## Nationally Ranked Teams Battle in Opener

### The Game

It's not Pittsburg State (KS) versus North Dakota State (#1 and #2 in pre-season polls), but today's clash between Edinboro University and Ferris State (MI) is arguably the second biggest game this weekend on the NCAA Division II level.

After all, a season opener that features two playoff teams with pre-season top 20 billings should say plenty about how these two teams will fare in 1993. Edinboro and Ferris State both appeared in numerous polls this summer, including a #12 and a #10 ranking respectively from *Sports Illustrated*. The Scots were tabbed as high as #2 by *Football Digest* earlier this year.

Today's rematch of the 1992 Division II playoff encounter (won by Ferris State, 19-15) is sponsored by McDonald's.

### The Records

The game features a pair of teams coming off banner seasons in 1992. Edinboro posted its best regular season mark (8-1-1) in 21 years, while Ferris went 10-3 overall progressing to the quarterfinals of the Division II playoffs. The Scots have advanced to the national championship field of 16 three times in five years while Ferris State's win over the Scots last November was the Bulldogs' first Division II playoff action.

### The Series

The playoff encounter was the initial time the two teams had met on the gridiron. The Bulldogs' four-point margin gives them the lone decision in the series.

The Boro's quest of advancing to the national quarterfinals last year ended on the Ferris State one-yard line as time expired.

### The Coaches

The Scots' Tom Hollman is Division II's ninth winningest active coach with his nine-year slate of 61-27-3. His Edinboro record includes 37 wins, 16 losses and two ties. Even more impressive is his 22-6-2 mark in the Pennsylvania State Athletic Conference Western Division. The 1989 conference and east region "Coach of the Year" has led Edinboro to the national playoffs three times and currently stands as the school's all-time leader in winning percentage at .690%.

Ferris features the 1992 Midwest Intercollegiate Football Conference (MIFC) "Coach of the Year" Keith E. Otterbein. Entering his eighth season, he has posted a 40-37-1 mark with the Bulldogs. Under Otterbein's guidance, last year's Division II playoff win was not only Ferris' first but a first for the MIFC.

### The Offenses

The Scots feature PSAC West "Player of the Year" Larry Jackson and three-year starting quarterback Jody Dickerson. Jackson led the conference in rushing (1,218 yards) and scoring (19 TDs) in 1992 and gained 64 yards on 15 carries in the playoff setback. Tailbacks Corey Hill and Vidal Farr give the Scots depth. Chris Snyder (128 yards) is projected at fullback.

Dickerson will start his 23rd consecutive game, a run which includes 15 wins, six losses and a tie. He has thrown for better than 3,200 yards, including 1,855 last year on 119 completions and 12 scores. His receiving corps will feature Dave Ashton (17, 210, 2 TDs), Lateef Walters, Rob Glus and Marcus Griffin. Tight ends will include Scott Mikowicz and Todd Henne. Up front, All-American tackle Mike Kegaris is featured in an offensive line

which includes tackle Tony Tighe, guards Chadd Wallick and Det Betti and center Gordy Hitchcock.

The Bulldogs return their top five rushers including Juron Johnson (668 yards) and fullbacks Benny Roe (537) and Andrew Diggins (262, 7 TDs). Lou Melchiorre (288 rushing, 154 receiving) is the probable starter at tailback. Roe led the Bulldogs with 65 yards in the playoff win, while Diggins iced the game with a third-quarter score.

Ferris has replaced All-Conference quarterback Doug Arnold with Bill Love. Before sitting out the 1992 season, Love completed eight passes for 94 yards in 1991. Flanker Jamie Moore (21, 281, 1 TD) is the team's top returning receiver while Melchiorre (17) is also a threat to catch the ball. Gerald Prys (2, 45) gets the call at tight end. Right guard Larry Pierce, an All-MIFC choice a year ago, anchors a front which also includes tackle Sean Flemming and center Scott Ward.

### The Defenses

With Ferris and Edinboro nationally ranked first and third, respectively, in points allowed last year, the defenses should highlight today's encounter.

