SCOTS' 1969-70 OUTLOOK

Edinboro basketball coach, Jim McDonald, maintained his traditional pessimism while predicting his 1969-70 Fighting Scots' chances on the hard woods. "We lack height, experience, and depth," declared the head mentor who will commence his eight season guiding Edinboro's basketball fortunes.

Of course, the Scots' opponents will quickly scoff at McDonald's prognostications, but his cautious attitude seems more accurate than in the past.

Only three lettermen return to cage action for the Scots this year while the slim 11-man roster lists a single senior along with a contingent of seven sophomores and three juniors. Only three of McDonald's men measure better than 6-2 on the tape which will showcase a far shorter Edinboro team than the squads that have performed for the Scots in recent years.

The odds also seem heavily stacked against any duplication of the identical 8-0 marks the Clan has posted in conference action the last two campaigns. The Scots hold a 17-game conference winning streak which stretches over the past three seasons. Both California and Lock Haven have the material to halt Edinboro's bid for their third consecutive conference crown and to stop the Scots' successful win skein.

Edinboro's first victory, however, will set off a big celebration in Crawford Gymnasium. The first time that the Scots finish in the victory column will mark Coach Jim McDonald's 100th win as Edinboro's head mentor. To date, McDonald's teams have recorded a 99-50 slate during his seven years at the Highlander helm. His ball clubs have been averaging a highly respectable 14 wins per season.

Running the offense for the Clan this year will be guards Dave Knowlton (6-1, junior, Mercer), Fred Riley (5-10, sophomore, Clearfield) and Ray Overholt (5-11, junior, Brookfield, Ill.). Adding some back up power to the front line are Tom Carr (6-0, senior, Pittsburgh), Jim Stranko (6-1, sophomore, Pittsburgh) and Dick Wildauer (5-8, sophomore, Reynoldsville).

Knowlton gives the Clan some excellent speed at the guard spot where he is most effective as a playmaker. He established a new assist record last year in his first try at varsity action with a total of 133. Dave could really make the Scots' offense go, if he starts to hit from the outside.

Freshman sensation Fred Riley could give the Scots the quickest pair of guards in the conference. While leading the Clan's frosh to a 14-2 slate last year, the Clearfield ace led in the assist column with 91 and topped all scorers with 329 points for a 20.5 points a game average. The speedy soph is undoubtedly one of the best outside shooters in the squad.

Also on hand is letterman Ray Overholt who adds some shooting power to the guard contingent. Seeing only limited action throughout the 68-'69 campaign, Ray still proved he was a contender for a guard slot.

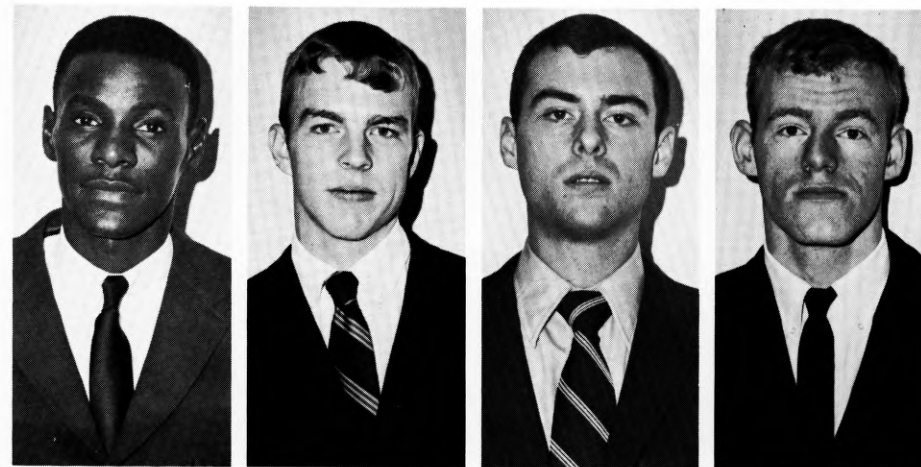

The Men of McDonald have the shortest front wall that they've had in many years. Expected to carry most of the load is forward Bob Burlingame (6-9, sophomore, Russell), who will be depended on for both board strength and shooting accuracy. His 203 grabs led the frosh five in rebounding as he finished with 12.7 average in that department.

Art Dickinson (6-10, junior, Crystal Lake, Ill.) could work his way into the center spot to add some much needed height up front. Art lettered last year, but saw only spotty action throughout the schedule.

A real battle is shaping up for the other forward spot where top newcomers including Sid Booker (6-2, sophomore, Erie), and Jim Prokell (6-0, sophomore, Pittsburgh), and Bob Koger (6-5, sophomore, Pittsburgh).

McDonald's men fought their way to a 14-8 record and the state championship last year only to fall to a powerful Cheyney State. The Clan faces even a sterner challenge to finish with a comparable season slate in '69-'70.

JIM PROKELL (30-31) F 6-0, 180, SO., PITTSBURGH

DON RHULE, VARSITY MANAGER, SO., PENN HILLS

A liberal arts major, Don starts his first year as a varsity manager for the Fighting Scots . . . Edinboro Coach Jim McDonald praised his work in pre-season practice saying, "The role that Don plays in our athletic program fulfills a vital team need" . . . He is a graduate of Penn Hills High School.

1969-70 Freshman Fighting Scots L-R: Head Coach Dave Rooney, Gary Overholt, Chuck Braden, Bernie Jubeck, Tom Albright, Rich Sulka, Doug Craig, Ron Bromiowitz, Gary Rausch, Jim Booros, Tom Cryan, Renny Betris, Missing: Charles Frazier and Jim Romaniszyn.

SCOT FROSH TRADITIONALLY TOUGH

The 1969-70 edition of Edinboro frosh cagers upholds the Scot tradition of all-around strength. Head Coach Jim McDonald hands over to assistant Dave Rooney another outstanding crop of basketball prospects. The 12-man roster lists such size up front as 6-7, 6-7, 6-6 and 6-3, 6-1, 6-1 guards who won't give away much height to their opponents this season.

Rich Sulka (Pittsburgh Central Catholic) highlights the squad's defense as the finest rebounder. Sulka is an aggressive ball player who asserts himself quite well underneath. He's one of the biggest men on the team, standing 6-6 and weighing 210 pounds. While at Central Catholic he averaged 25 points and 17 rebounds a game which earned him a berth on the All-Catholic team. He also showcased his wears in the Dapper Dan Roundball Classic.

Headlining the offense is Jim Booros (Allentown Dieruff). Booros is a tremendous outside shooter and makes long corner shots his specialty. He received honorable mention all-state honors while at Dieruff with his game average of 19.3 points and 14.5 rebounds per contest. The Allentown ace has good size at 6-1, 180 pounds.

Charles Frazier (Cedar Knolls, N. J.), a 6-7, 190 pound forward, strengthens the Scot offense with his ability to hit well from the outside. He has a fine jump shot which makes him even more effective with his height. A graduate of Whippany Park High School, Frazier highlighted a brilliant sports career this past season with his second team all-state berth in New Jersey's basketball selections. In spearheading the Wildcats to a 20-2 overall record, Frazier averaged 21.3 points a game and grabbed 14 stray shots a contest.

