PSAC Name

The Pennsylvania State Athletic Conference name has evolved through the years. At times the Conference has been referred to as the Pennsylvania State Teacher's College Athletic Conference (PSTCAC) to the considerably shorter Pennsylvania Conference.

The Pennsylvania State Athletic Conference asks for your help in eliminating any confusion about the league's name. We hope you will use the full *Pennsylvania State Athletic Conference* or the simpler *P.S.A.C.*

If you're using the abbreviation *P.S.A.C.* "over the air" or on a public address system, please annunciate each letter "P" - "S" - "A" - "C"*Thanks!!!!*

The "State" of the PSAC

In 1983, all PSAC member institutions were granted university status as a result of Legislative Act 188 which formed the Pennsylvania State System of Higher Education (SSHE)...a fact of which we are very proud.

To this day, many of our member institutions continue to be referred to as "state college" (i.e. Bloomsburg State College, rather than Bloomsburg University).

Your help in the proper use of our member institutions' names will be greatly appreciated.

Overview

Boasting 26 NCAA team champions and 150 individual title winners, it is little wonder that the Pennsylvania State Athletic Conference (PSAC) is considered to be one of the nation's top NCAA Division II athletic conferences.

In 1996-97 fifty-three of the league's 229 teams participated in NCAA post-season competition.

Academic success is paramount for PSAC member institutions. Seven hundred and twenty-eight student-athletes were designated by the Conference as "Scholar-Athletes" during the 1996-97 academic year after attaining 3.25 cumulative grade point averages. Additionally, ten PSAC student-athletes earned GTE/CoSida Academic All-American awards last season.

The PSAC was organized in 1951 for the purpose of promoting and administering men's athletic programs within the 14 state teachers colleges in the Commonwealth of Pennsylvania.

In 1977, due to the interest and growth of women's athletics, the Conference was restructured to provide for women's programs.

From its inception, each Conference member selected its own competitive division within the NCAA. In 1980, however, the presidents voted to reclassify the entire Conference to Division II.

In 1983, all member institutions were granted university status as a result of Legislative Act 188 which formed the Pennsylvania State System of Higher Education (SSHE). This system now enrolls in excess of 99,000 students. The alumni of the SSHE number more than 402,000, including 287,000 Pennsylvanians.

One of the largest conferences in the nation, the PSAC is governed by the presidents of the 14 member institutions. It employs a commissioner, sports information director and secretary at its headquarters in Lock Haven, Pennsylvania.

The Conference sponsors championship competition in 20 men's and women's sports. Although all 14 institutions are members of NCAA Division II, nine schools have also elected to compete at the Division I level in selected sports.

◆ PSAC Coaches Among Nation's Best

One of the reasons the PSAC is among the best leagues in NCAA Division II football is due to the quality of coaching around the Conference. Here is a list of how the PSAC coaches rank among the nation's Top 40.

♦ I-AA Opponents

Several PSAC members will be taking on NCAA Division I-AA opponents during the 1997 season. Those dates include:

♦ Cross-over Games

Always interesting, the PSAC employs a mandated "cross-over" football game for each member institution during the course of the season. The cross-over, East vs. West, gives football fans from across the Commonwealth the opportunity to see and enjoy teams they would otherwise not. Besides the seven "mandated" games from the Conference there are eight other cross-overs. They include:

- Sept. 13 - IUP at Bloomsburg
Clarion at Millersville
Lock Haven at Kutztown
- Sept. 20 - Kutztown at Shippensburg
Bloomsburg at Lock Haven

PSAC FOOTBALL CHAMPIONS

Prior to the origination of the PSAC in 1951, Pennsylvania's sportswriters used a poll to select a "conference champion" based on the results of all the "state colleges". The sportswriter's poll was considered a mythical championship. With the advent of the Conference, the Saylor Point System was used in determining a Champion. From 1960 to 1987, a "State Game" played between the Western and Eastern Division Champions determined the Champion. Since 1988, due to the Conference's desire to qualify more teams for post-season play, only Divisional Champions have been named.

CALIFORNIA VULCANS

Vulcan Headlines

- ◆ First-year head coach Mike Kolakowski begins a new era of Vulcan football and hopes to guide Cal to its first winning season since 1987. Kolakowski was Cal's defensive coordinator in 1995 and 1996.
- ◆ Kolakowski and his staff have installed a daring, eight-man defensive front and will use a Pro-I offensive formation with an emphasis on running the football.
- ◆ Reasons for improvement on offense appear realistic as Cal returns seven starters, including three offensive linemen, the quarterback, the tight end, and the second and third-leading receivers.
- ◆ Cal's defensive scheme, the eight-man front, along with five returning starters should keep the pressure on opposing offenses. Last year, Cal's defense made a school-record 45 sacks.
- ◆ On special teams, Cal will have to replace graduated All-PSAC punter Jeff Lowden but the Vulcans do return sophomore placekicker Josh Gray (34 points) and senior KR/DB Brandon Biggom (21 yds per return).
- ◆ The Vulcans will play a 10-game schedule for the first time since 1991.

