EDINBORO STATE COLLEGE

1978 FOOTBALL CROSS COUNTRY SOCCER VOLLEYBALL GUIDE

Building A University . . .

Edinboro President - Dr. Chester T. McNerney

From its beginning as a private academy in 1856, Edinboro State College has surged to the forefront as one of the leading educational institutions in Western Pennsylvania. Located just 15 miles south of Erie, Pa., the College's setting offers a contrast of seasons. Enhanced by the beauty of Edinboro Lake, the community serves as a resort center during the summer while numerous nearby ski slopes offer a variety of recreation in the picturesque winter months. The College's location enables it to readily serve the tri-state area with its proximity to Pittsburgh, Pa. (125 miles), Cleveland, Ohio (100 miles) and Buffalo, New York (120 miles). Moreover, it is easily accessible from the north and south by Interstate 79 and east and west by Interstate 90.

Until recently the chief objective of the College was the education and preparation of classroom teachers for the schools of the Commonwealth. With the implementation of programs in arts, sciences and humanities, Edinboro has now become a multi-purpose institution of higher learning serving the educational needs of a tri-state area.

The College has experienced a rapid growth rate in students, faculty and physical plant. Forty buildings cover the 585-acre campus which now services more than 6,000 students.

In its university oriented role, the College makes contributions in the fields of education, government, conservation, environmental improvement, urban and rural problems, crime prevention, and service to business and industry. Edinboro seeks to offer educational programs which will afford maximum opportunities to its potential students and to meet the educational needs of its region from a professional and a cultural standpoint.

With the addition of the liberal arts degree program in 1962, the College's curriculum has expanded to include numerous course selections. Curricula range from elementary and secondary education, special fields in art, library science, music and special education to medical technology.

The College stresses friendly relations among students and faculty, as well as active student participation in decisions affecting them. Quality education has been an Edinboro tradition for more than a century as graduates have distinguished themselves in the professions, business and industry.

With the appointment of Dr. Chester T. McNerney as Edinboro State's President in 1966, the College has undergone innovations and reorganization that have enabled the College to keep in step with the times and maintain its academic excellence.

Edinboro State College is at the brink of a new era and has taken the initiative for a new direction among the state colleges of Pennsylvania. The College plans to offer programs in such diverse fields as international education, business administration and engineering to meet its leadership responsibilities in the years ahead.

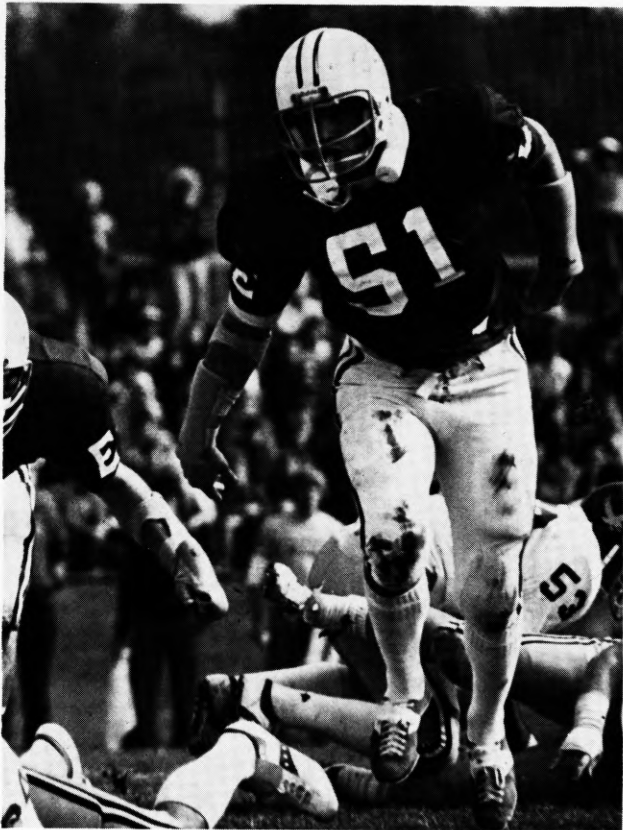

Keeping pace with the College's academic progress has been a building program which has dramatically changed the physical appearance of the campus over the past decade. Included among the additions are a nine-acre lake, an athletic complex, dormitory quadrant and new student services facilities such as a student union, dining hall, health center, library and administration building.

