'70 FIGHTING SCOTS

SCOTS' SCOPE — 1970

Under the tutorship of first-year coach Bill McDonald, Edinboro State's gridgers posted their best season in the past eight years with a 4-4-1 slate. Over twenty individual and team records fell by the wayside as the Clan finished 1969 with third place in the Pennsylvania Conference.

"Our chances of having a successful season this year hinge upon just how quickly our ball players can come of age," claims McDonald. "We really have a lot of catching up to do before we can compete consistently in our conference."

Edinboro's 212-point output last year ranked as the second highest total in its forty-year football history. The continued success of the offensive unit could highly depend on the running of junior tailback Al Raines, (5-9,180), an All-American Honorable Mention winner. He broke all the school's rushing records while rampaging for 1,208 yards and fourteen touchdowns as a sophomore.

A trio of quarterbacks will vie for the starting assignment in the backfield, but junior, Joe Sanford, (5-9, 180) seems to have the inside track on the job. Back with ample experience are seniors Joe Kodba, (5-11, 185) and Barry Masterson, (5-11, 170).

The only questionable position in the Scots backfield appears to be at the fullback slot where several candidates are fighting for the job.

The squad appears much stronger in the receiver corps where stalwarts Jim Romaniszyn (6-1, 195), John Gecina (6-2, 195), Gary Roth (5-11,170), Tom Boylan (5-11, 180) and Mike Romeo (5-10,165 will operate.

Both the offensive and defensive lines return experienced veterans, but lack size. Guard Paul Burkell, a regular throughout the '69 schedule, should lead the offensive line charge while Bob King (6-0, 205) and Bill Bender (6-2, 220) anchor the defensive unit.

Supporting the defensive front wall are linebackers Gary Sisko (6-0, 200) Jeff Idzik (6-0, 204) and Steve Hamm (6-1, 210).

Senior veterans Dennis Creehan (5-9, 190), a deep safety, and Ebby Hollins (6-2, 210) at middle guard, are back for final stands. The pair received post-season grid honors for their efforts throughout the 1969 campaign.

Other familiar faces on the defensive eleven are halfbacks Joe Sass (5-10, 160) and Larry Pollick (5-10, 170) who played an outstanding spring game.

The Clan's lineup for the 1970 season will be studded with some veteran performers with 25 lettermen returning, but still lacks the depth and overall size to be a big winner.

Returnees on the offensive unit who saw action last fall include tight end Jim Tabaczynski (6-0, 195), tackle Ken Zbinovec (6-1, 230), split end Gary Roth (5-11, 170), halfback Jack McCurry (5-10, 175), fullback Bob Mengerink (5-9, 187) and tackle Steve Mennen (6-1, 240). Ed Meeks (6-0, 175), who had an outstanding spring, will be available for running action.

Other returners on the defensive unit are end Tom Herman (6-1, 200), tackle Torry Buck (6-0, 205), guard Dave Tamasy (5-10, 188), linebacker Santo Policicchio (6-1, 190) and tackle John Sullivan (6-0, 220).

On tap for the offense once again is kicker Tom Rockwell who gives the Clan a potential 3 points inside opponents' territory.

Among the promising sophomores who are expected to make bids for varsity assignments are Dave Gates a 6-0, 170-pound defensive back; John Petchel, a 6-1, 185-pound flanker; Jim Romaniszyn, a 6-1, 195-pound flanker and Mike Mormino, a 6-0, 195-pound defensive end.

SCOT SKETCHES

BILL BENDER DT, 6-2, 220, JR., PITTSBURGH

Bill has been slowed by an injury but was one of the big bright spots in spring ball . . . Has natural quickness and strength . . . Should be a defensive starter . . . Was First Team All-Catholic League at Pittsburgh's North Catholic High School . . . Sheds blocks well and recovers quickly.

TOM BOYLAN SE, 5-11, 180, JR., CLEVELAND, OHIO

An experienced gridder who transferred to Edinboro from Wyoming University . . . Had his best showing in freshman action for the Cougars in a game against the Air Force Academy . . . Possesses ample speed and cuts sharply . . . Will be a question mark in 1970 because of a knee operation.

TORRY BUCK DT, 6-0, 205, SR., CLEVELAND, OHIO

A seasoned veteran who has seen considerable action the past two years . . . A hardnosed lineman, originally a defensive end . . . Has won two varsity letters for the Clan . . . Finished '69 with 41 tackles to his credit . . . Played at Cathedral Latin High School in Cleveland, Ohio . . . If the Clan needs help at one of the end spots, he has the experience to fill the bill.

PAUL BURKELL OG, 5-9, 184, JR., ERIE

Led the offensive line charge as a sophomore . . . A tested starter . . . Was a player in the Erie City All-Star game . . . Operated as both a guard and line-backer on a great McDowell High School team . . . Should be found in the Scots' interior line once again as a pulling guard.

DENNIS CREEHAN S, 5-10, 190, SR., BETHEL PARK

Mainstay of the defensive secondary as a safety . . . A real hard hitter who enjoys contact . . . Set an ESC record last season when he romped 71 yards for a TD with an interception . . . Was named to the Pennsylvania Conference Honorable Mention list as a sophomore . . . Comes up fast to help stop the run . . . A two-varsity letterman . . . Liberal arts major.

DAVE GATES S, 6-0, 170, SO., EDINBORO

Enjoyed a great spring and capped it with three interceptions in the spring game . . . Could easily be found as the other starting safety if he performs as well in the fall . . . Originally played as a flanker at Wissahickon High School . . . Has an excellent pair of hands which made transition to defense an easy one.

JOHN GECINA FLK, 6-2, 195, JR., MONACA

A newcomer in the Edinboro camp, John is a transfer from Northeastern Oklahoma A & M College . . . Looked impressive during the spring as a tight end and proved he could catch the football . . . A First Team MAC winner during both his junior and senior years at Monaca High . . . Has the ability to get clear of the line and blocks well.

