President McNerney's 1967 Welcome Message

This year the Edinboro State College has an enrollment of 4,892 students on three campuses. By far the greater number, 4,350 are here at Edinboro and the remaining 542 are divided between the Shesango Valley Off-Campus Center located at Hickory Township High School and the Warren Area Off-Campus Center at Warren.

You will notice the new construction taking place on the campus. If you are seated on the permanent bleachers, to your right is the major dormitory building project. Two dormitories which will house four hundred students each will be completed by September 1968, two additional ones by September 1969, and two more by September 1970. As you came through the campus toward the stadium, you noticed the lake which is becoming a reality, the world cultures building, and the new student infirmary building, all of which are ahead of construction schedule. During this school year, construction will begin on a maintenance building and the new dining hall. The completion of plans for the new field house - gymnasium and student union will be finalized during this school year also. By this time next year, to the north of the stadium, a new baseball stadium will appear as a reality. In addition to these projects, much renovation is occurring in the old buildings on campus and it is my hope that you will tour the buildings to observe this renovation.

The faculty of the College now numbers 236 members. It is a cosmopolitan group recruited mainly from the eastern part of the United States. The major part of this faculty, new and old, are professors of advanced academic degrees earned at outstanding American universities. In addition to the teaching which they do with a high degree of excellence, the faculty also evaluates and develops the curriculum of the College and it is interesting to observe the growth in the quantity and quality of faculty research type activities.

The incoming student body is of good quality. Its origins are basically in Northwestern Pennsylvania

but a good sprinkling of students come from other parts of the Commonwealth, from other states, and there are representatives on the campus from several foreign nations.

It is interesting to note the growth of the resources available for teaching and learning. For example, the Hamilton Library which had a collection of 60,000 volumes when it was dedicated in 1962 now has 160,000 volumes. Also interesting to note is the expanded use of "teaching tools" such as closed circuit television.

You, the Alumni of the College, have always been generous in your support of the activities of the College and I know that each of you and your friends will continue being active supporters of this, your Alma Mater.

I welcome this opportunity to say "Hello" to each one of you.

Highlander Assistant Coaches

DAVID O'DESSA

Assistant grid coach Dave O'Dessa is commencing his fourth season as chief developer of Highlander offensive tackles this fall.

Following his graduation from Shaler High School, O'Dessa enrolled as an undergraduate at Edinboro State College in 1957 and completed his college education in 1961, at which time he received his B.S. degree.

During his athletic career at his college alma mater, O'Dessa competed on the varsity football and track teams. He was elected captain of the football squad, earned a berth on the PSCAC Western Division All-Star Team, and awarded a Little All-American Honorable Mention citation in his senior year. In addition, O'Dessa competed on the Gem City Bowl Game held in Erie, and was the recipient of the Sixth Annual Sox Harrison Outstanding Senior Athlete Award in 1961.

Following his graduation from ESC, O'Dessa was named assistant line coach of the Highlander football squad by Head Coach Loyal Park for the 1961-1962 seasons.

The most recent addition to the Highlander coaching staff is offensive backfield coach Jim Bowen.

Bowen has been head football coach at Fairview High School in Fairview for the past 9 years and has compiled an outstanding record of 72 wins and 8 losses. His grid teams have captured 4 league championships while riding 25 and 19 game winning streaks.

Coach Bowen is a 1957 graduate of Slippery Rock State College. He also attended Buffalo University where he earned his Master's degree.

He and his wife, Joyce, along with his 6 children, two of which are twin girls, reside in Fairview, Pa.

JAMES BOWEN

FRED CARO

Fred Caro will commence his fifth season as head freshman grid coach this year. In addition he serves as chairman of the Health and Physical Education Department, head Highlander wrestling coach, and Assistant Professor of Physical Education.

Caro received his B.S. degree from Lock Haven State College and his M.S. from Springfield College, Springfield, Massachusetts.

Currently, Caro has compiled nine years of coaching experience: three years at Tyrone Area High School as football, track, and wrestling coach; one year at Derry Area High School in the capacity of assistant football coach; one year as assistant football coach at Williston Academy in Massachusetts; and four years as assistant grid coach at Edinboro.

Head Coach William Cutcher

WILLIAM CUTCHER

In March of 1966, William Cutcher accepted the position of head varsity coach at Edinboro State College.

Cutcher began his new duties as Highlander grid mentor at Edinboro during spring football practice, April 22-May 15, 1966.

Prior to his appointment as head grid coach at Edinboro, Cutcher served as head football mentor at Central High School, Phoenix, Arizona. When he assumed the head coaching berth at Central High in 1964, Cutcher inherited a team which finished the previous season with an 0-10 football record. During his first year as head coach at the school, his team recorded three victories and seven defeats. In 1965 during his second season as grid mentor, Cutcher's team reversed their record to seven victories and only three defeats.

Before serving as Central High's grid mentor, Cutcher was varsity line coach at Persell High

School, Cincinnati, Ohio. Under his direction, Persell was the Greater Cincinnati High School Champions for 1952, 1953, 1955, 1959, and 1960. In addition, he served nine years as head varsity basketball coach at Persell and head varsity track coach for seven years, 1952-1959.

