ON THE COVER: Edinboro State senior linebacker Greg Sullivan is expected to lead a Fighting Scot defense which should headline this year's squad. Sullivan, one of the team's tri-captains, joins with linebacker Jim Krentz and middle guard Ron Gooden to give the Scots one of the finest trios of defenders in the league.

EDINBORO STATE COLLEGE

1977 FOOTBALL CROSS COUNTRY SOCCER VOLLEYBALL GUIDE

Building A University . . .

Edinboro President - Dr. Chester T. McNerney

From its beginning as a private academy in 1856, Edinboro State College has surged to the forefront as one of the leading educational institutions in Western Pennsylvania. Located just 15 miles south of Erie, Pa., the College's setting offers a contrast of seasons. Enhanced by the beauty of Edinboro Lake, the community serves as a resort center during the summer while numerous nearby ski slopes offer a variety of recreation in the picturesque winter months. The College's location enables it to readily serve the tri-state area with its proximity to Pittsburgh, Pa. (125 miles), Cleveland, Ohio (100 miles) and Buffalo, New York (120 miles). Moreover, it is easily accessible from the north and south by Interstate 79 and east and west by Interstate 90.

Until recently the chief objective of the College was the education and preparation of classroom teachers for the schools of the Commonwealth. With the implementation of programs in arts, sciences and humanities, Edinboro has now become a multi-purpose institution of higher learning serving the educational needs of a tri-state area.

The College has experienced a rapid growth rate in students, faculty and physical plant. Forty buildings cover the 585-acre campus which now services more than 6,000 students.

In its university oriented role, the College makes contributions in the fields of education, government, conservation, environmental improvement, urban and rural problems, crime prevention, and service to business and industry. Edinboro seeks to offer educational programs which will afford maximum opportunities to its potential students and to meet the educational needs of its region from a professional and a cultural standpoint.

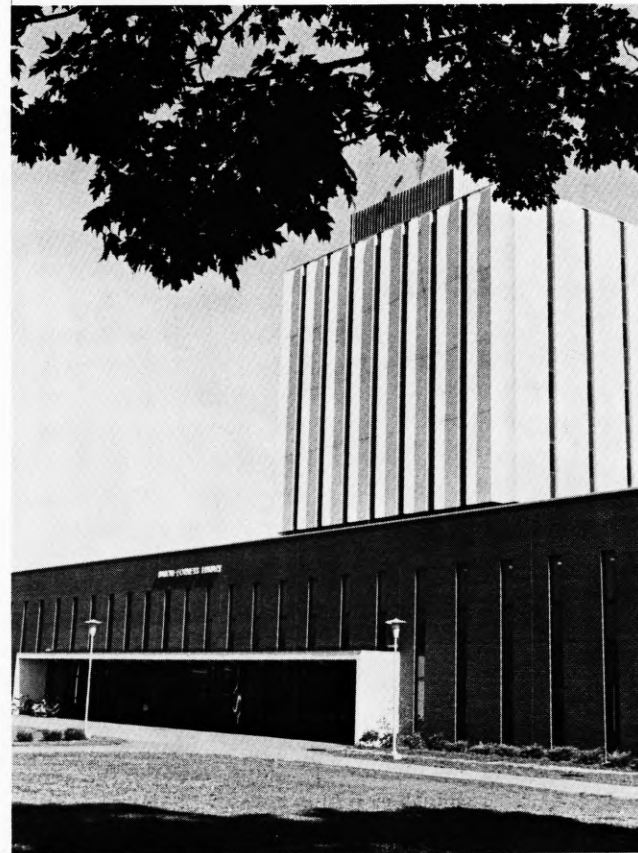

With the addition of the liberal arts degree program in 1962, the College's curriculum has expanded to include numerous course selections. Curricula range from elementary and secondary education, special fields in art, library science, music and special education to medical technology.

The College stresses friendly relations among students and faculty, as well as active student participation in decisions affecting them. Quality education has been an Edinboro tradition for more than a century as graduates have distinguished themselves in the professions, business and industry.

With the appointment of Dr. Chester T. McNerney as Edinboro State's President in 1966, the College has undergone innovations and reorganization that have enabled the College to keep in step with the times and maintain its academic excellence.

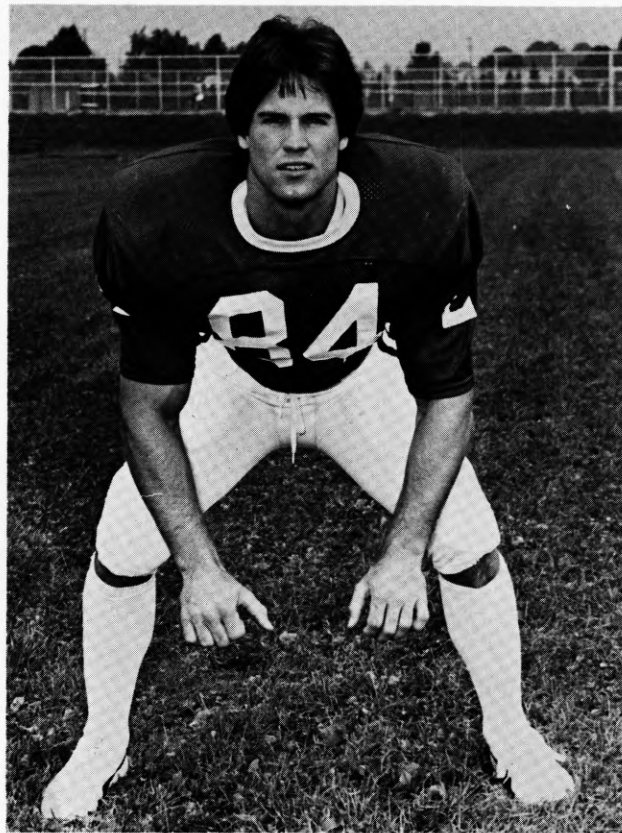

Edinboro State College is at the brink of a new era and has taken the initiative for a new direction among the state colleges of Pennsylvania. The College plans to offer programs in such diverse fields as international education, business administration and engineering to meet its leadership responsibilities in the years ahead.

