FOREWORD

The 1955-56 edition of the Student Handbook is presented in the hope that it will serve the freshmen as a source of information about the College and its activities and the faculty and upperclassmen as a convenient book of reference.

The members of the Student Council welcome the newcomers to our Edinboro campus in a spirit of friendship, loyalty, and cooperation and wish each one a pleasant and successful college year.

Our appreciation is extended to the students, Annamarie Johnson and Carole Hurl, and the Dean of Women, Miss Ruth Morton, who helped in compiling this book.

PRESIDENT'S MESSAGE

Welcome to Edinboro. To those of you for whom it is a returning, we are glad you are back. To those of you for whom it is a beginning here at the college, we welcome you to share in our work, our pleasures and disappointments. The year ahead with the largest freshman class in the recent history of the college augurs well. Our expanding student body means that there are more people to do more things on the campus. It also means that the competition is increased and everyone will need to work harder in order to hold his relative position.

This handbook is prepared by our students and faculty to assist you in your work at this college. You are urged to read it with care; to follow its precepts carefully; to treat it as a storehouse of information to which frequent reference will be made; and to keep it as a source of guidance through the entire year. Read carefully the constitution of the faculty-student governing body so you may know the part this organization plays in the life of the college.

My best wishes to every one of you for a fine year of hard work and growth.

Thomas R. Miller

HISTORY

Ninety-four years have gone by since Edinboro was first chartered as a State Normal School, ninety-four years of growth and service to the Commonwealth of Pennsylvania. The beginnings of the college were laid in 1857 when a band of Scotch-Irish farmers grouped together and founded a private academy at Edinboro by popular subscription, but it was not until 1861 that it was chartered by the Commonwealth as Pennsylvania's second Normal School.

A great forward stride was taken in 1914, when the Commonwealth purchased Edinboro Normal School. In 1926, realizing the need of the schools of Pennsylvania for better educated teachers Edinboro was made a Teachers College offering a four-year curriculum leading to the degree of Bachelor of Science in Education.

Although designed primarily to serve the counties of Erie, Crawford, Mercer, Warren and Venango, Edinboro receives and welcomes students from every section of the state and from other states.

The spacious campus of forty-four acres affords an appropriate setting for the college's fifteen buildings. Haven Hall, the

women's dormitory, was built during the administration of John F. Bigler. Reeder Hall, the men's dormitory, was built in 1907 and named in honor of one of the early donors of the school. Academy Hall, known recently as Music Hall, is the oldest building on the campus, having been built about 1857. Normal Hall was built in 1875 and in 1891 was considerably enlarged. Today it contains the administration offices, the library, several classrooms, and the old auditorium. Recitation Hall, built early in the history of the college, provides class room space. The Crawford Gymnasium, with its excellent facilities including a swimming pool was built in 1939. Loveland Hall is named for the late Mr. Frank Loveland of Corry, who for many years was a trustee of the College. This building was built in 1930 and houses the Art and Science departments. A temporary science building was erected by the Federal Works Agency in 1947.

In 1952 the New Dormitory for women was completed. The old gymnasium was re-dedicated for use as a College Union on Homecoming Day, October, 1952, after extensive reconditioning and installation of new equipment.

We are rightly proud of our campus be-

cause of its attractiveness, its accommodations and its traditions. We hope this pride will continue to be shared by all incoming students.

CONTROL OF THE COLLEGE

The control of the College is vested in the Board of Trustees, composed of nine members with John K. Earp, as President, and Will P. Rose as Vice-President. The State Superintendent of Public Instruction is an ex-officio member.

INFIRMARY

The College Nurse lives in a suite adjoining the Infirmary which is located on the first floor of Haven Hall. Doctor Boyd Ghering, the College Physician, is at the Infirmary between 11:00 a.m. and 12:00 noon.

Students are asked to respect the following office hours:

7:45 a.m. to 9:00 a.m.
11:00 a.m. to 12:00 noon
4:00 p.m. to 5:00 p.m.

IN CASE OF EMERGENCY, students may call Doctor Ghering at the Clinic, Edinboro 2182 or at his home, Edinboro 2281.

