ALMA MATER

(Aloha)

Hail to thee, our Alma Mater glorious!
Fresh wreathes we bring to bind thy brow.
Trials past thou hast withstood victorious,
Never fairer, never statelier than now.

We revere thee, love thee, serve thee ever.

As swift years pass,
To thee our hearts are true.

HANDBOOK EDITOR'S MESSAGE

The Student Handbook is published for the students and faculty of Edinboro State College. It is printed once a year for distribution at registration each semester. Its purpose is to aid the Freshmen in gaining an understanding of the functions, regulations, customs, and activities of this college; and to provide both students and faculty with a calendar of events for the school year.

The editor wishes to extend her thanks to Sally Rehner, Janet Carr, Ginny Reimold, Mr. A. Carneil, and Dr. William Cornell for their help in compiling this handbook.

COLLEGE PRESIDENT'S MESSAGE

"Edinboro grows out of its old clothes so rapidly that the tailor is just barely able to keep supplying new ones on time."

The above comment, recently made by a faculty member, sums up the college history of recent years. It suggests the pride we sense in our spectacular growth — not for the mere sake of growing, but for the ability we have demonstrated to meet the challenge of steadily redoubled demands from Pennsylvania's young people for the advantage of higher education. Edinboro has continued, and will try always to continue, to make the opportunity for college a reality for young men and women who deserve it intellectually and socially but who might not be able to afford it financially at a more distant or more expensive school. The college is justly proud that "growth" has equaled "opportunity" in our formula of rapid expansion.

The statement's reference to the busy tailor also suggests, however, that growth does not occur without its attendant problems. As we redouble our enrollment and add to our curricular offerings, we necessarily increase some of the discomforts and inconveniences that accompany congestion and complexity. The college recognizes that a few of these problems are inevitable; most of them admit to steady alleviation through positive cooperative effort among faculty members and administrators and, most importantly, students themselves.

Edinboro invites you to grow with it. The measure of maturity that our students achieve will be reflected by the extent to which their pride in this growth will overshadow and compensate for the temporary problems it produces.

This handbook is prepared by our students

and faculty to assist you in your work at this college. You are urged to read it with care, to follow its precepts carefully, to treat it as a storehouse of information to which you will make frequent reference, and to keep it as a source of guidance throughout the entire year. Read carefully the constitution of the faculty-student government body so you may know the part this organization plays in the life of the college.

Welcome to the 1963-64 academic year at Edinboro State College. May you adapt comfortably to the challenge of your growing college and develop along with it the maturity to meet the further challenges of life that lie ahead.

Sincerely yours,

President

Welcome to Edinboro

The student body and the members of the Student-Faculty Cooperative Government extend to you their welcome to the Edinboro Campus -- a welcome in the spirit of friendship and cooperation.

Your 1963-64 edition of the student handbook is presented to you as a guide book of information about the college and its activities for this year.

Best wishes to each of you for a happy, successful, and purposeful college year.

Cooperative Government

The College's 106 Year History

The beginnings of the college were laid in 1857, over one hundred years ago, when a band of Scotch-Irish farmers grouped together and founded a private normal school at Edinboro by popular subscription to train teachers. In 1861 it was chartered by the Commonwealth as Pennsylvania's second Normal School and developed and grew through service to the Commonwealth.

A great forward stride was taken in 1914, when the Commonwealth purchased Edinboro Normal School. In 1926, alerted to the need for better educated teachers for its schools, Pennsylvania made Edinboro a Teachers College offering a four-year curriculum leading to degrees of Bachelor of Science in Secondary, Elementary, and Art Education, and Library Science.

In 1960 the name of the college was changed to Edinboro State College.

Beginning in September of 1957, the college was empowered to grant degrees of Master of Education in Elementary Education. In September 1961, graduate study in secondary education was added to the graduate program.

In 1962 the liberal arts degree program was begun. Students may prepare for various vocations as an arts and science major in the Humanities, Social Sciences or Natural Sci-

ences and may receive Bachelor of Arts degrees.

The control of the College is vested in the Board of Trustees, composed of nine members appointed by the Governor of Pennsylvania. The Board of Trustees in turn elect the President of the College who is responsible for its administration. The State Superintendent of Public Instruction is an ex-officio member of the Board of Trustees.

The college is accredited by the National Council for Accreditation of Teacher Education, the Middle States Association of Colleges and Secondary Schools, and the American Medical Association. In addition, its curriculums are registered by the New York State Department of Education.

Tips to the Freshmen

Freshmen at Edinboro are expected to conduct themselves in accordance with the standards normally adhered to by self-respecting, educated men and women. Students should keep in mind that they are being educated for teaching and other important professions.