Meet the Scots . . .

POINT PRODUCING SCOTS' BIGGEST CHALLENGE...

Linebacker Jim Krentz—"Keystone" of the defense.

When Edinboro State's Bill McDonald scans the roster of his 1978 football squad, he feels a lot more confident than he did a year ago. No, the Scots' head coach isn't predicting any championships, but his team should be a very respectable challenger in the Pennsylvania Conference's Western Division.

"With the number of experienced people we have back, our mistakes should be cut down," predicted McDonald who saw his team post a disappointing 3-6-1 record last season.

If the "Men of McDonald" hold true to form, the Fighting Scots should log a winning campaign under the

direction of the tenth-year coach who has notched a nine-season mark of 51-30-6. On hand to help attain that goal are 30 lettermen, among which are 15 starters from last year's club.

The majority of the returnees reporting back on the field are listed on the defensive unit. Nine starters are back in uniform with most of the experience found along the front wall where veteran tackles Bryan Smith (6-3, 230, Sr.), Randy Bradshaw (6-3, 235, Sr.) and Ron Link (6-3, 220, So.) operate, sandwiched by a trio of alternating ends in Bruno Capogreco (6-3, 205, Sr.), Tom Lang (6-0, 203, Sr.) and Willie Curry (6-3, 215, Jr.).

Anchoring the middle at nose guard will be Tom Feneziani (6-0, 215, So.), who is backed up by Gene Taylor (6-3, 220, So.), a converted defensive tackle.

Curry ranked fourth on last year's tackling chart with 90 stops to his credit and posted a team-leading seven sacks, while Tom Lang at the other terminal spot finished sixth with 89 hits. Link and Smith ended seventh and eighth logging respective 83 and 81 tackle totals.

Bradshaw was lost after the sixth game because of a broken leg, but still managed 52 thumps to be listed 11th among the tackling leaders.

Giving ample support behind the forward wall is inside linebacker Jim Krentz (6-2, 225, Sr.), who will be complemented at the other backer spot by either Phil Fagan (6-1, 195, Jr.) or Doug Smith (6-1, 210, So.). Krentz, a first-team All-Pennsylvania Conference Western Division winner, was the squad's second leading tackler with 156 stops and snagged three interceptions last season. His three-year total now reads 372 and he needs only 58 hits to become the all-time leader.

The starting foursome policing the secondary will be triple letter-winners Kevin Campbell and Dan Fiegl, who work the cornerback posts, in addition to safeties Rayfield Adams and Ken Petardi.

Petardi picked off three enemy aerials last fall while Campbell followed with a pair of interceptions. Giving them ample support in the defensive backfield are Ron Miller, Nick Sobbecki, Scott Lewandowski and Dan Allie.

"WILL WE BEAT OURSELVES?" — McDONALD

Offensively, the Scots have a strong corps of receivers, but have done a lot of juggling to come up with an offensive line which can clear the way for a crop of inexperienced, but talented, running backs.

Dave Gallagher (5-10, 195, Sr.) and Bob Kunkle (6-0, 211, Sr.), owners of three varsity letters as guards, are the mainstays of the offensive line. Working off their shoulders will be Pat McKenrick (6-5, 230, Sr.) and Dave Jaworski (6-2, 225, Sr.) at the left and right tackle slots respectively. McKenrick has been switched from tight end and Jaworski from center where they both lettered last year.

Tom Greenstone (6-2, 220, Jr.), previously a defensive lineman, is the number one backup at tackle with Jim Weido (6-2, 220, So.) on hand to man either guard gap.

Rick Koschar (6-2, 202, So.) apparently has gotten the nod at center, while both Tom Bourne (6-2, 195, So.) and Mike Garlick (6-2, 205, So.) are battling for reserve roles in the middle of the line.

Providing blocking power and also posing as receiving threats at tight end are Bill Kruse (6-2, 215, Sr.) and Don Strozyk (6-2, 215, Jr.). Kruse (7 rec., 106 yds.), last fall's fourth leading receiver, has the edge, but Strozyk, a converted fullback, appears to have found a home in the Scots' offensive alignment.

Opposing defensive backs will draw tough assignments in covering wide receivers Bob Jahn, Joe D'Amico and Tim Beacham. Jahn led the receiving corps a year ago with 323 yards in 21 catches and was followed by D'Amico (213 yds., 13 rec.) and Beacham (167 yds., 9 rec.).