ILLNESS IN ROOM

The illness of any student in his room must be reported immediately to the College Nurse. She or the physician will visit him and prescribe treatment. The student will be moved to the Infirmary if necessary.

Off-Campus and day students also have the services of the physician and nurse.

DINING ROOM

Meals are served to boarding students in the College dining room, located in Haven Hall. The dining room, which seats 400 people, accommodates all the boarding students because the self-service method is used in serving meals. Meal hours are:

THE LIBRARY

The entering student at Edinboro State Teachers College soon discovers the educational and recreational facilities available in our College Library. Approximately thirty-two thousand volumes offer a wide range for reference and study. A generous fiction section and 203 magazines and periodicals give the student an opportunity to fill leisure hours with enjoyable reading.

Our library has the distinction of being one of the few in the state which employs open shelves for all books, thus allowing all students easy access to the volumes. Of course, this system must be carefully supervised and consequently certain rules must be observed:

1. All books which have been definitely assigned to classes are placed on shelves

directly behind the desk and are known as the Reserve Books. Such books may be withdrawn at 5:00 p.m., and returned at 7:00 p.m., or taken at 8:30 p.m. and returned before 9:00 a.m. the following morning. Failure to observe this rule will result in a fine of ten cents per hour.

2. Books not on reserve but in demand are termed "overnight books" and may leave the library at any time of day or overnight and must be returned before 9:00 a.m. the following day. Penalty for late return is ten cents per day.

3. All books except those on reserve may be withdrawn for two weeks; a fine of two cents a day will be charged for books kept overtime. Encyclopaedia volumes and dictionaries may not be withdrawn.

4. Magazines may be withdrawn from the Library subject to the same rules as Reserve Books.

5. No student will be issued grades or credits until all Library obligations have been settled.

6. No books may be removed from the Library except by proper charging at the desk by the Librarian in charge. Anyone taking books not properly charged from the Library will be subject to a fine of \$5.00 for

each book and suspension from all College activities until such fines are paid. Clipping and marking books is prohibited.

The Library is located on the second floor of Normal Hall and throughout the year will observe the following hours:

Monday through Friday

8:00 a.m. — 5:30 p.m.

7:00 p.m. — 9:00 p.m.

Saturday

8:00 a.m. — Noon

1:00 p.m. — 4:00 p.m.

ACADEMIC STANDARDS

Grading System

Standings indicating the quality of work are:

- "A"—grade given to students whose work is clearly of an exceptional nature.
- "B"—grade given to students who do distinctly superior work.
- "C"—grade representing work of good quality
- "D"—grade indicating unsatisfactory work.
- "F"—grade indicating failure. Any course in which an "F" grade has been earned must be repeated.

"X"—not a grade, but a mark indicating that the student, for some justifiable cause, has not been able to complete the required work within the time limit.

The Dean's List

Twice a year, there is published the Dean's List, a list of students who have made a grade of "B" or better in every course taken during the previous semester.

Classes

The number of semester hours credit listed below are the minimum numbers necessary for membership in the four classes.

Sophomore	32
Junior	64
Senior	96
Graduate	Bachelor's degree

REGISTRATION

Students are reminded to register and pay fees on the assigned dates. **All fees must be paid in advance.** Permission must be obtained from the President of the College in advance to avoid penalty for late payment.

Dates of registration and payment of fees may be found in the Calendar printed in the College Catalog.

ABSENCE AND TARDINESS

Students should be familiar with the method of securing excuses for absences from class. The burden of responsibility for absence and tardiness rests at all times upon the individual involved. He must take the initiative in planning for making up work after an absence. Please note that no unexcused absence is without penalty.

The following regulations governing excused and unexcused absences for all students have been approved by the faculty.

1. Excused absence forms may be secured from the Dean of Men or the Dean of Women for one of the following reasons:
 - a. Personal illness or emergency medical or dental appointments.
 - (1) A written statement from the college nurse, the college physician or the family doctor or dentist.
 - b. Serious illness or death in the immediate family.
 - c. Marriage in the immediate family.
 - d. Absence from the campus for participation in athletic contests (or other college activities) when requested by the faculty sponsor and approved by the Dean of Instruction.
 - e. Emergencies which the Deans of Men

and Women may consider advisable. (Only a limited number of these will be granted per year.)

