## **PRESIDENT McNERNEY'S 1968 WELCOME MESSAGE**

This year the Edinboro State College has an enrollment of 5,700 students on three campuses. By far the greater number, 5,100 are here at Edinboro and the remaining 600 are divided between the Shenango Valley Off-Campus Center located at Farrell and the Warren Area Off-Campus Center at Warren.

You will notice the new construction taking place on the campus. If you are seated on the permanent bleachers, to your right is the first completed portion of our major dormitory building project which houses 832 students. Immediately in front of these dormitories toward the lake, well underway in construction, is our beautiful new dining facility. Before this fall is over, it is anticipated that construction will begin on the new Student Center and the new Gymnasium-Field House. Located in front of the new dormitories across the lake you will note that the beautiful new World Cultures Building has been completed and that construction has begun on the new Maintenance Building. It should be noted that adjacent to the grove of trees south of the lake is the new College Infirmary. Major improvements have occurred inside many of the older buildings. Of course these cannot be witnessed unless you tour the buildings.

DR. CHESTER T. McNERNEY

The faculty of the College now number 316 members. The major part of this faculty, new and old, are professors holding advanced degrees from outstanding American and International Universities. In addition to the teaching which they do with a high degree of excellence, various faculty members are actively involved in important college committee work and many of them offer distinguished contributions to many areas of research and to Commonwealth obligations.

The freshman class this year is of very high caliber, representing the entire Commonwealth, some other states, and several foreign nations.

It is interesting to note the growth of the resources available for teaching and learning at the College. For example, the new Science Building includes a vast array of equipment for teaching as well as for research. The Hamilton Library which had a collection of 60,000 volumes when it was dedicated in 1962 now has 200,000 volumes and a collection of 9,000 microfilms and 325,000 micro-cards and microfiche. In the planning stage, at the moment, is the new Edinboro State College Library.

You, the Alumni of the College, have always been generous in your support of the activities of the College and I know that each of you and your friends will continue being active supporters of this, your Alma Mater.

I welcome this opportunity to say "Hello" to each one of you.

## **EDINBORO STATE COLLEGE'S ATHLETIC PROGRAM**

Intercollegiate athletics play an important role in the total educational program of Edinboro State College. The program is so conducted as to assure wholesome use of leisure time, a healthy focal point for the experience and the expression of group spirit, and a laboratory experience for prospective coaches.

Edinboro's athletic program includes intercollegiate competition in football, basketball, wrestling, golf, track, tennis, baseball, soccer and cross country. The finest of facilities are readily being made available to accommodate these sports.

The most recent addition to Edinboro's athletic plant is Sox Harrison Stadium and Athletic Field. The stadium provides seating for 4,000 persons for football contests.

## HEAD COACH

William Cutcher

This season will mark Bill Cutcher's third year as the Scots' grid pilot.

Prior to his appointment as head grid coach at Edinboro, Cutcher served as head football mentor at Central High School, Phoenix, Arizona. When he assumed the head coaching berth at Central High in 1964, Cutcher inherited a team which finished the previous season with an 0-10 football record. During his first year as head coach at the school, his team recorded three victories and seven defeats. In 1965 during his second season as grid mentor, Cutcher's team reversed their record to seven victories and only three defeats.

Before serving as Central High's grid mentor, Cutcher was varsity line coach at Persell High School, Cincinnati, Ohio. Under his direction, Persell was the Greater Cincinnati High School Champion for 1952, 1953, 1955, 1959, and 1960. In addition, he served nine years as head varsity basketball coach at Persell and head varsity track coach for seven years, 1952-1959.

His high football career record contains 104 victories, 37 defeats and 6 ties.

The Scot's mentor competed in collegiate gridiron competition at the University of Dayton for four years on the varsity squad. In 1952 he participated in the "Salad Bowl" in Phoenix, Arizona, against the University of Houston, Texas. He graduated from the University of Dayton with a B.S. degree in Physical Education and earned his M.Ed. degree from Xavier University, Cincinnati, in 1958.

## DEFENSIVE COACH

Sam Ruvolo, former head grid mentor at Cathedral Latin High School in Cleveland, Ohio, joined the Fighting Scots' grid staff this past spring.

Ruvolo, who grooms the Scots' defensive secondary, guided his Cathedral Latin teams to two championships and one tie in the powerful Cleveland East Senate conference. During his 9 years at Latin, Ruvolo amassed an overall record of 49-27-2. In the past 4 years his grid teams have lost only 6 contests while winning 30. His best season was posted by his 1965 squad which registered a 9-1 slate.

A graduate of John Adams High in Cleveland and Kent State University, Ruvolo has spent 18 years in the coaching ranks. Among various Cleveland schools included under his past tutelage are: Chanel Brecksville, South High and West Tech. He also served as athletic director at Cathedral Latin the past 2 years.

Ruvolo and his wife, Lois, are the parents of four children: Margaret Mary, Joseph, Thomas and John.

Sam Ruvolo

Jim DeGasperin

## OFFENSIVE COACH

Last year Coach DeGasperin assisted in the freshman coaching duties. This season he will guide the Scots' offensive backs.

DeGasperin received his B.A. from Fairmont State in 1957 where he quarterbacked the Falcons' football team. In 1961 he was awarded his M.S. from West Virginia University and has done graduate work at Ohio State University.

He has had several years of coaching experience in Ohio and was head football coach at Kingwood High School in West Virginia.

## DEFENSIVE COACH

Another addition to the Highlanders' staff since last season is Jim Gilstrap, former center at Western Michigan University and assistant coach at Case Tech the past two years. He directs Edinboro's defensive linemen.