Cutcher's high school football career record contains 102 victories, 30 defeats and 6 ties.

Cutcher competed in collegiate gridiron competition at the University of Dayton for four years on the varsity squad. In 1952 he participated in the "Salad Bowl" in Phoenix, Arizona, against the University of Houston, Texas. Cutcher graduated from the University of Dayton with a B.S. degree in physical education. He earned his M.Ed. degree from Xavier University, Cincinnati, in 1958.

Hard hit by the loss of many key personnel through academic ineligibilities and injuries, Coach Cutcher's first grid season at Edinboro State College was marked with a disappointed 1-6-1 record.

1967 Highlander Varsity Football Squad

1967 Outlook

Head football coach Bill Cutcher is optimistic about his second season at the helm of the Highlanders because he has a good nucleus of young, eager, and aggressive ballplayers. The success of Edinboro's 1967 gridiron campaign relies heavily on how quickly prospects from last year's fine freshman crop can fill gaps in key positions on the varsity club. On the basis of spring practice, the '67 edition of Highlander hopefuls should have more speed, quickness, and over-all depth. The squad is young as far as class rank is concerned but is studded with "seasoned" ballplayers and veteran performers.

The offensive unit will be bolstered by the return of John Mikovich, 5'9", 195-pound hard-running junior halfback who missed action last season. Sophomores John Guerrasio, 5'11", 205 pounds, and "Smokey" Santillo, 5'10", 185 pounds, are expected to battle for the other halfback slot. Both have excellent speed. Bob Grief, 5'11", 205-pound senior should ward off all competition at the fullback spot.

Leading the list of offensive linemen are seniors Dave Brandel, 6'2", 230 pounds; Dan Bissontz, 6'1", 216 pounds; and junior John Ballard, 6'3", 227 pounds.

Biggest worry is Mike Malone's replacement at the quarterback slot. Coach Cutcher claims that the position is "up for grabs" among three or four pos-

sible candidates. Heading the pack is "Chico" Pollick, a 5'11", 175-pound sophomore from Springdale, who appears to have the edge in the passing department. Tom Mackey, a sophomore from Dormont, injured his knee while piloting the frosh squad last season, but it is reported that he will return and be ready to go.

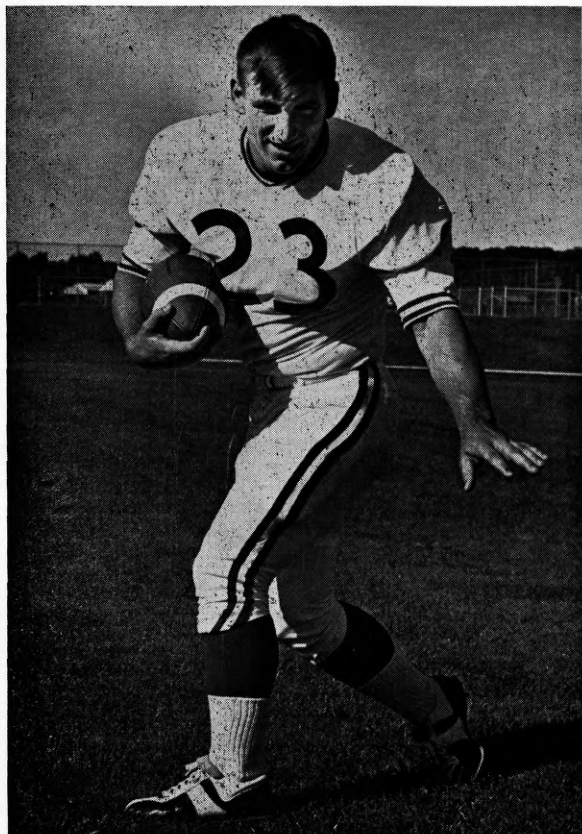

Defensively, the Highlanders are spearheaded by 6'3", 280-pound senior tackle, Steve Nishnik, and Jim Jaruszewicz, 5'11", 200-pound linebacker. Ed Hollins, 6'2", 195 pounds, and Lee Maitland, 6'0", 195 pounds, will team up at the defensive end positions.

Battle-tested senior Bob Koleno will be the key man in the deep secondary.

