Hail to thee, our Alma Mater glorious!
Fresh wreathes we bring to bind thy brow.
Trials past thou hast withstood victorious,
Never fairer, never statelier than now.

We revere thee, love thee, serve thee ever.
While class speeds class,
As swift years pass,
To thee our hearts are true.

HANDBOOK EDITOR'S MESSAGE

This student handbook has been compiled for the students of Edinboro State College. Its purpose is to aid the Freshmen in gaining an understanding of the functions, regulations, customs, and activities of this college; and to provide all students with a calendar of events for the school year.

The editor wishes to extend her thanks to Nicki Scott, Joyce Wright, Charles Szoch, and Mr. William Cornell for their help in compiling the handbook.

COLLEGE PRESIDENT'S MESSAGE

Edinboro's function has continued to be the education of teachers and the making of provision for additional educational opportunities for the youth of Pennsylvania.

Teachers are particularly needed to man the schools of this state and nation. Facilities here at Edinboro are being expanded and additional faculty are being employed in order that the college may do everything in its power to meet this challenge. But, far more than facilities and faculty are needed. A spirit of dedication, a desire to serve and a willingness to work in order to learn are absolutely necessary to a successful teaching career.

Coming to this college as you do at the period of a great upsurge in enrollment, you may find both living and study conditions crowded. It will depend more upon you personally than ever before to make yourself self-sufficient.

The students, faculty, alumni, and friends of the college have worked together to make possible many of the things which are now a part of this campus and a part of the college as a whole. Each of us shares in the total of what is already here, but each one of us has the responsibility to add his own individual contribution to this college. If each one of us will do everything within his power to retain just as many as possible of our present good qualifications, as we grow into a larger institution with its many possibilities for an enriched and expanded program, the results can well be good for nearly all of us.

This handbook is prepared by our students and faculty to assist you in your work at this college. You are urged to read it with care, to follow its precepts carefully, to treat it as a storehouse of information to which you will make frequent reference, and to

keep it as a source of guidance throughout the entire year. Read carefully the constitution of the faculty-student government body so you may know the part this organization plays in the life of the college.

It is my hope that every one of us here on campus, this year, may have a pleasant and profitable experience as we go from task to task in the total process of educating ourselves for the challenges which lie ahead.

Sincerely,

Thomas R. Miller

Left to right: President, Charles Szoch; Secretary, Dorothy Jones; Vice President, James Stuntz.

WELCOME TO EDINBORO

The 1960-61 edition of the student handbook is presented in the hope that it will serve the students and the faculty members of Edinboro as a convenient reference book which contains valuable information about the college and its activities for the coming year.

On behalf of the student body, the members of the student-faculty council wish to welcome the new students to our Edinboro campus in a spirit of friendship and cooperation. The members of the council also wish everyone a very pleasant and successful college year.

Charles Szoch
President
Student Council

The College's 103 Year History

The beginnings of the college were laid in 1857, over one hundred years ago, when a band of Scotch-Irish farmers grouped together and founded a private normal school at Edinboro by popular subscription to train teachers. In 1861 it was chartered by the Commonwealth as Pennsylvania's second Normal School and developed and grew through service to the Commonwealth.

A great forward stride was taken in 1914, when the Commonwealth purchased Edinboro Normal School. In 1926, alerted to the need for better educated teachers for its schools, Pennsylvania made Edinboro a Teachers College offering a four-year curriculum leading to degrees of Bachelor of Science in Secondary, Elementary, and Art Education, and Library Science.

In 1960 the name of the college was changed to Edinboro State College.

Beginning in September of 1957, the college was empowered to grant degrees of Master of Education in Elementary Education. This September, graduate work in secondary education has been approved for offering.

The control of the College is vested in the Board of Trustees, composed of nine members appointed by the Governor of Pennsylvania. The Board of Trustees in turn elects the President of the College who is responsible for its administration. The State Superintendent of Public Instruction is an ex-officio member of the Board of Trustees.

The college is accredited by the American Association of Colleges for Teacher Education, the Middle States Association of Colleges and Secondary Schools, and the American Medical Association. In addition, its curriculums are registered by the New York State Department of Education.

Freshmen at Edinboro are expected to conduct themselves in accordance with the standards normally adhered to by self-respecting, educated men and women. Students must never forget that they are being educated to become teachers of American youth.

The faculty at Edinboro stands ready to assist every student to cultivate habits of study application, self-control, a sense of human and profound interest in furthering the high ideals traditionally a part of Edinboro College.

FRESHMEN CUSTOMS

By observing freshman customs in the proper spirit every student can acquire the qualities which will make him a worthy mem-

ber of his college — an attitude of friendliness towards all other college students, a respect for the standards and traditions of his school, and a familiarity with the things that constitute its own special trademark, i.e., its cheers, its Alma Mater and other songs. In addition, the new student will learn that he belongs not only to the freshman class, but to the college as a whole.

Registration

Students are reminded to register and pay fees on the assigned dates. All fees must be paid in advance. Permission must be obtained from the President of the College in advance to avoid penalty for late payment.

