## SCOTS, PITT, BROWNS, BILLS USE STADIUM

### SOX HARRISON STADIUM'S LARGEST CROWD IN HISTORY - 7,000

Serving as home for ESC athletes and fans is spacious Sox Harrison Stadium. The edifice was dedicated in the fall of 1965 in honor of "Sox" Harrison who served as head football and basketball coach at the College for 35 years.

The stadium has become a popular north-western Pennsylvania site in recent years. The Cleveland Browns and the Buffalo Bills have staged their annual "rookie scrimmage" at Edinboro for the past five summers while the University of Pittsburgh, ranked number one in many pre-season polls, conducts its pre-season camp at ESC which is concluded by a scrimmage in Sox Harrison Stadium.

Complete facilities are located beneath the grandstand area, which seats 2,500 people. Bleacher seats on the visitors side of the stadium bring the total seating capacity to 4,500. Locker space for both

the home and visiting teams, the coaching staff offices and locker room, the officials' dressing room, the training room, showers, the weight room and a laundry room are utilized within this space. Also included are restrooms, janitors' facilities, equipment rooms, a large concession stand and a glass enclosed press box.

In addition to the football field, the stadium also contains complete track facilities. A quarter-mile oval, a 220 straight-away and asphalt approaches for the field events highlight the home of the cinder sport.

Pictured above is the largest crowd in Edinboro State's athletic history, as an estimated 7,000 fans jammed Sox Harrison Stadium to view the 1971 homecoming clash between the Fighting Scots and Slippery Rock State. ESC captured the contest, 49-21, enroute to a perfect 9-0 regular season record.

## PROVIDING A BOLD NEW VISION FOR ESC

ESC President - Foster F. Diebold

Foster F. Diebold was named Edinboro State College's 14th President on August 1, 1979. Since that time, he has brought a consistently bold vision to his guidance of the College's many-faceted services to northwestern Pennsylvania.

Noted for his extensive experience in the field of education management, President Diebold had previously served as President of the University of Alaska statewide system.

His innovative efforts at Edinboro have taken many shapes. Most recently, he initiated a total reorganization of the College's various academic schools and administrative offices with a watchful eye upon fiscal responsibility and increased institutional responsiveness. In keeping with his policy of making maximum use of existing campus resources in higher education, he has imaginatively met the ever-changing needs brought about by new and emerging student interests and societal expectations.

Unique cooperative programs with area business and industry are also the result of President Diebold's revitalization of Edinboro State College. Among his favorite projects is the All-College Honors Program, which draws upon the contributions of college staff for its scholarship funds, and which recognizes the

academic distinction of excellent students by offering specialized interdisciplinary course work and advanced research work.

President Diebold's principal fields of professional interest include higher education management, governance, and planning; budget development and fiscal control; legislative liaison; and personnel management/collective bargaining. While at Rutgers University in 1963 he received a Wall Street Journal fellowship.

A native of Orange, New Jersey, he served as President of the University of Alaska from 1977-1979. Prior to that, he was executive secretary to the Board of Regents and Special Assistant to the President of the University of Alaska's statewide system. From 1969 to 1976, he was director of the Division of College Development of Kean College, New Jersey (formerly Newark State College), and from 1965 to 1969, he was Assistant Superintendent of Neptune Township Public Schools in New Jersey.

