## Edinboro Entertains California

### The Game

The nationally-ranked Fighting Scots battle the Vulcans of California University. Edinboro looks for its sixth consecutive win in a contest sponsored by Walker Brothers Buick/Chevrolet.

### The Records

Edinboro has reeled off five straight wins since its opening loss to Ferris State (23-9) and stands at 5-1, 3-0 in the Pennsylvania State Athletic Conference Western Division. California is 2-5, 0-2.

The Scots own wins over Elizabeth City (34-27), Buffalo (28-10), Clarion (28-0), Lock Haven (52-20) and Shippensburg (34-17) and are tied atop the western division with IUP and Slippery Rock.

Cal started the year 2-1, with a 31-23 setback against West Virginia Wesleyan sandwiched between victories over West Liberty (43-32) and Fairmont State (31-16). The Vuls come in with consecutive losses to Kutztown (31-28), East Stroudsburg (9-6), Slippery Rock (40-30) and IUP (52-13).

### The Series

Edinboro is on the short end with Cal holding a 32-25-2 edge. The Scots have won five straight over the Vuls and seven of the last ten games. Cal's last win came at Sox Harrison Stadium, 28-17, in 1987. In 1992, the Boro gained a 33-13 edge in Cal.

### The Coaches

Edinboro's Tom Hollman is in his sixth season and owns a school-record winning percentage of .705 (42-17-2). His western division mark is a sparkling 25-6-1 (.797). He was named the PSAC and East Region Coach of the Year in 1989.

California counters with first-year coach Kevin Donley (2-5). Donley's 16-year collegiate coaching mark of 105-56-1 includes 11 banner seasons at Georgetown College (Kentucky). He enters the season as Division II's 13th winningest coach.

### The Offenses

The Scots have turned their attention back to 1992 PSAC West Player of the Year Larry Jackson. The junior tailback has carried the ball 51 times for 366 yards in the last two games. For the year, Jackson stands sixth best in the PSAC, averaging 100.4 yards per game and totals 502 yards on 83 carries. His 6.1 yards per attempt is best among the 14 conference schools. He has rushed for four scores. Fullback Tom Tedder (25, 87, 4 TDs) clears the way and owns four touchdowns. Chris Snyder (12, 37, 1 TD) spells Tedder.

Quarterback Jody Dickerson will get his 29th consecutive start today. Starting since he was a freshman, Dickerson boasts an impressive 20-7-1 slate as the Boro's general. The PSAC's third-rated passer, he has connected on 66 of 130 passes for 1,092 yards, ten scores and six interceptions. A host of quality receivers include Marcus Griffin (18, 259, 2 TDs), Scott Mikowicz (16, 274, 1), David Ashton (13, 193, 1) and Lateef Walters (6, 154, 1, 25.7 YPC). Eight Scot receivers own touchdowns in 1993. Clearing the way continue to be All-American tackle Mike Kegarise and mate Tony Tighe, guards Jeremy O'Day and Det Betti and center Gordie Hitchcock.

California opens with a potent 11 of their own, led by wide out Ken Cahoon, who leads the PSAC in yards per game receiving at 101.9. He owns 40 catches for 713 yards and three touchdowns in the Vuls' run-and-shoot attack. Quarterback duties are split between Dan Pifer (99-188-1,214, 8 TDs, 9 INTs) and Todd Hirt (31-69-507, 3, 3). Other pass catchers include end Fred Temoney (19, 393, 1) and fullback Scott Hoover (25, 186, 2). Back Eric Carter (98, 491, 5 TDs) and Hoover (45, 167, 1) solidify the ground attack.

### The Defenses

The Scots lead the PSAC with 15 interceptions, paced by All-American linebacker Jason Perkins' three picks. The Boro defensive captain owns 406 career stops, just the fourth Scot ever to achieve the 400 plateau. Perkins leads the squad with 65 tackles, including a team-high nine for loss. He also owns a fumble recovery and a blocked extra point. Joining Perkins at linebacker will be Michael Edwards, second on the squad with 62 stops. Brian Lambert (31) and Rahshahn Alston (34) split duties at the weak side linebacker position.

Up front, last week's PSAC honor roll choice Pat Schuster leads the charge. The Boro's heavyweight wrestler-turned-defensive end leads the Scots with eight sacks and has been in on 43 tackles. End Devas Simmons (28) and tackles Rob Harmer (27, 5 sacks) and Russell Cray (40) round out a solid front four.