Gilstrap, 26, is a 1964 graduate of Western Michigan University where he was a 3-letter winner in football. He earned his M.S. at Southern Illinois University where he was a graduate assistant on the football staff. He is originally from South Bend, Indiana, where he attended Clay High School.

He and his wife, Linda, presently live in Edinboro.

Jim Gilstrap

## FRESHMAN COACH

Another recent addition to the Highlander coaching staff is freshman coach Jim Bowen.

Bowen has been head football coach at Fairview High School in Fairview for the past 9 years and has compiled an outstanding record of 72 wins and 8 losses. His grid teams have captured 4 league championships while riding 25 and 19 game winning streaks.

Coach Bowen is a 1957 graduate of Slippery Rock State College. He also attended Buffalo University where he earned his master's degree.

He and his wife, Joyce, along with their 6 children, two of which are twin girls, reside in Fairview, Pennsylvania.

Jim Bowen

## 1968 PRE-SEASON OUTLOOK

### "Cautious Optimism"

Just how well the 1968 edition of Highlander grid hopefuls will perform is a big question mark. For the first time in the past two years the Scots will have experienced personnel in key positions both offensively and defensively. What remains to be seen is how well this team will jell as a working unit.

The offensive backs are quick and strong. Veteran backs include 5-9, 195-pound senior halfback John Mikovich, 5-10, 200-pound junior halfback "Smokey" Santillo, 5-11, 205-pound junior halfback John Guerasio, Rich Riffle, 5-9, 175-pound senior halfback and "Chico" Pollick, 5-11, 175-pound junior wingback.

All are tested runners in the Scots' backfield. Mikovich will probably miss the first few games because of a knee injury, but should return by mid-season.

The fight for the quarterbacking spot has been won by Tom Mackey, a 5-11, 180-pounder from South Hills High School in Pittsburgh. Only a sophomore, eligibility-wise, Mackey has demonstrated tremendous poise in pre-season drills. Backing him up are a pair of sophomores, 5-11, 170-pound Barry Masterson and 5-11, 168-pound Gary Roth. Chico Pollick, who handled the signal calling last year, is also available.

A crop of tested defensive linemen will make the Highlanders strong up the middle and the secondary will also receive a much needed shot in the arm with the addition of battle-tested personnel.

Top veteran linemen include 6'3", 233-pound offensive tackle, John Ballard and 6'2", 230-pound defensive tackle, Dave Brandell along with 5'11", 210-pound defensive end, Al Barbati, and 6'1", 216-pound tight end, Dan Bissontz.

Battle-tested returnees in the secondary are 6'0", 218-pound junior linebacker Jim Jaruszewicz and 5'9", 160-pound safety, Joe Bufalino. A crop of excellent sophomores are expected to play a key role here along with the other veteran performers.

On the plus side of the offensive is Dan Bissontz, a 6'1", 216-pound first team PSCAC tackle last year, who has been switched to tight-end. Bissontz was quite impressive at his new "home" in the spring game. Another pleasing demonstration in the spring contest was the accurate "toe" of Tom Rockwell, a 5'11", 200-pound sophomore place kicker, who clicked on 6 of 7 extra point attempts.

Indeed, the Fighting Scots grid fans can look forward to the '68 campaign with "cautious optimism."

Dan Bissontz

John Mikovich

QB Tom Mackey

## **MACKEY PILOTS SCOTS**

Leading the Scots' offensive charges this year is 5'11", 180-pound signal-caller Tom Mackey from South Hills Catholic High in Pittsburgh. Tom was an outstanding frosh quarterback for Edinboro in '66, but unfortunately suffered an injury which caused him to miss last season. He is rated as one of the best passing quarterbacks in the conference this year. Eligibilitywise, he is ranked only as a sophomore.

Sat., Nov. 2 - - -	Bluffton (home)
Sat., Nov. 9 - - -	Kalamazoo (away)
Sat., Nov. 16 - - -	Baldwin Wallace (away)

### 1968 Outlook:

The Polar Bears lost 14 lettermen, yet are returning 14 veteran letter winners. Northern will be younger this year but will have more speed and more size than last season. Top prospects include 5'11", 190-pound halfback Damon Infalvi, 6'0", 200-pound end Dave Walker, 5'10", 207-pound tackle Frank Garofalo, and 217-pound senior guard, Jack Ohle.

Injuries to top players led to a 3-6 season last year, but the Bears still played good defensive ball.

Seniors Jack Ohle and Frank Garofalo, both from Steubenville, will co-captain the '68 Polar Bear team. Starting quarterback Joe Zianno along with Damon Infalvi at tailback will be the bright spots on offense.

This will be the first meeting of the two colleges in their football histories.

## ALMA MATER

Hail to thee, our Alma Mater glorious,  
Fresh wreaths we bring to bind thy brow;  
Trails past thou hast withstood victorious,  
Never fairer, never statelier than now.  
O Edinboro, Edinboro, we revere thee,  
Love thee, serve thee ever,  
While class speeds class.  
As swift years pass  
To thee our hearts are true.

## FOOTBALL PLAYER

F or the greater honor  
O f Alma Mater and  
O f my coach  
T o play a  
B all game that  
A ll can be proud of, ever  
L earning that winning and  
L osing is like life itself.  
  
P rofiting by my mistakes,  
L eaning toward fair play  
A ll the game through.  
Y es, these are the things  
E ver more which will make me  
R emember to play every game  
... for the greater honor.