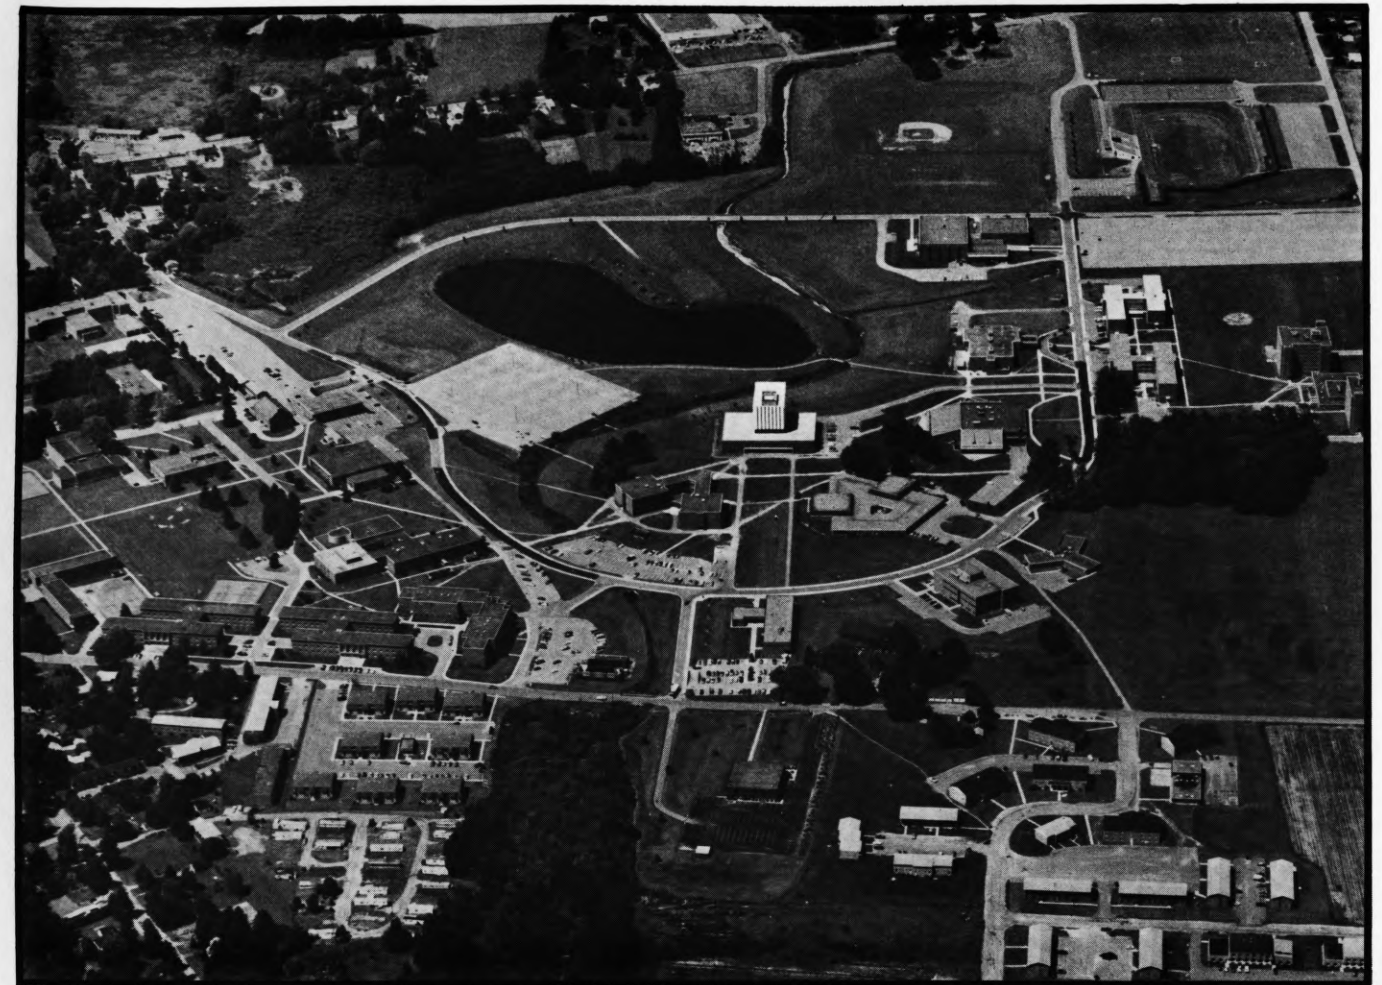

President Diebold's community service includes membership on the Board of Corporators, Hamot Medical Center in Erie, and on Marine Bank's Local Advisory Board. Recently he was a panel participant at the First Global Conference on the Future in Toronto. He also serves as a member of The William J. McMannis and A. Haskell McMannis Educational Trust Fund Advisory Board, and Chairman of the Government, Education, and Social Agencies Division of the Erie County United Way Campaign.

Edinboro's President holds an associate degree in psychology from Monmouth Community College, West Long Branch, New Jersey; a bachelor of science degree in education from Monmouth College; a master of arts in educational administration from Seton Hall University; and he has met course requirements for his doctorate in education at Rutgers University.

President Diebold currently serves as Chairman of the Committee on Administration and Finance in the State College and University System of Pennsylvania and is a member of the Commission of Presidents Executive Committee. He holds membership on the American Association of State Colleges and Universities Committee on State Relations, and on the Government Relations Committee of the Pennsylvania Association of Colleges and Universities. He is also a charter member of the World Future Society.

The President and his wife, Patricia, have two daughters, six-year-old Jessica and one-year old Stacey.

## EDINBORO...125 YEARS OF SERVICE

Founded as a private academy in 1857, Edinboro State College has continued its surge to the forefront as one of the leading educational institutions in western Pennsylvania. Situated on a sprawling 585-acre campus in the scenic resort community of Edinboro, the College is within 100 miles of the educational and cultural centers of Buffalo, Cleveland, and Pittsburgh. It is just 15 miles south of Erie, the third largest city in Pennsylvania, and easily accessible from all directions by interstates 79, 80 and 90.

Having provided 125 years of service, Edinboro has the distinction of being the second normal school established in Pennsylvania and the 12th in the United States. It has grown to more than forty buildings including the 350,000-volume Baron-Forness Library, a modern seven-story structure which serves as a focal point for the spacious campus. More than 5,800 students representing almost every county in the Commonwealth, as well as numerous states and foreign countries attend Edinboro. Its tradition of educational service and research is matched by a distinguished faculty, more than two-thirds of whom have earned doctoral degrees.

The College now offers more than 100 undergraduate, graduate, and associate degree programs, a diversity unmatched by any other college or university in northwestern Pennsylvania. While seeking to meet the educational needs of its region from both a professional and

cultural standpoint, Edinboro now makes contributions in the fields of education, government, environmental improvement, urban and rural problems, crime prevention, and service to business and industry. Recent program developments include those in the high-demand areas of allied health, business administration, communications, computer technology, nursing, and various pre-professional offerings such as law, dentistry, medicine, pharmacy and veterinary science. Numerous student internships provide additional examples of the College's efforts to create a close working relationship with the people it serves while, at the same time, offering students intellectual and career opportunities.

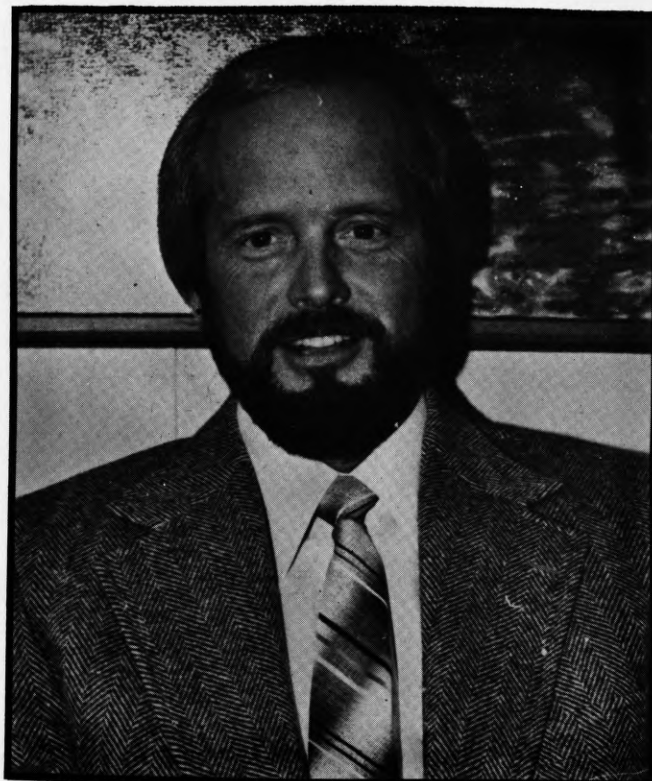

Edinboro has initiated an All-College Honors Program to provide challenging and enriched learning experiences for academically gifted students. Undergraduate students are encouraged to strive for academic excellence both in their major fields and in other disciplines. Honors students pursue studies that are greater in depth and scope than those required of other undergraduates.

