Scot Stubbornness..Now Tradition

"EDNA-BORO" — One of Edinboro's most faithful sports fans is a frequent sideline visitor named Edna-boro. She's a real "Boro" booster all year round and, while she isn't able to make the road trips with the team, her red "GO BORO GO" blanket has become a familiar sight in opposing stadiums. Unfortunately Edna might be a little late for the 1972 kickoff as she is anxiously awaiting the arrival of a baby "Boro" booster after a twelve-month (whew!) pregnancy.

McDONALD BUILDS A WINNER

Bill McDonald's magic touch has completely turned around Edinboro State's football fortunes since his appointment to the head post in 1969. Under his direction the Fighting Scots have not lost a regular season game in their last 20 outings. In just his third year at the helm, his 22-6-1 record puts him at the top of the winning percentage list with a 78.6 reading. After an initial 4-4-1 season in 1969, his Fighting Scots became the greatest in ESC history when they went 8-0 in regular season play, captured the Lambert Bowl, won the Pennsylvania Conference championship and earned a berth in the NAIA national playoffs. His 1970 team followed up with an undefeated regular season (9-0) and a second straight PC Western Division title. Over 50 individual and team records have been established during his first three years at the reigns.

Upon completion of 1971's successful venture, numerous post-season laurels were bestowed upon the Scot's mentor. The Football Writers Association of New York named McDonald Coach of the Year in the East while the NAIA Area VIII and District 18 coaches as well as the Pennsylvania Collegiate Press Association also rewarded him with Coach of the Year honors.

Prior to his assignment at Edinboro, McDonald served as assistant football coach at Indiana Univ. of Pa. for three years and head coach at Hopewell High School from 1958-1965.

While he directed Indiana University's offense, the Big Indians registered 24 regular season victories against only three defeats. In his final season at Indiana, the Tribe finished unbeaten in nine outings and proved to be the greatest offensive unit in the school's history with a 40 points-per-game average.

The Wilmerding, Pa., native guided Hopewell High School to a 46-25-1 slate during his seven-year tenure as head coach. His 1960 ball club defeated Braddock High 7-6 and broke their WPIAL 58-game winning streak while his 1963 team captured the Midwest Class A Championship.

Head Coach - Bill McDonald

The Fighting Scots' grid pilot served as an assistant coach at Braddock High School through two undefeated seasons and also at Latrobe High.

McDonald holds both a B.S. degree in education and an M.Ed. from the Univ. of Cincinnati where he played fullback under Sid Gillman, now head coach of the San Diego Chargers, and his assistant coach, Paul Dietzel. This team was the original "Chinese Bandits," a defensive unit which later became famous at Louisiana State University.

After graduation from Cincinnati in 1952, the Scots' mentor continued his education in post graduate work at Penn State, Pitt and Indiana (Pa.) Universities.

LEADING THE LINEBACKERS

Jack Hyland

Entering his fourth year on the Fighting Scot staff, Jack Hyland has made his mark at ESC as both an outstanding recruiter and coach. The personable North Braddock product has demonstrated his versatility by instructing both offensive and defensive prospects. Jack starred as a quarterback during his collegiate career at Slippery Rock State College where he earned four consecutive varsity letters as a Rocket griddier while also participating in basketball, track and baseball. Following graduation in 1954, he spent 10 seasons as head coach at Johnstown's Ferndale High. In 1964 he accepted the top post at Rochester High where he coached the Rams until he was selected to guide the football program at Meadville High School in 1968. Jack and his wife, Nancy, along with their five children, are currently residing in the Meadville area.

DEVELOPING THE DEFENSE

Tony Zvonar

Molding the Scots' highly respected front four has been the job of Tony Zvonar for the past three seasons. His efforts have rewarded Edinboro State with one of the finest drilled defensive lines in the conference. Tony, who is a 1963 Shippensburg State grad, spent a five-year span in the grid ranks at Hopewell High School, his alma mater, and also was a member of the Aliquippa High staff in 1968 before joining the Scots. While capturing three varsity letters as an offensive tackle at Shippensburg, Zvonar received numerous grid awards. He was named as one of the Red Raiders' co-captains, selected to the all-conference team, the NAIA District 30 squad, and earned a berth on the all-state selections. The Scots' defensive line specialist and his wife, Anne, reside in Edinboro.

SECURING THE SECONDARY

Fred Remy, former head football recruiter and freshman coach at the University of Miami, moved north from the Sunshine state this past summer to groom the Scots secondary. The Verona, Pa., native graduated from Miami in 1959 where his grid play landed him a berth in the annual North-South All-Star Game. Fred began his coaching career in 1960 as an assistant at his hometown high school of Verona and he then spent a two-year stint as head coach and athletic director at the United States Coast Guard Receiving Center. Prior to returning to Miami in 1970, Remy was named head football coach at the Florida high schools of Dunedin (1965-67) and Lakeland (1968-70). Dunedin posted its first winning season in history while Lakeland finished with its first successful schedule in six years. Fred, his wife, Pat, and their two children, Rick and Stacy, recently moved to Edinboro.