All-Star Candidates

OT JUSTIN SPANGLER - 6-6, 325, Sr - Etters, PA

*A 1996 All-PSAC selection, Spangler will begin his 3rd year as a starter this fall and is an excellent one-on-one blocker with good speed. Cal's OL leader.

DE BARRY KRALIK - 6-4, 250, So - Ambrust, PA

*Will begin his 2nd year as a starting defensive end in 1997. He was Cal's 8th-leading tackler in 1996 with 50 tackles (22 solo), 4 sacks and a fumble recovery.

QB MIKE YURCICH - 6-1, 190, Sr - Euclid, OH

*Won the starting QB job early last season and completed 131 of 268 passes for 1,694 yards with 9 TD's and 9 interceptions. Was named PSAC-West Player of the Week last September after leading Cal from a 24-0 halftime deficit to a 28-26 win at Fairmont. He is a 1997 Cal tri-captain.

DB AARON HUTTER - 6-0, 200, Sr - Mount Pleasant, PA

*A 1997 tri-captain, Hutter will begin his 3rd year as a starting defensive back. The free-safety was Cal's 4th-leading tackler in 1996 with 64 total tackles (53 solo), an interception, 5 break-ups, and 2 fumble recoveries. He is a preseason All-American Farm Team nominee.

DT JON BOLEN - 5-10, 245, Jr - Uniontown, PA

IUP INDIANS

Indian Headlines

- ◆ September success would mean a lot to IUP, as the Indians will play at Bloom (10-2 in '96) and New Haven (7-3 last fall) before facing predicted powers East Stroudsburg, Edinboro, and Clarion in the season's sixth through eighth contests.
- ◆ After opening with Fairmont State Sept. 6, IUP will not be at home again until Oct. 11. The Indians will play 4 night games, 3 at home, including Homecoming (vs. East Stroudsburg) for the first time in history.
- ◆ IUP's running game depended almost totally on James Suber in '96. They now hope for comparable production from 3 players - freshman Bernard Stennett, Temple transfer Dallas Wharton and returnee Ali Johnson.
- ◆ The offensive line is seasoned, but first-year OL assistant Jack Linn (who played for NFL's Lions and Bengals) is anxious to arrive at the best combination of who will play where.
- ◆ The Indians face challenges in replacing flanker Mario Hardison, OT/G Darren Walton and familiar-name defenders Rusty Arrington, Mike Marshall, Andy Phipps, Harold Brister and Jermaine Wagner, among others.
- ◆ Head coach Frank Cignetti goes into '97 with the 7th best career win percentage among active NCAA Div. II mentors in the nation (.709 with a record of 125-51-1).

*Started at guard in '96 but equally adept as center in past two seasons as Indian regular after earning high school All-American honors, then first going to South Carolina.

DT SHANNON MANNING - 6-2, 290, Sr - Spring Mills, PA

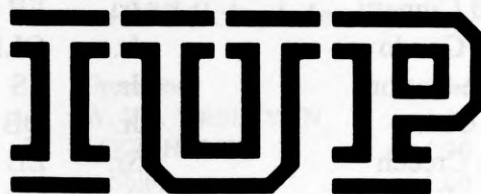

*Starter in '95, earned All-PSAC Western Div. second-team laurels by leading IUP in tackles for loss but sustained injury in third game that sidelined him for '96 campaign.

*Two-year letterman who started at outside linebacker in '96 but could start either inside or out this fall.

CB BARRY THREATS - 5-10, 194, Jr - New Castle, PA

KUTZTOWN GOLDEN BEARS

Golden Bear Headlines

- ◆ The Golden Bears will have to fill big holes on offense, with the departure of All-PSAC performer Darrien Peoples, KUs all-time leading rusher, and QB Rob Holmes, who started for four seasons and finished as the second-leading passer in school history.
- ◆ KU's strength will be its secondary, where second team All-PSAC performers Terry Owens and Kevin Wimberly return.
- ◆ One of the Golden Bears deepest positions is TE, where Chris Fraley and Nick Hanych return. Fraley was a starter at TE last season and at FB the year before. Hanych, who sat out last season, started 3 years at TE, earning All-PSAC honors twice.
- ◆ KUs most highly touted returner this year is senior DT Denauld Brown. Brown was named to 3 all-star teams last year after leading the team in sacks (7) and tackles for losses (9).
- ◆ The Golden Bear LB corps should be solid as Sr. Keith Bussom and Jr. Chris Brady return. Bussom led the team in interceptions and was 3rd in tackles last year. Brady sat out last year after finishing third with 62 tackles in 1995.