Dates of registration and payment of fees may be found in the Calendar printed in the back of this Handbook.

Withdrawal Procedure

Any student finding it necessary to withdraw from college at a time other than the close of a semester should report to the office of the Dean of Instruction, Business Office, and the Dean of Men or Dean of Women prior to departure.

Academic Standards

GRADING SYSTEM

Standings indicating the quality of work are:

- "A"—grade given to students whose work is clearly of an exceptional nature.
- "B"—grade given to students who do distinctly superior work.
- "C"—grade representing work of satisfactory quality.
- "D"—grade indicating unsatisfactory work.
- "F"—grade indicating failure. Any course in which an "F" grade has been earned must be repeated.
- "X"—not a grade, but a mark indicating that the student, for justifiable cause, has not been able to complete the required work within the time limit.
- "W"—indicates withdrawal from a course. No withdrawals are valid unless the student has secured the approval of the Dean of Instruction.

THE DEAN'S LIST

Twice a year there is published the Dean's List to honor students who have made a grade of "B" or better in every course taken during the previous semester.

CLASS MEMBERSHIP

The number of semester hours credit listed below is the minimum number necessary for membership in the four classes.

Sophomore	32
Junior	64
Senior	96
Graduate	Bachelor's Degree (128)

Admission to Upper Division

In that semester in which a student expects to complete fifty-six semester hours of credit, he shall file a written application for admission to the Upper Division of the college on a form provided by the Office of the Dean of Instruction.

Favorable action on the student's request will depend upon:

1. Attaining a cumulative academic record with a semester hour-quality point ratio of 2.0 or above for his college work.
2. Removing from his record all deficiencies.
3. Achieving favorable teaching personality ratings from members of the college faculty committee on selective promotion.
4. Attaining an adequate scholastic background as measured by scores on examinations as prescribed for his or her admission to the Upper Division.

Students who fail to attain the standards for admission to the Upper Division will be permitted to remain in attendance for one semester or one complete summer session after which requirements for the Upper Division must be attained. The privilege of remaining in college beyond an additional semester or summer session without attaining the Upper Division will be denied except for very unusual conditions.

Probation

A student is placed on probation for one of two reasons:

1. He was admitted to the college on a probationary basis, or
2. He earned a cumulative average of less than 2.0.

A student who has been permitted to attend college on a probationary basis may be asked to withdraw from college unless he earns and maintains a cumulative quality point average of not less than 2.0 or his record shows evidence of progress deemed satisfactory by the Scholarship Committee.

Absence and Tardiness

For students with a quality point average of C or better, no formal excuse will be required for a number of absences equal to the number of semester hours for which a course is offered. Any additional absence must be justified by presenting to the personnel Dean concerned evidence of a bona fide illness or equally justifiable cause to prevent being excluded from the course with a failing grade.

A student with a quality point average of less than "C" or a student on academic probation is required to submit evidence of just cause for every absence.

Make-up work resulting from absences incurred may be permitted at the discretion of the instructor of the course.

Students are urged to have all legitimate absences recorded by presenting to the personnel Deans evidence judged by the Dean to be valid.

Absence from class 24 hours before or 24 hours after the termination of a vacation will be counted as a double absence.

The case of a student who accumulates a number of absences equal to twice the number of semester hours of credit for which the course is offered will be reviewed at a meeting with the student, the instructor, and the personnel Dean concerned present. Inability of the student to justify such an absence record will result in exclusion from the course with a failing grade.

Anticipated absence from a student teaching assignment requires prior approval from the Director of Student Teaching. Any absence from student teaching requires evidence of just cause.

Student Self-Help

There are a limited number of part-time positions available at the College, and it is anticipated that there will be a few jobs available about the community.

To be eligible for employment a student must:

1. Be matriculated as a full time student in a four-year curriculum.
2. Be boarding at the College Dining Room.
3. Be rooming on the campus unless existing facilities do not permit.
4. **Have earned an all-college average of not less than "C".**

Students desiring more information should apply at the Admissions Office.

Scholarships and Loan Funds

State Scholarships

The Dept. of Public Instruction annually awards scholarships on the basis of competitive examinations held on the first Friday of May each year. These are awarded to each county and Senatorial district in the State. Each scholarship is worth \$200.

Other scholarships

The Penna. Congress of Parents and Teachers each year makes available two or more scholarships at each of the state colleges of Pennsylvania. These are the Hanna Kent Schoff Memorial Scholarships, each for \$150. These awards are made on the basis of high school grades and results on an entrance examination.

Women's Clubs Art Scholarships are awarded each year to three art students who have achieved sophomore or higher class stand-

ing. These grants range from \$100 to \$150.

Harry L. Cooper Scholarships are granted yearly to two entering freshmen. One of these \$100 grants is awarded to a graduating senior of the Edinboro Area High School, the other is granted to any other Erie County high school senior.

The Soroptimist International, a classified service club for women, yearly awards \$1000 to outstanding prospective women teachers. One must be a resident of Erie County, in need of financial assistance and at least a junior.

