CONTI CONTINUES WINNING TRADITION

Head Coach Guy Conti

Guy Conti stepped into the cage-coaching ranks a year ago and his efforts in basketball followed the same pattern of his past endeavors — successful. The Freeport, Pa., native directed the Fighting Scots to their best season in history with a 24–5 record while grabbing the PC's Western crown, the district championship, three tourney titles and a trip to the NAIA National Tournament in Kansas City. His team also cracked the record for consecutive victories with 13 straight successes.

Prior to his basketball tutorship, Conti was the Scots' head baseball coach before serving as assistant football coach for four seasons. In his two years as the Scots' diamond mentor, Conti assembled a talent-laden team that recorded consecutive record-breaking seasons, giving Edinboro its best finishes in the school's baseball history. He quickly climbed the ladder in ESC's football program moving from freshman coach, then to tutor the Scots' receivers

and finally to direct the ESC backfield as offensive coordinator in his last two campaigns. During his two years of grooming the offense, Edinboro finished with a very respectable 9-6-3 slate.

A graduate of Clarion, Conti has had outstanding careers both as a player and a coach in several different sports. The versatile athlete spent a professional baseball stint with the Houston Astros organization as a catcher and was an outstanding football player at Freeport High and Clarion State where he played quarterback.

Conti, his wife, Janet, and children, Kim, Curt, Craig and Kelly, reside in Edinboro.

ASSISTANT COACHES

Both John Furcron and Paul Siegel begin their second year in ESC basketball and are joined by newcomer Larry Seneta. A Wilmington, Ohio, product, Furcron owns a B.S. degree from Bowling Green, along with a master's and doctorate from West Virginia University. He came to Edinboro after teaching 9 years in the Elyria, Ohio, school system and stepped in to guide ESC's soccer team to their first NAIA district title. He and his wife, Gloria, and their children, Angela and John, reside in Edinboro.

Paul Siegel, a Clarion graduate, had an outstanding scholastic coaching record (111–67) and came to the Scots from Erie's McDowell High after the team won the school's only section and district togas. Siegel, his wife, Judy, along with their three children, Paul, Pam and Julie, live in Fairview.

Larry Seneta joins the Scot ranks after a most successful coaching post at Girard High for 9 years. He had a superb baseball career at Youngstown State which resulted in pro contracts with the Detroit Tigers and Texas Rangers. Seneta lives in Girard with his wife, Floris, and children, Shelly, Lori, Larry, and Stacie.

Assistants: Paul Siegel, John Furcron and Larry Seneta.

"CARDIAC KIDS" - THEY CAN MAKE IT HAPPEN

When Edinboro State coach Guy Conti reflects on his first year as a college mentor, he finds his debut a tough act to follow. As a matter of fact, the toughest thing facing ESC's 1976–77 cage edition is repeating the winning ways of the past pair of seasons.

The Fighting Scots have piled up an outstanding 46–9 record over the past two seasons, along with back-to-back trips to the NAIA national finals in Kansas City, Mo.

In his first year at the helm, Conti saw his men post a record-breaking 24–5 ledger, claim the Pennsylvania Conference Western Division title and the NAIA District 18 championship before bowing out in the second round of the NAIA national playoffs.

Appropriately nicknamed the "Cardiac Kids" because of their numerous close victories last season, the Scots will be battling to post impressive margins of difference this campaign. Helping that cause are five of last year's top seven players to counter the challenges of a tough, 23-game schedule.

Edinboro will once again be able to rely on the quickness and outside shooting of All-America Honorable Mention guard Tim Smiley who led the Scots' scoring attack with a 17.5 average. The 6–1 Indiana product tossed in a record-shattering 508 points last year and currently ranks seventh on the all-time scoring list with 1,148 markers.

Complementing him is Bob Dillard who has been moved to the shooting guard spot, while Smiley brings the ball down the court as the playmaker. He is undoubtedly one of the club's top defensive players among the guard ranks which are backed up by the freshman duo of Mike Franklin and Jeff Patton. Both have had brilliant scholastic careers and could get plenty of varsity experience in their frosh debuts.

Still on tap is sparkplug Alonzo Craig who hit the hoop at an 11.0 clip last season and has the ability to break any tight ball game wide open. A "sixth starter," he could provide the leadership to give a third straight trip to the national tourney.

