## QUEEN AND HER COURT

Seven beautiful Highlander coeds are serving on Edinboro State College's 1968 Homecoming Court and all exhibit the outstanding poise and beaming personality traditionally a part of the coveted honor.

In past beauty contests, one of the queen candidates was named The Pittsburgh Press' 1968 Roto Cover Girl and another nominee was elected campus Carnival Queen.

This year's court of football royalty possesses not only the quality of attractive appearance, but also outstanding traits of service to the college community, leadership and academic achievement in the classroom.

All court members are active in a wide variety of campus activities ranging from a resident assistant in Scranton Hall to captain of the varsity cheerleaders. Five Homecoming Queen nominees are active members of campus sororities and two are members of national honorary professional fraternities in their area of academic endeavor.

The candidates' hometowns range from the Pittsburgh and Erie areas to Wyckoff, New Jersey.

## HEAD COACH

William Cutcher

This season will mark Bill Cutcher's third year as the Scots' grid pilot.

Prior to his appointment as head grid coach at Edinboro, Cutcher served as head football mentor at Central High School, Phoenix, Arizona. When he assumed the head coaching berth at Central High in 1964, Cutcher inherited a team which finished the previous season with an 0-10 football record. During his first year as head coach at the school, his team recorded three victories and seven defeats. In 1965 during his second season as grid mentor, Cutcher's team reversed their record to seven victories and only three defeats.

Before serving as Central High's grid mentor, Cutcher was varsity line coach at Persell High School, Cincinnati, Ohio. Under his direction, Persell was the Greater Cincinnati High School Champion for 1952, 1953, 1955, 1959, and 1960. In addition, he served nine years as head varsity basketball coach at Persell and head varsity track coach for seven years, 1952-1959.

His high football career record contains 104 victories, 37 defeats and 6 ties.

The Scot's mentor competed in collegiate gridiron competition at the University of Dayton for four years on the varsity squad. In 1952 he participated in the "Salad Bowl" in Phoenix, Arizona, against the University of Houston, Texas. He graduated from the University of Dayton with a B.S. degree in Physical Education and earned his M.Ed. degree from Xavier University, Cincinnati, in 1958.

## DEFENSIVE COACH

Sam Ruvolo, former head grid mentor at Cathedral Latin High School in Cleveland, Ohio, joined the Fighting Scots' grid staff this past spring.

Ruvolo, who grooms the Scots' defensive secondary, guided his Cathedral Latin teams to two championships and one tie in the powerful Cleveland East Senate conference. During his 9 years at Latin, Ruvolo amassed an overall record of 49-27-2. In the past 4 years his grid teams have lost only 6 contests while winning 30. His best season was posted by his 1965 squad which registered a 9-1 slate.

A graduate of John Adams High in Cleveland and Kent State University, Ruvolo has spent 18 years in the coaching ranks. Among various Cleveland schools included under his past tutelage are: Chanel Brecksville, South High and West Tech. He also served as athletic director at Cathedral Latin the past 2 years.

Ruvolo and his wife, Lois, are the parents of four children: Margaret Mary, Joseph, Thomas and John.

Sam Ruvolo

## OFFENSIVE COACH

Last year Coach DeGasperin assisted in the freshman coaching duties. This season he will guide the Scots' offensive backs.

DeGasperin received his B.A. from Fairmont State in 1957 where he quarterbacked the Falcons' football team. In 1961 he was awarded his M.S. from West Virginia University and has done graduate work at Ohio State University.

He has had several years of coaching experience in Ohio and was head football coach at Kingwood High School in West Virginia.

Jim DeGasperin

## DEFENSIVE COACH

Another addition to the Highlanders' staff since last season is Jim Gilstrap, former center at Western Michigan University and assistant coach at Case Tech the past two years. He directs Edinboro's defensive linemen.

Gilstrap, 26, is a 1964 graduate of Western Michigan University where he was a 3-letter winner in football. He earned his M.S. at Southern Illinois University where he was a graduate assistant on the football staff. He is originally from South Bend, Indiana, where he attended Clay High School.