The secondary is anchored by veterans Steve Russell and Mario Houston and newcomers Marty Williams and Rick Walker. Russell is tied with Perkins with three picks and owns 11 career interceptions, just two off the school record. Russell has been in on 26 tackles while Houston's 46 jolts is third on the team. Houston also owns a score, one interception and two fumble recoveries. Williams has registered 34 stops and two interceptions while Walker has added 19 tackles and one pick from his free safety spot.

Cal looks to pre-season All-American linebacker John McGowan (69 stops) to anchor the defense. End Brian Ward (50) leads the team with seven sacks while veteran Wayne Hixenbaugh (23, 3.5 sacks) will give the Scots a test up front. Defensive back Tracy Latham (66, 3 INTs) is one of the best in the PSAC at his position.

### Special Teams/Kicking Game

The Boro looks to PSAC leader Gary Lhotsky (40 YPP) to handle the punting chores while Scott Rupert (24-25 PATs; 3-7 FGs) is the place-kicker. Damien Kozel (33.9 YPP, 15-17 PATs, 3-7 FGs) owns both jobs for the Vuls.

The Scots feature punt returner Marcus Griffin (6.8 YPR) and Steve Russell (21.7 YPR) handles kickoff returns while Cal counters with Ken Cahoon (8.0, 19.8) to bring back both punts and kickoffs.

Standing with a +6 (22 takeaways, 16 turnovers), the Scots rank fifth best among the fourteen conference schools, while California is at -2 (seventh in the PSAC).

### Next Week

Edinboro travels for its final regular season road contest at Slippery Rock while California returns home to battle Clarion.

## President Foster F. Diebold

Foster F. Diebold

Now in his fourteenth year as president of Edinboro University of Pennsylvania, Foster F. Diebold is the fourteenth chief executive officer of the institution of higher learning that has come to acclaim in the last decade as one of Pennsylvania's and the nation's finest. He has brought a vigorous educational and moral leadership, a strengthening of the spirit of community, a clear sense of direction and purpose, and a dimension of multicultural pluralism and diversity.

Much has been accomplished during President Diebold's tenure. The University has returned to financial health. Significant facilities and grounds improvements have been achieved, with several of the historic structures on campus restored to their original splendor. Academic programs have been emphasized and improved, with more than 100 degree offerings now available. Enrollment gains have been unprecedented in both numbers and academic quality. International linkages have been established with institutions in several other countries, and Edinboro University's program for students with disabilities continues to garner acclaim as one of the finest among all colleges and universities in the United States. Widely recognized as a leader in education both here and abroad, President Diebold has posi-

tioned Edinboro University to meet the challenges of the 1990s, as well as those that will face public higher education in the 21st century.

The Orange, New Jersey, native is a graduate of Monmouth College and also holds a master of arts in educational administration from Seton Hall University. He has met coursework requirements for a doctorate in education at Rutgers University and is currently completing the dissertation requirement for the Ph.D. program in higher education at the University of Pittsburgh.

Prior to his presidency of Edinboro University, President Diebold was president of the University of Alaska from 1977 to 1979. Before that, he was executive secretary to the Board of Regents and special assistant to the president of the University of Alaska Statewide System. From 1969 to 1976, he was director of Development and Planning at Kean College in New Jersey and a member of the graduate faculty at that institution; and from 1965 to 1969, he was assistant superintendent of the Neptune Township (New Jersey) Public Schools.

Recognized for his extensive experience in the field of education management, President Diebold's scholarly achievements in the discipline of applied ethics in higher education deserve special mention. The model statement he authored for the American Association of State Colleges and Universities, "Ethical Practices for College Presidents," was unanimously adopted by that professional organization and published as policy for the chief executives of its nearly 400 member institutions nationwide. It is the first formally adopted ethical practices and policy statement for higher education presidents.

For his leadership on an international scale and for his many contributions to the advancement of higher education and enrichment of an

emerging culture in Pakistan, President Diebold was decorated with prestigious gold medals from three Pakistani universities. The awards for educational eminence were presented during visits to the Edinboro campus by official Pakistani delegations.

President Diebold was also honored by the Government of Pakistan with the awarding of the degree of Doctor of Laws (*honoris causa*), presented at the Government House in the City of Karachi. The ceremony was attended by the presidents of the several Pakistani universities holding linkage agreements with Edinboro University, as well as many high-ranking officials of the Government of Pakistan and U.S. diplomatic officials.

