FOREWORD

This student handbook is prepared annually by the Student Council for the use of those who are unfamiliar with the ways of Edinboro. It is intended as a directory of information about the college. For Freshmen, it will become a valuable piece of college equipment; for the upperclassmen; it is an old friend.

My your years at Edinboro be happy and profitable.

PRESIDENT'S GREETINGS

In common with colleges throuth the United States, Edinboro opens the 1946-47 year with its capacity taxed by those seeking college education. You are one who will during the coming year live in Edinboro's traditional friendly atmosphere. This handbook will furnish you some valuable information to enable you to quickly fit into the picture if you are a freshman. If you are one of those who were with us before it will prove a source of information which will save time and effort.

For official information on topics not touched on, please refer to the college catalog.

Let us all work together to make this the best year in our long history.

L. H. Van Houten

HISTORY

Eighty-five years have gone by since Edinboro was first chartered as a State Normal School; eighty-five years of growth and service to the communities lying about her. The beginnings of the college were laid in 1857 when a band of hardy Scotch-Irish farmers grouped together and founded a private academy at Edinboro by popular subscription, but it was not until 1861 that it was chartered by the State as Pennsylvania's second Normal School.

A great forward stride was taken in 1914, when the Commonwealth of Pennsylvania purchased Edinboro Normal School and made it the property of the State. Twelve years later, realizing the need of the schools of Pennsylvania for better educated teachers, the Commonwealth made Edinboro a Teachers College by organizing a four-year curriculum leading to the degree of Bachelor of Science in Education.

Although designed primarily to serve the counties of Erie, Crawford, Mercer, Venango and Warren, Edinboro receives and welcomes students from every section of this state and from other states.

As a result of the recent building program at Edinboro there are four new buildings, gymnasium, training and demonstration school, power plant, and spacious auditorium. For these and the older buildings, the campus of thirty-

eight acres makes an appropriate setting. Haven Hall, the women's dormitory, was built during the administration of John F. Bigler. Reeder, the men's dormitory was built in 1907 and named in honor of one of the early donors of the school. Academy Hall, known recently as Music Hall, is the oldest building on the campus, being built about 1857. Normal Hall was built in 1857 and in 1891 was considerably enlarged. Today it contains the administrative offices, the library, several class rooms, and the old auditorium. Recitation Hall, built early in the history of the school, is uniquely constructed; it still provides recitation room space. The New Gymnasium, with its excellent athletic facilities, now overshadows the old gymnasium, which is out-dated. Loveland Hall is named for the late Mr. Frank Loveland of Corry, who for many years was a trustee of the College; this building was built in 1930 and houses the Art and Science departments.

We are rightly proud of our campus because of its attractiveness, its accommodations and its traditions. We hope this pride will ever continue to be shared by all incoming students.

CONTROL OF THE COLLEGE

The control of the College is vested in the Board of Trustees, composed of nine members with John K. Earp, as President, and Will P. Rose as Vice-President. The Governor of the Commonwealth, the State Superintendent of Public Instruction, and the President of the College are ex-officio members.

INFIRMARY

The College Nurse lives in a room adjoining the Infirmary which is located on the third floor of Haven Hall. Doctor Harold Ghering, the College Physician, is at the infirmary between 11:00 A. M. and 12:00 Noon.

While the Nurse can be found at the Infirmary at practically any time, students are asked to respect the following office hours:

7:30 A. M. to 9:00 A. M.
11:00 A. M. to 12:00 Noon
4:00 P. M. to 5:30 P. M.
6:30 P. M. to 7:00 P. M.

IN CASE OF EMERGENCY, students may call Doctor Ghering at the Clinic, Edinboro 2181 or at his home, Edinboro 2174.

ILLNESS IN ROOM

The illness of any student in his room must be reported immediately to the College Nurse. She or the physician will visit him and prescribe treatment. The student will be moved to the Infirmary if necessary.

