Greetings from the President

Dear Family, Friends and Fans of the Fighting Scots:

As we engage upon the 2005-2006 academic year at Edinboro University, we look back with deep pride at one of the most successful years in the history of Edinboro athletics. Much of the success of our men's and women's athletic teams is due to your loyal support of our scholar-athletes in basketball, cross country, football, soccer, softball, swimming, track, volleyball, and wrestling, as well as wheelchair basketball and other adaptive sports.

The long legacy of Edinboro athletics will be one of the highlights celebrated during the University's Sesquicentennial in 2006-2007. As we prepare to celebrate the University's 150th anniversary, we are guided by the vision of "Building a prosperous future through academic excellence and civility." Our athletes' dedication to education, discipline, and sportsmanship that are at the

heart of Edinboro athletics will serve them well as they pursue their dreams beyond the playing fields of their alma mater. Their success in competitive endeavors will contribute to the quality of life on our campus and throughout the communities of northwestern Pennsylvania.

Fans of the Fighting Scots are always welcome at Edinboro University and I look forward to greeting you at our many athletic, cultural and arts presentations. Please visit our campus as often as possible.

Go Scots!

Head Coach Dan Gierlak

Dan Gierlak enters his seventeenth season at the helm of the Edinboro University softball program.

Gierlak guided Edinboro to the Pennsylvania State Athletic Conference playoffs in 1990 and led the Fighting Scots to a 21-10 overall record in 1994.

The Boro has not been as fortunate in recent years, but did make a revival in 2003. After going 7-24 in 2002 and 9-28 in 2001 the Fighting Scots finished with a 16-22 ledger. Last year's team, featuring plenty of youth, was 10-19-1. Gierlak's 2000 squad posted a 21-15 record, his fourth 20-win season.

The 2000 version of Fighting Scot softball posted 14 wins in the PSAC West, the most conference victories with Gierlak in charge. Two of the PSAC wins came against perennial power California(Pa.).

Gierlak began his coaching career in football before concentrating on softball.

He coached the Edinboro softball team from 1989-94, then after a one-year hiatus in 1995 to focus solely on his duties as an assistant on former head coach Tom Hollman's football staff, he returned in 1996.

After graduating from Edinboro in 1983, Gierlak moved on to Thiel College, serving as an assistant football coach in 1984. His next stop was semi-professional football, directing the Chicago Cowboys to a national title in 1984 and a second-place national finish in 1985. Gierlak returned to his alma mater in 1986, serving as an assistant football coach at Edinboro for nine seasons. He was responsible for the recruitment and coaching of eight Fighting Scot All-Americans, including 1989 Harlon Hill Finalist Elbert Cole and Jeremy O'Day, a 1996 first-team All-PSAC offensive lineman and a member of the 1998 CFL Grey Cup Champion Toronto Argonauts.

A native of Buffalo, New York, Gierlak graduated from Edinboro with a Bachelor's Degree in Health and Physical Education. He was a three-year letterman for the Fighting Scots football team as a defensive back.

Gierlak and his wife, the former Amy Adams, also a graduate of Edinboro University, have three children, Alexandria Alicia (15), Daniel Jr. (Joey) (12) and Lauren (8). Amy is a former Nancy Acker Award winner, recognized as the top senior female athlete at Edinboro in 1989.

Youthful Talent Expected to Play Leadership Role in 2006

A year ago, Edinboro University softball coach Dan Gierlak relied on his upperclassmen to provide leadership to a squad which featured 11 freshmen. This season he again asks for leadership, but ironically enough, he will ask his freshmen to lead a team which went 10-19-1 overall, 2-16-1 in the PSAC West.

Gierlak will once again showcase a youthful team, with seven freshmen and five sophomores. Many of the youngsters will play key roles.

The Fighting Scots must replace two-thirds of their starting outfield as well as the middle infielders and both corners. Perhaps the biggest blow to the squad is the loss of senior Holly Hutchison. The starting first baseman suffered a back injury last season and will not return for her senior season. Hutchison led the team in RBIs and home runs the past two seasons and has been the catalyst on offense.

"You can't take a Holly out of the order," Gierlak related. "Holly has been our leader. She can play any spot. She's left-handed, swings the bat well, works hard. To take somebody like that out is going to hurt you down the road. We'll just have to adjust and go from there."

Hutchison hit .277 a year ago and despite playing in just 17 contests, led the Fighting Scots with 10 RBIs. The former Geneva College transfer hit .317 in her first season at Edinboro.