Jim Romaniszyn (Titusville) will most likely nail down a guard slot as the team's playmaker. Romaniszyn has the leadership qualities that such a spot demands. The 6-1, 190-pound forward from Titusville High, averaged 19 points a game while leading the Rockets to the district playoffs and a 19-3 record. His hardcourt performances earned him district honors as well as an all-state honorable mention listing.

Gary Rausch (Lake City) and Tom Cryan (Oxford, N. J.) are two of the top defensive men on the Scot squad. Rausch, who is 6-4, 185 pounds is a strong rebounder and has quite an assortment of shots underneath. While at

Union High in Girard, he averaged 21 points and 17 rebounds per game. Cryan is also a strong defensive player with "hustle" being the key to his success. Standing 5-10 and weighing 160 pounds he also exhibits fairly accurate outside shooting. He's a graduate of Warren Hills High where he averaged 15 points a game during his senior year.

Tom Albright (Richmond, Virginia) will probably start at the other guard slot. The 6-3, 175-pound guard played his scholastic ball at George Wythe High School where he blistered the nets for a 19.5 points a game average and found time to haul down 12.3 rebounds a contest. The Virginian climaxed a great high school career when he was selected to the All American team.

Renny Betris (Pittsburgh Keystone Oaks) has been tagged as the quickest guard on the club. A 5-9 performer, Betris' quickness makes him a top notch defensive prospect.

Fairfield, Ohio's Doug Craig will be vying for either a center or forward spot. Craig, a 6-7 pivot ace, led Fairfield's Indians as he grabbed 17 rebounds and hit the nets for a 15 points a game average.

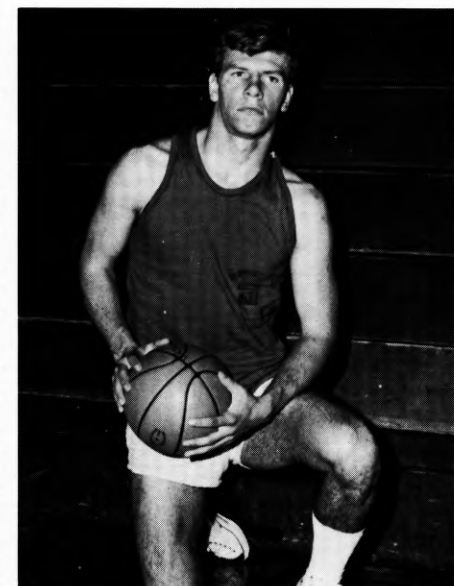

Bernie Jubeck (Altoona), Gary Overholt (Brookfield, Ill.) and Chuck Braden (Kingsville, O.) round out the ESC frosh contingent. Jubeck (6-0, 160 pounds), a graduate of Bishop Guilfoyle High, is rated as one of the best ball handlers and can run the fast break. Overholt (5-11, 165 pounds) is looking for a guard spot while teammate Braden (5-9, 140 pounds) also eyes one of the two starting assignments.

The frosh season includes an 18 game slate highlighted by an exchange contest with the Gannon Golden Knight freshmen.

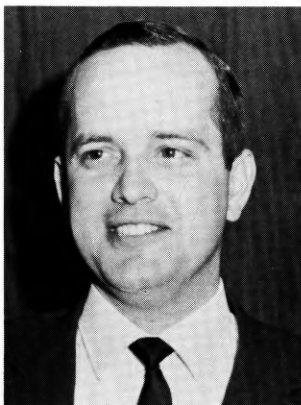

Edinboro's freshmen teams have upheld the winning tradition established by their varsity counterparts. The 1966-67 team posted a 12-4 season slate while the 1967-68 squad romped to a 17-4 mark. Last year's Fighting Scot frosh maintained the pace with a 14-2 season record to give the first year men a 43-10 reading over the past three campaigns.

ROMANISZYN MAKES MARK

Titusville's Jim Romaniszyn who was both a standout basketball and football performer for the Rockets, marks a feat at Edinboro that hasn't been attempted since 1962. It was in that year that Edinboro basketball All-American, Dan Petchel, demonstrated his talents both on the football gridiron and the basketball hardwoods. Petchel was seventh in the national rushing rankings as the Scots' quarterback before a knee injury forced him to the sidelines. In this age of specialization in athletics, seldom is such a dual attempt made. Yet, Jim Romaniszyn, who is both an outstanding student and athlete, has accepted the challenge. Whether or not he continues as a two-sport athlete when he reaches varsity status is of no consequence. He is one of few who has tried.

HEAD BASKETBALL COACH

Since his appointment as head coach in 1962, Jim McDonald has guided Edinboro State College to 4 Western Division PC Basketball Championship titles, the PC State Championship, and the NAIA District 18 Championship which earned Edinboro a trip to the NAIA Championship Playoffs in Kansas City, Missouri. In 1966 Mr. McDonald was selected by the coaches of the Eastern Seaboard States to be the Area 8 Basketball Coach of the Year and was honored as one of the top ten finalists in the NAIA's Coach of the Year poll for his outstanding accomplishments. This season marks his eighth year at the Highlander helm.

Prior to accepting his current position at Edinboro in 1961, McDonald served as assistant basketball coach at Harborcreek High School in Erie, Pa. He is a 1956 graduate of Bridgeport High School, Bridgeport, West Virginia.

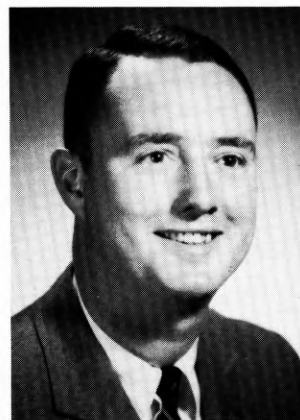

As a player, McDonald attended West Virginia Wesleyan College, where he participated as a varsity "Bobcat" for four seasons. During his collegiate basketball career McDonald was selected as an All-American two years by the UPI and the NAIA as a result of his outstanding abilities on the hardwoods. McDonald reached the climax of his athletic career with the Bobcats in his senior year, 1960, when he ranked as the second leading scorer in the nation with his average slightly over 33 points a game in regular season competition. In that same year, he was chosen to try out for the United States Olympic Basketball Team at Denver, Colorado. In addition, McDonald's performance in the National NAIA Post-Season Basketball Tournament, held annually in Kansas City, Mo., earned him the honor of being named to the NAIA's All-Tournament Team for two consecutive years, 1959 and 1960.

Under McDonald's tutorship, the Scots have won 94 of 137 regular season encounters or slightly more than 68% of their games. He posted his best mark as a coach two years ago as his cagers rang up a regular season record of 17-4 and finished with a 19-5 ledger after tournament play. In all games the *Men of McDonald* have posted 99 wins and only 50 losses.

His '67-'68 team cracked 10 existing Edinboro State College basketball records and captured the PSCAC State Championship by defeating annual powerhouse Cheyney State. The 1967-68 squad ranked as high as eleventh among the nation's small colleges and finished fifth in the nation in the team rebounding department. The Scots won their first 10 games while averaging 100 points a contest.

Under McDonald's tutelage Edinboro State College is rapidly earning respect in the small college circuits of the East. The Scots have never experienced a losing season under his guidance. In addition, three Edinboro cagers have garnered All-American honors since 1965. Winning has become a tradition in the McDonald camp. This season could prove to be the most challenging of his career.