Off-Campus and day students also have the services of the physician and nurse.

REQUESTS FOR TRAYS

Requests for trays for students ill in their rooms must be made to the Nurse before the following hours:

For breakfast 7:00 A. M.
For luncheon 11:30 A. M.
For dinner 5:30 P. M.

THE LIBRARY

The entering student at Edinboro State Teachers College soon discovers the educational and recreational facilities available in our College Library. Some twenty-two thousand volumes offer a wide range for reference and study. A generous fiction section and 156 magazines and periodicals give the student an opportunity to fill leisure hours with enjoyable reading.

Our library has the distinction of being one of the few in the state which employs open shelves for all books, thus allowing all students easy access to the volumes. Of course, this system must be carefully supervised and consequently certain rules must be carefully observed.

1. Students will register on entering the library and again on leaving, at which time they will show books charged for use outside the library.

2. All books which have been definitely assigned to classes are placed on shelves directly behind the desk and are known as the Reserve Books. Such books may be withdrawn at 5:00 P. M., and returned at 7:00 P. M., or taken at 8:00 P. M. and returned before 9:00 A. M. the following morning. Failure to observe these rules results in a fine of ten cents per day.

3. All books except those on reserve may be withdrawn for two weeks; a fine of two

cents a day will be charged for books kept overtime.

4. Magazines may be withdrawn from the Library subject to the same rules as Reserve Books.

5. No student will be issued grades or credits until all Library obligations have been settled.

6. No books may be removed from the Library except by proper charging at the desk by the Librarian in charge. Anyone taking books from the Library improperly charged will be subject to a fine of \$5.00 for each book and suspension from all College activities until such fines are paid. Clipping and marking books is always prohibited. Clipping may be done from pamphlets and magazines only with permission from the Librarian.

The library is located on the second floor of Normal Hall and throughout the year will observe the following hours:

Monday through Friday

8:00 A. M. - 5:30 P. M.

7:00 P. M. - 8:00 P. M.

Saturday

8:00 A. M. - Noon

1:00 P. M. - 4:00 P. M.

ACADEMIC STANDARDS

Grading System

Standings indicating the quality of work are:

"A"—grade given to students whose quality of work is clearly of an exceptional nature.

"B"—grade given to students who do distinctly superior work.

"C"—grade representing work of good quality.

"D"—grade indicating unsatisfactory work.

"F"—grade indicating failure. Any course in which an "F" grade has been earned must be repeated.

"X"—not a grade, but a mark indicating that the student for some justifiable cause has not been able to complete the required work within the time limit.

The Dean's List

Twice a year, there is published The Dean's List, a list of students who have made a grade of "B" or better in every course taken during the previous semester.

Classes

The following number of credits are necessary to become a member of each class:

Sophomore—32
Junior—64
Senior—96
Graduate—128

REGISTRATION

Students are reminded to register and pay fees on the assigned dates. If this is not possible, permission must be obtained from the President of the College in advance to avoid payment of the penalty fee.

Dates of registration and payment of fees may be found in the Calendar on page 53.

ABSENCE AND TARDINESS

Students should be familiar with the method of securing excuses for absences from class. The burden of responsibility for absence and tardiness rests at all times with the individual student involved. He must take the initiative in planning for making up work after an absence. The following procedure should be understood and followed carefully:

1. Report illness promptly to the College Nurse or the College Physician and secure a proper statement.
2. Present the medical statement to the Dean of Men or Dean of Women and ask for an excuse.

3. In case of an absence for cause other than illness, report directly to your Dean to request an excuse.
4. Present the Dean's excuse to your instructors immediately upon returning to class.
5. Make arrangements for makeup work.