Fred Remy

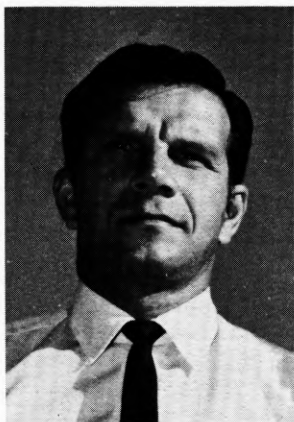

TUTORING THE BIG "O"

Jim Bowen

With a pair of record breaking offensive years in the ledger, Jim Bowen's two tries at directing the Scots' scoring attack have been nothing but successful. Bowen coached the once-beaten 1968 ESC freshman team and was the varsity's offensive backfield coach in 1967. Jim was head football coach at Fairview High School for 10 years and compiled an outstanding record of 76 wins and 12 losses. His grid teams captured 4 league championships while riding 25 and 19 game winning streaks. The knowledgeable Scot coach graduated from Slippery Rock State College in 1957 and earned his master's degree from Buffalo University. Jim and his wife, Joyce, along with their 7 children, two of which are twin girls, reside in Girard.

FIRING OUT THE FOE

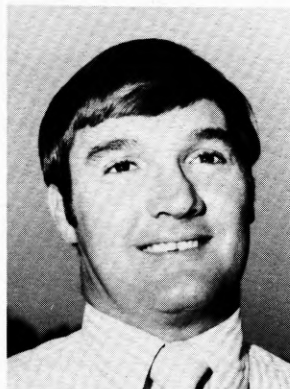

Joe Shesman

Edinboro backs have enjoyed the expertise of Coach Joe Shesman for the past three years as Scot offensive lines have really come of age under his leadership. A highly successful football and baseball mentor at Fort LeBoeuf High School, Joe served as an assistant Bison coach for 11 seasons and then, after his appointment as head coach in 1966 guided LeBoeuf to three straight winning campaigns. The 1955 Edinboro grad earned four varsity letters in both football and track while performing for his alma mater. As LeBoeuf's diamond coach, Joe led the Bisons to winning slates for nine consecutive seasons, never finishing lower than third in the Erie County league and capturing four league championships. The Scot coach and his wife, Izzy, have three children, Matt, Kim and Karen.

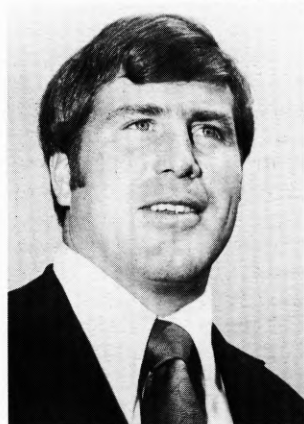

GROOMING THE GRASS ROOTS

Guy Conti, a Freeport, Pa., native was added to the Fighting Scots gridiron staff a year ago to take the reigns of the junior varsity program. The Clarion grad served as head football coach at Northwestern High in 1971 and baseball mentor at Edinboro State during the springs of 1970 and 1971 where his diamond teams posted record breaking seasons. Conti spent a professional baseball stint with the Houston Astros organization as a catcher. The versatile athlete was an outstanding football player at Freeport High and Clarion State where he led the offensive attacks from his quarterback slot. He has also served as a teacher, vice-principal, head baseball mentor and assistant basketball coach at Northwestern High School. Conti, his wife, Janet, and their children, Kim, Curt, Craig and Kelly, reside in Albion.

Guy Conti

AUGMENTING THE PROGRAM

Andy Robertson

Southern Colorado State's Andy Robertson was recently named to the Edinboro staff as a junior varsity mentor. Andy was an All-WPIAL quarterback at Hopewell High School while playing under Bill McDonald. After graduation in 1964 he traveled to Southern Colorado State where he played halfback for three years. The Indians enjoyed three straight winning seasons, and earned the opportunity to play in the NAIA national playoffs in 1965. After receiving a B.A. degree in 1968, he served as an assistant grid coach at Florence (Colo.) before returning to the Keystone State in 1969 as a grid aide at Derry Area High. An assistantship at the University of North Carolina during 1970 was interrupted by a 1 1/2 year "call to duty" with the U. S. Armed Forces in Germany.

BEHIND THE SCENES . . .