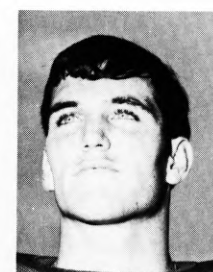

Torry Buck

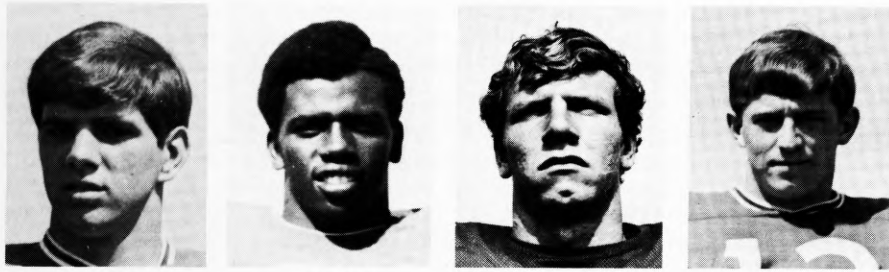

Paul Burkell

Dennis Creehan

Dave Gates

Larry Pollick

Al Raines

Jim Romaniszyn

Gary Roth

JOHN PETCHEL TE-FLK, 6-1, 185, SO., INDUSTRY

Began his career at ESC as a linebacker . . . Since spring has operated in the offensive unit and is catching on quickly . . . Was a standout back at Western Beaver High School where he earned four varsity letters...A biology major.

SANTO POLICICCHIO LB, 6-1, 190, JR., PITTSBURGH

Santo's flexibleness has aided the Edinboro program . . . Has played offensive guard and tight end . . . The junior gridder has been groomed for a defensive spot this fall, most likely as a linebacker . . . Caught 6 passes during the 1969 schedule for 76 yards and one touchdown.

LARRY POLLICK DHB, 5-10, 172, SR., SPRINGDALE

This will mark Larry's third straight year as a starter in the Scot's defensive secondary . . . Works almost automatically on pass defense . . . Has often served as a pass receiver where he developed good hands . . . Caught a pass for a touchdown in the spring game . . . Picked off two passes last fall and chipped in 68 tackles.

AL RAINES HB, 5-9, 180, JR., ALIQUIPPA

The best offensive back ever to come out of Edinboro State . . . Smashed all the College's rushing and scoring records in his first varsity try by finishing with 1,208 yards and 84 points . . . Romped for 295 yards in one game . . . Voted All-American Honorable Mention, First Team Pennsylvania Conference, NAIA District First Team and Pittsburgh Press All-District Team . . . One of the top backs in the nation last year.

TOM ROCKWELL K, 5-11, 200, SR., CONNEAUT, OHIO

"Toe" kicked his way to three field goal records while helping the Clan put points on the scoreboard . . . Kicked three field goals in one quarter . . . Was the team's second leading scorer with 32 points . . . Becoming extremely effective inside the 50-yard line.

JIM ROMANISZYN FLK, 6-1, 195, SO., TITUSVILLE

One of the top prospects recruited by the Edinboro staff . . . An outstanding athlete . . . Averaged 9.7 yards a carry as a freshman and caught 23 passes for 273 yards . . . Frosh's second leading scorer with 30 points . . . Strong and fast with exceptionally good hands . . . A scheduled starter at the flanker post.

GARY ROTH SE, 5-11, 170, SR., NEW CASTLE

A returnee at the split end slot . . . Led the team in pass receptions with 13 grabs for 203 yards . . . Averaged 15.6 yards a catch . . . A fine athlete with plenty of speed . . . Three years ago he established Scot passing records as a freshman which still stand.

JOE SANFORD QB, 5-11, 180, JR., CONNEAUT, OHIO

A transfer from Iowa Wesleyan who appears to have the nod at quarterback . . . Piloted the Red team to victory in the spring game . . . Accounted for 14 touchdowns at Iowa in his freshman year . . . Shifty runner with speed and power . . . Especially effective with the option . . . Landed All-Conference and All-County first team honors as a halfback at Conneaut High School . . . A Dean's List student.

JOE SASS S, 5-10, 160, JR., ALIQUIPPA

Completes the veteran defensive backfield . . . Set a Scot record as a soph with three interceptions in one game . . . Very fast and aggressive . . . Finished the year with four aerial thefts . . . Has been a standout defensive back ever since his freshman debut . . . Also returns punts for the Clan where he is a break away threat . . . Was the punt return leader in '69.

GARY SISKO LB, 6-0 200, JR., ALLISON PARK

Will start as a linebacker . . . An All-Conference candidate . . . Team leader last year in total tackles with 93 . . . Established an Edinboro record when he made 13 tackles in one game . . . Named First Team on the NAIA District selections and Second Team Pennsylvania Conference . . . A fiery competitor . . . A liberal arts major.

GEORGE STOFFEL OG, 6-0, 210, JR., MIDLAND

Began his collegiate grid career at Waynesburg College as a split end three years ago but had his football interrupted by the Armed Services . . . Played varsity ball on a strong Waynesburg team . . . Speed is his best attribute . . . Had a fairly decent spring and is still trying hard to catch on to the system . . . A math major.

JIM TABACZYNSKI TE, 6-0, 195, SR., PARMA, OHIO

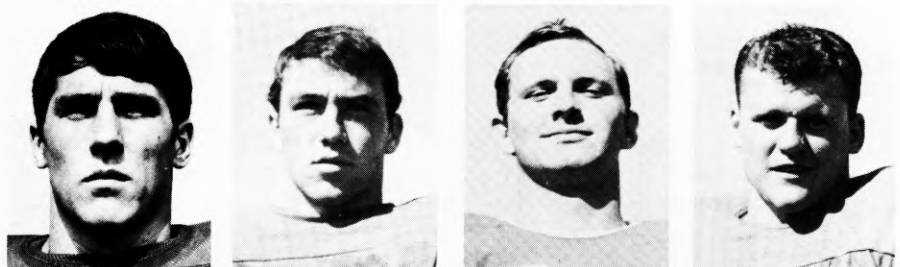

Has gradually worked his way into varsity action . . . Lettered last year for the Clan as an offensive end . . . A hard worker . . . Played at Cathedral Latin High School in Cleveland . . . A speech major.

DAVE TAMASY MG, 5-10, 188, SR., WEST NEWTON

Continually improves as a defensive middle guard . . . Saw plenty of action last year after a slow start as a sophomore . . . Should make many appearances in the defensive unit this fall . . . Earned a varsity letter last year and garnered three varsity awards at Serra Catholic High School.

KEN ZBINOVEC OT, 6-1, 230, JR., PARMA, O.

Ken has been one of the steady performers on the offensive line . . . Started in almost every game as a sophomore . . . A dedicated football player . . . Co-captained Padua Franciscan's first winning football team...Has experience as a defensive tackle . . . A social studies major.

INTRODUCING THE 1970 STAFF . . .