The Scots feature two-time All-American linebacker Jason Perkins, tackle Russell Cray, end Devas Simmons and cornerback Mario Houston. Perkins led the team in 1992 with 123 tackles including a stunning 19 for loss. In addition, he also registered five quarterback sacks. His 341 hits rank Perkins seventh on the all-time Edinboro tackle charts. Cray, a 1993 pre-season All-American selection, collected 72 stops including 14 for loss and nine sacks. Simmons was also solid with 62 tackles, five forced fumbles and one score, while Houston, a four-year starter, tied for the team lead with 10 pass deflections. His career breakup total of 38 is second most in Edinboro history.

Up front the defense also includes end Pat Schuster and 1993 captain Rob Harmer (48 stops, 2 recoveries) at tackle. Joining Perkins at linebacker will be Michael Edwards (70) and Bryan Lambert. Rounding out the secondary will be FS Steve Russell (46, team high 5 INTs), SS Rick Walker and corner Marty Williams.

Ferris continues to get great results from its defense. Leading the charge will be All-MIFC choices Ed Phillion (DT), Jim Lenz (DT) and Rich Eash (SS). The tackle tandem shares the school record for sacks with 20 each, while Eash owns 10 career interceptions. Phillion had 76 tackles and 12 sacks a year ago while Lenz contributed the same amount of stops and added 10 sacks. Eash was second to All-American linebacker Monty Brown in tackles with 80 and also picked off a half dozen passes.

Linebacker Chip Egbert (38 tackles), FS Brian Carmody (34, 2 INTs) and corner Brent Weiss (22) give the Bulldogs a very solid nucleus.

### Special Teams/Kicking Game

The Scots feature All-American punter Gary Lhotsky (40.1 YPP, led the PSAC) and look to Scott Rupert (3-7 FG, 21-27 PAT) for the placekicking duties. Jackson is one of the nation's top kick returners, while punt return chores are expected by Ashton and Griffin.

Veteran Jason Lipke (12-18 FG, 24-31 PAT) was strong in 1992 and hit a pair of three-pointers in the playoff win. Punter Eric Stevens averaged over 35 YPP last year. David Nelson will return punts, coming off a year where he led the team with 146 yards and a 6.6 YPR mark.

## President Foster F. Diebold

Foster F. Diebold

Now in his fourteenth year as president of Edinboro University of Pennsylvania, Foster F. Diebold is the fourteenth chief executive officer of the institution of higher learning that has come to acclaim in the last decade as one of Pennsylvania's and the nation's finest. He has brought a vigorous educational and moral leadership, a strengthening of the spirit of community, a clear sense of direction and purpose, and a dimension of multicultural pluralism and diversity.

Much has been accomplished during President Diebold's tenure. The University has returned to financial health. Significant facilities and grounds improvements have been achieved, with several of the historic structures on campus restored to their original splendor. Academic programs have been emphasized and improved, with more than 100 degree offerings now available. Enrollment gains have been unprecedented in both numbers and academic quality. International linkages have been established with institutions in several other countries, and Edinboro University's program for students with disabilities continues to garner acclaim as one of the finest among all colleges and universities in the United States. Widely recognized as a leader in education both here and abroad, President Diebold has posi-

tioned Edinboro University to meet the challenges of the 1990s, as well as those that will face public higher education in the 21st century.

The Orange, New Jersey, native is a graduate of Monmouth College and also holds a master of arts in educational administration from Seton Hall University. He has met coursework requirements for a doctorate in education at Rutgers University and is currently completing the dissertation requirement for the Ph.D. program in higher education at the University of Pittsburgh.

Prior to his presidency of Edinboro University, President Diebold was president of the University of Alaska from 1977 to 1979. Before that, he was executive secretary to the Board of Regents and special assistant to the president of the University of Alaska Statewide System. From 1969 to 1976, he was director of Development and Planning at Kean College in New Jersey and a member of the graduate faculty at that institution; and from 1965 to 1969, he was assistant superintendent of the Neptune Township (New Jersey) Public Schools.

Recognized for his extensive experience in the field of education management, President Diebold's scholarly achievements in the discipline of applied ethics in higher education deserve special mention. The model statement he authored for the American Association of State Colleges and Universities, "Ethical Practices for College Presidents," was unanimously adopted by that professional organization and published as policy for the chief executives of its nearly 400 member institutions nationwide. It is the first formally adopted ethical practices and policy statement for higher education presidents.