Although the costs for attending ESC rank among the lowest in the Commonwealth, over \$8,000,000 in financial aid is available annually to eligible students.

Students are admitted to the College in September, January, or at the beginning of each summer session and are considered for admission on the basis of their general scholarship, nature of secondary program, and SAT or ACT scores.

## MCDONALD BUILDS A SOUND FOUNDATION

Athletic Director - Jim McDonald

Edinboro State's athletic program was placed under new leadership a year ago with the appointment of Jim McDonald, a health and physical education professor, as the college's athletic director. Edinboro President Foster Diebold named McDonald on the basis of his aggressive leadership capabilities and his anticipated role to increase fundraising activities for the Scots' athletic program.

The newly appointed athletic director made immediate changes in the Scots' athletic program by adding women's cross country and men's volleyball to increase Edinboro's offerings to 17 men and women's intercollegiate sports. To make the Scots competitive at the NCAA Division II level, he also kicked off the College's first major fund raising campaign for student athletic scholarships. He emphasized the fact that scholarship support was the athletic program's major challenge and set a \$100,000 goal that the staff would work toward by fall of 1982.

Through his efforts more than \$160,000 has been raised for the Fighting Scots general scholarship fund. From this amount \$110,000 will be distributed directly to ESC men and women athletes while the remainder provides scholarship aid through interest which the money generates. A major thrust of this campaign is the Curly Halmi Fund which had an originally established goal of \$20,000 less than a year ago and now totals \$28,000 with additional amounts forthcoming. Another significant McDonald fund raising project has been his Century Club organization which permits Scot fans admittance to athletic contests in addition to offering recreational activities in McComb Fieldhouse.

Under McDonald's first-year reign Edinboro's summer camp program has grown from two offerings to include seven different interest areas. In addition to the annual Buffalo Bills-Cleveland Browns scrimmage at Sox Harrison

Stadium as well as the pre-season drills of the Pitt Panthers, Duquesne University and six area high schools make Edinboro their camp home. McDonald has constructed six new football fields to accommodate these needs and the Football Camp of Champions that attracts more than 350 young gridgers.

The personable athletic director also staged Edinboro's first Hall of Fame festivities that featured the induction of 18 charter members. These past athletes, coaches and individuals who have promoted the cause of Fighting Scot athletics were honored at a banquet where more than 500 attendees witnessed their inductions.

McDonald has been at Edinboro State since 1962 and for 12 years served as the Fighting Scot basketball coach (1962-1975) and never experienced a losing season while his teams compiled an impressive 181 wins against only 89 losses. During that span, his cagers won four Western Division Pennsylvania Conference crowns, the PC state championship and two District 18 titles that netted trips to the NAIA National Tournament. His teams set 27 ESC records and made 19 post-season appearances while four of his players were named All-Americans.

Prior to accepting his position at Edinboro, McDonald served as assistant basketball coach in Erie, Pa. He is a 1965 graduate of Bridgeport High School in his home town of Bridgeport, West Virginia.