The faculty at Edinboro stands ready to assist every student to cultivate habits of study application, self-control, a sense of human and profound interest in furthering the high ideals traditionally a part of Edinboro College.

In order to gain a feeling of being a part of Edinboro College, freshmen and upper classmen, should practice the following:

1. Always be ready with a cheerful, courteous greeting for your fellow students, faculty members, and visitors on the campus.
2. Develop the Edinboro College spirit. You must believe that Edinboro is the finest college, and that your class is the best class, and try to make yourself the best student.
3. Be courteous and observe the best rules of etiquette at all times.

4. Always present a well-groomed appearance.
5. Attend classes and assemblies regularly.
6. Attend the church services of your faith.
7. Plan for, and get eight hours of sleep every night.
8. Be careful of your personal property. Label all your property with your name.

The college reserves the right to suspend or dismiss any student whose influence or conduct is found to be injurious to the high standard of morals and scholarship of the student body, or whose conduct is prejudicial to the good name of the college.

Freshmen Customs

By observing freshman customs in the proper spirit every student can acquire the qualities which will make him a worthy member of his college — an attitude of friendliness towards all other college students, a respect for the standards and traditions of his school, and a familiarity with the things that constitute its own special trademark, i.e., its cheers, its Alma Mater and other songs. In addition, the new student will learn that he belongs not only to the freshman class, but to the college as a whole.

Customs Regulations

1. Dinks and signs must be worn Monday thru Friday from 8 a.m. to 5 p.m., and on Saturdays from 8 a.m. to 12 in the afternoon.
2. Dinks and signs are not worn on Sundays.
3. Signs must be worn to all evening activities during the two weeks of orientation.
4. Freshmen must always carry their handbooks, except to evening affairs.
5. Orientation will last from September 7 thru the 20. Dinks and signs must be worn during these two weeks.
6. Learn the school songs and cheers, especially the Alma Mater.
7. Freshmen must attend all football games, pep rallies, and Freshman Tribunal meet-

Withdrawal Procedure

Withdrawals — From College

A student withdrawing from the college should secure an official withdrawal blank in the Office of Student Personnel Services. He should then clear with the Office of the Dean of Men or Dean of Women, The Head Resident of his dormitory or private residence, The Bookstore, Student Activity Office, Library, and Business Office.

After clearance by the Office of Student Personnel Services, the student files his withdrawal blank with the Office of the Dean of Instruction. That office then notifies each instructor. No person is officially withdrawn until such notice is received. College charges continue until official withdrawal is recorded.

Academic grades are recorded in accordance with the procedure for WITHDRAWING, FROM COURSES, below.

Withdrawal — from Course

All students wishing to withdraw from or change any course at any time shall apply to the Office of The Dean of Instruction. Record adjustments made during the first three weeks are not recorded in the permanent record. After that time the withdrawal is recorded as y, passing, or z, failing. All withdrawals the last four weeks are recorded as z. Students wishing to withdraw from all courses shall follow the procedure of Withdrawal, from College, as stated above.

ACADEMIC STANDARDS

Grading System

- "A"—indicates student performances of a clearly exceptional nature.
"B"—grade earned by student doing distinctly superior work.
"C"—grade indicating work of satisfactory quality.

ings.

- Freshmen must never walk on the campus lawn.
- Freshmen must greet upperclassmen by tipping their dinks and by saying, "Good morning, good evening, etc."
- Remember, you are now all members of the Edinboro State College student body.

College Assemblies

A series of college assemblies is presented during the school year. A number of evening programs are also presented.

A committee of faculty members and students plan both day and evening programs. It is the purpose of these programs to supplement and enrich the curricular offerings of the college.

Additional outstanding programs are being included in the assembly programs each year in an effort to provide Edinboro with the most contemporary selections available.

The Dean's List

Twice a year there is published the Dean's List to honor students, scheduled for more than eleven semester hours, who have made a grade of "B" or better in every course taken during the previous semester.

Class Membership

The number of semester hours credit listed below is the minimum number necessary for membership in the four classes.

Sophomore	32
Junior	64
Senior	96
Graduate	Bachelor's Degree (128)

Admission to Upper Division

In that semester in which a student expects to complete fifty-six semester hours of credit, he shall file a written application for admission to the Upper Division of the college on a form provided by the Office of the Dean of Instruction.

Favorable action on the student's request will depend upon:

1. Attaining a cumulative academic record with a quality point per semester hour ratio of not less than 2.0.
2. Removing from his record all deficiencies.
3. Achieving favorable teaching personality ratings from members of the college faculty committee on selective promotion.
4. Attaining satisfactory scores on the Upper Division qualifying examinations.