For his leadership on an international scale and for his many contributions to the advancement of higher education and enrichment of an

emerging culture in Pakistan, President Diebold was decorated with prestigious gold medals from three Pakistani universities. The awards for educational eminence were presented during visits to the Edinboro campus by official Pakistani delegations.

President Diebold was also honored by the Government of Pakistan with the awarding of the degree of Doctor of Laws (*honoris causa*), presented at the Government House in the City of Karachi. The ceremony was attended by the presidents of the several Pakistani universities holding linkage agreements with Edinboro University, as well as many high-ranking officials of the Government of Pakistan and U.S. diplomatic officials.

A recently bestowed honor was President Diebold's appointment to the National Committee on U.S.-China Relations, the leading national, non-partisan, public affairs organization devoted to building constructive and durable relationships between the two countries. The appointment recognized his insight into the Chinese people and his experience with the academic linkage agreement he established with Zibo College in China's Shandong Province. Students and scholars have been at Edinboro University under terms of the formal linkage agreement since the 1986-87 academic year.

A staunch advocate of a statewide system of public universities in Pennsylvania, President Diebold supported the enabling legislation for the State System of Higher Education (Act 188 of 1982) and saw the State System come to existence in 1983 as a member of the transition team. He currently serves on the System's Executive Council of Presidents and on the boards of the Pennsylvania Academy for the Profession of Teaching, the Pennsylvania State Athletic Conference, and the Dixon University Center at Harrisburg.

Over the years, there's one place more winners  
have tasted victory than anywhere else.

## Athletic Director James K. McDonald

Edinboro University's athletic program was placed under the talented and aggressive leadership of Jim McDonald in July of 1981. Increased emphasis on fund raising to provide a sound scholarship foundation has become his top priority while numerous changes and innovations have also keyed the Scots' athletic program under his direction.

Through his efforts more than \$5 million has been raised during the past twelve years. The funds generated by the energetic athletic director's efforts will be used to assist Edinboro's men and women athletes who compete in the Scots sixteen intercollegiate sports.

In addition to maintaining Edinboro's respected winning tradition in intercollegiate athletics, the former health and physical education professor has vastly expanded the University's summer activities.

Sixty camps were sponsored by the Fighting Scots Booster Club this past summer on the University's campus. Sox Harrison Stadium was the site for the Buffalo Bills-Pittsburgh Steelers first scrimmage, an event the veteran athletic director hopes to bring back to the area each year.

The personable athletic director also introduced Edinboro's Hall of Fame program which has evolved into an annual year-ending event to honor present and past athletes.

McDonald has been at Edinboro since 1962 and for 12 years served as the Fighting Scot basketball coach (1962-1975) and never experienced a losing season while his teams compiled an impressive 181 wins against only 89 losses. During that span, his cagers won four Western Division Pennsylvania Conference crowns, the PC state championship and two Dis-

trict 18 titles that netted trips to the NAIA National Tournament. His teams set 27 University records and made 19 post-season appearances while four of his players were named All-Americans.

Prior to accepting his position at Edinboro, McDonald served as assistant basketball coach in Erie, Pa. He is a 1956 graduate of Bridgeport High School in his home town of Bridgeport, West Virginia.

In 1960 he received a degree in chemistry and physical education from West Virginia Wesleyan College and he also holds a master's degree in health from the University of Buffalo.

As an undergraduate, he set nine school records at Wesleyan and was twice voted both AP and UPI basketball All-American. In 1960, he was the second leading scorer in the United States, averaging slightly over 33 points a game, and led his team to the national basketball tournament in Kansas City, Missouri. He was named to the NAIA's All-Tournament Team in 1959 and 1960.

In 1966, McDonald was selected Area Eight Coach of the Year by the eastern seaboard coaches and that same year was honored as one of the top ten finalists in the Coach of the Year national poll. McDonald's honors also include selection to the West Virginia All-Time College Basketball Team and membership in the West Virginia Sports Hall of Fame.