National Defense Loans

Through the cooperation of the federal government, an amount of money is allotted for loans to outstanding students studying to be teachers. These loans are to be repaid after graduation.

Applications are available in the office of the Dean of Instruction.

Student Advisory Program

A student advisory program provides for every student a friendly faculty member as a consultant and advisor. Thus each student as an individual will be well known by at least one college faculty member. The primary purpose of the advisory program is to assist students to attain satisfactory performance in all aspects of college activities.

The personal faculty advisor will offer the student counsel of a personal, social and academic nature to assist him to succeed in college to the limit of his ability. These advisors are concerned with habits of study, knowledge of study skills, best utilization of time in college, participation in activities.

Students receive curriculum advice and guidance from the faculty registration advisors who have charge of registration in the three curriculums. These faculty members are re-

garded as specialists in offering advice relating to curriculums and electives.

Students with special curriculum problems created by transfer, acceleration, failure, or for other reasons must work out their schedules with the Dean of Instruction.

All freshman students are assigned personal advisors. These assignments are designed to bring the student in contact with a faculty member who has similar interests and is likely to be in sympathy with his particular aspirations.

The ultimate aim of the advisory system is to help the student learn how to solve his own problems.

Faculty members will post their office hours outside their office doors. If you are not free at any of the times indicated, it will be necessary to make an appointment with the faculty member you wish to see. Offices and phone numbers are listed in the front of the Handbook.

THE LIBRARY

The Hamilton Library opens its doors to welcome the students in the fall of 1961. Strategically located to become the focal point of the expanded campus, it represents one of the more modern and functional college libraries in Pennsylvania.

Planned to house 100,000 volumes, it will be filled to approximately 60% of its capacity on opening day. Plans are already in the making for an addition to be built in the near future when its capacity will probably be reached. With the addition of staff members, library hours will be extended and enlarged services offered to students and faculty members.

The library retains the open shelf arrangement making the books easily accessible to the students yet providing careful supervision. The lay out of the library provides stack areas and nearby reading areas coordinated to reduce traffic and attendant noise.

Facilities provided on the first floor are:

current periodical and reference area, fine arts center, curriculum materials laboratory, education area, reserve book and service area, offices, and technical processing space. On second floor will be found a service area, general stack areas, bound and unbound periodical shelving, microfilm viewing booths and storage, a large music listening room equipped with individual booths for ear phone listening, a faculty and graduate reading room, three seminar rooms for use of small groups, faculty lounge, a library class room, thirty individual carrels in addition to regular study tables and lounge areas. Opportunity is thus provided for study in all areas, lounge areas for general reading and for utilizing approximately 400 periodicals, covering all fields, to which the library subscribes. This list includes 12 newspapers representing many of the major U.S. cities and The London Times to give the broader view.

In order to serve the best interests of all the students it is necessary to have observed certain regulations in the use of the library:

1. All books which have been definitely assigned to classes are placed on shelves directly behind the desk and are known as the Reserve Books. Such books may be withdrawn at 5:00 p.m. and returned at 7:00 p.m., or taken at 8:30 p.m. and returned before 9:00 a.m. the following morning. Failure to observe this rule will result in a fine of ten cents per hour or one dollar per day.
2. Books not on reserve but in demand are termed "overnight books." These may leave the library at any time of day or overnight, but must be returned before 9:00 a.m. the following day. Penalty for late return is ten cents per day.
3. All books (with the foregoing exceptions) may be withdrawn for two weeks. A fine of two cents a day will be charged for books kept overtime. Encyclopedia volumes and dictionaries may not be taken from the library.
4. Magazines may be withdrawn from the

library subject to the same rules as Reserve Books.

5. No student will be issued grades or credits until all library obligations have been settled.

6. No books may be removed from the Library except by proper charging at the desk by the librarian in charge. Anyone taking books not properly charged from the Library will be subject to a fine of \$5.00 for each book and to suspension from all College activities until such fines are paid. Clipping and marking books and periodicals is prohibited.

7. Acceptable dress in the library for both men and women is the same as for class attendance.

The following hours will be observed (subject to change after college opens)

Monday through Friday	8:00 a.m. - 5:00 p.m.
	7:00 p.m. - 9:00 p.m.
Saturday	8:00 a.m. - 4:00 p.m.

Health and Infirmary Service

The college employs a full-time resident nurse and a part-time physician. Both are directly concerned with promoting good physical and mental health among college students. In addition to space for a dispensary office, an infirmary of nine beds is available for the care of minor illnesses and isolation of students with suspected communicable diseases. Surgical cases and acutely ill students other than isolation cases will be admitted only until they can be transferred to other nearby or home hospitals. Actual medical care is limited to the prevention of illnesses and the emergency treatment of medical and surgical conditions.

Students living on campus should immediately notify the college nurse of any illness which requires infirmary care. Students living off-campus but taking meals on campus who are so ill as to require infirmary care shall immediately notify the householder and the Dean of Women or Men or the College Nurse of such illness.