HEAD COACH

Bill McDonald

In his first year at the helm of Edinboro State's football program, Bill McDonald's Fighting Scots came away with their best showing on the gridiron since 1961 when they posted an identical 4-4-1 season slate. In his attempt to meet the challenge of building a football machine for Edinboro that can produce wins, over 20 individual and team records fell by the wayside last year as the Clan climbed to a third place finish in the Western Division of the Pennsylvania Conference.

Bill McDonald previously served as assistant football coach at Indiana University of Pennsylvania for three years and head coach at Hopewell High School from 1958-1965.

McDonald directed Indiana University's offense as the Big Indians registered 24 regular season victories against only three defeats. In his final season at Indiana the grid squad finished unbeaten in nine outings and proved to be the greatest offensive team in the school's history by tallying 360 points, an average of 40 points a game.

The unblemished 9-0 mark landed Indiana University the opportunity to play in the Boardwalk Bowl in Atlantic City, New Jersey against the University of Delaware.

The Wilmerding, Pa. native guided Hopewell High School to a 46-25-1 slate during his seven years as Hopewell's head football coach. His 1960 ball club defeated Braddock High 7-6 and broke their WPIAL 58-game winning streak while his 1963 team captured the Midwest Class A Championship.

The Fighting Scots' new grid pilot has served as an assistant coach at Braddock and Latrobe High Schools. He acted as aid to Chuck Klausung, Indiana's head football coach, through two undefeated seasons at Braddock High from 1956-1958.

McDonald holds both a B.S. degree in education and an M.Ed. from the University of Cincinnati where he played fullback under Sid Gillman, now head coach of the San Diego Chargers and his assistant coach, Paul Dietzel. This team was the original "Chinese Bandits," a defensive unit which later became famous at Louisiana State University.

After graduation from Cincinnati in 1952, the Scots mentor continued his education in post graduate work at Penn State, Pitt and Indiana (Pa.) Universities.

In announcing McDonald's appointment Edinboro President Chester T. McNerney commented, "Mr. McDonald's coaching career has constantly been a story of success. In addition to this aspect of his life, we were impressed with him as a man who is prepared and capable to give both wise counseling and leadership to young men in all phases of their development."

The new coach along with his wife, Joanne, and their three children, Amy Sue, Johanna and David now reside in Edinboro.

LINEBACKER COACH

Jack Hyland

Jack Hyland, a former head football coach at Meadville High School, joined the Scots' a year ago as an offensive backfield coach and guided the Edinboro offense to a record breaking yardage total. Due to personnel changes on the Scots' staff the Clan's mentor will tutor the squads linebacker corps for the 1970 campaign where he should prove to be equally effective in the ESC football program.

A North Braddock native, Jack is a 1954 graduate of Slippery Rock State College where he was a top notch quarterback. He piloted the Rocket offense during four varsity campaigns and earned four consecutive varsity letters. He also participated in basketball, track, and baseball at Slippery Rock.

Following graduation, Jack held the head football post at Ferndale High in Johnstown where he groomed Yellow Jackets teams for 10 years. In 1964 he became the head mentor of Rochester High's Rams and remained there until he was selected to pilot the grid program at Meadville in 1968.

Jack and his wife, Nancy, along with their five children, are currently residing in the Meadville area.

QUARTERBACKS' AND RECEIVERS' COACH

Mickey Watson, a Latrobe native, has joined the Edinboro football staff this fall as a fulltime coach after serving on a part time basis last season. Along with his coaching duties, the new mentor will be an instructor in the College's safety education program.

Watson graduated from Derry Area High School in 1961 where he starred in both basketball and football while earning All-County, All-District and All-WPIAL honors. His initial collegiate gridiron experience came at George Washington University in Washington, D.C., where he was named to the All-Southern Conference freshman team as a quarterback. He then transferred to Indiana University of Pa. and became one of the best among Big Indian field generals. While guiding the Tribe to 8-2 and 7-3 seasons, Watson also piloted Indiana to the Western Conference football title. His record breaking performances landed him All-Conference laurels, All-District and Little All-American honors. He received his B.S. in education from Indiana in 1966 and recently received his M.Ed. in safety education from West Virginia University.

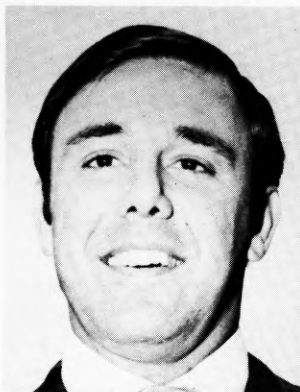

After graduation he played a year with the Atlantic Senators in the Atlantic Coast League and was a taxi squad member of the Philadelphia Bulldogs in the Continental League. Since then, Mickey has coached and taught at Ocean City High School in New Jersey, Homer City High School, the Erie City Schools System and Indiana University (Pa.).

The Scots' mentor has also served as a staff instructor at various football camps throughout West Virginia and Pennsylvania.

DEFENSIVE SECONDARY COACH

Bill Straub

A newcomer in the Edinboro camp, Bill Straub recently joined the Fighting Scots' football staff to guide the defensive secondary.

Straub had an outstanding career at Western Kentucky University as a quarterback where he guided the Hilltoppers to consecutive 9-1 and 8-2 seasons. He originally began his performances on the collegiate gridiron at the University of Kentucky under the guidance of Blanton Collier who now coaches the NFL Cleveland Browns.

The new Edinboro mentor graduated from Highlands High School in Fort Thomas, Ky., and quarterbacked the Bluebirds to the Kentucky state championship in 1957. He was named First Team All-State as a senior gridder. While at Highlands Straub was coached by Homer Rice,

now athletic director at North Carolina, who was the originator of the triple option offense. Straub graduated from Western Kentucky in 1963 with a B.S. degree and earned his M.A. from the University in 1965.

His coaching career got underway at Old Kentucky Home High School in Bardstown where he served as an assistant for two years. He then moved to a head coach's post for two seasons at Tate's Creek High School in Lexington. Prior to joining the Edinboro Staff, Straub coached for one year at Cincinnati Moeller, a high school powerhouse in Ohio, and finally rounded out his scholastic stint as assistant head coach at Mt. Healthy High School in Cincinnati for two campaigns as a defensive co-ordinator.

Straub, who will also be teaching in the physical education program, and his wife, Anna Jo, have recently moved to Edinboro.