As a resident of Edinboro, McDonald has a record of extensive community involvement. He was Little League Baseball director for four years and also held a four-year post as a member of the General McLane School Board. He and his wife, Mary Lou, have three sons - Mark, Mike and Matthew.

## 1993 - Take "It" to Another Level

"It" in this case means success. Having made the NCAA II playoffs three of the past five years under head coach Tom Hollman, the Edinboro University Fighting Scots have established themselves as one of the nation's top small college programs. Now may be the time to take the "other step."

A playoff quarter finalist in 1990, the Scots' elite eight finish was the pinnacle of the program. But that small taste of post-season success has left the Boro anxious for more. If expectations and 1993 pre-season polls are any indication, this fall may be the year of the Scots. Picked as high as #2 by *Football Digest* and #9 by Host Communications (NCAA), Edinboro has opened the eyes of pollsters with their recent success. But the Boro's pre-season marks will make the opposition even more determined, thus creating a great challenge for the 1993 Fighting Scots.

Coming off their best regular season mark in 21 years, 8-1-1, the Scots, under Hollman, have won 37 of 55 (37-16-2) games including a sparkling 22-6-1 record in the Pennsylvania State Athletic Conference Western Division. When looking ahead to 1993, the schedule is what concerns the sixth-year mentor the most. "The conference is the conference. There are six tough opponents, any one of which can beat you," Hollman said. "Plus this year, we've added Ferris State (MI) and Elizabeth City (NC) while Buffalo (Division I-AA) and Millersville remain from last year. There will be no easy ones, that's for sure."

With ten games slated for '93, five home and five away, the challenge of the "road test" will determine the Scots' playoff chances. Under Hollman, the Scots boast a 23-3-1 (.870) mark at Sox Harrison Stadium but counter with a 14-13-1 (.518) record on the road.

### A BREAKDOWN OF PERSONNEL:

#### Skill Positions

With returning starter Jody Dickerson at quarterback, the Scots will be solid under center. Having guided Edinboro to 15 wins in 22 games (15-6-1) since his freshman year, Dickerson is on pace to break every standard in the Edinboro record books. Last year, he tossed for 1,855 yards and 12 scores and rushed for

159 markers and two touchdowns. His 3,217 career passing yards rank him fifth all time on the Edinboro passing list. With the graduation of receivers Brian Heebsh, Paul Stone and Wrentie Martin, David Ashton (17 receptions, 210 yards, 2 touchdowns) is the Scots' top returning pass catcher.

In the backfield, PSAC West player of the year and All-American Larry Jackson returns. The junior topped the PSAC in rushing yards last year with 1,218 while his 17 rushing scores and 19 overall touchdowns were also tops in the conference. Jackson's touchdowns on the ground were the fourth best ever in conference history. Chris Snyder (30-128-2) is the returning front-runner for the fullback spot along with Tom Tedder (17-68) who is looking to return following knee surgery.

#### Offensive Line

All-American Mike Kegarise is one of the best in the country at his tackle position. At 6-7, 300 pounds, Kegarise leads an offensive front which includes tackle Tony Tighe, center Gordie Hitchcock and guard Chadd Wallick. The graduation of All-American Scott Nickel and tight end Heebsh leaves some holes to fill.

#### Defensive Line

The Scots return three quarters of their four-man front including 1993 pre-season All-American tackle Russell Cray (72 tackles, 9 sacks). End Devas Simmons (62 stops, 8 for loss, team high 5 forced fumbles) is also back along with tackle Rob Harmer (48 tackles).

Also expected to help along the defensive line will be returnee Otha Davidson (2 sacks, 4 tackles for loss) and Scot heavyweight wrestler Pat Schuster. The graduation of All-American Anthony Ross spells a void for the Scots but Davidson and Schuster are both able replacements.

#### Linebackers

The trio of All-American Jason Perkins, Michael Sims and Mike Edwards return to the second line of defense. Perkins, a pre-season first-team choice by Host Communications and *The Sporting News*, is back to round out a brilliant career. Currently seventh on the school's

all-time hit list with 341 tackles, a year similar to 1992 (135 tackles, 19 for loss) will propel Perkins to second on the career tackle charts. His 30 tackles for loss, not including quarterback sacks, is the most in Edinboro history.