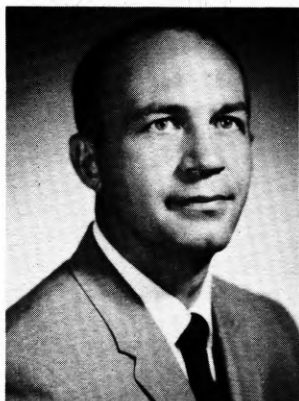

Al Hall

ATHLETIC DIRECTOR: Since Al Hall's appointment as Athletic Director in 1968, Edinboro State has enjoyed one of the most respected and most successful collegiate athletic programs in the East. Through his efforts ESC has expanded to twelve varsity sports and attained new memberships in the ECAC and NCAA while building a coaching staff that has compiled the College's best record in history. Al's selection to numerous sports committees in the Erie area along with posts in both the ECAC and Pennsylvania Conference bear out his dedication to the world of athletics. A graduate of Baldwin Wallace College, he served as Assistant Director of Athletics at Akron University for two years and piloted Akron's cross country teams to championship finishes for 12 seasons. Al's wife, Pam, daughter, Beth, and their son, Dale, reside in Edinboro.

SPORTS INFORMATION DIRECTOR: Paul Newman began his duties five years ago as ESC's first Sports Information Director and now also serves as Assistant to the President. Paul is a 1964 graduate of Edinboro where he earned both his B.S. degree and M.Ed. while majoring in English. Prior to joining the Scots, he held a teaching position in Ashtabula, Ohio, for three years. In connection with his duties, he is also the District 18 Publicity Chairman for the National Association of Intercollegiate Athletics and recently completed a two-year term as President of the NAIA's Sports Information Director's Association. Paul, his wife, Connie, and their children, Paul, Jr. and Michele, make their home in Edinboro.

Paul Newman

Bob Klingler

TEAM TRAINER: Bob Klingler begins his sixth year of giving Fighting Scot athletes the tops in professional medical care. The 1952 Lock Haven grad ventured to Hermann School of Physical Therapy in Houston, Texas and became a registered physical therapist in 1954. He later received his M.S. from Bucknell. Prior to accepting his ESC post, Klingler taught at Milton Hershey, a private boys' school in Hershey, Pa., where he served as the Spartans' head football mentor, head track coach and assistant basketball coach. Both his cinder and cage teams never experienced a losing season, while his grid teams continually posted successful campaigns in the powerful Capitol Area Conference. Bob, his wife, Jill, and daughter, Julie, make their home in Edinboro.

Meet the Scots

'72 SHOES NOT SO "OFFENSIVE"—Scot Mentor Bill McDonald ponders replacements to fill the shoes of missing Quarterback Joe Sanford, Tailback Al Raines and Fullback Bob Mengerink.

1972 SCOTS "KILT" BY GRADUATION

Edinboro State's 1972 grid fortunes are pretty much a giant-sized question mark. After piling up back-to-back undefeated regular seasons, the Scots are faced with replacing a backfield that averaged 424 yards per game and rebuilding a defense that returns only three starters.

Edinboro returns only 19 of last year's 37 letter winners to open its 1972 campaign with independent clashes against Waynesburg and powerful Ashland College at home prior to opening conference action at Slippery Rock State.

With the loss of All-American tailback Al Raines, quarterback Joe Sanford and fullback Bob Mengerink, Coach Bill McDonald lost an offensive attack that ranked third nationally in the NAIA and shattered almost every Edinboro rushing record in the book.

Flankerback Jim Romaniszyn (6-2, 225, Sr.), one of five Edinboro All-America honorable mention winners last year, returns as the Clan's top offensive player and hopefully will fill one of the holes in the Scots' ground attack as a running back. The versatile stalwart should find the conversion a familiar one after switching to a tailback slot during his sophomore year to lead Edinboro to its first Pennsylvania Conference crown. While pacing the Clansmen to a 14-6 win over West Chester, Romaniszyn scored both Scot TD's and set an ESC record with his 36 carries in one game.

Scott McKissock (6-3, 190, Sr.) will most likely get the nod at the quarterback slot where the Scots will stick with their triple option offense.

Should the Western Division champs turn to the airways, however, a trio of veteran receivers in split end Mike Romeo, flanker John Gecina and tight end John Petchel are on hand as prime targets.

Newcomer Joe Lauer (5-10, 173) along with freshmen Dale King (5-8, 185) and speedster Mark Crump (5-9, 160) might help the backfield situation somewhat, but inexperience will still haunt the Scots. Any one of several other candidates could land a running back spot with Romaniszyn, but this position is really up for grabs.

Although the Clan's star studded backfield is gone, one of Edinboro's strong points will be the offensive line. Scheduled for action up front are John Chakot (T, 6-1, 220), Bob Misyka (G, 6-0, 200), Mike Gordon (C, 6-0, 215), Dean Pikoulas (G, 6-0, 200) and John Kuster (T, 6-1, 225).

The Scots need help desperately on the defensive unit which was decimated by diploma fever. Standout linebacker Rich Iorfido (5-11, 205), tackle Bill Bender (6-2, 220) and halfback Dave Gates are the only returning regulars.

Iorfido, a starter ever since his sophomore year, has been tagged as one of the top defensive players in the conference. Last year he shared the lead on the individual tackling chart with 120 stops to his credit after smashing the Edinboro mark during his soph debut with 141 hits.