OFFENSIVE LINE COACH

Joe Shesman will be entering his second year as an Edinboro coach after successfully guiding the freshman campaign last season. The Scot mentor will be striving to strengthen the squad's offensive line during the 1970 schedule to provide running room for Edinboro backs.

Shesman has been a highly successful football and baseball mentor at Fort LeBoeuf High School in Waterford. He served on the Bison's staff for 14 years, an assistant for 11 seasons and then as head coach in 1966. He guided LeBoeuf's gridgers to three straight winning slates while finishing second in the league twice and third once.

Joe is a 1955 Edinboro State grad and returns to his alma mater where he earned four varsity letters in both football and track during his undergraduate days. He was a member of the four-some that established a longstanding record for the Clan in the mile relay, while he also starred at both an offensive and defensive end slot for the Scots during his four years as an Edinboro gridder.

As LeBoeuf's diamond coach, Shesman has led the Bisons to winning slates for nine consecutive seasons, never finishing lower than third in the Erie County league and capturing four league championships.

The Scot coach and his wife, Izzy, have three children, Matt, Kim and Karen.

Joe Shesman

DEFENSIVE LINE COACH

Tony Zvonar

Tony Zvonar, a 1963 grad of Shippensburg State, will guide the defensive line for the Clan in 1970. Zvonar served in the Hopewell High School football ranks for 5 years and was a member of the Aliquippa High School staff in 1968 before joining the Scots a year ago. Tony also was an assistant track coach at his alma mater, Hopewell High. While capturing three varsity letters as an offensive tackle at Shippensburg, Zvonar received numerous grid awards. He was named as one of the Red Raiders' co-captains, selected to the all-conference team, the NAIA District 30 squad, and earned a berth on the all-state selections. Last season he led the offensive line drills, but has been appointed to a new spot in the Edinboro grid program where he will handle the defensive line chores.

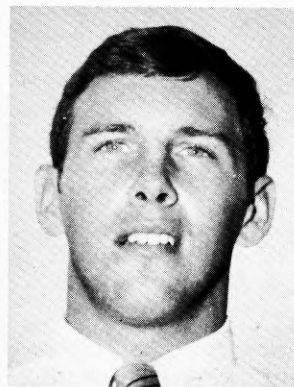

OFFENSIVE BACKS' COACH

Jim Bowen

Jim Bowen returns to the Edinboro camp after a year's absence to tutor the Clan's offensive backs. Bowen coached the 1968 freshman team that finished with a brilliant 4-1 season slate and was the varsity's offensive backfield coach in 1967. Bowen has been head football coach at Fairview High School in Fairview for the past 10 years and has compiled an outstanding record of 76 wins and 12 losses. His grid teams have captured 4 league championships while riding 25 and 19 game winning streaks. Coach Bowen graduated from Slippery Rock State College in 1957 and also attended Buffalo University where he earned his master's degree. He and his wife, Joyce, along with their 7 children, two of which are twin girls, reside in Girard.

OFFENSIVE BACKS' AND FRESHMAN COACH

Chuck Blaney

Chuck Blaney, a 1970 graduate of Adams State College, is the newest face on the Scots' staff. An Aliquippa native, Blaney won three varsity letters in football, three in basketball and three in track at Hopewell High School. Via his football performances he earned All-State Honorable Mention and All-County honors. Upon graduation Chuck enrolled at Coffeyville Junior College in Coffeyville, Kansas where he played two years of football as an offensive back and helped pave the way to 6-4 and 9-1 season finishes. He continued his gridiron career at Adams State in Alamosa, Colorado, and lettered as a back for the Indians. Chuck, his wife Donna and their 1 1/2-year-old son, Richard, now live in Edinboro.

ATHLETIC DIRECTOR

Al Hall

Mr. Allan W. Hall was appointed Edinboro's first full-time Director of Athletics two years ago.

Hall, a graduate of Baldwin-Wallace College, served as Assistant Director of Athletics at Akron University for two years prior to coming to Edinboro.

While at Akron, Hall was quite active in the University's athletic program. He piloted Akron's cross country teams for 12 years and guided his harriers to three Ohio Conference and three All-Ohio championships. His 1963 squad held the distinction of being runnerup to national champion Emporia State in the NCAA meet. Along with his cross country duties he also served as assistant track coach at A. U. for 12 years.

Hall's keen interest in all phases of sports is reflected by his past accomplishments in the field of athletics. In 1962 he was selected Meet Director of the National AAU Swimming Championships. He was highly instrumental in making Akron University the site of the Mideast Regional NCAA Basketball Tournaments in 1964, 1965, and 1966. Hall is also credited with the inception of the Junior Olympics program in the City of Akron. He served as the University's Sports Information Director during 1958 and 1959.

He and his wife, Pam, reside in Edinboro.

HEAD OF THE HEALTH AND PHYSICAL EDUCATION DEPARTMENT

Fred Caro is commencing his fifth year as head of the Health and Physical Education Department.

Prior to serving as an Edinboro State College faculty member, he gained his initial teaching and coaching experience at Tyrone Area High School in Tyrone, Pa. For three years Caro functioned as assistant coach of the football, wrestling, and track teams at Tyrone High. In addition, he was an assistant football coach at Williston Academy, Easthampton, Massachusetts for one year while completing academic requirements for his degree. During this time he also served as assistant Wrestling coach at Springfield College.

His coaching and teaching experience also includes tenure at Derry Area High School, Derry, Pa.

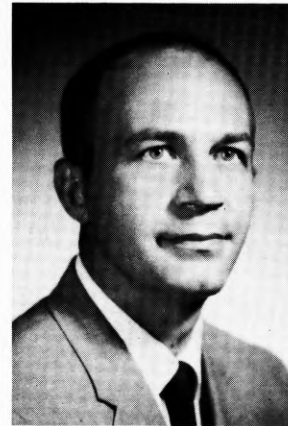

At Edinboro Caro has served as assistant Highlander football coach for five years and head wrestling coach for eight years.

Caro received his B.S. degree in Physical Education from Lock Haven State College in 1958 and his M.S. degree from Springfield College, Springfield, Mass.

Fred Caro

TEAM TRAINER

Bob Klingler

Bob Klingler is commencing his fourth year on the Scots' staff as team trainer. His valuable background of medical knowledge is also utilized in the instruction of anatomy and physiology at the College.

Klingler graduated from Lock Haven State College in 1952 with a B.S. degree and then ventured to Hermann School of Physical Therapy in Houston, Texas, where he became a registered physical therapist in 1954.