If the unexcused absences for any student amount to one more than the number of clock hours for which a particular course meets, the student shall be dropped from the class and an "F" recorded for that subject. For example, if the number of unexcused absences for a three clock hour course reaches four; a two clock hour, one-credit course three; a one-clock hour course two; a student is dropped from the course. Students who are absent from courses which have designated lecture and laboratory periods, will be dropped when the unexcused absences total one more than the designated periods for either laboratory or lecture. If a student has an unexcused absence from a class which meets two or more successive periods, he shall be considered as having as many absences as that class has periods per session. For example if a two-credit course meets for two successive periods on Saturday morning, absence for that session will constitute two unexcused absences. If a student is absent from a laboratory period, he will be considered as having one absence. Unexcused absences immediately before and after vacations count double.

If excuse is not presented to the Dean of Men or Dean of Women within seven days after the absence, it will be considered unexcused.

ASSEMBLY

Each Wednesday morning, the entire student body meets in the auditorium for a period of worship and entertainment. The programs are varied and consist of lectures by prominent citizens, musical recitals, plays, skits, movies, and important announcements. A committee of students meet with the faculty sponsors to plan the program.

Every student at Edinboro is required to attend. An assembly seating list shall be prepared with seats assigned and attendance shall be checked. The list of absentees shall be lodged in the office of the Dean of Instruction. Each unexcused absence automatically lowers by one point the total accumulation of quality points which the student has earned toward graduation.

STUDENT GOVERNMENT

Student Council

The Student-Faculty Council considers and enacts much legislation in connection with campus problems. Probably its most important function is the budgeting of the Student-Activities Fund. The Council meets regularly and is always ready to listen to and discuss any new proposal for college progress.

Its members are elected by the student body and faculty and serve for a year's term. Membership in this group should be considered a very high honor.

CONSTITUTION

ARTICLE I

Name

The name of this organization shall be the Student-Faculty Co-operative Government of the Edinboro State Teachers College.

ARTICLE II

Purpose

While appreciating deeply the province and functions of the Trustees, College President, Dean of Instruction, the Dean of Women, Bur-sar and other officials and faculty committees and members organized chiefly for administering the business and instruction of the college, we, the students, the faculty, and the President of the College, feel that there still remains unoccupied a large promising field for co-operative service. Accordingly, we do hereby declare that the purpose of the Co-operative Government is to take over increasingly the responsibility for organizing and directing purely student affairs, to co-operate with the proper college authorities in matters of student welfare, and to seek constantly to make the college a better agency for developing effective citizens and teachers.

ARTICLE III

Membership

The membership of this Co-operative Government shall consist of all students, all the faculty and the President of the College.

ARTICLE IV

General Organization

Section 1. The functions of this Co-operative Government shall be distributed as follows: (a) legislative functions in relation to all student and student-faculty agencies now existing and to be organized, are vested in a Council, and (b) executive functions, including the veto of any measure passed by the Council, are vested in the President of the College.

Section 2. The existing student-faculty agencies and student organizations with faculty sponsors are to continue in their present form and to function as at present until such time as they may be modified either by vote of the Council and approved by the College President or by direction of the College President.

ARTICLE V

Membership, Election, Officers of the Council

Section 1. The Student-Faculty Council shall be composed of eleven members, eight of whom—four men and four women—shall be students elected by the several classes; two members of the faculty—a man and a woman—elected

by the faculty; and one member of the faculty appointed by the President of the College.

Section 2. Two students, one man and one woman, shall be elected by each class in February, 1942, the woman to serve for one semester and the man for two semesters. Thereafter each class will elect annually a Woman in October, and a man in February, the man and woman each to serve two semesters. In October the Freshman Class will also elect annually a man to represent them for one semester. In February, 1947, there shall be chosen the two faculty representatives and the faculty member appointed by the President. Thereafter the faculty members to the council shall be selected each October.

To be eligible for election to the Council, students should be outstanding in character and ability and have a college record of better than C average. The president of each class shall appoint a nominating committee of three which shall submit at least two nominations for each membership on the Council. From this group of nominations, with or without additional nominations that may be made from the floor, the class shall elect by ballot its two representatives to the Council. After its organization the Council, with the approval of the student body, may adopt any other feasible method of selecting the student representatives to the Council.