When in the case of serious illness the nurse or college physician believe ambulance transportation to the infirmary or from the infirmary to a nearby home or hospital is necessary, the college will see that such transportation is provided, but the expense must be borne by the student.

Day students, who may be admitted to the infirmary provided there is space available, will pay at the rate of two dollars per day. This rate will begin with the first day.

Students will be released from the college infirmary only by a signed statement from either a responsible member of the family, the family physician, or the college physician or nurse.

Parents will be notified by the college nurse of the illness of any student who spends one or more full days in the infirmary. Any student who wishes to do so may employ his own physician at his own expense. If it is necessary to have a prescription filled at the drug store, the student will be responsible for the cost.

Accident and medical insurance on a group basis is available for all students at a minimum cost and is available at the time of registration.

Off-campus and day students may avail themselves of the services of the physician and nurse.

The college infirmary will issue statements of illness to students who have received treatment in the dispensary.

Numerous requests for excuses from classes for minor and trivial illness are not in the true spirit of the college. Persistent requests for such action may be sufficient means for the administration to request a complete re-evaluation of the physical condition of the student, by his own physician, at his own expense, in order for the student to continue matriculation at this college.

Bus Service

Edinboro is situated on the main bus line between Pittsburgh and Erie. During the day and evening the buses run, north and south, ap-

proximately every two hours. Students wishing to travel east or west can make connections in Erie, Meadville, Franklin or Pittsburgh. Since the schedules are constantly changing, schedules can be checked by calling Re 2-8651.

Books and Supplies

Books and other supplies are obtainable at the College Book Store in the Student Union. It is advisable to order your books as soon as possible after they have been designated by your instructors.

Each student is expected to own the textbooks required in his classes.

Some supplies are on sale in the College Union. Students should check there for the exact items being sold this year.

Mail Service

The College receives two mail deliveries each day. Dormitory mail will be delivered directly to the students' mail boxes there. Mail for commuting students is placed in the commuter's room in Normal Hall.

Lock boxes at the Edinboro post office may be secured at the rate of \$.90 a quarter.

Boarding Facilities

All dormitory students are required to take their meals in the College Dining Room.

Off-campus students have the choice of eating in the Dining Room or of making some other provision for their meals. It is recommended and they will find it greatly to their advantage to board at the college. However, once a student has elected to take his meals in the Dining Room, he will be expected to continue doing so for a full semester.

Closing of Dormitories During Vacations

Dormitories and the Dining Hall will be closed to all students during regular vacation periods as listed on the College Calendar, and also during the period between semesters or summer sessions.

All students will be expected to leave dormitories not later than 6:00 p.m. on the last day preceding a vacation period and should not return before 2:00 p.m. the day preceding re-

opening of school.

Exceptions to this rule may be granted by the Dean of Men or Dean of Women in unusual circumstances.

All undergraduate students, with the exception of Junior Aides, choir members and student employees whose services will still be needed, will be expected to leave dormitories not later than 24 hours after the last scheduled examination of the spring semester.

Extra-Curricular Program

Every person who graduates from Edinboro and becomes a teacher will be expected to assume leadership in community life and school activities. In a large percentage of cases the teacher will be expected to sponsor clubs and other student groups. Therefore, it is very important that every student in college becomes accustomed to certain activities and familiar with the techniques of discussion, parliamentary law, record keeping, and the general promotion of student activities. Even if a teacher never becomes a club sponsor, the educational value of participation in these activities in college is perhaps as great as that of some course of study. Therefore, it seems advisable that each student become a member of some club or other activity aside from athletics.

The following plan of extra-curricular activities will be in effect:

1. At the beginning of the semester each student will be given the opportunity to choose any club or activity in which he is interested.

2. A club or activity may be set up on petition of not fewer than fifteen students with the approval of the Committee on Student Activities.

3. The petitions for a new organization made to this committee should include a letter of application signed by the student leader of the organization, a list of the students who are definitely committed to membership in the organization, the names of the faculty sponsors, and three copies of the constitution and by-

laws of the organization.

4. All organizations will provide for regular meetings.

5. No meeting shall be held without at least one faculty advisor present.

6. Each club or activity is to choose its own Faculty Advisor subject to the consent of the faculty member concerned and the approval of the Committee on Student Activities and of the President of the College. The Faculty Advisor is not to be responsible for planning the program of the activity since his relationship is only advisory.

7. Each activity is to have a Secretary, whose duty it shall be to record and report its membership and program to the Office of the Dean of Women.

Fraternity and Club Initiations

1. Any public initiation program is to be submitted in writing for approval to the sponsor of the organization and to the Dean of Men or Dean of Women at least one week before the initiation is to begin.

2. There shall be no interruption of study hours by initiation activities. Absolutely no initiation activities shall take place in the dormitories during quiet hours. Any actions during school hours that attract undue attention are undesirable.

3. No initiation activities shall take place in the dining hall unless express approval of the Director of Food Service and the Deans of Men and Women has been obtained.