Sims had a banner season for a first year player in 1992, finishing fourth on the team with 84 tackles. His ten pass deflections tied for the team high. Edwards was close behind with 70 stops, including four for loss. His three forced fumbles was third best on the squad. Brian Lambert, a reserve last season (12 tackles) is greatly improved and will battle for a starting spot.

#### Secondary

If the Boro has major holes to fill, it is in the defensive backfield. Gone are All-Americans Michael Barnes and Georj Lewis. The pair combined to start 85 consecutive contests with cornerback Lewis penciled in for every one during his 45-game career.

Returning are defensive back Mario Houston and safety Steve Russell. Houston had 50 stops, one interception and tied for the team lead with ten pass deflections in '92. Over his career, which began with All-PSAC West Rookie of the Year honors in 1990, Houston has been in on 188 stops, with seven interceptions and 38 deflections. His pass breakup total is second best on the all-time Boro list. Russell has been solid since his freshman campaign, tying for the team lead in interceptions each of his first two seasons. His seven career thefts project him to be Edinboro's all-time leader (13) at career's end. One of his five interceptions last season was returned 85 yards for a score.

#### Specialties

The return of All-American punter Gary Lhotsky adds to an already solid defense. A first-team All-PSAC West choice in 1992, Lhotsky led the conference in yards per punt averaging 40.1. His 133 punts over the past three years have averaged 37.7 ypp. Lhotsky's career best covered 65 yards against Shippensburg last season.

The Scot kicking game is a question mark as Scott Rupert (3-7 field goals and 21 of 27 PATs) tries to recover from a knee injury suffered as a member of the baseball team last spring.

Go Team! Best of luck for  
a great season!

## Head Coach Tom Hollman

Tom Hollman

In January 1988, Edinboro University hired Tom Hollman, Athens, Ohio, as its eleventh head football coach in the school's history. Hollman came to Edinboro from Ohio University, where he was the defensive coordinator.

Hollman, beginning his sixth year, has the Scot program back in the national spotlight. At Edinboro, he has earned 37 wins against just 16 losses and two ties and owns an impressive 22-6-2 slate against the PSAC Western Division. The Scots have advanced to post-season play three of the past five years.

In 1989, he was named the top coach in the East Region by the National Football Coaches Association and also tabbed the top coach in the PSAC West. In 1990, he guided the Scots to their first-ever NCAA II playoff win as Edinboro routed Virginia Union and advanced to the national quarterfinals.

"Edinboro has been a great experience, and I like the direction of the program," Hollman said.

"As a coach, I have been fortunate to coach at many different levels, from high school to Division I. The Division II level here at Edinboro is very appealing to me in relation to my career goals. It is a great feeling to be a head coach at this level."

Hollman's educational background begins with a high school diploma from Memorial High School in St. Mary's, Ohio, followed by his undergraduate degree in education from Ohio Northern University in 1968. Three years later Hollman received his master of science degree in education from Xavier University in Cincinnati, Ohio.

While at Ohio Northern, Hollman was a three-year starter for the football team and a two-year performer as a defensive back and offensive end during his junior and senior years. He holds the school record

with 13 career interceptions and earned All-American and All-District honors during the 1966 and 1967 seasons. Hollman also lettered in baseball for three years during his stay at Ohio Northern.

A chronological look at Hollman's coaching career begins in 1968 as an assistant coach at Sidney High School in Sidney, Ohio. From there, Hollman moved on to Greenville High School in Ohio where he became head coach from 1971-73. His Greenville squads posted an impressive 26-2-2 mark during his three-year stay.

Hollman then moved on to Fremont Ross High School as head coach for the 1974 and 1975 seasons, where his squad recorded 15 wins against three setbacks and two ties. Fremont was the Buckeye Conference champ in 1974, unbeaten at 9-0-1.

In 1976, Hollman moved on to the collegiate ranks where he was the defensive coordinator for his alma mater at Ohio Northern University.

The following year, Hollman accepted the head coach position at Wooster College (OH) and guided his squad to the best four-year record in the school's history (24-11-1).