The men in plaid have undoubtedly one of the District's finest big men in 6-7 Gary Stanton who is both strong off the boards and accurate around the basket. Stanton pulled away 217 rebounds in his sophomore stint, while canning 10.6 points per game to round out a quintet of ESC double digit scorers.

Destined for another starting role is 6-7 Ron Beckett who turned around from a seldom-used, reserve role to a starting post late in the year. His last second heroics were instrumental in key season-ending victories.

Talent continues to abound underneath the boards with 6-8 backup center Tom Craig, 6-4 Jerome Thomas, 6-4 Randy White and 6-6½ transfer Jesse Harris waiting in the wings. Any one of the foursome could challenge for a starting berth. Rounding out the roster as replacements are 6-4 Rick Bell, 6-5 Don Lovett, 6-4 Jim Wimbly and 6-4 Algernon White.

Ron Beckett, Alonzo Craig and Tim Smiley have been tagged tri-captains to lead the Scots back down the hectic cage campaign trail.

SHEPHERD INVITATIONAL TOURNAMENT

January 5-6 at Martinsburg, W. Va.

The Fighting Scots will bounce the basketball over the semester break at the Shepherd Invitational Tournament which features Monmouth College from New Jersey, Wheeling College of West Virginia and the host school, Shepherd. The Scots tip off the tourney in a 9:00 p.m. encounter against Wheeling.

The pre-tourney favorite is Shepherd, a club that went 33–3, two of those losses going to nationally ranked Fairmont State, the West Virginia Conference champions. The Rams were lodged in the runner-up spot of the WVIAC and return five lettermen for the 1976–77 campaign. Most prolific is returning guard Rodney Sewell, a 6-1 senior who blistered the nets at a 25.0 pace last year.

Monmouth also brings an impressive set of credentials with a 22–5 log and a berth in the NCAA playoffs a year ago. The Pioneers depend on the inside game of 6-7 Bob Wymbs who netted 16 points per game and 9.4 rebounds last season and the outside fire power of 6-2 guard Bill Terry, a 16.2 points per game scorer.

Edinboro's opponent, Wheeling College, also had impressive stats with a 24–11 overall card and a third place finish in the West Virginia Conference behind Shepherd and Fairmont last year. The high-flying Cardinals have 6-7 Leroy Wilson underneath the hoop and 6-1 senior Rod Gaddy, the team's leading scorer, back to haunt opposing cagers.

Since All Hall's appointment as Athletic Director in 1968, Edinboro State has enjoyed one of the most successful collegiate athletic programs in the East. Through his efforts. ESC has become a focal point for athletics in Northwestern Pennsylvania and has hosted numerous championship events. Typical of this was the designation of Edinboro as the site for the 1972 National YMCA Diving and Swimming Championships, the largest swimming meet in the world. Under his leadership, ESC's sports program has vastly expanded and attained new memberships in the ECAC and NCAA while building a coaching staff that has compiled the College's best record in history. Al's selection to numerous sport committees in the Erie area along with posts in both the ECAC and Pennsylvania Conference bear out his dedication to the world of athletics. A graduate of Baldwin-Wallace College, he served as Assistant Director of Athletics at Akron University for two years and piloted Akron's cross country teams to championship finishes for 12 seasons. Al, his wife, Pam, daughter, Beth, and their son, Dale, reside in Edinboro.

EDINBORO STATE ALL-AMERICANS

Dan Petchel (F) 1964-65

Frank Smith (F) 1967-68, 1968-69

Edinboro State's four All-American winners have been traditionally prolific scorers for the Fighting Scots. Three forwards and a guard comprise the quartet which was groomed by Jim McDonald for their national honors on the Edinboro hardwoods.

Dan Petchel ranks as the second all-time scorer in ESC's cage history with his 1,344 career points while Fred Riley and Frank Smith hold down the number three and four spots on the scoring list with their respective 1,279 and 1,225-point outputs. Darryl Meachem ranks seventh among the all-time top scorers with his 881 tallies.

Darryl Meachem (F) 1965-66

Fred Riley (G) 1971-72

In the rebounding department, Meachem and Petchel are two of the college's top three career rebounders with 897 and 744, respectively. Meachem pulled down 393 rebounds for a school record established during the 1965-66 season.

Smith owns two individual scoring records. His 54-point output against Fredonia in the 1966-67 season earned him the most points scored in a single game record. The 6-1 forward compiled the most field goals scored in a single game record with 21 two-point markers against Waynesburg in the same season and 21 against Kenyon in 1969.