He received his M.S. from Bucknell University in Lewisburg, Pa., where he also acted as the Bisons' assistant athletic trainer.

He taught at Milton Hershey, a private boys' school in Hershey, Pa., prior to accepting his post at Edinboro. While at Milton Hershey School, Klingler served as the Spartans' head football mentor, head track coach, and assistant basketball coach. Both his cinder and cage teams never experienced a losing season under his leadership, while his grid teams posted continuous successful campaigns in the powerful Capitol Area Conference.

During the off season the Scots' medical man has been enrolled in graduate work at Springfield College in Massachusetts and serves as a physical therapist at St. Vincent Hospital in Erie where he administers treatment to rehabilitation patients.

Mr. Klingler, his wife, Jill, and daughter, Julie, make their home in Edinboro.

SPORTS INFORMATION DIRECTOR

Paul Newman began his duties three years ago as Edinboro's first Sports Information Director and now also serves as Assistant to the President.

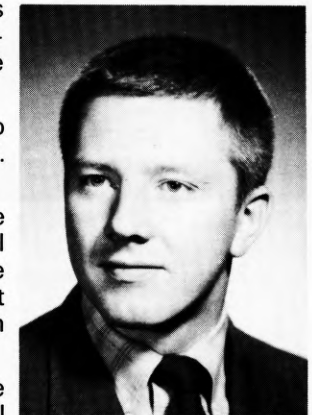

Mr. Newman is a 1964 graduate of Edinboro where he earned both his B.S. degree and M.Ed. while majoring in English.

Prior to his appointment at the College, he held a teaching position with the Buckeye Local Schools in Ashtabula, Ohio for three years. He served as a cross country coach and assistant track coach at Edgewood Senior High School in Ashtabula, Ohio.

In connection with his duties, he is also the District 18 Publicity Chairman for the National Association of Intercollegiate Athletics and is currently President of the NAIA's Sports Information Directors Association.

He serves as the adviser for the *Tartan*, Edinboro's college yearbook.

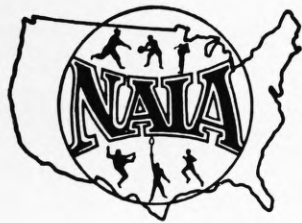

Mr. Newman, his wife, Connie, and their children, Paul, Jr. and Michele, make their home in Edinboro.

Paul Newman

EDINBORO FOOTBALL AFFILIATIONS

National Association of Intercollegiate Athletics

NAIA

Edinboro State's national affiliation is the National Association of Intercollegiate athletics which has its headquarters in Kansas City, Missouri. The NAIA was organized in 1940 for the purpose of promoting interest in athletics among colleges of moderate enrollment. The NAIA encourages a broad program of athletic pursuits in its member schools and maintains that athletics must be an integral part of the overall educational process. A total of 17 national championships are sponsored by the NAIA. Edinboro, which belongs to District 18 competes in NAIA competition in all 9 of its varsity sports and sends representatives to district as well as national championships.

This year the NAIA will crown two national football champions. The 285 football-playing schools have been divided into two divisions. The Fighting Scot gridders will be competing in Division II along with 148 other member schools.

Eastern College Athletic Conference

ECAC

This season will mark the first year of Edinboro State's membership in the ECAC. The ECAC differs from the majority of the other major college conference in which every team within the group meets all or most of the others in the various sports. However, the majority of its 198 members enter into competition with one another either through dual contests, or in the championships and tournaments of the various leagues and associations.

It is the largest athletic conference in the nation. The E.C.A.C. supervises annual tournaments and championships competitions either on a Conference basis or for the affiliated organizations and holds outstanding events such as the E.C.A.C. Holiday Basketball Festival and E.C.A.C. Holiday Hockey Festival at Madison Square Garden, New York City and E.C.A.C. Quaker City Basketball Tournament at the Philadelphia Spectrum.

Edinboro State, listed as a Division III competitor among the football playing colleges, is eligible for the Lambert Bowl as a member of this group.

Pennsylvania Conference

The Pennsylvania State Colleges Athletic Conference, organized in 1951, recently changed its name to the Pennsylvania Conference. Its membership originally consisted of the 14 state colleges: Bloomsburg, California, Cheyney, Clarion, East Stroudsburg, Edinboro, Indiana, Kutztown, Lock Haven, Mansfield, Millersville, Shippensburg, Slippery Rock, and West Chester. In 1966 Indiana no longer was eligible for conference laurels as it acquired university status. The conference is divided into a Western Division and an Eastern Division. The conference champions of both leagues face each other at the end of the season to determine the PC championship. All 13 state colleges that compete in the PC belong to the E.C.A.C., while many are also NCAA and NAIA members. The Pennsylvania Conference championship football game will be played at the site of the Western Division winner this year.

Big Indians

BIG INDIANS' OUTLOOK

Indiana University of Pennsylvania's first year head coach Bill Neal, the former assistant head coach at Pitt, inherited 16 lettermen from the group of 33 who earned awards in 1969. They will face the toughest schedule in IUP history. "Finding a quarterback is definitely the key to our 1970 season," Neal said before spring practice. Chuck Pinchotti, 175, a transfer from Penn State, emerged from spring drills as the leading contender for that important spot. He hit 13 of 19 passes in the spring game while tossing two TD passes and running for another. Randy Urban, 170, a sophomore, will likely serve as Pinchotti's understudy. Aside from the quarterback slot, the offensive backfield will be in the hands of experienced performers. The leading ground gainer of 1969, Larry Monsilovich, 175, returns with his fancy 5.97 rushing average. Letterman John Butera, 185, will open at fullback with John Brochetti, 170, and John Ziegler, 180, as the wide receivers. Neil Brady, 205, looks good at tight end. From tackle to tackle along the line the starters should be Neil Gordon, 208; John Wilcox, 205; Jim Vogt, 190; Bob Cosgrove, 185; and Dave Connolly, 230. Defensively, the picture is less settled. Starters Bob Basehore, 180, and Chuck Hasse, 170, return in the secondary as do linebacker Dave Wever, 185, and middle guard Tom Rogish, 190. Among Indiana's top sophomore prospects are defensive tackle Gene Raymond, 235; linebacker Phil Imbrogno, 190; tight end Tim Drevna, 195; and full back John Grim, 200.