A recently bestowed honor was President Diebold's appointment to the National Committee on U.S.-China Relations, the leading national, non-partisan, public affairs organization devoted to building constructive and durable relationships between the two countries. The appointment recognized his insight into the Chinese people and his experience with the academic linkage agreement he established with Zibo College in China's Shandong Province. Students and scholars have been at Edinboro University under terms of the formal linkage agreement since the 1986-87 academic year.

A staunch advocate of a statewide system of public universities in Pennsylvania, President Diebold supported the enabling legislation for the State System of Higher Education (Act 188 of 1982) and saw the State System come to existence in 1983 as a member of the transition team. He currently serves on the System's Executive Council of Presidents and on the boards of the Pennsylvania Academy for the Profession of Teaching, the Pennsylvania State Athletic Conference, and the Dixon University Center at Harrisburg.

## Thank you, Edinboro University

Walker Bros. Buick-Chevrolet has been in the automobile business in Edinboro since 1916 making us one of the oldest dealers in the country. However, we are mere youngsters compared to Edinboro University. Thru the decades our families have watched the school grow and mature into today's University. Not by accident, we have seen the town of Edinboro grow and mature at the same time, with much of that growth being former Edinboro students who stayed and made homes here after graduating. For this we say, "thank you, Edinboro University."

Edinboro University offers much more to the region than a fine education at a reasonable price. Almost daily there is either a cultural or athletic event right here in our own backyard providing great entertainment. Besides the entertainment, many of us use the physical facilities of the University. For this we say, "thank you, Edinboro University."

Finally, for those of us in business in the Edinboro area, the University provides a great economic benefit. Local patronage from University employees, students and all the spinoff employment created by the University is what makes us able to be a major sponsor of Edinboro athletics and today's game. For all this we say, "thank you, Edinboro University."

Sincerely,

## Athletic Director James K. McDonald

Edinboro University's athletic program was placed under the talented and aggressive leadership of Jim McDonald in July of 1981. Increased emphasis on fund raising to provide a sound scholarship foundation has become his top priority while numerous changes and innovations have also keyed the Scots' athletic program under his direction.

Through his efforts more than \$5 million has been raised during the past twelve years. The funds generated by the energetic athletic director's efforts will be used to assist Edinboro's men and women athletes who compete in the Scots sixteen intercollegiate sports.

In addition to maintaining Edinboro's respected winning tradition in intercollegiate athletics, the former health and physical education professor has vastly expanded the University's summer activities.

Sixty camps were sponsored by the Fighting Scots Booster Club this past summer on the University's campus. Sox Harrison Stadium was the site for the Buffalo Bills-Pittsburgh Steelers first scrimmage, an event the veteran athletic director hopes to bring back to the area each year.

The personable athletic director also introduced Edinboro's Hall of Fame program which has evolved into an annual year-ending event to honor present and past athletes.

McDonald has been at Edinboro since 1962 and for 12 years served as the Fighting Scot basketball coach (1962-1975) and never experienced a losing season while his teams compiled an impressive 181 wins against only 89 losses. During that span, his cagers won four Western Division Pennsylvania Conference crowns, the PC state championship and two Dis-

trict 18 titles that netted trips to the NAIA National Tournament. His teams set 27 University records and made 19 post-season appearances while four of his players were named All-Americans.

Prior to accepting his position at Edinboro, McDonald served as assistant basketball coach in Erie, Pa. He is a 1956 graduate of Bridgeport High School in his home town of Bridgeport, West Virginia.

In 1960 he received a degree in chemistry and physical education from West Virginia Wesleyan College and he also holds a master's degree in health from the University of Buffalo.

As an undergraduate, he set nine school records at Wesleyan and was twice voted both AP and UPI basketball All-American. In 1960, he was the second leading scorer in the United States, averaging slightly over 33 points a game, and led his team to the national basketball tournament in Kansas City, Missouri. He was named to the NAIA's All-Tournament Team in 1959 and 1960.

In 1966, McDonald was selected Area Eight Coach of the Year by the eastern seaboard coaches and that same year was honored as one of the top ten finalists in the Coach of the Year national poll. McDonald's honors also include selection to the West Virginia All-Time College Basketball Team and membership in the West Virginia Sports Hall of Fame.