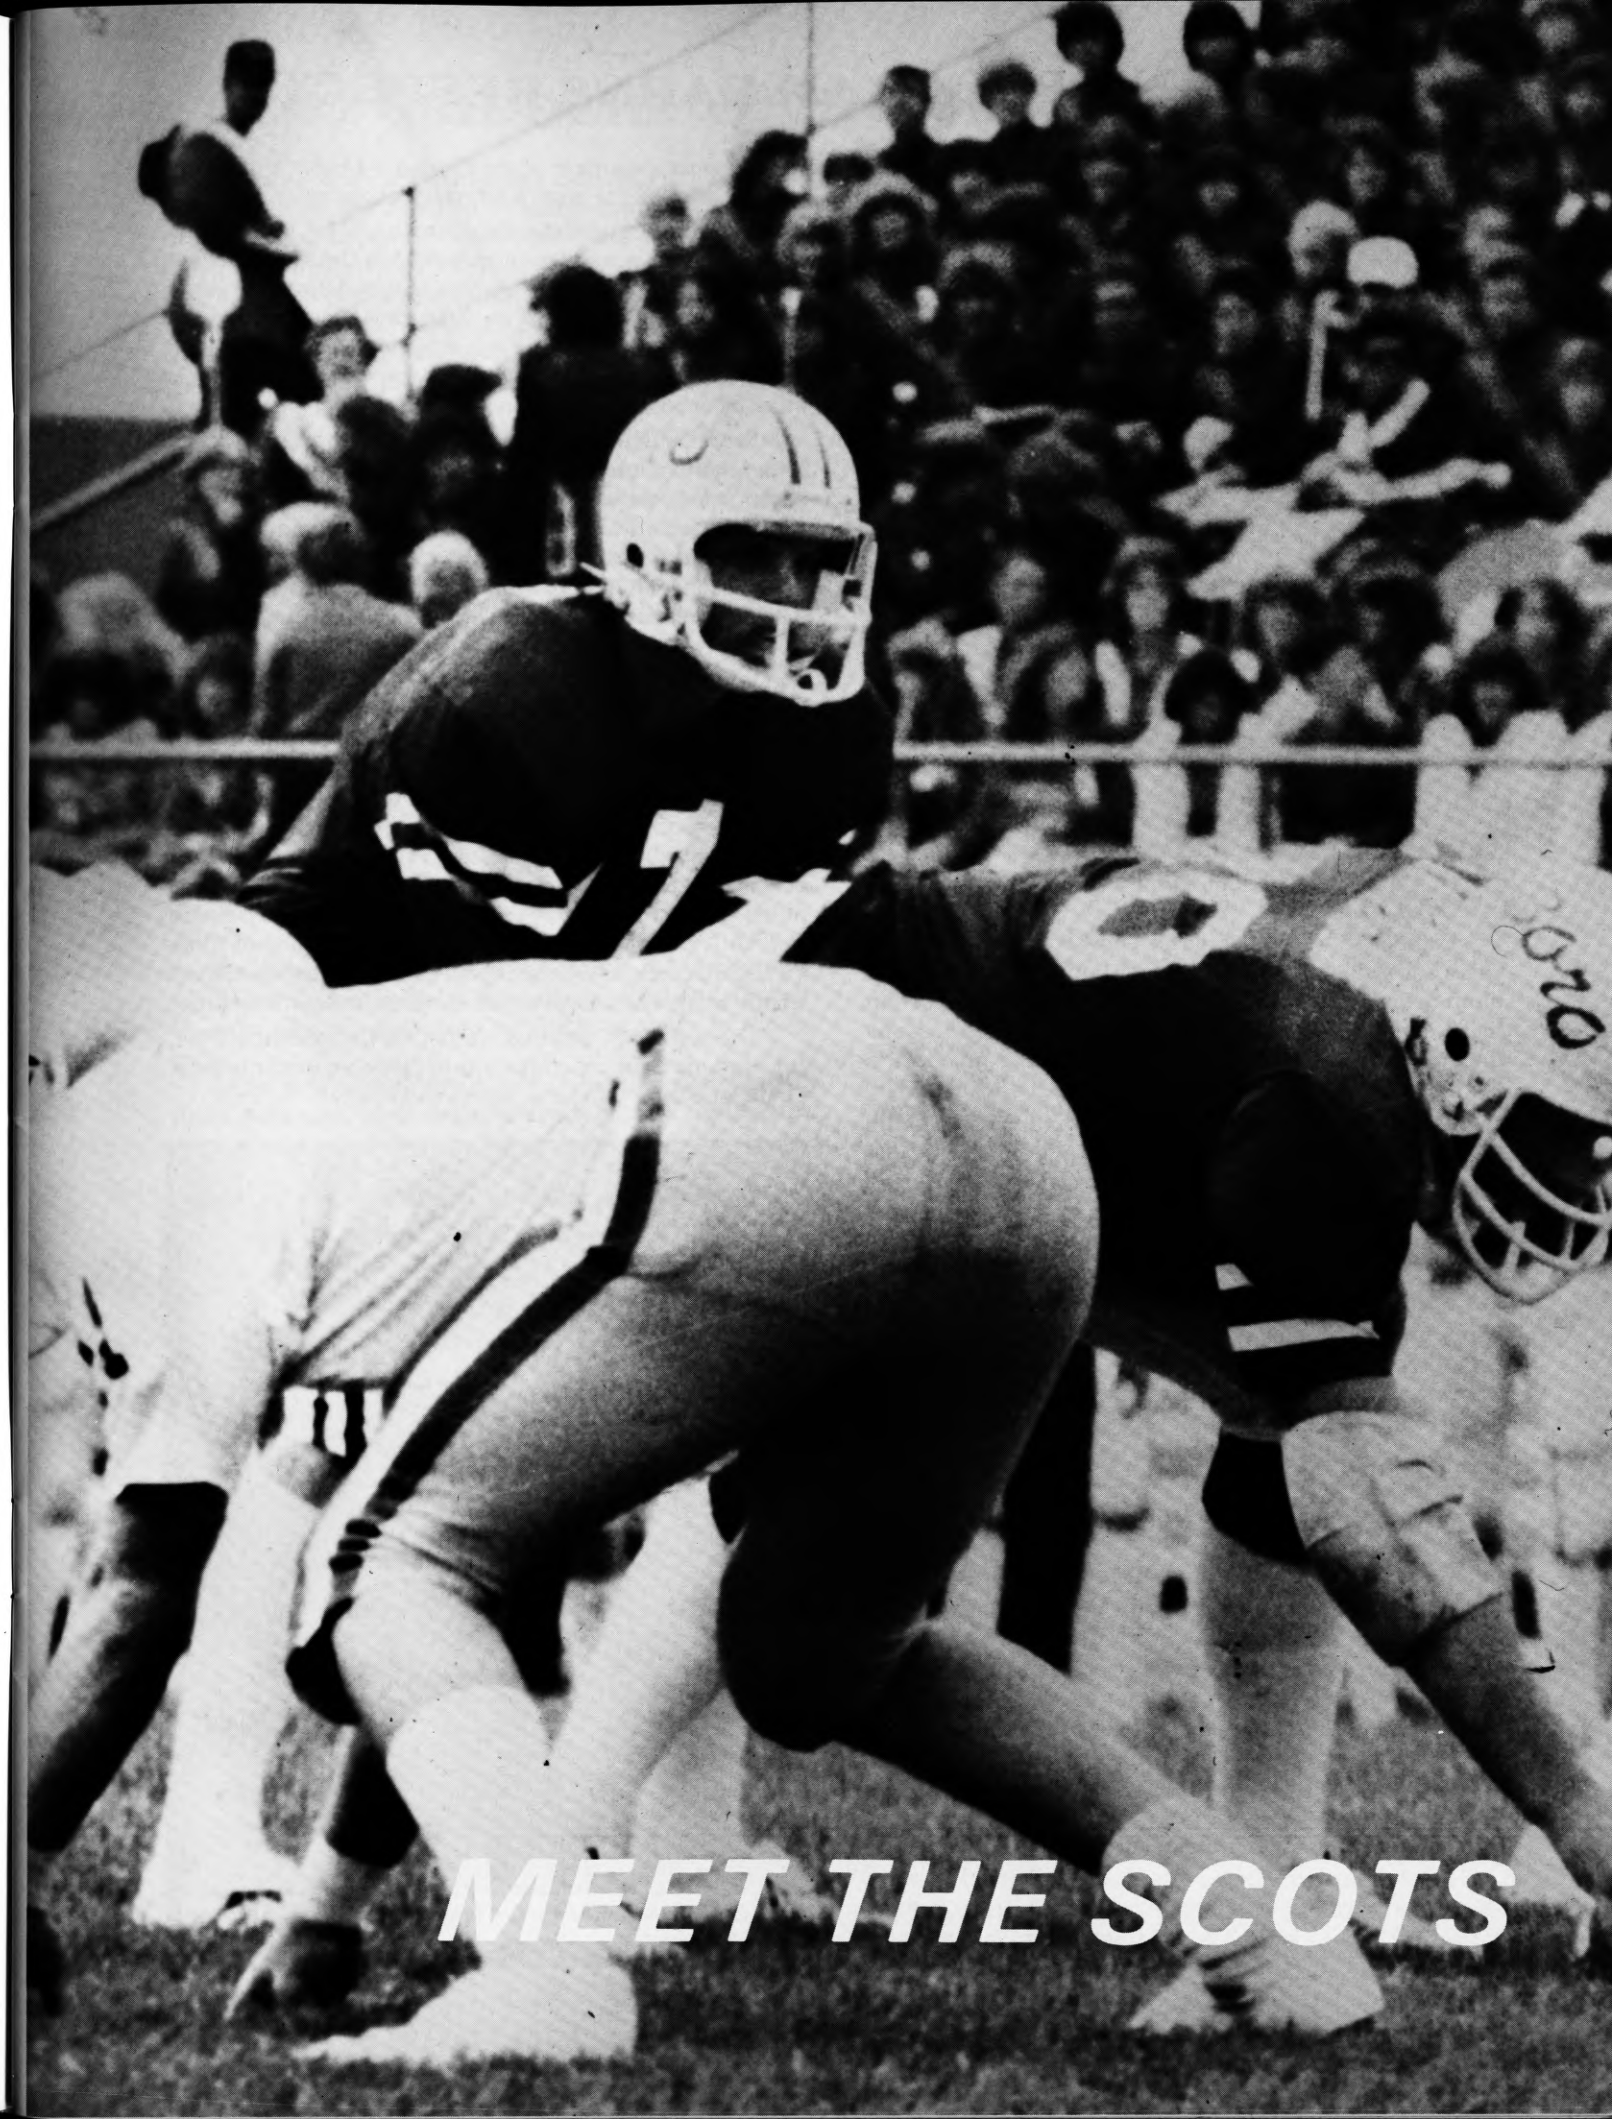

In 1960 he received a degree in chemistry and physical education from West Virginia Wesleyan College and he also holds a master's degree in health from the University of Buffalo. He has done doctoral work in sports science at West Virginia University.

As an undergraduate, he set nine school records at Wesleyan and was twice voted both AP and UPI basketball All-American. In 1960, he was the second leading scorer in the United States, averaging slightly over 33 points a game, and led his team to the national basketball tournament in Kansas City, Missouri. He was named to the NAIA's All-Tournament Team in 1959 and 1960.

In 1966, McDonald was selected Area Eight Coach of the Year by the eastern seaboard coaches and that same year was honored as one of the top ten finalists in the Coach of the Year national poll. McDonald's honors also include selection to the West Virginia All-Time College Basketball Team and membership in the West Virginia Sports Hall of Fame. He served four years on the NAIA's All-American selection committee and was chosen by the NAIA to coach an All-American team of NBA-bound cagers who won the Gold Medal in Israel's Hapoel Games. His all-star coaching assignment brought additional recognition to Edinboro as the College was named as the team's official training site.

In addition to his classroom and basketball coaching duties, McDonald was Edinboro State's golf coach for 17 years during which his teams won over 40 tournaments and finished as high as 3rd place at the NCAA Division II National Tournament. He was twice selected District Coach of the Year in golf.

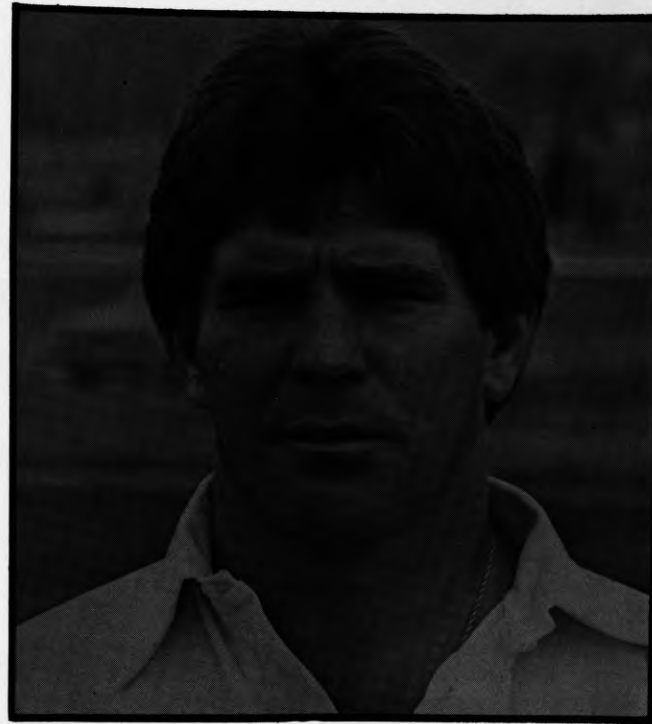

As a resident of Edinboro, McDonald has a record of extensive community involvement. He was Little League Baseball Director for four years and for the past two years, has been a member of the General McLane School Board. He and his wife, Mary Lou, have three sons - Mark, Mike, and Matthew.

