ALL SPORTS BANQUET

Honoring Edinboro State's 1969-70 Athletes

Wednesday, May 13, 1970 -- 6:30 p.m.

Van Houten Dining Hall

Joe Yukica, head football coach at Boston College, is the featured speaker for this year's annual spring sports banquet.

A Midland, Pennsylvania product, Yukica has posted back-to-back winning seasons with the Eagles in his first two years at the Boston College helm.

As head coach of the University of New Hampshire he was selected New England Coach of the Year in 1967 after serving as an assistant at Dartmouth.

Yukica played his college football at Penn State under the legendary Rip Engle and was one of the top receivers in the East.

He began his coaching career at Central Dauphin High School where he finished his final two seasons 19-1 and received "Coach of the Year" honors for the state of Pennsylvania. Yukica's collegiate apprenticeship began in 1960 at West Chester where he was an end coach. The Rams were undefeated that season and won the Pennsylvania State College Championship.