SLIPPERY ROCK ROCKETS

Rocket Headlines

- ◆ SRU looks to build on six consecutive winning seasons, a new school record for football success. The previous mark of five was established from 1926-30
- ◆ Replacing key players in the offensive skill positions will be a major challenge for the Rock. Redshirt freshman Randy McKavish will attempt to replace Chad Vogt, who established numerous records during his years at SRU.
- ◆ The Rock defense returns with nine starters from last season's squad, including all-conference performers Shawn Rohrer, Rob Anthony, and Bret Geishouser. One notable shift is the move of Rodney Wilson from outside linebacker to safety. Wilson showed his versatility last year by switching from running back to linebacker.
- ◆ SRU has developed a reputation for finishing strong over the past five seasons with a 9-2 mark in November. Last year was a continuation of that late-season magic as the Rock vanquished its last three opponents by a combined score of 116-35.
- ◆ Head Coach Dr. George Mihalik starts his 10th season at the helm of the SRU football program with 53 wins, placing him third all-time at the Rock behind N. Kerr Thompson and Bob Di Spirito. Mihalik has spent 26 of the last 27 seasons connected to the Rock football program as either a player or coach.

All-Star Candidates

DT ROB ANTHONY - 6-3, 245, Jr.-Johnstown, PA

*Will move to defensive tackle this year after garnering all-conference honors last year and notching six sacks while tackling nine runners behind the line.

TE JOHN CURRAN - 6-3, 255, Sr.-Pittsburgh, PA

*Mainstay at TE for the Rock who possesses the size, strength and skills to be the most dominant tight end in the PSAC. Hauled in 39 passes during the past two seasons.

CB BRET GEISHAUSER - 5-11, 180, Sr.-Altoona, PA

*Returns after an all-conference year at CB and will also continue to give the Rock a strong kickoff returner. Had 56 tackles and recovered 2 fumbles last year, returning one fumble for a touchdown.

LB SHAWN ROHRER - 6-1, 225, Sr.-Beallsville, PA

*Returns at linebacker to lead the Rock defense. Rohrer's team-high 139 tackles were spotlighted by a school-record 25-tackle performance against Edinboro.

C DAVE SABOLCIK - 6-3, 275, Jr.-Butler, PA

*Leads the experienced SRU offensive line after garnering all-conference honors at center and is versatile enough to play at either guard or tackle.

S RODNEY WILSON - 6-0, 215, Sr.-Wind Ridge, PA

*Moves to safety from LB after having moved from FB last year. Bounced back after offseason shoulder surgery last season to finish 2nd on the team with 100 tackles.

Did You Know?

Upcoming Schedules in the PSAC

Contributing to the uniqueness of Pennsylvania State Athletic Conference football is the inclusion of a "cross-over" game to the divisional schedule employed by the league. Each of the fourteen Conference members have played one mandated cross-over game against a team from the opposite division.

Over the last fourteen years, the cross-over opponents have rotated so that each Conference member has played every team in the opposite division on a home-and-away basis. This is the last year of the single mandated cross-over game.

In 1998, the PSAC will begin a new era of football scheduling when considering the tradition of the cross-over game. Beginning with the new scheduling cycle, the PSAC will employ a double cross-over in the divisional schedule.

Conference members will be mandated to play two opponents in the opposite division each year. The system for determining the cross-over opponents will be based on the past performance of each team. The teams with the best records will play each other, while the teams with the worst records will play each other on a home-and-away basis over a two year period. A new schedule will be determined for the 2000 and 2001 seasons.

The 1998 and 1999 schedule is based on the 1995 and 1996 composite divisional results. Each team will play its first cross-over against the corresponding team in the opposite division (i.e. The #1 team from the East will play the #1 team from the West, #2 vs. #2, etc.).

In an effort to provide some additional parity to the double cross-over, the second cross-over game pairs teams of nearly the same ranking in the opposite division (i.e. The #1 team from the East will play the #2 team from the West, #6 West will play #7 East).

Following are the 1998 and 1999 PSAC Mandated Football Schedules (they are subject to change):