**MEET THE SCOTS**

## CREEHAN'S PROGRAM EARNS RESPECT

Head Coach - Denny Creehan

Edinboro State embarked on a new era of football three years ago with the appointment of Dennis Creehan as the ninth head football coach in the College's history. Creehan had previously served as a staff assistant for three seasons under Bill McDonald who had successfully guided the Fighting Scot grid program for ten years.

The new Edinboro mentor had an exciting debut at the ESC helm when his crop of young grid hopefuls came just seconds away from registering a .500 season in 1979. The Scots won three of their final four contests with upset wins over Indiana and Westminster to close with a 4-6 overall slate.

Creehan's band of young Fighting Scots turned the corner in only his second year at the helm when Edinboro compiled its fourth best season ever with a 6-2-1 mark. Enroute to the impressive ledger and a second-place finish in the Pennsylvania Conference's highly respected Western Division, ESC gridders inked five new marks in the record book while tying four more standards.

The 31-year-old coach's .500 winning percentage mark via his two year total of 14-14-1, moved him to second place in the win category behind his previous head coach Bill McDonald who holds a .614 rating with a 54-34-7 mark.

Creehan was a captain of Edinboro State's 1970 team that captured the Lambert Bowl, emblematic as the best small college football team in the East, won the Pennsylvania Conference championship and earned a berth in the NAIA national playoffs. He starred in the secondary as a strong safety that season when the Fighting Scots finished their regular campaign undefeated with a 9-0 record.