Keeping pace with the College's academic progress has been a building program which has dramatically changed the physical appearance of the campus over the past decade. Included among the additions are a nine-acre lake, an athletic complex, dormitory quadrant and new student services facilities such as a student union, dining hall and health center. Scheduled for completion in the near future are a new library and administration building.

Meet the Scots . . .

SCOTS' BIGGEST PROBLEM IS MOVING THE BALL

Linebacker Greg Sullivan

Edinboro State College football coach, Bill McDonald, greeted exactly 96 varsity grid candidates the opening day of pre-season practice, but the large turnout did not cause the Fighting Scot mentor to be overly optimistic for the 1977 season.

"That number is deceiving," commented McDonald, "since we have only six seniors and 24 returning lettermen. Our camp is really made up of underclassmen.

There are 48 new freshmen on the roster, some of whom we'll have to depend on to fill key roles.

"It seems that almost every place we have outstanding strengths, we also have glaring weaknesses. For example, we have a fine throwing quarterback in Mike Hill, but our entire receiving corps was wiped out by graduation. Defensively, we probably have the best set of linebackers in the league, but we have to depend on a revamped front line that is still a big question mark.

"We've always been blessed with an outstanding break-away runningback. This year we have the kind of people along the offensive line that, if they pull together, could do an outstanding job, yet don't have game-breaking speed in our backfield."

While McDonald bemoans the fact that he has a lot of newcomers who will have to fit into the Fighting Scot mold rather quickly, there is still a crop of some fine veterans in front running positions.

Some of the Scots' most solid performers are found on the defensive side of the ledger where Associated Press All-American Honorable Mention middle guard Ron Gooden (6-3, 250) is bolstered by standout linebackers Jim Krentz (6-2, 225) and Greg Sullivan (6-1, 195). Krentz was the Scots' tackling leader last fall with 113 hits, while Sullivan finished third and Gooden fourth on the tackling charts.

Joining the trio up front are tackle Randy Bradshaw (6-3, 235), along with Willie Curry (6-3, 215) and Tom Lang (6-0, 203) who man the terminal spots.

Returning to set their sites on enemy aerials in the secondary are Mike Jennings (5-11, 175) and Kevin Campbell (5-11, 165) who will be supported by newcomers Ken Petardi (6-0, 175) and Dan Fiegl (6-0, 185).

Also on tap to help the defensive unit are tackle Tom Greenstone (6-2, 230), end Bruno Capogreco (6-3, 205) and defensive back Rayfield Adams (6-0, 187).

A pair of record breakers are missing from the Scots' offensive corps, but junior quarterback Mike Hill has

DEFENSE TRADITIONALLY SOLID AGAIN

already proved that he can help fill the gaps. Hill reported to the ESC backfield on the second play of last year's final game and promptly broke three Edinboro State passing records. Hill established a new TD passing mark with three aerial scores in that game, while finishing the year with nine touchdown passes, another new standard. He finished the contest with 275 yards in the air which bettered the previous record of 250 set by Jude Basile in 1974.

Ready to make holes along the offensive line are veteran tackles Lee Barthelmes (6-5, 230) and Greg Hampy (6-3, 240), along with guards Dave Gallagher (5-10, 195) and Bob Kunkle (6-0, 219). Transfer Dave Jaworski (6-1, 222) has gotten the nod at center, while tackle Jim Wuliger (6-2, 245) and Fred Knoof (6-3, 225) are also expected to see much action.

The biggest problem facing the Scots' braintrusts is the replacement of the best pass catching aces in ESC history. Gone from the ranks is a crop of receivers who caught a record-breaking 110 passes for 1,653 yards. Among the group was speedy Howard Hackley who led the assault on the record book by revising eight pass receiving standards. The talented receiver notched new marks for most yards in a game (190), season (972) and career (2,467), as well as most receptions in a game (9), a season (47), a career (135) and most touchdown catches in a season (9) and career (18). Hackley also finished as the team's leading scorer with his 54 points via nine scoring catches.

Alternating at tight end are juniors Pat McKenrick (6-5, 225) and Bill Kruse (6-3, 215) with Bob Jahn (6-0, 178) stationed at the wide receiver slot and Mike Arcarisi (6-1, 205) listed as the starting flanker. Look for freshman Joe D'Amico (5-10, 180) to push for a regular job as the season progresses.

Other record breakers on hand are punters Dan Fiegl (6-0, 185) and John Serrao (5-10½, 185) who, likewise, etched their names in the Edinboro State record charts. Fiegl posted the best punting average ever with his 39.4 yards per boot in 57 attempts. Serrao got into the standard revising act by successfully booting field goals six times for a new season high.

Overall, the 1977 Fighting Scots appear to be solid defensively, but observers in most camps feel the offensive unit will have a tough time tatooing the scoreboard at the same pace past Edinboro State teams have been setting.