Section 3. Any student vacancy on the Council shall be filled for the balance of their

term at a special election conducted in the same manner as herein prescribed for the regular election. Any faculty vacancy shall be filled in the same manner as prescribed for the regular election or appointment. Nothing in this Constitution shall prevent the election of any student doing practice teaching in Erie, or shall prevent any student from succeeding himself or herself.

Section 4. The officers of the Council shall be a chairman, vice-chairman and a secretary, to be chosen annually by the Council from its student members immediately after the new members have been elected. The Chairman shall be chosen from the Council members of the Senior class and the Vice-Chairman from the Council members of the Junior class.

ARTICLE VI

Duties of the Council

Section 1. To initiate, organize, and direct in co-operation with the faculty a social program for the entire student body.

Section 2. To integrate, improve, and supervise the organization and activities of all student and student-faculty agencies.

Section 3. To act upon submitted requests for the organization of any new student or student-faculty agency.

Section 4. To provide, as needed, co-operative standing committees such as the following: House Committee, Publicity Committee, Athletic Committee, etc. These committees may co-operate with purely faculty committees for the same purpose. These standing committees should have at least five members (student and faculty) and should be appointed by the Chairman of the Council from the student and faculty bodies with the approval of the Council.

Section 5. To co-operate with the College President, the Trustees, or some properly delegated authority in the assessment, collection, and control of any Student Activity Fee or other fee or dues that the students upon the recommendation of the Council may agree by majority vote to assess or pay to provide for activities, agencies and welfare not adequately supported by the State; provided that the said fees or dues are approved by the President of the College and the Board of Trustees, or other controlling agency.

Section 6. To hold regular meetings once each month, in addition to special meetings as needed when constructive suggestions or criticisms from students or faculty members shall be investigated and acted upon.

Section 7. To recommend to the faculty or the President of the College penalties for specific disciplinary cases which are not sufficiently serious to warrant possible expulsion or other severe punishment.

Section 8. To provide for at least one general student assembly every month for the purpose of interpreting the work of the Council and for transacting any business of general interest to the Student Body brought before it by the Council, the College President, or a representative of the students or the faculty. At such assembly meetings the chairman, or, in his absence the vice-chairman, of the Council shall preside; the secretary of the Council shall record the minutes.

ARTICLE VII

Powers of the President of the College

Because of the nature of the office of President of the College and his responsibilities to the Board of Trustees, the State Superintendent of Public Instruction, the State Council of Education, and the Governor, the President is an ex-officio member of all committees and to him is reserved the duty and right of final approval of all acts, rules and regulations that may be devised or offered.

ARTICLE VIII

Finances

Section 1. In order to co-ordinate and control the funds of the several student-faculty activities and organizations either now existing or that may be created, all funds belonging to, or collected by the several organizations, shall, when requested by the Council, be deposited

in and disbursed through a General Control Fund of which the President of the College and the Bursar or other faculty member or members may be custodians.

Section 2. The Bursar or any delegated member of the faculty of the College, may, upon request of the Council, subject to the approval of the President of the College, keep individual and separate accounts of the several funds and credits of each organization included within the General Control Fund as provided for in Article VIII Section 1. Disbursements shall be made upon duly authorized requisitions of each organization.

Section 3. There shall be an annual audit of the General Control Fund made by an auditing committee of three, one representing the student body, one the faculty, and one the President of the College. This audit shall be published or posted at the beginning of each college year.

ARTICLE IX

Ratification and Amendments

Section 1. This Constitution shall go into effect as soon as ratified by the approval of the President of the College and by a two-thirds vote of the faculty and student body present when such vote is taken.

Section 2. This Constitution may be amended or revised by a majority vote of the entire

student body and the faculty, provided that said amendment or revision first be submitted in writing to the Council and the President of the College, approved by them, and then posted for two weeks.