ASSISTANT BASKETBALL COACH

Recently joining the Edinboro State athletic staff is Dave Rooney, an Allentown, Pa. native. Rooney has been appointed head freshman basketball coach and will also serve as an assistant on the varsity squad. Along with his coaching duties, the new mentor will assist in the physical education department of the College.

Rooney is a 1959 graduate of William Allen High School in Allentown, Pa. and also holds both B.S. and M.S. degrees from West Chester State College where he majored in health and physical education.

The Scots' new coach was a standout basketball player throughout both his high school and collegiate campaigns.

He led the 1958-59 William Allen team to the East Penn League championship and earned an all-state honorable mention berth for his performances on the hardwoods. In his freshman year at West Chester, Rooney piloted the frosh to an undefeated season with a sterling 17-0 record.

After two years of varsity competition his cage career was interrupted by service in the Armed Forces and he later returned to West Chester State to serve in a coaching capacity while he completed his B.S. requirements and pursued his M.S. degree.

Before joining the Edinboro coaching staff, Rooney served as head basketball coach for one year at Spring Ford High School in Royersford, Pa.

He and his wife, Sue, now reside in Edinboro.

ATHLETIC DIRECTOR

Mr. Allan W. Hall was appointed a year ago as Edinboro's first full-time Director of Athletics.

Hall, a graduate of Baldwin-Wallace College, served as Assistant Director of Athletics at Akron University for two years prior to coming to Edinboro.

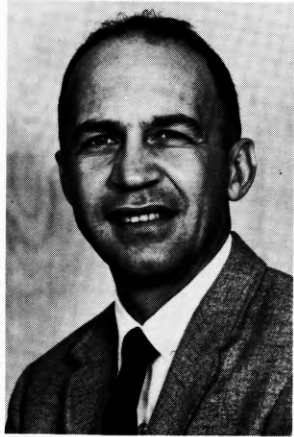

While at Akron, Hall was quite active in the University's athletic program. He piloted Akron's cross country teams for 12 years and guided his harriers to three Ohio Conferences and three All-Ohio championships. His 1963 squad held the distinction of being runnerup to national champion Emporia State in the NCAA meet. Along with his cross country duties he also served as assistant track coach at A. U. for 12 years.

Hall's keen interest in all phases of sports is reflected by his past accomplishments in the field of athletics. In 1962 he was selected Meet Director of the National AAU Swimming Championships. He was highly instrumental in making Akron University the site of the Mideast Regional NCAA Basketball Tournaments in 1964, 1965, and 1966. Hall is also credited with the inception of the Junior Olympics program in the City of Akron. He served as the University's Sports Information Director during 1958 and 1959.

He and his wife, Pam, reside in Edinboro.

CHALLENGING THE SCOTS ...

TEAM TRAINER

Bob Klingler is commencing his third year on the Scots' staff as team trainer. His valuable background of medical knowledge is also utilized in the instruction of anatomy and physiology at the College.

Klingler graduated from Lock Haven State College in 1952 with a B.S. degree and then ventured to Hermann School of Physical Therapy in Houston, Texas, where he became a registered physical therapist in 1954.

He received his M.S. from Bucknell University in Lewisburg, Pa., where he also acted as the Bisons' assistant athletic trainer.

He taught at Milton Hershey, a private boys' school in Hershey, Pa., prior to accepting his post at Edinboro. While at Milton Hershey School,

Klingler served as the Spartans' head football mentor, head track coach, and assistant basketball coach. Both his cinder and cage teams never experienced a losing season under his leadership, while his grid teams posted continuous successful campaigns in the powerful Capitol Area Conference.

During the off season the Scots' medical man has been enrolled in graduate work at Springfield College in Massachusetts and serves as a physical therapist at St. Vincent Hospital in Erie where he administers treatment to rehabilitation patients.

Mr. Klingler, his wife, Jill, and daughter, Julie, make their home in Edinboro.

SPORTS INFORMATION DIRECTOR

Paul Newman began his duties two years ago as Edinboro's first Sports Information Director.

Mr. Newman is a 1964 graduate of Edinboro where he earned both his B.S. degree and M.Ed. while majoring in English.

Prior to his appointment at the College, he held a teaching position with the Buckeye Local Schools in Ashtabula, Ohio for three years. He served as a cross country coach and assistant track coach at Edgewood Senior High School in Ashtabula, Ohio.

In connection with his duties, he is also the District 18 Publicity Chairman for the National Association of Intercollegiate Athletics and is currently serving as Area 8 District Chairman for the NAIA.

He serves as the adviser for the *Tartan*, Edinboro's college yearbook.

Mr. Newman, his wife, Connie, and their children, Paul, Jr. and Michele, make their home in Edinboro.

GROVE CITY COLLEGE

OUTLOOK: Last year's Wolverine squad finished with a 19-5 ledger, the finest basketball season in 44 years at Grove City. The loss of 6-7 superstar Jeff Claypool certainly will be felt in the ranks of Cliff Wettig's charges, but everyone else is back from the highly successful team. Claypool, who led Grove City to an upset over number one ranked Ashland College, is still property of the NBA's Baltimore Bullets. Leading the Grovers' attack this year is team captain John Cochran, 6-2 forward from Lexington, Ohio, who averaged 13.6 points per game last season. Adding plenty of height up front is 6-10 senior Jim Zeigler who clicked for 10.7 points a game and 6-7 junior Doug Rohrer. A duo of tall guards compliments the Wolverines' front wall with 6-2 senior Dick Bratt and 6-0 junior Tom Carr. Coach Wettig summed up, "Although we will lack some of the size we had with Claypool, we do have some added strengths this year. Our bench is much stronger and we have considerable experience."

Starters include Joe Balaschak (5-9, junior guard), Ron Chuta (5-9, sophomore guard), Tom Rollo (6-3, junior forward), Bob Anderson (6-3, sophomore forward) and Dan Thowart (6-5, freshman center).

OUTLOOK: With new head coach, James Christopher, to guide it and the addition of freshman players to the squad, the Lock Haven State College basketball team anticipates making a considerable improvement over last year's 4 and 14 record. Coach Christopher is constructing an aggressive squad out of his nucleus of five returning lettermen and the Bald Eagles could be the darkhorse of the Western Division this year. Juniors Bruce Parkhill and

Randy Lindsey, honorable mention winners last season in the Western Division, and Ed Wright, who won Western Division first team honors, will give the Bald Eagles needed leadership experience. Wright also holds the Lock Haven scoring average record of 21.5 points. Probable starters are lettermen Mike Coront (6-3, junior forward), Gregg Kitchen (6-4, junior center), Randy Lindsey (6-3, junior center), Bruce Parkhill (6-3, junior forward), and Ed Wright (6-1, junior guard). Others scheduled for early action are Harold McKenzie (6-4, center) and Zigmos Tauginos (6-5, center). The future also looks bright for the Bald Eagles who have no seniors on the squad.