McDONALD MOLDS A WINNER AT ESC

Head Coach - Bill McDonald

Bill McDonald carries an impressive 48-24-5 record into the 1977 season after eight years of leading the Fighting Scots' gridiron program. Under his direction, ESC gridders posted identical 9-1 slates in both 1970 and 1971 while piling up a winning streak of 21 straight regular season games. His 48-24-5 mark puts him at the top of the winning percentage list among Edinboro State football coaches with a 67 per cent reading.

After an initial 4-4-1 season in 1969, his Fighting Scots became the greatest in ESC history when they went 8-0 in regular season play, captured the Lambert Bowl, won the Pennsylvania Conference championship and earned a berth in the NAIA national playoffs. His 1971 team followed up with an undefeated regular season (9-0) and a second straight PC Western Division title. Over 60 individual and team records have been established during his first seven years at the reigns.

Upon completion of 1970's successful venture, numerous post-season laurels were bestowed upon the Scot's mentor. The Football Writers Association of New York named McDonald Coach of the Year in the East while the NAIA Area VIII and District 18 coaches as well as the Pennsylvania Collegiate Press Association also rewarded him with Coach of the Year honors.

Prior to his assignment at Edinboro, McDonald served as assistant football coach at Indiana Univ. of Pa. for three years and head coach at Hopewell High School from 1958-1965.

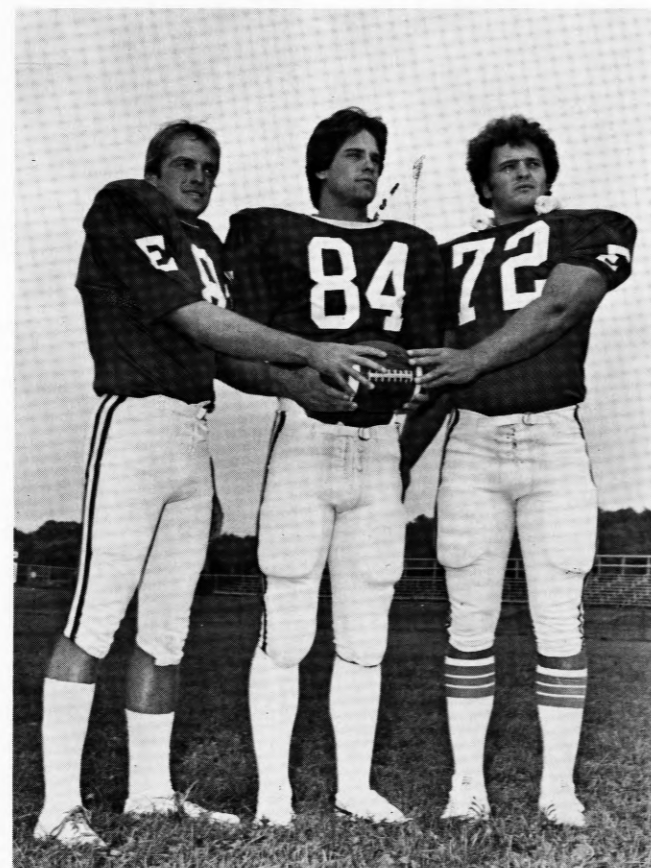

While he directed Indiana University's offense, the Big Indians registered 24 regular season victories against only three defeats. In his final season at Indiana, the Tribe finished unbeaten in nine outings and proved to be the greatest offensive unit in the school's history with a 40 points-per-game average.

The Wall, Pa., native guided Hopewell High School to a 46-25-1 slate during his seven-year tenure as head coach. His 1960 ball club defeated Braddock High 7-6 and broke their WPIAL 58-game winning streak while his 1963 team captured the Midwest Class A Championship.

The Fighting Scots' grid pilot served as an assistant coach at Braddock High School through two undefeated seasons and also at Latrobe High.

McDonald holds both a B.S. degree in education and a M.Ed. from the Univ. of Cincinnati where he played linebacker under Sid Gillman and his assistant coach Paul Dietzel. This team was the original "Chinese Bandits," a defensive unit which later became famous at Louisiana State University.

After graduation from Cincinnati in 1952, the Scots' mentor continued his education in post graduate work at Penn State, Pitt and Indiana (Pa.) Universities. Bill and his wife, Joanne, along with their three children - Amy, Jody and Dave - reside in Edinboro.

EDINBORO STATE 1977 TRI-CAPTAINS (L-R): Mike Jennings, Greg Sullivan, Greg Hampy.

VETERAN COACHES OFFER VALUABLE EXPERIENCE

1977 ESC FOOTBALL STAFF (L-R): Head Coach Bill McDonald, Denny Creehan, Tom Herman, Barney Rutkowski, Jeff Idzik, Jim Bowen, Ken Walker, Harry Morrison and George Gast.

JIM BOWEN — Linebackers

Jim Bowen begins his 11th year with the Edinboro State football program on the defensive side of the ledger. The veteran mentor has primarily worked with the Scots' offensive attack, but for the second year the experienced coach will help fill a gap by directing the linebackers. Bowen served as backfield coach tutoring such greats as Joe Sanford, Jim Romaniszyn, Bob Mengerink and Al Raines. Jim was head football coach at Fairview High School for 10 years and compiled an outstanding record of 76 wins and 12 losses. His grid teams captured four league championships while riding 25 and 19 game winning streaks. The knowledgeable Scot coach graduated from Slippery Rock State in 1957 and earned his master's degree from Buffalo University. Jim and his wife, Joyce, along with their 7 children, two of which are twin girls, reside in Girard.