As a resident of Edinboro, McDonald has a record of extensive community involvement. He was Little League Baseball director for four years and also held a four-year post as a member of the General McLane School Board. He and his wife, Mary Lou, have three sons - Mark, Mike and Matthew.

## 1993 - Take "It" to Another Level

"It" in this case means success. Having made the NCAA II playoffs three of the past five years under head coach Tom Hollman, the Edinboro University Fighting Scots have established themselves as one of the nation's top small college programs. Now may be the time to take the "other step."

A playoff quarter finalist in 1990, the Scots' elite eight finish was the pinnacle of the program. But that small taste of post-season success has left the Boro anxious for more. If expectations and 1993 pre-season polls are any indication, this fall may be the year of the Scots. Picked as high as #2 by *Football Digest* and #9 by Host Communications (NCAA), Edinboro has opened the eyes of pollsters with their recent success. But the Boro's pre-season marks will make the opposition even more determined, thus creating a great challenge for the 1993 Fighting Scots.

Coming off their best regular season mark in 21 years, 8-1-1, the Scots, under Hollman, have won 37 of 55 (37-16-2) games including a sparkling 22-6-1 record in the Pennsylvania State Athletic Conference Western Division. When looking ahead to 1993, the schedule is what concerns the sixth-year mentor the most. "The conference is the conference. There are six tough opponents, any one of which can beat you," Hollman said. "Plus this year, we've added Ferris State (MI) and Elizabeth City (NC) while Buffalo (Division I-AA) and Millersville remain from last year. There will be no easy ones, that's for sure."

With ten games slated for '93, five home and five away, the challenge of the "road test" will determine the Scots' playoff chances. Under Hollman, the Scots boast a 23-3-1 (.870) mark at Sox Harrison Stadium but counter with a 14-13-1 (.518) record on the road.

### A BREAKDOWN OF PERSONNEL:

#### Skill Positions

With returning starter Jody Dickerson at quarterback, the Scots will be solid under center. Having guided Edinboro to 15 wins in 22 games (15-6-1) since his freshman year, Dickerson is on pace to break every standard in the Edinboro record books. Last year, he tossed for 1,855 yards and 12 scores and rushed for

159 markers and two touchdowns. His 3,217 career passing yards rank him fifth all time on the Edinboro passing list. With the graduation of receivers Brian Heebsh, Paul Stone and Wrentie Martin, David Ashton (17 receptions, 210 yards, 2 touchdowns) is the Scots' top returning pass catcher.

In the backfield, PSAC West player of the year and All-American Larry Jackson returns. The junior topped the PSAC in rushing yards last year with 1,218 while his 17 rushing scores and 19 overall touchdowns were also tops in the conference. Jackson's touchdowns on the ground were the fourth best ever in conference history. Chris Snyder (30-128-2) is the returning front-runner for the fullback spot along with Tom Tedder (17-68) who is looking to return following knee surgery.

#### Offensive Line

All-American Mike Kegaris is one of the best in the country at his tackle position. At 6-7, 300 pounds, Kegaris leads an offensive front which includes tackle Tony Tighe, center Gordie Hitchcock and guard Chadd Wallick. The graduation of All-American Scott Nickel and tight end Heebsh leaves some holes to fill.

#### Defensive Line

The Scots return three quarters of their four-man front including 1993 pre-season All-American tackle Russell Cray (72 tackles, 9 sacks). End Devas Simmons (62 stops, 8 for loss, team high 5 forced fumbles) is also back along with tackle Rob Harmer (48 tackles).

Also expected to help along the defensive line will be returnee Otha Davidson (2 sacks, 4 tackles for loss) and Scot heavyweight wrestler Pat Schuster. The graduation of All-American Anthony Ross spells a void for the Scots but Davidson and Schuster are both able replacements.

#### Linebackers

The trio of All-American Jason Perkins, Michael Sims and Mike Edwards return to the second line of defense. Perkins, a pre-season first-team choice by Host Communications and *The Sporting News*, is back to round out a brilliant career. Currently seventh on the school's

all-time hit list with 341 tackles, a year similar to 1992 (135 tackles, 19 for loss) will propel Perkins to second on the career tackle charts. His 30 tackles for loss, not including quarterback sacks, is the most in Edinboro history.

Sims had a banner season for a first year player in 1992, finishing fourth on the team with 84 tackles. His ten pass deflections tied for the team high. Edwards was close behind with 70 stops, including four for loss. His three forced fumbles was third best on the squad. Brian Lambert, a reserve last season (12 tackles) is greatly improved and will battle for a starting spot.