3. Telephone

All residents of Haven Hall must become familiar with the campus telephone system and be ready, willing and able to answer the Haven Hall desk phone at all times.

7. Off-Campus Regulations

All students living outside the dormitories must have the approval of the President, unless such students are living in their own homes.

The Housing Committee has a list of the residences which have been officially designated as Approved Houses. Permission to live in these houses is not automatically granted, however. As in the case of any other off-campus arrangement, individual arrangements are only temporary until the application blanks are received, approved, and filed by the Housing Committee.

To prevent unnecessary and inadvisable changes in residence, students are not permitted to move during the course of a single semester without the action of the Housing Committee.

Students living in Off-Campus homes will regard the hours, week-ends, special permissions, etc., as are required of students living in the dormitories. Information concerning such matters and their related problems is always available in the office of the Dean of Women.

REGULATIONS FOR MEN STUDENTS

Men's regulations are controlled by the Reeder Hall House Council, and the Dean of Men. The House Council is elected by the men students, and consists of one representative of each class.

Their main insistences are that your behavior be temperate, that no intoxicating drinks be brought into Reeder Hall, and that you entertain women guests on the first floor only.

TIPS TO FRESHMEN

We want you to come here all set for the happiest four years of your life. It's a new adventure, and you'll want to make the best of every opportunity.

You'll want to make a good appearance from the beginning. So brush up on your manners, know how to make conversation, how to conduct yourself at the table, and practice it!

Elaborateness doesn't mean a thing. Be neat and clean above all. As for clothes, you'll need tailored sportswear, something dressy for special occasions, and you girls will need a formal or two for dances, etc.

Social life is by no means all there is to College. You'll want to start from the beginning to do your best scholastically. It may be difficult for you, but you can do it! Later you will be wanting to join a sorority or fraternity,

and the marks you get now will be a determining factor as to whether you will get a bid.

There are many activities you can enter. But it's up to you to go out for them, to work and to let yourself be known. Ask someone how to get into those things in which you are interested. But don't try to do too much. Keep a well-rounded program and budget your time.

Because of the crowded living conditions, you will be continually getting your personal property mixed with someone else, so mark all of your property and you save a lot of confusion.

Each year's program is outlined with the basic purpose of creating interest, satisfying all types of individuals and filling out the spiritual side of our College life.

The Big and Little Sister Tea in September initiates the program and forms a bond of fellowship between freshmen and upperclassmen. This is followed in October by a Candlelight Service.

Students and outside speakers bring new and varied inspirations to the regular meetings every two weeks. Occasionally there are joint meetings with the Y. M. C. A. Teas, parties, and picnics add social interest and complete a well-rounded program.

ORGANIZATIONS

EXTRA-CURRICULAR PROGRAM

Every person who graduates from Edinboro and becomes a teacher will be expected to assume leadership in community life and school activities. In a large percentage of cases the teacher will be expected to sponsor clubs and other student groups. Therefore, it is very important that every student in college become accustomed to certain activities and familiar with the techniques of discussion, parliamentary law, record keeping, and the general promotion of student activities. Even if a teacher never becomes a club sponsor the educational value of participation in these activities in college is perhaps as great as that of some courses of study. It is therefore, the policy of the College that each student shall each semester be a member of some club or other activity aside from athletics.

In the College year 1946-1947, the following plan of extra-curricular activities will be in effect:

1. At the beginning of the semester each student will be given the opportunity of stating a preference for any club or activity in which he is interested.
2. A club or activity may be set up on petition of not fewer than fifteen students with the approval of the Committee on Student Activities.

3. All organizations will provide for regular meetings.

There will be the widest liberty consistent with good educational practice in the selection of clubs. Each student should be a member of some activity in which he has a native and a vital interest.

Early in the semester, after sufficient time for the organization of activities, there will be a check-up by the Committee on Student Activities of all student choices. Lists of those who are late in joining activities will be furnished by the Dean of Men, the Dean of Women, and the Dean of Instruction.