- f. Limited participation in such activities as off-campus trips, conferences, fraternity conventions, etc., provided the student has maintained a "C" in every course that semester. The practice of granting excuses for hunting has been discontinued by vote of the faculty, who felt it was discriminatory toward students who do not hunt.
2. If the student does not secure his excuse from the Dean of Men or the Dean of Women and present it to the instructor within seven school days after the absence, the absence shall be considered unexcused.
3. There is no cut system at Edinboro State Teachers College.
4. Unexcused absences are regarded as likely evidence of neglect and indifference on the part of the student and may be so considered in assigning grades.
5. Three tardinesses shall be considered as equal to one unexcused absence.
6. It is the student's responsibility to contact his instructors to make up work missed because of an excused absence. If he does not make up this work, he will

- be penalized in his grade.
- The student may not make up work because of an unexcused absence. He will be penalized in his grade for all unexcused absences. For example, in a three-credit course three unexcused absences will result in lowering the grade one letter; four unexcused absences will result in expulsion from class with failure.
 - Whenever a student has been absent from any course more than fifteen per cent of its total class hours, the teacher in charge shall report the case to the Chairman of the Absence Committee. No student whose total unexcused and excused absences from any course exceed fifteen per cent of its total class hours shall receive credit for that course. In individual cases where obvious injustice would result from enforcement of this rule, the Absence Committee of the Faculty may waive it.
 - All unexcused absences the day prior to and the day following vacation periods are counted as double absences.

ASSEMBLY

Each Wednesday morning, the entire student body meets in the auditorium for a period of worship and entertainment. The

programs are varied and consist of lectures by prominent thinkers, musical recitals, plays, skits, movies, and important announcements. A committee of students meet with the faculty sponsors to plan the program.

Every student at Edinboro is required to attend. An assembly seating list will be prepared with seats assigned and attendance will be checked. The list of absentees shall be filed in the office of the Dean of Instruction. Each unexcused absence automatically lowers by one point the total accumulation of quality points which the student has earned toward graduation.

STUDENT GOVERNMENT

Student Council

The Student-Faculty Council considers and enacts much legislation in connection with campus problems. Probably its most important function is the budgeting of the Student-Activity Fund. The Council meets regularly and is always ready to listen to and discuss any new proposal for college progress. Council meetings are open to any of the student body who wish to attend.

Council members are elected by the student body and faculty and serve for two semesters. Membership in this group should be considered a very high honor.

CONSTITUTION

Revised 1948 and 1954

ARTICLE I

Name

The name of this organization shall be the Student-Faculty Co-operative Government of the Edinboro State Teachers College.

ARTICLE II

Purpose

While appreciating deeply the province and functions of the Trustees, College President, Dean of Instruction, the Dean of Women, Bursar and other officials and faculty committees and members, organized chiefly for administering the business and instruction of the college, we the students, the faculty, and the President of the College, feel that there still remains unoccupied a large promising field for cooperative service. Accordingly, we do hereby declare that the purpose of the Co-operative Government is to take over increasingly the responsibility for organizing and directing purely student affairs, to co-operate with the proper college authorities in matters of student welfare, and to seek constantly to make the college

a better agency for developing effective citizens and teachers.

ARTICLE III

Membership

The membership of this Co-operative Government shall consist of all students, all faculty members, and the President of the College.

ARTICLE IV

General Organization

Section 1. The functions of this Co-operative Government shall be distributed as follows:

(a) Legislative functions in relation to all student and student-faculty agencies now existing and to be organized are vested in a Council, and (b) executive functions, including the veto of any measure passed by the Council, are vested in the President of the College.

Section 2. The existing student-faculty agencies and student organizations with faculty sponsors are to continue in their present form and to function as at present until such time as they may be modified either by vote of the Council and approved by the College President or by direction of the President.

