Geosciences
Health and Physical Education
History
Mathematics and Computer Science
Military Science
Music
Nursing
Philosophy
Physics and Technology
Political Science
Psychology and Counseling
Sociology/Anthropology/Social Work
Special Education and School Psychology
Speech Communication

**President
Foster F. Diebold**

Since his appointment as President of Edinboro University of Pennsylvania on August 1, 1979, Foster F. Diebold has initiated a wide variety of policies and programs designed to complement his desire for an increased level of excellence and quality in higher education.

Noted for his extensive experience in the field of education management, President Diebold previously served as president of the University of Alaska Statewide System. His principal fields of professional interest include ethical issues in higher education, higher education management, budget development and fiscal control, legislative affairs, personnel management and collective bargaining, and international education.

A native of Orange, New Jersey, President Diebold served as president of the University of Alaska from 1977 to 1979. Prior to that, he was executive secretary to the Board of Regents and special assistant to the president of the University of Alaska Statewide System. From 1969 to 1976, he was director of the Division of College Development and Planning at Kean College in New Jersey; and from 1965 to 1969, he was assistant superintendent of the Neptune Township Public Schools in New Jersey.

A graduate of Monmouth College, President Diebold holds a bachelor of science in education and a master of arts in educational administration from Seton Hall University. He has met course requirements for his doctorate in education at Rutgers University and is currently enrolled in the Ph.D. program in higher education at the University of Pittsburgh.

Active in the community, the President serves on the Board of Directors of the United Way of Erie County, the Board of Corporators of the St. Vincent Foundation for Health and Human Services, and the Advisory Board of the McMannis Educational Trust Fund. President Diebold is also a member of the Hamot Medical Center Board of Corporators, the Pittsburgh Plate Glass Corporation Scholarship Review Committee, and the Marine Bank Advisory Board.

**Athletic Director
Jim McDonald**

Edinboro University's athletic program was placed under the leadership of Jim McDonald in July 1981. He has been at Edinboro since 1962 and for 12 years served as the Fighting Scot basketball coach (1962-1975) and never experienced a losing season while his teams compiled an impressive 181-89 record. During that span, his cagers won four Western Division Pennsylvania Conference crowns, the PC state championship, and two District 18 titles that resulted in trips to the NAIA national tournament. His teams set 27 University records and made 19 post-season appearances while four of his players were named All-Americans.

Prior to accepting his position at Edinboro, McDonald served as assistant basketball coach in Erie, Pa. He is a 1956 graduate of Bridgeport High School (West Virginia). In 1960 he received a degree in chemistry and physical education from West Virginia Wesleyan College. He also holds a master's degree in health from the University of Buffalo.

McDonald was selected Area Eight Coach of the Year in 1966 by the eastern seaboard coaches and that same year was honored as one of the top ten finalists in the Coach of the Year national poll. McDonald's honors also include selection to the West Virginia All-Time College Basketball Team and membership in the West Virginia Sports Hall of Fame.

Through his efforts, more than 2.6 million dollars has been raised during the past five years to assist Edinboro's men and women athletes who compete in intercollegiate sports at Edinboro. McDonald also introduced Edinboro's Hall of Fame program which has evolved into an annual event to honor present and past athletes.

As a resident of Edinboro, McDonald has a record of extensive community involvement. He was Little League Baseball director for four years and also held a four-year post as a member of the General McLane School Board.

He and his wife, Mary Lou, have three sons - Mark, Mike and Matthew.

ATHLETIC FACILITIES

Edinboro University offers first-class facilities for the student athlete.

ATHLETIC TRAINING FACILITY

The Edinboro University athletic training facility is under the direction of head athletic trainer George Roberts. A member of the 1984 Olympic medical team, Roberts brings extensive knowledge and expertise to the field of sports medicine.

Edinboro University recently constructed a new training room facility in the basement of McComb Fieldhouse to better accommodate the needs of the student athletes. Care for the athletes is a top priority to the entire athletic training staff. The on-duty staff consists of two to three certified athletic trainers and a capable student staff numbering nearly 20.

The training room is equipped with:

- * Hydrifitness gym
- * Flowtron compression machines
- * Parabath
- * Intellect Model 700 muscle stimulation/ultrasound machine
- * Four whirlpools
- * Physician's examination room
- * Fitron exercise bicycles
- * Four-tier taping bench
- * Hydroculator (hot packs)
- * Ice machine

New four-tier taping bench