Each club or activity is to choose its own Faculty Advisor subject to the consent of the faculty member concerned and the approval of the Committee on Student Activities. No one shall be expected to serve as Faculty Advisor for more than one activity. The Faculty Advisor is not to be responsible for planning the program of the activity, since his relationship is only advisory.

Each activity is to have a Secretary, whose duty it shall be to record and report membership and program as follows:

- (a) A membership report to be turned over to the Chairman of the Committee on Student Activities early each semester.

- (b) Participation report of each individual member, of the office holders, attendance at meetings, and contribution to the program; this report to go to the Dean of Instruction at the end of the semester.

- (c) A monthly report of the activities of the club to be given the Chairman of the Committee on Student Activities.

Blanks for all these reports may be secured from the office of the Dean of Instruction.

SCHEDULING SOCIAL ACTIVITIES

To avoid conflict it has been necessary to have one central office where all social events can be scheduled. This scheduling duty has been delegated to the Dean of Women. Before advertising any evening activity it is necessary to have the activity recorded on the Social Calendar in the office of the Dean of Women.

The Dean of Women, acting in this scheduling capacity, represents the College Social Committee and under its instruction, seeks to maintain a well-balanced and satisfactory social program. Permission for scheduling an event may be denied when the general Social Calendar, or the Calendar for a particular organization seems overcrowded, or when the maintenance of high academic standards in the college would seem to discourage the activity in question.

No social activities are scheduled on evenings other than Friday or Saturday, except for games and lyceum entertainments.

The Spectator

The Spectator is the college newspaper, written by the students and approved by faculty advisors. The publication is issued every two weeks as a recording of campus personalities and activities. The dormitories, clubs, and fraternities have individual columns which keep the student body informed of their activities.

The Spectator is also a medium through which the College activities of Edinboro may be shared with all students of Western Pennsylvania.

The Conneautteean

The Conneautteean is the college yearbook. Many wonder and most never find out that our yearbook takes its name from the Lake Conneauttee now known as Edinboro Lake. Conneauttee is an old Indian name meaning "Snowplace". In our college it is the publication of the Junior Class in which the whole college plays an active part.

Each student receives a copy of the Conneautteean as a result of his payments into the student activity fund.

The staff is guided by the steady hand of a faculty member, but the book is definitely a student enterprise.

The Edinboro Players

All students who are interested in any phase of work in amateur dramatics are welcomed to the meetings of the Edinboro Players. Several plays will be presented during the year; "walking rehearsals" will be given at the regular club meetings. Tryouts for membership are held at the beginnings of each semester. The club members hope that a large group of students will join with the players for the pleasure of creating characterizations that will live in the memories of all of us.

The ScaRAB Club

The ScaRAB Club is the Art Department and the Art Department is the ScaRAB Club. All art students are members of the Club from the date of their enrollment in the art course. All faculty members of the Art Department and such other faculty as may desire to join are members of the club.

The Women's Ensemble

Under the direction of Mrs. Earl Campbell, the Women's Ensemble is composed of women who are interested in raising the standards of music on the campus. The repertoire of the ensemble includes many numbers, both religious and secular. These are presented each year at several performances, including the Christmas concert, spring musical, and concerts given outside the College. Final performances of each year are at the College's Baccalaureate and Commencement services.

The Camera Club

Arrangements are being made for those interested in photography to develop and print their own pictures. Regular meetings are held to discuss the techniques of taking and developing snapshots. If you have already done some of this work, it is an opportunity to continue; if you are a beginner, it is an opportunity to acquire an interesting hobby.

Alpha Delta

Iota Chapter of Alpha Delta Sorority is one of the seven chapters in the State Teachers Colleges of Pennsylvania and New York. It is a social sorority emphasizing educational standards, personality, and exceptional qualities of leadership. Members are selected by the current membership of women students who meet these requirements and whose scholastic records contain no D's or F's.