Students who fail to attain the standards for admission to the Upper Division will be permitted to remain in attendance for one semester or one complete summer session after which requirements for the Upper Division must be attained. The privilege of remaining in college beyond an additional semester or summer session without attaining the Upper Division will be denied except for very unusual conditions.

Academic Probation

A student is placed on academic probation for one of two reasons:

1. He was admitted to the college on a probationary basis, or
2. He earned a cumulative average of less than 2.0.

A student who has been permitted to attend college on a probationary basis may be asked to withdraw from college unless he earns and maintains a cumulative quality point average of not less than 2.0 or his record shows evidence of progress deemed satisfactory by the Scholarship Committee.

Absence and Tardiness

For students with a quality point average of 2.0 or greater, no formal excuse will be required for a number of absences equal to the number of semester hours for which a course is offered. Any additional absence must be justified by presenting to the personnel Dean concerned, evidence of a bona fide illness or equally justifiable cause to prevent being excluded from the course with a failing grade.

A student with a quality point average of less than 2.0, or a student on academic probation, is required to submit evidence of just cause for every absence.

Permission to make up work from which a student was absent (until the critical absence has occurred) will be granted or denied at the discretion of the instructor of the course. The critical absence is the absence numerically one greater than the number of semester

hours for which the course is offered.

Students are urged to have all legitimate absences recorded by presenting to the personnel Deans evidence judged by the Dean to be valid.

Absence from class 24 hours before or 24 hours after the termination of a vacation will be counted as a **double absence**.

The case of a student who accumulates a number of absences equal to twice the number of semester hours of credit for which the course is offered will be reviewed at a meeting with the student, the instructor, and the personnel Dean concerned present. Inability of the student to justify such an absence record will result in exclusion from the course with a failing grade.

Anticipated absence from a student teaching assignment requires prior approval from the Director of Student Teaching. Any absence from student teaching requires evidence of just cause.

Student Employment

There are a limited number of part-time positions available at the College, and it is anticipated that there will be a few jobs available about the community.

To be eligible for employment a student must:

1. Be matriculated as a full time student in a four-year curriculum.
2. Be rooming on the campus unless existing facilities do not permit.
3. **Have earned an all-college average of not less than a "C"**.

Students desiring more information should apply at the Admissions Office.

Scholarships and Loan Funds

State Scholarships

The Dept. of Public Instruction annually awards scholarships on the basis of competitive examinations held on the first Friday of May of each year. These are awarded to each county and Senatorial district in the State.

Each scholarship is worth \$200.

Other Scholarships

The Penna. Congress of Parents and Teachers each year makes available two or more scholarships at each of the state colleges of Pennsylvania. These are the Hanna Kent Schoff Memorial Scholarships, each for \$150. These awards are made on the basis of high school grades and results on an entrance examination.

Women's Clubs Art Scholarships are awarded each year to three art students who have achieved sophomore or higher class standings. These grants range from \$100 to \$150.

The Soroptimist International, a classified service club for women, yearly awards \$1000 to outstanding prospective women teachers. One must be a resident of Erie County, in need of financial assistance and at least a junior.

National Defense Loans

Through the cooperation of the federal government, an amount of money is allotted for loans to outstanding students studying to be teachers. These loans are to be repaid after graduation.

Applications are available in the office of the Dean of Instruction.

Student Advisory Program

A student advisory program provides for every student a friendly faculty member as a consultant and advisor. Thus each student as an individual will be well known by at least one college faculty member. The primary purpose of the advisory program is to assist students to attain satisfactory performance in all aspects of college activities.

The personal faculty advisor will offer the student counsel of a personal, social and academic nature to assist him to succeed in college to the limit of his ability. These advisors are concerned with habits of study, knowledge of study skills, best utilization of time in col-

lege, participation in activities.

Students receive curriculum advice and guidance from the faculty registration advisors who have charge of registration in the three curriculums. These faculty members are regarded as specialists in offering advice relating to curriculums and electives.

Students with special curriculum problems created by transfer, acceleration, failure, or for other reasons must work out their schedules with the Dean of Instruction.

All freshman students are assigned personal advisors. These assignments are designed to bring the student in contact with a faculty member who has similar interests and is likely to be in sympathy with his particular aspirations.

The ultimate aim of the advisory system is to help the student learn how to solve his own problems.

Faculty members will post their office hours outside their office doors. If you are not free at any of the times indicated, it will be necessary to make an appointment with the faculty member you wish to see. Offices and phone numbers are listed in the front of the Handbook.

