## SCOTS STRIVE TO CONTINUE WINNING WAYS

While Edinboro State basketball opponents will notice a major change on the Scot's bench with the appointment of new coach Guy Conti, ESC's 1975-76 basketball team has a host of familiar faces still in plaid uniforms. Conti, who replaced successful 12-year mentor Jim McDonald, has nine lettermen returning from a talented squad that went 22-5 last season and made a trip to the NAIA national tournament in Kansas City, Mo., in a record-breaking year.

The major problem facing Conti is finding a group of starters from his roster that includes numerous cage standouts.

Headlining the list of returnees are a pair of All-America honorable mention winners in 6-5 senior forward Dennis Hampton and Tim Smiley, a 6-0 junior guard.

Hampton, who had to sit out last season due to a leg injury, hit the hoop at a 12.3 pace and cleared the glass at a 10.3 rate in his junior campaign.

Smiley led the team in scoring last year with his 15.3 ppg output and has pumped in 640 points during his two-year stint with the Scots. The 6-0 speedster also found time to record 78 assists and pull down 94 rebounds.

Also augmenting the Scots' point productive offense that averaged 81 markers per game is double-figure scorer Don Childs. The smooth operating 6-3 forward clicked on 49% of his tries while meshing the cords at a 10.2 rate and snared 124 caroms.

