EDINBORO STATE COLLEGE

From its beginning as a private academy in 1856, Edinboro State College has surged to the forefront as one of the leading educational institutions in western Pennsylvania. Located just 15 miles south of Erie, Pa., the college's setting offers a contrast of seasons. Enhanced by the beauty of Edinboro Lake, the community serves as a resort center during the summer while numerous nearby ski slopes offer a variety of recreation in the picturesque winter months. The college's location enables it to readily serve the tri-state area with its proximity to Pittsburgh, Pa. (125 miles), Cleveland, Ohio (100 miles) and Buffalo, New York (120 miles). Moreover, it is easily accessible from the north and south by Interstate 79 and east and west by Interstate 90.

Until recently the chief objective of the college was the education and preparation of classroom teachers for the schools of the Commonwealth. With the implementation of programs in arts, sciences and humanities, Edinboro has now become a multi-purpose

institution of higher learning serving the educational needs of a tri-state area.

The College has experienced a rapid growth rate in students, faculty and physical plant. Forty buildings cover the 585-acre campus which now services more than 7,000 students.

In its university oriented role, the College makes contributions in the fields of education, government, conservation, environmental improvement, urban and rural problems, crime prevention, and service to business and industry. Edinboro seeks to offer educational programs which will afford maximum opportunities to its potential students and to meet the educational needs of its region from a professional and a cultural standpoint.

With the addition of the liberal arts degree program in 1962, the College's curriculum has expanded to include numerous course selections. Curricula range from elementary and secondary education, special

fields in art, library science, music and special education to medical technology.

Student activities are designed to develop the personality, poise, self-confidence and professional awareness that will fit graduates for significant participation in American society.

The College stresses friendly relations among students and faculty, as well as active student participation in decisions affecting them. Quality education has been an Edinboro tradition for more than a century as graduates have distinguished themselves in the professions, business and industry.

With the appointment of Dr. Chester T. McNerney as Edinboro State's President in 1966, the College witnessed the addition of a prominent leader who is dedicated to the academic life, a tireless advocate of personal involvement in the religious and civic affairs of one's community, and an educator who visibly believes in and practices total individual professional commitment.

Under Dr. McNerney's leadership Edinboro State has undergone innovations and reorganization that has enabled the College to keep in step with the times and maintain its academic excellence.

Edinboro State College is at the brink of a new era and has taken the initiative for a new direction among the state colleges of Pennsylvania. The College plans to offer programs in such diverse fields as international education, business administration and engineering to meet its leadership responsibilities in the years ahead.

Keeping pace with the College's academic progress has been a building program which has dramatically changed the physical appearance of the campus over the past decade. Included among the additions are a nine-acre lake, an athletic complex, dormitory quadrant and new student services facilities such as a student union, dining hall and health center. Scheduled for completion in the near future are an eight-story twin dormitories and a new library.

McDonald's 25-11-2 Record Is Best Scot Mark

Bill McDonald carries an impressive 25-11-2 record into the 1973 season after four years of leading the Fighting Scots' gridiron program. Under his direction, ESC gridders posted identical 9-1 slates in both 1970 and 1971 while piling up a winning streak of 21 straight regular season games. His 25-11-2 mark puts him at the top of the winning percentage list among Edinboro State football coaches with a 70 per cent reading.

After an initial 4-4-1 season in 1969, his Fighting Scots became the greatest in ESC history when they went 8-0 in regular season play, captured the Lambert Bowl, won the Pennsylvania Conference championship and earned a berth in the NAIA national playoffs. His 1970 team followed up with an undefeated regular season (9-0) and a second straight PC Western Division title. Over 55 individual and team records have been established during his first four years at the reigns.

Upon completion of 1971's successful venture, numerous post-season laurels were bestowed upon the Scot's mentor. The Football Writers Association of New York named McDonald Coach of the Year in the East while the NAIA Area VIII and District 18 coaches as well as the Pennsylvania Collegiate Press Association also rewarded him with Coach of the Year honors.

Prior to his assignment at Edinboro, McDonald served as assistant football coach at Indiana Univ. of Pa. for three years and head coach at Hopewell High School from 1958-1965.

While he directed Indiana University's offense, the Big Indians registered 24 regular season victories against only three defeats. In his final season at Indiana, the Tribe finished unbeaten in nine outings and proved to be the greatest offensive unit in the school's history with a 40 points-per-game average.

The Wilmerding, Pa., native guided Hopewell High School to a 46-25-1 slate during his seven-year tenure as head coach. His 1960 ball club defeated Braddock High 7-6 and broke their WPIAL 58-game winning streak while his 1963 team captured the Midwest Class A Championship.

The Fighting Scots' grid pilot served as an assistant coach at Braddock High School through two undefeated seasons and also at Latrobe High.

McDonald holds both a B.S. degree in education and a M.Ed. from the Univ. of Cincinnati where he played fullback under Sid Gillman and his assistant coach Paul Dietzel. This team was the original "Chinese Bandits," a defensive unit which later became famous at Louisiana State University. Gillman was head coach of the San Diego Chargers for 12 years and became general manager for the Houston Oilers after the 1972 season.