The Library

Hamilton Library opened its door to welcome the students in the fall of 1961 after a summer spent in moving book stock and organizing the new services. Strategically located to become the focal point of the expanding campus, it represents one of the more modern and functional college libraries in Pennsylvania.

The library was planned to house 100,000 volumes and now has approximately 66,000 volumes. Plans are already being considered for an addition which will be needed in the near future to house the projected addition of 10,000 volumes per year.

The library retains the open shelf arrangement making the books easily accessible to

the students yet providing careful supervision. The lay out of the library provides stack areas and nearby reading areas coordinated to reduce traffic and attendant noise.

Facilities provided on the first floor are: Current periodical and reference area, fine arts center, curriculum materials laboratory, education area, reserve book and service area, offices, and technical processing space. On second floor will be found a service area, general stack area, bound and unbound periodical shelving, microfilm viewing booths and storage, a large music listening room equipped with individual booths for earphone listening, a faculty and graduate reading room, three seminar rooms for use of small groups, faculty lounge, a library class room, thirty individual lounge areas. Opportunity is thus provided for study in all areas, lounge areas for general reading and for utilizing approximately 400 periodicals, covering all fields, to which the library subscribes. This list includes 12 newspapers representing many of the major U.S. cities and **The London Times** to give the broader view.

The library is operating an automatic charging system which necessitates every student, graduate, undergraduate, and part time, obtaining an identification charge card. This card must be presented at any time when library materials are withdrawn from the library (including all materials on the Reserve Shelves). These cards will be issued at registration and must be returned to the library at the end of the school year. If a student withdraws from college this card must be returned to the library since he is responsible for any material charged to this card by anyone. Transfer of cards at any time is prohibited.

In order to serve the best interests of all the students it is necessary to have observed certain regulation in the use of the library:

1. All books which have been definitely as-

signed to classes are placed on shelves directly behind the desk and are known as the 'Reserve Books. Such books may be withdrawn at 8:30 p.m. and returned before 9:00 a.m. the following morning. Failure to observe this rule will result in a fine of ten cents per hour.

2. Books not on reserve but in demand are termed "overnight books." These may leave the library at any time of day or overnight, but must be returned before 9:00 a.m. the following day. Penalty for late return is ten cents per day.

3. All books (with the foregoing exceptions) may be withdrawn for two weeks. A fine of two cents a day, with a 5 cent minimum, will be charged for books kept over time. Encyclopaedia volumes and dictionaries may not be taken from the library.

4. Magazines may be withdrawn from the library subject to the same rules as Reserve Books.

5. No student will be issued grades or credits until all library obligations have been settled.

6. No books may be removed from the Library except by proper charging at the desk by the librarian in charge. Anyone taking books not properly charged from the Library will be subject to a fine of \$5.00 for each book and to suspension from all College activities until such fines are paid. Clippings and marking books and periodicals is prohibited.

7. Acceptable dress in the library for both men and women is the same as for class attendance.

The following hours will be observed:

Monday through Friday 8:00 a.m.-9:00 p.m.
Saturday 8:00 a.m.-4:00 p.m.
Sunday 2:00 p.m.-4:00 p.m.

Health and Infirmary Service

The college employs four part-time nurses and three part-time physicians. All are directly concerned with promoting good physical and mental health among college students. In

addition to space for a dispensary office, an infirmary of nine beds is available for the care of minor illnesses and isolation of students with suspected communicable diseases. Surgical cases and acutely ill students other than isolation cases will be admitted only until they can be transferred to other nearby or home hospitals. Actual medical care is limited to the prevention of illnesses and the emergency treatment of medical and surgical conditions.

Students living on campus should immediately notify the college nurse of any illness which requires infirmary care. Students living off-campus but taking meals on campus who are so ill as to require infirmary care shall immediately notify the householder and the Dean of Women or Men or the College Nurse of such illness.

When in the case of serious illness the nurse or college physician believe ambulance transportation to the infirmary or from the infirmary to a nearby home or hospital is necessary, the college will see that such transportation is provided, but the expense must be borne by the student.

Day students, who may be admitted to the infirmary provided there is space available, will pay at the rate of two dollars per day. This rate will begin with the first day.

Students will be released from the college infirmary only by a signed statement from either a responsible member of the family, the family physician, or the college physician or nurse.

Parents will be notified by the college nurse of the illness of any student who spends one or more full days in the infirmary. Any student who wishes to do so may employ his own physician at his own expense. If it is necessary to have a prescription filled at the drug store, the student will be responsible for the cost.

Accident and medical insurance on a group basis is available for all students at a mini-

mum cost and is available at the time of registration.

Off-campus and day students may avail themselves of the services of the physician and nurse.