Veterans on hand to rebuild the defensive unit are Rick DiOrio (LB, 6-0, 220), George Gast (DE, 5-11, 200), Tom Herr (DT, 6-3, 220), Tom Bliss (LB, 5-10, 210), Jay Minotas (LB, 5-10, 190) and Mark Worley (LB, 5-11, 200).

John Walker, along with speedy Jim Mastroianni, will most likely team up with Dave Gates to bolster the secondary.

Newcomers John Bayer (LB, 6-0, 205), Denny Lotti (DT, 6-2, 235) and Tom Nave (DT, 6-3, 226) have also been spotlighted by the coaching staff to hopefully plug some of the gaps.

"We have a heckuva lot of question marks," reflects Edinboro Coach Bill McDonald about his 1972 squad, "and so far we haven't found too many answers. Besides replacing people on both our offensive and defensive units we are faced with competing in a conference that continually improves. No one can really tell who might win our division this year."

One "unknown" factor that could figure heavily in the Scots' season is the addition of a talented crop of freshmen prospects.

The number one relief man on the ESC offensive line . . . Has helped the Clans' offensive backfield move during both his sophomore and junior years . . . Won three varsity letters on a Crafton High eleven that went undefeated and won the 1967 WPIAL Class "B" Ohio Valley Conference Championship.

JOHN WALKER DB, 6-0, 165, JR., ROCHESTER, N.Y.

Brings highly regarded quickness to a defensive secondary that is being rebuilt . . . A talented athlete . . . Will start at one of the defensive cornerback slots and could become a great performer . . . Stars for the Edinboro track team where he has set several records while earning conference and national honors.

MARK WORLEY LB, 5-11, 210, SR., BEDFORD, OHIO

An experienced linebacker who will see plenty of varsity action . . . Could be a starter in the opening game . . . An All-Conference Selection while winning a pair of varsity letters at Holy Name High School.

Yellow Jackets

JACKETS HOPE TO PUT IT TOGETHER

1972 OUTLOOK: After suffering their first losing campaign in 11 years, Waynesburg's Yellow Jackets hope to get back on the track in 1972 with a host of returning lettermen. Fifth-year coach Darrell Lewis does have a bright side to look at when he considers the size of his defensive squad. The same unit that held the Scots in check for three quarters are on hand again in the likes of front four Chuck Milcic (6-3, 259), Tom Dutton (5-11, 241), Jim Dumm (6-3, 265) and Frank Muehlheuser (6-0, 200). Tom McCain (6-2, 211) leads a contingent of experienced linebackers. Lewis must find a field goal kicker and punter to replace Bill Vrtar who held down the post for three seasons and booted a 47-yard field goal last year, the longest in Waynesburg's College history.

LAST YEAR'S GAME: Defensive end Tom Herman (86) and tackle Bill Bender (71) converge on Waynesburg punter Bill Vrtar during third period action of 1971's encounter. Al Raines and Joe Sanford broke the game open in the fourth quarter with identical 91-yard record breaking touchdown runs as the Scots finished with their greatest offensive display in ESC history — 605 total yards.

Purple Eagles

BUCKEYES: BIG, QUICK, STRONG

1972 OUTLOOK: Fighting Scot fans will get a chance to see one of the best College Division teams in the nation when Ashland's powerful Purple Eagles invade Sox Harrison Stadium. Only two starters were lost off the Eagles' offensive unit which averaged 304.5 yards in total offense per game last season. Ron Slater, last year's offensive leader who passed for 1,001 yards in 1971, will again be looking for his favorite receiver Bob Rosati (26 receptions, 373 yards) while counting on offensive standouts Al Carter (T, 6-3, 250), Randy Fierbaugh (TE, 6-2, 215) and John Viar (FB, 6-1, 220). The defense, which permitted only 12.3 points per game last year, will miss All-American tackle Bill Overmyer, now with the Philadelphia Eagles, but has the makings of another fine forward wall in Dave Lucas (MG, 6-0, 210), Jim Yockey (T, 6-3, 225) and Bill Hoffman (T, 6-2, 220). Solid linebackers Tony Volpi (6-0, 215) and Bill Miller (6-2, 220) are backed up by a veteran secondary. Size, strength and quickness make the Eagles an all-around club.

Rockets

TALENTED ROCKETS POINT TO TOP

1972 OUTLOOK: With 36 lettermen to pick from and 16 starters back from last year's 7-2 team, Coach Bob DiSpirito's Rockets could wind up with the Western Division Title on their launching pad. Returning to haunt 1972 opponents is All-Conference fullback Mike Kish (5-9, 220) and quarterback Tim Nunes who combined to give the Rockets' wins in their last six straight games. Running back John Suvoy along with a trio of promising wingbacks round out a potent Slippery Rock offense. Defensively the team is solid with nine regulars back in action including standouts Pat Risha (DT, 6-4, 265), Tom Jenkins (DE, 6-3, 210), Terry Factor (LB, 5-10, 190) and All-State cornerback Ron Hunt. Only a loss to Edinboro kept the "Rock" from winning the 1971 Western title.