He and his wife, Linda, presently live in Edinboro.

Jim Gilstrap

## FRESHMAN COACH

Another recent addition to the Highlander coaching staff is freshman coach Jim Bowen.

Bowen has been head football coach at Fairview High School in Fairview for the past 9 years and has compiled an outstanding record of 72 wins and 8 losses. His grid teams have captured 4 league championships while riding 25 and 19 game winning streaks.

Coach Bowen is a 1957 graduate of Slippery Rock State College. He also attended Buffalo University where he earned his master's degree.

He and his wife, Joyce, along with their 6 children, two of which are twin girls, reside in Fairview, Pennsylvania.

Jim Bowen

## PRESIDENT McNERNEY'S 1968 WELCOME MESSAGE

This year the Edinboro State College has an enrollment of 5,700 students on three campuses. By far the greater number, 5,100 are here at Edinboro and the remaining 600 are divided between the Shenango Valley Off-Campus Center located at Farrell and the Warren Area Off-Campus Center at Warren.

You will notice the new construction taking place on the campus. If you are seated on the permanent bleachers, to your right is the first completed portion of our major dormitory building project which houses 832 students. Immediately in front of these dormitories toward the lake, well underway in construction, is our beautiful new dining facility. Before this fall is over, it is anticipated that construction will begin on the new Student Center and the new Gymnasium-Field House. Located in front of the new dormitories across the lake you will note that the beautiful new World Cultures Building has been completed and that construction has begun on the new Maintenance Building. It should be noted that adjacent to the grove of trees south of the lake is the new College Infirmary. Major improvements have occurred inside many of the older buildings. Of course these cannot be witnessed unless you tour the buildings.

DR. CHESTER T. McNERNEY

The faculty of the College now number 316 members. The major part of this faculty, new and old, are professors holding advanced degrees from outstanding American and International Universities. In addition to the teaching which they do with a high degree of excellence, various faculty members are actively involved in important college committee work and many of them offer distinguished contributions to many areas of research and to Commonwealth obligations.

The freshman class this year is of very high caliber, representing the entire Commonwealth, some other states, and several foreign nations.

It is interesting to note the growth of the resources available for teaching and learning at the College. For example, the new Science Building includes a vast array of equipment for teaching as well as for research. The Hamilton Library which had a collection of 60,000 volumes when it was dedicated in 1962 now has 200,000 volumes and a collection of 9,000 microfilms and 325,000 micro-cards and microfiche. In the planning stage, at the moment, is the new Edinboro State College Library.

You, the Alumni of the College, have always been generous in your support of the activities of the College and I know that each of you and your friends will continue being active supporters of this, your Alma Mater.

I welcome this opportunity to say "Hello" to each one of you.

SAYS —

**"TERRORIZE"**

QB Tom Mackey

## SCOTS' "CO-PILOT"

Tom Mackey, a 5'11", 180-pound signal caller from South Hills High School in Pittsburgh, has been taking turns in guiding the Fighting Scots' offensive charges. Tom was an outstanding frosh quarterback for Edinboro in '66, but unfortunately suffered an injury which sidelined him last season. He has demonstrated excellent poise this season as a drop back passer.

Sat., Oct. 26	- Slippery Rock (away)		
Sat., Nov. 2	- California (home)		
Sat., Nov. 9	- C. W. Post		

## HIGH SCORING BIG INDIANS ATTACK SCOTS

With just six regulars—three from the offense and three from the defense—missing from last season's Big Indian varsity football team, hopes at Indiana University of Pennsylvania and for head coach Chuck Klausing for grid success can't help but be optimistic. The squad has a sound nucleus of 24 lettermen returning from a team which won eight while losing only one and can also boast of several promising newcomers.