The college infirmary will issue statements of illness to students who have received treatment in the dispensary.

Numerous requests for excuses from classes for minor and trivial illness are not in the true spirit of the college. Persistent requests for such action may be sufficient means for the administration to request a complete re-evaluation of the physical condition of the student, by his own physician, at his own expense, in order for the student to continue matriculation at this college.

Nurses Hours

Nurses hours will be posted at the beginning of each semester.

DINING ROOM

Meals are served to boarding students in the College dining room, Ross Hall.

Lunch (Saturday) 11:30 a.m. to 12:15 p.m.

Dinner will be served Family Style at 5:15-6:16 p.m. Monday through Friday and at 12:15 and 1:00 Sunday. Saturday supper is served cafeteria style at 5:00 to 5:30 p.m.

SUNDAYS

KEYS

Keys for any dormitory room are issued by the Bursar's Office for a five dollar fee. Whenever a key is lost, it should be reported immediately to the Bursar's Office. If a duplicate is desired, it must be purchased through the Bursar's Office. All keys remain the property of the College and duplication of any key except by the College is expressly prohibited.

BUS SERVICE

Edinboro is situated on the main bus line between Pittsburgh and Erie. During the day and evening the buses run north and south approximately every two hours. Students wishing to travel east or west can make connections in Erie, Meadville, Franklin or Pittsburgh. Since the schedules are constantly changing, schedules can be checked by telephoning RE 2-8651.

BOOKS AND SUPPLIES

Each student is expected to own the textbooks required in his classes. All textbooks are available at the Campus Book Store in the northeast end of Haven Hall. Besides textbooks, the Campus Book Store carries all school supplies, art supplies, gifts, souvenirs, etc. The Book Store is another measure instituted to enable the students here at Edinboro to get a good education at a lower cost.

MAIL SERVICE

The College receives two mail deliveries each day. Dormitory mail will be delivered directly to the students' mail boxes there. Mail for commuting students is placed in the commuter's room in Normal Hall.

Lock boxes are available on the ground floor of the Student Union on a rental basis or at the Edinboro post office at the rate of \$.90 a quarter.

(See back cover for mail address form.)

BOARDING FACILITIES

All dormitory students are required to take their meals in the College Dining Room.

Off-campus students have the choice of eating in the Dining Room or of making some other provision for their meals. It is recommended and they will find it greatly to their advantage to board at the college. However, once a student has elected to take his meals in the Dining Room, he will be expected to continue doing so for a full semester.

CLOSING OF DORMITORIES DURING VACATIONS

Dormitories and the Dining Hall will be closed to all students during regular vacation periods as listed on the College Calendar, and also during the period between semesters or summer sessions.

All students will be expected to leave dormitories not later than 6:00 p.m. on the last day preceding a vacation period and should not return before 2:00 p.m. the day preceding re-opening of school.

Exceptions to this rule may be granted by the Dean of Men or Dean of Women in unusual circumstances.

The following regulations have been developed to control the traffic conditions and improve the parking facilities. These regulations apply alike to students, administrators, faculty, and noninstructional personnel.

I. COLLEGE PARKING PERMITS

- A. All college personnel who expect to any time to drive to the college are required to register their cars by purchasing parking stickers on registration day.

 1. Registration and stickers are not transferable.
 2. The college may cancel motor vehicle privileges if the parking regulations are evaded, or if the vehicle is used in a manner that is detrimental to students or to the college.

II. PARKING AREAS.

- A. All student parking on the campus shall be in the parking area east of the boiler house road.
- B. All overnight and dead storage parking must be in the area of the parking lot specifically designated for such parking. This area is in the Northeast section of the parking lot.

Daily Bulletin

To aid in the dissemination of general information of interest to all college students concerning college activities a Daily Bulletin is mimeographed and distributed throughout the college.

Items which are to appear in the Bulletin should be prepared in written form, signed by the writer, and presented not later than 1:00 p.m. of the day prior to the date they are to appear. These notices may be deposited in the "Daily Bulletin" receptacle provided for them in the President's Office in Normal Hall.

Scheduling Social Activities

To avoid conflict it has been necessary to have one central office where all social events can be scheduled. This scheduling is done in the office of the Secretary to the College President where forms can be obtained. Requests must be submitted to the President's secretary at least two weeks prior to the date requested for the social event.

No social event in which women are involved may be scheduled until all the necessary requirements for chaperones, hours, etc. have been met and the approval of the Dean of Women has been given. Before advertising any evening activity, it is necessary to have the activity recorded on the Social Calendar.