LAST YEAR'S GAME: Bob Mengerink crashes into the end zone with his fourth TD of the afternoon to tie the Scot all-time single game scoring record. After falling behind 7-0 at the outset, Al Raines chipped in 191 yards and two TD's along with Mengerink's efforts before a record Homecoming crowd of 11,000 to give the Clansmen their first conference win.

Big Indians

BIG INDIANS AMONG NATIONAL LEADERS

1972 OUTLOOK: It's no mistake that Indiana's football teams have recorded the second best winning percentage among the nation's college division teams over the past 10 years. The Indians have been tough to beat in the past and 1972 will be no different. Although Coach Bill Neal is faced with the task of replacing some outstanding performers, it appears that he needs only a quarterback to ignite the Tribe's eleventh straight winning season. Soph Jay Collier, and 6-2 George Yokitis, a Louisville transfer, are the top aspirants. Whoever wins the job will enjoy throwing to big tight end Mark Jevicky (20 receptions, 332 yards). Pass thief Dave Balmert is the mainstay of a veteran defensive unit that is anchored in the line by tackles Charlie Maurer (6-4, 240) and Gene Raymond (6-0, 225).

LAST YEAR'S GAME: With superb blocking from Mike Romeo (89) and Bob Mengerink, Al Raines gallops for a big gain on the Indians' reservation. In the action packed contest which changed leads seven times, the Edinboro defensive and offensive units rose to the occasion in the battle of unbeaten collegiate powerhouses.

Golden Eagles

GOLDEN ONES SHOULD FLY HIGH

1972 OUTLOOK: Strong defensive units have been one of Coach Al Jack's trademarks (57-22-9 in his nine years at the helm) and the Golden Eagles figure to stand by tradition in 1972. With versatile quarterback Joe Marx returning to harass the opposition, Clarion will be in the thick of the battle as usual. The squads only unknown quantity is in the backfield where a crop of talented youngsters are kicking up their heels. All-Conference veterans will be clearing the way along the line where Marc Riddell (T, 6-1, 230), Dan Corbett (T, 6-0, 220), Mike Herring (G, 5-10, 302) and Ray Bowerman (C, 5-11, 208) do their thing well. Top performers back for defensive duty are Bob Guyer (E), Ed Fryman (E), Larry Cirka (T, 5-11, 216) and speedy safety Terry Sullivan.

LAST YEAR'S GAME: Quarterback Joe Sanford delivers a strike as the ground-minded Scots turn to the airways. Sanford tossed for a new high of 247 yards while the Scots totaled a record 283 yards passing as a team in the pulse-pounding affair. Flanker Jim Romaniszyn established a new standard with his five receptions for 168 yards. His 80-yd. TD grab was the longest in ESC history.

Bald Eagles

EAGLES NO LONGER FOR THE BIRDS

1972 OUTLOOK: With 30 lettermen ready for action, Coach Bob Weller's Bald Eagles appear ready to turn the corner after posting the best Lock Haven record in six years with a 4-4 finish in 1971. Experience abounds on a team that has 18 of 22 offensive and defensive starters casting aspiring glances towards the Western Division title. Ed McGill, who served as Mike Packer's understudy for the past two years, is ready to take the reins and direct the Eagle air attack. Waiting to haul down pigskin aerials are mini-flanker George Haley (28 recept., 352 yds.) and speedy split end Tommy Allen (42 recept., 649 yds.). A host of outstanding newcomers augment an already respectable aggregate of athletes.

LAST YEAR'S GAME: The Fighting Scot offensive line clicks again to form a big hole in the left side of the Bald Eagles' defense. Tackle Ken Zbinovec (70) looks to help out after completing his blocking assignment as fullback. Bob Mengerink dives for extra yardage. Mengerink set a personal high in the fray with his 213 yard outburst in 34 attempts with the pigskin.

Red Raiders

RED RAIDERS SPORT NEW LOOK

1972 OUTLOOK: "Our first scrimmage showed some good, aggressive football, both offensively and defensively. I like what I see so far." These are the words of Gene Epley, the new head coach at Shippensburg State, who recently came to the Red Raiders from the University of Utah. One of the major problems confronting the new mentor is getting his squad of 30 lettermen familiar with a new system. With Jim Monos graduating after two years at the controls, Epley's grooming sophomore quarterbacks Gary Henderson and Randy Ecker. Injuries ran rampant to mar Ship's 1971 campaign as the Red Raiders battled to a 2-6 slate. Healed wounds, a new stadium and an entire new system will mark a new beginning for Shippensburg's football fortunes.