Golden Eagles

GOLDEN EAGLES' OUTLOOK

Al Jacks will start his eighth year as head grid coach at Clarion State College with 22 returning lettermen and a nearly intact backfield that should give him a team of fine balance and depth. In a season reduced to eight games this year, the Golden Eagle mentor will feel the loss of only 13 lettermen, the same number as in 1969. Brightest spot in the picture for the Jacksmen is their largely unchanged backfield with signal-caller Bob Erdeljac out to put the icing on a great college career as a senior and fleet-footed junior Fred Rost. Erdeljac ranked nationally last year with his 17 TD passes and 1,854 passing yards. Back to rack up their share of yardage and points for the Eagles are three top seniors; fullback Joe Abal, wingback Bob Oberdorf and center Roland Sparrow (6-2, 220). Speedy first string junior defensive back Ron Corcetti is expected to see service at split end this season. Junior tackle Jack Breman (6-2, 210) will occupy one of the guard spots. Senior Tom Komenda, (6-0, 215) 1969 All-State tackle, and junior George Wyzkowski, who sat out last season with an injury should perform well in the tackle slots. Rick Terza, last year's All-State tight end and possibly the best of that breed ever to receive at Clarion, seems sure to turn in a commanding performance in his senior year. The defensive picture is also on the bright side with seasoned veterans at key positions. The defending western champions appear to have the talent to make them rule the roost once again and finish with another outstanding season on the gridiron.

Bald Eagles

BALD EAGLES' OUTLOOK

After four straight losing seasons in football the outlook at Lock Haven State College is bright for a winner in 1970. Last year under first-year head coach Bob Weller the Bald Eagles posted a 3-4 record and missed a winning season by the margin of two points. Heading the list of 21 returning lettermen are eight offensive regulars including the entire backfield. However, the defensive unit lost heavily with only four returning and the biggest problem for Coach Weller and his staff will be to rebuild the defense. If this can be done to any degree of success, then the Bald Eagles could be the darkhorse in the race for the Western Division championship. Leading the offense will be Mike Packer, a 6-3, 200-pound junior quarterback who last year threw 137 passes and completed 77 for a brilliant 57.2 percent and 1,021 yards. His favorite target, split end Sam Vaughn, also returns. Vaughn caught 34 passes for 617 yards for an 18.1 average, and led the team in scoring with 54 points. Rounding out the backfield will be speedster Wayne Hoffman at flanker and a pile-driving 200-pound fullback, Alex Nuzzo. Other returning offensive regulars are tackle Scott Brooks (6-2, 235), tackle Terrell Jones, (6-0, 215) and guard Jim Hess. Some key performers return in the backfield to shape up the Bald Eagles' defense while some new faces in freshmen who are eligible to play varsity ball for the downstaters will add depth for the 1970 campaign.

Red Raiders

RED RAIDERS' OUTLOOK

The 1970 edition of Shippensburg football is built around 29 returning lettermen — including All-Conference end Al Bowman, whose sticky fingers added a lot of life to the Raiders' 1969 season. Bowman has been the leading receiver in the conference for the past two years and should repeat as the top pass snatcher in the PC. Although the men of Coach Dave Dolbin won only one of eight outings last year, the Raiders lost three games by less than one touchdown and two others by ten points. Offensively, the Raiders did well last year breaking into the double figures in six of their eight contests. Prospects are good again this year for a lot of wide-open ball. Dolbin will have three top candidates to choose from to handle the quarterbacking chores — Jim Buffington, Ron Finley and transfer student Jim Monos. Defense was the major weakness last year and the Raiders may find that a problem confronting them once again. There is little experience available to fill in the linebacking spots. Coach Dolbin says of his 1970 Raiders: "We have improved our defense — spring practice helped us a lot on that. We'll have our passing game back and added strength in the offensive backfield." Expected to take care of the rushing chores is shifty back, Fred Keyes. Defensively the Raiders can look for experienced help in linebacker Bruce Baustien (5-11, 185) tackle Roger Berkheimer (6-1, 220) and tackle Nick Bosso (5-11, 225). The Raiders should finish much improved this campaign.

Blue Devils

BLUE DEVILS' OUTLOOK

Central Connecticut under the guidance of Coach Bill Loika has won 32 of its last 42 games. The Blue Devils are deep in returning lettermen, but a major problem is finding replacements for such excellent graduated personnel as defensive end Gerry Agostinucci, middle guard "Butch" Brown, center Charlie Tiblom and hard-running back Harry Fargo. Co-captains Ken Blasser, a tremendous linebacker, and Pete Courcsey, a powerful fullback lead veterans who include such offensive linemen as end Alan Miller, tackle Mike Spolowitz, guard Nick Economopoulos, quarterback Dale Finch, defensive tackle John Skladany and defensive back Ken McPhee. Courcsey romped for 541 yards last year in 85 carries to average 6.4 yards a carry. He also finished second in the scoring race with 24 points. Quarterback Dale Finch who connected for 306 yards last season and averaged 4.2 yards every time he carried the pigskin returns as an experienced field general. Loika feels Ken Blasser is a post-season All-Star bowl prospect. The outlook for a sixth straight winning season is promising and could brighten considerably if sophs quickly fill the gaping holes. A crop of 22 lettermen should provide the nucleus that the defensive-minded Loika needs for another winner. In what proved to be a disappointing season for the Blue Devils last year (5-4) the defensive unit still managed to surrender only 12 points a game. Two years ago Loika's defensive eleven allowed but 4.4 points a contest for the best NCAA College Division figure in the nation.

Vulcans

VULCANS' OUTLOOK

The Fire Gods will sport a "new" look for the 1970 season as the Vulcans, got a new head coach, a new stadium and a new foe for the 1970 schedule John Katusa has taken over the reigns of the Vulcans' football machine and will make his head coaching debut in California's brand new Adamson Field which seats 5,000 spectators. The only "new" thing for 1970 that coach Katusa can't really get overly excited about is a new opponent in Wittenburg University. The Tigers rolled to a 10-0 slate last season and have been tagged as the winningest team in the nation over the past decade (78-9-1). California has 21 lettermen returning from last season's squad which endured a disappointing 1-6-1 record. In spite of their poor conference showing the '69 California's still ranked second among the 13 PC colleges in team defense. Traditionally known for defensive stalwarts the Vulcans return another strong eleven. The senior duo of Jerry Valencik (6-2, 230) and Bob Callaway (6-2, 240) are a pair of defensive tackles deluxe who should give running backs nightmares. They have fine secondary help from All-Conference safety, Terrance Hammons. The Fire Gods desperately need a quarterback and either Marty Podbesek or Gary DeHainet could land the job. Should the Fire Gods be able to generate some offense their 1970 showing should be vastly improved.