The Scheduling Committee seeks to maintain a well-balanced and satisfactory social program. Permission for scheduling an event may be denied when the general Social Calendar or the Calendar for a particular organization seems over-crowded, or when the main-

tenance of high academic standards in the college would seem to discourage the activity in question.

Approval of rooms for meeting and activity purposes is administered through the Dean of Instruction's Office.

The fact that an event is scheduled in the calendar of this handbook does not excuse the event from the scheduling procedure outlined here.

Assignment to rooms is made by the office of Student Personnel Services. Keys are procured from the office of the Bursar. Rooms must be kept clean and ready for inspection at all times. Tacks, scotch tape or nails in walls are not permitted. The electric wiring is not the type for heating appliances; therefore, electric irons and hot plates are not permitted.

Students are responsible for the tidiness of their own rooms. The college maintains the right to have periodic room inspection. Disciplinary action will be taken against those students who are found to be consistently

negligent.

Failure to comply may cause disciplinary action to be taken. Women students who smoke must supply themselves with ceramic or metal ashtrays.

3. Absence from Campus

Before leaving her residence hall after 7:00 p.m., a student is required to register her name, destination, escort, time leaving, and expected time of return on the forms provided at the desks in her campus residence. 6. Off-campus Regulations

All students living outside the dormitories must have the approval of the office of Student Personnel Services for such residence unless they are living in their own homes.

The Housing Committee has a list of the residences which have been officially designated as Approved Houses. Permission to live in these homes is not automatically granted. However, as in the case of any other off-campus arrangement, individual arrangements are only temporary until the application blanks are received, approved, and filed by the Housing Committee.

Women students living in Edinboro in homes other than their own are expected to follow the rules applying to residents on campus. Permission ordinarily granted by the Association of Women Students may be granted by the landlady.

7. Drinking

No alcoholic beverages may be brought on the campus or into off-campus houses. Any woman who returns to the campus under the influence of liquor will be summarily suspended. Persons who violate this regulation may be subject to suspension or dismissal.

8. Personal Property

Neither the college nor the Commonwealth of Pennsylvania is liable for students' personal property. The college recommends that students secure a personal property policy covering clothing and valuable items.

REGULATIONS FOR MEN STUDENTS

Men's regulations are controlled by the Men's Council, the Dean of Men, the Director

of Student Personnel Services, and the President of the College. The Council consists of three representatives from Centennial Hall, three from the off-campus men, and three from the men commuters.

It is primarily insisted that all men conduct themselves as gentlemen and in keeping with the accepted standards of good taste.

1. Men are expected to dress appropriately for all occasions. Even for the most informal and casual occasions, clothing shall be clean and neat.
 - (a) Jeans, levis, sweat shirts and T-shirts are not considered appropriate for the dining room, and men so attired will be refused admission.
 - (b) For the evening meal each man will wear a white shirt and tie, with sport coat and slacks, or a suit.
 - (c) Students visiting the Campus School should dress as future teachers. Men will, therefore, wear suits and ties.

3. After 10:00 p.m. the vicinity of the seven women's residences on Meadville Street is strictly out-of-bounds for men students. Men who are escorting residents of these houses may accompany the young lady to the door of the house after this hour, but must then leave immediately.
4. No alcoholic beverages may be brought on the campus or to any off-campus housing. Persons who violate this regulation are subject to the severest disciplinary measures.
5. Any man who returns to the campus or off-campus housing under the influence of liquor will be summarily suspended.
6. Any man who conducts himself in public,

on or off the campus, in a way that reflects poorly on the college is subject to disciplinary action.

7. Dormitory quiet hours are from 8:00 p.m. to 7:00 a.m. On Saturdays, however, quiet hours begin at midnight and extend to 9:00 a.m. Sunday. During quiet hours men are expected to enter and leave the building making the least noise possible. **Resident Assistants will see that this rule is enforced.**
8. No musical instruments are to be played in the dormitories at any time. Radios, phonographs and tape recorders may be played in the room provided roommates do not object, but volume must be kept low enough to prevent the instrument from being heard outside the room. **Men who show lack of consideration for others in this respect may be prohibited by the head resident from playing their machines at all.**
9. Men may have overnight-guests providing facilities are available and the approval of the Head Resident has been obtained. Guests must be registered. The transient lodging fee of \$1.50 will be paid to the Business Office.
10. All men are expected to cooperate in keeping halls and washrooms clean and in order. Paper and refuse are to be put in trash cans. After using a lavatory, every man is expected to wipe it out and leave it in the condition in which he would like to find it if he were the next to use it.
11. Each man is responsible for the tidiness of his own room. **Periodic inspections will be made and men found to be consistently negligent will be asked to move off-campus quarters.**
12. Because of fire hazards, the use of electrical appliances other than dry-shavers and radios cannot be permitted in dor-

mitory rooms. Special outlets for use of electric irons will be found in the basement of Centennial Hall.