4. The initiation program shall include no activities on campus which disturb the public in general.

5. Utmost care should be exercised to avoid bodily injury, impairment of health, personal indignity, or damage to property. Violators will be subject to penalties by the Interfraternity Grievance Committee after proper review of the situation.

6. The women's dormitories and their vicinity are strictly out of bounds for men's initiation activities. However, orderly serenading

is permitted between 10:30 and 11:00 p.m. It is recommended that the pledge master of the fraternity or club call the Dean of Women to ask permission before serenading.

7. No initiation activities shall take place at a distance greater than twenty miles from the college.

College Union

The College Union provides a snack bar and recreational facilities for the entire student body and faculty. A College Union Committee acts as a regulatory body.

Extensive renovation has been done to the building for this year. New equipment and new sales items have been added; the College Union also has a luncheon counter.

Campus Parking Regulations

Due to limited parking facilities and increased enrollment, **Freshmen and Sophomore resident students will not be permitted to have automobiles on the campus or in the community of Edinboro.**

The following regulations have been developed to control traffic and parking on the campus. These regulations apply alike to students, administrators, faculty, and noninstructional personnel.

I. College Parking Permits.

A. All college personnel who expect at any time to drive to the college, and who are eligible to park are required to purchase a sticker on Registration Day.

B. Failure to register on the days specified or failure to have the sticker properly displayed will result in loss of campus parking privileges.

C. The cost of the sticker is \$.15. Stickers will be issued in Normal Hall on Registration Day. Thereafter, they may be purchased in the office of the Dean of Men.

D. The only place where the sticker

may be attached to the windshield is directly behind the rear view mirror. This meets with State Police regulations.

1. Registration and stickers are not transferable.

2. The college may cancel car privileges if the parking regulations are evaded, or if the vehicle is used in a manner that is detrimental to students or to the college.

II. Parking Areas

A. All student parking on the campus shall be in the parking area east of the boiler house road.

B. All overnight and dead storage parking must be in the area of the parking lot specifically designated for such parking. This area is in the student parking lots east of the boiler house road.

C. Parking on borough streets is controlled by the borough. Observe carefully all posted regulations. Parking in driveways and in no-parking areas will normally result in a parking ticket and a fine.

III. "No Parking" areas for students and college employees

A. No parking shall be permitted at any time

1. In areas marked "visitors".

2. On the service drives to Reeder Hall, Student Union and other college buildings.

3. On any lawn area.

4. In the driveways of college owned houses.

5. No student living in any college dormitory or house is to park in any street immediately adjacent to the campus. These street locations for parking are reserved for commuting students or for village resi-

dents.

IV. Traffic Regulations

- A. The speed limit on the campus is 15 mph.
- B. The drive way from Music Hall to East Hall is a "one way" driveway. Enter only at Music Hall.

V. Enforcement

- A. Enforcement of all regulations will be as prompt as possible and impartial. This applies to all personnel.
- B. Penalties for Violation.
 1. Tickets will be issued for traffic violations.
 2. Failure to register - \$2.00.
 3. Illegible or mutilated sticker - \$2.00. Sticker may be replaced free of cost in the Dean of Men's office.
 4. First traffic violation - \$1.00.
 5. Second violation - \$2.00 and revocation of college parking privileges.
 6. Third offense - Suspension from college.
 7. Fines must be paid before student will be permitted to return to classes.
- C. All violations will become a part of the student's personnel record.

VI. Parking Fines

All fines collected will be turned over to the National Defense Education Act loan fund.

Daily Bulletin

To aid in the dissemination of general information of interest to all college students concerning college activities a Daily Bulletin is mimeographed and distributed throughout the college.

Items which are to appear in the Bulletin should be prepared in written form, signed by the writer, and presented not later than 1:00 p.m. of the day prior to the date they are to

appear. These notices may be deposited in the "Daily Bulletin" receptacle provided for them in the President's Office in Normal Hall.

Scheduling Social Activities

To avoid conflict it has been necessary to have one central office where all social events can be scheduled. This scheduling is done in the office of the Secretary to the College President where forms can be obtained. Requests must be submitted to the President's secretary at least two weeks prior to the date requested for the social event.

No social event in which women are involved may be scheduled until all the necessary requirements for chaperones, hours, etc. have been met and the approval of the Dean of Women has been given. Before advertising any evening activity, it is necessary to have the activity recorded on the Social Calendar.

The scheduling Committee seeks to maintain a well-balanced and satisfactory social program. Permission for scheduling an event may be denied when the general Social Calendar or the Calendar for a particular organization seems over-crowded, or when the maintenance of high academic standards in the college would seem to discourage the activity in question.

Approval of rooms for meeting and activity purposes is administered through the Dean of Instruction's Office.

The fact that an event is scheduled in the calendar of this handbook does not excuse the event from the scheduling procedure outlined here.

Also included on the council are a president, fire captain, and treasurer from each dorm and campus house, and a president and treasurer representing off-campus women. A woman student is not permitted to leave for home after an evening college function of any kind except by special written permission from her parents, which must be in the Dean of Women's office two days before the event.