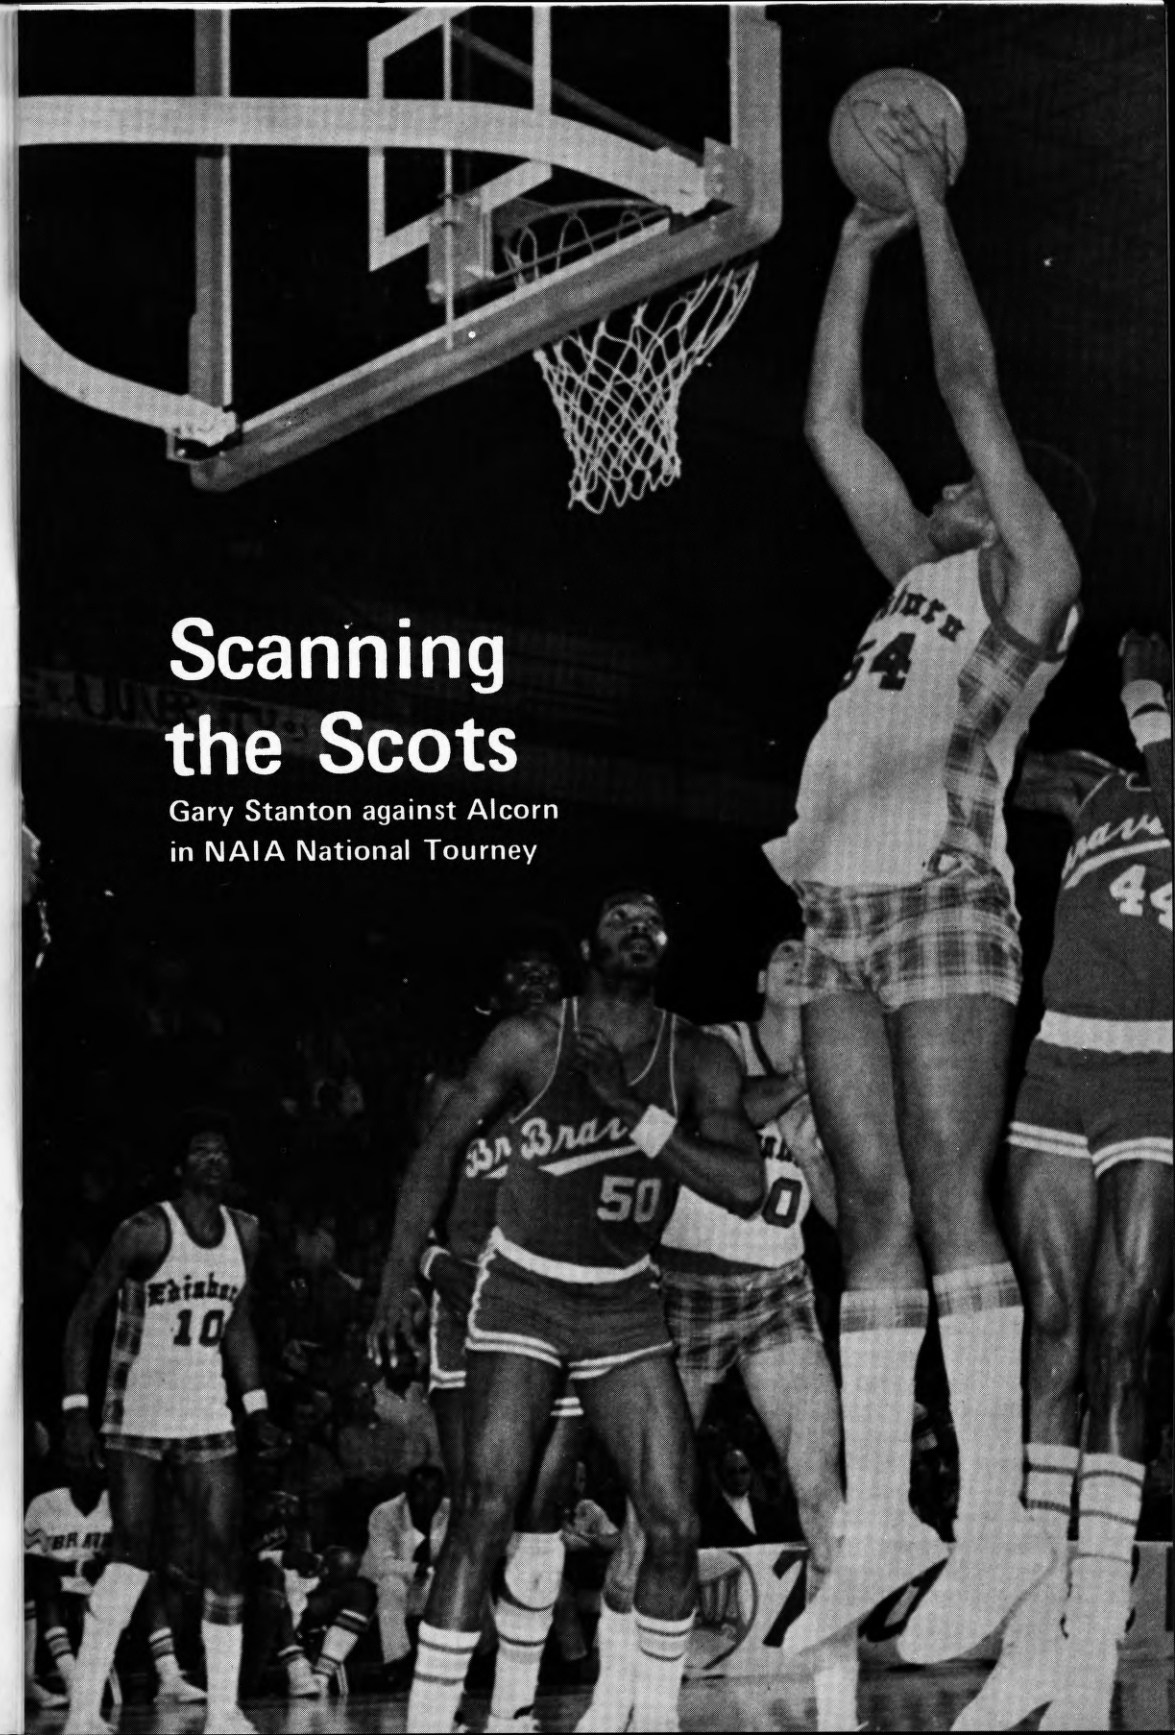

Giving the Scots added power under the boards in 6-7 sophomore Gary Stanton who paced the team in blocked shots with 30, grabbed 148 errant shots, dropped in 173 points and had a team leading 53.1 shooting mark.

Fighting Scot fans can continue to expect the same exciting, sparkplug play from 6-2 senior Bill Lentz and 6-3 junior Alonzo Craig whose versatility make them effective at either guard or forward slots. Lentz fired in 118 points as ESC's top reliever last year, while Craig contributed 126.

Still to be reckoned with at the playmaker slot is 5-11 junior Glenn Lett, another century-plus scorer who's being challenged by junior college transfers 6-2 Harry Ley and 6-2 Bob Dillard, along with 6-3 junior Fred Simmons. Lett was not only superb leading the Scot offense, but was one of the team's defensive leaders. Trying to fight his way into this group of seasoned guards is the Scot's top freshman recruit, 6-2 Stan Trivelli, one of the leading offensive performers in Northeastern Ohio last year with his 25.7 points per game average.

Waiting to prove themselves under the boards are 6-10 senior Brad Draper, 6-7 senior Ron Beckett, 6-8½ junior Tom Craig and 6-4 sophomore Jerome Thomas.