ARTICLE V

Membership, Election, Officers of the Council

Section 1. The Student Faculty Council shall be composed of eighteen members, eight of whom — four men and four women — shall be students elected by the several classes, a representative from the Reeder Hall Council, a representative from the Haven Hall Council, a representative from the New Dormitory, a representative of off-campus men, a representative of off-campus women, a chairman, elected by popular vote, a faculty member elected by the faculty, a faculty member appointed by the President of the College, the Dean of Men and the Dean of Women.

Section 2. Methods of election:

To be eligible for election to the Council students should be outstanding in character and ability and have a college record of better than a "C" average.

At the beginning of the first semester of the freshman year, a man and a woman representative shall be elected. The woman will serve two semesters, the man will serve one semester, and in his place for second semester, a new man representative will be elected to serve for two semesters.

The following method shall be used to elect class representatives:

The president of each class shall appoint a nominating committee of three which shall submit at a meeting of the class at least two nominations for each membership on the Council. These names shall be posted on the official bulletin board of the college for one week prior to the election, which must be completed, for the first semester election, by October 1 for the upper three classes and by the end of the first quarter for freshmen, and for the second semester election, by February 15. From this group of nominations, with or without additional nominations that may be made from the floor, the class shall elect by ballot its two representatives on the Council.

Other groups shall elect their representatives by popular vote prior to October 1.

The president shall be elected in the following manner: As soon as possible after the opening of the second quarter of the first semester, the president of the junior class shall appoint a nominating committee of three, who shall nominate at least two persons from the junior class as candidates for the office of President of the Council. In addition, any junior may be eligible for this office if a petition signed by twenty-five

students, requesting that his name be placed on the ballot, be presented to the secretary of the Council at least forty-eight hours before the election. Names of all candidates shall be posted on the official bulletin board at least twenty-four hours before the election. At an assembly not later than December 12, each candidate will speak about his aims or plans regarding the Student - Faculty Co-operative Government. Following the speeches, the students shall elect the Chairman of the Council by ballot. The president-elect shall then attend all meetings as a non-voting member until his term of office begins with the first regular meeting of the Council after second semester begins. The former president may attend all meetings as a non-voting member of the Council for the duration of the second semester.

Section 3. Any student vacancy on the Council shall be filled for the balance of his term at a special election conducted in the same manner as herein prescribed for the regular election or appointment. Nothing in this Constitution shall prevent the election of any student doing student teaching in Erie, or shall prevent any student from succeeding himself or herself.

Section Six Dormitory Maintenance Problems

Tacks, scotch tape or nails in walls are not permitted. The electric wiring is not the type for heating appliances; therefore, electric irons and hot plates are not permitted.

Damage to furnishings or walls will result in a fine being charged against the offender. The minimum charge will be one dollar, to be paid to the College Bursar.

2. Smoking

Fire regulations and the protection of life and property require that students do not smoke in their rooms or elsewhere in the college buildings except where special provisions are made by the College.

3. Telephone

All residents of Haven Hall must become familiar with the campus telephone system and be ready and willing to answer the Haven Hall desk phone at all times.

4. Absence from Campus

Before leaving the campus for an absence of more than one hour, and after 5:30 p.m., a student is required to register her name, destination, and expected time of return on the forms provided at the desks in Haven Hall and the New Dormitory, and upon returning, the time of her return.

5. Quiet

Evening quiet hours are desirable and arranged by House action. Night quiet hours, except Saturday, are from 8:00 p.m. to 10:30 p.m.; 11:00 p.m. to 7:00 a.m. Saturday; midnight to 9:00 a.m. Sunday. Pianos must not be played during these hours. Radios may be played at any time except during the night quiet hours, provided that they are tuned so they cannot be heard outside the room.

6. Callers and Guests

(a) Guests for overnight or for the dining room should be introduced upon arrival to the Dean of Women. Students may have overnight guests in the dormitory only over weekends, except in very special cases if space is available. Arrangements for linen must be made before the guest arrives. Every guest must be registered with the Dean of

Women. Registration forms are to be obtained at the Dean of Women's Office.

It is understood that guests will follow the regulations governing their hostess, and that the responsibility for acquainting guests with these regulations rests with the hostess.

Overnight guests must register on cards provided by the Dean of Women. Charge for overnight lodging is one dollar per person.