SLIPPERY ROCK STATE COLLEGE

December 9 — at Slippery Rock, February 5 — at Edinboro

Location: Slippery Rock, Pa.
Enrollment: 4,200
Nickname: Rockets
Colors: Green and White
Athletic Director: Dr. Bradley Keith
Head Coach: Hank Baierl

Sports News: John Carpenter
Gymnasium: Morrow
Conference: PC, NAIA, ECAC, NCAA
1968-69 Record: 7-16
Lettermen Returning: 6
Last Game: 1969, ESC won 99-73, 95-78

OUTLOOK: "We have the best overall attitude in the past three years," claims Rocket Coach Hank Baierl, but the veteran SRSC cage coach realizes all too well that his squad will be hampered by the same missing component that has plagued his teams of recent years — a lack of size. SRSC has only one player on its 16-man varsity standing over 6-4, thus the Rockets will have to rely on speed, ball-handling, outside shooting, defense, and most of all, hustle to better last year's 7-16 record. Senior co-captains Ray Inman (6-2, forward) and John Vaslowski (6-2, forward) are being counted upon by Coach Baierl to assume leadership roles for the young Rockets. A lot will depend on how fast the sophomores "come of age" on the court and are able to overcome the mistakes that often typify sophs. The big question mark on the 69-70 Rockets, as Coach Baierl sees it, is the big men. "If Bob Wiegand (6-7, junior center) and Vaslowski can do the job for us under the boards, we can realize a successful season." Wiegand figures to be a starter along with fellow junior Larry Deemer (6-1, guard). Sophomore guard Hank Hudson has the inside track at the fifth starting position at least in the early going, but things could change quite drastically when the second semester arrives and the Rockets continue through their 25-game schedule.

CLARION STATE COLLEGE

December 13 — at Edinboro, February 17 — at Clarion

Location: Clarion, Pa.
Enrollment: 3,650
Nickname: Golden Eagles
Colors: Blue and Gold
Athletic Director: Frank Lignelli
Head Coach: Ronald Galbreath

Sports News: William Proudfit
Gymnasium: Harvey
Conference: PC, NCAA, NAIA, ECAC
1968-69 Record: 5-13
Lettermen Returning: 5
Last Game: 1969, ESC won 71-69, 112-78

OUTLOOK: Ron Galbreath, in his first year as head basketball coach at Clarion State College, will be looking to improve upon last year's dismal 5-13 record. Although experience will be his chief asset, the lack of a big man is the major obstacle which will have to be overcome to finish with a winning season. Co-captains Buddy Martin and Denny Luce, a pair of 5-11 senior guards, will lead a quintet of senior lettermen who will probably get the starting nods from Coach Galbreath. Other probable starters include Frank Brooks (6-2, senior forward), George Lawry (6-4, senior forward) and Joe Podolok (5-9, senior guard). A pair of sophomores Greg Thompson (5-10,

guard) and Carl Jefferies (5-10, guard), who were members of last year's outstanding freshman team, will also be vying for starting positions and could see a good deal of action. The Golden Eagles will have to rely on speed, good outside shooting and stingy defense in their bid for the Western Division crown of the Pennsylvania Conference.

FREDONIA STATE UNIVERSITY

December 16 — at Fredonia, New York

Location: Fredonia, N. Y.
Enrollment: 4,080
Nickname: Blue Devils
Colors: Blue and White
Athletic Director: Patrick Damore
Head Coach: Bill Hughes

Sports News: Jerry Starer
Gymnasium: Dods Hall
Conference: SUNY, NCAA, NAIA, ECAC
1968-69 Record: 11-11
Lettermen Returning: 3
Last Game: ESC won 72-62

OUTLOOK: The Blue Devils will have to hustle to better last year's 11-11 record. Several unexpected losses of key personnel for academic reasons leaves several gaping holes, especially in the offensive attack. The team will have only fair size and speed. The fine defensive play of last year, if carried over, should be of great help to make this season a success. The 68-69 Blue Devils finished third in the nation in team defense by limiting their opponents to 56.3 points a game according to the final NAIA statistics. Top offensive leader is 6-3 forward, Joe Williams, from Erie, Pa. Other starters are Jack Reed (6-5, junior center), Amos Goodwine (5-11, sophomore guard), Dan Dunlap (6-4, junior forward), and Dan Fry (6-2, junior guard). In spite of their defensive average, Edinboro State scored the second highest total points against the Blue Devils with 72 markers. Yet, the Clan had to go all out to stop the New Yorkers 72-62 on the Scots' home court.

NORTHERN MICHIGAN UNIVERSITY

December 19 — at Marquette, Michigan

Location: Marquette, Michigan
Enrollment: 7,839
Nickname: Wildcats
Colors: Old Gold and Olive Green
Athletic Director: Rollie Dotsch
Head Coach: Glenn Brown

Sports News: Gil Heard
Gymnasium: Hedgcock
Conference: NCAA
1968-69 Record: 13-11
Lettermen Returning: 6
Last Game: First Meeting

OUTLOOK: Northern Michigan basketball coach Glenn Brown, starting his second season as head man of the Wildcats, will build his 1969 squad around six returning lettermen and a pair of promising sophomores. Heading the list of returnees is two-time All-America forward Ted Rose, a 6-6 senior. Rose is NMU's all-time leading scorer with 1,421 points and, if he maintains his average of the past two seasons, could become only the 7th player in Michigan collegiate history to top the 2,000 mark. He'll be joined in the front line by 6-6 junior Al Inkala and 6-4 sophomore Brian Ouimette. Inkala averaged 13.2 points per game as a sophomore and took down 9.1 rebounds per game, right behind Rose's 10.2. Ouimette averaged 16.6 points and 12.1 rebounds with Northern's freshman team that posted a 13-4 season. The backcourt duo will probably be 6-2 junior Hugh Friday and 6-2 sophomore George Barber. Friday had a 12.5 scoring average with the varsity and Barber a 17.3 mark with the Wildcat freshmen a year ago. Other returning lettermen are 6-5 senior forward Gerry Gerard, 6-4 junior forward-guard Steve Veneklasen and 6-1 junior guard Paul Miller. The Wildcats have some tough opposition on their schedule with Marquette, Bradley, Missouri, Nebraska, Pan American and Eastern Michigan listed for the 1969-70 campaign.

UNIVERSITY OF WISCONSIN AT MILWAUKEE

December 20 — at Milwaukee, Wisconsin

Location: Milwaukee, Wisconsin
Enrollment: 18,000
Nickname: Panthers
Colors: Black and Gold
Athletic Director: Herman Kluge
Head Coach: Ray Krzoska

Sports News: Dave Haberkorn
Gymnasium: Baker Field House
Conference: NCAA
1968-69 Record: 15-11
Lettermen Returning: 4
Last Game: First Meeting

OUTLOOK: The Panthers are another newcomer on the Scots' schedule and could easily make the Clan's northern trip a colder one. 5-10 sophomore guard Bob Byer is the shortest of the top prospects who measure 6-3 and up. Board strength is the keynote of the Black and Gold's 1969-70 hopes while a lack of experience exists in the backcourt. Head Coach Ray Krzoska will rely on Cecil Morris (6-6, junior center) and Tom Reikowski (6-4, senior forward) to control the boards. Together they should provide the scoring punch along with converted guard Dexter Reisch (6-3, senior). Rounding out the first five is Jim Scarda (6-4, senior forward). Adding strength to the varsity crew is a contingent of sophomores who finished with a 14-1 slate last year. The top newcomers to the squad offer additional overall height with their 6-5, 6-5, and 6-4 measurements.