SECTION SIX DORMITORY MAINTENANCE PROBLEMS

1. Rooms

Assignment to rooms is made by the Dean of Women or her agent. Keys are procured from the office of the Bursar. Rooms must be kept clean and ready for inspection at all times. Tacks, scotch tape or nails in walls are not permitted. The electric wiring is not the type for heating appliances; therefore, electric irons

and hot plates are not permitted.

2. Smoking

Fire regulations and the protection of life and property require that students do not smoke in their rooms or elsewhere in the college buildings except where special provisions are made by the college. Failure to comply with this regulation may cause suspension or dismissal from the college.

3. Absence from Campus

Before leaving her residence hall after 6 p.m., a student is required to register her name, destination, escort, time leaving, and expected time of return on the forms provided at the desks in her campus residence, and, upon returning, the time of her return. This should also be done if a student is leaving the borough of Edinboro at any time during the day.

4. Quiet Hours

Evening quiet hours are desirable and arranged by house action. Night quiet hours are from 7:00 p.m. to 7:00 a.m. Pianos must not be played during these hours. Radios and record players may be played at any time, provided that they are tuned so they cannot be heard outside the room.

5. Callers and Guests

(a) Guests for overnight or for the dining room should be introduced upon arrival to the Dean of Women. Students may have overnight guests in the dormitory only over weekends, except in very special cases if space is available. Overnight guests must register on cards provided by the Dean of Women. Charge for overnight lodging is one dollar per person. Arrangements for linen must be made before the guest arrives.

It is understood that guests will follow the regulations governing their hostess and that the responsibility for acquainting guests with these regulations rests with the hostess.

(b) Fathers and other masculine guests of women students must be entertained in the dormitory lobby unless by special permission they accompany a woman student to her room.

This does not apply to the first day of the college year.

(c) The residence hall is closed to guests at 10:00 p.m. daily, 11:00 p.m. Friday, and 12:30 a.m. Saturday.

(d) On the evening of all-college functions such as lectures, games, movies, etc., which last beyond the hours listed in I-A, all students must report in not later than one-half hour after the close of the function.

6. The Recreation Rooms

These rooms are located in the basements of the women's dormitories and provide women students with facilities for social and recreational activities.

7. Off-campus Regulations

All students living outside the dormitories must have the approval of the President for such residence unless they are living in their own homes.

The Housing Committee has a list of the residences which have been officially designated as Approved Houses. Permission to live in these homes is not automatically granted. However, as in the case of any other off-campus arrangement, individual arrangements are only temporary until the application blanks are received, approved, and filed by the Housing Committee.

Women students living in Edinboro in homes other than their own are expected to follow, in general, the rules applying to residents on campus. Permission ordinarily granted by the Council of the Association of Women Students may be granted by the land lady.

8. Drinking

No alcoholic beverages may be brought on the campus. Persons who violate this regulation are subject to the severest disciplinary measure.

Any woman who returns to the campus under the influence of liquor will be summarily suspended.

Regulations for Men Students

Men's regulations are controlled by the

Men's Council, the Dean of Men, and the President of the College. The Council consists of three representatives from Centennial Hall, three from the off-campus men, and three from the men commuters.

It is primarily insisted that all men conduct themselves as gentlemen and in keeping with the accepted standards of good taste.

1. Men are expected to dress appropriately for all occasions. Even for the most informal and casual occasions, clothing shall be clean and neat.
 - (a) Jeans, levis, sweat shirts and T-shirts are not considered appropriate for the dining room, and men so attired will be refused admission.
 - (b) For the evening meal each man will wear a white shirt and tie, with sport coat and slacks, or a suit.
 - (c) Students visiting the Campus School should dress as future teachers. Men will, therefore, wear suits and ties.
2. All men are expected to be cooperative in respect to the women's regulations. They are requested not to visit in women's dormitories before 3 p.m. Women's male guests are expected to be suitably dressed.
3. After 10:00 p.m. the vicinity of the seven women's residences on Meadville Street is strictly out of bounds for men students. Men who are escorting residents of these houses may accompany the young lady to the door of the house after this hour, but must then leave immediately.
4. **No alcoholic beverages may be brought on the campus.** Persons who violate this regulation are subject to the severest disciplinary measures.
5. **Any man who returns to the campus under the influence of liquor will be summarily suspended.**
6. Any man who conducts himself in public,

on or off the campus, in a way that reflects poorly on the college is subject to disciplinary action.