LAST YEAR'S GAME: Al Raines turns the corner on a Shippensburg defender as he starts his 71-yard run to paydirt before the home fans. Raines carried the ball only three times yet tallied on TD jaunts of 20, 54 and 71 yards while accumulating 145 yards. Long scores became the order of the day as Sanford added a 64-yarder and Jack McCurry raced 85 yards with a punt return for scores.

Red Dragons

DRAGONS "FIRE UP" WITH EXPERIENCE

1972 OUTLOOK: The Red Dragons move into 1972 combat with 15 lettermen back from a 4-5 season. The defense, with seven starters returning, has an edge in experience on the offense where only five starting players will be in uniform. Coach Roger Robinson has high hopes for tight end Gary Theobald (6-2, 210) who will be a prime target for quarterback Mark Hinsch (6-1, 185). Bulldozing fullback Van Berg (6-1, 220), who averaged 4.3 yards per carry during the 1972 campaign, will pair up with halfback Tom Blair (5-10, 180) to form the nucleus of the offensive backfield. The Red Dragon backs should find plenty of holes up front with a king-size lineman like Tom Marrin (C, 6-1, 215), Fred Booker (T, 6-4, 230) and Rick Folderer (T, 6-3, 220) leading the way. Tackle Tom Duedrich (6-4, 240) is the mainstay of the line defensive unit where teammates Russ Hohlman (DE, 6-1, 215) and Steve Wojnar (DE, 6-2, 205) also excell. Experience should prove to be the key for Cortland's upswing in 1972 with 22 seniors waiting to see action. The Edinboro-Cortland clash will mark the first time that the two schools have met on the gridiron.

Vulcans

VULCAN OFFENSE STILL A QUESTION MARK

1972 OUTLOOK: Although the 1972 prospects are somewhat brighter with 28 numeral winners returning, such familiar problems as depth and lack of experience on the offensive unit still plague the Vulcans. Senior quarterbacks Gary DeHainaut (6-0, 170) and Joe Seymour (6-3, 206) are being challenged by a pair of transfers in Joe Tokar (6-2, 195) from Temple and Jim Uhrinek (6-0, 195) from Indiana, Pa. The Californians are still quite respectable defensively with the likes of Jack Baciak (DE, 6-0, 190), Derrick Jones (DT, 6-0, 230), Alan Natali (DE, 6-0, 200) and linebacker Don Mathews. Running backs Tony Sargo and Jim Burns (FB, 6-1, 205) form the nucleus of the offense along with split end Ted Gialames.