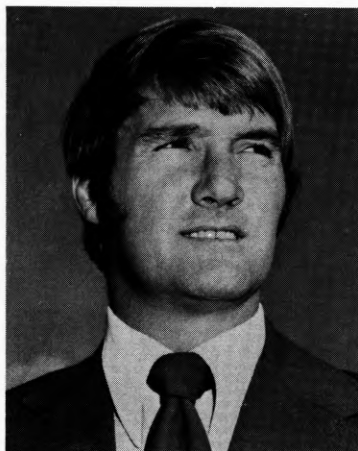

A trio of regular season tournaments on foreign hardwoods will also sternly test the Scots who have only 10 home dates on their 24-game schedule.

## A NEW FACE . . . A NEW CHALLENGE

Head Coach Guy Conti

Making his debut in the college coaching ranks is Freeport, Pa. native, Guy Conti, who has been a member of the ESC athletic staff since 1970. Conti has served as the Scots' head baseball coach in 1970 and 1971 and as assistant football coach for the past four seasons.

His stints in both sports have demonstrated his outstanding ability as both a coach and a recruiter at the collegiate level. In his two years as the Scots' diamond mentor, Conti assembled a talent-laden team that recorded consecutive record-breaking seasons, giving Edinboro its best finishes in the school's baseball history. He quickly climbed the ladder in ESC's football program moving from freshman coach in his initial year, then to tutor the Scots' receivers and finally to direct the ESC backfield as offensive coordinator for the past two campaigns. During his two years of grooming the Scots' offense, Edinboro finished with a very respectable 9-6-3 slate.

A graduate of Clarion State College, Conti has had outstanding careers both as a player and a coach in several different sports. The versatile athlete spent a professional baseball stint with the Houston Astros organization as a catcher and was an outstanding football player at Freeport High and Clarion State where he played quarterback.

Conti, his wife, Janet, and their children, Kim, Curt, Craig and Kelly, reside in Edinboro.

### ASSISTANT COACHES

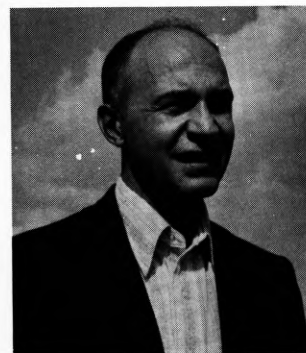

Both John Furcron and Paul Siegel will be serving their first years in Edinboro State's basketball program. A native of Wilmington, Ohio, Furcron holds a B.S. degree from Bowling Green, along with a master's and doctorate from West Virginia University. At Bowling Green, he was selected MVP as a senior halfback on the Fulcans' 1958 football team. Prior to his arrival at Edinboro, Furcron spent nine years teaching in the Elyria, Ohio public schools system. Two years ago, he stepped in to guide the Scots' soccer team to an 8-3-1 season and the NAIA District 18 championship. He, his wife, Gloria, and their two children, Angela and John, make their home in Edinboro.

Paul Siegel, a graduate of Clarion State and a master's degree holder from W. Va. University, is not new to the cage ranks where he has piled up 111 wins and 67 losses in eight years as a head coach. He served as an assistant at both East Brady and Lower Dauphin high schools before being named head mentbr at Youngsville in 1966 where he won the league title in 1968. He was appointed head coach at Erie's McDowell High in 1969 and won the school's only section and district championship in 1971. Siegel, his wife, Judy, along with their three children, Paul, Pam and Julie, reside in Fairview Township.

## THE TEAM BEHIND THE TEAM . . .

Bob Klingler

Paul Newman

Al Hall

### AL HALL – ATHLETIC DIRECTOR

Since Al Hall's appointment as Athletic Director in 1968, Edinboro State has enjoyed one of the most successful collegiate athletic programs in the East. Through his efforts, ESC has become a focal point for athletics in Northwestern Pennsylvania and has hosted numerous championship events. Typical of this was the designation of Edinboro as the site for the 1972 National YMCA Diving and Swimming Championships, the largest swimming meet in the world. Under his leadership, ESC's sports program has vastly expanded and attained new memberships in the ECAC and NCAA while building a coaching staff that has compiled the College's best record in history. Al's selection to numerous sport committees in the Erie area along with posts in both the ECAC and Pennsylvania Conference bear out his dedication to the world of athletics. A graduate of Baldwin-Wallace College, he served as Assistant Director of Athletics at Akron University for two years and piloted Akron's cross country teams to championship finishes for 12 seasons. Al, his wife, Pam, daughter, Beth, and their son, Dale, reside in Edinboro.