Prior to his stint on the Edinboro State staff, Creehan served as recruiting coordinator at the University of Pittsburgh in 1974 under Coach Johnny Majors. The following

year he was a member of the Carnegie-Mellon University football staff as the team's offensive coordinator.

Upon graduation from Edinboro in 1971, Creehan was named offensive coordinator at Keystone Oaks High School in Pittsburgh and directed an offense that netted 300 yards per game. A year later as Keystone Oaks' defensive coordinator, he tutored a unit that allowed only 8 points per game and permitted only a 33 percent pass completion mark by opposing quarterbacks.

Creehan distinguished himself in the coaching ranks as defensive coordinator at Edinboro State College in 1976 when the Scots were ranked fourth among the nation's NCAA schools in rushing defense and claimed 18 interceptions. In the spring of 1977, he performed as acting head coach for Edinboro State's Bill McDonald who was on a sabbatical leave.

The young Edinboro mentor has likewise had an outstanding athletic career as a football player. After starring as both a fullback and strong safety at Bethel Park High School, the Castle Shannon, Pa., native accumulated numerous gridiron honors at Edinboro State. At the conclusion of his senior campaign for the Fighting Scots, he was accorded first team All-East honors by the ECAC and first team All-State Associated Press accolades while performing as the Scots' strong safety. In addition, he was named to the Pittsburgh Press All-District first team and to the NAIA District 18 All-Star squad. He was one of three 1970 ESC captains who accepted Edinboro's Lambert Bowl trophy at the Lambert Awards Banquet in New York City.

The son of Mr. and Mrs. Jerry Creehan of Bethel Park, the Fighting Scot coach resides in Edinboro with his wife, Linda, and their two sons, Kevin and Casey.

THE CREEHAN FAMILY - Denny, Casey, Kevin, and Linda Creehan.

## SCOT GRIDDERS YOUNG, BUT EXPERIENCED

Edinboro State's experienced crop of Fighting Scot gridders under the direction of fourth-year coach Denny Creehan are anxious to kickoff their 1982 schedule after finishing with a torrid flourish last year. The youthful Scots, who are seeking to establish themselves as contenders in the Pennsylvania Conference's highly respected Western Division, wrapped up 1981 with three straight wins and 15 starters along with 35 lettermen will be on hand attempting to extend the streak.

"We're still a young football team," claims Creehan, "but most of these kids have had a lot of playing time to give them varsity experience." A glance at the roster gives testimony to the head coach's evaluation as only seven seniors are listed along with 20 juniors and 32 sophomores in the veteran ranks.

Behind what Creehan deems "the best line we've ever had," the Fighting Scots wing-T offense is pointing to continue the torrid pace it set during 1981's final three games. With sophomore quarterback Blair Hrovat directing the ESC attack, the Scots offensive unit exploded for 87 points during the trio of season-ending victories.

Four of five starters return up front offensively for Creehan's chargers. The veteran senior quartet includes Chris Rounds (6-1, 235, G) Barry Swanson (6-1, 230, C), Mark Swiatek (6-4, 240, T), and Troy Carter (6-3, 235, G). The remaining tackle slot has been filled by sophomore John Carroll (6-2, 225), a Potomac State transfer, who is backed up by sophomore Dave Nowicki (6-3, 228). Rounding out the front will be sophomore tight end Darrell Huggins who demonstrated his catching ability in spring drills.

"Our only shift in the line has been the switching of Barry Swanson from tackle to replace Mark Swiatek at center, while Swiatek has moved to the tackle spot," offered Creehan. "Barry will help us at center because he is

quicker and Mark is a more effective tackle because of his size," he continued.

Hrovat, on the strength of his spectacular debut has won the signal calling nod with letter winning junior Larry Wheeler waiting in the wings. Hrovat hit on 21 of 44 tosses in his three appearances for 289 yards.

Ready to ramble once again in the backfield is ESC's leading ground gainer, fullback Keith Collier. The 5-10, 180-pound junior churned up 764 yards of real estate last fall and netted a highly respectable 5.0 yards per carry average. Joining him will be junior halfbacks Mitchell Kelly (6-0, 200) and Ron Rankin (6-0, 190), who Creehan feels is the best blocking back in the conference. Sophomore Joe Catalano, noted as the fastest athlete on this year's squad, will see plenty of relief duty.

Coming off brilliant rookie debuts are a pair of wide receivers who struck like lightning after they broke into the lineup. Sophs Eric Bosley and Gary McKnight will take turns testing secondaries and continually pose a threat in the "long bomb" department.

Making the Scots offensive prowess doubly dangerous is record breaking placekicker Rich Ruszkiewicz, the team's leading scorer with 50 points from his toe. After tying his own ESC mark with a 47-yard field goal in 1981, the left-footed booter toppled another personal standard with his 12 three-pointers in one season and will be aiming to extend his school record of 29 career field goals.

One of the nation's best defenses against the rush last fall that yielded only 83 yards per game lost its top two tacklers in All-American linebacker Bob Cicerchi and All-East tackle Ron Link. "You just can't go and replace quality people like that," reflected Creehan. "We do, however have a solid nucleus for our defense which is built around some very good athletes."

A pair of regulars will be joined by a trio of newcomers

to form the Scots forward five. Back to battle in the trenches are juniors Bob Beauregard (6-2, 215 E), Rick Rosenberg (6-2, 240, DT), and Steve Butler (603, 220, E). While soph standout Rick Jordan (6-2, 212) has worked himself into the starting right tackle job. Juniors, Phil Giavasis (6-0, 205, E) and John O'Rorke (5-11, 215, MG) are listed in front of returning vets at their respective positions after spring practice.

Edinboro State opponents will most likely experiment with their running game first against the Scot defense which has five new faces in the heart of its 5-2 alignment. Teaming with the three newcomers in the front line are linebackers Jim Durkin (5-11, 215, Jr) and Willie Chealey (5-11, 192, So), who have the monumental task of filling crucial spots vacated by seniors.

The most solid part of the ESC defense is found in the secondary where three starters return among a crop of eight defensive backs who helped tie a school mark twice with five interceptions in a game and pilfer a highly respectable 23 enemy aerals on the year.