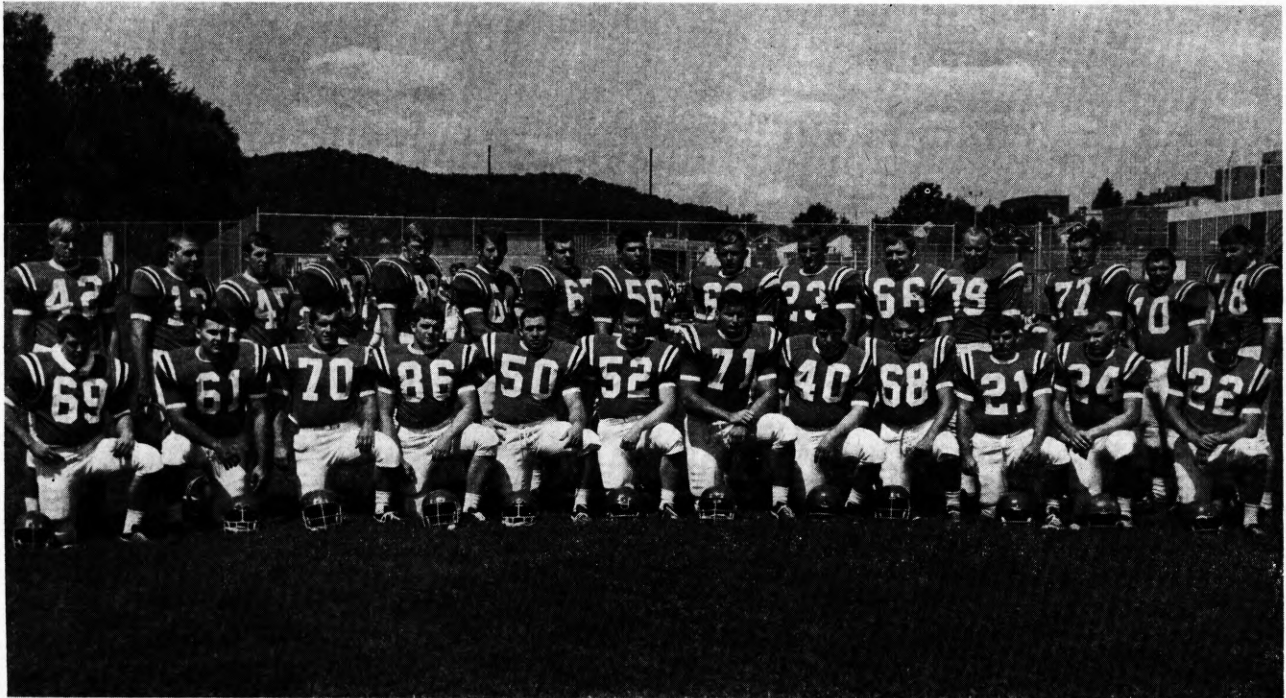

Both of last season's first team offensive ends have graduated, but their places will be taken by converted wingback, 5'7", 175-pound senior Dick Draganac at wide end, and converted fullback, 6'0", 210-pound junior Joe Kovalchick at tight end.

The starting backfield has two new faces, 6'1", 200-pound junior Dave Smith, a transfer from Waynesburg College, at wingback and 5'10", 186-pound junior Tom McCracken at fullback. They will join returning quarterback 6'0", 185-pound junior Wally Blucas and tailback 5'10", 185-pound junior Dan Cox, last year's leading ground gainer.

### LAST YEAR'S GAME

	SCORE	FD	YARDAGE	TDs
ESC - - -	0	4	94	0
IUP - - -	19	13	218	3

## INDIANA'S LETTERMEN

**Barry Masterson**

## **THE "SCRAMBLER"**

Barry Masterson, a 5'11", 170-pound sophomore from Cathedral Prep in Erie, completes the Scots' quarterbacking duo. Masterson is noted for his scrambling talents. Against Ohio Northern he engineered 3 touchdowns with only 6 minutes remaining in the half. He heaved a 49-yard aerial to Chico Pollick to set up one touchdown and threw a 38-yard scoring pass for another.