TOM HERMAN — Offensive Coordinator

Tom Herman returns to his alma mater for the third year to coordinate the offensive unit and primarily to tutor the offensive line. Originally a standout football player at Lincoln High School in Ellwood City, Tom continued his grid career at Edinboro State for four years where he started as a center during his junior campaign and then was a regular defensive end in his senior season. Tom earned his master's degree in health and physical education at Marshall University where he served as an assistant offensive line coach. He spent last fall sharpening Edinboro State's defensive linemen.

BARNEY RUTKOWSKI — Offensive Backs

Barney Rutkowski begins his third year on the Fighting Scot staff coaching offensive backs and coordinating the junior varsity offense. Barney came to Edinboro after spending six seasons as head football coach at St. John Kanty Prep and had also served one year as assistant coach at Wesleyville High School. He is a graduate of Wesleyville High where he earned all-county honors performing at both quarterback and linebacker. Following two years of active service in the Navy, Barney attended Findlay College, Findlay, Ohio, where he was a member of both the football and wrestling squads. He then moved to Kanty Prep in a teaching position for nine years, six of which involved head coach in football and nine consecutive seasons as head basketball coach. Presently, he is working toward his certification in health and physical education at Edinboro. Barney and his wife, Carol, reside in Erie along with their four children, Russell 16, Raymond 15, Beth Ann 13, and Mary Carol 11.

KEN WALKER — Receivers

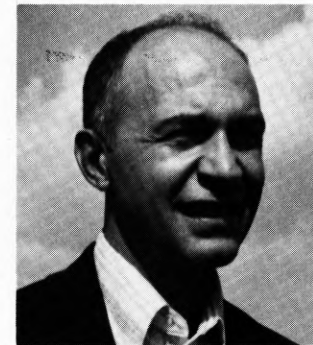

Ken Walker comes to the Fighting Scot camp to mold the Scots' receivers after serving as head football coach at Union City Area High School for four seasons. During that span, the Bears captured two league championships and were most impressive last fall when they lost their first ball game and won their next eight in a row. Ken was a four-sport letterman at Edinboro's General McLane High School and then chose to continue his career at Edinboro State where he played split end and defensive back for the

A Team Behind the Team . . .

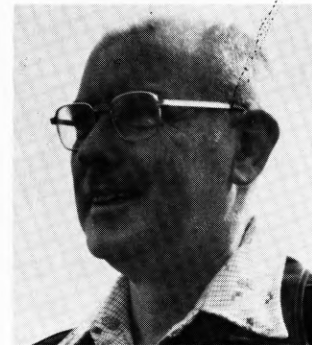

Fighting Scots. Upon receiving his degree in elementary education in 1970, he accepted an assistant football coaching position at Cambridge Springs High and then moved to a similar position at Union City in 1971 prior to his head coaching assignment. The new Scot mentor lives in Edinboro with his wife, Jan, and their five-year old son, Matt.

DENNY CREEHAN — Def. Coordinator

Denny Creehan, a captain on Edinboro State's 1970 Lambert Bowl championship team, has joined the Scot staff as a defensive coordinator. Denny was accorded first team all-east honors by the ECAC and first team all-state Associated Press while performing as the Scots' strong safety. A graduate of Bethel Park High School in Pittsburgh, Denny has also earned an M.S. degree from Duquesne University and his M.Ed. from Pitt, in addition to his B.S. degree at Edinboro State. The Castle Shannon, Pa., native served as defensive coordinator at Keystone Oaks High in Pittsburgh for three years before joining the Pitt staff in 1974. After a year with the Panthers under Coach Johnny Majors, Denny served as offensive coordinator at Carnegie Mellon University for a single season. Denny recently moved to Edinboro, bringing with him his wife, Linda, and their two-year old son, Kevin.

Bob Klingler

Al Hall

GEORGE GAST—Defensive Ends

George Gast returns to Edinboro State this year after four seasons of coaching in the greater Cleveland, Ohio area. Gast, who was an All-District 18 defensive end for the Scots in 1972, will tutor the terminal positions where he specialized during his collegiate career. Following graduation in 1973, George spent one season as a linebacker for the Youngstown Hardhats in the semi-pro ranks before accepting a coaching and teaching position at Berea High School. He spent the next three campaigns at Kenston High School in Kenston, Ohio, where he served as an assistant defensive coordinator and assistant wrestling coach. George, his wife, Penny, and daughter, Meighan, are currently living in Lawrence Towers on the ESC campus where he is serving as head resident.

JEFF IDZIK—Defensive Line

Jeff Idzik returns to the Edinboro State College football program after spending a year as defensive coordinator at Canisius College in Buffalo, New York. Idzik will guide the defensive line where he was stationed during his collegiate career at Edinboro State. During the 1975 grid campaign, Idzik scouted for the Scots while assisting with the linebacking corps and defensive ends. He has also worked as a defensive coordinator at Cambridge Springs High School. Idzik received a B.S. degree in secondary education from Edinboro in 1974. The Scot coach lives in Edinboro with his new bride, Judy.

HARRY MORRISON — Offensive Line

A 1968 Indiana University of Pennsylvania graduate with a degree in business, Harry Morrison will be offering his coaching points to the offensive line prospects. Morrison is originally from Greenville, Pa., where he played football and wrestled at Greenville High School. In 1969 he accepted a coaching position at Warren Western Reserve, one of Ohio's most highly respected scholastic football powers. Harry had charge of both the offensive and defensive backs for the Fighting Raiders, who posted 9-1 and 8-2 season slates before going unbeaten, 12-0, in 1972. Prior to this year's membership on the Edinboro State College football staff, Harry directed both the offensive and defensive line candidates at McDowell High School under Coach Jim Paul. He and his wife, Kathy, along with their four children, Don 10, Wendy 8, Ray 7, and Holly 6, reside in Erie.