Once again, Cheyney State with virtually its entire squad from last year is favored to repeat not only as kings of the East, but as Pennsylvania Conference champions, too.

Kutztown and Bloomsburg have the veteran squads and experience to be contenders, while Millersville should not be far behind. There is little difference in the rest of the pack with Mansfield, Shippensburg and East Stroudsburg flooring young clubs in the throes of rebuilding programs.

Edinboro State, defending PC Western Division champion, is expected to get a stern challenge from Clarion, along with rugged tests on home courts from the remaining conference foes as the Scots bid for their third straight loop crown.

Both Clarion and Edinboro have veteran squads back on the floor to be the class of the West. Lurking in the wings are a veteran-laden Indiana five, a surprising Slippery Rock quintet, a superbly coached Lock Haven squad and an always dangerous California roundball edition.

EDINBORO STATE COLLEGE...

Edinboro President - Dr. Chester T. McNerney

From its beginning as a private academy in 1856, Edinboro State College has surged to the forefront as one of the leading educational institutions in Western Pennsylvania. Located just 15 miles south of Erie. Pa., the College's setting offers a contrast of seasons. Enhanced by the beauty of Edinboro Lake, the community serves as a resort center during the summer while numerous nearby ski slopes offer a variety of recreation in the picturesque winter months. The College's location enables it to readily serve the tri-state area with its proximity to Pittsburgh, Pa. (125 miles), Cleveland, Ohio (100 miles) and Buffalo, New York (120 miles). Moreover, it is easily accessible from the north and south by Interstate 79 and east and west by Interstate 90.

Until recently the chief objective of the College was the education and preparation of classroom teachers for the schools of the Common-

wealth. With the implementation of programs in arts, sciences and humanities, Edinboro has now become a multi-purpose institution of higher learning serving the educational needs of a tri-state area.

The College has experienced a rapid growth rate in students, faculty and physical plant. Forty buildings cover the 585-acre campus which now services more than 7,000 students.

In its university oriented role, the College makes contributions in the fields of education, government, conservation, environmental improvement, urban and rural problems, crime prevention, and service to business and industry. Edinboro seeks to offer educational programs which will afford maximum opportunities to its potential students and to meet the educational needs of its region from a professional and a cultural standpoint.

With the addition of the liberal

arts degree program in 1962, the College's curriculum has expanded to include numerous course selections. Curricula range from elementary and secondary education, special fields in art, library science, music and special education to medical technology.

Student activities are designed to develop the personality, poise, self-confidence and professional awareness that will fit graduates for significant participation in American society.

The College stresses friendly relations among students and faculty, as well as active student participation in decisions affecting them. Quality education has been an Edinboro tradition for more than a century as graduates have distinguished themselves in the professions, business and industry.

With the appointment of Dr. Chester T. McNerney as Edinboro State's President in 1966, the College has undergone innovations and reorganization that have enabled the College to keep in step with the times and maintain its academic excellence.

Edinboro State College is at the brink of a new era and has taken the initiative for a new direction among the state colleges of Pennsylvania. The College plans to offer programs in such diverse fields as international education, business administration and engineering to meet its leadership responsibilities in the years ahead.

Keeping pace with the College's academic progress has been a building program which has dramatically changed the physical appearance of the campus over the past decade. Included among the additions are a nine-acre lake, an athletic complex, dormitory quadrant and new student services facilities such as a student union, dining hall and health center. Scheduled for completion in the near future are a new library and administration building.

One of the finest athletic facilities in northwestern Pennsylvania services the Fighting Scots' basketball, wrestling and swimming teams. The new structure has a seating capacity in the gymnasium area for 4200 fans while the natatorium seats 500 spectators. Underwater sound and lighting systems are featured in the pool area as well as four underwater viewing ports. Adiacent to the swimming area is a separate diving tank with one and three meter diving boards. The electrically operated bleachers can be rolled back in a matter of minutes to expand the available floor space into three basketball courts for intramural usage. The athletic complex has already become a favorable site for both high school basketball and wrestling championships. A 680-car parking lot is conveniently located next to the fieldhouse to accommodate team followers. Additional attractions include office facilities for members of the Health and Physical Education Department, locker room space for 1,000 students, an equipment room and two classrooms.