(b) Fathers and other masculine guests of women students must be entertained in the dormitory lobby, unless by special permission they accompany a woman student to her room. This does not apply to the first day of the college year.

(d) On the evenings of all college functions, such as lectures, games, movies, etc., which last beyond the hours listed in A, all students must report in not later than one-half hour after the close of the function.

7. The Recreation Rooms

These rooms are located in the basements of both women's dormitories and provide women students with facilities for social and recreational activities.

8. Off-Campus Regulations

All students living outside the dormitories must have the approval of the President for such residence unless such students are living in their own homes.

The Housing Committee has a list of the residences which have been officially designated as Approved Houses. Permission to live in these homes is not automatically granted, however. As in the case of any other off-campus arrangement, individual arrangements are only temporary until the application blanks are received, approved, and filed by the Housing Committee.

Women students living in Edinboro in homes other than their own are expected to follow, in general, the rules applying to residents on campus. Permission ordinarily granted by the Women's Dormitory Council may be granted by the house mother.

9. Fire Regulations

A. Fire Signals:

Fire drills are held at least once a month. All girls must participate, and greatest care must be taken to see that everyone follows orders implicitly. The object is to get all girls out of the hall safely. Speed is imperative. Silence is necessary.

B. Fire Drill Procedure:

I. When fire alarm rings:

2. No clothing other than that specified must be put on or taken from room.
3. If leaving for the night, students must notify the floor captain.

REGULATIONS FOR COMMUTING WOMEN STUDENTS

All women who are not living in the dormitories may study or relax in the students' day-room, located in the basement at the end of Normal Hall, whenever they do not have a class during the day. This room is open daily from 7:30 a.m. to 6:00 p.m. and Saturdays from 7:30 a.m. to 12:00 noon.

The parlors of Haven Hall are open to all women students. Also available for use is the Social Room in the basement of Haven Hall, which is open during the regular dormitory hours.

REGULATIONS FOR MEN STUDENTS

Regulations for men are controlled by the Council, the Dean of Men, and the President of the College. The Council consists of four representatives from Reeder Hall, one each from the White Hall and State House Annexes, and one from the off-campus men.

It is primarily insisted that all men conduct themselves as gentlemen and in keeping with the accepted standards of good taste.

1. Men are expected to dress appropriately for all occasions. Even for the most informal and casual occasions, clothing shall be clean and neat. Jeans, levis,

sweat shirts and T-shirts are not considered appropriate for the dining-room, and men so attired will be refused admission. Collared shirts or long-sleeved sweaters must be worn to the morning and noon meals. For the evening meal men will wear collared shirts with a sack coat, sport jacket or sweater. With short-sleeve or sleeveless sweater or vest, a long-sleeve shirt must be worn. For Saturday evening and Sunday noon meals, shirts and ties must be worn with sport jackets or suit coats. The rules for men's dress for Sunday evening are the same as dinner Monday through Friday. Sweat-shirts or uncollared T-shirts will not be accepted for any meal. Students visiting the Training School should dress as future teachers. Men will therefore wear suits and ties.

2. All men are expected to be co-operative in respect to the women's regulations. They are requested not to loiter in women's dormitories during the following hours: in Haven Hall between the hours of 8:30 to 11:30 a.m. and 1:00 to 4:00 p.m.; in the New Dormitory during the morning hours and from 1:00 to 4:00 p.m. Women's male guests are expected to be suitably dressed, and those

appearing in jeans, levis, sweat shirts or T-shirts will be requested to leave.

3. No alcoholic beverages may be brought on the Campus. Persons who violate this regulation are subject to the severest disciplinary measures.
4. Any man who returns to the campus under the influence of liquor will be summarily suspended.
5. Any man who conducts himself in public, on or off the campus, in a way that reflects on the college is subject to disciplinary action.
6. Dormitory quiet hours are from 8:00 p.m. to 10:30 p.m. and from 11:00 p.m. to 7:00 a.m. On Saturday, however, quiet hours begin at midnight and extend to 9:00 a.m. Sunday. During quiet hours, men are expected to enter and leave the building making the least noise possible. There is to be no singing, whistling, yelling, loud talking, running, or scuffling. No musical instruments may be played. Radios may be played provided room-mates do not object and volume is kept low enough to prevent the instrument from being heard outside the room.
7. All persons not residing in the dormi-

tories must leave them before 10:00 p.m. unless arrangements for over-night lodging have been made.