In 1981, Hollman took an assistant coaching spot with Ball State University which he held through the 1984 campaign. Then, beginning in 1985 Hollman held the defensive coordinator position at Ohio University.

"It has been a very comfortable transition for me," Hollman added. "I have found the community to be supportive and the administration is giving me every opportunity to be successful here at Edinboro," he concluded.

Tom resides in Edinboro with his wife, Kandi, and four children, Mari, Jon, Tim and Denise.

Assistant Coaches

Scott Browning - Secondary

Moving to the defensive side of the ball, from the offensive backfield, Scott brings a wealth of coaching experience in his eighth year at the 'Boro. Under his guidance the Scot defense has intercepted 78 passes the past five seasons. He has guided the fortunes of All-Americans Michael Willis, Wade Smith, Georj Lewis, and Mike Barnes, and PSAC Rookie of the Year Mario Houston. Offensively, he coached former greats Floyd Faulkner and Ross Rankin.

Scott came to Edinboro from Ohio State University, where he coached receivers and running backs. Prior to his start at OSU, Browning coached at Worthington and Dayton-Fairview high schools in Ohio, from 1979-81. Then, as a

graduate assistant, he coached the defensive secondary at New Mexico State in 1982.

In 1983, he mentored the receivers at Idaho State University which advanced to the Division I-AA playoffs.

Browning earned a master's degree in education administration from New Mexico State in 1983, and a BS in education from Ohio State in 1981. Earlier, before transferring to OSU, Scott attended Capital University where he played football for one season. Browning was a four-year letterman in four sports at Loudenville High School (OH) prior to his collegiate days. Scott is married to the former Lynn Hook and resides in Edinboro.

Dan Gierlak - Running Backs

Dan Gierlak enters his seventh season as a full-time coach with his responsibilities concerning the running backs. He is also the head women's softball coach for the Scots and led the squad to the PSAC playoffs in 1990.

Gierlak came to the 'Boro from Thiel College (Pa.) where he coached the defensive secondary for the 1984 season. Dan, a starter and three-year letterwinner for the Plaid in the secondary, moved on to the semi-pro ranks with the Chicago Cowboys. During his short stint with the Cowboys, Gierlak's squad gained national championship honors in 1984 and run-

ner up nationally in the 1985 season. Gierlak brings both playing and coaching experience to the staff, giving the Scot players an added plus on the offensive side of the ball. As backfield coach, he has guided former Harlon Hill finalist Elbert Cole and Boro All-Americans Lester Frye and Larry Jackson.

Originally from Buffalo, New York, Dan graduated from Edinboro with a degree in health and physical education. He and his wife, the former Amy Adams and two-year-old daughter, Alexandria Alicia, reside in Edinboro.

Mark Niswonger - Defensive Coordinator/Linebackers

Mark Niswonger, a veteran of the coaching ranks for 20 years, begins his sixth year with the Plaid as defensive coordinator and linebacker coach. Former understudy of head coach Tom Hollman at Greenville High School, Mark brings extensive experience both on and off the field to the Scot coaching staff. He has helped mold the Scot defense into one of the most respected squads in the country over the past five years.

His coaching stint began back while attending Findlay when he was the head scout for Arlington High School. His first job after college was as defensive coordinator for Bryan High School (OH) where the team earned a 9-1 record. The next two seasons, Niswonger was the defensive coordinator at West Carrollton High School (OH) where his squad posted an impressive 17-1-2 slate.

After West Carrollton, he then returned to graduate school at Ball State University where he helped coach the tight ends and offensive linemen.

From 1981-84, Niswonger was the head coach at Franklin City schools and was named "coach of the year" in 1982 when his squad won its first league championship in 18 years. He then moved on to the collegiate ranks in 1984 at Manchester College as defensive coordinator and then back to his alma mater from 85-87 as their secondary coach.

Niswonger's education includes an undergraduate degree in physical education and political science from Findlay and a MA in physical education from Ball State. Mark and his wife Patty and two-year-old daughter, Megan Marie, and eight-month-old son, Joushua Jay, reside in Edinboro.