ALLIANCE COLLEGE

January 7 — at Edinboro, January 31 — at Alliance

Location: Cambridge Springs, Pennsylvania
Enrollment: 625
Nickname: Eagles
Colors: Red and White
Athletic Director: Ted Haluch
Head Coach: Ted Haluch

Sports News: Dr. Robert Obojski
Gymnasium: Cambridge Springs H. S.
Conference: Independent, NAIA
1968-69 Record: 7-12
Lettermen Returning: 6
Last Game: 1969, ESC lost 74-86, won 87-73

OUTLOOK: Coach Ted Haluch's high flying Eagles always spell trouble for the Scots. The traditional rivalry has produced some real nailbiters over the past years and the 1969-70 matches should prove to be just as exciting. The Eagles came away with only a 7-12 slate last year, but Haluch's crop of underclassmen gained valuable experience during the campaign and could surprise some clubs this season. One of those seven wins was an 86-74 verdict over Edinboro. The Eagles could prove to be tough on the Clan again with returnees Jerry Droleski (6-4, junior center), Bernie Novotony (6-5, junior forward), Mark Krumenacker (6-2, junior guard), Pat Carr (6-2, senior forward) and Tom Accamando (5-10, junior guard). Six lettermen form the nucleus of this year's team and the nearby rivals only lack a big man to be a top contender. The biggest challenge facing the Eagles, however, is a schedule which features such area notables as Indiana, Gannon, Youngstown, Westminster, Grove City and Akron.

INDIANA UNIVERSITY OF PA.

February 7 — at Indiana, February 24 — at Edinboro

Location: Indiana, Pa.
Enrollment: 8,500
Nickname: Big Indians
Colors: Maroon and Slate
Athletic Director: Herm Sledzik
Head Coach: Herm Sledzik

Sports News: Randy Jesick
Gymnasium: Memorial Field House
Conference: None
1968-69 Record: 22-2
Lettermen Returning: 8
Last Game: 1969, ESC lost 67-89, 75-81

OUTLOOK: Although head coach Herm Sledzik has a wealth of talent back from last year's powerhouse which compiled a 22-2 record and ran off a string of 21 straight victories, the Big Indians are faced with the task of finding

replacements for 6-6 Garry Lupek, last year's top scorer and rebounder, and 6-4 Les Shoop. Among the leading returnees from last year are the brilliant backcourt duo of 5-10 Mont Mattocks and 5-11 Jim DeMark, both two-year regulars, along with 6-5 Lee McCullough and super-athlete 6-2 Dave Smith. Also back are 6-1 Bill Donnelly, a potentially great scorer from Ellwood City, 6-2 Dave Erney, 5-10 Gary Gruseck and 5-9 Tom Rusnica. Heading the list of sophomores are 6-3 Tom Kerstetter who was averaging 26 points per game with the IUP frosh before being injured last year, and 6-3 Tony Frank, the leading scorer on the freshman team last season with 297 points and an 18.6 average.

ROBERTS WESLEYAN COLLEGE

February 10 — at North Chili, New York

Location: North Chili, New York
Enrollment: 750
Nickname: Raiders
Colors: Red and White
Athletic Director: John Fraser
Head Coach: John Fraser

Sports News: George Kline
Gymnasium: Churchville-Chili
Conference: ECAC, NAIA
1968-69 Record: 10-14
Lettermen Returning: 7
Last Game: 1969, ESC won 126-66

OUTLOOK: Seven lettermen hope to improve on the Raiders' 1968-69 mark of 10-14. Coach Fraser is depending primarily on the performances of veterans Willard Evans (6-4, sophomore center), Gerald Kimble (6-5, junior forward) and Ralph Roach (5-11, senior guard) to fill the vacancies left by four outstanding graduating letter winners. The Raiders' head mentor also has high hopes for Ron Johnson and Mitch Richardson, a pair of 6-3 freshman prospects. Wesleyan pinned an 87-80 loss on the Clan two years ago, and the verdict was one of only five setbacks during the 1967-68 season. The Scots bounced back to claim a solid 126-66 win over the New Yorkers last year on the Highlanders' home courts. The Raiders have always proved to be a tough customer on their home hardwoods and this year's contest should once again prove this to be true.

CALIFORNIA STATE COLLEGE

February 14 — at California, February 28 — at Edinboro

Location: California, Pa.
Enrollment: 5,400
Nickname: Vulcans
Colors: Red and Black
Athletic Director: Paul Ross
Head Coach: Miles Witchey

Sports News: Bob Wood
Gymnasium: Hamer Hall
Conference: NAIA, NCAA, PC
1968-69 Record: 12-9
Lettermen Returning: 5
Last Game: 1969, ESC won 93-80, 57-54

OUTLOOK: After a second place finish in the Western Division a year ago with a 5-3 ledger, the Fire Gods could find themselves on top in the West after the smoke clears. Two of the three losses in conference action were handed down by the Fighting Scots. Bernie Floriani (6-3, junior forward) and Ray Greene (6-2, junior guard) give the Vulcans the best 1-2 offensive punch in the district. Greene, who has given the Clan's defense fits ever since he was a freshman, finished fifth in the Pennsylvania Conference scoring race last year with 21.3 points a game average, while Floriani placed a close seventh with 19.7 points a game mark. Also ready for boardwork is 6-5 junior, Jack Taylor, who gives the Witchey-coached crew some size underneath. It seems as if the conference title always hinges on the California-Edinboro matches; look for that to hold true this season, too.

POINT PARK COLLEGE

February 16 — at Edinboro

Location: Pittsburgh, Pa.
Enrollment: 3,525
Nickname: Pioneers
Colors: Green, White and Gold
Athletic Director: F. Melvin Cratsleg
Head Coach: Jerry Conboy

Sports News: Ken Fisher
Gymnasium: Pitt Field House
Conference: NAIA
1968-69 Record: 8-15
Lettermen Returning: 6
Last Game: First meeting

OUTLOOK: Point Park's future in basketball looks bright with coaches Jerry Conboy and Ed Fleming teaming up to supply the leadership necessary to build an outstanding basketball program. While not making any predictions about the upcoming season, Conboy says, "The players look forward to the season with a great deal of enthusiasm. I look forward with a great deal of optimism." Beginning its third year in intercollegiate competition, Point Park is looking forward to its biggest basketball season ever. The Pioneers showcase plenty of size and shooting power. Ed Josefoski (6-6, junior center) and back-up man John Salak (6-6 center) give the Green and Gold the necessary board strength while Greg Webster (6-7, freshman forward) is on hand for additional duty. When it comes to the offensive scoring department Jim Metz (5-9, junior guard), Bill Long (6-3 junior) and Dan Dudley (6-2 junior) take over the reigns. The trio averages 13.7, 16.7, and 10.6 points a game respectively last year. This will be the first meeting between Edinboro and Point Park.