Phi Sigma Pi Fraternity

Upsilon Chapter of Phi Sigma Pi, national professional educational fraternity, is the twentieth unit of a national organization that has over twenty-five hundred members in the teacher-training institutions of nine states. This fraternity, emphasizing the professional development of teachers for the public schools, promotes among its brothers the spirit of scholarship, brotherhood and loyalty to the College. New members are chosen by current membership on the basis of scholastic standing, social aptitude, and ability to lead.

Kappa Delta Phi Fraternity

Kappa Delta Phi, one of the nation's leading professional and social fraternities, was formed when the Beta Xi fraternity received a national charter. Kappa Delta Phi was the first national fraternity at Edinboro State Teachers College. The members of this group are selected by the careful discretion and thought of current members in conformity with the College rules for rushing.

Delta Phi Delta

Membership in Delta Phi Delta, national professional and honorary art fraternity, is limited to those junior and senior art students who have maintained an average of "superior" in art subjects and "good" in academic work. The purpose of the fraternity is to further a genuine interest in art, to recognize scholarship, and to promote professional fellowship. Pledges are chosen by the members with the approval of the art faculty sponsors.

Mu Kappa Gamma

Mu Kappa Gamma, the honorary music fraternity, takes into its membership those students who contribute in an outstanding way to the musical life of the college. Scholarship, leadership, musical ability, cooperation, length of service, and participation in one or more musical organizations are points upon which membership is based.

Alpha Psi Omega

A chapter of the largest national honorary dramatic fraternity is maintained at Edinboro under the title of The Gamma Kappa Cast. Because the requirements for initiation are very high, an average of only five students are accepted each year. Membership in the Edinboro Players is the first pre-requisite for consideration for the honor. Each "neophyte" in the organization has excelled in at least one phase of Dramatic Art or has earned fifty points in the fields of acting, directing and backstage work.

Girls Off-Campus Organization

The Off-Campus Organization consists of all girls who commute, live at home, or board in private homes.

The group meets twice a month, and enjoys such functions as parties, sings, and weiner roasts, as well as a few informal talks and discussions on problems of social refinement. The primary function of the group is to promote social activity for the off-campus girls.

Each semester an off-campus council is elected with the Dean of Women as the advisor.

ATHLETICS

MEN'S ATHLETICS

The men's intercollegiate athletic program, after a brief wartime vacation, was revived last spring with the formation of basketball

and golf teams. By this fall we hope to have the program back in its normal stride. Plans are being made for intercollegiate competition in football, swimming, basketball, golf and other sports.

INTRAMURAL SPORTS

The college is also planning an expanded intramural program so that every student will have the opportunity of participating in his favorite sport. Besides the above mentioned sports, the college is equipped for tennis, wrestling, badminton, pingpong, volleyball, softball, and many others.

W. A. A.

The Women's Athletic Association is a member of the Athletic Federation of College Women. It also is a member of the United States Field Hockey Association. The type of recreation is carefully chosen for the complete development of each student.

Every woman student, upon entering college is elected to membership in either the Phis or the Deltas, who make up the national health recreational sorority Phi Delta Lambda. Throughout the year there is regular intramural competition between these two groups.

Our fall sports outdoors consist of horseback riding, field hockey, tennis and hiking; winter sports: skiing, skating, basketball, swimming, life saving, badminton, and bowling; spring

sports outdoors: archery, tennis, golf, hiking, speedball and horseback riding.

The W. A. A. is governed by a student council which meets every week to plan and guide all activities. The Association is based on a point system. Awards are presented at the end of fall, winter and spring sports.

Every old member will be most anxious to welcome new students to the Phis and the Deltas.

The "E" Club

The aim and purpose of the "E" Club, made up of the athletes who have won a varsity E in intercollegiate competition, is to maintain a high standard of athletics at Edinboro. It functions chiefly, therefore, in connection with athletic events.