Drawing beads on the starting spots in the ESC backfield are fullbacks Andy Parma (5-9, 200, Jr.) and Dave Simile (5-10, 185, Sr.), along with speedsters Joe Early (5-9, 168, So.), Mike Ray (5-9, 170, Fr.) and Jim Rath (5-9, 177, So.). Simile pounded out 233 yards in 51 attempts in 1977 to showcase a 4.6 yards per carry average and earned third-place rushing honors. Parma, who touched the pigskin only six times, romped 107 yards to garner the number four position in the rushing stats. Even though the entire group is lacking in experience and depth, they could offer some surprising offensive fireworks.

Senior signal-caller, Mike Hill (6-2, 185), should provide the leadership needed to direct the Scots' offensive attack. Although the passing game is his strong points, he appears ready to effectively engineer the Scots' ground-minded veer offense. A pair of talented challengers follow close behind in Rick Shover (6-0, 185, Jr.) and transfer Jeff Daub (6-1, 202, Jr.).

The kicking game is strong once again behind the accurate toe of John Serrao and the punting of Dan Fiegl. Serrao's six successful field goals in a single season are an ESC record and Fiegl owns the season punting mark via his 39.4 yards per punt average.

McDONALD MARKS GOLDEN 50th AT SCOT HELM

Head Coach Bill McDonald notches 50th win.

Bill McDonald carries an impressive 51-30-6 record into the 1978 season after nine years of leading the Fighting Scots' gridiron program. Under his direction, ESC gridders posted identical 9-1 slates in both 1970 and 1971 while piling up a winning streak of 21 straight regular season games. His 51-30-6 mark puts him at the top of the winning percentage list among Edinboro State football coaches with a 63 per cent reading.

After an initial 4-4-1 season in 1969, his Fighting Scots became the greatest in ESC history when they went 8-0 in regular season play, captured the Lambert Bowl, won the Pennsylvania Conference championship and earned a berth in the NAIA national playoffs. His 1971 team followed up with an undefeated regular season (9-0) and a second straight PC Western Division title. Over 60 individual and team records have been established during his first seven years at the reigns.

Upon completion of 1970's successful venture, numerous post-season laurels were bestowed upon the Scot's mentor. The Football Writers Association of New York named McDonald Coach of the Year in the East while the NAIA Area VIII and District 18 coaches as well as the Pennsylvania Collegiate Press Association also rewarded him with Coach of the Year honors.

Prior to his assignment at Edinboro, McDonald served as assistant football coach at Indiana Univ. of Pa. for three years and head coach at Hopewell High School from 1958-1965.

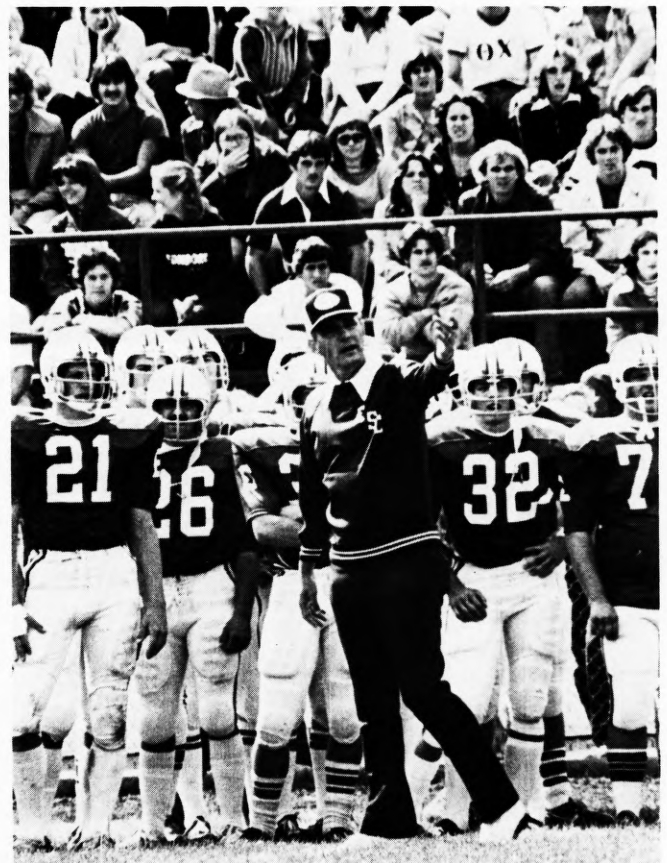

While he directed Indiana University's offense, the Big Indians registered 24 regular season victories against only three defeats. In his final season at Indiana, the Tribe finished unbeaten in nine outings and proved to be the greatest offensive unit in the school's history with a 40 points-per-game average.