AL HALL — Athletic Director

Since Al Hall's appointment as Athletic Director in 1968, Edinboro State has enjoyed one of the most respected and most successful collegiate athletic programs in the East. Through his efforts, Edinboro State College has become a focal point for athletics in Northwestern Pennsylvania and has hosted numerous championship events. Under his leadership, ESC's sports program has vastly expanded and attained new memberships in the ECAC and NCAA while building a coaching staff that has compiled the College's best record in history. A graduate of Baldwin-Wallace College, he served as Assistant Director of Athletics at Akron University for two years and piloted Akron's cross country teams to championship finishes for 12 seasons. Al, his wife, Pam, daughter, Beth, and their son, Dale, reside in Edinboro.

BOB KLINGLER — Team Trainer

Giving Fighting Scot athletes the tops in professional medical care and producing top-notch staffs of student trainers has been the trademark of trainer Bob Klingler who begins his tenth season at Edinboro State. The 1952 Lock Haven grad ventured to Hermann School of Physical Therapy in Houston, Texas and became a registered physical therapist in 1954. He later received his M.S. from Bucknell. Prior to accepting his ESC post, Klingler taught at Milton Hershey, a private boys' school in Hershey, Pa. Bob, his wife, Jill, and daughter, Julie, make their home in Washington Township.

NATIONAL CHAMPIONS STILL RESPECTABLE

Name practically any honor that can be bestowed upon any athletic team and Edinboro State College's cross country coach Doug Watts has probably attained it. Under Watts' tutelage, the Fighting Scots have nailed down back-to-back NAIA national championships, while winning 30 straight matches in dual competition.

Watts, himself, has been twice-named NAIA Coach of the Year and over the past eight seasons has guided his teams to an amazing 56-8 overall record. While three of four All-Americans are missing from the roster, Watts feels he still has the talent on hand to be one of the top representative teams in the nation.

The Scot mentor has his work cut out for him with only

senior All-American Dalvin Baehler back in the fold, along with a handful of veterans and some promising newcomers.

Undoubtedly, Baehler will lead the pack, but should be pushed by sophomore Brian Jordan who established himself as a top challenger last season in his freshman debut. Right behind him is All-America hopeful Joe Come who has been slowed throughout his career with untimely injuries. Also showing their heels to the competition should be seniors Dave Hornack and Mark Linder, along with soph transfer Steve Dunham who was the Delaware State high school champ two years ago.

The Scots won't have far to go to find top notch competition with backyard rival Indiana University also in contention for the national laurels this year.

"We're a young team. If we hang together and develop character, we'll win a lot of games." This was Edinboro State's Soccer Coach George Shimpeno's assessment in regard to the Scots' upcoming 1977 soccer campaign.

Shimpeno was referring to the Fighting Scots' youthfulness this season. Since the squad's defense has vanished from last year via the diploma route, Shimpeno will overload his defensive unit with three starting sophomores and one freshman. "The success of this season will depend on how well we can build a defense," continued the eighth-year ESC soccer mentor.

The senior trio of Roberto Serrano, Amilcar Flores and Frank Hartmann will head the cast of underclassmen.

Serrano was among the team's leading scorers last season with five goals and two assists, while Flores chipped in with one goal and five assists.

Edinboro will be attempting to improve on last year's 6-5-1 record with a bolstered offense which includes junior Jim Basilone and freshman Jim Boyles providing the fire power. Versatile senior Frank Hartmann also adds depth to the squad.

Holding down the Scot defense will be sophomore Henry Arch, said to be the "strongest and most aggressive defender" by Shimpeno. Arch will be used mainly as a sweeper back.

Pius Takang, a sophomore from Cameron, Africa, will also see a lot of action this season on defense, as will freshmen Bucky Cosgray and Jim Boyles.

In the goal this season for Edinboro State will be returning letterman Gabriel Castillo, a junior who has had plenty of experience. Complementing Castillo and providing plenty of competition is freshman Leon Green. The Richlands, North Carolina product is new to the game, but has been impressive in early drills.

Overall, the Scots will carry eight returning lettermen on a roster of 25 this season and will be competing in Division I of the Western Pennsylvania Intercollegiate Soccer Conference.

Shimpeno is hoping to at least break even in this fall's rugged campaign and with a few lucky breaks, the young, but skillful Scots can find themselves in the thick of things come November. However, the Scot booters are lacking depth and injuries will play a key factor in the squad's success.

Shimpeno expects Behrend to be the team to beat in the western division this fall, with Slippery Rock and Indiana as top challengers.

Since the University of Pittsburgh is Shimpeno's alma mater, the clash with the Panthers takes on a special meaning to the ESC coach. With last year's series-evening 2-1 win over Pitt still fresh in their minds, the Scots are looking forward to facing the "Steel City" team once again.