The unit is spearheaded by strong safety Greg Rose (5-10, 180, Jr) who picked off five passes on the year. "You couldn't ask for much more out of a defensive back than what Greg possesses," summed Creehan. "He's quick, strong and smart."

Two more juniors join Rose in the secondary with Mike Emge manning one of the corners and Dave Parker

returning to his free safety spot. Sophomore Matt Robinson, who Creehan tags "an awesome talent," will fill the other cornerback slot. Emge, along with senior cornerback Scott Lowery, the first back-up in the secondary, registered three interceptions apiece during the 1981 campaign.

Destined to see playing time are three more young vets who helped police passes in junior letter winners Dan Gierlak and Bob Gerthoffer along with sophomore Mike Hawley. The combination of talent and experience offered by this group should give the Scots its strongest suit in defense.

In addition to his band of 38 Fighting Scot lettermen, Creehan is quick to give credit to his coaches, too. "I now have the most complete staff I've ever had," said the fourth-year mentor who recently added offensive specialist John D'Ottavio and past ESC all-time great, Jim Romaniszyn to the fold. "They will play pivotal roles in our season," he added.

In spite of a challenging ten-game 1982 schedule which features PC champion and NCAA semi-finalist Shippensburg State along with a vastly improved Western Division pitting Edinboro against such arch rivals as Slippery Rock, Clarion, and Indiana, Creehan is still cautiously optimistic. His youngsters have already gotten a quick jump on the old adage and proven that they are rapidly "improving with age."

### **TOM HERMAN - Ass't Head Coach, Def. Coordinator**

Tom Herman will begin his eighth year of coaching at his alma mater where he has helped the Scot program on both the offensive and defensive side of the ledger since his return. In his first season with the Scots, he tutored the defensive line and followed that with three seasons as the offensive coordinator in addition to serving as offensive line coach. In 1979 he was named assistant head coach and defensive coordinator where he groomed the Scot linebacking corps. Originally a standout football player at Lincoln High School in Ellwood City, Tom continued his grid career at Edinboro State for four years where he started as a center during his junior campaign and then was a regular defensive end in his senior season. After graduation from Edinboro State College in 1972, he served as an assistant coach at Cambridge Springs High School in Cambridge Springs, Pa. Tom joined the Marshall University staff in 1974 as a graduate assistant offensive tackle and tight end coach. While at Marshall, the former Edinboro gridder earned his master's degree in health and physical education before returning to Edinboro in 1975.

### **JOHN D'OTTAVIO - Offensive Coordinator**

Bringing a broad background of offensive coaching experience to the Scot camp is veteran mentor John D'Ottavio who returns home to the Pennsylvania Conference where he started as a player at East Stroudsburg in 1966. The Roxbury, New Jersey native was a first team all-state quarterback at Roxbury High and captained the team in a 7-2 senior year. A knee injury in his second year at East Stroudsburg ended his playing career but launched him into a brilliant coaching future after graduation in 1970. He became an assistant coach at Randolph High (Dover, NJ) for three years where he went 5-1 as a frosh coach, 8-0 directing the jayvees and 7-2 as a varsity

Burke (Defensive Line), and Pete DeStefano (Defensive Ends). (Kneeling, L-R) Jim Romaniszyn (Running Backs), Mike Kelly (Receivers), Jim Harris (Tight Ends), Bob Cicerchi (Grad Assistant) and Brian Hassett (Grad Assistant).

He moved to the collegiate level as a graduate assistant backfield coach in 1976-77 at the powerful University of Delaware under the famed Tubby Raymond. During his two years with the Blue Hens they went 9-3-1 and 8-2 while winning a berth in the NCAA playoffs. The New Jersey product spent 1978 as the offensive coordinator on a 5-3 Tufts University squad before accepting a similar post at Gettysburg in 1979. In his three-year stint with the Bullets he was the architect of a wing-T attack that established 16 new offensive records while Gettysburg posted respective 5-5, 6-3-1 and 6-4 slates under his direction. The newly acquired Scot coach now resides in Edinboro with his wife, Judy.

### **MIKE BURKE - Defensive Line**

Taking over the duties of keeping the Scots' front line of defense stingy once again is 1960 Ambridge High grad Mike Burke who is originally from Baden, Pa. Mike garnered varsity letters while playing both offensive and defensive tackle for the Bridgers before coming to Edinboro State in 1962 where he started on the defensive line. He earned a varsity letter in his first season with the Scots, sat out two years and then returned to ESC where he received his B.S. in elementary education in 1967. Upon graduation Mike joined the Armed Forces where he spent two years in the Navy before taking a teaching position in Erie, Pa. The Edinboro grad returned to Edinboro for an M.Ed. in 1972 and for the last six years has been a defensive coordinator and assistant varsity coach at Erie's Strong Vincent High School. Highlighting his tenure in Vincents' grid program was the Colonels highly successful 1977 season when they captured the city championship. Mike along with his wife, Lynne, and their two children, Dawnielle and Molly make their home in Erie.

## ESC STAFF PACKED WITH PROFESSIONALS

### **MALEN LUKE - Defensive Backs**

Entering his second year in the Edinboro State coaching ranks is Malen Luke who will groom ESC's veteran secondary and also serve as special teams' coordinator. The Greenville, Ohio, native began his gridiron career carrying the football for Wellsboro (Pa.) High School where in 1971 he was named offensive back of the year in addition to being tabbed as the league's MVP. Malen continued his football exploits as a defensive back at Westminster College and was a two-year letter winner for the Titans despite being hampered by injuries during his freshman and senior seasons. After graduation in 1976 with a B.S. degree in mathematics, he was appointed offensive coordinator for Canfield High School in Canfield, Ohio. In his very first season, Canfield led the entire Buckeye state in scoring by totaling 423 points in ten games. Under his direction in 1980, Canfield scored at a 23 points-per-game clip while netting 301 yards per outing in total offense. Malen, who received a master's degree in guidance and student personnel at ESC earlier this year, resides in Edinboro with his wife, Hedy.