8. Men may have over-night guests providing facilities are available and the approval of the Dean of Men has been obtained. Guests must be registered. The transient lodging fee of one dollar will be collected. Dormitory residents found to be responsible for the unauthorized presence in the dormitory of any person after 10:00 p.m. will be disciplined.
9. All men are expected to co-operate in keeping halls and wash-rooms clean and in order. Bottles are to be returned to the Coca-Cola dispensing machine, not left lying around. Paper and refuse are to be put in trash cans. After using a lavatory, every man is expected to wipe it out and leave it in the condition in which he would like to find it if he were the next to use it. Papers must not be left strewn on the wash-room floors.
10. Each man is responsible for the tidiness of his own room. Periodic inspections will be made, and men found to be consistently negligent will be asked to move to off-campus quarters.

11. Because of fire hazards, the use of electrical appliances other than dry-shavers cannot be permitted in dormitory rooms. Special outlets for use of electric irons will be found in the basement of Reeder Hall and in the lower corridor of White Hall.
12. Men who smoke must provide themselves with metal or ceramic ash trays.
13. Food may not be kept in dormitory rooms unless stored in metal boxes. Keeping bottles on window sills is not permitted.
14. Every dormitory resident is expected to have a key to his room. Rooms should be kept locked whenever residents are out. Keys are to be obtained from the Office of the Bursar.
15. Any man having a grade of less than "C" in any subject will be expected to be in his room studying Monday through Friday during evening hours.
16. The counselors assigned to the annexes represent the Dean of Men, and all annex residents are expected to give them their cooperation.

REGULATIONS FOR OFF-CAMPUS MEN

1. Men living off-campus are not segregated in any way from those living on campus. They do, however, have a representative in the Student Council who helps advise and settle problems pertaining to the off-campus group. Rules applying to men living in the college dormitory apply equally to those outside the dormitory.
2. A day-room is provided for off-campus men in the basement of Normal Hall. Here they may study, relax, and eat their lunches. The men using this room are expected to keep it free from litter and refrain from conduct that might prove disturbing to others.
3. Lockers for day students are available in the basement of Normal Hall. Keys may be obtained from the Office of the Bursar.

LAUNDRY SERVICE

Men are to bring their laundry directly to the laundry-room through Monday or not later than noon Tuesday. Service includes no more than twelve pieces, of which two may be shirts. Each piece must be marked.

Laundry is to be called for on Friday. It is recommended that laundry be put in a mesh bag.

SCHEDULING SOCIAL ACTIVITIES

To avoid conflict it has been necessary to have one central office where all social events can be scheduled. This scheduling duty has been delegated to the Dean of Women. No social event in which women are involved may be scheduled until all the necessary requirements for chaperones, hours, etc. have been met and the approval of the Dean of Women has been given. Before advertising any evening activity, it is necessary to have the activity recorded on the Social Calendar in the office of the Dean of Women.

The Dean of Women, acting in this scheduling capacity, represents the College Social Committee and, under its instruction, seeks to maintain a well-balanced and satisfactory social program. Permission for scheduling an event may be denied when the general Social Calendar or the Calendar for a particular organization seems overcrowded, or when the maintenance of high academic standards in the college would seem to discourage the activity in question.

A form, **Student Social Function** and

Trips, is to be obtained at the office of the Dean of Women, by any organization planning a major social event. The form is to be completed and approved by the organization adviser and returned to the Dean of Women at least **one week** before the date of the activity. Failure to comply with this regulation may result in cancellation of the date.

Assignment of rooms for meeting and activity purposes is administered through the Dean of Instruction's Office. Evening use of any room must be approved by the President of the College.

FRATERNITY AND CLUB INITIATIONS

No physical punishment shall be administered at any time.