The Wall, Pa., native guided Hopewell High School to a 46-25-1 slate during his seven-year tenure as head coach. His 1960 ball club defeated Braddock High 7-6 and broke their WPIAL 58-game winning streak while his 1963 team captured the Midwest Class A Championship.

The Fighting Scots' grid pilot served as an assistant coach at Braddock High School through two undefeated seasons and also at Latrobe High.

McDonald holds both a B.S. degree in education and a M.Ed. from the Univ. of Cincinnati where he played linebacker under Sid Gillman and his assistant coach Paul Dietzel. This team was the original "Chinese Bandits," a defensive unit which later became famous at Louisiana State University.

After graduation from Cincinnati in 1952, the Scots' mentor continued his education in post graduate work at Penn State, Pitt and Indiana (Pa.) Universities. Bill and his wife, Joanne, along with their three children - Amy, Jody and Dave - reside in Edinboro.

EDINBORO GRADS RETURN TO GUIDE SCOTS

The 1978 Edinboro State College Football coaching staff includes, front row (l-r): Dennis Creehan, Rick Darcangelo, Harry Morrison and Barney Rutkowski.

JIM BOWEN — Receivers

Jim Bowen will make it an even dozen years with Edinboro State College football where he has coached practically every phase of the program. This year, the veteran mentor returns to the offense to assist a crop of talented receivers. He has spent the past two seasons directing the linebackers and produced a pair of All-Conference standouts in Greg Sullivan and Jim Krentz. Bowen served as backfield coach tutoring such greats as Joe Sanford, Jim Romaniszyn, Bob Mengerink and Al Raines. In 1975 he served as offensive coordinator when the Scots finished 12th in the nation in total offense. Jim was head football coach at Fairview High School for 10 years and compiled an outstanding record of 76 wins and 12 losses. His grid teams captured four league championships while riding 25 and 19 game winning streaks. The knowledgeable Scot coach graduated from Slippery Rock State in 1957 and earned his master's degree from Buffalo University. Jim and his wife, Joyce, along with their 7 children, two of which are twin girls, reside in Girard.

DENNY CREEHAN — Def. Coordinator

Denny Creehan, a captain on Edinboro State's 1970 Lambert Bowl championship team, begins his second year as the Scots' defensive coordinator where his specialty is working with the secondary. Denny was accorded first team all-east honors by the ECAC and first team all-state Associated Press while performing as the Scots' strong safety. A graduate of Bethel Park High School in Pittsburgh, Denny has also earned an M.S. degree from Duquesne University and his M.Ed. from Pitt, in addition to his B.S. degree at Edinboro State. The Castle Shannon, Pa. native served as defensive coordinator at Keystone Oaks High in Pittsburgh for three years before joining the Pitt staff in 1974. After a year with the Panthers under Coach Johnny Majors, Denny served as offensive coordinator at Carnegie Mellon University for a single season. Denny resides in Edinboro with his wife, Linda, and their two sons, Kevin, two, and Casey, one.

Back row (l-r): Jim Bowen, Mark Worley, Tom Herman, George Gast, head coach Bill McDonald and Mike Ferrare.

RICK DARCANGELO — Linebacker Asst.

Cambridge Springs native, Rick Darcangelo, is a newcomer to the Edinboro State football program where he assists in grooming the Fighting Scot linebackers. Rick is a graduate of Cambridge Springs High School where he spent four years on the gridiron for the Blue Devils, before continuing his education at Edinboro. He was awarded a B.S. degree in history and safety education at ESC and then earned his master's degree in safety education from Penn State. He is now working toward a second graduate degree in secondary school administration at Westminster. Rick served as an assistant football coach at Cambridge Springs High for two years and head coach for five campaigns. He currently resides in Edinboro and is in his eighth year of teaching American history and driver education at Cambridge Springs High.

MIKE FERRARE — Defensive Line Asst.