13. Men who smoke must provide themselves with metal or ceramic ashtrays.
14. Food may not be kept in dormitory rooms unless stored in metal boxes. Keeping bottles on window sills is not permitted.
15. Every dormitory resident is expected to have a key to his room. **Rooms should be kept locked whenever residents are out.** Keys are to be obtained from the Office of the Bursar.
16. **Any man having a grade of less than "C" in any subject will be expected to be in his room studying, Monday through Friday, during evening quiet hours.**
17. The Resident Assistants assigned to Centennial Hall represent the President of the College, and all dormitory residents are expected to give them their cooperation.
18. The fire monitor on each floor of Centennial Hall will make sure that every man obeys the fire rules during a fire drill.
19. **The College nor the Commonwealth of Pennsylvania is liable for student's personal property.** The college recommends that students secure a personal property policy covering clothing and valuable items.

REGULATIONS FOR OFF-CAMPUS STUDENTS

1. Students living off-campus are expected to abide by the same college regulations that apply to students living on campus. They have representatives in the Student Council who help advise and settle problems pertaining to the off-campus group.
2. Lockers for day students are available in the basement of Normal Hall.
3. Students rooming off-campus are expected to show consideration for and to co-

operate with the people in whose homes they are guests. Particularly they should be as quiet as possible if they enter late or stay up after the other inmates of the house have retired. They should introduce no guests without the householder's express permission. They should be careful not to leave lights on, water running, doors or windows needlessly open. They should not turn on the householder's television or radio set unless invited to do so. They should not abuse telephone privileges and should be prompt in making payment for long distance calls. They should cooperate in keeping their rooms clean and in order. They should not expect kitchen privileges.

4. All students who are not living in the dormitories may study or relax in the students' dayroom, located in the basement of Normal Hall, whenever they do not have a class during the day. This room is open daily from 7:30 a.m. to 6:00 p.m. and Saturdays from 7:30 a.m. to 12:00 noon. Day students may use the room to study, relax, and eat their lunches. The students using this room are expected to keep it free from litter and refrain from conduct that might prove disturbing to others.

The parlors of Haven Hall are open to all women students. Also available for use is the Social Room in the basement of Haven Hall, which is open during the regular dormitory hours.

DORMITORY FIRE REGULATIONS

Fire drills are held at least once a month. All students must participate, and greatest care must be taken to see that everyone follows orders implicitly. The object is to get all students out of the buildings safely. Speed is imperative. Silence is necessary.

STUDENT GOVERNMENT CONSTITUTION

As Revised 1959

ARTICLE I

Name

The name of this organization shall be the Student-Faculty Cooperative Government of the Edinboro State College.

ARTICLE II

Purpose

While appreciating deeply the province and functions of the other administrative bodies, we the students, the faculty, and the President of the College, feel that there still remains unoccupied a large promising field for cooperative service. Accordingly, we do hereby declare that the purpose of the Cooperative Government is to take over increasingly the responsibility for organizing and directing purely student affairs, to cooperate with the proper college authorities in matters of student welfare, and to seek constantly to make the college a better agency for developing effec-

tive citizens.

ARTICLE III Membership

The membership of this Co-operative Government shall consist of all students, all faculty members, and the President of the College.

ARTICLE IV Function

All student and student-faculty organizations are subject to the Council and to the approval of the President of the College.

ARTICLE V Membership, Election, Officers of the Council

SECTION 1. The Student-Faculty Council shall be composed of the following:

The average for eligibility as Student Council President must be better than a 2.5.

At the beginning of the first semester of the freshman year, a man and woman representative shall be elected. The woman will serve two semesters, the man will serve one semester, and in his place for second semester, a new male representative will be elected to serve for two semesters.

The following method shall be used to elect class representatives:

Each class will elect two members, one male and one female, to the Student Council. The upper three class representatives will have been elected by October 1; the freshmen by the end of the first quarter, and for the second semester elections, by February 15.

Other groups shall elect their representatives by popular vote prior to October 1.

Women's Athletic Association of College Women. It is a recreational program, governed by a student council which plans its activities carefully for the complete development and enjoyment of each woman.

The Women's Athletic Association is a member of the Athletic and Recreation Federation.

Every woman student, upon entering college is elected to membership automatically. Throughout the year there is a regular intramural competition between teams set up by W.A.A.

The W.A.A. sponsors the Drill Team which performs marching routines during the half-time of home basketball games.