#### Secondary

If the Boro has major holes to fill, it is in the defensive backfield. Gone are All-Americans Michael Barnes and Georj Lewis. The pair combined to start 85 consecutive contests with cornerback Lewis penciled in for every one during his 45-game career.

Returning are defensive back Mario Houston and safety Steve Russell. Houston had 50 stops, one interception and tied for the team lead with ten pass deflections in '92. Over his career, which began with All-PSAC West Rookie of the Year honors in 1990, Houston has been in on 188 stops, with seven interceptions and 38 deflections. His pass breakup total is second best on the all-time Boro list. Russell has been solid since his freshman campaign, tying for the team lead in interceptions each of his first two seasons. His seven career thefts project him to be Edinboro's all-time leader (13) at career's end. One of his five interceptions last season was returned 85 yards for a score.

#### Specialties

The return of All-American punter Gary Lhotsky adds to an already solid defense. A first-team All-PSAC West choice in 1992, Lhotsky led the conference in yards per punt averaging 40.1. His 133 punts over the past three years have averaged 37.7 ypp. Lhotsky's career best covered 65 yards against Shippensburg last season.

The Scot kicking game is a question mark as Scott Rupert (3-7 field goals and 21 of 27 PATs) tries to recover from a knee injury suffered as a member of the baseball team last spring.

Go Team! Best of luck for  
a great season!

## Head Coach Tom Hollman

Tom Hollman

In January 1988, Edinboro University hired Tom Hollman, Athens, Ohio, as its eleventh head football coach in the school's history. Hollman came to Edinboro from Ohio University, where he was the defensive coordinator.

Hollman, beginning his sixth year, has the Scot program back in the national spotlight. At Edinboro, he has earned 37 wins against just 16 losses and two ties and owns an impressive 22-6-2 slate against the PSAC Western Division. The Scots have advanced to post-season play three of the past five years.

In 1989, he was named the top coach in the East Region by the National Football Coaches Association and also tabbed the top coach in the PSAC West. In 1990, he guided the Scots to their first-ever NCAA II playoff win as Edinboro routed Virginia Union and advanced to the national quarterfinals.

"Edinboro has been a great experience, and I like the direction of the program," Hollman said.

"As a coach, I have been fortunate to coach at many different levels, from high school to Division I. The Division II level here at Edinboro is very appealing to me in relation to my career goals. It is a great feeling to be a head coach at this level."

Hollman's educational background begins with a high school diploma from Memorial High School in St. Mary's, Ohio, followed by his undergraduate degree in education from Ohio Northern University in 1968. Three years later Hollman received his master of science degree in education from Xavier University in Cincinnati, Ohio.

While at Ohio Northern, Hollman was a three-year starter for the football team and a two-year performer as a defensive back and offensive end during his junior and senior years. He holds the school record

with 13 career interceptions and earned All-American and All-District honors during the 1966 and 1967 seasons. Hollman also lettered in baseball for three years during his stay at Ohio Northern.

A chronological look at Hollman's coaching career begins in 1968 as an assistant coach at Sidney High School in Sidney, Ohio. From there, Hollman moved on to Greenville High School in Ohio where he became head coach from 1971-73. His Greenville squads posted an impressive 26-2-2 mark during his three-year stay.

Hollman then moved on to Fremont Ross High School as head coach for the 1974 and 1975 seasons, where his squad recorded 15 wins against three setbacks and two ties. Fremont was the Buckeye Conference champ in 1974, unbeaten at 9-0-1.

In 1976, Hollman moved on to the collegiate ranks where he was the defensive coordinator for his alma mater at Ohio Northern University.

The following year, Hollman accepted the head coach position at Wooster College (OH) and guided his squad to the best four-year record in the school history (24-11-1).

In 1981, Hollman took an assistant coaching spot with Ball State University which he held through the 1984 campaign. Then, beginning in 1985 Hollman held the defensive coordinator position at Ohio University.

"It has been a very comfortable transition for me," Hollman added. "I have found the community to be supportive and the administration is giving me every opportunity to be successful here at Edinboro," he concluded.

Tom resides in Edinboro with his wife, Kandi, and four children, Mari, Jon, Tim and Denise.