Mike is another Edinboro State griddier of the past who has returned to help the Fighting Scot program. He began his football playing career at Erie's Strong Vincent High where he was selected to the All-City first team as a middle guard. He was also chosen Football Player of the Year by the Strong Vincent Booster Club in 1969. After a year at nearby Gannon College, Mike transferred to Edinboro where he pursued a degree in secondary education. The Erie product earned varsity letters in 1974 and 1975 while logging time at middle guard for ESC. The new Scot coach, who spends most of the day working for Goedecker Realty in Erie, when quizzed about his return, said, "Edinboro needed coaches. I have flexible hours and enjoy football, so I'm back to help with something that always treated me good."

ESC PROGRAM PACKED WITH PROFESSIONALS.

GEORGE GAST — Linebackers and Ends

George Gast returned to Edinboro State last year after four seasons of coaching in the greater Cleveland, Ohio area. Gast, who was an All-District 18 defensive end for the Scots in 1972, will tutor the linebackers and ends, as well as the specialty teams. Following graduation in 1973, George spent one season as a linebacker for the Youngstown Hardhats in the semi-pro ranks before accepting a coaching and teaching position at Berea High School. He spent the next three campaigns at Kenston High School in Kenston, Ohio, where he served as an assistant defensive coordinator and assistant wrestling coach. George, his wife, Penny, and daughter, Meighan, are currently living in Lawrence Towers on the ESC campus where he is serving as head resident.

TOM HERMAN — Offensive Coordinator

Tom Herman returns to his alma mater for the fourth year to coordinate the offensive unit and primarily to tutor the offensive line. Originally a standout football player at Lincoln High School in Ellwood City, Tom continued his grid career at Edinboro State for four years where he started as a center during his junior campaign and then was a regular defensive end in his senior season. After graduation from Edinboro State College in 1972, he served as an assistant coach at Cambridge Springs High School in Cambridge Springs, Pa. When he returned to ESC, Tom spent a pair of seasons sharpening the Scots' defensive front four, but for the past two campaigns, he has been working with Edinboro's offensive linemen. Tom earned his master's degree in health and physical education at Marshall University where he served as an assistant offensive line coach.

HARRY MORRISON — Off. Tackles

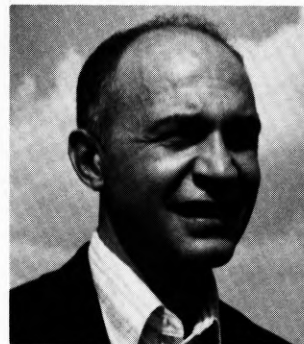

A 1968 Indiana University of Pennsylvania graduate with a degree in business, Harry Morrison begins his second season offering his coaching points to the offensive line prospects. Morrison is originally from Greenville, Pa., where he played football and wrestled at Greenville High School. In 1969 he accepted a coaching position at Warren Western Reserve, one of Ohio's most highly respected scholastic football powers. Harry had charge of both the offensive and defensive backs for the Fighting Raiders, who posted 9-1 and 8-2 season slates before going unbeaten, 12-0 in 1972. Prior to joining the Edinboro State College football staff, Harry directed both the offensive and defensive line candidates at McDowell High School under Coach Jim Paul. He and his wife, Kathy, along with their four children, Don 11, Wendy 9, Ray 8, and Holly 7, reside in Erie.

BARNEY RUTKOWSKI — Off. Backs

Barney Rutkowski begins his fourth year on the Fighting Scot staff coaching offensive backs and coordinating the junior varsity offense. Barney came to Edinboro after spending six seasons as head football coach at St. John Kanty Prep and had also served one year as assistant coach at Wesleyville High School. He is a graduate of Wesleyville High where he earned all-county honors performing as both quarterback and linebacker. Following two years of active service in the Navy, Barney attended Findlay College, Findlay, Ohio, where he was a member of both the football and wrestling squads. He then moved to Kanty Prep in a teaching position for nine years, six of which involved head coach in football and nine consecutive seasons as head basketball coach. Presently, he is working toward his certification in health and physical education at Edinboro. Barney and his wife, Carol, reside in Erie along with their four children, Russell 17, Raymond 16, Beth Ann 14, and Mary Carol 12.