SOX HARRISON STADIUM

On October 2, 1965 Edinboro State College dedicated the Fighting Scots' football stadium in honor of R. B. "Sox" Harrison who served as head football and basketball coach at the College for 35 years. His 1931-32 cage record of 11 wins and 1 loss still stands as one of the best marks ever posted by an Edinboro basketball team.

Sox Harrison Stadium is located in the athletic complex in the northeast part of the Edinboro campus off route 6N and Perry Lane.

Complete facilities are located beneath the grandstand area, which seats 3,000 people. Locker space for both the home and visiting teams, the coaching staff offices and locker room, the officials' dressing room, the training room, showers, the weight room and a laundry room are utilized within this space. Also included are restrooms, janitors' facilities, equipment rooms and a large concession stand.

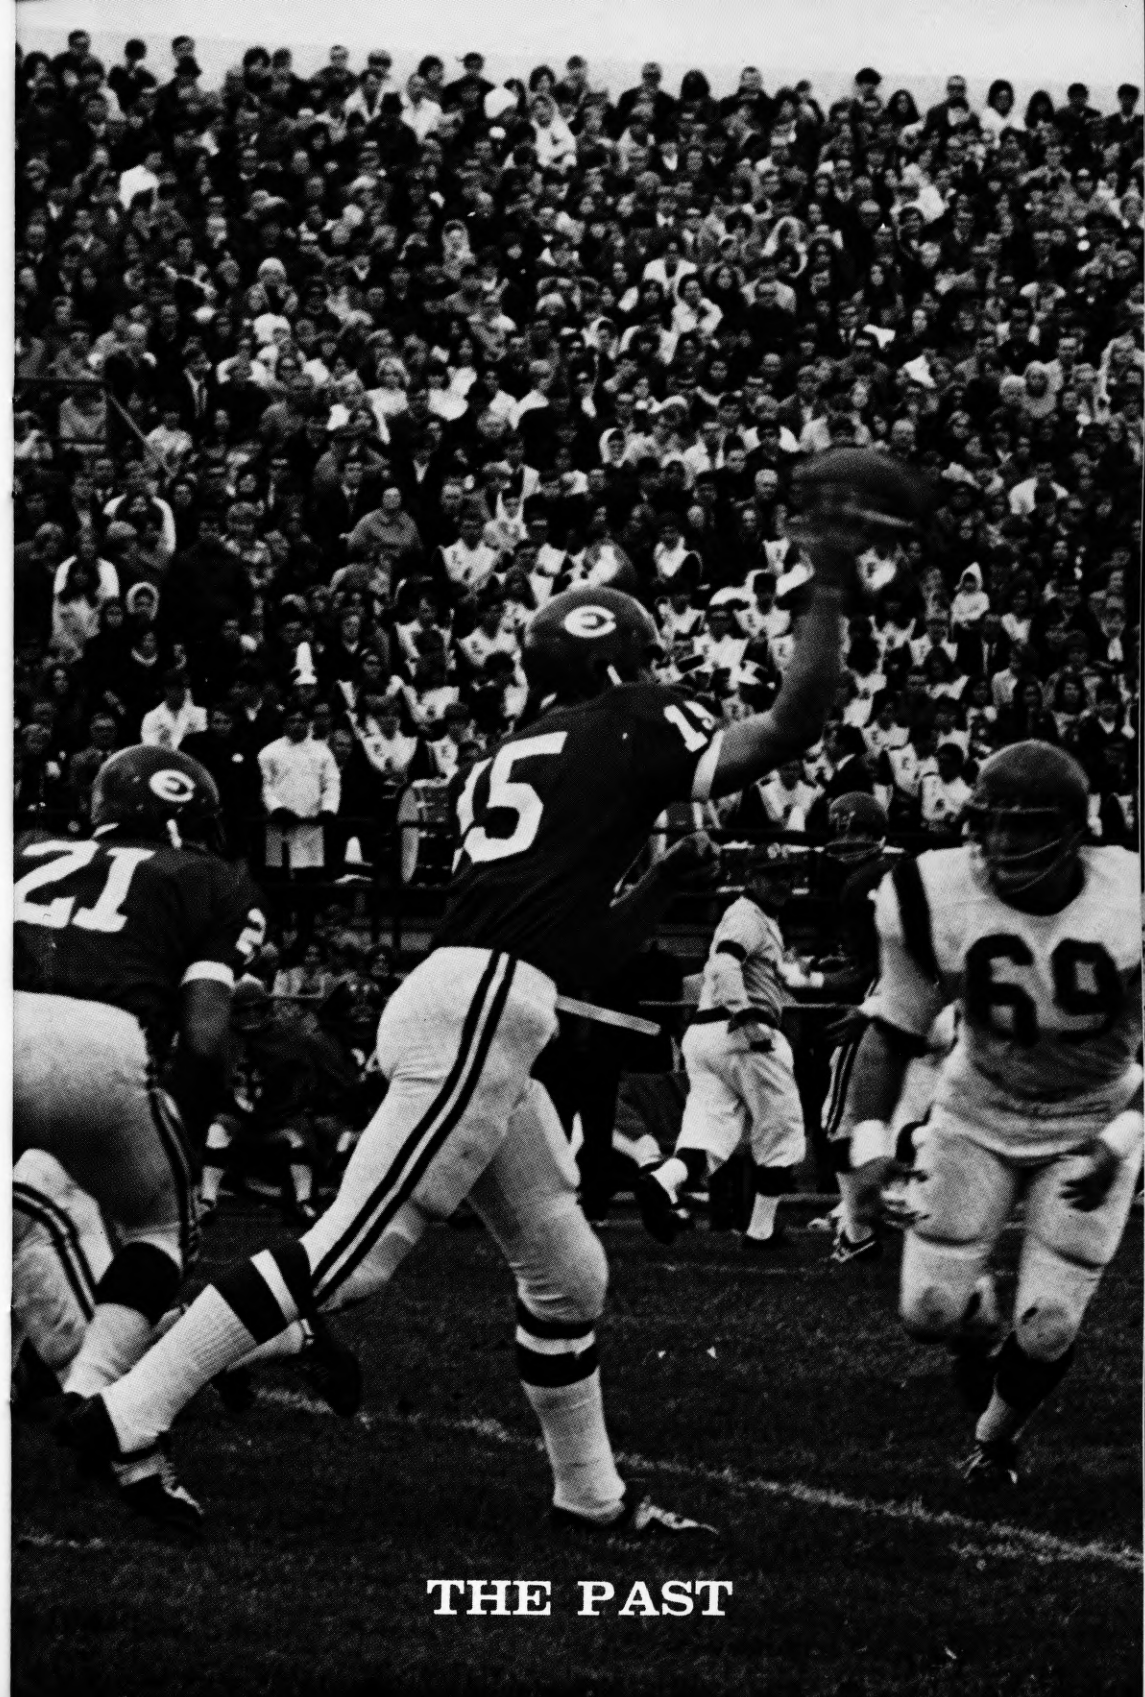

A glass enclosed press box is provided for local and out-of-town reporters. The press area is equipped with microphone control system, a telephone and radio broadcasting areas. Above the press box is a location for film coverage of the game.