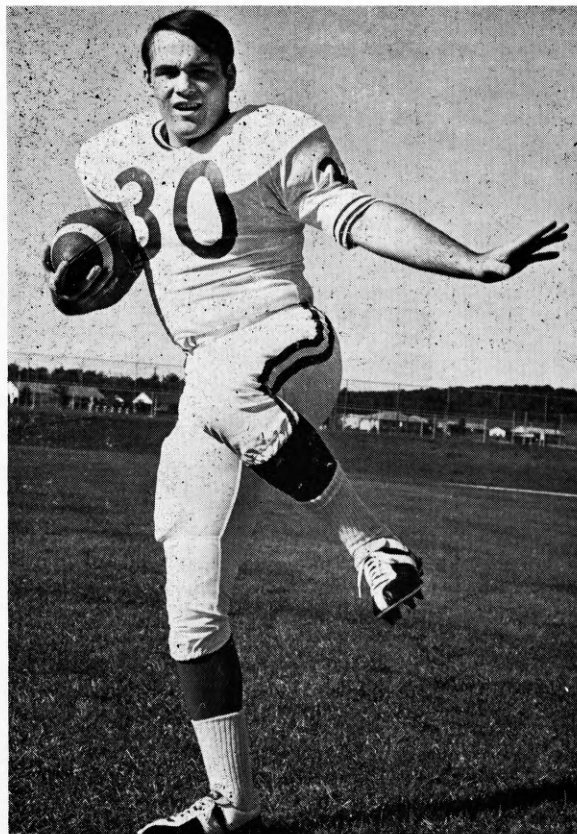

The addition of several promising junior college prospects could prove to be a key factor in solving some of the offensive problems.

Among these are 5'11", 210-pound halfback-quarterback, Al Barbati; 6'0", 200-pound guard, Paul Belosh; and 5'11", 205-pound halfback, Ben Haberman.

Another plus factor is Coach Cutcher's plans for a two-platoon system, an offensive and defensive unit. This will take the pressure off those players who were forced to go both ways last season because of the squads numerous injuries and lack of adequate personnel.

Clarion Coaching Staff

Al Jacks

Head Football Coach

Jacks, a native of Pittsburgh, played football at Penn State in the late 1950's. He lettered three years at quarterback under Coach Rip Engle. While in graduate school, he helped coach the Freshmen at Penn State. He was an assistant coach at Slippery Rock State College for three years, during which the Rockets won the Western Conference twice and were State Champions in 1962. Jacks started his fifth year at Clarion this fall, one year after his team won the PSAC championship. His overall coaching record, at the beginning of the 1967 season, was 24-9-2.

Charles Ruslavage

Line Coach

Ruslavage, a native of Coaldale, Pa., won three varsity letters at Penn State, playing as center, guard and linebacker. In 1958 he participated in the Blue-Gray game and the Senior Bowl.

He first coached at Allegheny College. After five seasons he moved to Clarion in 1964 to become head line coach.

Frank Lignelli

Athletic Director and End Coach

Lignelli graduated from Clarion in 1950 where he earned letters in football, wrestling and baseball. He is serving his twelfth year as an assistant coach at his Alma Mater.

Joseph Knowles

Back Coach

Knowles has been on the Clarion staff for seven years and serves as head baseball coach, in addition to his football duties and director of men's intramurals.

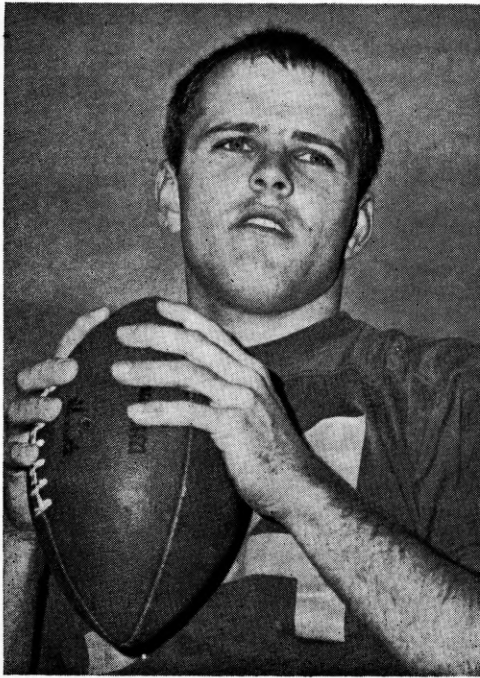

Outlook

It will be a difficult task to duplicate last year's season of the Golden Eagles. The 1966 team completed the season with a 10-0 record, and were winners of the Pennsylvania State College Championship.

This year the Eagles have no way to go but to stay on top or to go down. But they will do their best to be top contenders for the Western Conference Title.

The coaches hope that last year's momentum will carry over into the 1967 season. However, the team lost seven top football players through graduation. There are 29 returning lettermen.

TOP GOLDEN EAGLE

Shown in the adjoining picture is Jim Alcorn, Clarion's outstanding quarterback who last year was named Tri-State "Player of the Year." Alcorn will lead a largely veteran offensive team into today's contest. He is rated a tremendous passer and leader. He can throw long or short, and run the sprint-out series to perfection.

GOOD LUCK HIGHLANDERS!

HIGHLANDER CHEERLEADERS . . .

The 1967 Highlander cheerleading squad is shown above. From the left, captain Vicki Rivetti, Johnna Hinkle, Jackie Rump, Sue Peterson, Linda Neubrand and Beth White.

HIGHLANDER MARCHING BAND . . .

The 1967 edition of the Highlander Marching Band is shown performing at an earlier season game. The band will thrill the many spectators at today's game with their outstanding halftime show.

ALMA MATER

Hail to thee, our Alma Mater glorious,
Fresh wreaths we bring to bind thy brow;
Trials past thou hast withstood victorious,
Never fairer, never statlier than now.
O Edinboro, Edinboro, we revere thee,
Love thee, serve thee ever,
While class speeds class.
As swift years pass
To thee our hearts are true.