STATE SYSTEM OF HIGHER EDUCATION  
COMMONWEALTH OF PENNSYLVANIA

James H. McCormick  
Chancellor

Greetings:

On behalf of the Board of Governors for the State System of Higher Education and the Office of the Chancellor, I am pleased to welcome you to today's exciting athletic event.

This year, the State System celebrates its tenth anniversary. During the past decade, student athletes throughout the 14 state-owned universities have competed among the best in the nation as part of the Pennsylvania State Athletic Conference (PSAC). Last season, over 40 PSAC teams participated in regional and national championship competitions; many were All-Americans and top scholar athletes. The efforts of these women and men who represent their universities and the entire State System in the athletic arena and the classroom are applauded.

The excellent university coaching staffs who provide knowledge, leadership, and encouragement also deserve recognition for their contributions. For the special talents which they exhibit as teachers and mentors, we are grateful.

The Board of Governors, the university presidents, the campus communities, and I hope you will continue to support our State System universities and their athletic programs during the 1993-94 academic year. We appreciate your attendance.

Sincerely,

James H. McCormick

# Scot Success in the Classroom

Under the direction of Tom Hollman, the Scots have not only excelled on the field but in the classroom.

Over the past two years, 45 different student-athletes have earned semester grade point averages of 3.0 or better while eleven current Fighting Scots have cumulative point averages above the mark. Twenty-one football players made up over 25% of the 79 student-athletes and support personnel that were honored last spring for their academic and athletic success.

The Scots boasted a pair of academic All-Americans last season as graduating seniors Sean Seibert and Brian Heebsh were recognized as National Scholar-Athletes by the College Football Preview magazine. Seibert earned his political science degree in just seven semesters and

finished his academic career with a perfect 4.0 QPA last fall. Seibert's fame on the field can be measured in leading the Plaid to their only NCAA II playoff win in 1990. Heebsh was named second team All-PSAC West last year for his efforts on the field.

Two other Scots deserving special recognition are All-Americans Georj Lewis and Mike Barnes. Combining to start 85 games in the Edinboro defensive backfield during their careers the two-some were also nominated for the NCAA Minority Post-Graduate Scholarship this past winter by the University. Over the last four years, Lewis started every game for the Boro and graduated in business administration with better than a 3.0 cumulative grade average.

## The State System of Higher Education

- ✓ The state universities spent the first 100 years of existence training teachers for Pennsylvania's schools. The Normal School Act of 1857 established regional teacher training institutions throughout the Commonwealth. The School Code of 1911 called for the state purchase of all normal schools, and by 1921 the present configuration of 14 state-owned universities was established. The 14 normal schools evolved from state normal schools, to state teachers colleges, to state colleges. On November 12, 1982, Act 188 was signed into law establishing on July 1, 1993 the Pennsylvania State System of Higher Education. Thus, the 13 former state colleges joined with Indiana University of Pennsylvania to achieve university status. The universities have a cumulative history of 1,600 years.
- ✓ There are 14 universities in the State System of Higher Education with three branch campuses and the McKeever Environmental Center.
- ✓ The total student population among the System universities is 99,850. While 86% of students are from Pennsylvania, they represent many other states and foreign countries.
- ✓ The total university campus has over 4,000 acres in 19 Pennsylvania counties. Buildings for classrooms, residences, administration and student support number 719.
- ✓ Collectively the 14 universities offer 225 undergraduate and 98 graduate degree programs, led by 5,500 full-time faculty members.
- ✓ An average 75% of undergraduate students receive some form of financial assistance to help meet costs.
- ✓ Several study abroad programs are available in System universities. System universities are part of the Pennsylvania Council for International Education.
- ✓ All the universities support lifelong learning programs throughout the academic year. Many feature Elderhostel.
- ✓ Most universities have honors programs, student counseling and career planning, cooperative education, and internship programs.
- ✓ System library holdings total more than 5.4 million volumes and 3.5 million periodicals, microforms, and audio materials.
- ✓ The universities in the State System of Higher Education are fully accredited by the Middle States Association of Colleges and Secondary Schools, the National Council for Accreditation of Teacher Education, and several appropriate national professional organizations.
- ✓ System graduates living in the Commonwealth number over 271,000.