### PAUL NEWMAN – SPORTS INFORMATION DIRECTOR

Paul Newman began his duties eight years ago as ESC's first Sports Information Director and now also serves as Assistant to the President for External Affairs. Paul is a 1964 graduate of Edinboro where he earned both his B.S. degree and M.Ed. while majoring in English. Prior to joining the Scots, he held a teaching position in Ashtabula, Ohio, for three years. In connection with his duties, he is also the District 18 Publicity Chairman for the National Association of Intercollegiate Athletics and recently completed a two-year term as President of the NAIA's Sports Information Directors' Association. Paul, his wife, Connie, and their children, Paul Jr., Michele and Scott, make their home in Edinboro.

### BOB KLINGLER – TEAM TRAINER

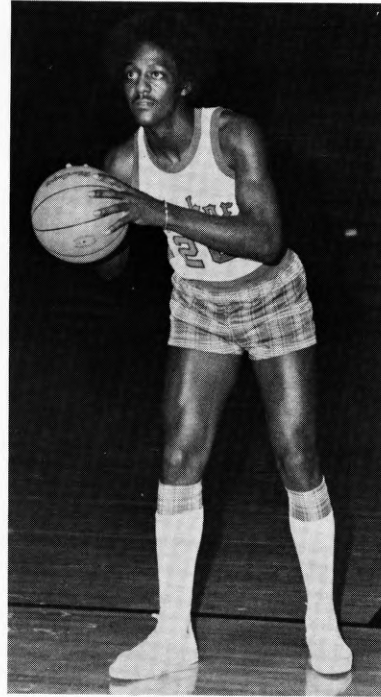

Giving Fighting Scot athletes the tops in professional medical care and producing top-notch staffs of student trainers has been the trademark of trainer Bob Klingler who begins his ninth season at Edinboro State. The 1952 Lock Haven grad ventured to Hermann School of Physical Therapy in Houston, Texas and became a registered physical therapist in 1954. He later received his M.S. from Bucknell. Prior to accepting his ESC post, Klingler taught at Milton Hershey, a private boys' school in Hershey, Pa., where he served as the Spartans' head football mentor, head track coach and assistant basketball coach. Both his cinder and cage teams never experienced a losing season, while his grid teams continually posted successful campaigns in the powerful Capitol Area Conference. Bob, his wife, Jill, and daughter, July, make their home in Washington Township.

Always seems to come up with the big play in the clutch . . . Look for him to be one of the major steadying forces in this year's cage edition . . . Comes into a game giving 100% hustle . . . His late game heroics have notched numerous ESC successes on the hardwoods . . . Owns three varsity letters, the most on the team. . . Deceptively quick along the baseline where he has slipped inside to surprise opposing big men with reverse layups . . . Has pumped in 319 points to average better than 100 markers per season in a "super-sub" role . . . Pulled away 190 rebounds in 63 varsity tries . . . Had one of his best performances against St. Vincent last year when he led the Scots to victory with his 17 markers . . . Without question is the best leaper on the team . . . Could be one of the major bright spots in the Scots' future cage campaigns . . . Played under Ed McCluskey at Farrell High School on teams that won two WPIAL, two sectional and one state championship . . . Averaged 15 points per game and 12 rebounds per contest during his senior year on a Farrell team that finished 24-3 . . . The only thing holding him back from a starting spot is experience that many of the other Scots have acquired through junior college play . . . Not only can get off the floor, but is also aggressive and physical around the rim which makes him a strong leaper.

Coach Conti feels it's just a matter of time before he works himself into regular playing time under the boards . . . Leading scorer and rebounder at Philadelphia Community College where he was first team all-conference . . . Was an All-Tourney pick after tossing in 29 points and 24 rebounds . . . **22-23 RON BECKETT\*\***  
F-C, 6-7, 185, Sr., Elyria, O.