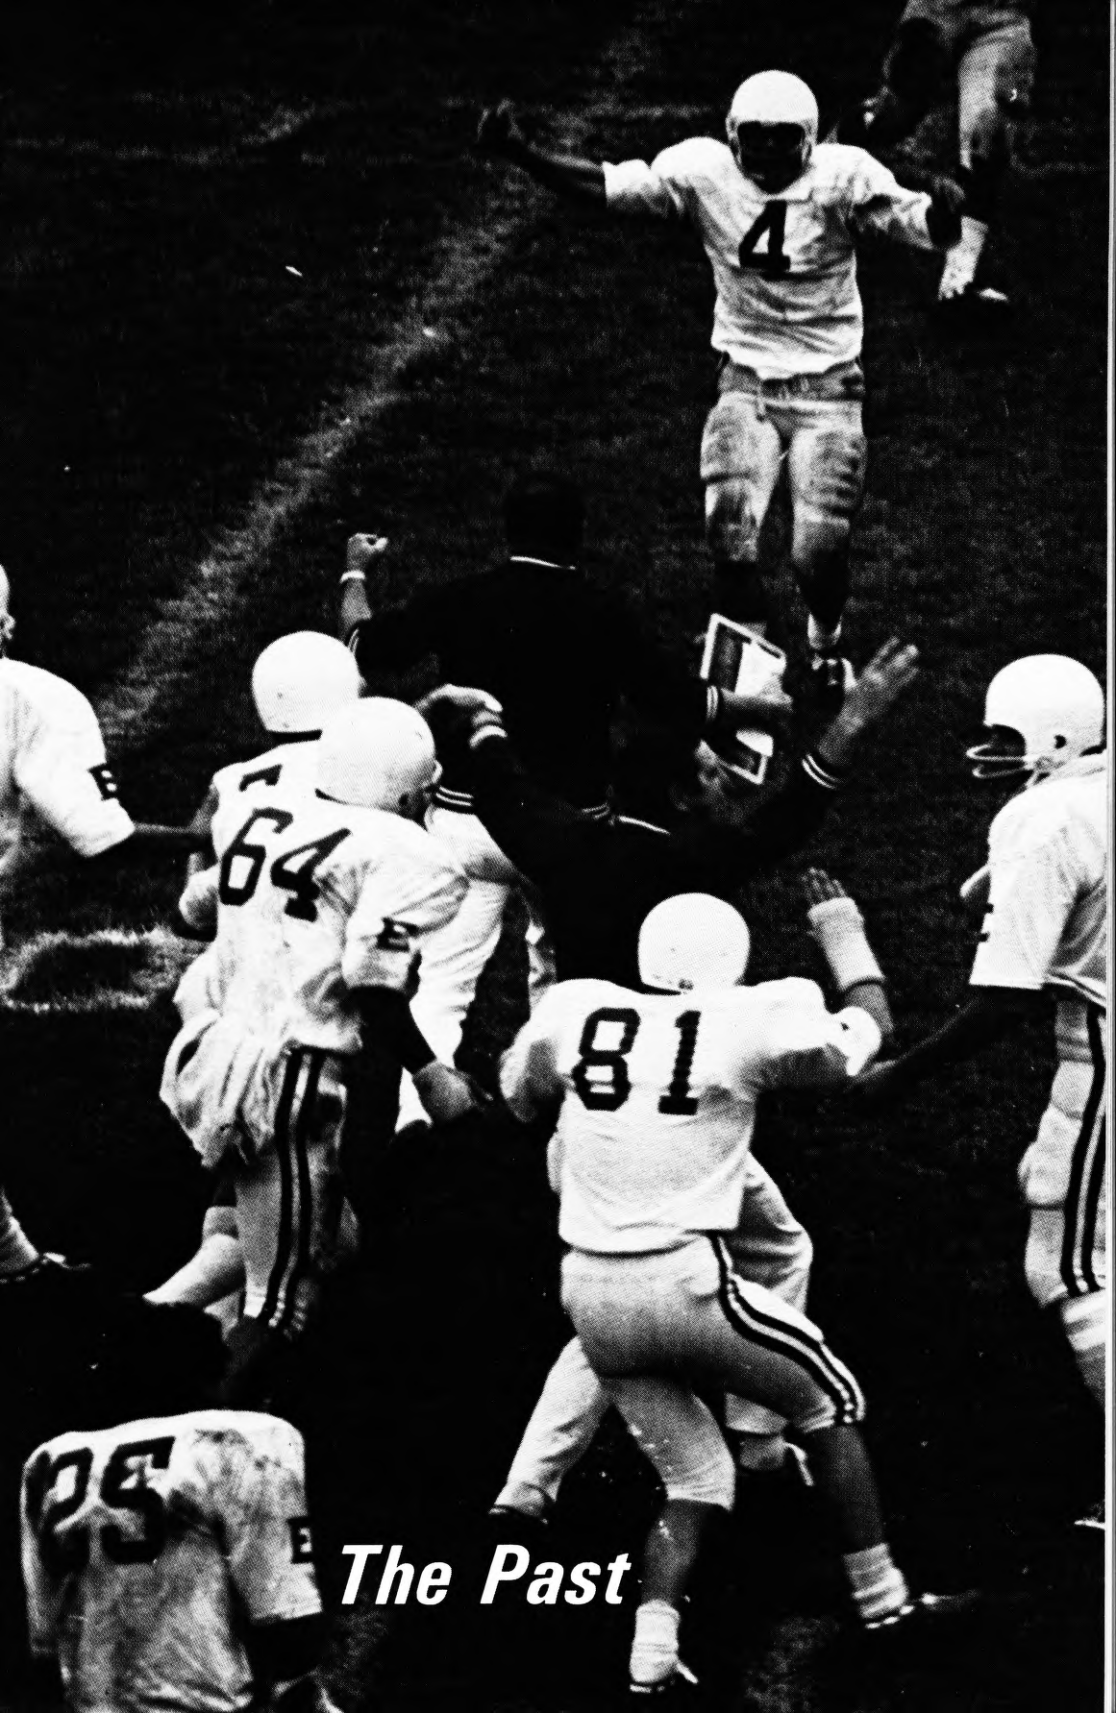

LAST YEAR'S GAME: With Sanford and Mengerink forced to the sidelines by injuries, Scott McKissock (9) took over the quarterbacking chores while Jack McCurry (23) kicked up the turf at the fullback slot. The duo combined with outstanding performances by defensive aces Rich Iorfido, Bill Bender and Joe Sass to give the Scots their second straight division title.

A WINNER FROM GRIDIRON

From its beginnings as a private academy in 1856, Edinboro State College has surged to the forefront as one of the leading educational institutions in western Pennsylvania. Located just 15 miles south of Erie, Pa., the college's setting offers a contrast of seasons. Enhanced by the beauty of Edinboro Lake, the community serves as a resort center during the summer while numerous nearby ski slopes offer a variety of recreation in the picturesque winter months. The college's location enables it to readily serve the tri-state area with its proximity to Pittsburgh, Pa. (125 miles), Cleveland, Ohio (100 miles) and Buffalo, New York (120 miles). Moreover, it is easily accessible from the north and south by Interstate 79 and east and west by Interstate 90.