Despite the loss of Hutchison, Gierlak is optimistic about this year's squad. Offensively, Gierlak says that his team must adapt to the higher level of pitching if they want to stay competitive.

Additionally, the squad will have to play small ball. "We can't rely on Holly to come in and get the hit now," Gierlak stated. "We are going to have to use all nine players and manufacture runs. Slapping, hitting and running, we are going to have to gamble a little bit more. One of our goals is to score one run an inning. Take Holly out and that's a lot of RBIs in there."

Defensively, he says the team will rely on a more experienced pitching staff which features depth and several different looks.

"I think they will keep us in games and we can use our depth to throw a lot of different things at people," Gierlak noted. In addition to pitching duties, many on the staff will see action in the outfield and infield on an everyday basis.

While pitching will be the primary strength of the squad, Gierlak calls attention to the freshmen duo of shortstop Katelyn Gurgiolo and second baseman Dana Webb.

"I think one of the strengths will be our middle infielders, even though they are freshmen," Gierlak remarked. "You hate to say that the strength of your team will be freshmen, but I honestly believe that, and in the fall watching them, the strength was those two. They are outstanding." Gierlak was particularly impressed with the athleticism the two bring to the team.

Admittedly, Gierlak has reservations about asking freshmen to become impact players although he feels this group of freshmen has that ability.

"Getting these freshmen to compete at this level will be the hardest thing, but they competed well in the fall. I think the attitudes have been great and this team has pushed themselves really hard."

But with so much emphasis placed on the need for the freshmen to perform immediately, Gierlak is quick to point out that the upperclassmen also have a role to play. "They all need to step forward, perform, and become leaders, especially those seniors," Gierlak stressed.

The Fighting Scots begin their season with the annual trip south, heading once again to Ft. Myers, FL and then come home to a grueling schedule that offers Edinboro only five home doubleheaders.

"I think the last couple of years we played well early and then we got back home and didn't play as well early in the

conference as I thought we could have," related Gierlak. "Throughout the course of the season, playing well the entire year is what will separate this team from others. We've got to continue to finish it and play at the highest level all the time."

Pitchers

Gierlak likes what he sees in this year's pitching staff. Five pitchers who saw considerably action last season return, with sophomores Vanessa Rose and Mary Lynn Arlotta turning in impressive performances during their freshmen campaigns.

The depth of the staff is one of the greatest strengths of this year's squad, but Gierlak is still waiting for an ace to emerge. "I think the biggest thing with our pitchers right now is that we need to have a couple of them step up and want the ball," Gierlak emphasized. "Someone's got to step forward and become the number one, and out of this group, I think there is plenty of talent to do that."

The lone senior on the staff is Kim Fleissner. As a sophomore, she threw 62 1/3 innings with a 2.92 ERA but could not match those numbers last season, tossing only 13 1/3 innings in eight appearances. She went 0-1 with a 10.50 ERA.

"Kim has the ability to be very good when she's on," Gierlak noted. "But her role this year will be to throw in certain situations and work primarily as the designated hitter. She can hit the ball well and for power."

Juniors Kim Kurchev and Jessica Lindamood are both coming off solid sophomore seasons. Kurchev hurled 52 1/3 innings and posted a 3.88 ERA, both second-best on the team behind Rose. Kurchev was 2-5 on the season, but showed great improvement at the close of the season in complete games against Gannon and Lock Haven.

"I think she's learned to become a pitcher and not a thrower," Gierlak remarked. "And she throws a great knuckleball that can really make you look bad."

Lindamood pitched a team-high 69 2/3 innings during her freshman year but

last season tossed only 24 1/3 innings, going 0-4 with a 6.04 ERA.

"She's a junior who has at times thrown the ball extremely well," Gierlak noted. "The last couple of years she started out great and then she hurt her arm a little and she just wasn't able to finish as strong. We just have to keep Jess healthy."

Like Kurchev, Lindamood relies on the junk, using the change-up as her "out" pitch. Lindamood has also become a dominant hitter in the Fighting Scots lineup, hitting .271 and knocking in 5 runs. When not pitching, she has the ability to be an everyday player at either first base or right field.

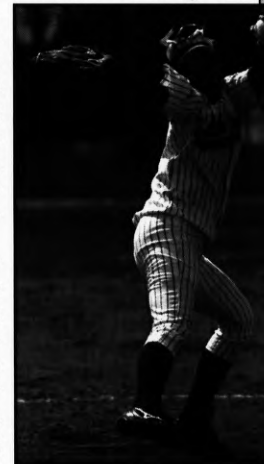

Rose and Arlotta enter their sophomore campaigns full of potential after notable freshmen seasons. Rose went 6-6, four more wins than any other pitcher on the staff, and tossed a team-high 70 innings. The left-hander posted the lowest ERA on the team at 3.60 and struck out a team-high 64 batters in 11 appearances.