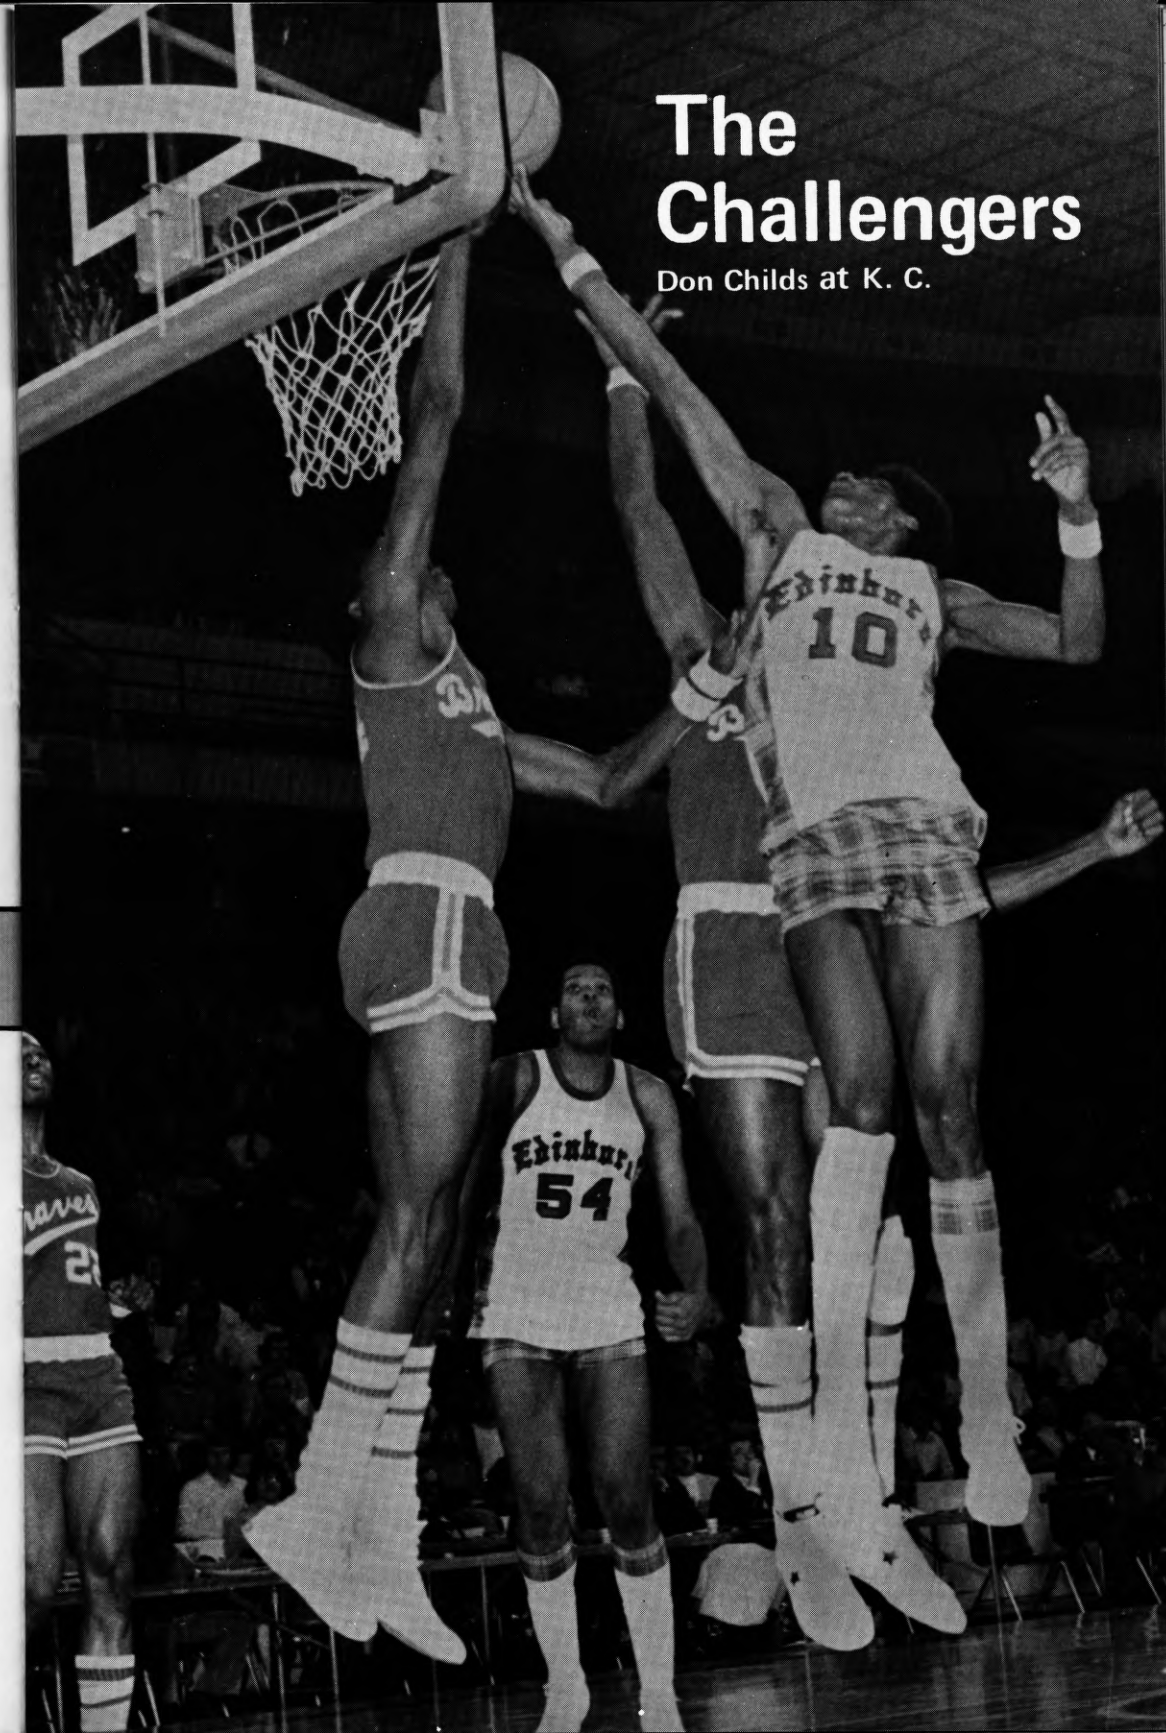

Coming back to the Fighting Scot camp after a year's layoff . . . Could provide valuable experience and talent underneath the hoop where ESC is searching for an additional capable performer . . . Will surprise opponents with his outside shooting and can get off the floor with the best of them . . . Appears to have found himself in early season practice sessions . . . Possesses a wealth of ability which combined with determination could earn him a lot of varsity time . . . Many remember him as 'the Scots' tallest guard ever when he performed in that position as a freshman . . . Sparkled as a frosh starter when he blitzed the hoop at a 10.1 pace and swept the glass at a 7.5 clip during his first 10 games until he was forced out of action for the remainder of the season because of back injury.

## TOURNAMENTS

### Ferraro Ford Erie Classic – November 28–29, Allegheny Invitational – December 5–6, West Virginia Wesleyan Tournament – January 5–6

The Fighting Scots will be involved in the most regular season tournaments they have ever competed with appearances in three separate tourneys slated. The Scots will waste no time in tipping off the season with a tourney appearance at the Ferraro Ford Erie Classic on November 28–29. The four-team field consists of West Georgia, NAIA national champions two years ago; Salem of West Virginia, a team that returns the leading scorer in the nation of a year ago in guard Archie Talley; Mercyhurst with 6-9 All-American Jesse Campbell; along with the Scots. Edinboro will tip off the fray in a 7:00 o'clock encounter against the host school, Mercyhurst Lakers.

A week later on December 5–6, ESC will find itself opening the action for a second tournament when the Scots vie in the Allegheny Invitational at Meadville, Pa. The men in plaid take on Frostburg State of Maryland in the lid-lifter at 7:00 o'clock, while Allegheny battles Geneva in the Second game.

The Scots will have nine games under their belts when they hit their first action in 1976 with a trip south to West Virginia to participate in the West Virginia Wesleyan Tournament on January 5–6. For the third straight time, the Scots will be tipping off tourney action. Edinboro State will match baskets in a 7:00 o'clock encounter with Alderson-Broadus College. The following game will pit the host team, West Virginia Wesleyan, against another Keystone State entrant, St. Vincent College, a squad that the Scots will have already played midway through December. Wesleyan is tabbed as the team to beat with Coach Gary Hess returning a front line of 6'8", 6'7" and 6'6" from a team that was 15–2 a year ago.