Any public initiation program shall be submitted in writing for approval to the sponsor, and the Dean of Men or the Dean of Women at least **one week** before the initiation begins.

The initiation program shall include no activities on campus during class hours and no activities at any time which disturb the public in general.

The initiation program shall be conducted in such a manner that classroom work may proceed as usual. Any mode of dress or any

actions which attract undue attention are undesirable.

EXTRA-CURRICULAR PROGRAM

Every person who graduates from Edinboro and becomes a teacher will be expected to assume leadership in community life and school activities. In a large percentage of cases the teacher will be expected to sponsor clubs and other student groups. Therefore, it is very important that every student in college becomes accustomed to certain activities and familiar with the techniques of discussion, parliamentary law, record keeping, and the general promotion of student activities. Even if a teacher never becomes a club sponsor, the educational value of participation in these activities in college is perhaps as great as that of some course of study. Therefore, it seems advisable that each student becomes a member of some club or other activity aside from athletics.

In the College year of 1955-56, the following plan of extra-curricular activities will be in effect:

1. At the beginning of the semester each student will be given the opportunity to choose any club or activity in which he is interested.

2. A club or activity may be set up on

petition of not fewer than fifteen students with the approval of the Committee on Student Activities.

3. All organizations will provide for regular meetings.

4. No meeting shall be held without at least one faculty advisor present.

5. Each club or activity is to choose its own Faculty Advisor subject to the consent of the faculty member concerned and the approval of the Committee on Student Activities and of the President of the College. The Faculty Advisor is not to be responsible for planning the program of the activity since his relationship is only advisory.

6. Each activity is to have a Secretary, whose duty it shall be to record and report its membership and program to the Office of the Dean of Women.

FRESHMAN CUSTOMS

By observing freshman customs in the proper spirit, each student can acquire the qualities which will make him a worthy member of his college: an attitude of friendliness towards all other college students, a respect for the standards of his school, and a familiarity with its special "trade mark" — its Alma Mater, its cheers, and its own

songs. In addition, the new student will learn that he belongs to the freshman class in particular, to the college as a whole.

The meaning of and regulations for observing these customs will be announced to all freshmen at their Orientation program.

The following rules governing freshman customs have been set forth by the Student Council:

1. There shall be a "Big Sister" for every freshman girl.

2. A delegation of upper-classmen will arrive early, before registration, for the purpose of meeting the freshmen who will arrive Saturday afternoon.

3. There will be a 'two-weeks' Initiation period.

4. Freshmen will wear 10 x 10 signs and dinks for two weeks.

5. The 10 x 10 signs will be standard cards. The individual names will be lettered in by upper-class art students volunteering to do this task.

6. Upper-classmen and service veterans will wear small name tags for the first two weeks. These will have plastic covers.

7. Freshmen must learn Alma Mater, cheers, constitution and other contents of the Handbook within the two-weeks' period.

8. At the end of the two-weeks' period a "Little Service" will be held, at which time dinks and signs will be removed.

9. On Homecoming Day the Freshmen will don their dinks again and lead the parade with their float.

10. Enforcement of these rules will be vested in the Tribunal which is the Student Council. Members of this board are:

William Garfield	Dolores Onda
William Shesman	Margaret Whitney
James Narducci	Agnes Guido
Jack Webb	Grace Tigani
	Annamarie Johnson

As upper-classmen, we would like to submit to you Freshmen the following worthwhile tips:

1. Always be ready with a cheery, courteous greeting when you meet a faculty member, an upperclassman or a fellow classmate.
2. Develop good college spirit. Make your college the best college.
3. Be courteous and well behaved, observing the best rules of etiquette at all times.
4. Always present a well-groomed appearance.
5. Attend classes and assembly regularly.

6. Go to church on Sunday.
7. Try to get eight hours sleep every night.
8. Put your name on all your personal property.

The College offers no service for the purchasing of stamps; such matters should be handled by individual students at the local post office. Lock boxes at the Edinboro post office may be secured at the rate of \$.90 a quarter.

General Fire Regulations

Fire drills are required by the laws of the

Commonwealth. Signal for drills will not be announced and will be given always by some particular person designated for this duty. The first fire alarm is always a call to the persons to participate.