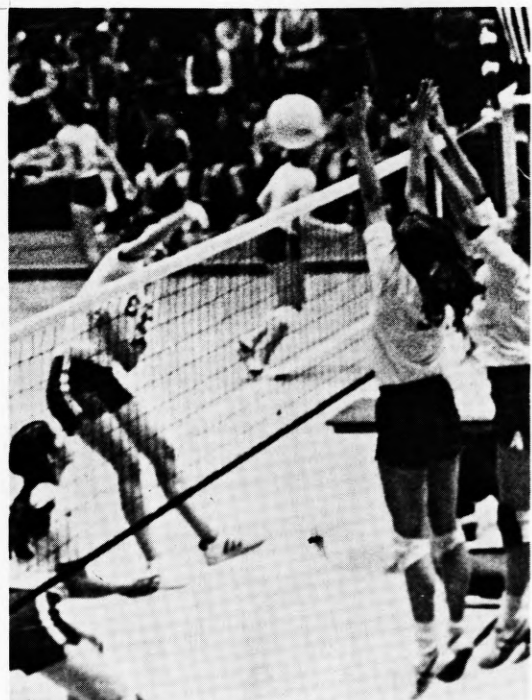

Helping Shimpeno sharpen the ESC kickers has been graduate assistant Dan Frost, who has shared his valuable experience with the Scot goalkeepers.

1977 SOCCER SCHEDULE

Coach—GEORGE SHIMPENO

Sept. 17	PITT-JOHNSTOWN (1:00)

Woods, Kim	5-1	Fr.	Wattsburg, Pa.

During the past three seasons, women's volleyball at Edinboro has truly "arrived," according to head coach Pat McLane. The quality of play has continually improved, the schedule has become increasingly difficult and spectator participation has grown rapidly.

Regular season records of 17-5, 22-2, and 23-2 against impressive competition reflect the improved quality of play. For three consecutive seasons, Edinboro has been selected one of the best 16 college and university teams in 10 eastern states. As one of the "top 16," the Lady Scots competed in regional tournaments at the University of Delaware, Southern Connecticut State College and at home last fall when the Scots hosted 15 other teams from the Eastern region at McComb Fieldhouse.

Last season, Edinboro defeated every Pennsylvania team it played with double victories against Pitt and Slippery Rock and single setbacks against Clarion, Indiana, Temple, East Stroudsburg and Penn State. In the regional tournament, Edinboro beat the University of Connecticut and Temple before being eliminated by Cortland and Georgetown.

Senior spiker Julie Groves is this year's captain with senior setters Anna Sabol and Mary Stickle serving as alternate captains.

Highlighting the fall 1977 campaign is the addition of numerous new teams to the schedule. Edinboro will meet Cleveland State, central region powerhouse Cincinnati and Kent State University.

Also featured on the schedule is Ohio University, a team the Lady Scots will face at the Pitt Invitational Tournament. Opponents closer to the eastern seaboard are Springfield College (Mass.), Ithaca and Central Connecticut.