In addition to the football field, the stadium also contains complete track facilities. A quarter-mile oval, a 220 straight-away and asphalt approaches for the field events highlight the home of the cinder sport.

Bleacher seats on the visitor side of the stadium bring the total seating capacity to 5,000.

THE COLLEGE

THE COLLEGE'S HISTORY

The beginnings of the college were laid in 1857, over one hundred years ago, when a band of Scotch-Irish farmers grouped together and founded a private normal school at Edinboro by popular subscription to train teachers. In 1861 it was chartered by the Commonwealth as Pennsylvania's second Normal School and developed and grew through service to the Commonwealth.

A great forward stride was taken in 1914, when the Commonwealth purchased Edinboro Normal School. In 1926, alerted to the need for better educated teachers for its schools, Pennsylvania made Edinboro a Teachers College offering a four-year curriculum leading to degrees of Bachelor of Science in Secondary, Elementary, and Art Education, and Library Science.

In 1960 the name of the college was changed to Edinboro State College.

Beginning in September of 1957, the college was empowered to grant degrees of Master of Education in Elementary Education. In September 1961, graduate study in secondary education was added to the graduate program.

In 1962 the liberal arts degree program was begun. Students may prepare for various vocations as an arts and science major in Humanities, Social Sciences or Natural Sciences and may receive a Bachelor of Arts degree.

The control of the College is vested in the Board of Trustees, composed of nine members appointed by the Governor of Pennsylvania. The Board of Trustees in turn elects the President of the College who is responsible for its administration. The State Superintendent of Public Instruction is an ex-officio member of the Board of Trustees.

The College is accredited by the National Council for Accreditation of Teacher Education, the Middle States Association of Colleges and Secondary Schools, and the American Medical Association. In addition, its curriculums are registered by the New York State Department of Education.

Graduates of Edinboro have distinguished themselves in all professional fields: education, law, medicine, and religion as well as business and politics.

The College stresses friendly relations among students and faculty and informal student counseling and guidance. The faculty is keenly aware of professional interests and self growth. High qualitative and quantitative standards distinguish the graduates of this college. The preparation of better educated citizens has been an Edinboro tradition for over a century.

PRESIDENT

Dr. Chester T. McNerney

Dr. Chester T. McNerney became president of Edinboro State College in September, 1966. His formal inauguration, honoring him as Edinboro's thirteenth president, followed on April 22, 1967.

Dr. McNerney came to Edinboro from the University of Akron, where he was the Dean of the College of Education and was highly instrumental in the development of numerous educational innovations. He was cited as the motivating force behind the University of Akron Classrooms Around the World, and recognized for his scholarly studies of comparative education abroad.

Dr. McNerney's primary areas of interest deal with the improvement of the curriculum, the program for educational supervision and administration, and the improvement of inter-personal relationships among the various members of working groups. His concern in this area has led to his writing of several books, lecturing and conducting various workshops.

Under Dr. McNerney's guidance, the College has witnessed the growth of administrative operations, broader forms of student government, and the development of the future growth of Edinboro State College.

He is a man dedicated to the academic life, a tireless advocate of personal involvement in the religious and civic affairs of one's community, and an educator who visibly believes in and practices total individual professional commitment.

EDINBORO STATE COLLEGE'S ATHLETIC PROGRAM

Intercollegiate athletics play an important role in the total educational program of Edinboro State College. The program is so conducted as to assure wholesome use of leisure time, a healthy focal point for the experience and the expression of group spirit, and a laboratory experience for prospective coaches.

Edinboro's athletic program includes intercollegiate competition in football, basketball, wrestling, golf, track, tennis, baseball, soccer and cross country. The finest of facilities are readily being made available to accommodate these sports.

Sox Harrison Stadium, one of the most recent additions to the athletic complex which entails the northeast corner of the campus, has a seating capacity of 5,000 and provides complete track facilities along with the football playing area. A baseball diamond of major league specifications has also been completed just west of the stadium.

Scheduled for completion this fall is the Scots' new fieldhouse. The structure includes an inter-collegiate basketball court, three intramural basketball courts, an AAU-sized swimming pool, wrestling and handball rooms, a steam room, a corrective gym, medical suite, and rifle range. Seating capacity of the sports arena will be approximately 4,600 with provisions for later expansion to 7,000 provided.

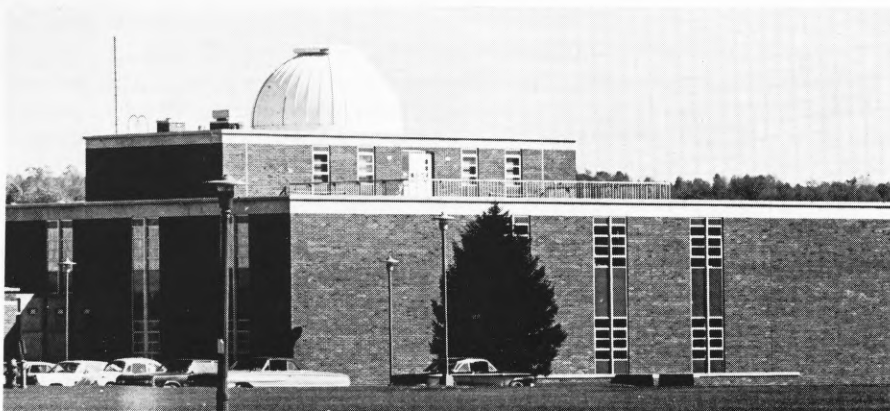

The continuing growth of Edinboro's athletic program is rapidly establishing the College as a respected collegiate competitor.