## Assistant Coaches

### Scott Browning - Secondary

Moving to the defensive side of the ball, from the offensive backfield, Scott brings a wealth of coaching experience in his eighth year at the 'Boro. Under his guidance the Scot defense has intercepted 78 passes the past five seasons. He has guided the fortunes of All-Americans Michael Willis, Wade Smith, Georj Lewis, and Mike Barnes, and PSAC Rookie of the Year Mario Houston. Offensively, he coached former greats Floyd Faulkner and Ross Rankin.

Scott came to Edinboro from Ohio State University, where he coached receivers and running backs. Prior to his start at OSU, Browning coached at Worthington and Dayton-Fairview high schools in Ohio, from 1979-81. Then, as a

graduate assistant, he coached the defensive secondary at New Mexico State in 1982.

In 1983, he mentored the receivers at Idaho State University which advanced to the Division I-AA playoffs.

Browning earned a master's degree in education administration from New Mexico State in 1983, and a BS in education from Ohio State in 1981. Earlier, before transferring to OSU, Scott attended Capital University where he played football for one season. Browning was a four-year letterman in four sports at Loudenville High School (OH) prior to his collegiate days. Scott is married to the former Lynn Hook and resides in Edinboro.

### Dan Gierlak - Running Backs

Dan Gierlak enters his seventh season as a full-time coach with his responsibilities concerning the running backs. He is also the head women's softball coach for the Scots and led the squad to the PSAC playoffs in 1990.

Gierlak came to the 'Boro from Thiel College (Pa.) where he coached the defensive secondary for the 1984 season. Dan, a starter and three-year letterwinner for the Plaid in the secondary, moved on to the semi-pro ranks with the Chicago Cowboys. During his short stint with the Cowboys, Gierlak's squad gained national championship honors in 1984 and run-

ner up nationally in the 1985 season. Gierlak brings both playing and coaching experience to the staff, giving the Scot players an added plus on the offensive side of the ball. As backfield coach, he has guided former Harlon Hill finalist Elbert Cole and Boro All-Americans Lester Frye and Larry Jackson.

Originally from Buffalo, New York, Dan graduated from Edinboro with a degree in health and physical education. He and his wife, the former Amy Adams and two-year-old daughter, Alexandria Alicia, reside in Edinboro.

### Mark Niswonger - Defensive Coordinator/Linebackers

Mark Niswonger, a veteran of the coaching ranks for 20 years, begins his sixth year with the Plaid as defensive coordinator and linebacker coach. Former understudy of head coach Tom Hollman at Greenville High School, Mark brings extensive experience both on and off the field to the Scot coaching staff. He has helped mold the Scot defense into one of the most respected squads in the country over the past five years.

His coaching stint began back while attending Findlay when he was the head scout for Arlington High School. His first job after college was as defensive coordinator for Bryan High School (OH) where the team earned a 9-1 record. The next two seasons, Niswonger was the defensive coordinator at West Carrollton High School (OH) where his squad posted an impressive 17-1-2 slate.

After West Carrollton, he then returned to graduate school at Ball State University where he helped coach the tight ends and offensive linemen.

From 1981-84, Niswonger was the head coach at Franklin City schools and was named "coach of the year" in 1982 when his squad won its first league championship in 18 years. He then moved on to the collegiate ranks in 1984 at Manchester College as defensive coordinator and then back to his alma mater from 85-87 as their secondary coach.

Niswonger's education includes an undergraduate degree in physical education and political science from Findlay and a MA in physical education from Ball State. Mark and his wife Patty and two-year-old daughter, Megan Marie, and eight-month-old son, Joushua Jay, reside in Edinboro.

### Gene Smith - Defensive Line

Gene Smith will enter his sixth year directing the Scot defensive line. The Scots defensive line has ranked nationally in the NCAA top ten the last five seasons in rushing defense. He aided in the development of Scot All-Americans Jeff Jacobs, John Messura, and Anthony Ross.

Smith also has past association with Coach Hollman as he was a graduate assistant working with the defensive line under Hollman at Ohio University. The following season with the Bobcats, Smith moved to the offensive side of the ball as tight end/tackle coach for OU. He also worked extensively with the weight train-

ing program as a strength coach. Gene is both the coordinator of recruiting and strength and conditioning for the Scot football squad.

As a player, he enjoyed an outstanding career at Heidelberg College. Smith captained Heidelberg his senior season. He obtained his BS degree in education during his undergraduate years and later completed his MS in athletic administration from Ohio University. Smith has completed post-graduate hours.