The following drill procedure should be observed.

1. When the alarm is given, close all windows to prevent draft.
2. Empty first floors and basements first.
3. Order: students to leave first, followed by faculty.
4. Keep to the right. Avoid running and rushing.

Responsibility for the observance of fire drills and other fire regulations falls to all persons — students, faculty, and employees. Custodians of the various buildings will see that instructions are given to meet the particular needs in each building.

Telephone Service

Telephones on a private College exchange (Edinboro 3301) are located at various places on the campus. Outside calls in Edinboro may only be made by students through station "78" and there it will be necessary to dial "O," before dialing the number listed in the directory.

Long distance calls may be made only over the pay telephone found in each Dormitory.

Student Self-Help

There are a limited number of part-time positions available at the college, and it is anticipated that there will be a few jobs available about the community.

To be eligible for employment a student must:

1. Be matriculated as a student in a four-year Edinboro course.
2. Be boarding at the College Dining Room.
3. Be rooming on the campus unless existing facilities do not permit.
4. If a freshman, have scored not below the twenty-fifth percentile on the American Council On Education Psychology Examination which is administered to all Edinboro Freshmen.
5. At the end of the freshman year and every semester thereafter have earned an all-college average not less than "C."

Loans

A small loan fund administered by the Edinboro Chapter of the Edinboro College Alumni Association is available. Consult Dr. H. W. Earley for information about a loan.

SONGS AND CHEERS

Alma Mater

(Aloha)

Hail to thee, our Alma Mater glorious,
Fresh wreathes we bring to bind thy brow;
Trials past thou has withstood victorious
Never fairer, never statlier than now.
O Edinboro, Edinboro,
We revere thee, love thee, serve thee ever,
While class speeds class
As swift years pass,
To thee our hearts are true.

Winds That Sweep the Campus

Winds that sweep the campus,
Winds that stir the tree,
Sweep around her towers
Standing calm and still
Through the winter's darkness,
Through the summer shine,
Bear her our blessings
Through glad good will.

Victory Song

On you old Red Raiders,
Beat those darned invaders
And march on to Victory.
Down the floor we'll thunder;
We'll put them asunder
And march on to Victory.
Dribble, dribble, dribble down the floor,
Onward, onward piling up the score,
Sun will shine tomorrow;
For we've won E. S. T. — C.

Hand Me Down My Bonnett

Hand me down my bonnet,
Hand me down my shawl,
Hand me down my calico dress,
I'm going to the Calico Ball.
First she gave me honey,
Then she gave me cake.
And then she gave me gingerbread
For kissing her at the gate.
O . . . as we go marching,
And the band begins to play
You can hear the people shouting
"Edinboro College wins today."

Pep Song

Edinboro College, we will sing to you
We'll defend your standards
In whate'er we do.
"Hail, hail, the gang's all here."
Round thy colors bright
We'll stick together for the
Crimson and white.

Dear Home of College Days

(Old Refrain)

Dear home of college days so great and free,
Thy sons and daughters will be true to thee.
Thy love we'll cherish and thy fame declare,
Loyal to thee, and to thy name so fair.

Chorus

So raise your voices all, and honor give,
Her fame and glory may they ever live,
Through joy and sorrow as the years go by,
And with a constancy that cannot die.

Hello Cheer

Hello (opponent), Edinboro says
"Hello."

Two bits, four bits, six bits, a dollar;
Everyone from Edinboro, stand up
and holler!

15 Raahs

Rah, rah, rah—rah—rah!
Rah, rah, rah—rah—rah!
Rah, rah, rah—rah—rah!

Dynamo, Dynamite,
Let's go, let's fight!

Rah Team

Rah team, fight, fight!
Rah team, fight, fight!
Rah team, fight, fight!
Fight! Team! Fight!

Jive Cheer

We've got the T-E-A-M
That's on the B-E-A-M
We've got the team
That's on the beam
That's really hep to the jive.
Come on, Edinboro,
Skin 'em alive.

Locomotive Steam

Locomotive, locomotive,
Steam, steam, steam;
Get together, get together
Team, team, team.
Smear 'em