## EDINBORO STATE ALL-AMERICANS

Dan Petchel (F) 1964-65

Darryl Meachem (F) 1965-66

Frank Smith (F) 1967-68, 1968-69

Fred Riley (G) 1971-72

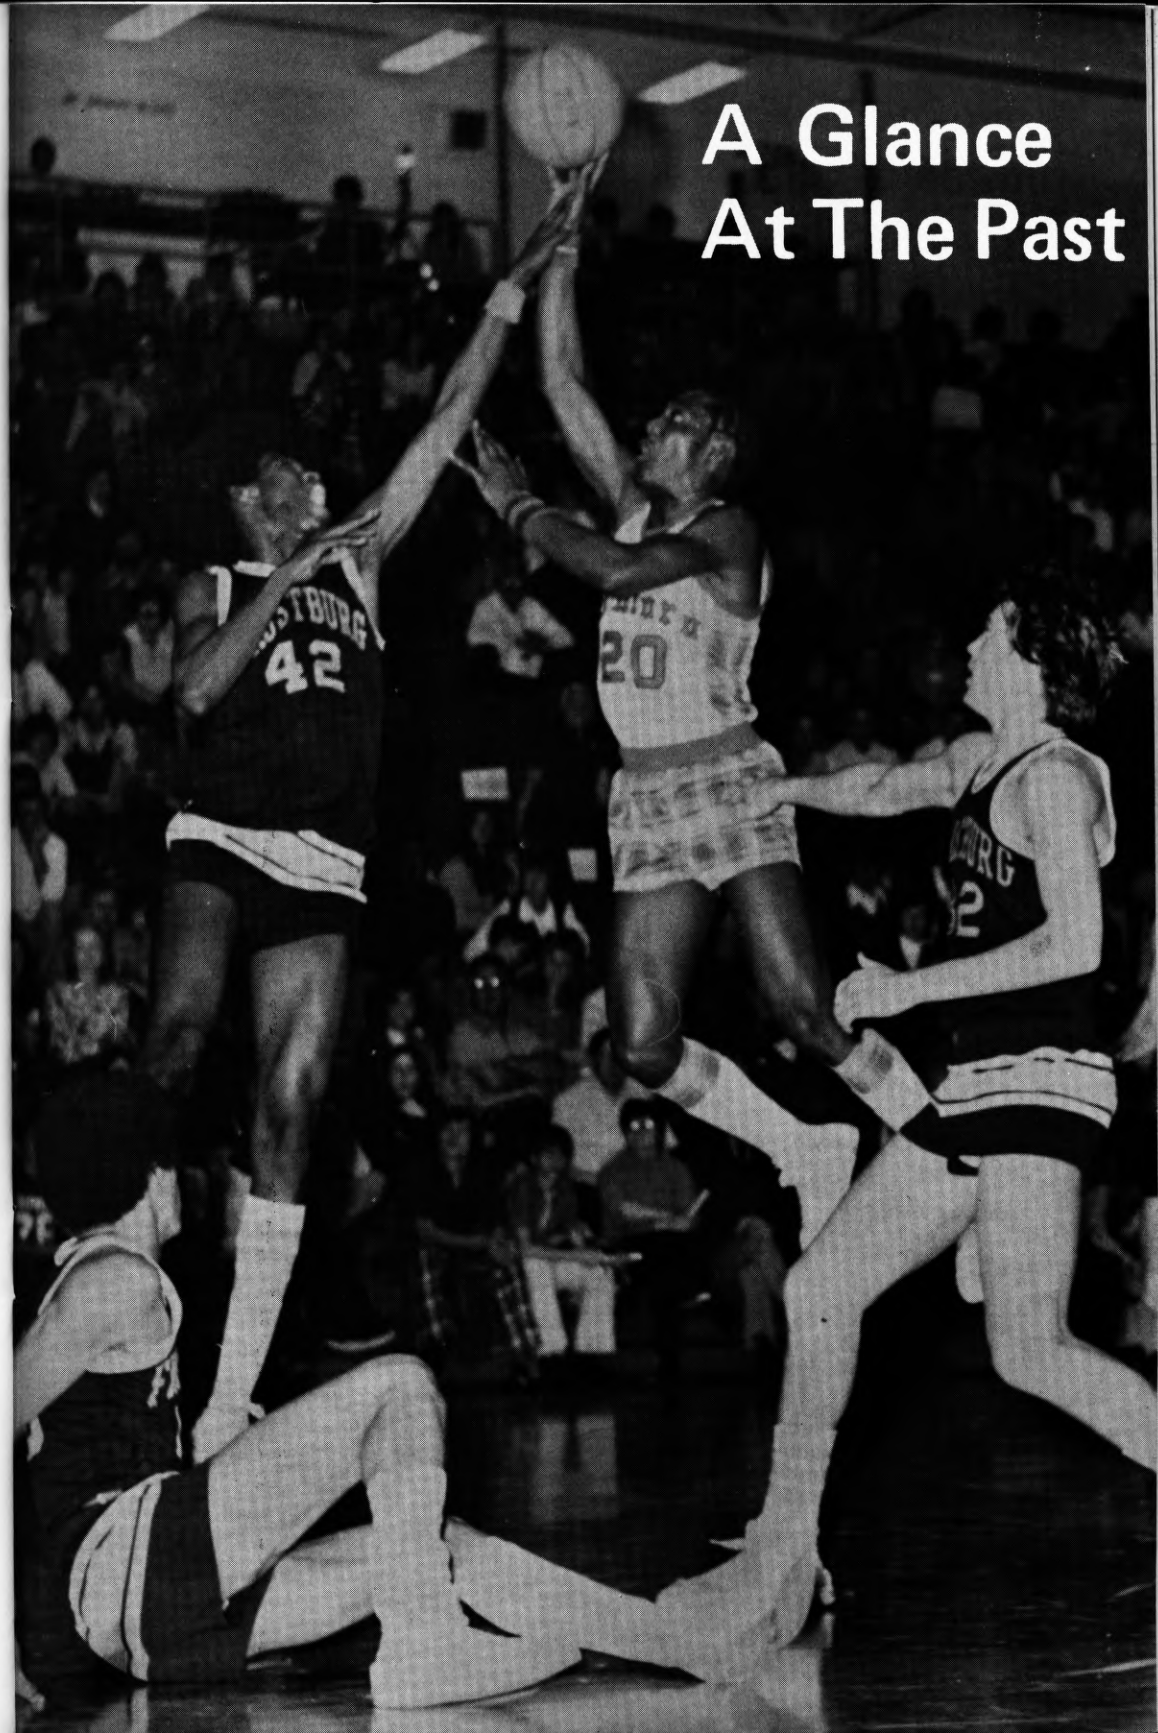

Edinboro State's four All-American winners have been traditionally prolific scorers for the Fighting Scots. Three forwards and a guard comprise the quartet which was groomed by Jim McDonald for their national honors on the Edinboro hardwoods.

Dan Petchel ranks as the second all-time scorer in ESC's cage history with his 1,344 career points while Fred Riley and Frank Smith hold down the number three and four spots on the scoring list with their respective 1,279 and 1,225-point outputs. Darryl Meachem ranks seventh among the all-time top scorers with his 881 tallies.

In the rebounding department, Meachem and Petchel are two of the college's top three career rebounders with 897 and 744, respectively. Meachem pulled down 393 rebounds for a school record established during the 1965-66 season.

Smith owns two individual scoring records. His 54-point output against Fredonia in the 1966-67 season earned him the most points scored in a single game record. The 6-1 forward compiled the most field goals scored in a single game record with 21 two-point markers against Waynesburg in the same season and 21 against Kenyon in 1969.

## EDINBORO STATE COLLEGE . . .

Edinboro President — Dr. Chester T. McNerney

From its beginning as a private academy in 1856, Edinboro State College has surged to the forefront as one of the leading educational institutions in Western Pennsylvania. Located just 15 miles south of Erie, Pa., the College's setting offers a contrast of seasons. Enhanced by the beauty of Edinboro Lake, the community serves as a resort center during the summer while numerous nearby ski slopes offer a variety of recreation in the picturesque winter months. The College's location enables it to readily serve the tri-state area with its proximity to Pittsburgh, Pa. (125 miles), Cleveland, Ohio (100 miles) and Buffalo, New York (120 miles). Moreover, it is easily accessible from the north and south by Interstate 79 and east and west by Interstate 90.

Until recently the chief objective of the College was the education and preparation of classroom teachers for the schools of the Common-

wealth. With the implementation of programs in arts, sciences and humanities, Edinboro has now become a multi-purpose institution of higher learning serving the educational needs of a tri-state area.