### **MIKE MICHAELS - Offensive Line**

Millersville graduate Mike Michaels begins his second year of tutoring the Fighting Scots offensive line. A two-year letter winner for the Marauders, Mike displayed his talents as a linebacker at Millersville in the mid-70's. He will direct the blocking assignments of the interior line, sharing the expertise gained through six years of coaching high school football players in both Ohio and Pennsylvania. After being awarded a B.S. degree in special education from Millersville in 1975, Mike returned to the West Mifflin area where he had earned a pair of varsity letters at West Mifflin North while playing both guard and linebacker. He spent a three-year coaching stint at North before accepting a post as defensive coordinator for Madison Plains High in London, Ohio, where he was named head coach in 1980. Already the recipient of his M.Ed. in sports science from Ashland College, Mike recently received a degree in secondary school administration from Edinboro. He and his wife, Cheryl, make their home in Edinboro.

### **PETE DeSTEFANO - Defensive Ends**

In his second year on the Scots staff, Pete DeStefano will direct the defensive end corps after helping with the offensive line last fall. He is right at home in the Pennsylvania Conference where he earned a pair of varsity letters as a tight end for ESC rival Slippery Rock State. A Glenn Falls, New York product, Pete was a standout at both tight end and linebacker at New Hartford Central High School where he was a two-year Central Oneida League All-Star in football and track. Following graduation from Slippery Rock in 1978 with a B.S. degree in health and physical education, he returned to the Empire state to accept a teaching and coaching position at Clinton Central High School. During his three-year stint as offensive line coach, Clinton posted an overall 19-5 record including a 1979 Tri-Valley League championship via a 7-1 finish which also landed Coach of the Year laurels for DeStefano. Pete, who received a master's degree in school administration from Edinboro this past spring, lives in the Millcreek area along with his wife, Joanne.

### **JIM BOWEN - Kickers**

Returning to the Scot staff after a two-year absence is Jim Bowen who enters his 13th season at Edinboro in the capacity of a kicking coach. Bowen has coached practically every phase of the game and helped shape outstanding

collegiate careers for numerous Fighting Scot stars. He has tutored linebackers Jim Krentz and Greg Sullivan, the top two tacklers in ESC history, in addition to serving as backfield coach for such Boro greats as Joe Sanford, Jim Romaniszyn, Al Raines and Bob Mengerink. In 1975 he was offensive coordinator when the Scots finished 12th nationally in total offense. In his 10 years prior to joining the Scot staff, as Fairview High's head coach he amassed an amazing 76-12 football record. His teams captured four league championships. The knowledgeable Scot coach graduated from Slippery Rock in 1957 and earned his master's degree from Buffalo University. The Girard resident and his wife, Joyce, have seven children, two of whom are twin girls.

### **JIM ROMANISZYN - Running Backs**

After serving as a highly successful basketball coach at Erie's McDowell High School for the past three years and playing five seasons in the NFL, Jim Romaniszyn returns to his alma mater to help coach the Scots offense backs. The Titusville, Pa. product directed McDowell to three consecutive outstanding cage seasons on the strength of 26-5, 21-7 and 22-9 records. The 1973 ESC grad spent most of his collegiate career setting records on the Scots most successful football teams in history. An All-American running back, Romaniszyn is the only Edinboro player to ever eclipse the 1,000-yard mark in both rushing (1,266) and pass receiving (1,088). The Scot standout, also has the distinction of being Edinboro's first pro pick when he was selected in the 1973 draft by the Cleveland Browns. Romaniszyn beat the odds by making the team at a linebacker slot and also captained Cleveland's specialty teams. After being slowed by injuries, he was traded to the New England Patriots in 1976 until his career was ended by a back injury in 1979. Jim who lives in nearby Erie with his wife, Linda, will also be pursuing a master's degree in counseling at ESC.

### **JIM HARRIS - Tight Ends**

Fostoria, Ohio's Jim Harris has joined the Edinboro staff as a graduate assistant and will serve as the tight ends coach. He is a 1976 graduate of Fostoria High School where he lettered twice in football and track. He attended the University of Toledo where he graduated with honors in 1980. While in college he was active in coaching and upon graduation served as an assistant coach at Hyland High School in Sparta, Ohio where the Fighting Scots recorded their most season wins in history. A year later he accepted a position at Toledo Central Catholic. The Fighting Irish finished 1981 as divisional co-champions. Harris, who is seeking his master's in secondary administration recently moved to Edinboro with his wife, Mary Catherine.

### **MIKE KELLY - Receivers**

Although he is a Waterbury, Connecticut native, Mike Kelly's most successful days on the football field were in the Midwest at Muncie, Indiana's Northside High School. While setting numerous passing records he led the Titans to the 1975 city championship and landed a first team all-city berth. He continued his gridiron career at Bluffton College in Ohio where he lettered three years as the Braves' signal caller. After graduation in 1980, Mike accepted a position at Ridgedale Local Schools in Marion, Ohio where he tutored both quarterbacks and wide receivers. During his two years at Ridgedale his team had the top quarterbacks and top two receivers in the conference. Mike, who is pursuing a master's degree in secondary administration at ESC, now resides in Edinboro with his wife, Kimberlie.

Dr. Kathleen Lipkovich was named Edinboro State's first associate athletic director at the outset of the 1981 school year to help administer both the men's and women's athletic program. At the same time, she was also appointed women's basketball coach, only the second Lady Scot mentor in ESC history.

Originally from Youngstown, Ohio, Dr. Lipkovich has had teaching and coaching experience at West Virginia University, Central Connecticut State College, and Trinity College. The Ohio native, who graduated from Chaney High School, began her teaching and coaching career in 1972 with the Howland Local School District in Howland, Ohio, and then held a similar position from 1972 through 1975 at McDonald High School in McDonald, Ohio.

The 1972 Youngstown State graduate received her M.S. degree in 1975 from West Virginia University and was awarded a doctorate from that same institution in 1977 after majoring in educational administration and physical education. # ALL-TIME SCORES 1926-1981

Edinboro's intercollegiate football history began in 1926 when Edinboro became a four-year degree granting institution and for the first time played a complete intercollegiate schedule against other four-year degree granting institutions.

Prior to the 1926 season, Edinboro was a state normal school and did not play a complete intercollegiate schedule. Therefore, any records prior to that season should not be considered as part of the intercollegiate football history of Edinboro State College.