Smith, originally from Monroeville, Ohio, resides in Edinboro.

### Ed Stults - Offensive Line

Ed Stults enters his fifth year directing the Scot offensive line. In his initial year with Edinboro, Stults organized an offensive front that was one of the best in the country. He directed the fortunes of five All-Americans including Scot first-teamer Curtis Rose, Scott Nickel, Mike Kegarise, and Joe Brooks. Rose signed a free agent contract with the Miami Dolphins of the National Football League.

He brings over 11 years of coaching experience to the Scot linemen. He began his coaching career at his alma mater,

Bluffton College, in 1981 directing the linebackers. Later on in his coaching stint he turned his attention to the offensive line. He played linebacker at Bluffton from 1976-79 and he graduated in 1980 with a BA in education.

After his coaching tenure at Bluffton that spanned 1981-87, Stults took the offensive line duties at the University of Cincinnati in 1988.

Stults, his wife, Pamela, and one-year-old daughter, Libby, reside in Edinboro.

## Browning's Four Answer All the Questions

When the Fighting Scot football team entered the 1993 season, Edinboro secondary coach Scott Browning knew that there were going to be some questions as to the strength of his defensive backs. Gone to graduation were cornerback Georj Lewis and free safety Mike Barnes, a pair of All-Americans who had combined for 85 starts, 15 interceptions and 455 tackles over their illustrious careers. However, halfway through the 1993 season, the answer to the looming questions about Browning's new squad is simple. These guys are tough.

"Going into this season, I think we were really concerned," said Browning. "Any time you go into the season with a couple of first year guys, of course you're going to be a little concerned. The fact is, though, we have received a great deal of help from our veterans and they have played as big a part as anyone in bringing this secondary together."

Mario Houston

Steve Russell

One of the veterans to which Browning is referring to is cornerback Mario Houston, a four-year starter and former PSAC Western Division Rookie of the Year. Browning, who has coached four All-Americans during his tenure with the Scots, speaks rather highly of Houston. "Rio loves to practice and loves to play the game of football like no one I've ever seen. He is probably the fiercest competitor I've ever had the opportunity to be around."

Browning has found another great leader in junior strong safety Steve Russell, who in just two and a half years as a starter is only three interceptions away from tying Edinboro's all-time career individual mark of thirteen. "Stevie is one of the most focused guys on our squad. He is very goal-oriented and takes a lot of pride in what he does. He is the type who wants to be a leader, a front-runner, and he's not afraid to take that responsibility."

The younger guys who have made a sudden impact are a pair of sophomores, cornerback Marty Williams and free safety Rick Walker.

"Williams and Walker are a couple of guys who have been with us a year and they know what playing our type of defense is all about," Browning remarked. "They've prepared themselves both mentally and physically and have been anxious to step in and take on the challenge."

What has made these four athletes so exceptionally exciting through six games is the way they work together and their

ability to create big plays. In addition to their outstanding play at the corners, Houston and Williams have been special teams demons this season. In a game against Elizabeth City State University (North Carolina), Rio amazingly blocked three extra points and tackled punter James Gonzo at his own one-yard line, a performance that Steve Tasker himself would have been proud to witness. Not to be outdone, Williams has already run back a blocked extra point for a two-point conversion and blocked a punt that Houston recovered in the end zone for a touchdown. The two also teamed up on the first play from scrimmage at ECSU when Williams laid a hit on running back Aaron Murchinson that may have had *Sports Illustrated* asking if Marty Williams was too dangerous for college football. Williams' crushing blow forced a fumble which was promptly scooped up by Houston on the ECSU nine-yard line.

Russell has made his presence known in the defensive backfield with a team leading three interceptions, all of which have ended opponents drives in Edinboro territory. In only two starts, Walker has one interception, one forced fumble and one recovery. All in all, the Boro secondary has picked and licked opponents for nine interceptions and three forced fumbles in 1993, while yielding only 195.6 yards through the air to opposing quarterbacks (third in PSAC West).

Browning claims that these statistics reflect the hard work ethic that is practiced among his feared unit. "All that those stats show you is that you've got four kids out there just playing their butts off on every play. They're playing hard and they're doing what they're asked to do and when you do that, eventually big plays are going to happen for you."

After an opening game loss to Ferris State, the Boro has finally regained attention nationally and regionally in the latest polls. And as the competition gets a little stiffer down the stretch, there is only one question left for Browning to answer. Will the secondary be ready to elevate their status from boys to men?