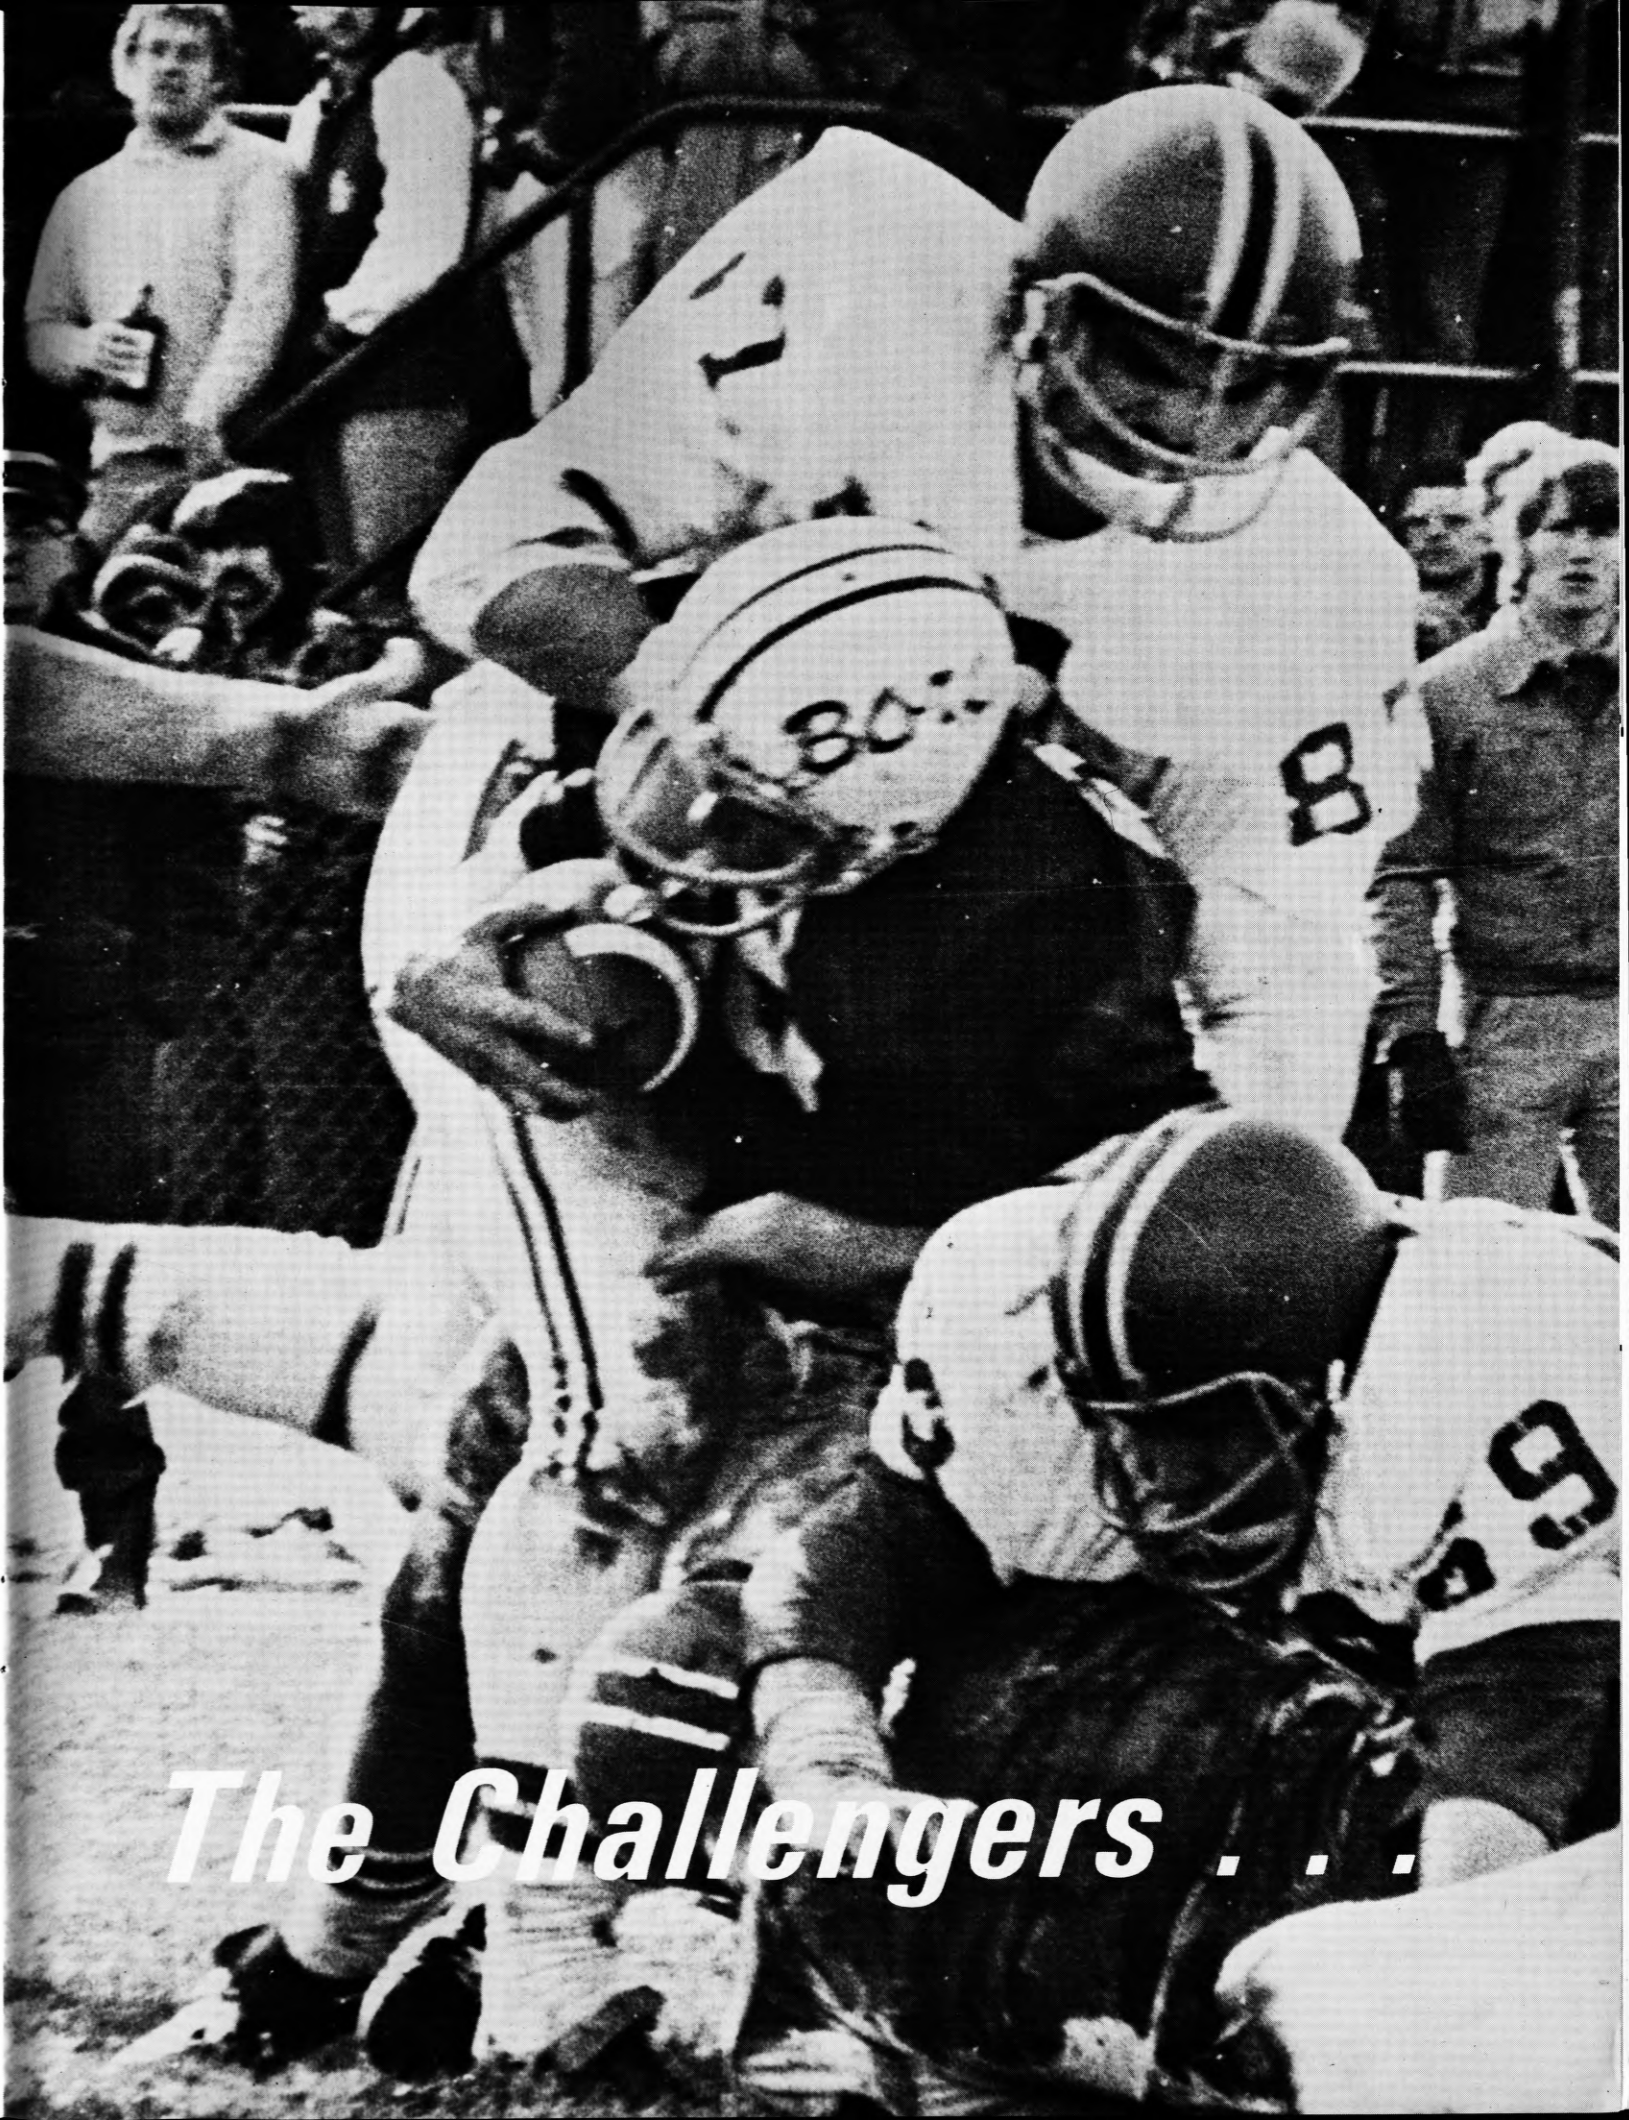

The Lady Scots will be pointing toward a berth, once again, among the top 16 in the regional tournament which, this year, will be hosted at Oswego, New York in November.

Edinboro's second annual invitational tournament includes newcomers Pitt — Johnstown and Cleveland State, along with traditional powerhouses Buffalo State, Brockport, Clarion and Slippery Rock. The Lady Scots topped the field of eight entrants last fall when they fought off a determined Pitt team with closely contested 15-10, 11-15 and 15-12 matches.

Area volleyball fans were treated to some of the finest competition in the United States with the Scots hosted the EAIAW regional championships. Coach Pat McLane's hopefuls dropped tight 15-10 and 15-13 matches to Cortland State, the team which eventually finished as the tourney runnerup the Scots' chances were hampered as they lost standout Paula Parmeter who was forced to the side lines after injuring her achilles tendon.

The University of Maryland defeated Cortland State, 16-14 and 17-15, as 2,400 onlookers witnessed the exciting championship contest. Both teams proceeded to the national finals at the University of Texas.

TODAY'S CHALLENGERS

SOON TO BECOME A PART OF THE PAST . . .

The following pages of information encompass a history of Edinboro State College football which reflects competition as a four-year, degree-granting institution that began in 1926. Included in this information are scores from all games played during that span of time to the present, as well as a complete set of individual and team records. Other interesting highlights, along with last year's individual and team stats, can also be found on these pages.

ALL-TIME SCORES 1926—1976