MARK WORLEY — Defensive Line

Returning to his alma mater via a graduate assistantship, Mark Worley is back helping the Fighting Scot football fortunes as a coach for the defensive line and middle guards. Mark joined the ESC staff after a four-year stint as a junior high football and wrestling coach in Bainbridge, Ohio's Kenston School System. The new Scot mentor is a graduate of Holy Name High School in Cleveland, Ohio, where he was a standout fullback offensively and middle guard on defense. The Buckeye native then ventured to Pennsylvania and became linebacker for Edinboro State from 1969 through 1972. Mark nailed down a second team All-Conference honor as a senior in a year when the Pennsylvania Conference was loaded with outstanding linebackers. He graduated in 1973 with a B.S. in elementary education and is currently working toward a master's degree as a reading specialist. The new ESC coach will also be actively involved in recruiting after the 1978 season.

Bob Klingler

Al Hall

AL HALL — Athletic Director

Since Al Hall's appointment as Athletic Director in 1968, Edinboro State has enjoyed one of the most respected and most successful collegiate athletic programs in the East. Through his efforts, Edinboro State College has become a focal point for athletics in Northwestern Pennsylvania and has hosted numerous championship events. Under his leadership, ESC's sports program has vastly expanded and attained new memberships in the ECAC and NCAA while building a coaching staff that has compiled the College's best record in history. A graduate of Baldwin-Wallace College, he served as Assistant Director of Athletics at Akron University for two years and piloted Akron's cross country teams to championship finishes for 12 seasons. Al, his wife, Pam, and daughter, Beth, and their son, Dale, reside in Edinboro.

BOB KLINGLER — Team Trainer

Giving Fighting Scot athletes the tops in professional medical care and producing top-notch staffs of student trainers has been the trademark of trainer Bob Klingler who begins his eleventh season at Edinboro State. The 1952 Lock Haven grad ventured to Hermann School of Physical Therapy in Houston, Texas and became a registered physical therapist in 1954. He later received his M.S. from Bucknell. Prior to accepting his ESC post, Klingler taught at Milton Hershey, a private boys' school in Hershey, Pa. Bob, his wife, Jill, and daughter, Julie, make their home in Washington Township.

A NEW LOOK . . . A NEW SOUND . . . A NEW NAME

Spelling "Scots" at Steeler Stadium

Edinboro State's marching band under the second-year direction of Hugh Callison, has undergone a major face lifting to sport a new look for the 1978 season. The 165-member band has been renamed "The Spirit of Scots" and is led for the first time by a unit of bagpipes.

"We wanted to make our band more exciting," said who is assisted by Tim Cordell, also of the ESC music department. "Our precision has improved as well as our marching and 'Spirit of Scots' better describes us than 'Bank of Scots,' our previous name," he continued.

The new looking, new sounding band is comprised of a unit of eight pipers, 20 Tam O'Shanters, three feature twirlers, six majorettes and 126 instrumentalists. Also included is senior drum major Ted Cook from Monroeville who leads this year's marching contingent.

Spectators will be treated to a trio of outstanding feature twirlers in Leigh Ann Potter from Monongahela, Belle Vernon's Laurie Hixenbaugh and Lori Jackovitz of Latrobe. All three own numerous honors, the most recent of which was Laurie Hixenbaugh's selection as Miss College Majorette of America. Leigh Ann Potter owns the title of Miss Tri-State Majorette, while Lori Jackovitz has the distinction of being named Miss Pennsylvania State Solo Champion.

Shows slated for home games are "A Salute to Nighttime Entertainment," for the opening game followed a week later by "Marching Musical Fantasy." A variety of tunes centered around the theme "Get Small" is on tap for the Clarion game, while "Gambler's Show" is the theme for the Spirit of Scots' final appearance of the year.

Highlighting 1978's Homecoming entertainment, the Spirit of Scots will present "Scotch and Soda," a rendition of Scottish tunes and soda pop commercials.

The band has received much recognition for its outstanding performances and has made several guest appearances in Three Rivers' Stadium to provide pre-game and halftime entertainment for Pittsburgh Steeler games.

Riding the crest of a record that reads 90-21 over the past four years, the women's volleyball team of Edinboro State College is ready to assert itself again as one of the top collegiate powers in the East.

Under the tutelage of Coach Pat McLane, the Lady Scots have spiked their way to 17-5, 22-5, 23-2 and 28-9 seasons over the past four years. Enroute to last year's record 28 victories, ESC was among the top eight college and university teams in 12 eastern states for the fourth consecutive year.