"Her ball moves more than I've ever seen," related Gierlak. "Everything she throws moves. Her main pitch is just movement, in and out. We are working hard on the rise ball though."

Rose fanned 10 batters against Lock Haven, and then the following day struck out nine batters to close the season against Slippery Rock.

"Look at Vanessa at the end of the year and how she threw," Gierlak noted. "She has the ability to be a dominating player in the conference."

Arlotta saw limited action her first year, but was able to record a 2-3 record in 26 1/3 innings. "Mary Lynn can be a very dominating pitcher with focus," Gierlak

Vanessa Rose

emphasized. "She can throw it by you, but she has to learn to become a pitcher and not just throw it by you. She's working very, very hard on that."

Two newcomers figure to bolster the pitching staff. Senior Chrissy Durkee, a local standout for Meadville High School, is in her senior year academically. She came to Edinboro three years ago and decided not to play before coming out this year. "At the time, I thought she was the best player in District 10," Gierlak noted. "I am impressed with her. She's been working very hard and can really make the ball move. I'm anxious to see her."

Freshman Chelsea Bosak is raw and will need time to develop.

Infielders

Young and inexperienced is the theme of the Edinboro infield. Gone are four-year starter Andrea Palmieri at third base, Hutchison, plus shortstop Kristi Diminuco and second baseman Basil Davis.

The lone veteran in the infielder is Leanne Carmichael. The junior is a versatile player who has played first base and catcher for the Fighting Scots. She will now make the move to the hot corner to replace Palmieri.

Carmichael started 28 games for Edinboro last season and is expected to make a big impact this season.

"She's going to be very valuable to us wherever she plays," Gierlak emphasized. "Leanne has got to be able to step forward and hit the ball consistently. She's got to be able to come in and do that."

Leanne Carmichael

Offensively, Carmichael has shown considerable improvement since joining the Fighting Scots. She hit just .163 her freshman year, but boosted that to .241 last season with just eight strikeouts in 79 trips to the plate. Defensively, she committed just six errors of all last season.

Shortstop Katelyn Gurgiolo and second baseman Dana Webb are freshmen who Gierlak expects to make an immediate impact. Gurgiolo was a two-time all-conference selection at Medina(Oh.) High School.

"As a freshman it's tough to be a leader, but as a shortstop you have to learn to be the leader," Gierlak related. "You hate to throw that on a freshman but I feel confident she will perform."

Defensively, she brings a great glove and quick release. She also has great speed and range. Offensively, Gierlak hopes to take advantage of her speed, utilizing her as a slap hitter in the leadoff role. "She makes things happen both offensively and defensively," Gierlak noted. "She's very coachable and has a great work ethic."

Webb, a sophomore academically, will join the Fighting Scots for the first time and will start at second base. "Dana has a great glove, great range, and a very strong arm," Gierlak remarked. "She covers the bunt extremely well and is a very heads up player who works extremely hard." Offensively, Webb has one of the quickest bats Gierlak has seen and thinks she can hit for power.

Gurgiolo and Webb can both cover a lot of ground and Gierlak is excited to watch the duo. "They are a great combination. When those two turn double plays it's like they've been together for a long time. They get to a lot of balls that other people can't get to. They'll be fun to watch. The nice thing is that they are both freshmen."

First base lacks a definite starter with the absence of Hutchison but the Fighting Scots have several players capable of starting at that position. Lindamood is an option when not pitching and has seen action there before, while Carmichael could also return to the other corner.

Sophomore Gabe Shields will also challenge for the starting role. "Gabe is still learning to compete at this level," Gierlak noted. "She has to learn to play at this level consistently. She has a pretty good glove and a strong arm, as well as the ability to hit the ball long. Last year was a learning experience for her, but she's got the ability to be good." Shields played in six contests a year ago.

Behind the plate, sophomores Mandie Iorfido and Jessica Cox will vie for the starting spot. After joining the team at the conclusion of the basketball season, Iorfido recorded a team-high .377 average. While missing the southern trip, she took over as the starting shortstop before moving behind the plate.

"I thought she should have been an all-conference player last season," Gierlak related. "She hits the ball extremely well. She's been able to come up with big hits when we need it. I think she is going to be an outstanding player."