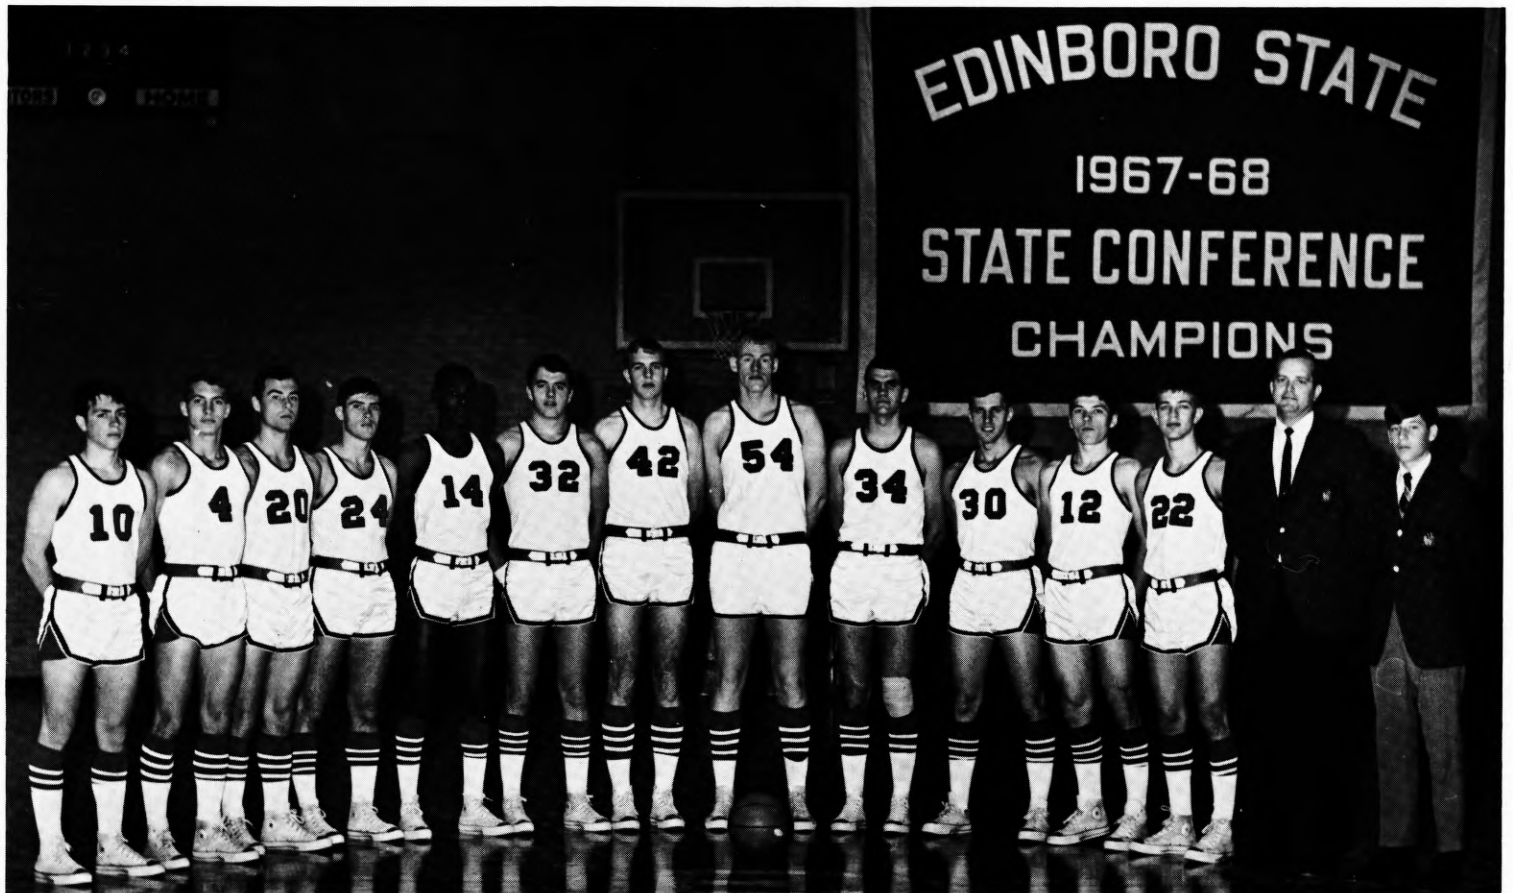

GENEVA COLLEGE

February 21 — at Geneva

Location: Beaver Falls, Pa.
Enrollment: 1,394
Nickname: Golden Tornadoes
Colors: Gold and White
Athletic Director: Cliff Aultman
Head Coach: Cliff Aultman

Sports News: Wayne Hentschel
Gymnasium: Metheny Field House
Conference: NAIA
1968-69 Record: 10-14
Lettermen Returning: 4
Last Game: 1969, ESC lost 78-81

OUTLOOK: If Edinboro coach, Jim McDonald, has nightmares over any of his opponents — it has to be Geneva College. The Golden Tornadoes have beat the Clan three years in a row now, two of those wins coming on the Scots' home court. The Aultman-coached five looks like they're ready once again. Four lettermen return from last year, including captain Pete DuBois (5-10, senior guard), Dwight DeCarlo (6-5, junior forward), Dan Davis (5-11, sophomore guard) and John Aultman (6-1, junior guard). In addition are two lettermen from the 1965-66 season, Ken Galbreth and Loni Sheffield. Captain DuBois sat out half of last season with an ankle injury, but is showing his old form. Top prospect for the center job is 6-7 Bill Allen, a transfer from Henry Ford Junior College in Michigan. Others challenging for top spots in the lineup are sophomore Mike Tintsman at forward and Randy Hubbard at guard, and 6-6 freshman Ken Creasman at forward. Aultman is pleased with his new prospects. The Golden T's have considerable depth and experience as they face a tough campaign. They were a better team than their 10-14 record last year, and, barring any injuries, they will be shooting for a place in the District 18 NAIA playoffs.

'68-'69 IN REVIEW

Despite losing final games to national powerhouses Cheyney, Indiana University (Pa.) and Gannon, Edinboro State's band of Fighting Scots finished with a respectable card of 14 wins against 8 losses.

The Clan's record continued to be highly impressive under the McDonald Management. Since his appointment as head coach in 1962, the *Men of McDonald* have never experienced a losing season. Under his tutorage for the past 7 years the Scots have won 94 of 136 regular season contests (70% of their games), nailed down their first state crown, captured the District 18 title along with a trip to Kansas City, and won 4 Western Division Championships.

For the second consecutive year, the Scots finished undefeated in loop play and sport a 17-game conference winning streak which stretches over the past 3 seasons. This is a Western Division record.

Highlighting season play last year was a trip to sunny California where the Highlanders finished a very respectable third among an 8 team field entered in the Irvine Tournament. The Scots shot their way past Cal State at Fullerton, 85-63, and defending tourney champion Los Angeles State, 78-73, before they were halted by tournament champion Long Beach State, 84-58. Senior forward Frank Smith from Bentleyville was selected to the All-Tournament Team at the closing ceremonies.

Frank Smith closed out a brilliant career at Edinboro by averaging 21.2 points a game and 11.4 rebounds a contest. During his past 4 years on the hardwoods he has amassed 1,225 points to become the third highest career scorer in Edinboro's basketball history. He also moved into fourth place in the rebounding list as he collected 637 stray shots off the glass.

Smith's 466 points are second only to Walt Askins' 496 total during the 1956-57 season. Frank holds Edinboro records for the most points in one game (54 against Fredonia and 52 last year against Kenyon), the highest scoring average (30.1 points a game during 1966-67), and the most field goals in one game (21 against both Waynesburg and Kenyon).

Also rounding out play in Scot uniforms were seniors Ron Weaver (Montour), Tim Ziner (Bethel Park), Larry Smith (Brookville), Harry Jenkins (Bridgeport, W. Va.) and Rod Herron (Jackson Center).