After graduation from Cincinnati in 1952, the Scots' mentor continued his education in post graduate work at Penn State, Pitt and Indiana (Pa.) Universities.

1972 Sports Year Tops in ESC Athletic History

SCOTS SET TORRID VICTORY PACE ATHLETE'S WIN 7 OUT OF EVERY 10

Edinboro State's 1972-73 sports season proved to be the most successful campaign in Fighting Scot athletic history as ESC athletes in 12 varsity sports shattered the school's winning percentage mark for the fourth straight year. The Scots produced a final slate of 92 wins, 42 losses and 4 ties to claim an all-time high .687 percentage.

Six of Edinboro State's 12 varsity sports finished among the top 25 schools in the nation while three First Team All-America awards were claimed by Scots. In addition to the national rankings were NAIA district championships in tennis, track and golf while the Scot cindermen also registered their first ever Pennsylvania Conference crown.

Highlighting the individual awards were Dave Antognoli's First Team All-America plaques in both track and cross country along with grappler Tom Herr's NAIA national title in wrestling. Antognoli, who shared the Scot Senior Athlete of the Year honors with gridder Jim Romaniszyn, completed his athletic career at ESC with an unprecedented six First Team All-America citations and an unblemished 52-0 career record in cross country.

Hank Mariotti's netmen led the record-breaking assault with a perfect 10-0 card that was climaxed by an 18th place national finish at the NAIA meet in Kansas City, Mo. The ESC tennis men also claimed the NAIA District 18 crown and were runners-up in the PC.

Thundering right behind with an 11-1 slate were the swimming Scots of Coach Ed Erdos. In only their second year as a varsity sport, the tankers grabbed 22nd place in the nation, a conference runner-up spot and a third place finish at the powerful Penn-Ohio Meet.

After sprinting to the most wins in ESC's track history with a 6-1 ledger, the Scot cindermen claimed still another first by winning the Pennsylvania Conference crown. The Doug Watts-coached squad earned enough points for 14th place national honors at the NAIA meet in Arkansas. Included in their prestigious climb to the PC toga were the NAIA District 18 crown and the Buffalo State Relay Championship.

The highest national acclaim came from Coach Jim McDonald's golfers who fired their way to 12th place in the country at the NAIA match in Spartansburg, South Carolina. Enroute the ESC linksters had their best regular season record ever with a 10-3 showing and surprised a strong field of competitors by annexing the NAIA district title and runner-up honors in the Pennsylvania Conference.

Under Fred Caro's watchful eye, the Scot wrestlers battled their way to an 11-4 card, the most wins ever in a single season. Climaxing the ESC grapplers 20th place national standing was their first ever national champion in unlimited division performer, Tom Herr.

Led by six time All-American Dave Antognoli, the running Scots finished their fall schedule at 5-2 and then registered a national standing of 17th. Along the way the Watts-coached crew copped 2nd place at the Pennsylvania Conference meet, 3rd at the Malone Invitational, 5th at the Canisus Invitational and 22nd at one of the most impressive meets in the country, the Notre Dame Invitational.

Ten of Edinboro's 11 dual match varsity sports completed their schedules with .500 or better season records. Following the six sports that racked up national rankings were Coach Bill LaRosa's baseball team with an 11-7 slate, Jim McDonald's cagers at 13-9 for the year, George Shimpeno's 4-3-3 soccer squad and Vern Vogel's keggers who rounded out the winning trail with 8 victories against 7 setbacks.

Bill McDonald's Fighting Scot gridgers were only nine points short of repeating as Western Division champions in the Pennsylvania Conference. Although the Scots managed to place 12 new marks in the ESC record book, the Clansmen became victims of close finishes and ended with a 3-5-1 reading.

While Coach Gus Millers' judo team did not compete on a dual match basis, the newly acquired varsity sport managed 7th place honors at the Eastern Regional Collegiate Tournament.

Trapshooting, a club sport at the College, also chipped in with national fame. The Scot marksmen zeroed in on second place at the United States Intercollegiate Trap Championships. The Scots were defending national champions.

Romaniszyn Battles Pro Odds With The Browns

Jim Romaniszyn

Fighting Scot fans are becoming more optimistic about Jim Romaniszyn's chances of making it in the pro ranks—a lot of people are suddenly learning how to pronounce his name.

Romaniszyn, a 6-2, 225 pounder who spent most of his college career setting Edinboro State records, got the chance at the pros when he was drafted in the 13th round by the NFL's Cleveland Browns. Although he was tabbed as a running back, the Titusville, Pa., product has been switched by the Browns to outside linebacker.

Comments from the news media and the Cleveland coaching staff best reflect the chances of the Browns newcomer:

"He does everything pretty well. There are many new things to learn at linebacker but he is picking them up fast. He has natural athletic ability and is strong physically. He is going to be a factor in this line-backing."—Nick Skorich, Cleveland Browns' Head Coach.