Other important events of the year for this club are: the original "E" Club minstrels, the "E" Club dance, the annual intramural basketball games, and the annual athletic banquet. This club presents sweaters to all men earning varsity letters, special awards to outstanding athletes.

The college presents a certificate of membership which is honored as a life-time pass to all athletic events at the college.

SONGS AND CHEERS

Alma Mater

Aloha

Hail to thee, our Alma Mater glorious,
Fresh wreaths we bring to bind thy brow;
Trials past thou has withstood victorious
Never fairer, never statelier than now.
O Edinboro, Edinboro,
We revere thee, love thee, serve thee ever,
While class speeds class
As swift years pass,
To thee our hearts are true.

Winds That Sweep the Campus

Winds that sweep the campus.
Winds that stir the tree,
Sweep around her towers
Standing calm and still
Through the winter's darkness,
Through the summer shine,
Bear her our blessings
Through glad good will.

Dear Home of College Days

(Old Refrain)

Dear home of college days so great and free,
Thy sons and daughters will be true to thee.
Thy love we'll cherish and thy fame declare,
Loyal to thee, and to thy name so fair.

Chorus

So raise your voices all, and honor give,
Her fame and glory, may they ever live.
Through joy and sorrow as the years go by,
And with a constancy that cannot die.

Pep Song

Edinboro College, we will sing to you
We'll defend your standards
In whate'er we do.
"Hail, hail, the gang's all here."
Round thy colors bright
We'll stick together for the
Crimson and white.

Hand Me Down My Bonnet

Hand me down my bonnet,
Hand me down my shawl,
Hand me down my calico dress,
I'm going to the Calico Ball.
First she gave me honey,
Then she gave me cake,
And then she gave me gingerbread
For kissing her at the gate.
O — — as we go marching,
And the band begins to play
You can hear the people shouting
"Edinboro College wins today".

Victory Song

On you old Red Raiders,
Beat those darned invaders
And march on to Victory.
Down the floor we'll thunder;
We'll put them asunder
And march on to Victory.
Dribble, dribble, dribble down the floor,
Onward, onward piling up the score,
Sun will shine tomorrow;
For we've won E. S. T.—C.

The College offers no service for the purchasing of stamps; such matters should be handled by individual students at the local post office. Lock boxes at the Edinboro postoffice, may be secured at the rate of \$.45 a quarter.

FIRE REGULATIONS

Fire drills are required by the laws of the Commonwealth. Signal for drills will not be announced and will be given always by some particular person designated for this duty. The first fire alarm is always a call to all persons to participate.

The following drill procedure should be observed:

1. When the alarm is given, close all windows to prevent draft.
2. Empty first floors and basements first.
3. Order: students to leave first, followed by faculty.
4. Keep to the right. Avoid running and rushing.

Responsibility for the observance of fire drills and other fire regulations falls to all persons—students, faculty, and employees. Custodians of the various buildings will see that instructions are given to meet the particular needs in each building.

LAUNDRY

Students are permitted the use of tubs, ironing boards and electric irons in the basement of Haven Hall. The laundry is reserved for the use of men on Fridays.

Personal laundry of dormitory students is done free of charge provided the articles to be washed are tied securely in a laundry bag made especially for steam laundry. All bags and articles to be washed should be clearly marked with the name of the owner. Students are advised not to send fine pieces to the college laundry.

Women's laundry bags are to be at the foot of the basement stairs by nine o'clock on Wednesday mornings. These are to be called for on Thursday after lunch.

Men's laundry bags are to be in the back entrance to Reeder Hall by nine o'clock on Monday morning. This service includes no more than twelve pieces, including two shirts. Laundry is returned, washed and ironed, to Reeder Hall on Fridays.

Laundry bags may be purchased at Cooper's Book Shop or elsewhere.

All students living on campus are entitled to \$.75 worth of laundry based on laundry price list. For additional laundry the schedule of charges should be consulted. Payment will be made when laundry work is completed.