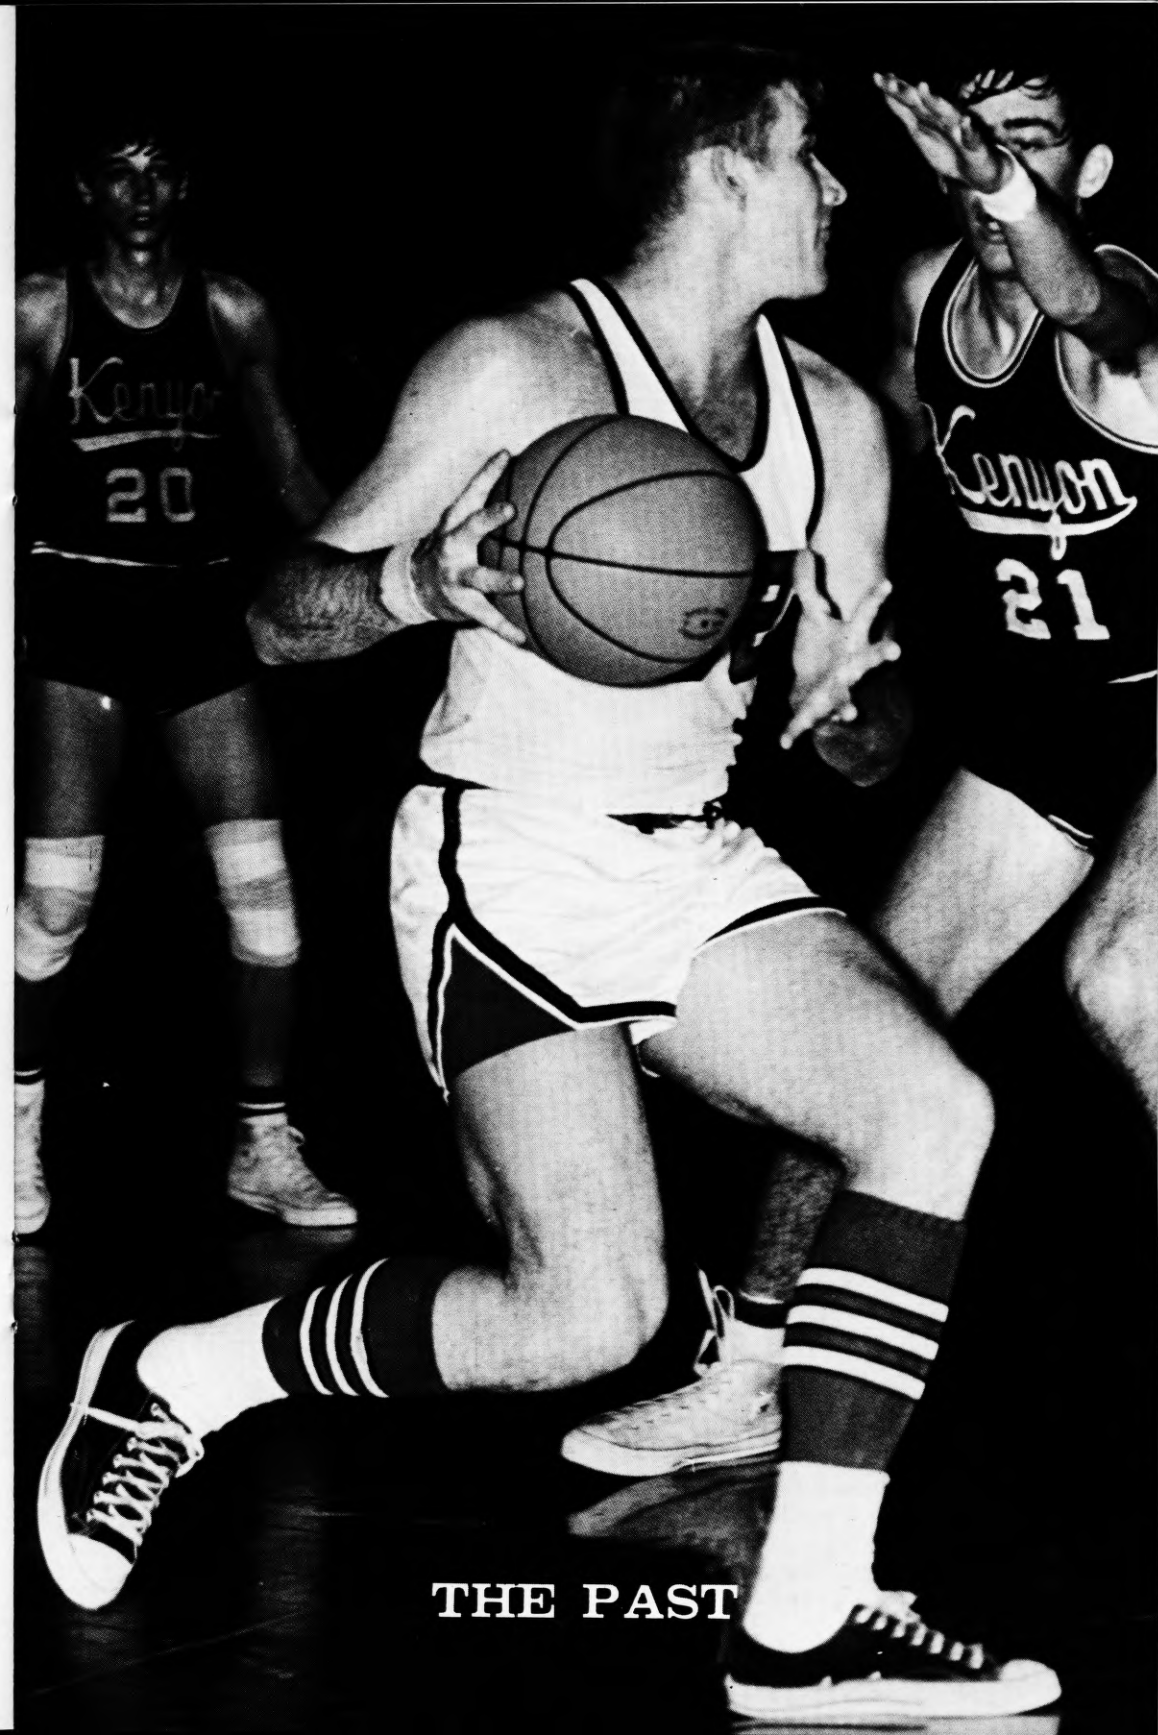

Jenkins, a 6-4 forward, ranks eleventh on the list of all-time scorers at Edinboro with a career total of 728 points. He averaged 9.4 as a sophomore, 12.9 as a junior and 11.8 during his senior year.

Dave Knowlton, 6-1 sophomore guard from Mercer, established a new record in the assist column with 133 scoring passes. He slipped past the old mark of 132 set by Ron Weaver during the 1967-68 cage season. Weaver and Knowlton now share the single game assist record of 12.

Rod Herron proved to be the most accurate from the floor throughout the season as he clicked on 54.5% of his shots in 21 games. Frank Smith followed by netting 189 of 388 attempts during 22 games for a very respectable 48.7% effort.

The only category in which the Scots were outpointed by their opponents was in the free throw department. The Clan netted only 365 shots in 575 attempts from the foul stripe for a mediocre 65.2%. Edinboro's opponents hit 68% of their tosses from the charity line.