Meanwhile, Cox holds a defensive edge, including a stronger arm. "I think Jess throws better than Mandie. She has a quick release and will be able to throw out runners. She calls a nice game. She's a big kid behind the plate and is a very good receiver of the ball," Gierlak noted. "She has to get used to the level of pitching as far as hitting goes. She's got good ability but her bat has to come around. When it does, she will be a great player." Cox played in 13 games, hitting .212.

Freshman Danielle Arno will challenge Carmichael for third base. Arno has a good glove and has worked hard at her fielding but will need to adjust to the level of pitching to earn a spot in the order.

Outfielders

Gierlak entered the 2005 season with the outfield as one of his team's strengths. A year later it is an entirely different story as the outfield has now become a primary concern with seniors Tara Frantz, a four-year starter, and Jen Ronald, an all-PSAC selection, gone.

Gierlak will rely on senior Cyndi

Carnaghi to anchor the outfield. Used primarily as a reserve last season after transferring from UNC-Pembroke, she is expected to improve her contributions both offensively and defensively.

"Cyndi's one of the leaders on this team and she's got to have a great year for us," Gierlak remarked. "I think she really has stepped up in leadership abilities. She's got to learn to stay on course and keep her confidence up. She struggles with the bat at times but she has the ability to make the plays for us again and again." Carnaghi hit .222 in 36 at bats, driving in 5 runs.

Sophomore Hannah Kipfer will take over full-time in left field, a position she played near the end of last season after making the move from catching. "Hannah has done a great job of getting faster," Gierlak added. "She can hit the ball well but also needs to learn to do it more consistently." Kipfer ended the year with a .254 average in 54 at bats.

Right field is a toss-up with four possible choices. Lindamood and Rose are available when not pitching, as well as freshmen Abby Goetschius and Ashleigh Smith. Lindamood spent considerable time at designated hitter a year ago, finishing fifth on the team with a .271 average and 5 RBIs, while Rose is the only lefty on the team.

Goetschius hit .416 her final year at nearby school Strong Vincent and has family ties to the Edinboro program. Sister A m b e r Goetschius also played for the Fighting Scots.

Smith is a transfer from Clarion University but did not play softball for the Golden Eagles.

The 2005 season was a challenging one for the Fighting Scots, as a youthful squad finished 10-19-1 overall and 2-16-1 in the PSAC West. While the youth was clearly evident, head coach Dan Gierlak relied greatly on the senior leadership of four-year starters Tara Frantz and Andrea Palmieri, along with three-year starter Jen Ronald to guide a team that featured 11 freshmen.

Ronald and Frantz had the second and third-best batting averages at .326 and .286 respectively. Both scored a team-high 11 runs with Frantz leading the Fighting Scots in triples (2) and Ronald in doubles (5). Palmieri, meanwhile, was a cornerstone of the infield at third base, playing in all 30 games for Edinboro.

In addition to the upperclassmen's efforts, several of the 11 freshmen turned in impressive numbers in their first campaign. Mandie Iorfido, joined the team after the close of the women's basketball season. Despite missing the team's spring trip, she went on to lead the Scots in hitting with a .377 average. A very versatile athlete, Iorfido saw action behind the plate and at shortstop for the Fighting Scots.

Freshman Vanessa Rose, a left-handed pitcher who battled health problems, still finished with a 6-6 record and a 3.60 ERA in 70 innings, all team highs. Rose collected 64 strikeouts on the year, the 10th highest season total.

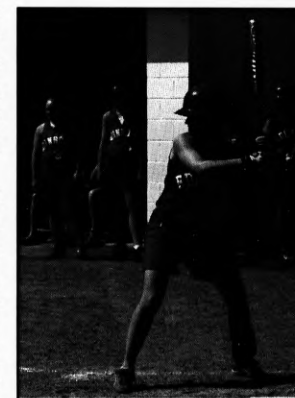

With the combination of experience and youth, the squad began the season strong, winning six of nine games during its spring training trip at Ft. Myers, FL. The Fighting Scots collected season-highs against the non-conference opponents, including 14 hits in a 5-4 win over Bridgeport, eight runs scored against St. Anselm (8-7) and Carlow (8-0).

Unfortunately, it was a different story when Edinboro returned home to open PSAC play. The Fighting Scots were forced to start their league campaign against PSAC powerhouses California (Pa.) and Indiana (Pa.). They dropped all four games before earning their first win in PSAC West action, a 5-3 decision over Clarion.

