pittsburgh. Since the schedules are constantly changing, schedules can be checked by telephoning RE 2-8651.

BOARDING FACILITIES

All dormitory students are required to take their meals in the College Dining Room.

Off-campus students have the choice of eating in the Dining Room or of making some other provision for their meals. It is recommended and they will find it greatly to their advantage, to board at the college. However, once a student has elected to take his meals in the Dining Room, he will be expected to continue doing so for a full semester.

BOOKS AND SUPPLIES

Each student is expected to own the textbooks required in his classes. All textbooks are available at the Campus Book Store in the northeast end of Haven Hall. Besides textbooks, the Campus Book Store carries all school supplies, art supplies, gifts, souvenirs, etc. The Book Store is another measure instituted to enable the students here at Edinboro to get a good education at a lower cost.

MAIL SERVICES

The College receives two mail deliveries each day. All students must pick-up their mail at the mailroom in the College Union. There will be no dormitory delivery.

(See back cover for mail address form.)