Such noted schools as Temple, Ohio University, Delaware, Central Connecticut and Cincinnati fell to what was considered the best team in Edinboro State's history. The Lady Scots further distinguished their brilliant floor play with wins over Cortland, Penn State and Syracuse in the EAIAW regional tournament before being stopped in the quarter finals by Maryland, a team they had beaten earlier in the season.

Graduating seniors and transferring juniors left five of the top eight slots open, but McLane is still optimistic in what appears to be a rebuilding year. Ten returnees will be joined by 10 freshmen who will be battling for varsity positions on the roster.

"We have more freshmen than usual on hand," claims the Scot coach, "but they have better high school playing experience than in the past."

Another challenging schedule that features three top-notch tournaments, one of which is hosted by Edinboro

State, is expected to mold the team into another top contender in the East. The squad's goal is selection for a fifth straight time to play in the regional tournament at Indiana University of Pennsylvania in November to decide who represents the region in the national tournament.

Letter winners forming the nucleus of the Lady Scots' 1978-79 hopefuls include Kim Korver, Della Bayle, Sue Davey and Chris Schroeder.

It won't take long for McLane's charges to find out how they'll perform against quality competition when they trade volleys in the 16-team Pitt Tournament in the season's opener.

While Edinboro cross country coach Doug Watts is not openly optimistic as in the past, 1978's running Scots should still prove to be a formidable foe. "We don't have the depth like we use to," claims Watts, "but our top people are pretty good. Our biggest problem is finding strong fourth and fifth place winners."

Back to lead the pack is the district's defending 10,000 meter champion, Brian Jordan, who is of the All-American caliber that Watts has been accustomed to producing. Behind the talented junior are an appreciably improved Steve Dunham followed by aspiring freshman Lance White, the Delaware state mile champ. Junior Oscar Longo and freshman Craig Ausel should be taking turns for fourth and fifth place finishes.

Under Watts' tutelage, the Scots hold the distinction of winning back-to-back NAIA national championships in 1975 and 1976 while having claimed five district titles and snaring five Pennsylvania Conference crowns. The Watts-men will also be seeking to extend one of the country's longest winning streaks which now reads 34 straight over a five-year span. The Scots have registered five consecutive unbeaten seasons.

TODAY'S CHALLENGERS

SOON TO BECOME A PART OF THE PAST . . .

The following pages of information encompass a history of Edinboro State College football which reflects competition as a four-year, degree-granting institution that began in 1926. Included in this information are scores from all games played during that span of time to the present, as well as a complete set of individual and team records. Other interesting highlights, along with last year's individual and team stats, can also be found on these pages.

ALL-TIME SCORES 1926 - 1977

Edinboro's intercollegiate football history began in 1926 when Edinboro became a four-year degree granting institution and for the first time played a complete intercollegiate schedule against other four-year degree granting institutions.

Prior to the 1926 season, Edinboro was a state normal school and did not play a complete intercollegiate schedule. Therefore, any records prior to that season should not be considered as part of the intercollegiate football history of Edinboro State College.

Saturday at Sox Harrison Stadium

HOME OF THE FIGHTING SCOTS — SOX HARRISON STADIUM

Serving as home for ESC athletes and fans is Sox Harrison Stadium. The edifice was dedicated in the fall of 1965 in honor of "Sox" Harrison who served as head football and basketball coach at the College for 35 years. His 1931-32 cage record of 11 wins and 1 loss still stands as one of the best marks ever posted by an Edinboro basketball team. Sox still enjoys watching the Fighting Scots on Saturday afternoons as one of their most ardent fans.

Complete facilities are located beneath the grandstand area, which seats 3,000 people. Locker space for both the home and visiting teams, the coaching staff offices and locker room, the officials' dressing room, the training room,

showers, the weight room and a laundry room are utilized within this space. Also included are restrooms, janitors' facilities, equipment rooms, a large concession stand and a glass enclosed press box.

In addition to the football field, the stadium also contains complete track facilities. A quarter-mile oval, a 220 straight-away and asphalt approaches for the field events highlight the home of the cinder sport.

Bleacher seats on the visitors side of the stadium bring the total seating capacity to 5,500.

A new scoreboard, one of the largest in the Conference, is located at the south end of the field.