TO CLASSROOM ESC

Until recently the chief objective of the college was the education and preparation of classroom teachers for the schools of the Commonwealth. With the implementation of programs in arts, sciences and humanities, Edinboro has now become a multi-purpose institution of higher learning serving the educational needs of a tri-state area.

The College has experienced a rapid growth rate in students faculty and physical plant. Forty buildings cover the 585-acre campus which now services more than 7,000 students.

QUALITY LEADERSHIP KEEPS ESC ON THE MOVE

Edinboro President – Dr. Chester T. McNerney

In its university oriented role, the College makes contributions in the fields of education, government, conservation, environmental improvement, urban and rural problems, crime prevention, and service to business and industry. Edinboro seeks to offer educational programs which will afford maximum opportunities to its potential students and to meet the educational needs of its region from a professional and a cultural standpoint.

With the addition of the liberal arts degree program in 1962, the College's curriculum has expanded to include numerous course selections. Curricula range from elementary and secondary education, special fields in art, library science, music, speech and special education to medical technology.

Student activities are designed to develop the personality, poise, self-confidence and professional awareness that will fit graduates for significant participation in American society.

The College stresses friendly relations among students and faculty, as well as active student participation in decisions affecting them. Quality education has been an Edinboro tradition for more than a century as graduates have distinguished themselves in the professions, business and industry.

With the appointment of Dr. Chester T. McNerney as Edinboro State's President in 1966, the College witnessed the addition of a prominent leader who is dedicated to the academic life, a tireless advocate of personal involvement in the religious and civic affairs of one's community, and an educator who visibly believes in and practices total individual professional commitment.

Under Dr. McNerney's leadership Edinboro State has undergone innovations and reorganization that has enabled the College to keep in step with the times and maintain its academic excellence.

ATHLETIC PROGRAM SETS TORRID PACE

While Edinboro State has been flourishing as an educational institution, the College's athletic program has kept stride with a torrid pace of its own. The Scots' athletic program has grown to include 12 varsity sports, having added five new sports within the last four years. Officially listed on the Fighting Scot register are baseball, basketball, bowling, cross country, football, golf, judo, soccer, swimming, tennis, track and wrestling.

Scot teams have been busy adding victories to the list of varsity sports as the Clansmen won 7 out of every 10 contests during last year's athletic schedule.

Intercollegiate athletics play an important role in the total educational program of Edinboro State College. The program is so conducted as to assure wholesome use of leisure time, a healthy focal point for the experience and the expression of group spirit, and a laboratory experience for prospective coaches.

Sox Harrison Stadium, one of two major facilities located in the sports complex, has a seating capacity for 5,000 spectators and provides competition areas for both the football and track teams. A baseball diamond of major league specifications is also located just to the west of the stadium.

The McComb Fieldhouse contains three basketball courts, an AAU-sized swimming pool, a diving tank with one and three meter boards, underwater sound systems, lighting systems and viewing ports, wrestling room, two handball courts, a corrective gym, medical suite, a rifle range, two steam rooms, locker room space for 1,000 students and many additional features to meet the needs of the Health and Physical Education Department. Seating capacity of the gym is approximately 4,600 while the natatorium seats 500 spectators.

Four different sets of tennis courts are situated throughout the campus while 8 bowling lanes are provided in the new student union for intercollegiate competition. The nearby Culbertson Hills Country Club is the home of the Scots' golf and cross country teams.

RECORD CROWDS WATCH SCOT GRIDDERS

Pictured at top left is the largest crowd in Edinboro State's football history as an estimated 11,000 fans jammed Sox Harrison Stadium to view last year's homecoming encounter between the Fighting Scots and Slippery Rock State College. Attendance at Edinboro football games has skyrocketed over the past three years with significant increases in spectator support at home contests. The Scots averaged a surprising 6,575 fans per home crowd last year. Attendance figures have almost doubled since 1969 when the Scots began their climb to the top of the ranks in the national small college football ratings.

Attendance Figures 1969-71

YEAR	HOME GAMES	ATT/AVG	SEASON ATT/AVG

SOX HARRISON STADIUM

On October 2, 1965 Edinboro State College dedicated the Fighting Scots' football stadium in honor of R. B. "Sox" Harrison who served as head football and basketball coach at the College for 35 years. His 1931-32 cage record of 11 wins and 1 loss still stands as one of the best marks ever posted by an Edinboro basketball team.

Complete facilities are located beneath the grandstand area, which seats 3,000 people. Locker space for both the home and visiting teams, the coaching staff offices and locker room, the officials' dressing room, the training room, showers, the weight room and a laundry room are utilized within this space. Also included are restrooms, janitors' facilities, equipment rooms, a large concession stand and a glass enclosed press box.

In addition to the football field, the stadium also contains complete track facilities. A quarter-mile oval, a 220 straight-away and asphalt approaches for the field events highlight the home of the cinder sport.

Bleacher seats on the visitor side of the stadium bring the total seating capacity to 5,000.