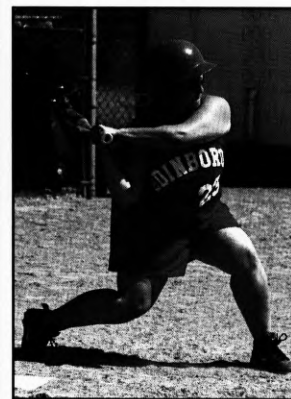

The Fighting Scots went on to lose six straight contests before sweeping a double-

header against local rival Gannon by identical 2-1 scores. Rose went the distance in game two, tossing a two-hitter against the Golden Knights.

The last victory of the year came in 4-2 upset win over IUP. Youth was served on that day, as Iorfido went 2-for-4 with an RBI and Rose picked up the win on the mound. Ronald went 1-for-4 with a triple and one run scored.

Dr. Frank G. Pogue

President, Edinboro University of Pennsylvania

Frank G. Pogue was appointed the 15th president of Edinboro University of Pennsylvania on July 1, 1996.

A sociologist, Dr. Pogue holds a bachelor's degree from Alabama State University, a master's degree from Atlanta University, and a Ph.D. from the University of Pittsburgh.

Prior to his presidency at Edinboro University, Dr. Pogue was the vice chancellor for student affairs and special programs at the State University of New York (SUNY) Central Administration in Albany, serving in that position for 10 years. While vice chancellor, he also served for one year as interim president at the SUNY College at Cobleskill. Prior to his assignment in the SUNY Central Administration, President Pogue was vice president for student affairs, associate vice president for research and educational development, dean of undergraduate studies, and a department chairperson, all at SUNY at Albany.

Dr. Pogue participates in national, regional and statewide leadership groups. He serves as a member of the American Council on Education (ACE) Commission on Women in Higher Education which provides counsel to ACE on policies related to women in higher education and advises on other concerns related to expanded roles and equal opportunity for women in higher education. He is a member of the American Association of State Colleges and Universities (AASCU) Committee on Professional Development, Millennium Leadership Initiative and Christa McAuliffe Selection Committee. He was appointed in 2003 to the International Association of University Presidents Commission on Disarmament Education, Conflict Resolution and Peace. Since 1984, Dr. Pogue has served on the Commission on Higher Education Middle States Association of Colleges and Schools (MSA). Most recently, he served as President for the MSA Board of Trustees and as a member of its Executive Committee, and he is a former vice chair of the Commission's Executive Committee.

Dr. Pogue also serves on the Board of Trustees of the BACCHUS & GAMMA Peer Education Network. He served for two years as chairperson of the Pennsylvania State System of

Higher Education (SSHE) Commission for the Universities and Commission of Presidents Executive Committee. He is a member of the Executive Board of A Community of Agile Partners in Education (CAPE). In October 1996, Dr. Pogue was appointed by then Pennsylvania Governor Tom Ridge to the Governor's Commission on Academic Standards. In November 2002, he was appointed co-chair of the Higher Education Committee of Pennsylvania Governor Ed Rendell's Transition Team. In May, 2004, he was appointed to the Pennsylvania Department of Education Higher Education Advisory Board.

Locally, Dr. Pogue serves on the Boards of Directors for the Meadville Area Industrial Commission, the Erie Regional Chamber and Growth Partnership, and the Erie Philharmonic Orchestra. He serves on the Boards of Corporators for the Hamot Health Foundation, the Saint Vincent Health Center, and the Meadville Medical Center. He is a member of the Martin Luther King Center Scholarship Committee and an Honorary Member of the Erie Wolves Club. Dr. Pogue was chairperson of the Erie County Millennium Commission, the Erie County State Employees Combined Appeal (SECA) campaign in 2001 and 2002, and of the Erie Day School's Adopt-A-Scholar scholarship program (2000-01 and 2002-03). He was also a member of the Erie Mayor's Task Force on Public Safety. Dr. Pogue has served on the boards of directors for the United Way of Erie County and the Greater Erie County Chapter of the American Red Cross.

Dr. Pogue was honored by the Erie Area Chamber of Commerce with the Louis J. Tullio Community Service Award. The Greater Erie Community Action Committee (GECAC) honored him with the Paul P. Martin Community Service Award in 2000, and in 1999, the Distinguished Service Award for Leadership and Vision was presented to him by the SUNY at Albany Council of Trustees.

Dr. Pogue has shared his experiences and expertise in Edinboro University classrooms via guest lecturer presentations. He has also taught a course titled, "Special Topics in Sociology" for the Department of Sociology. He continues to enjoy working in the classroom environment.

Since becoming president, Dr. Pogue has created the concept and philosophy of the Edinboro Family, a learner-centered environment where students come first and are an integral part of a caring and supportive campus community.