The College has experienced a rapid growth rate in students, faculty and physical plant. Forty buildings cover the 585-acre campus which now services more than 7,000 students.

In its university oriented role, the College makes contributions in the fields of education, government, conservation, environmental improvement, urban and rural problems, crime prevention, and service to business and industry. Edinboro seeks to offer educational programs which will afford maximum opportunities to its potential students and to meet the educational needs of its region from a professional and a cultural standpoint.

With the addition of the liberal

arts degree program in 1962, the College's curriculum has expanded to include numerous course selections. Curricula range from elementary and secondary education, special fields in art, library science, music and special education to medical technology.

Student activities are designed to develop the personality, poise, self-confidence and professional awareness that will fit graduates for significant participation in American society.

The College stresses friendly relations among students and faculty, as well as active student participation in decisions affecting them. Quality education has been an Edinboro tradition for more than a century as graduates have distinguished themselves in the professions, business and industry.

With the appointment of Dr. Chester T. Mc Nerney as Edinboro State's President in 1966, the College has undergone innovations and reorganization that have enabled the College to keep in step with the times and maintain its academic excellence.

Edinboro State College is at the brink of a new era and has taken the initiative for a new direction among the state colleges of Pennsylvania. The College plans to offer programs in such diverse fields as international education, business administration and engineering to meet its leadership responsibilities in the years ahead.

Keeping pace with the College's academic progress has been a building program which has dramatically changed the physical appearance of the campus over the past decade. Included among the additions are a nine-acre lake, an athletic complex, dormitory quadrant and new student services facilities such as a student union, dining hall and health center. Scheduled for completion in the near future are a new library and administration building.