Edinboro's intercollegiate football history began in 1926 when Edinboro became a four-year degree granting institution and for the first time played a complete intercollegiate schedule against other four-year degree granting institutions.

Prior to the 1926 season, Edinboro was a state normal school and did not play a complete intercollegiate schedule. Therefore, any records prior to that season should not be considered as part of the intercollegiate football history of Edinboro State College.

Saturday at Sox Harrison Stadium

HOME OF THE FIGHTING SCOTS — SOX HARRISON STADIUM

Serving as home for ESC athletes and fans is Sox Harrison Stadium. The edifice was dedicated in the fall of 1965 in honor of "Sox" Harrison who served as head football and basketball coach at the College for 35 years. His 1931-32 cage record of 11 wins and 1 loss still stands as one of the best marks ever posted by an Edinboro basketball team. Sox still enjoys watching the Fighting Scots on Saturday afternoons as one of their most ardent fans.

Complete facilities are located beneath the grandstand area, which seats 3,000 people. Locker space for both the home and visiting teams, the coaching staff offices and locker room, the officials' dressing room, the training room,

showers, the weight room and a laundry room are utilized within this space. Also included are restrooms, janitors' facilities, equipment rooms, a large concession stand and a glass enclosed press box.

In addition to the football field, the stadium also contains complete track facilities. A quarter-mile oval, a 220 straight-away and asphalt approaches for the field events highlight the home of the cinder sport.

Bleacher seats on the visitors side of the stadium bring the total seating capacity to 5,500.

A new scoreboard, one of the largest in the Conference, was added at the south end of the field last year.