7. Dormitory evening quiet hours are from 8:00 to 11:00 p.m. Night quiet hours are from 11:00 p.m. to 7:00 a.m. On Saturdays, however, quiet hours begin at midnight and extend to 9:00 a.m. Sunday. During quiet hours men are expected to enter and leave the building making the least noise possible. **Dormitory proctors will see that this rule is enforced.**
8. No musical instruments are to be played in the dormitories at any time. Radios, phonographs and tape recorders may be played in the room provided room-mates do not object, but volume must be kept low enough to prevent the instrument from being heard outside the room. **Men who show lack of consideration for others in this respect may be prohibited by the head resident from playing their machines at all.**
9. Men may have overnight-guests providing facilities are available and the approval of the Dean of Men has been obtained. Guests must be registered. The transient lodging fee of one dollar will be collected.
10. All men are expected to cooperate in keeping halls and washrooms clean and in order. Paper and refuse are to be put in trash cans. After using a lavatory, every man is expected to wipe it out and leave it in the condition in which he would like to find it if he were the next to use it.
11. Each man is responsible for the tidiness of his own room. **Periodic inspections will be made and men found to be consistently negligent will be asked to move to off-campus quarters.**
12. Because of fire hazards, the use of electrical appliances other than dry-shavers and radios cannot be permitted in dormitory rooms. Special outlets for use of electric irons will be found in the basement of

Centennial Hall.

13. Men who smoke must provide themselves with metal or ceramic ash trays.
14. Food may not be kept in dormitory rooms unless stored in metal boxes. Keeping bottles on window sills is not permitted.
15. Every dormitory resident is expected to have a key to his room. **Rooms should be kept locked whenever residents are out.** Keys are to be obtained from the Office of the Bursar.
16. Any man having a grade of less than "C" in any subject will be expected to be in his room studying, Monday through Friday, during evening quiet hours.
17. The proctors assigned to Centennial Hall represent the Dean of Men, and all dormitory residents are expected to give them their cooperation.
18. A fire monitor on each floor of Centennial Hall will make sure that every man obeys the fire rules during a fire drill.

Regulations for Off-Campus Students

1. Students living off-campus are expected to abide by the same college regulations that apply to students living on campus. They have representatives in the Student Council who help advise and settle problems pertaining to the off-campus group.
2. A day-room is provided for off-campus students in the basement of Normal Hall. Here they may study, relax, and eat their lunches. The students using this room are expected to keep it free from litter and refrain from conduct that might prove disturbing to others.
3. Lockers for day students are available in the basement of Normal Hall.

4. Students rooming off-campus are expected to show consideration for and to cooperate with the people in whose homes they are guests. Particularly they should be as quiet as possible if they enter late or stay up after the other inmates of the house have retired. They should introduce no guests without the householder's express permission. They should be careful not to leave lights on, water running, doors or windows needlessly open. They should not turn on the householder's television or radio set unless invited to do so. They should not abuse telephone privileges and should be prompt in making payment for long distance calls. They should cooperate in keeping their rooms clean and in order. They should not expect kitchen privileges.

5. All women who are not living in the dormitories may study or relax in the students' day-room, located in the basement of Normal Hall, whenever they do not have a class during the day. This room is open daily from 7:30 a.m. to 6:00 p.m. and Saturdays from 7:30 a.m. to 12:00 noon.

The parlors of Haven Hall are open to all women students. Also available for use is the Social Room in the basement of Haven Hall, which is open during the regular dormitory hours.

Dormitory Fire Regulations

Fire drills are held at least once a month. All students must participate, and greatest care must be taken to see that everyone follows orders implicitly. The object is to get all girls out of the hall safely. Speed is imperative. Silence is necessary.

FIRE DRILL PROCEDURE:

- I. When fire alarm rings:
 1. Close the windows.

2. Turn on the lights.
 3. Put on a long heavy coat.
 4. Put on shoes.
 5. Have a towel in one hand.
 6. Stand outside closed door or room until captain gives signal to start.
- II. When Captain gives signal to start, observe the following rules:
1. Walk down corridor on own side to the nearest fire escape or exit (as ordered by fire captain).
 2. Residents of each floor will wait until residents of floors above have vacated. This prevents congestion on the stairway.
- III. Miscellaneous:
1. Fire escapes are to be used only for fire drills or in case of actual fire.
 2. No clothing other than that specified must be put on or taken from room.
 3. If leaving for the night, students must notify the floor captain.
 4. The fire chief or college official will sound the alarm for fire drills. In case of a real fire, the person nearest the alarm box should give the signal.

Vice President Claudia Ligons
Secretary Gretchen Vebing
Women's Athletic Association of College

Women. It is a recreational program, governed by a student council which plans its activities carefully for the complete development and enjoyment of each woman.

The Women's Athletic Association is a member of the Athletic and Recreation Feder-student.

Every woman student, upon entering college is elected to membership automatically. Throughout the year there is a regular intramural competition between teams set up by W.A.A.

Fall sports this year are going to include a "Play Day", sponsored by the Edinboro W.A.A. in which visiting schools will participate in a day of fun and enjoyment in their mutual interest of sports. Other activities include soccer, tennis and hiking, skiing, skating, basketball, swimming, life saving, badminton, ping-pong, bowling, modern dance, archery, golf and softball.

The W.A.A. also sponsors the Pom Pom Drill Team which performs marching routines during the halftime of home basketball games.

The program of the Association is based on a point system. Awards are presented at the Recognition Day ceremonies in May.

Activities: Tuesday and Thursday, 3:30 - 5:00 p.m. Wednesday, 7:00 - 9:00 p.m.