"He's developing very well for a fellow who never played the defense. Jim is a real student of the game. Out on the field he's alert and keeps after it. He makes

mistakes, as you would expect, but he usually gets back into the play."—Howard Brinker, Browns' Defensive Co-Ordinator.

". . . just might beat the big odds and make the team."—Chuck Heaton, Cleveland Plain Dealer.

". . . no challenge seems too big, which is why he doesn't mind sticking his nose into the Browns' linebacking corps here despite the presence of six veterans."—Bill Scholl, Cleveland Press.

Asked if he minded the switch from the glamor job of ball carrying to the tough, rugged assignment as a linebacker, Romaniszyn replied, "With some other team I might have been disappointed but not here. I think my chances are better at linebacker. Now I'm beginning to get used to the position. The biggest thing is the mental aspect. As a runner I knew exactly what I was going to do. Linebacking is a position of reacting."

No matter what the outcome the past-Scot great has made a fine accounting of himself and certainly has added some luster to Edinboro State's athletic program. He was the first ESC gridder to ever be drafted by a professional team.

STEELERS TO HEAR SCOTS

Tuning up for the 1973 season along with Edinboro State's gridders is the Fighting Scot marching band. Under the direction of Dr. Donald Panhorst and his assistant Mr. Richard Lemke, the Edinboro State band will have one of their busiest schedules in Edinboro's band history.

The Fighting Scot marching band includes 180 members among which are 149 instrumentalists, 20 Tam O' Shanters, 8 majorettes and 3 bagpipers.

Topping the list of scheduled performances is a stop in Three Rivers Stadium on November 18 where the Fighting Scot band will provide the pre-game and halftime entertainment for the Pittsburgh Steelers-Denver Broncos game. The invitation is quite an honor since the applications of over 200 bands were screened prior to the selection. The Scots will present a pre-game

show entitled "Bye, Bye Beatles" followed with their rendition of "Fifty Years of Walt Disney" for halftime entertainment.

In addition to the appearance at the Steeler game, the Scot band will perform at all home and away ESC football games this season and provide the halftime show at Bradford Area's Homecoming. The only halftime show which the Fighting Scot band will not perform at Sox Harrison Stadium will be on September 15. On that date Edinboro State will host its annual Band Day Contest when numerous high school bands will be vying for honors.

The featured twirler for the Fighting Scot marching band is Pittsburgh's Karen Baklarz. A sophomore at ESC, Karen has won numerous twirling titles. Featured on the list are Miss Tri-State Majorette, Miss World Fancy Strut Champion, Miss Great Lakes Solo Champion, Miss St. Lawrence Seaways and Miss Western Pennsylvania Majorette Queen.

SERIES RECORD

	W	L	T	Pts.
Edinboro	17	26	1	550
Clarion	26	17	1	616

A revitalized Fighting Scot eleven will spotlight Edinboro State's 1973 homecoming festivities today when they greet the high flying Golden Eagles of Clarion.

A determined Scot defense that stopped Indiana threats twice in the fourth quarter last week will have to be at its peak to halt Clarion's rampaging offense. The Golden Ones are among the offensive leaders in the nation with a team output of over 450 yards per game to compliment their 35 points per game scoring average.

Clarion's thundering trio consists of halfbacks Scott Peters (6-0, 184) and Steve Nolan (5-8, 166) along with fullback Jim Fulton (5-10, 205). Both Fulton and Peters are averaging five yards per carry and Nolan is not far behind with his four yards per try showing.

Still to be reckoned with will be the passing antics of junior quarterback John Harlacher (6-0, 205) who has hit on 35 of 67 tries and six touchdowns.

Nine starters return to form the nucleus of the Eagles' stubborn defensive unit.

The Eagles will have to contend with a band of Fighting Scots who last week pulled off a 21-14 upset over Indiana. ESC's offense, which had scored only one touchdown in four games, tattooed the Indiana scoreboard three times behind the running efforts of tailback Melvin Morrisette and passing of quarterback Jude Basile.

Clutch catches by flanker Wes Bain and split end Howard Hackley were also highly instrumental in the win.

"We finally got a consistent effort out of our offense and the defense really turned the ball game around for us," commented Edinboro coach Bill McDonald. "It'd be tough to single out any one outstanding player," continued McDonald. "Everyone contributed."

Tackle Tom Herr leads Scots' defensive line charge.

Peter Young, Resident Manager

Once upon a time,

there was a little bank who wanted to do more and more for the people. To be nearer to the people, the

little bank decided it would branch out in several directions. Then there were

Yes, five little banks waiting to serve the people. But, the little bank wanted to do still more.

The

little bank soon learned that there were bigger banks that seemed to just be waiting to beat him up!

Our hero wasn't scared though, he knew it wasn't size, but **SERVICE** that made a bank **BIG!** So, in battle

He knew there were people wanting new cars, so our little friend did a very brave thing.

He lowered his **AUTO LOAN RATE**

8%

against the big banks our little bank began to offer bigger services to the people.

(that is very low)

A.P.R.

to

The big banks were shocked because their rates weren't that low.

Little bank was happy... he was really getting to help the people. The little bank that serves you in a big way is