Last year's 14 victories by the Fighting Scot cagers brought Coach Jim McDonald's total to 99 successful outings over the past 7 years. That's an impressive average of 14 wins a season. It's hopeful that a fine nucleus of experienced sophomores and the influx of an outstanding freshman team can maintain the Scots' success on the hardwood.

MEN OF McDONALD GAIN HONORS

Three of Coach Jim McDonald's basketball products have been named NAIA All-Americans for their outstanding rebound abilities.

Sheffield's Dan Petchel (1964-65 All-American selectee) ranks as Edinboro State's second all-time high scorer with 1,344 points. Bentleyville's Frank Smith (1967-68 and 1968-69 All-American) holds down the third place slot with 1,225 markers while Aliquippa's Darryl Meachem (1965-66 All-American) ranks fifth with 881 tallies.

In the rebounding department, Meachem and Petchel are two of the college's top three career rebounders with 897 and 744, respectively. Meachem pulled down 393 rebounds for a school record established during the 1965-66 season.

Smith owns two individual scoring records. His 54-point output against Fredonia in the 1966-67 season earned him the most points scored in a single game record. The 6-1, 198-lb. forward compiled the most field goals scored in a single game record with 21 two-point markers against Waynesburg in the same season and 21 against Kenyon in 1969.

PENNSYLVANIA CONFERENCE

The Pennsylvania State Colleges Athletic Conference, organized in 1951, this year changed its name to the Pennsylvania Conference.

Its membership originally consisted of the 14 state colleges: Bloomsburg, California, Cheyney, Clarion, East Stroudsburg, Edinboro, Indiana, Kutztown, Lock Haven, Mansfield, Millersville, Shippensburg, Slippery Rock, and West Chester. In 1966 Indiana no longer was eligible for conference laurels as it acquired university status.

The conference is divided into a Western Division and an Eastern Division. Members of the Eastern Division include Bloomsburg, Cheyney, East Stroudsburg, Mansfield, Kutztown, Millersville, Shippensburg, and West Chester, while Edinboro, California, Clarion, Lock Haven, and Slippery Rock comprise the Western Division. In basketball, the conference champions of both leagues face each other at the end of the season to determine the PC championship.

THE COLLEGE

THE COLLEGE'S HISTORY

The beginnings of the college were laid in 1857, over one hundred years ago, when a band of Scotch-Irish farmers grouped together and founded a private normal school at Edinboro by popular subscription to train teachers. In 1861 it was chartered by the Commonwealth as Pennsylvania's second Normal School and developed and grew through service to the Commonwealth.

A great forward stride was taken in 1914, when the Commonwealth purchased Edinboro Normal School. In 1926, alerted to the need for better educated teachers for its schools, Pennsylvania made Edinboro a Teachers College offering a four-year curriculum leading to degrees of Bachelor of Science in Secondary, Elementary, and Art Education, and Library Science.

In 1960 the name of the college was changed to Edinboro State College.

Beginning in September of 1957, the college was empowered to grant degrees of Master of Education in Elementary Education. In September 1961, graduate study in secondary education was added to the graduate program.

In 1962 the liberal arts degree program was begun. Students may prepare for various vocations as an arts and science major in Humanities, Social Sciences or Natural Sciences and may receive a Bachelor of Arts degree.

The control of the College is vested in the Board of Trustees, composed of nine members appointed by the Governor of Pennsylvania. The Board of Trustees in turn elects the President of the College who is responsible for its administration. The State Superintendent of Public Instruction is an ex-officio member of the Board of Trustees.

The College is accredited by the National Council for Accreditation of Teacher Education, the Middle States Association of Colleges and Secondary Schools, and the American Medical Association. In addition, its curriculums are registered by the New York State Department of Education.

Graduates of Edinboro have distinguished themselves in all professional fields: education, law, medicine, and religion as well as business and politics.

The College stresses friendly relations among students and faculty and informal student counseling and guidance. The faculty is keenly aware of professional interests and self growth. High qualitative and quantitative standards distinguish the graduates of this college. The preparation of better educated citizens has been an Edinboro tradition for over a century.

PRESIDENT

Dr. Chester T. McNerney became president of Edinboro State College in September, 1966. His formal inauguration, honoring him as Edinboro's thirteenth president, followed on April 22, 1967.

Dr. McNerney came to Edinboro from the University of Akron, where he was the Dean of the College of Education and was highly instrumental in the development of numerous educational innovations. He was cited as the motivating force behind the University of Akron Classrooms Around the World, and recognized for his scholarly studies of comparative education abroad.

Dr. McNerney's primary areas of interest deal with the improvement of the curriculum, the program for educational supervision and administration, and the improvement of inter-personal relationships among the various members of working groups. His concern in this area has led to his writing of several books, lecturing and conducting various workshops.

Under Dr. McNerney's guidance, the College has witnessed the growth of administrative operations, broader forms of student government, and the development of the future growth of Edinboro State College.

He is a man dedicated to the academic life, a tireless advocate of personal involvement in the religious and civic affairs of one's community, and an educator who visibly believes in and practices total individual professional commitment.

EDINBORO STATE COLLEGE'S ATHLETIC PROGRAM

Intercollegiate athletics play an important role in the total educational program of Edinboro State College. The program is so conducted as to assure wholesome use of leisure time, a healthy focal point for the experience and the expression of group spirit, and a laboratory experience for prospective coaches.

Edinboro's athletic program includes intercollegiate competition in football, basketball, wrestling, golf, track, tennis, baseball, soccer and cross country. The finest of facilities are readily being made available to accommodate these sports.

Sox Harrison Stadium, one of the most recent additions to the athletic complex which entails the northeast corner of the campus, has a seating capacity of 4,500 and provides complete track facilities along with the football playing area. A baseball diamond of major league specifications has also been completed just west of the stadium.

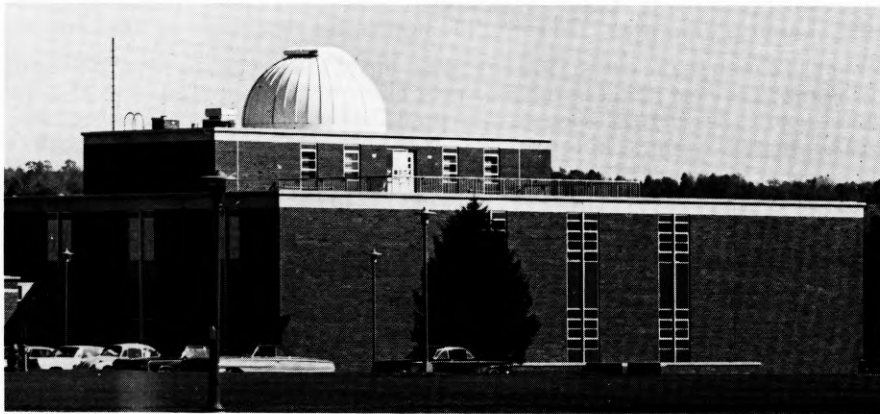

Scheduled for completion next year is the Scots' new fieldhouse. The structure will include an inter-collegiate basketball court, three intramural basketball courts, an AAU-sized swimming pool, wrestling and handball rooms, a steam room, a corrective gym, medical suite, and rifle range. Seating capacity of the sports arena will be approximately 4,500 with provisions for later expansion to 7,000 provided.

The continuing growth of Edinboro's athletic program is rapidly establishing the College as a respected collegiate competitor.