Advisers Mr. Arthur McComb.
Mr. Loyal Park, Mr. Jim Hazlett,
and Mr. Ronald McIntyre

The men's intercollegiate athletic program includes intercollegiate competition in wrestling, football, basketball, golf, track and tennis.

Intramural Sports

The college has expanded the intramural program so that every student will have the opportunity of participating in his favorite sport. Besides the above mentioned sports, the college is equipped for badminton, ping-pong, volleyball, softball, and many others.

Eligibility Rules

Edinboro is a member of the Pennsylvania State College Athletic Conference. Eligibility interest of sports. Other activities include soccer, tennis and hiking, skiing, skating, basket in a day of fun and enjoyment in their mutual rules are regulated by action of the Board of Presidents of the Pennsylvania State Colleges. The following rules were passed May 18, 1948, and revised March 26, 1956.

- A. Responsibility. The President of each College shall be responsible for its athletic program. He or his authorized representative shall accompany any team which represents the college in any athletic contest.
- B. Certified Eligibility Lists. At least four days before every official game, eligibility lists, certified by the President of the competing colleges, shall be exchanged on forms provided by the conference secretary.
- C. Eligibility.
 1. A student shall not be allowed more than four years of inter-collegiate competition.
 2. A student must complete his intercollegiate competition within a five-year period from the date of first matriculation at any college. This restriction may be waived in the case of a veteran or draftee. The year or years during which a student may have represented any college as a service trainee in intercollegiate athletics competition

shall not count in his total years of eligibility.

Interpretation: In determining years of competition in all cases, the following program applies: Participation, however brief, in any intercollegiate athletic competition in any college or junior college will cause that year to count as one of the allotted years of competition.

3. Academic Attainment

- a. A student to be eligible must carry at least twelve semester hours of credit courses.
- b. A student to be eligible must have secured passing grades in at least twelve semester hours of work during his preceding semester. A student having failed to pass twelve semester hours in any semester may become eligible by attending summer sessions and securing a passing grade in twelve semester hours of credit.

4. No transfer student shall be eligible for intercollegiate athletic competition in varsity sports until he has completed satisfactorily a full year's or two semesters' work at his college.

Interpretations:

- a. Attendance at summer sessions shall not be regarded as meeting the requirements of a semesters' residence.
- b. The student who trains at a training camp with a college before the football season opens but who does not matriculate at the college is eligible to enter a state college and play that season. Matriculation means payment of fees, completion of registration forms and attendance at one class.
- c. A student transferring from a regu-

larly accredited junior college shall not be affected by this rule.

5. Amateur Rule. A student competing in intercollegiate athletics shall be an amateur in good standing. An amateur sportsman is one who engages in sports for the physical, mental, or social benefit he derives therefrom, and to whom the sport is an avocation. A student ceases to be an amateur and is therefore ineligible to participate in intercollegiate competition by the commission of any of the following acts:
 - a. Participation in any athletic competition under an assumed name, or otherwise with intent to deceive.
 - b. Directly or indirectly receiving money or remuneration for participation in any competition as a player or for coaching any sport.
 - c. Directly or indirectly receiving money for signing a contract with a professional team in any sport.
 - d. Signing a contract with a professional team in any sport, regardless of any subsequent cancellation or revocation, absence of payment, or lack of training with the team.
6. A student who is a squad member on the date of the first regularly scheduled contest and who engages in any athletic contest during a time the college is in session not arranged or sanctioned by his college shall not be eligible to represent his college in that sport during that semester, and he shall also be ineligible for the ensuing season in the sport in which he participated in an unauthorized contest. This includes Thanksgiving vacation and between semesters, but does not include Christmas vacation.

D. Varsity Completion. A state college varsity team may compete only with var-

sity teams of four-year degree granting colleges in regularly scheduled games.

Interpretations:

1. Regularly scheduled games are games for which contracts are signed and, or admission charged.
 2. Where scheduling difficulties are encountered, this rule may be waived by the Athletic Committee of the Board of Presidents.
- E. Playing and Practice Season.
1. Pre-season practice in football shall not begin prior to September first of each year or prior to three weeks before the first regularly scheduled game, whichever is earlier, and the regular playing schedule shall be limited to a maximum of ten games in a season, exclusive of post-season competition.
 2. Pre-season practice in basketball shall not begin prior to October 15; the first scheduled game shall not be played prior to December first, and the maximum number of regularly scheduled games shall not exceed twenty-six in a season, exclusive of post-season tournament contests.
 3. Organized post-season practice in football shall be limited to twenty sessions in a period of thirty-six calendar days, vacation and examination days excluded.
 4. Organized post-season practice in basketball shall be limited to twenty sessions in a period of thirty calendar days, vacation and examination days excluded.

Victory Song

On you old Red Raiders!
Beat those darned invaders
And march on to Victory.

Down the floor we'll thunder,
We'll put them asunder
And march on to Victory.

Dribble, dribble, dribble down the floor,
Onward, onward, piling up the score.
Sun will shine tomorrow,
For we've won — E. S. T. C.