"There's no question," says the confident coach. "We've got four competitive kids here and they're going to step up. These four play with their heads as well as their bodies. The bigger the challenge the more prepared they are."

STATE SYSTEM OF HIGHER EDUCATION  
COMMONWEALTH OF PENNSYLVANIA

James H. McCormick  
Chancellor

Greetings:

On behalf of the Board of Governors for the State System of Higher Education and the Office of the Chancellor, I am pleased to welcome you to today's exciting athletic event.

This year, the State System celebrates its tenth anniversary. During the past decade, student athletes throughout the 14 state-owned universities have competed among the best in the nation as part of the Pennsylvania State Athletic Conference (PSAC). Last season, over 40 PSAC teams participated in regional and national championship competitions; many were All-Americans and top scholar athletes. The efforts of these women and men who represent their universities and the entire State System in the athletic arena and the classroom are applauded.

The excellent university coaching staffs who provide knowledge, leadership, and encouragement also deserve recognition for their contributions. For the special talents which they exhibit as teachers and mentors, we are grateful.

The Board of Governors, the university presidents, the campus communities, and I hope you will continue to support our State System universities and their athletic programs during the 1993-94 academic year. We appreciate your attendance.

Sincerely,

James H. McCormick

# Scot Success in the Classroom

Under the direction of Tom Hollman, the Scots have not only excelled on the field but in the classroom.

Over the past two years, 45 different student-athletes have earned semester grade point averages of 3.0 or better while eleven current Fighting Scots have cumulative point averages above the mark. Twenty-one football players made up over 25% of the 79 student-athletes and support personnel that were honored last spring for their academic and athletic success.

The Scots boasted a pair of academic All-Americans last season as graduating seniors Sean Seibert and Brian Heebsh were recognized as National Scholar-Athletes by the College Football Preview magazine. Seibert earned his political science degree in just seven semesters and

finished his academic career with a perfect 4.0 QPA last fall. Seibert's fame on the field can be measured in leading the Plaid to their only NCAA II playoff win in 1990. Heebsh was named second team All-PSAC West last year for his efforts on the field.

Two other Scots deserving special recognition are All-Americans Georj Lewis and Mike Barnes. Combining to start 85 games in the Edinboro defensive backfield during their careers the two-some were also nominated for the NCAA Minority Post-Graduate Scholarship this past winter by the University. Over the last four years, Lewis started every game for the Boro and graduated in business administration with better than a 3.0 cumulative grade average.

## The State System of Higher Education

- ✓ The state universities spent the first 100 years of existence training teachers for Pennsylvania's schools. The Normal School Act of 1857 established regional teacher training institutions throughout the Commonwealth. The School Code of 1911 called for the state purchase of all normal schools, and by 1921 the present configuration of 14 state-owned universities was established. The 14 normal schools evolved from state normal schools, to state teachers colleges, to state colleges. On November 12, 1982, Act 188 was signed into law establishing on July 1, 1993 the Pennsylvania State System of Higher Education. Thus, the 13 former state colleges joined with Indiana University of Pennsylvania to achieve university status. The universities have a cumulative history of 1,600 years.
- ✓ There are 14 universities in the State System of Higher Education with three branch campuses and the McKeever Environmental Center.
- ✓ The total student population among the System universities is 99,850. While 86% of students are from Pennsylvania, they represent many other states and foreign countries.
- ✓ The total university campus has over 4,000 acres in 19 Pennsylvania counties. Buildings for classrooms, residences, administration and student support number 719.
- ✓ Collectively the 14 universities offer 225 undergraduate and 98 graduate degree programs, led by 5,500 full-time faculty members.
- ✓ An average 75% of undergraduate students receive some form of financial assistance to help meet costs.
- ✓ Several study abroad programs are available in System universities. System universities are part of the Pennsylvania Council for International Education.
- ✓ All the universities support life-long learning programs throughout the academic year. Many feature Elderhostel.
- ✓ Most universities have honors programs, student counseling and career planning, cooperative education, and internship programs.
- ✓ System library holdings total more than 5.4 million volumes and 3.5 million periodicals, microforms, and audio materials.
- ✓ The universities in the State System of Higher Education are fully accredited by the Middle States Association of Colleges and Secondary Schools, the National Council for Accreditation of Teacher Education, and several appropriate national professional organizations.
- ✓ System graduates living in the Commonwealth number over 271,000.