The program of the Association is based on a point system. Awards are presented at the Recognition Day ceremonies in May.

Activities: Tuesday and Thursday, 4:00 to 6:00 p.m.

Men's Athletics

Mr. Hanio Mariotti Athletic Director
The men's intercollegiate athletic program includes intercollegiate competition in wrestling, football, basketball, golf, track and tennis.

Intramural Sports

Mr. Frederick Caro Director
The college has expanded the intramural program so that every student will have the opportunity of participating in his or her favorite sport. Besides the above mentioned sports, the college is equipped for badminton, ping-pong, volleyball, softball, tennis, archery swimming and winter sports.

Eligibility Rules

Edinboro is a member of the Pennsylvania State College Athletic Conference. Eligibility rules are regulated by action of the Board of Presidents of the Pennsylvania State Colleges. The following rules were passed May 18, 1948, and revised March 26, 1956.

A. Responsibility. The President of each College shall be responsible for its athletic program. He or his authorized representatives shall accompany any team which represents the college in any athletic contest.

B. Certified Eligibility Lists. At least four days before every official game, eligibility lists, certified by the President of the competing colleges, shall be exchanged on forms provided by the conference secretary.

C. Eligibility.

1. A student shall not be allowed more than four year of inter-collegiate comate competition.
2. A student must complete his intercollegiate competition within a five-year period from the date of first matriculation at any college. This restriction may be waived in the case of a veteran or draftee. The year or years during which a student may have represented any college as a service trainee in intercollegiate athletics competition shall not count in his total years of eligibility.

Interpretation: In determining years of competition in all cases, the following program applies: Participation, however brief, in any intercollegiate athletic competition in any college or junior college will cause that year to count as one of the allotted years of competition.

3. Academic Attainment.

- a. A student to be eligible must carry at least twelve semester hours of credit courses.
- b. A student to be eligible must have secured passing grades in at least twelve semester hours of work during his preceding semester. A student having failed to pass twelve semester hours in any semester may become eligible by attending summer sessions and securing a passing grade in twelve semester hours of credit.

4. No transfer student shall be eligible for inter-collegiate athletic competition in varsity sports until he has completed satisfactorily a full year's or two semesters' work at his college.

- a. Attendance at summer sessions shall not be regarded as meeting the requirements of a semesters' residence.
- b. The student who trains at a training camp with a college before the football season opens but who does not matriculate at the college is eligible to enter a state college and play that season. Matriculation means payment of fees, completion of registration forms and attendance at one class.

5. **Amateur Rule.** A student competing in inter-collegiate athletics shall be an amateur in good standing. An amateur sportsman is one who engages in sports for the physical, mental, or social benefit he derives therefrom, and to whom the sport is an avocation. A student ceases to be an amateur and is therefore ineligible to participate in intercollegiate competition by the commission of any of the following acts:

- a. Participation in any athletic competition under an assumed name, or otherwise with intent to deceive.

- b. Directly or indirectly receiving money or remuneration for participation in any competition as a player or for coaching any sport.
- c. Directly or indirectly receiving money for signing a contract with a professional team in any sport.
- d. Signing a contract with a professional team in any sport, regardless of any subsequent cancellation or revocation, absence of payment or lack of training with the team.

6. A student who is a squad member on the date of the first regularly scheduled contest and who engages in any athletic contest during a time the college is in session not arranged or sanctioned by his college shall not be eligible to represent his college in that sport during that semester, and he shall also be ineligible for the ensuing season in the sport in which he participated in an unauthorized contest. This includes Thanksgiving vacation and between semesters, but does not include Christmas vacation.

D. **Varsity Competition.** A state college varsity team may compete only with varsity teams of four-year degree granting colleges in regularly scheduled games.

Interpretations:

1. Regularly scheduled games are games for which contracts are signed and, or admission charged.
2. Where scheduling difficulties are encountered, this rule may be waived by the Athletic Committee of the Board of Presidents.

E. **Playing and Practice Season.**

1. Pre-season practice in football shall not begin prior to September first of each year or prior to three weeks before the first regularly scheduled game, whichever is earlier, and the regular playing schedule shall be limited to a maximum of ten games in a season, exclusive of post-season competition.
2. Pre-season practice in basketball shall not begin prior to October 15; the first scheduled game shall not be played prior to December first, and the maximum number of regularly scheduled games shall not exceed twenty-six in a season, exclusive of post-season tournament contests.
3. Organized post-season practice in football shall be limited to twenty sessions in a period of thirty-six calendar days, vacation and examination days excluded.
4. Organized post-season practice in basketball shall be limited to twenty sessions in a period of thirty calendar days, vacation and examination days excluded.
